## **BEASTIALITY STORIES**

Terri is a very pretty, petite figured 31 year old. She had shoulder length blonde hair and a slender build. Her main entertainment in life was riding horses. She loves to ride. She loves the way the horse feels between her legs as she grips him tightly with her knees, especially when she rides bareback. We live on a rural farm and she is home alone when her husband is at work. She spends her time swimming, when it was warm enough, working out to keep her curvaceous figure, or she plays around some on the web.

She was surfing the web one day and she saw a link for a site about women and their horses. She had no idea what it was about so she clicked on the link. She was shocked when she saw the first picture of a woman stroking a horse's massive cock. As she looked at the pictures she could feel her pussy getting wet. She went from one picture to the next and she couldn't believe women could fit something that big in their pussies. She got up and removed her bikini bottom and ran her fingers through the hair on her pussy. She moaned as her fingers rubbed her clit then slid easily into her wet pussy. She rubbed herself as she clicked from one picture to the next. Then she stopped on a picture that made her mouth water; a woman was sucking a horse and he was cumming in her mouth. She felt her pussy grip her finger and she screamed as her whole body shook with a huge orgasm.

She spent the rest of the afternoon looking at the pictures and wondering how it would be to try it. She put her bikini bottom back on and went to the stable so she could feed and groom the horses. They had five horses, four mares and one stud named Lightening. She fed them and had brushed the mares. Now it was time to brush Lightening. She started brushing him and she noticed he was fidgeting a lot, he snorted and shook his head as the smell of her pussy filled his nose.

"What's the matter boy?" She asked as she brushed his side. She gasped when she looked down and saw his cock hanging from its sheath. Her mouth was dry as she watched it getting bigger. She wanted to touch it but she was so afraid. Finally her curiosity and her desire over powered her fear and she reached under him and took his huge cock in her hand. He snorted and pawed the ground as she slid her hand up and down his shaft. She was amazed how hot it felt. Her pussy was getting wetter as she jerked him off. She wondered if she could get it in her mouth and what it would taste like. She slowly got on her knees and pulled his cock to her mouth and licked it. His cock jerked hard, almost jerking out of her hand. She licked it again then opened her mouth as wide as she could and took a couple of inches in her mouth. She had never had anything this big in her mouth but instinct took over and she slid her mouth up and down his huge cock. She could feel it throbbing in her mouth and she put her hand in her bikini bottom and rubbed her clit. She was getting hotter and she was taking more of him in her mouth. He whinnied and snorted as his cock jerked hard and a huge load of cum filled her mouth. She tried to swallow but she choked and coughed and cum ran down her chin dripping onto her chest. She pulled her mouth off him and he shot more cum all over her. That triggered her own orgasm and she slid two fingers in her tight cunt and shook while they came together.

As her orgasm subsided she looked at herself and laughed. She was completely covered in horse cum. She pulled her hand from her pussy and licked her fingers clean then she scooped the cum off her body and licked that. She loved the taste and she wanted more. She knew I would be home soon, so she ran and jumped in the pool washing all the cum off her body. She could hardly wait till tomorrow.

The next day came and she was ready to try Lightening again. She started toward the stable then she noticed her niece Donna pulling in the drive. "Damn this sucks. I'm so horny I don't want her here now." She said as she kicked a rock across the drive.

"Hey Terri, what are you doing?" Donna asked as she got out of her car.

"Nothing, I was just going to check on the horses."

"Oh, I thought maybe we could swim for a while."

"Ok, that sounds cool."

Terri looked at Donna and thought 'we've had some sexy times with some guys, maybe we could have some fun with Lightning.' Donna was a sexy 25 year old. She had skin tanned by the sun and beautiful long blondish hair. She had nice tits (36c's), about the size of a grapefruit, and long legs and fine ass. Terri's pussy was getting wetter as she thought about licking Donna's pussy. She watched her niece's ass as she ran to the pool. They splashed and played in the pool for a couple of hours then went in to have some lunch. As they ate their sandwiches Terri couldn't help noticing how Donna's nipples poked out through her hot pink bikini and how it was pulled up tight in her crotch showing off her puffy lips.

After lunch they walked out to the stable to see the horses. Donna likes most animals and loved horses. They gave them fresh water and some hay then Terri started brushing one of the mares as Donna brushed another. After an hour or so Donna said she had to go home. Terri was ecstatic; even though she liked Donna she really wanted to play with Lightning.

Terri walked with Donna to her car and watched as she drove down the drive. When she was out of the drive she ran back to the stable and quickly shed her bikini. She started rubbing Lightnings side and his dick started growing, he was hoping for some more of what she had done yesterday. She got on her knees and ran her hand along his hard cock, she was still in awe of it, and it must be at least two feet long and thicker than her arm. She ran her hand over it as she said. "Easy boy, I know what you want. You want me to suck your cock, don't you? I've been dreaming of this since yesterday."

She put her mouth on his huge cock and moaned as it filled her mouth. She moved her head back and forth taking as much of his cock as she could in her mouth. As she sucked her hand went to her wet pussy and she rubbed her juice into her clit. She loved the feel and taste of his cock in her mouth and she could feel her first orgasm sweep over her. She pulled her mouth from his cock and screamed. "OH FUCK I'M CUMMING! OH LIGHTNING I LOVE YOUR COCK!"

She didn't know that Donna had come back and decided to spend the afternoon with Terri. She stood at the stable door staring at her nude aunt sucking a horse's cock. She could feel her pussy twitching as she watched her aunt Terri playing with herself as she sucked a horse. Donna slipped off her bikini and ran her right hand over her pussy. She shuddered when she slipped a finger in her pussy. As she rubbed her pussy she watched Terri rubbing herself and she couldn't believe how wet Terri was. Her fingers were covered with liquid and there was a big puddle under her.

Donna lost her balance and fell against the door causing a loud bang and before she could run Terri jumped up knowing she was in deep shit because someone had caught her. She was relieved when she saw Donna standing in the door trying to pull her swimsuit up. "What the hell are you doing here? I thought you went home. And how long have you been standing there? Don't you know you shouldn't spy on people?"

Donna was staring as Terri yelled at her. Terri felt bad that she had yelled and walked over to her niece and kissed her face and said. "I'm sorry Donna I shouldn't have yelled." She lifted Donna's face and gently kissed her lips. Donna looked into her eyes and said. "I'm sorry Terri; we were having so much fun I decided stay here this afternoon. And when I saw what you were doing with Lightning I couldn't help watching. Then my pussy started twitching and I just had to rub it. Why were you

sucking his dick?"

"It's fun and it makes my pussy twitch too. You don't think I'm awful for doing it do you?"

"Oh no, I could never think you're awful, you're my best aunt and we have shared a lot of guys together, but I've just never seen anything like that. Doesn't it taste good?"

"It tastes great." Terri looked at her young friend and said. "Would you like to try it?"

"I don't know if I ...." Terri cut her off in mid sentence by kissing her. Donna's eyes were wide as Terri slid her tongue into her mouth. Donna caught on quickly and their tongues wrestled back and forth. Donna moaned as Terri cupped her breast. Her nipples were hard and poking into Terri's palm. They were both panting as Terri broke the kiss then leaned down and took Donna's hard nipple in her mouth. "Oh wow, that feels awesome." Donna said as she held Terri's face tight to her chest. As Terri licked Donna's nipple she ran her hand through the patch of blond pubic hair and slid her finger along Donna's juicy slit. Terri couldn't help thinking Donna was seventeen years younger than her and she and her had fucked so many guys together, but this was going to be so different. She broke their embrace and led Donna over to Lightening. She took Donna's hand and placed it on Lightening's hard cock. Donna moaned as she ran her hand up and down the biggest cock she had ever felt. She looked at Terri and said. "It sure is hot. Do you think he likes how I'm doing it?"

"Oh I'm sure he loves it, feel how it's jerking in your hand."

"Yea this is awesome. What do I do now?"

"Lean over and take it in your mouth. He'll really like that."

"I don't know if I can, it may not fit."

"Just open your mouth real wide like you taking a big bite of an apple just be careful not to bite him."

They both laughed then Donna leaned in and took the end of his cock in her mouth. Her lips were stretched tight over his massive cock. She moved her head up and down a few times then pulled her mouth off with a pop and said. "MMMM that does taste good and it makes my pussy twitch too."

Let me have a turn." Terri said taking his cock in her mouth. As she bobbed her head up and down Donna slid her finger up Terri's wet pussy. Terri moaned as she sucked the big horse cock and Donna fingered her. She pulled her mouth off breathing heavily and said. "Oh Donna that feels so good, fuck my pussy with your finger. Put another finger in me make me cum I'm so close." She took the cock back in her mouth and sucked hard. She could feel it jerking and she wanted him to fill her mouth with his hot cum. But she also wanted Donna to get a taste as well. As Terri was sucking the huge horse cock Donna began sucking Terri's nipples as she slid two fingers in and out of her pussy. Terri was moaning loudly and her hips were rocking trying to get more of Donna's fingers in her. Lightening whinnied and his cock jerked as he fired a huge load of cum into Terri's mouth. She swallowed the first shot then pulled her mouth away and aimed it at Donna's face as she screamed and covered Donna's fingers with her hot cum. "OH FUCK, I'M CUMMING!!! QUICK DONNA SUCK HIS COCK AND TASTE HIS CUM!" As her orgasm was coursing through her Terri fell on her back and rubbed her clit like she was possessed. Lightening's cock jerked and his second shot of cum landed on Donna's tits. She gasped when she felt how hot it felt on her skin. She grabbed his cock and slid her mouth over it as he shot again filling her mouth. She tried to swallow but she choked and cum shot from her nose. She jerked her head back and sat there coughing as another string of cum hit her breasts. She let go of his cock and the rest of his cum landed on Terri and the ground.

As her orgasm subsided Terri saw Donna lying on the ground with her hand on her pussy and covered with cum. She crawled over to her and began licking it off. She licked both of her hard nipples then down her flat belly to the patch of blond hair just above her pussy. She moved Donna's hand and slid her tongue along her wet slit. Donna moaned as Terri licked her pussy. She loved for Terri to eat her pussy and she liked having sex with Terri. "Oh Terri, please don't stop it feels so good."

Terri used her fingers to open the lips of Donna's pussy. She turned herself around so her pussy was over Donna's mouth and said. "Do me too, let's make each other cum." Donna raised her head and buried her tongue in Terri's wet pussy. She was mimicking what Terri was doing to her. If Terri licked her clit she licked Terri's and when Terri stuck her tongue deep inside she did the same. They licked for all they were worth trying to make the other one cum. Finally Donna could take no more and her hips lifted off the ground pushing her pussy against Terri's mouth. Her screams were muffled by Terri's pussy as she had the biggest and best orgasm of her life. Terri licked and sucked trying to catch the sweet nectar that was flowing from Donna's cunt. As Terri lapped at Donna's pussy she felt her pussy spasm and she flooded Donna's mouth with her sweet cum.

As they lay there holding each other and gently kissing. They both knew they would be experimenting more with Lightening, talking about how it would feel to have his huge dick in their pussy's. They also was thinking of the other animals on the farm and how they could use them together.
