BEASTIALITY STORIES

Part One

Stephanie, applied to an ad in the paper seeking a roommate. She was 21, brunette with hazel eyes. She looked great in her size 12 jeans, and had a perky set of 36C breasts. This is how she first met Cynthia. Cynthia was 23, Redhead with green eyes and soft pale skin. She was a nice size 14 with huge 44DD breasts. She had curves in the right places and a delicious ass. Cynthia also had a dog, A Marmaduke like Mastiff. The girls hit it off, and Stephanie moved in to the spare bedroom. The girls had fun together, going to parties, drinking, even occasionally enjoying each other.

Stephanie loved eating Cynthia's trimmed pussy, and Cynthia would finger Stephanie's ass and pussy until she was screaming with orgasm. But Stephanie was always curious as to who the guy was that fucked Cynthia good. Stephanie had never met him, but could taste him sometimes when the two girls had some morning fun. Stephanie, had heard Cynthia's moans of pleasure on several nights, but never saw who the mysterious lover was.

Three months after moving in, Stephanie, finally stumbled on Cynthia's secret lover. Stephanie had been out for the evening with a guy she had met a few weeks ago. She was supposed to be staying at his place, but after a heated argument, she returned home. As she walked through the front door, she heard it. Cynthia was screaming loudly from her room.

"Oh, Oh god! Fuck me! Fuck my pussy!! Yes, yes ,yeeeessssss!!!" She screamed as she came. Stephanie, curious, snuck up stairs and stood outside Cynthia's room. The door was open slightly, and Stephanie peered inside. She could see Cynthia's bent over the foot of her bed, head shaking from side to side as she moaned, her face distorted by what must have been an earth shaking orgasm.

"oh god yes!!! I can feel your hot cum!!! Fuck me!!! Oh...Oooooohhh....Ooooooohhhhh Yesssss!!! Cynthia cried out. Stephanie couldn't see the mysterious lover, so she opened the door a little to get a better view. What she saw next, shocked her.

Standing on his hind legs was Hercules, Cynthia's mastiff. His hips were thrusting very quickly as he buried his doggy cock inside the pretty redhead. Stephanie, put her hand over her mouth to muffle a scream, and she couldn't take her eyes off the scene that lay before her. And then a thought slipped into her mind; Hercules was the delicious cum she had tasted so many times. She became aware of a tingling sensation in her cunt. She was getting wet, very, very wet. She quietly undid the button and zipper of her jeans, and slipped one hand inside. She started rubbing her clit, and squeezing her breasts with her other hand. As she slipped two fingers inside her dripping wet pussy, Hercules lifted a leg and turned so he was ass to ass with Cynthia. Cynthia grabbed his hind legs and held him close as her body shook with another orgasm.

Stephanie, stepped from her jeans and squatted in the doorway fingering her pussy hard, jamming three the four fingers inside her. She reached behind herself with her other hand, and with one finger began rubbing her pussy juices around her ass. She loved having her ass filled, and desperately wanted it now. She shoved to fingers inside her ass, biting her lip to keep herself from moaning. She watched as Hercules pulled away from Cynthia. His cock was spraying cum all over the place as it slipped out of her well fucked pussy. Stephanie began to cum as she now had 3 fingers in her ass and 4 deep inside her pussy. She watched as Cynthia, turned toward Hercules, got on the floor under him and began licking his massive cock. It had to be at least 13" long and Cynthia's hand could barely wrap around it. Stephanie, cam hard, juices gushing from her pussy onto the carpet as she came. She could taste blood coming off her lip from biting down so hard. She

watched as Cynthia began sucking that dog's cock, cleaning her juices from it. Not wanting to get caught. Stephanie gathered her clothes and crept away to her own bedroom. When she got to her room, Stephanie quickly shed her clothes and climbed into bed. She was so turned on she just needed to cum again! She reached into her nightstand drawer and pulled out her favorite toy. It was U shaped, with a handle, so it could fill her pussy and ass at the same time. The large end was about 2" around and 8 " long, the small end about 1" around and 8" long. She quickly went to work, turning the vibrations all the way up. Visions of Cynthia and Hercules filled her mind as she fucked herself. She was moaning loudly, lust and desire filling her body. She wanted to feel that cock inside her...

## **Part Two**

Cynthia lay in bed touching her pussy casually. Hercules lay in the corner, cleaning himself. She could feel his cum flowing from her pussy, down between her ass cheeks. She scooped some with her finger, and sucked her finger clean. She absolutely loved the taste of dog cum. She then began to think of all the times Stephanie had licked Hercules' cum from her pussy. She began to wonder how Stephanie would react if she knew who's cum it was. Cynthia found herself rubbing cum all over her pussy and ass, and began getting excited again, when she suddenly heard a loud moan.

Startled, she jumped. Stephanie was supposed to be staying out tonight. Cynthia hadn't heard her come in, and then suddenly realized, she might've been heard. But she quickly calmed down. Surely, she hadn't been caught. She got up and made her way down the hall to Stephanie's room, where she could hear loud moans. Peeking inside the door she saw Stephanie laying on the bed, legs up as she shoved a dildo into her pussy and ass. Cynthia smiled, she thought Stephanie might need a hand. She was about to enter when she noticed Hercules standing next to her, sniffing the air. His cock was beginning to show from its sheath. Apparently, he was in the mood for some fun, too.

Cynthia smiled as an idea formed in her mind, she was going to introduce Stephanie to Hercules tonight. As quietly as she could she entered the room and moved to the foot of the bed. The mastiff followed, and she coaxed him to lay on the floor. He lay there watching as she moved to the side of the bed. "Hello lover" she said, "thought you were out all night"

Stephanie jumped with a start, but relaxed and smiled when she saw Cynthia. "it ended early, care to give me a hand"

"I'd love to dear" Cynthia replied, leaning in to kiss Stephanie's lips. She broke the kiss and reached into nightstand, pulling out a blindfold. "let's put this on. I've got a surprise for you.

Stephanie was now blindfolded, as Cynthia kissed her way down to her clit. Straddling Stephanie's face, Cynthia began tonguing her clit, and rubbing her pussy against Stephanie's mouth. The smell took over Stephanie, and she greedily starting licking and sucking, trying to get all the doggy cum in her mouth. Cynthia removed the toy and began licking all over Stephanie's soaking wet pussy. Gently patting the edge of the bed, she got Hercules' attention. He sat up and began sniffing at stephanie's pussy. His huge tongue ran between her ass cheeks and up into her pussy lips before touching her clit. Stephanie pushed her hips forward eager to meet this new sensation. She wasn't sure, but she felt the tongue was bigger, and rougher. She began imagining Hercules licking her pussy. The sensation grew quickly into an orgasm as the long strokes continued, faster and harder than each time before. She had her face buried in Cynthia's pussy, and her fingers began pushing into Cynthia's ass as She came from the new sensation.

Cynthia sat up and was grinding her pussy all over her roommate's mouth. She felt a finger from each hand pushing into her mouth and she came, forcing her juices and Hercules cum into Stephanie's eager mouth. The dog continued licking at Stephanie's pussy, cleaning up all her juices, only to make her cum over and over again.

Cynthia climbed off Stephanie's face, and rolled her over onto her hands and knees. She then sat in front of her and pulled Stephanie's head towards her. "relax lover this is going to feel great!" Stephanie's mind filled with thoughts of Hercules taking her. There she was blindfolded, on her hands and knees, lusting for a dog! She wanted it so badly, but Cynthia couldn't know that, as she didn't even know Stephanie saw her. She felt that tongue lick between her pussy lips, and she gushed again.

A loud slap filled her ears, and her ass stung good. Cynthia slapped her ass, signaling Hercules to mount. Stephanie felt the bed shift, and then fell forward as she was crushed by a massive weight. Something warm and was on her ass and back, and she felt something hard prodding around her pussy and ass. 'Yes' she thought, 'please oh please yes'. She reached between her legs and grabbed hold of that massive cock, guiding it to her pussy. It was huge! And Hot! She was getting so excited just thinking about that cock inside her. As soon as she placed the tip between her pussy lips, Hercules took over, thrusting deep inside.

"Owww...ooohh oh yes that's good...Oh god it's so big! Oh...ooooooooohhhh OOH YESSSS!!!!!" She came within moments. Hercules pounded away, shoving his cock deep into her cervix. Precum spilling inside her pussy, hot, stinging her insides with the most pleasurable pain. Cynthia pulled the blindfold off and, she looked back, cumming again as she saw Hercules fucking her good and hard. Cynthia was rubbing her pussy, and pulled Stephanie down so she could lick it. Stephanie starting licking, and fingering, all the while swearing and moaning loudly as she came over and over again. She worked three, then four, fingers into Cynthia's worn pussy. Then she forced her hand inside, her arm began disappearing in the redhead's cunt as she got pounded from behind. Stephanie felt something large pushing against her pussy lips. It felt huge. 'there's no way I can take that' she thought. But with when heavy thrust Hercules knotted his bitch. And she came again as she felt her pussy torn wide open.

Cynthia, excited by the fisting she was receiving and the scene in front of her, began squirting all over Stephanie's face. Stephanie was rocking back and forth, moaning with pure pleasure, as she was in constant orgasm. Hercules lifted his leg, and turned ass to ass with his bitch. She came over and over again. She suddenly became aware of a new sensation. Cynthia had moved, and was fingering Stephanie's ass hard. She had four fingers deep inside her roommate's ass, and was holding Hercules' hind leg to keep him from pulling away. Stephanie felt like her body was jello. She could feel Cum dripping down her legs. She felt Cynthia fisting her ass, and continued to moan and scream and cum. She felt completely used, and fully satisfied. She heard a loud pop as Hercules pulled his knot from her tired cunt. What seemed like gallons of cum poured from her pussy. Cynthia continued fisting her ass, and knelt down to catch the cum from her pussy. She came one last time, before she blacked out.

Stephanie woke up, tired and sore. She looked around, and saw Cynthia laying next to her, and Hercules laying in a corner near the closet. The bed was soaked with cum, and dried cum covered her pussy and legs. She tried to stand, and almost fell. Her body was still weak. She smiled as she made her way to the shower. She was a bitch, and proud of it!

Part Three

For the next couple of days, the girls were fucked by Hercules every chance they got. When either of them was home, they were naked, and ready to feel Hercules' cock buried inside them. In fact. For a week the only time they got dressed was to go to work, run errands, or if a visitor was expected. Stephanie took great pleasure in sucking that huge doggy cock and swallowing as much cum as she could. The taste turned her on even more. When Hercules was too tired to play the girls continued playing with each other. They licked, sucked, and fist fucked each others pussies until they were both sore.

That following Saturday, Cynthia was at work, and Stephanie, sore and tired, was out in the backyard, soaking in some sun. She lay there naked, almost asleep enjoying the warmth on her skin. She was glad she locked Hercules up, because she knew he would be licking between her legs, and she would not be able to stop herself from sucking and fucking him, no matter how sore she felt. At least she thought she locked him up. Stephanie was already getting wet just thinking about that dog. She couldn't help herself. As she got more excited she began pinching and squeezing her tits. She lay there teasing herself, imagining Hercules head between her legs, licking her lips. His tongue digging into her pussy as he lapped up her juices. Her sore, tired pussy was very wet as she placed a hand between her legs and began rubbing herself.

Hercules was laying down in Stephanie's bedroom. He began to sniff the air,; he could smell his bitch's sex. He pawed at the door, and it opened. The door didn't catch when Stephanie had closed it. He began walking through the house sniffing out his bitch. As he got closer to her his cock began coming out of its sheath. By the time he found Stephanie 6 inches was already exposed. He stepped between her legs and sniffed, then took a tender lick at her pussy.

Stephanie was very excited now. She was so into her imagination she could swear she actually felt a tongue against her cunt. Again and again it lapped at her pussy. She opened up her eyes, shocked at the sight of Hercules, but it was too late she was already on the verge of orgasm. She squeezed her tits and pulled hard on her nipples as she moaned out loud. She hoped that no one heard her, but at that moment she didn't care. She was a bitch in heat, and she needed it now!

Jared, the 37 year old man that lived next to Cynthia's house was outside enjoying an iced tea while he read the paper. He looked around; he could have sworn he heard something. He heard it again, a moan. He stood up and walked over to the wooden fence between his and his neighbor's yard. What he saw shocked, and excited him very much. Right before his eyes his young neighbor was in the throws of orgasm as her roommate's dog licked away at her bare pussy. She moaned and shook her head from side to side as she pushed her pelvis up, into the dog's tongue. She finally settled from her orgasm, and to Jared's delight, she rolled over onto all fours. Slapping her ass she encouraged Hercules to mount her. He did, and with a few thrusts he buried his hot, red cock into her pussy. He pounded her hard and fast. She was moaning and swearing as he fucked away at her cunt.

Jared was out of his pants in seconds, stroking his cock at the site before him. He stroked hard and fast. In moments he was cumming, spraying his spunk all over the fence. He continued to watch, and to his surprise he stayed hard as he watched this young slut get pounded by a dog. He continued stroking his cock, this time lasting longer than the first. He watched that slutty brunnete start rocking back and forth as the dog pummeled her pussy hard. She was getting louder, begging him to fuck her, to fill her with his cum. She groaned loudly and through her head back, looking over her shoulder.

Stephanie, groaned loud as she felt Hercules push his knot between her pussy lips. She was caught in waves of orgasm as his seed spilled inside her womb. She moaned and gasped as his cum burned delightfully inside her. She looked over her shoulder at her lover. When she did she thought she saw someone moving on the other side of the fence. Before she could react she was hit with another

earth shattering orgasm. It didn't matter anyway, she was tied to her lover. Her eyes closed as she felt wave after wave of pleasure rip through her body. Then she heard it; a masculine grunt. Almost as if a man was coming. She opened her eyes and looked behind her. She saw someone move away from the boards. Although nervous that she might have been caught she was too aroused to care. Her body was taken, used, and tied to Hercules, and she loved it. She came again as the idea of someone watching her ran through her mind.

After several minutes, Hercules' knot softened enough and he pulled out of his bitch's cunt. His cum began to flow freely from her lips, and he licked her clean. She came twice more from his tongue. Patted him gently and led him inside. She glanced once more at the fence, but didn't see anyone. Did she get caught? Or did her imagination run wild? She didn't know, but she'd be sure to tell Cynthia this evening.

## **Part Four**

Cynthia got home around 6 that evening. "how was work?" Stephanie asked.

"It was work as usual. Although I did catch one of the guys trying to look up my skirt today"

"what did you do?" giggled Stephanie.

"Well I gave him a dirty look and called him a pervert of course." Cynthia giggled this time. "Then when no one else was around I slipped out of my thong, gave my pussy a good rub with them, and placed them in his lap."

"You tease!"

They both had a good laugh. Cynthia does secretarial work for a manufacturing company. She gets to tease lots of guys, and she loves it. Stephanie told her about her day. She told her how Hercules got out of the room while she was sunbathing, and took her in the back yard. "You dirty slut," Cynthia commented, smiling.

"I think I got caught though."

"By who?"

"The guy that lives next door. I'm not sure but I thought I heard him cumming."

"Well, if he was watching he probably enjoyed the show."

"Cynthia, I want to try something tonight."

"Of course, what is it?"

"I want Hercules in my ass."

"Ha ha! Sure dear, but not until I get some of that cock!"

They both had a laugh, and then decided it was time to get something for dinner. Stephanie went out to grab some take out. They decided on hawaiian bbq since it was nearby, and they both liked teriyaki. She also stopped by the liquor store and picked up a bottle of coconut flavored rum. 'Might as well get tipsy tonight' she thought. She arrived back home about a half hour later, only to find

Cynthia laying on the floor, sucking on Hercules cock. His precum was spilling from her lips, and her cheeks were puffed out, so she was having quite a mouthful. Stephanie smiled, and kneeled next to her friend, licking the cum from her cheeks. "you just couldn't wait could you you horny slut?"

"Why wait for dinner, when I can have dessert" Cynthia replied, wiping precum from her mouth. Stephanie began rubbing Cynthia's pussy, which had become very wet. Cynthia quickly rolled over on her hands and knees, and beckoned for Hercules to mount her. He happily obliged, and began stabbing away, searching for a hole to fuck. Cynthia guided him to her pussy and he quickly drove home, thrusting his huge cock inside her. She could feel the precum splashing against her pussy walls, and she began to cum. Stephanie watched in delight, sitting on the floor in front of her, playing with her own pussy. She was still sore, but was already getting very wet. Stephanie slid 2 fingers into her cunt as she watched Cynthia reach back and stick a finger into her ass.

Hercules' knot was pushing into her cunt, and Cynthia pushed back hungry for his knot inside her. Stephanie was reaching her own orgasm as she thrust 3, then worked 4 fingers into her now soaked pussy. Cynthia began moaning deeply as Hercules tied with her. She watched with delight as Stephanie began to fist her pussy. Stephanie came quickly then, with a squirting climax, squirting Cynthia in the face. Cynthia opened her mouth, trying to catch the juices in her mouth. She was drenched with Stephanie's juices, and began to squirt herself, as Hercules released his cum inside her stretched cunt.

They all relaxed, Cynthia having occasional orgasms from each little movement that caused Hercules' knot to rub inside her. About 20 minutes later, Hercules cock pulled from her pussy with a loud pop. Cum quickly dripped from her insides, which Stephanie Gladly licked up. After the girls cleaned up again, they reheated their food and ate dinner out on the porch.
