BEASTIALITY STORIES

Chapter One

Jimmy Martin was kicking a small rock along in front of him as he slowly walked down the street with his twin sister, Amy. The two kids had gone over to the local playground for the afternoon, but, finding no other children there, they were reluctantly ambling back to their uncle's house.

Because their parents had gone on a company-sponsored three-week Caribbean cruise, the children were temporarily staying with Uncle Paul and Aunt Alice, and they were bored silly. They didn't know any kids in this town, and they wished they were back home.

Another thing that griped the two youngsters was that Aunt Alice made them do a few chores around the house. When they were home, their mother never gave the two little brats anything to do, and they resented their Aunt's bossy orders.

„Shit,“ Jimmy mumbled to his sister as he gave the rock another short kick. „What'll we do back at the house?“

„Hell, I dun no,“ sighed Amy. „Aunt Alice will probably find some dumb job for us to do.“

„I know it,“ he grumbled. „I wish we were home.“

Resenting their aunt, the disgruntled twins kept muttering to themselves as they slowly headed toward the house. Walking side by side, Jimmy was about an inch taller than his sister. They were cute little freckle-faced redheads, and Jimmy was extremely well-built for his age. Pretty little Amy was just starting to sprout a pair of lemon-sized tits that pointed out saucily under her T-shirt.

Entering the house through the kitchen door, they saw Max, their uncle's big Labrador retriever sprawled out on the floor. They were just about to go into the living room when they heard loud giggling coming from the den down the hall.

„Oh, honey,“ they heard Aunt Alice pant. „You shouldn't be fucking around with me in the middle of the day.“

„Why not?“ demanded their uncle's voice.

„Because you're making me all hot and horny,“ giggled their aunt.

„What's wrong with that?“

„Nothing,“ she answered. „But the kids might walk in and find us.“

„They've gone over to the playground,“ they heard their uncle say.

Curious to see what was going on, they tiptoed down the hall and peeked through the partially-open doorway. Both of their mouths dropped open with shock when they saw their aunt and uncle standing in the middle of the room. He had his wife's skirt up above her hips, and his fingers were excitedly goosing into the soft crack between her panty-clad ass-cheeks as he writhed against her like a rutting animal.

The children could hardly believe their eyes when they saw Aunt Alice reach down between their squirming bodies and grasp his cock through the material of his pants.

„Oh, give it to me, honey!“ she sobbed. „Piss on the kids! Give me this big, hard prick!“

Feverishly pulling and squeezing on his thick cock, the blonde woman's entire body was trembling with anticipation.

„Hurry!“ she panted excitedly. „Pull your goddamn cock out!“

When he didn't respond quickly enough, the insanely-aroused woman jerked down his zipper and delved into his open fly.

„God, that thing feels good!“ she hotly whispered, passionately kissing him with her moist, parted lips as she curled her fingers around the throbbing length of his thick, hard prick.

Staring excitedly at the man and woman, the twins watched Aunt Alice pull their uncle's cock right out of his pants. This was the first hard prick that Amy had ever seen, and she was fascinated by the contrast of his milky-white shaft against his big purple cock-head. The amazed, little redhead could feel her cunt getting all hot and wet as she watched Aunt Alice's hand slowly sliding the thick, rubbery foreskin up and down over the throbbing length of his huge boner.

„Goddamn!“ gasped Jimmy as the woman released his uncle’s prick and threw herself down on the couch.

„Paul,“ she whispered, spreading her legs to expose the scanty, blue panties that just barely covered her cunt. „Would you like to eat my hot, little pussy?“

Slowly walking toward where his wife was spread out on the sofa with her skirt pulled up above her ass, Uncle Paul’s thick cock was wagging in front of him through his open fly. The horny blonde opened her creamy thighs even wider for him as he dropped to his knees between them.

„What’s he gonna do?“ Jimmy whispered to his sister.

„Shit, I dun no,“ giggled Amy. „It looks like he’s gonna kiss her pussy twat.“

Inhaling the heavenly scent of his wife’s cunt, Paul began running his tongue up and down, licking at his beautiful wife’s oozing pussy through the thin material of her panties. Her tasty little pussy was leaking her hot fuck-juices into the crotch-piece of her scanty briefs as she excitedly squeezed his handsome face between her deliciously-naked thighs.

„Take them off, darling,“ she passionately whispered. „I want your tongue deep in my cunt.“

Staring excitedly, the twins watched Uncle Paul hook his fingers into the waistband of her panties and pull them off as she arched her hips up to assist him.

„Look at that!“ gasped Jimmy, gazing at the first woman’s pussy he’d ever seen.

Aunt Alice’s cunt was wet with desire, fringed with a growth of soft, golden hair. The lips of her slippery pussy were spread open like the petals of a dew-covered flower. Staring at her beautiful cunt, Jimmy could feel his own hard boner throbbing in his pants. He watched the hot juices leaking out from her oozing pussy.

„Wow!“ whispered Amy when her uncle started licking Aunt Alice’s naked cunt.

„Oh, yes! Yes!“ the beautiful woman squealed, her body shuddering with excitement. Alice began grinding her swampy pussy up against his feverishly-licking mouth in slow, sensuous circles, mashing her slippery crotch all around his tongue and lips. The man’s nostrils were flaring from the pungent fragrance of her steamy pussy.

„Lick me deeper,“ whimpered the writhing woman. „Tongue-fuck my cunt.“

Paul began swirling his tongue around deeper, lapping greedily at the slippery walls of her lust-slickened inner flesh. Softly moaning with excitement, the wildly-aroused man plunged his tongue in as far as it would reach, his nose rubbing against the damp curls around her oozing pussy.

„Oh, yes, darling!“ she squealed. „That’s the way to eat cunt!“

Trying to hold his frantically-writhing wife still, Paul cupped the soft cheeks of her ass in his palms and teasingly ran the tip of his tongue up along the length of her pussy until it reached her clit.

„EEEEEEEEEGGGHHH!“ she screamed, her entire body shivering from the electric-like contact.

Knowing how much his horny wife was enjoying his expert tongue-fucking, he continued rhythmically stroking her clit with his experienced tongue. The sensitive, little bud was stiff and hard as he rolled her clit around between his lips. She trembled and shuddered.

Moaning loudly, the horny woman rubbed her sopping cunt all over her husband’s face. She could feel his fingers digging into the soft flesh of her ass-cheeks as he slurped hungrily on her ravished pussy.

„Oh, Paul!“ she suddenly cried, pushing his face from between her legs. „I want a be fucked!“

„Right now?“ he gulped.

„Yes, goddamn it, right now!“ she cried, starting to strip her clothes off.

„But suppose the kids come home,“ he panted, staring at his deliciously-naked wife.

„Fuck the kids,“ she panted. „I want a be fucked with that beautiful, big cock of yours.“

Being just as hot to fuck as she was, Paul began rapidly removing his own clothes. When he finally had them all off, he moved over to where she was spread out on the couch.

„Get on your hands and knees,“ he whispered. „I’m gonna fuck you silly before we’re through.“

„Oh, yes,“ she panted, quickly assuming the position he’d suggested.

„Here comes my prick,“ he whispered hotly, grasping her hips as he knelt behind her. „Are you ready?“

„Fuck, yes!“ panted the passionate, aroused woman. „Stick your cock in me!“

She began softly moaning with anticipation when she felt the hard, hot head of his prick probing between her wetly-flowering cunt-lips. He was going to fuck her just like a dog fucked a bitch in heat, and the thought of fucking like that further excited the horny woman.

„Goddamn,“ Jimmy whispered breathlessly as they watched. „He’s really gonna fuck her.“

„In her asshole?“ asked Amy.

„Shit, no, dummy,“ he giggled. „He’s gonna fuck her pussy from behind like dogs do it.“

From the way Aunt Alice was grinning as she wriggled her ass back against their uncle, the kids could tell she really liked what he was doing to her.

Staring excitedly, the twins watched him grasp Aunt Alice’s ass a bit more firmly and lunge forward. Straining to get a better view, the breathless youngsters watched his big blue-veined cock sink into the woman’s gold-fringed pussy.

„Wow!“ gasped Amy.

„Jeez!“ panted Jimmy watching bug-eyed as their uncle’s throbbing cock slipped into Aunt Alice’s well-stretched pussy. The youngsters could hardly believe their eyes when his big, thick prick completely vanished up her dripping cunt.

„Oh, shit!“ they heard their aunt moan with joy. „That’s such a nice, big prick!“

„And you’re so nice and tight,“ whispered Uncle Paul.

„Now fuck me good, honey,“ the kids heard her urge him. „Just fuck the shit out of me.“

Wanting to please his horny wife, Paul began fucking her for all he was worth, showing absolutely no mercy as he pounded his enormous cock in and out with all his power.

Feeling something brushing against her leg as she excitedly watched, Amy glanced down and saw Max, the Labrador retriever, standing next to her. The animal had obviously heard the noise and had come to see what was going on. Thinking what a beautiful dog Max was, Amy turned her attention back to her aunt and uncle.

Excitedly staring, the twins were carefully watching every detail. Jimmy had a painful hard-on as he watched his uncle’s thick prick gliding in and out between Aunt Alice’s slick, slippery cunt-lips. It was exciting to watch the beautiful woman’s big, dangling tits swaying beneath her chest as he violently fucked into her, his big, lusty balls slapping noisily against her cute, wriggling ass. Listening to Aunt Alice’s squeals of rapture, the kids could see thick cunt-cream oozing out around their uncle’s wildly plunging cock. His hairy belly was soon drenched with the hot juices that were splattering out of her cock-stuffed pussy.

„AAAAAAHHHH! OOOOOOH!“ she shrieked with joy as his enormous prick pounded deep into her writhing cunt.

Wildly waving her ass around, the beautiful woman was frantically rotating her slick pussy back around the length of his plunging cock. There was a crazy grin of lust on her face as the horny blonde knelt beneath her husband’s wildly-humping body.

„Boy!“ giggled Jimmy, rubbing his hard-on through his pants. „She really likes his cock.“

„She sure does,“ Amy agreed, feeling all hot and wet between her own trembling legs. „I wonder what fucking feels like.“

„I dun no,“ panted her brother as he stared excitedly at the way his uncle’s prick was zipping in and out of the woman’s slippery cunt. „But it sure looks like fun.“

Jimmy had jacked off enough to have an idea of how it would feel, and he suddenly wished it was his own hard cock streaking in and out of Aunt Alice’s pussy. Thinking how hot and juicy his aunt’s cunt looked, the young boy could almost feel his hard prick fucking in and out of her.

„What are you doing that for?“ asked his sister.

„What do you mean?“ he asked, not realizing that he was playing with himself.

„Why are you rubbing the front of your pants?“ she innocently asked.

„Because I got a hard-on,“ he answered.

„Like Uncle Paul has?“

„Yeah,“ Jimmy said with a grin, lustily rubbing his erection through his pants.

„Can I see it?“ his sister asked.

„Of course not,“ he answered, getting more and more excited as he watched his uncle fucking his big, bloated cock into Aunt Alice’s hot juicy hole.

Amy was just as excited as her brother. The sight of her uncle’s big juice-smeared cock had made her all hot and itchy between her legs. She couldn’t help but wonder how it would feel to have Uncle Paul’s big prick zipping in and out of her own wet, little cunt. His cock looked awfully big, but from the way Aunt Alice was acting, it sure must feel good.

Completely out of her mind from the intense pleasure she was feeling, Alice was passionately slamming her ass back, trying to force more and more of Paul’s big cock into her fiery cunt.

„AAAAAAHHHH! OH, YES!“ she squealed as his massive prick pounded deeper and deeper into her churning pussy. „FUCK ME, BABY! FUCK ME GOOD!“

„Jesus Christ!“ he panted to her. „I’ve never seen you as hot to be fucked as you are today!“

„You haven’t seen anything yet,“ she hysterically giggled. „I’m gonna fuck your cock off before I’m finished with you.“

„Good!“ he gasped, pounding his prick even deeper into her hot slippery cunt. „I hope you fuck me to death!“

„I’m gonna give it a try!“ she panted, passionately rotating her hot cunt around the steaming length of his plunging cock.

Hearing all these dirty words, the excited youngsters looked at each other and giggled.

„COME ON, PAUL!“ they heard aunt Alice squeal as she writhed under their uncle’s thundering assault. „Fuck me, baby! Fuck me harder! Oh, God, harder...harder! That’s the way, honey...Fuck me...FUUUUCK MEEEEEEEEEE!“

Watching and listening to their aunt and uncle, both kids independently decided that fucking must be the most wonderful thing in the world. Little Amy was getting hotter and wetter in her cunt as she watched Aunt Alice slam her ass back against her uncle’s belly, trying to get even more of his big, thrusting prick into her steamy cunt.

The twins’ eyes almost bugged out of their heads as they saw the woman’s slippery juices spurting out around his thick, plunging cock.

„AHHHHH, SHIT!“ squealed Alice. „DON’T STOP, HONEY! I’M GONNA COME...GONNA COME!“

Frantically increasing the tempo of his strokes, Paul felt that glorious buzzing sensation deep in his balls and knew his climax was only moments away.

„Oh, sweet Jesus!“ his beautiful wife squealed, raising her ass higher in the air, exposing the full creamy length of her pussy to his pounding prick. „Fuck it to me, honey! I’m gonna come! Fuck me! FUCK ME! FUCK ME!“

The delicious ecstasy was almost more than Alice could stand as his fantastic boner slammed deeper and deeper into her cunt, the rigidity of it sawing gloriously against her tingling clit.

„OOOOOOOH!“ she shrieked, exploding into a wild climax as she felt her husband’s hot fuck-cream gushing out of his big, exploding cock-head. „Cream me good, honey! Squirt me good! Fill me with jizz! I’M COMING!“

Shuddering violently, the beautiful woman was frantically screwing her spasming cunt back tighter around the thick base of his belching cock-shaft, thrilled with the huge amount of cum that he was pumping into her squirming pussy. Kneeling beneath him as he pumped her glowing cunt full of fuck-juice, Alice was enjoying the most intense orgasm she’d ever experienced.

When he’d emptied the last drop of cum into her, Alice collapsed flat on her stomach with Paul on top of her, his cock still buried in her cum-filled cunt.

„God!“ she panted. „I never dreamed any fuck could feel that good!“

Not wanting to be caught watching their aunt and uncle, the twins scurried back down the hall, dragging Max with them.

„My God, look at that!“ gasped Jimmy, pointing to the big dog when they were in the kitchen. „He’s got a fucking hard-on.“

Glancing down under the big Labrador retriever’s sleek, black belly, Amy could hardly believe the

size of the long, red cock that was thrusting out from the animal's furry sheath.

„Holy shit!“ she gasped in awe. „I didn't know Max had such a goddamned big prick.“

„Neither did I,“ agreed Jimmy. „And I didn't know he was such a horny bastard.“

## Chapter Two

After her husband had gone to work the next morning, Alice thought about the wonderful fuck she and Paul had had. She sat at the table watching the children finish their breakfast. As always happened the day after a good fuck, she was in an extremely horny mood. Sitting with nothing on except a thin dressing gown, Alice could feel the hot juices oozing out from her cunt.

Waiting for Amy and Jimmy to finish their breakfast, she kept glancing over at Max, sprawled out on the floor. Looking at the animal's sleek, black coat, she could hardly wait for the children to go outside and play.

„May I be excused, Aunt Alice?“ said Amy when she'd eaten the last of her cereal.

„Certainly, dear,“ Aunt Alice replied with a smile. „What are you going to do today?“

„I guess we'll go over to the playground,“ said Jimmy, getting up from his chair. „There's nothing else to do around here.“

As soon as they'd gone, Alice snapped her fingers, and the big Labrador got up and walked over to her.

„That's a good dog,“ she whispered, petting his broad head as the animal pushed his nose up between her bare legs. „Am I gonna get a nice hot fuck this morning?“

As if the big dog understood what she said, he vigorously wagged his tail as he sniffed his nose around in her blonde bush.

Getting up from the table, Alice walked upstairs with the dog trotting right along beside her. As soon as they were in her room, the horny woman removed her dressing gown and sprawled out crosswise on the bed with her legs hanging over the side of it.

„Come on, Max, honey,“ she whispered, spreading her thighs for him. „Are you gonna eat mama's hot little cunt?“

Excitedly wagging his tail, the big dog moved toward her. With her bare ass perched on the edge of the bed as she lay back with her legs spread wide, her juicy cunt was exposed to the excited animal. The depraved woman had been fucking with the beautiful, big Labrador for over two years, and the dog knew exactly what to do.

A shudder raced through her deliciously-naked body when she felt his cold, black nose on the sensitive flesh of her hotly-oozing slit.

„Oh, sweet doggy,“ she softly moaned when the animal swiped his hot, wet tongue up the length of her cunt.

As always happened after he had his first taste of her cunt-juices, the animal went wild. Shaking and whimpering, he was soon flashing that incredible tongue all around in her cunt, reaching into the very core of her sensuality. Each plunge of his tongue was carrying her to new heights of ecstasy. He licked the woman into a writhing frenzy.

„Holy shit!“ she squealed, lewdly spreading her naked thighs wider apart to give him more room.

„That's it, Max! Eat me out, you fucking beauty!“

His tongue seemed to be everywhere at once as he feverishly licked and lapped her steamy pussy. Feeling this unbelievable ecstasy down between her legs, Alice was unconsciously squeezing her big, full tits in her hand, her fingers teasing and pulling on her hard nipples.

„Oh, goddamn!“ she moaned, feeling the walls of her insanely-aroused cunt involuntarily contracting around the length of the dog's deeply-plunging tongue. „That's it, baby! Lick my fucking cunt!“

It suddenly felt as if she were riding a giant wave as she crested higher and higher toward a thundering climax.

„OH, YES, MAX!“ squealed Alice, her entire body jerking and spasming as the intense orgasm exploded in her pussy. „LICK! LICK! LICK!“

As the woman's orgasmic juices flooded out of her climaxing cunt-hole, the dog licked harder and faster on the tasty discharge, prolonging her heavenly come until Alice thought she'd lose her mind from the intense pleasure of it. Even after she'd finished climaxing, Max continued feverishly licking the woman's cunt until she sat up and pushed his face out from between her legs.

„Oh, you naughty dog,“ Alice giggled when she saw his horrendous boner. „You want a fuck me, don't you?“

Whimpering and trembling, the beautiful animal excitedly wagged his tail.

Anxious to feel his hard dog-cock in her, Alice dropped to her hands and knees on the floor. Max had screwed the woman often enough to know this position meant she was ready to fuck, but as always, he licked her bare ass and cunt a bit before mounting her.

„Come on,“ she whispered back to the animal. „Stick that nice, big cock in my hot pussy.“

Reluctantly pulling his nose out of that fragrant hairy spot between her legs, Max jumped up and placed his paws on her back. Whimpering excitedly, he moved them on up to her shoulders as he began prodding his long hard prick unsuccessfully against her body. As often as the beautiful beast had fucked her, he could never seem to find the right hole without her assistance.

Reaching back between her legs, Alice grasped his slippery, hard cock-shaft in her fingers so she could guide it into her pussy. Feeling her soft fingers around his throbbing boner, his hips began involuntarily humping in a rapid, fucking motion.

„Take it easy, you dummy,“ she giggled. „Get it in my cunt before you start fucking.“

Firmly holding his slippery, red cock, Alice skillfully guided the tip of it between the juicy lips of her pulsing pussy.

„Oh, yes, you sweet doggy,“ she blissfully sighed, feeling his wonderful prick gliding into her juicy cunt. „Now give me a nice, hot fuck.“

When the full-length of his long, hard cock was completely in her, the animal began instinctively pumping. As with all dogs, he began fucking into her with an animalistic frenzy, drilling his cock in and out with the rapidity of a machine gun.

„YES! YES!“ Alice squealed with delight as the big, black Labrador feverishly rammed his cock home. „That's the way to fuck!“

Being deliciously jolted as she knelt beneath the magnificent beast, Alice suddenly wondered what her husband's reaction would be if he knew how she'd been fucking their dog for the past two years. She wondered if he'd even fuck her again if he knew her cunt was usually full of dog-jizz when he shot his wad into it.

The friction of his hard shaft against her clit was driving the woman wild, and her juicy pink pussylips were glistening with her frothy discharge. Crouched beneath the wildly-humping dog, Alice could feel herself being carried closer and closer to a bell-ringing climax.

„Fuck it to me, doggy!“ she squealed with delight, her big firm tits jiggling furiously beneath her as the dog further increased the tempo of his thrusts. „Oh, fuck! FUCK! FUCK!“

A man would have probably tried to hold back until Alice reached an orgasm, but not Max. The animal was completely disinterested in anything but his own sexual gratification. The only thing the dumb beast was aware of was the heavenly, tingling sensation in his prick as he raced madly toward a jizz-spewing climax.

Listening to the delicious slurping sound of his hard prick zipping in and out of her cunt, Alice feverishly ground her ass back against him, writhing her overheated slit all around the slippery length of his hard cock. Her big, full tits burned with excitement as they heaved and bounced below her.

„Oh, God, Max!“ the horny blonde whimpered, loving the fantastic fuck she was getting. „That's the neatest cock in the world!“

Never had Max fucked her with the enthusiasm he was showing today. Feeling his furry balls slapping against her bottom, Alice was being carried to new heights of ecstasy. She was conscious of

nothing else in the world except this hard dog-cock that was pounding into the darkest depths of her ravaged cunt.

„Fuck into it!“ she hysterically squealed, her tongue lolling out like a bitch in heat. „Fuck your doggy-prick into my cunt!“

As if he could actually understand his pretty blonde mistress, Max began fucking deeper and harder into her juicy pussy. The beautiful, big animal's hips were jerking with a blinding speed as he frantically fucked his prick into her.

„Oh, you sweet, fucking beauty!“ she whimpered, arching her ass up to better receive his magnificent thrusts. „I think I really love you!“

The unbelievable rapture mounted and mounted in her writhing loins as Alice slammed her hot ass back to get the full length of Max's cock in her.

„OH, FUCK!“ she squealed, raising her creamy ass a bit higher to give the Labrador still better access to her deliciously-ravished pussy. „That's the way to use a cock!“

The beautiful blonde's entire body was tingling with unbelievable ecstasy as the dog's long, red boner vibrated rapidly against her sensitive clit. The heavenly speed of Max's quick thrusts was bringing her such intense pleasure that she was almost losing her mind.

„Oh, you beauty!“ she sobbed. „God-damn, but you can fuck!“

This was the wildest screwing she'd ever had from the dog, and as he brought her closer and closer to a thunderous orgasm, her glazed eyes were staring sightlessly ahead.

„OH, YOU SWEET FUCKING DOG!“ she shrieked. „IT'S ALL SO SHITTING GOOD!“

Feeling the heat increasing in her loins, the madly-aroused woman was digging at the carpet with her fingers, humping and bucking beneath the dog's powerful thrusts.

„OH, SHIT!“ Alice cried. „I'M ALMOST THERE...ALMOST THERE!“

As if he knew what she was saying, the animal instinctively began pounding faster and deeper, the top ridge of his long, red shaft streaking deliciously against her quivering clit.

Crouched on her hands and knees with her ass thrust high in the air, Alice was taking every magnificent inch of his plunging dog-cock. The rapture she was feeling was beyond her wildest imagination, and she was no longer aware of anything in the world except the hotly-sizzling dog-prick that was fucking in and out of her cunt.

„Oh, shit, baby!“ she squealed, clawing at the carpet with her nails. „OH, FUCK IT TO ME!“

Each deep thrust of his juice-slickened cock was driving deeper and deeper into the horny woman's overheated pussy. This was the most heavenly fucking she'd ever received.

„OH, FUCK!“ she suddenly cried at the top of her lungs. „CREAM ME, MAX! I'M GONNA COME...GONNA COME!“

At that very instant, Alice felt his deliciously-hot jizz shooting into her cunt, and she exploded into the wildest orgasm she'd ever had. Never in her life had the woman ever experienced such intense pleasure. Completely overwhelmed by the magnitude of her unbelievable climax, she continued writhing her sopping pussy back around his spurting cock for several more moments as the heavenly orgasm continued washing through her cunt.

When the big Labrador finally pulled his limp wet prick out of the beautiful woman's cum-drenched pussy, she collapsed on the carpet.

„Jesus, Max,“ she giggled a few minutes later as she slowly recovered. „You sure know how to fuck a cunt.“

Still in a horny mood, the woman reached over and lightly rubbed Max's soft cock as he lay sprawled out next to her on the floor. Within a few seconds, the bright-red head of the dog-prick started peeking out from its furry sheath. Lazily fingering her own pussy as she fondled the dog's prick, Alice excitedly watched the animal's organ explode into another hard-on. Staring at his juice-coated cock, the horny woman suddenly wondered how it would taste. The animal had been licking and fucking her for two years, but this was the first time she'd ever thought about sucking him off.

Still playing with her own pussy, Alice was lying on her side as she moved her mouth toward his shiny red cock. When her face was up under his belly, she inhaled the rich canine smell of his damp

coat. There was something erotic about the strong scent of the dog's cock that was really turning Alice on. She could feel the dog shivering with excitement as she nuzzled her face up under his soft, furry belly.

Feeling her hot breath on his prick and balls, the animal began heatedly panting, his thick pink tongue lolling out from the side of his mouth. His pretty mistress had never had her face up against his cock before, and the trembling dog didn't know what to make of it.

Taking a deep breath, the woman flicked her tongue out and stroked the tip of her tongue across the end of his prick, making the beautiful beast yap from the unexpected pleasure. A strange excitement surged through Alice's naked body when she felt the texture of a dog's cock against her tongue for the first time. His cock had a rather strange taste, but the more she licked the dog-prick, the more she enjoyed the taste. As the excitement increased in her loins, Alice began slobbering more feverishly on the hard meat of his dog-cock.

Thoroughly coating his shaft with her spit, the woman soon had the whimpering dog's prick glistening. Conscious of the trembling animal's excited whimpers, Alice suddenly closed her lips around the end of his tasty prick.

„Mmmmmmmmm,“ the horny woman softly crooned as she took every hard inch of his red cock into her mouth. Feeling the head of the dog's prick nudging against the back of her throat, Alice slid her free hand down over her belly until the fingers found the blonde curls of her cunt hair.

Sucking passionately on the beautiful animal's erotic dog-cock, Alice began vigorously fingering herself. The thought of this beautiful beast emptying his hot load of fuck-juice into her mouth seemed to further arouse the depraved woman.

Alice's husband and all of her other lovers had always told her what a fantastic cock-sucker she was, and now she wanted to give her pet the best time he'd ever had. She was going to make sure that Max's first blow-job would be a doggy-heaven for him.

With all of his prick in her mouth, Alice slowly lifted her head until only the sensitive end of the dog-cock remained between her lips, and then after a slight pause, she plunged down over his prick until his big knob skidded against the back of her throat. Again and again she repeated the action until the dog was yelping with delight.

Not wanting the animal to pop his nuts too soon, Alice removed her mouth from his prick and began licking his balls as she lazily fingered her hotly-flowing cunt.

„Oh, you sweet doggy,“ she whispered a few moments later when she decided Max was no longer on the verge of blasting off.

Grasping the base of his long, red prick more firmly in her fingers, Alice closed her soft, moist lips over the head of his cock again. The inside of her mouth was soft, warm and wet as she worked on his erect cock. The horny blonde's tongue slithered from side to side, deliciously stroking the hard length of his meaty prick, bathing the entire dog-prick in a warm, moist pool of frothy saliva.

Softly moaning, her eyes half-closed, Alice slid her lips even further down over the animal's straining prick. She could feel him quivering with delight as her small, pearly teeth scraped erotically over his sensitive meat. She moved her head up and down, her talented tongue feverishly licking, lapping and rolling all around the pulsing head of the big dog's tasty cock. Alice became even more aroused as her beautiful Labrador continued trembling and whimpering from the feel of the pulling suction of her mouth around his spit-lathered penis.

The depraved woman's mouth was moving up and down more rapidly, her nose rubbing into the soft fur of his quivering belly. Feeling the animal's cock twitching wildly against her tongue, Alice began rolling her head from side to side, rotating his erotic dog-prick around in her mouth.

Wanting to give her beautiful pet as much pleasure as possible, the lovely blonde cock-sucker began moving her head up and down with long deep strokes. Slowly lifting her head until only the tip of his prick remained between her ovaled lips, she lightly teased the tip of his cock with her tongue until the buzzing sensations had him yelping with joy. Then when Alice thought the animal couldn't stand anymore of the intense ecstasy, she once more lowered her face, taking the throbbing hardness of his bright red cock deep into her throat. Then back up again, and down, up and down, up and down

until the raw friction of her soft lips against his sensitive flesh had the dog whimpering with ecstasy. Completely carried away by what she was doing, Alice was more than startled when his hot, swirling dog-cum began shooting from the end of his prick, splashing deliciously against the back of her throat. Thick rich spurts of this strange-tasting fuck-cream were flooding all over her tongue and teeth, pouring down the back of her throat.

The beautiful blonde's mouth was like a suction pump around the end of his prick as she sucked deeper and harder, thrilled by the strange new taste of her pet's hot, slippery cum. When his red cock finally started to shrink in her mouth, Alice sucked even harder and deeper, wanting every last drop of his delicious jism.

Chapter Three

Returning from the playground that afternoon, both of the twins' minds were on what they'd seen Uncle Paul and Aunt Alice doing in the den yesterday. Though they didn't say anything to each other about it, that's all the children could think about.

During dinner that evening, Jimmy kept glancing at his aunt and uncle, vividly recalling how exciting it had been to watch his big hard cock fucking into her pussy. The kid had been walking around with a hard-on since yesterday afternoon, and the feeling wouldn't go away.

As the evening slowly dragged along, Jimmy couldn't get his mind away from fucking, and as soon as he went to bed, the horny kid began excitedly beating his meat. He was almost on the verge of popping his nuts when the door opened and Amy tiptoed into the room. He realized it was only his sister, but he got a funny feeling in his cock when the light from the hall silhouetted her naked body through the thin material of her nightie.

„Are you awake?“ she whispered, walking over and sitting down on the edge of his bed.

„Yeah,“ he grinned, turning on the bedside lamp. „I can't seem to get to sleep.“

„Neither can I,“ giggled Amy. „I keep thinking about Uncle Paul and Aunt Alice.“

„Me, too.“

„Jimmy,“ she asked, her face slightly flushed with embarrassment, „did you really have a hard-on when you were rubbing the front of your pants yesterday?“

„Sure,“ he grinned.

„Was it as big as Uncle Paul's?“

„Shit, no.“

„Do you have a hard-on now?“ his sister excitedly asked.

„No,“ he answered honestly. He had quickly lost his erection when Amy had unexpectedly walked into the room.

„Jimmy.“ She hesitated. „Will you show me your prick?“

„Why?“

„Well,“ she giggled. „I remember seeing it when we were younger, but I'd like to see it now that you're big.“

„I wouldn't dare.“ He blushed. „Dad would knock the hell out of me if I did.“

„He wouldn't know about it,“ she assured her brother. „If you'll show me your prick, I'll show you my pussy.“

„Really?“

„Sure.“ grinned the cute little redhead. „We could sort a trade, I'll let you look at my cunt, and you show me your cock.“

„Okay,“ he agreed, throwing back the covers. „Here it is.“

The young boy always slept in the raw and Amy's eyes almost popped out of her head when she first saw her brother's prick. She'd expected to find a big, thick hose like her uncle had, and she was stunned when she first saw the adolescent cock that was about as long as her middle finger, only

thicker.

„Gee,“ she gasped. „It sure isn't very big.“

„It gets a lot bigger when I have a hard-on,“ he explained.

Feeling slightly let down, she just stared at the pale, blue-veined prick that ended with folds of uncircumcised skin over the head. It seemed strange to her that there was only a light growth of red fuzz around the base of his limp cock. Remembering all the thick hair around her uncle's lusty balls, her brother's little bags seemed so pink and hairless. Jimmy had told her his cock was smaller than their uncle's, but she hadn't expected it to be this much smaller.

„Is it all right if I touch it?“ she whispered.

„Sure.“ He grinned. „I'd like that.“

When his sister nervously placed her trembling finger on his limp prick, he couldn't get over how neat it felt to have her touch him down there. Her hand was so soft and gentle that her touch made him shiver with excitement.

Amy's warm exploring fingers moved down onto the spongy surface of his young balls. Cupping his balls tenderly, she squeezed them, feeling the warmth of the crinkly skin and the hardness of his balls inside.

„What are these?“ she whispered, excitedly feeling his balls.

„Those are my balls,“ he explained. „They store up the cum that I shoot.“

„Gee, boys are funny,“ she giggled, still gently fondling his balls. „I like touching you down there. It makes my pussy all hot and wet.“

„I'm glad you like it.“ He grinned. „It really feels good when you mess around with me.“

Releasing his balls, she began tenderly caressing his limp prick. She couldn't get over how nice and warm the velvety skin felt against her trembling fingers. His cock reminded her of a warm, fat worm in her palm as she closed her fingers around his prick. Giving his cock a loving squeeze as she instinctively pulled back on his loose foreskin, she was pleased and excited to see the end of his pink cock-head peeking out.

„Hey, do that again,“ he urged, loving the way his sister was fondling his prick. „Pull the skin back and forth.“

When Amy did as he suggested, he could feel the wild pleasure streaking up and down his cock. Shit, it felt a million times better than jacking himself off. Getting hornier by the second, Jimmy could feel his cock starting to twitch and swell.

Hey!“ she giggled as his cock started to throb and swell under her caresses. „It's moving. What's happening?“

„I'm getting a hard-on,“ he said excitedly. „Just keep doing that.“

Remembering how hard her uncle's cock had looked, Amy stared in amazement as Jimmy's prick swelled bigger and bigger in her hand. His cock continued throbbing and growing until his prick was standing up stiff and straight in her grasp. His cock wasn't as huge as her uncle's, but it still looked awfully big and hard to the excited little girl.

„Does it feel good to have a hard-on?“ she asked, thrilled by the way his hot erection was throbbing in her hand.

„Shit, yes!“ he exclaimed. „But it would feel a lot better if you'd slide the skin back and forth.“

Trembling with horny excitement, the little girl took her brother's loose foreskin between her thumb and forefinger and began peeling it back down over his stiff cock. Her eyes became larger and larger as the shiny pink flesh of his protected knob began to appear. She stared at the little hole on the end of his gleaming cock-head.

„Is that where the pee comes out?“ she asked in an awed voice.

„Yeah.“ He grinned. „And my jizz shoots out of there too.“

Nothing had ever felt so good to him as his sister's fingers sliding his tightly stretched foreskin back and forth over the sensitive head of his prick. As the intense pleasure streaked up and down the length of his hard, young cock, thick bubbles of cum began oozing out from the end of it.

„Is that jizz?“ she excitedly asked.

„That’s just stuff that leaks out when I get horny,” he explained.

„Like the cream that’s oozing out from between my legs right now?” asked the wildly-aroused youngster.

„Is stuff leaking out of you?”

„Shit, yes,” Amy giggled. „I’ve never been as hot and juicy down there as I am right now.”

„Let me see,” panted Jimmy. „You promised to let me see your pussy if I showed you my cock.”

„Okay,” she giggled, standing up and quickly removing her nightie.

Jimmy’s prick began throbbing more violently as he stared at his sister’s naked little body. She looked so cute with her slim waist, softly rounded belly and smooth young hips. Her tits were nothing like Aunt Alice’s big, heavy knockers, but she had two cute little lemon-sized breasts that were capped with big, juicy nipples that made his mouth water. Her young tits were perfectly formed, standing out firm and pointed from her chest.

Letting his eyes move on down over her body, they came to rest on the sweet, puffy lips of her cunt. The creamy flesh around them had a wispy covering of soft red curls. Her moist little pussylips were gleaming with a slippery coating of cunt-juice that was oozing out from between them. Compared to Aunt Alice’s sexy body, his sister didn’t have much, but her juicy little cunt and pointy tits were driving him wild.

„Geez,” he panted. „You sure got a pretty little pussy.”

„D’ya want a play with it for a minute?” she giggled, hopping up onto the bed with him.

„Shit, yes!” her stiff-pricked brother exclaimed.

When Amy spread her naked body out on the bed next to him, Jimmy almost shot his wad. He couldn’t believe his sister was really going to let him fuck around with her cunt. Reaching out, his trembling hand first touched the inside of her thigh just below her little red-fringed pussy. He could feel her entire body shivering as his hand slowly moved higher. The smooth flesh of her naked thigh was soft and yielding, and the closer his hand got to her pussy, the hotter her skin felt.

Amy was holding her breath in anticipation as his fingers moved closer to her horny cunt. It was a naughty and exciting feeling to know that a boy was going to play with her hot little cunt.

„Jimmy,” she panted. „When you play with my pussy, will you kiss me like Uncle Paul kissed Aunt Alice?”

„What do you mean?” he asked.

„You know.” She blushed. „Stick your tongue in my mouth.”

With his finger almost to his sister’s crotch, he put his other arm around her and pressed his hot open mouth to her softly parted lips.

„Mmmmmmm!” she moaned, feeling his tongue gliding in around her own.

Probing around in the hot wetness between her legs, the tip of his finger found the damp fluff of soft red curls that surrounded her little dripping cunt. This was the first time Jimmy had ever touched a girl’s pussy, and a wild thrill raced through every nerve in his body when the tip of his finger reached the hot slick flesh between her juicy cunt-lips.

„OOOOOOOH!” Amy squealed with delight when his finger wormed into the slippery hotness of her oozing cunt, brushing against the sensitive little clit at the top of her slit.

„What’s wrong?” he panted, quickly pulling his finger out. „Am I hurting you?”

„Shit, no,” she giggled. „It feels really neat.”

When he screwed his finger back into her horny little cunt, Amy let out another squeal of delight as her hot juices boiled around his invading digit. With their mouths locked in a deep passionate kiss, Jimmy began fingering her a bit more urgently.

Moaning and squealing with excitement, Amy was writhing her naked body all over the bed as her hot little cunt creamed around his plunging finger. Amy had seen the pleasure on Aunt Alice’s face when Uncle Paul was fucking around with her, but she couldn’t believe anything could feel this fucking good. As her brother continued fingering her cunt, the little redhead got hotter and hotter.

With her knees steepled and her feet planted firmly on the bed, Amy was arching her hips, hotly writhing her slippery cunt up around his wildly-plunging finger. As his finger zipped in and out of

her heavenly little pussy, he was eliciting soft squeals of delight from deep in her throat. Completely overwhelmed by these wild, new sensations, the ecstasy was building and building in her little, uninitiated body. She instinctively knew it was a naughty thing they were doing, but she'd never felt anything this good in her whole life. Nothing else seemed to matter except the fantastic tingling sensation in her overheated little slit.

She was frantically arching her hips, trying to fuck her cunt back up around his plunging finger. The intense pleasure between her legs built and built until she was aware of nothing but the screaming ecstasy that was jolting her entire young body. As the searing heat radiated from between her legs to the tip of her toes, her naked body began tensing and then suddenly exploded into a wild, jerking climax.

„EEEEEGGGHHH! AAAAAHHH!“ she shrieked, not fully realizing what was happening to her as she writhed through her very first orgasm.

Screaming and lurching all over the bed, she was unconsciously squeezing his plunging finger with her climaxing pussy, coating it with her hot, orgasmic juices.

„OOOOOH, SHIT! OH, SHIT!“ she screamed. Babbling and moaning, she glued her hot, open lips to his as her young body lurched and bucked all over the bed. When the last delicious tremors finally subsided, she fell back, completely exhausted.

„Oh, God,“ she panted, smiling at her brother. „That was so good.“

„What did it feel like?“ he excitedly asked.

„I just can't describe it,“ she panted. „But it was so wonderful.“

„Amy,“ he whispered a few minutes later when his sister had completely recovered from her orgasm.

„Will you play with my cock again?“

„Sure,“ she giggled. „If you'll suck on my tits while I do it.“

„That's a deal,“ grinned Jimmy, anxious to get his lips around those big, hard nipples.

Facing him on her side, Amy wrapped her fingers around the hard, hot meat of her brother's stiff prick. A wild tingle rippled through her young body as she stared down at the throbbing cock she was holding. Moving her hand up and down, she was thrilled by the feel of his soft foreskin sliding over his rigid prick.

„Does this feel good?“ she whispered.

„God, yes!“ he panted.

Unable to believe that she was really playing with a boy's hard cock, she began moving her hand a bit faster. With his prick throbbing deliciously in her grasp, Amy could feel it growing even harder and thicker as she pumped.

„Gee,“ she giggled, reaching down and cupping his cute balls in her free hand. „Pricks are fun to play with.“

As his sister continued deliciously jacking him off, he gently grasped one of her firm little tits in his hand.

„Oh, yes!“ she hotly whispered. „You promised to suck it.“

Lovingly stroking his hard meat, Amy watched her brother's mouth moving toward her tit until his warm lips closed over her nipple.

„Mmmmmmm!“ she whimpered. „That feels so good, honey!“

With his lips sucking and pulling on her nipple, he flicked the quivering bud from side to side with his tongue, sending delicious chills streaking through her hot, young flesh. Parting his lips further, the excited boy sucked more of her hard little lemon-sized tit into his mouth.

„Oh, Jimmy,“ she whispered. „That feels so good, honey.“

After sucking her spit-soaked tit for several more moments he finally removed his mouth from it.

„Don't stop!“ she squealed with disappointment.

„Did you like that?“ asked her brother, hungrily licking his lips.

„Shit, yes,“ she giggled, squirming around to get her other tit near his mouth. „Now suck this one.“ my let out a soft moan of satisfaction when he suddenly wolfed her other nipple into his mouth.

„Mmmmmmm,“ she moaned, stroking his hard prick a bit faster as his lips and tongue worked on her

quivering nipple. Rapidly sliding his foreskin up and down over her brother's erect cock, she could feel his entire body trembling from the intense ecstasy he was feeling.

„Oh, Jesus!“ he suddenly panted, rolling onto his back when he felt his climax rapidly approaching.

„Bring me off, Amy! Keep pumping my cock!“

„What do you mean?“ asked the confused little girl.

„I'm almost ready to shoot my load off!“ he gasped.

„What do you want me to do?“ she asked.

Just pump faster!“ he panted. „Pump faster!“

Realizing that she was really going to see a boy shoot his juice, she excitedly stared at the little slit in the end of his cock as she rapidly stroked him.

„Aim my prick at your tits!“ he heatedly panted. „Let me squirt cum on your tits!“

Excited at the thought of his jizz shooting onto her tits, she quickly leaned over him so he wouldn't miss.

„Pump faster!“ he squealed. „Bring me off! BRING ME OFF!“

Amy's aim wasn't as good as it might have been, and when the boy's stiff prick exploded, his thick, white jizz splattered all over his sister's face and neck.

## Chapter Four

For the next few days, the twins did nothing but jack off and finger-fuck each other. One afternoon when their aunt and uncle had gone shopping, the two children were spread out naked on Amy's bed when Max walked into the room. Having just finished bringing each other off, the twins were too exhausted to pay any attention to the dog.

Moving nervously around the room, Max was excitedly sniffing the air, inhaling the unmistakable scent of hot, ripe pussy. Amy's eyes were closed as she lay back with her legs hanging over the edge of the bed. Floating on a dreamy cloud of ecstasy from her recent orgasm, she was completely unaware that Max was sniffing up between her legs.

Suddenly feeling the heat of his breath on her pussy, Amy opened her eyes to see the big animal's face between her thighs.

„What do you want?“ she innocently giggled, completely unaware of what the dog had in mind.

Max had licked and fucked Alice enough to know what to do with a woman's juicy pussy, and this cute little red-fringed cunt was the best thing he'd ever sniffed.

„Don't!“ Amy giggled when he suddenly pressed his cold wet nose into her fluffy, little bush of red pussy curls.

She was just about to push the pesky animal away when his tongue flashed out and swiped up along the length of her sweet young slit. The youngster's entire body shuddered from the intense pleasure it brought her.

„Oh, Max,“ she excitedly whispered. „You're a naughty doggy, but that sure feels neat.“

Before the youngster fully realized what was happening, the big animal drilled his long, pink tongue into her cunt. The incredible feel of Max's tongue slipping into her hot little pussy sent jolts of frenzied ecstasy through every tingling nerve in her naked young body.

„Ooooooooooh!“ she squealed with joy, excitedly writhing her juicy cunt up against his snout as the animal's hot, wet tongue swirled deeper and deeper into the tasty depths of her deliciously-scented twat.

„Is he hurting you?“ Jimmy excitedly asked.

„Fuck, no!“ panted Amy. „This feels fantastic!“

„He's licking your cunt just like Uncle Paul did to Aunt Alice.“ Jimmy laughed.

I know!“ squealed Amy. „No wonder she liked it so much!“

The cute little youngster was almost hysterical, her breathless squeals filled with passion. Grabbing

at the dog's ears, she forced his mouth further into her open slit. The joy of her very first tongue-fuck was filling her cunt with an excruciating pleasure.

„Ooooooooooh ... aaaaahhhhhh!“ whimpered the horny little girl, writhing her dripping cunt up around the big dog's plunging tongue.

Screaming in blissful agony, the cute little redhead couldn't believe this exquisite pleasure she was feeling for the first time in her life. Watching the animal's broad nose and mouth burrowing hungrily up between her wantonly-spread legs, Amy was grabbing at his face, trying to force more of his incredible tongue into her little, hotly-flowing pussy. Her entire young body was filled with a lascivious warmth as the beautiful animal feverishly licked on her naked young cunt.

The big, black Labrador licked deeper and deeper into her fresh-tasting cunt as her delicious juices oozed out, spreading a frothy film over his nose and mouth. Max plunged and twisted his tongue around deep in her steamy little pussy. Max's cock throbbed violently under his furry belly.

„Ooooooh! Yesssssss!“ she squealed, her entire body tensing as she thrilled to the feel of his tongue gliding in and out of her hot, slick channel. Her adolescent body aflame with lust, the youngster began unconsciously rubbing her cute, hard-nippled tits as Max hungrily licked and tongued the velvet-soft flesh of her drooling cunt. Half-crazed from the feel of his wonderful tongue in her pussy and the hotness of his animal breath against the tingling flesh of her flowering cuntlips, she passionately writhed her cunt up around his tongue.

„Oh, God!“ she sobbed almost beside herself from the intense pleasure she was feeling. „It feels so fucking good!“

„D'ya think he'll make you come?“ her brother excitedly asked.

„Shit, yes!“ she gasped. „I'm almost there now!“

Wantonly squealing with joy, Amy was grabbing at his head, trying to force his mouth even deeper into her sopping cunt. Feeling the animal's tongue drilling into the hot slickness of her frothy little twat, Amy's long, red hair was flailing wildly around her face as her head whipped from side to side. Excitedly writhing her drooling cunt up against his snout, the horny youngster was wriggling her cute ass all over the bed, her sweet young body lurching nakedly as her hotly-aroused pussy-lips sucked passionately around his tongue.

„Ooooooh, you sweet fucking doggy!“ she moaned with joy as the intense pleasure built and built.

Her excited young body lurched violently as his hot, rough tongue lapped around in her cunt, the rough, wet surface sending a million delicious sparks flying through her pussy.

„Oh, shit, Max!“ she gasped. „That's the way to lick a cunt!“

Never had the youngster experienced such thrilling sensations. Closing her eyes, she could feel the pleasure radiating from between her legs to every part of her little, adolescent body. She could hear the obscenely moist sounds of his tongue slurping on her swampy cunt while the tip of the dog's tongue teased her quivering clit. The delicious sensations were building and building in her loins. The youngster realized that it was depraved and perverted to let a dog lick her pussy, yet it was filling her with the most intense joy she'd ever experienced.

She knew she should push the animal's mouth away from her cunt, but she completely surrendered to the overwhelming ecstasy that was flooding through her body. Maybe it was depraved, but she didn't give a shit as her tingling flesh responded to the fantastic tongue-fuck she was getting.

„Oh, yes, sweet Max,“ she whimpered as the heavenly ecstasy continued building in her pussy. „Eat me good, honey.“

Reaching down with her fingers, she spread the fleshy lips of her cunt farther apart to allow his swirling tongue greater access to her little lust-swollen pussy. The youngster was completely overwhelmed by these wild new sensations as the intense pleasure seemed to increase.

„Oh, you hot-tongued beauty!“ she insanely babbled. „Don't ever stop licking!“

Deep in her mind, the horny little redhead knew she was committing a depraved act, but she'd never experienced such joy in her young life. Suddenly nothing else seemed to matter except her rapidly-approaching climax that seemed only seconds away. She writhed her crotch up against his face, trying to get more of his heavenly tongue into her steaming little cunt.

The intense pleasure between her legs grew and grew until she was aware of nothing but the electrifying sparks of sensation that were exploding throughout her body. An ecstatic tension gripped the youngster deep in her cunt and she seemed to freeze. Holding her breath in her hot, scorched lungs, she waited... waited...and then suddenly exploded.

„OH, FUCK!“ she screamed to her brother who was still excitedly watching. „I’M COMING ... COMING!“

Squealing in ecstasy, Amy twisted and thrashed, frantically writhing her spasming cunt up around his hotly-licking tongue.

„OH, SHIT, JIMMY!“ she shrieked. „I’M COMING AGAIN! PULL HIM AWAY FROM ME! I CAN’T TAKE ANY MORE!“

Wanting to protect his sister, Jimmy grabbed Max by the collar and pulled the animal out from between her legs.

„Holy shit!“ exclaimed Amy a few moments later as she sat on the edge of the bed slowly recovering.

„That was really something.“

„Did it feel real good?“ her brother asked, still holding the trembling dog back.

„Fuck, yes,“ Amy giggled. „It was fantastic.“

Suddenly breaking away from Jimmy, Max lunged forward and began frantically fucking his cock against the little redhead’s leg.

„What the hell’s the matter with him?“ gasped the startled girl.

„I think he wants to fuck you.“ Jimmy grinned, seeing how hard Max’s prick was as he rubbed it against his sister’s leg in a wild, fucking motion.

„Do dogs fuck people?“ Amy asked in a shocked voice as she stared at his long, red cock.

„Beats the shit out of me,“ laughed Jimmy. „But he’s sure horny for you.“

„Do you think he’d really try it if I gave him a chance?“

„I don’t know.“

„Shall we find out?“ she giggled.

„That’s up to you,“ he answered.

„I’m gonna try it,“ decided Amy, wondering how his hard, red prick would feel in her cunt.

Remembering how Aunt Alice had crouched for Uncle Paul yesterday, the horny little redhead dropped to her hands and knees on the floor. Max had fucked Alice enough to know what this position meant. Slowly inching forward, the dog began sniffing around Amy’s juicy cunt while his bone-hard cock speared out from under his belly.

„What’s he doing?“ Amy whispered to her brother as she felt the dog’s hot breath on her bare ass.

„Just smelling your pussy,“ said Jimmy, excitedly rubbing his own hard prick.

Without any further warning, the dog let out an excited whimper and hurled himself onto Amy’s kneeling body. Throwing his big paws over her shoulders, he drove the full length of his fiery, red cock up into the youngster’s little virginal cunt. Pinned down under the huge animal, Amy was surprised that she felt practically no discomfort at all as he began rapidly spearing his hot, slippery cock in and out of her unused pussy. The youngster hadn’t known what to expect, but as the deliciously-wild sensations mounted between her legs, she slammed her little ass back to give the beautiful animal complete access to her slippery cunt.

„Holy shit!“ she squealed to her brother. „I’m getting dog-fucked! Look, honey, I’m being fucked by a dog!“

The youngster’s entire young body was charged with electricity as the animal’s super-hard prick vibrated rapidly against her screaming clit. The machine-gun rapidity of the dog’s thrusts was almost driving the youngster out of her mind. Digging her fingers into the carpet as she knelt, Amy could feel Max lustily drilling his hard boner in and out, making her young tits bounce crazily beneath her.

„YES! YES!“ she screamed, her cute ass wildly wriggling as the animal feverishly fucked into her hot, little cunt. „THAT’S A GOOD DOGGY!“

„How does it feel?“ her brother excitedly asked. „Does it hurt?“

„Shit, no!“ She grinned. „It feels neat.“

Her entire young body was tingling with pleasure as Max's rigid cock blazed in and out, stimulating every slippery inch of her sweet, little pussy.

„Ooooooh, yes!“ she whimpered, creaming all over his fantastic dog-cock as she shook and wriggled her ass. „That's the way, you sweet fucking doggy!“

As she kneeled with her ass in the air and her little freckle-dusted face resting on her arms, the big dog violently rocked her body. Her little pointy tits were jiggling deliciously beneath her as his furry hips drilled his hard, red prick in and out of her sizzling cunt. The youngster was almost out of her mind from the intense joy of it all, thoroughly enjoying the erotic slurping sound of the animal's stiff prick as it deliciously fucked into her.

„Oh, sweet Max!“ she cried. „I love your cock!“

Kneeling beneath the feverishly fucking animal, Amy was slamming her sweet, young ass back to meet every thrust of his rapidly-plunging cock. The lips of her frothy cunt sucked and pulled ravenously on his rigid prick, trying to get even more of the dog-cock into her little adolescent cunt. The hot juices that oozed out from between her prick-squeezing cunt-lips were splattering all over his furry belly

Little Amy had never enjoyed anything so much in her life. Each deep thrust of the animal's bright-red prick was carrying her to new heights of ecstasy. A wild grin covered her flushed face, and her eyes rolled around crazily in her head as she frenziedly clawed at the carpet with her fingers.

„OH, MAX!“ she suddenly screamed, wildly waving her ass around. „I'M COMING, DOGGY! OH, FUCK, HOW I'M COMING!“

Shuddering from head to toe as her cunt contracted and spasmed around the length of the animal's plunging cock, little Amy was swept up into the wildest orgasm she'd ever had. The pleasure of her fantastic climax was intensified when she felt the dog's scalding cum shooting into her cunt.

When the dog finally pulled his limp, wet prick out of her cunt and curled up on the floor, little Amy crawled back up on the bed and collapsed in her brother's arms.

„Goddamn!“ exclaimed Jimmy, excitedly rubbing his hard boner as his sister slowly recovered. „That sure looked like fun.“

„Do you want a try it?“ she asked.

„Are you serious?“

„Sure,“ she giggled. „If I let a goddamn dog fuck me, I don't see why you shouldn't.“

„When can we fuck?“ he excitedly asked.

„Right now if you want.“

„Okay.“ Jimmy grinned. „Get on your hands and knees.“

„I think I'd rather lay on my back while you fuck me,“ said Amy.

„Where did you ever hear of that?“ asked Jimmy, thinking dog-style was the only position people ever used.

„I saw a picture of it in a book once,“ she explained. „The guy was laying right on top of her as they fucked.“

„Okay,“ agreed Jimmy, not giving a shit what position they used as long as he could stick his prick into her cute, little pussy.

When Amy was on her back, Jimmy crawled up between her widely-spread legs. Grasping the base of his shaft in his fingers, the trembling boy guided it toward her sweet, little, red-fringed cunt. A wild wave of excitement rippled through him when his sensitive cock-head first touched the hot, slippery tissues of his sister's pussy. Feeling her brother hesitate, Amy grabbed his ass and pulled him forward, forcing the rigid length of his hard little prick into her horny cunt.

Jimmy wasn't prepared for the unbelievably-delicious feeling of her hot, juicy cunt-flesh squeezing around his throbbing cock. He couldn't believe the hot moistness of her heavenly young pussy.

„Gee, honey,“ Amy whispered when her brother began fucking his hard cock in and out. „That feels so good.“

The pleasure was so intense for Jimmy that he lost all control of himself and was soon driving his

cock in and out of her pussy with a savage intensity.

„That’s it, Jimmy!“ squealed the squirming girl as his prick drilled wildly into her little white-hot cunt. „Fuck me, Jimmy! Fuck me hard!“

The cute, little redhead was squirming madly under her brother’s feverishly-humping body. Her tight little cunt walls were squeezing and sucking passionately on his slippery cock as his prick raced in and out of her juicy little pussy. Their healthy young bodies tightly locked together, the youngsters were frantically fucking toward a thunderous orgasm.

Lost in the bliss of his very first piece of ass, Jimmy’s tight little ass was pumping wildly up and down between his cute sister’s wantonly-spread legs. The girl’s soft young thighs were locked tightly around his waist as she passionately clung to him. Her eyes shut tight, Amy was squealing with unsuppressed delight as her hard little titties burned against her brother’s chest.

„Fuck me, Jimmy,“ the pretty youngster whimpered. „Fuck me! Fuck me! Fuck me!“

Crazed with these delicious, new-found sensations, the boy was driving his hard prick into her slippery cunt at a fantastic rate of speed. He could feel his climax building deep in his balls, and he knew that coming in his sister’s hot little pussy was going to be a million times better than coming in his hand.

„Oh, shit!“ Amy suddenly squealed. „I’m coming, Jimmy! I’M COMING!“

Jerking violently, the little boy began shooting a hot stream of cum into his writhing sister’s pussy.

„Oh, yes!“ squealed Amy when she felt his jizz gushing into her climaxing cunt. „Squirt, honey, squirt! Fill me with your cum!“

The little boy continued pumping until he’d emptied the last drop of jizz into her cum-filled cunt.

„Oh, Jimmy,“ she whispered a few minutes later as they slowly recovered. „Wasn’t that neat?“

Chapter Five

The following Saturday morning when her husband took the twins with him on a business trip to a nearby town, Alice slept in later than usual. Waking up and knowing no one else was in the house, she went down to the kitchen for some coffee, wearing nothing but a bra and panties.

Alice was in an exceptionally horny mood, and she could feel the hot juices oozing out from between her legs as she sipped her coffee. Looking down at Max as he lay on the floor by her feet, Alice had just decided to take him up to her room for a hot fuck when the doorbell rang.

Glancing through the window, she saw that it was her husband’s friend, Bernie Clayton. She was just about to run upstairs and put on a wrap before answering the door when she suddenly changed her mind. She’d always thought Bernie Clayton was one of the most handsome men she’d ever met, and being in a horny mood this morning, she decided it would be exciting to let him see her in the brief undies she was wearing.

„Hi, Bernie,“ she greeted as she brazenly opened the door. „Come on in.“

She was more than pleased with the expression in his eyes as he stared at her deliciously-exposed body.

„Is Paul h-h-home?“ he stammered, stepping into the room.

„I’m sorry,“ said Alice, brushing her long, blonde hair back from her face. „He drove over to Midvale and won’t be back until late this afternoon, but how about joining me for a cup of coffee?“

„I s-s-suppose so,“ he nervously stammered, unable to understand Alice’s wanton boldness.

Alice could feel his eyes on her panty-clad ass as he followed her into the kitchen.

„Sugar or cream?“ she asked as she picked up the pot.

„Just black,“ gulped the man, dropping into a chair.

After pouring his coffee, Alice sat down across from him, her big, rosy nipples brazenly visible through the almost-transparent material of her bra.

„I hope you don’t mind the way I’m dressed.“ She smiled at him with a warm glow in her eyes. „I

wasn't expecting company."

"That's all right." He blushed, trying to avert his eyes from the delicious, big tits that were almost falling out of her bra.

Alice was pleased with his obvious excitement as they idly chatted across the kitchen table. Watching the man as they talked, the horny woman began wondering if she could get him to fuck her. She realized he was her husband's friend, but from the look in his eyes, Alice could see he was secretly lusty over her nearly-naked body.

"More?" she asked when he'd emptied his cup.

"Please," he nervously answered.

Picking up the pot from the counter, Alice walked back and gently pressed her warm body against his shoulder as she refilled his cup.

"Am I making you nervous?" she whispered, placing her hand on his arm.

"Of course not," he stammered. "Why?"

"You act like you're afraid I'm going to rape you," giggled Alice as she returned the pot to the counter.

"Why do you say that?" he asked as she walked back to the table.

"I guess because I feel like being raped," she whispered in a naughty little voice, stepping in front of him rather than sitting down in her chair.

She could see Bernie's hand trembling as he tried to lift the cup to his mouth.

"See how hot I am," she softly cooed, taking his other hand and pressing it against the warm, moist crotch of her soaked panties. "What I need is a wild fuck."

Unable to control his lust any longer, Bernie jumped up and took the lovely blonde in his arms.

"Am I gonna get fucked?" she giggled, her eyes filled with mischief as she felt his hard boner throbbing against her steaming pussy.

The man just stared at her in a stunned silence until Alice took his hand and led him up to her room. Throwing herself across the bed, she watched him start undressing. Feeling the hot juices oozing out from between her legs, she excitedly studied the wild lust on his face as he fumbled with his clothes. The horny blonde began shivering with anticipation when he dropped his shorts, deliciously revealing his hard cock. Seeing how long and thick it was, Alice knew this prick would give her exactly what she needed.

"God, that's a beautiful cock," she whispered, anxious to feel his prick buried in her seething depths. As the naked man leaned over to kiss her, Alice threw her arms around him and pulled him down onto the bed.

"God, you're lovely," he panted, fumbling with the straps on her bra.

Aware that the man was having trouble with the hooks, Alice reached back and unfastened them herself, letting her luscious, big tits spill out in front of his ogling eyes. Lying back and arching her hips up, she excitedly watched him peel her panties down over her softly-rounded hips and legs.

Trembling as he leaned over the delightfully-naked blonde, he began, sucking voraciously on one of her big, turgid nipples, and his hand roamed over the soft, vibrant flesh of her bare thighs and hips.

"Oh, yes, Bernie," she passionately whispered as his lips worked over the super-sensitive flesh of her tits. "Oh, God, how I need your big, hard cock in me."

Little tingling goose bumps were popping out all around her erectly-swollen nipples as his tongue sucked and pulled on them. The man's passionate suction on her tits and the way his hands were hotly caressing her heated flesh was almost blowing Alice's mind. The warm moisture oozing out from between her legs was soaking her golden cunt hair, adding to the intense lust that was flaming throughout her writhing body.

"Oh, sweet Jesus," she moaned in rapture, feeling his hand squeezing her tingling boobs as he continued sucking on the stiffened flesh of her hard nipples with his feverishly-hot lips.

Most of the men she'd known had all been wonderful lovers, but none of them could compare to this passionate man. Every other sexual experience was completely forgotten as this new lover pressed his strong body against her deliciously-naked flesh, his hands moving down over her hips and

goosing into the wiggly crack between her soft ass-cheeks.

„Yes! Yes!“ she panted, winding her arms around his body, pulling his masculine hardness against her nakedly writhing body.

Panting with lust, the man suddenly heaved himself on top of her, trapping his thickly-throbbing cock between their hot, bare bellies. Violently shaking with lust, Bernie began urgently pumping his swollen prick back and forth between their stomachs.

„Oh, you big-cocked beauty!“ Alice hotly whispered, reaching between them and grasping the thick root of his prick in her hand. Feeling his cock throbbing wildly in her fingers, the passionately-aroused blonde eased the bloated knob between her hotly-waiting cunt-lips. When his prick was firmly lodged in the steaming entrance of her over-heated pussy, Alice reached back and firmly grasped his hard, sinewy ass-cheeks.

Closing her eyes in rapturous anticipation, she arched her hips up and tugged him toward her. Lying with her thighs wantonly spread for him, she could feel his thick cock hotly parting the slippery lips of her steaming cunt.

„Fuck,“ she whimpered. „For God’s sake, ram your cock in.“

Crouched above her, about to impale the woman, Bernie could hardly believe this was happening to him. It seemed unreal that his friend’s beautiful wife was actually begging him to fuck her.

„Ooooooooooh, yes...yes,“ whimpered Alice, feeling the delicious pressure of his bloated cock-head starting to spread her cunt-lips farther apart.

The horny woman let out a soft moan of delight when she felt his big, hard prick slip deeper into her slippery cunt, spreading her juicy opening wider and wider. As his cock slowly sank in, the pressure against her widely-stretched cunt walls was the most exciting thing she’d ever felt.

„Oh, fuck,“ she whispered as his prick moved deeper into her tight, hot channel. „More ... more! Give me all of your cock ... all of your prick!“

Shuddering with lust and seeing the wanton desire in the beautiful woman’s pleading eyes, the man continued slowly easing his massive cock into the sucking hotness of her deliciously-tight pussy. He’d never found a cunt this hot before in his life. Lunging forward with all his strength, he could feel his bloated prick powering deeper into her, spreading the tight, moist flesh apart as his cock advanced. Finally feeling his balls pressed between the soft cheeks of her sweet ass, he realized he’d finally penetrated her hotly-sucking cunt. With her shapely legs spread wantonly on either side of him, he could feel Alice writhing her hips up, wanting to make sure she had every inch of his hard prick embedded in her hot juicy fuck-hole.

Alice had never felt so deliciously full of cock in her life. The hotly-bloated head of his prick was stuffed so far into her trembling body that she wondered if his cock might lodge in her throat. She could feel every vein and sinew of his thick prick as the soft, sensitive walls of her cunt clung passionately to the entire throbbing length of his cock.

Pressing his mouth against her moistly-parted lips, he sensually entwined his tongue around hers as he began rocking back and forth between her soft, smooth thighs. He could feel her naked body responding deliciously to his body as he fucked his cock in and out with short, smooth strokes.

Writhing and twisting beneath him as her squeezing pussy deliciously swallowed and expelled his thrilling thrusts, she involuntarily reacted to the man by rhythmically fucking back at him. As the slow, sensual fucking continued, she began responding even more passionately to the moistly-hot strokes of his heavenly prick.

Feeling the woman fucking back so lustily beneath him, the wildly-aroused man began increasing the tempo of his thrusts.

„Yes! Yes!“ Alice squealed with delight. „Fuck it to me, Bernie!“

Deciding to insert a little variety into their fucking, the man slowed down and eased the length of his bloated boner out until only his big knob remained between her hotly-grasping cunt-lips. Then, after just a short pause, he rammed all the way back into her with all his strength. Loud animal-like cries came from deep in her throat as he did it again and again. The loud slap of his loins hitting the sodden plane of her belly resounded throughout the room. The squealing woman had never been so

violently and deliciously fucked in her life.

„Oh, sweet fucking baby!“ she cried out with delight as the tumultuous fucking continued. „Fuck it to me, Bernie!“

Wrapping her arms around his broad shoulders, she began slamming her crotch up against him, spiraling her pussy up to meet his every downward plunge. The sound of his weighty balls slapping against her juice-smeared ass seemed to increase the excitement for the horny woman. Sinking her nails into his muscular back, she began slamming her cunt up harder against him, trying to get even more of his thrusting cock into her fiery depths.

„OH, SHIT, BERNIE!“ she hysterically screamed as the man rhythmically pounded his cock deeper into her. „FUCK ME, BABY! FUCK ME GOOD! FUCK! FUCK! FUCK!“

Bernie was aware that the wildly-aroused woman was rapidly approaching an orgasm and hoped he could hold back his own ejaculation until she could come. Wanting to bring her off before he shot his load, he was grunting and puffing, speeding up his long, wild strokes, sinking his massive prick even deeper into the shuddering woman's fiery pussy.

Writhing and squealing beneath him, Alice had never experienced such thrilling pleasure. She was enjoying this fuck more than any she'd ever had, and she felt certain the man would give her an orgasm that she'd never forget. Almost out of her mind from the intense ecstasy she was feeling, she was aware of nothing but the delicious hot waves of burning pleasure that were searing through her loins.

Screaming with joy, Alice suddenly felt her climax rapidly approaching as his bloated cock-head slammed into her scalding depths like a runaway pile driver.

„OH, JESUS!“ she suddenly shrieked. „I'M GONNA COME! GONNA COME!“

Alice's body suddenly stiffened, and with her pussy spasming wildly around the length of his plunging cock, her fuck-juices began flowing hotly over his stiff prick.

„OOOOOOOH, GOD! I'M COMING! COMING!“ she squealed, her entire body shuddering and lurching beneath him as the glorious orgasm seemed to grab at every raw nerve end.

When her wild climax finally began subsiding, she slowly became aware of Bernie's big prick still slamming in and out of her cunt.

„Oh, yes!“ she moaned with joy. „Make me come again, honey! Make me come again!“

Dying to experience another orgasm like the last one, Alice was almost out of her mind with ecstasy as his fantastic cock rubbed against every nerve in her tight little pussy. From the first moment the woman had met Bernie, she'd always thought he'd be a great fuck, but she hadn't dreamed he'd be this fantastic. Wanting him to bring her off again, she was thrusting her cunt up to meet every delicious plunge of his bloated prick. Grasping his sinewy ass-cheeks in her hands, Alice was pulling him violently toward her, arching her hips up to receive the full length of his hard cock.

As their slippery bodies slapped frantically together, he began ramming his cock faster and deeper into her juicy fuck-hole, wanting to bring her off once more before shooting his own wad.

„OH, SHIT, BERNIE!“ she squealed with rapture. „FUCK ME HARDER, HONEY! MAKE ME COME AGAIN!“

Frantically increasing the tempo of his lusty strokes, the man could feel that unmistakable sensation building up in his balls and knew he was being rapidly hurled toward a wild climax.

„Oh, sweet fucking Jesus!“ panted the hotly-aroused blonde, pulling her knees back almost to her shoulders, exposing the entire length of her open slit to his plunging cock. „Fuck it to me, baby! I'm almost there again ...almost there!“

The pleasure in Alice's loins was further intensified when her lover's prick began violently erupting his thick, hot cum into the depths of her writhing cunt, mixing frothily with her fuck-juices.

„THAT'S IT, DARLING!“ she screamed. „CREAM ME GOOD, BABY! I'M COMING ... COMING!“

## Chapter Six

When they finally recovered from their fantastic fuck, Bernie went into the bathroom to take a piss. Smiling at Alice as he returned, the handsome man sat down on the edge of the bed.

„Goddamn!“ he exclaimed. „You can really fuck!“

„So can you,“ whispered the horny blonde as she reached out and stroked his thick, limp prick. „Am I gonna get some more? Paul and the twins won’t be back until late this afternoon.“

„You bet you are,“ grinned Bernie. „All we have to do is get my goddamn cock hard again.“

„Don’t worry about that.“ Alice giggled as she dropped to her knees on the floor in front of him. „My hot lips will take care of your cock.“

Gently inserting his limp prick into her mouth, Alice was thrilled with the taste of his spunk mixed with the cunt-juice that covered his thickly coated cock. After swirling his flaccid prick around in her hot mouth for a few minutes, Alice was thrilled to feel his cock starting to swell and throb.

The man’s tasty prick was rapidly growing in her mouth as she rhythmically bobbed her head up and down over his cock. Feeling his cock getting harder and thicker, the woman loved the texture of his throbbing prick as his cock deliciously filled her mouth.

The kneeling woman was so engrossed with Bernie’s thrilling cock that she didn’t notice Max stinking into the room. The big dog sat down on his haunches directly behind Alice, his eyes riveted on the hot cunt that was so deliciously exposed just below her little pink asshole. With his tongue hanging out and dripping perspiration, the feverishly aroused animal was whimpering and trembling.

Slowly inching forward, Max was sniffing around her juicy, cum-filled cunt with his nose while his throbbing cock thrust out from under his furry belly. Alice was vaguely aware of his hot breath on her cunt, but she was too involved with Bernie’s prick to pay any attention.

Suddenly letting out an excited whimper, the huge dog leaped up and threw his paws over the kneeling woman’s shoulders, driving the full length of his fiery, red cock into her slippery cunt. Pinned down under the animal, Alice could feel his hard shaft spearing rapidly in and out of her pussy.

As the deliciously-wild sensations mounted in her flaming cunt, Alice threw her arms around Bernie’s waist to help support the animal’s weight on her back.

„Oh, yes!“ she squealed, momentarily removing her mouth from Bernie’s cock as she raised her ass to give the dog easier access to her slippery cunt. „Just fuck me good!“

Once more sucking frantically on the man’s tasty cock, Alice’s entire body was charged with electric-like sparks as the beautiful animal’s super-hard prick rubbed rapidly against her screaming clit. The machine-gun rapidity of the dog’s strokes was building up to such an intense ecstasy that Alice could hardly stand it.

With her arms locked around Bernie’s waist and her lips sucking frantically on the man’s lurching cock, she could feel the animal’s fantastic prick knifing faster and faster into her sizzling cunt. It was thrilling to feel that bright-red cock drilling deep inside of her as she sucked. Alice’s big, full tits were swinging wildly beneath her as the force of the animal’s wild humping violently shook her naked body.

„Harder, Max, harder!“ she whimpered around Bernie’s spit-drenched boner.

Sucking passionately on the man’s thick cock, Alice felt a delicious warmth between her legs as Max’s long, red penis made her seething pussy boil. The wildly-aroused animal was panting loudly as he drilled in and out, slamming the entire length of his prick into her with every rapid thrust.

„Mmmmmmmmm,“ she moaned in ecstasy. „Mmmmmmmmm!“

Each time the animal drew back for another inward thrust, the thrill of it made Alice shudder and shake. She could feel it fucking into her with a jerky rhythm, probing into her hot, slick pussy with a canine hardness. Knowing nothing about gentleness, the panting beast was ravaging her hot cunt with his plundering cock, his furry haunches pounding against her soft ass with every rapid thrust.

„Goddamn!“ Alice panted around the thick prick in her mouth as the unbelievable joy between her legs increased.

Crazed by the moist hotness of his mistress’ juicy cunt around his stabbing boner, the whimpering

dog began fucking even faster. The woman was so hot and wet that the animal was insanely drilling his long, red cock through the delicious folds of her scalding cunt-flesh.

Thinking how good it felt to be fucked by her beautiful Labrador, Alice tightened her pussy muscles around his wondrous tool, increasing the friction as he pumped it in and out. Thrilled by the way her dog's bone-hard prick was fucking into her, Alice's tongue began working overtime on Bernie's cock, whipping it into a lathered frenzy. Taking almost the entire length of his thick boner into her mouth, Alice could hardly wait to taste the man's creamy cum.

„Oh, I love these cocks!“ she excitedly whimpered.

Alice was almost out of her mind from the intense ecstasy as Max penetrated her cunt deeper and deeper with every thrust. Each time he pulled back, his swollen cock drew her pussylips and clit out with it, and each returning thrust would deliciously push them back into the soft folds. The way his hard prick was pushing and pulling her slippery cunt-flesh in all directions was the most incredible thing Alice had ever experienced. The unbelievable hardness of her dog's cock was enough to drive the woman wild.

Thrilled at the way her pet's fantastic prick was reaming out her slit from the rear, Alice's face was bobbing faster and faster over Bernie's loins as she sucked ravenously on his straining prick. The handsome man's entire body was trembling and jerking from the wild sensations being induced by Alice's hot, slaverling lips.

„Oh, my God!“ Bernie gasped, digging his hands into her long, blonde hair as the softness of her tongue swirled around his big, hard cock.

The feel of his tasty prick sliding over her tongue was driving the horny woman crazy. Wrapping her hot, juicy lips tighter around his cock while her dog continued fucking into her cunt from the rear, Alice took his prick deeper and deeper until she felt his swollen cock-head nudging against the back of her throat. Slowly lifting her mouth with a powerful suction, she could feel the man's entire body shuddering with ecstasy.

„Suck, Alice, suck!“ he moaned, half-crazed from the heavenly feeling of her leeching lips slithering up and down over his ready-to-explode cock.

With his breath coming in short hot gasps, his hands were curled into her hair, forcing her mouth down tighter over his throbbing boner.

„Suck, Alice, suck!“ he shouted again, almost out of his mind from the intense pleasure she was giving him.

Sucking passionately on his shaft as she knelt beneath her feverishly fucking dog, the woman's entire body felt warm and wet from the intense ecstasy that was flowing through her. Her soft lips were sucking deeply on Bernie's thick cock as wave after wave of prurient pleasure washed through the depraved woman's naked body. Alice could feel the tumultuous pleasure mounting throughout her writhing loins and could hardly wait to feel the animal's hot dog-jizz shooting into her pussy.

„Come on, Max!“ she squealed back over her shoulder as she temporarily pulled her mouth off Bernie's big, tasty prick. „Fuck me harder, you big-cocked beauty!“

As if he actually understood her, the big, dumb beast began drilling his prick even harder into her pussy while Alice ground her cunt back against his furry loins.

„THAT'S IT, MAX!“ she screamed.

Each backward thrust of her soft, wiggle ass was bringing her new and more intense waves of convulsive pleasure.

„Oh, you sweet doggy!“ she whimpered. „Fuck me good, darling! Fill me with jizz, you beautiful, big fucker!“

The unbelievable joy that was streaking through the naked slut's body was further enhanced by the knowledge that she was being ravaged by an animal. The realization that a dog was fucking her seemed to intensify the pleasure.

„Oh, my God!“ she heard Bernie sob as she started sucking even harder on his cock.

Alice was aware of how much the handsome man was enjoying the blow-job, and she wanted to please him even more. Her mouth was flying up and down over his spit-drenched boner as her

swirling tongue lapped wildly around it.

Reaching down as Alice vigorously sucked on his throbbing cock, Bernie grasped her bouncing tits. He lightly pinched and pulled on her big, turgid nipples as the beautiful cock-sucker writhed and jerked beneath her feverishly-humping dog.

„Suck it, honey!“ he sobbed as the incredible suction of her lips increased. „God, what a hot broad you are!“

Lurching wildly, Bernie's hips were rocking up and down on the edge of the bed as he frantically plunged his cock in and out of her mouth.

„Jesus Christ!“ he panted, his breath coming in hot, ragged gasps as he pressed his hands down on the back of her head. „Keep sucking', baby! I'm almost there ... almost there!“

Wanting to please the handsome man as much as possible, she sucked deeper and harder on his lurching tool as her dog continued fucking into her from the rear.

„Oh, shit!“ the man cried out. „I'm ready to shoot! Just keep sucking that cock!“

Sucking deeper and harder, the beautiful woman could hardly wait for him to flood her throat with his deliciously-thick cum.

„OOOOOOOOH!“ roared Bernie, digging his fingers into her long, blonde hair and slamming her mouth down tighter over his prick. „HERE IT COMES, BABY! HERE COMES THE JUICE!“

Then without any further warning, the man exploded a [SPAM] of cum into her mouth. Sucking wildly, Alice was able to swallow every tasty, slippery drop of it. Thoroughly enjoying the delicious treat he was giving her, she thirstily drank up his heavenly spunk until his limp penis slipped out of her sucking mouth.

Excitedly licking her lips, Alice was once more able to concentrate on the wonderful dog-cock that was fucking into her from the rear.

„Oh, yes, Max!“ she panted. „Fuck me, baby! Fuck me good!“

The woman was almost out of her mind with pleasure as Max's long, red prick penetrated her pussy deeper with every stroke. Pinned down under the animal's weight, Alice was moaning with joy as his hot, slippery cock zipped wildly in and out of her writhing cunt.

„Oh, Max, baby!“ she squealed. „You sweet fucker!“

Sitting on the edge of the bed with his limp, wet prick dangling down between his legs, Bernie could hardly believe his eyes as he watched the animal fucking his friend's beautiful, blonde wife.

„FUCK IT TO ME!“ Alice screamed.

Like a bitch in heat, the wanton slut kept her creamy ass high in the air, giving the animal plenty of access to her overheated cunt.

Whimpering with joy, Max was drilling his long, shiny cock deeper and deeper into Alice's sizzling pussy. His furry hips were just a blur as he rapidly fucked his bright-red boner in and out of her slippery cunt. Hunched over under the wildly-humping animal, Alice's glazed eyes were staring crazily into space, her face flushed with excitement.

Sitting on the edge of the bed, Bernie was breathlessly watching the dog fuck his prick in and out of Alice's gold-fringed hole. He couldn't believe the rapture on her face as she writhed beneath the savagely-humping animal.

Now fucking into her as only a dog can, Max's cock was flying in and out at a dizzying speed, his tail wagging crazily as his drooling tongue dribbled saliva all over her back.

„Fuck it to me, Max!“ she cried out with joy as the lust-crazed beast further increased the tempo of his rapid thrusts.

The woman's dangling tits were jiggling and bouncing like crazy as the big animal rocked her deliciously-naked body. He was almost knocking the breath right out of her every time he drilled his long, hard cock into her juicy cunt.

„Oh, yes, Max!“ whimpered the depraved woman. „Fuck my cunt!“

Excitedly watching her, Bernie could see how much Alice was thoroughly enjoying getting fucked by the dog. Her beautiful face was grossly distorted with perverted lust, her tongue lolling out just like the dog's, as she feverishly slammed her ass back to meet his deep thrusts. Helplessly aroused by

the red-hot friction of her pet's hard prick, Alice was creaming all over the slippery length of his cock, making his prick glisten with her frothy juices.

„GODDAMN!“ she squealed. „THIS IS SO FUCKIN'...FUCKING GOOD!“

The beautiful blonde's face was flushed with pleasure as she excitedly took Max's hard, rapid strokes. The hard, red meat of the dog's thrusting prick was fucking the juices right out of her sizzling cunt, the thick, white cream splattering all over his belly.

„FUCK, THIS IS GOOD!!“ shrieked Alice.

Max's furry hips moved with a blinding speed as he fucked his long, red boner into the slippery hotness of the beautiful blonde's juice-slickened cunt. As the ecstasy mounted in her steaming pussy, Alice slammed her ass back even harder to receive the full thrusts of his hard cock.

Like all dogs, Max wasn't slow or gentle about fucking, and as he feverishly fucked his mistress, his tail was wagging madly, his long, red cock pounding deep into her.

Watching the woman perform this lewd act with her dog, Bernie could hardly believe what he was seeing. The big Labrador was fucking her with a powerful savageness, rocking her body, making her big, full

tits jiggle crazily beneath her. Bernie could see that Alice was in a state of sublime ecstasy. Her lovely face was distorted into a mask of animalistic lust, her tongue lolling out just like her wildly-fucking dog's. She was urgently slamming her ass back to the tempo of his strokes, creating a heavenly sensation as her slippery fuck-juices boiled ceaselessly from her wantonly aroused cunt, deliciously coating his long, red prick.

„OOOOOOOOOH!“ she screamed with joy. „YOU'RE SO NICE AND HARD, YOU SWEET DOGGY!“

Flushed with sexual bliss, Alice was shrilly squealing as she took the repeated thrusts of the animal's hard cock. The noise of their wanton fucking was obscenely squishy as Max's long, red boner reamed the hot juices right out of her.

„OH, FUCK, IT'S GOOD!“ whimpered the crouching blonde, clawing at the carpet. „DON'T EVER STOP, MAX!“

Having no thoughts of stopping, the wildly-aroused dog's teeth were bared in an insane grin as he vigorously fucked into her.

„Oh, sweet humping Jesus!“ sobbed Alice in ecstasy. „That's the way to fuck a cunt!“

The woman's entire body was being jolted by the thrusts of Max's steel-hard cock. The machine-gun rapidity of the dog's strokes was, carrying the wildly-aroused blonde to new heights of ecstasy. The perverted pleasure built and built in her loins as Max's blistering cock knifed into her hotly-creaming cunt.

„OH, MAX!“ she squealed. „MAKE ME COME, HONEY! MAKE ME COME!“

The animal had fucked her countless times in the past, but it had never felt as fantastic as now. Feeling herself rapidly racing toward a mind-blowing orgasm, the beautiful woman firmly braced her hands against the floor for support and passionately screwed her cunt back around the dog's deeply-plunging prick.

„OH, FUCK!“ she squealed. „HERE I COME!“

With her climax starting to engulf her, the woman was almost hysterical as her dog's juice-slickened boner raced in and out of her exploding cunt.

„OOOOOOOOOH!“ she suddenly shrieked. „I'M COMING ... COMING!“

Alice's body was writhing wildly as her orgasm enveloped her. Her horny juices boiled out around the animal's throbbing boner as her cunt muscles deliciously contracted around his cock.

„CREAM ME, MAX!“ she sobbed. „FILL ME WITH JIZZ!“

The words were hardly out of her mouth when the dog began coming. Yelping wildly, the animal shot spurt after spurt of slippery jizz into the beautiful blonde's cunt.

When her exhausted pet finally pulled his spent prick out of her

pussy, Alice rolled onto her back and smiled at Bernie who was stroking a brand-new hard-on.

„Oh, honey,“ she whispered, spreading the lips of her cum-filled pussy apart with her fingers. „Why don't you empty that hot load right in here?“

## Chapter Seven

Going upstairs the following afternoon, Alice was shocked to see the twins squirming around nakedly on Amy's bed. The girl was spread out on her back and Jimmy was kneeling between her legs, trying to get his hard little prick into her cunt.

„What are you kids doing?“ gasped the woman, unable to believe what she was seeing.

„Nothin',“ they muttered as Jimmy pulled away from his sister.

„Don't lie to me.“ Alice grinned, amused by the sight of Jimmy's hard young cock. „Why were you trying to put your prick into your sister's pussy?“

„He was gonna fuck me,“ admitted Amy.

„What do you kids know about fucking?“ asked Alice, smiling.

„We started doing it a few days ago,“ said Jimmy, surprised that their aunt didn't seem to be mad at them.

„Who taught you how to do it?“

„No one.“ Amy grinned. „We sort a figured it out for ourselves.“

„I'm very proud of you,“ their horny aunt said with a smile. „But there's a lot more to fucking than just pumping a cock in and out of a girl's pussy.“

„What do you mean?“

„Well,“ answered Alice, starting to feel hot and wet between her legs as she stared at Jimmy's cute hard cock. „There's a lot of different ways to fuck.“

„Really?“

„Of course.“ Their aunt smiled, unable to take her eyes away from the little boy's exciting young prick. „There are so many different positions.“

„How can we learn them?“

„Well,“ whispered Alice, reaching down and lightly running her fingers across the sensitive head of Jimmy's stiff cock. „Why don't you let me give you some lessons in fucking?“

What are you doing?“ gasped the boy, startled that his aunt would touch him down there.

„Messing with your prick,“ giggled Alice. „Do you mind?“

„I guess not.“

There was something extremely erotic about the feel of his hard cock, and Alice was getting even wetter between her legs as she gently fondled his hard prick. The youngster's cute cock was at least four or five inches long and was as hard as steel.

„That's a real beauty,“ she whispered. „I'll bet you have fun fucking Amy with it.“

„Shit, yes,“ he grinned. „It feels neat.“

„Then let me get my clothes off so I can start giving you kids some lessons,“ said the depraved woman.

When his aunt had stripped, Jimmy gazed excitedly at her gold-fringed twat.

„What are you staring at?“ Alice giggled, seeing the obvious pleasure on his face.

„Your pussy.“

„Do you like it?“

„Shit, yes.“

„Would you like to fuck it?“ she asked, gently stroking his hard cock.

„Sure,“ he grinned.

„Then let's do it,“ whispered Alice, lying down on the bed and spreading her legs for him. „Amy can watch this time, and then you can fuck her next.“

Trembling with excitement, the little boy moved up between her legs, and grasping his hard prick, he guided it toward her juicy, gold-fringed cunt. After Jimmy had made two clumsy attempts to insert it, Alice gently took his hard young cock in her hand and nosed the head of it into her hot, drooling cunt.

„Oh, Jeez!“ panted Jimmy, feeling the soft hot flesh of her juicy cunt closing around his sensitive cock. When his young prick was completely buried in her, he could feel the slippery, warm tissues of her talented cunt walls expertly squeezing around the tingling length of his throbbing boner.

„Oh, honey, that’s sure a nice, hard cock,“ whispered Alice, wrapping her shapely legs around his body.

Jimmy realized that Aunt Alice’s pussy wasn’t as tight as Amy’s but the way her experienced inner muscles milked, sucked and pulled on his cock was the wildest thing he’d ever experienced.

„Now let’s fuck,“ she whispered, firmly grasping his hips as she began guiding his prick in and out of her slippery pussy. „Stay up high so the top of your cock rubs my clit.“

„Like this?“ he panted, raising up slightly on his knees.

„That’s the way, honey,“ she whispered. „You’re gonna be some fucker when I’m finished with you.“

The youngster was soon drilling his prick in and out of his aunt’s deliciously-hot twat with no further assistance from her.

„That’s it, honey,“ panted Alice, a delicious pleasure filling her loins as the top ridge of his steel-hard cock vibrated against her tingling clitoris. „Amy’s gonna love this.“

The feel of Alice’s hot, slippery cunt-flesh rubbing and squeezing against his thrusting boner was almost more than the young boy could stand. Crazed with the joy of these delicious new sensations, the youngster was pumping his hard cock in and out of her pussy at an ever-increasing tempo.

„Is this the way you fuck Amy?“ Alice giggled.

„Sure.

„Well, slow down,“ she grinned. „You’ll pop your nuts before she’s even ready to come.“

Taking his aunt’s advice, Jimmy began slowly moving his hard prick in and out.

„Now that’s much better,“ she whispered. „Just take it nice and easy for awhile.“

Unable to control his excitement any longer, he suddenly began pounding his cock into her pussy again with the same impatience he’d shown only moments ago.

„Stop that. Slow down,“ panted Alice. „You don’t jack-off in a cunt, you just fuck it sweet and slow.“

„I can’t help it,“ he gasped. „It feels too good to slow down.“

„All right, honey,“ she giggled. „Roll over on your back, and let me show you how it’s done.“

Reluctantly pulling his hard little tool out of his beautiful aunt’s juicy cunt, Jimmy did as she suggested. Spread out on his back with his stiff boner spearing straight up in the air, he watched Alice face him and straddle his loins, lowering her hot, slippery cunt down over his hard cock.

„Holy shit!“ he spluttered with excitement, watching his cock-head disappear into his aunt’s juicy pussy. The heavenly feeling of her hot, grasping cunt walls slipping down over his throbbing hard-on was almost more than the excited boy could stand. Once the length of his virile young cock was completely buried in her steaming slit, the woman began lewdly rotating her hot, juicy pussy around the base of his tingling cock.

As she rubbed her own little oozing twat, Amy stared at her aunt squatting on Jimmy’s rock-hard prick. It was driving her crazy to see the joy on the woman’s face as she slid her hot, slippery cunt up and down over his stiff prick. Amy could hardly wait for her turn.

In the meantime, Jimmy’s fingers were playing with aunt Alice’s hard nipples as she continued slowly moving her hot, sucking pussy up and down over his slippery cock.

„Shit, this is neat!“ whispered the boy.

Finally stopping the up and down movement, Alice reached back and, bracing her hands against his knees, she began sliding her cunt from side to side over his rigid prick. First she’d slide slowly to the left until only the head of his bent cock remained in her, then she’d slide quickly to the right, bringing squeals of delight from the horny little boy. Each rapid motion forced the top ridge of his hard young boner to rub deliciously against her wildly-aroused clit.

He was only a kid with a five-inch dick, but Alice was almost out of her mind as she frenziedly rubbed her tingling joy-button back and forth over his steel-hard prick. She was no longer fucking him with the slow, sensual rhythm she’d used earlier. Now she was frantically sliding her cunt back and forth over his jerking cock with a maddening urgency. Realizing that Jimmy was almost ready to

shoot his wad, Alice rolled him over on top of her with his prick still deeply embedded in her sizzling cunt.

„Now fuck me, baby!“ she panted, clutching him tighter in her arms. „Just fuck me as hard as you can!“

Spreading her soft thighs farther apart, Alice grasped the cheeks of his tight young ass and pulled him deeper into her hot, juicy hole. As he began excitedly drilling his cock in and out of her slippery pussy, she continued clutching his lean ass-cheeks, pulling him more violently into her. Wanting to give the cute youngster an extra thrill, Alice began teasing her naughty fingertip around the sensitive ring of his little puckered asshole.

Feeling his pretty aunt's finger tracing lightly around his sensitive asshole, Jimmy began pounding his cock in and out at an ever faster tempo. Then feeling her finger slipping into the opening of his ass, the boy drilled his prick deeper into her hot, juicy cunt.

„OOOOOOOH, YES!“ she shrieked with joy. „THAT'S THE WAY TO USE A CUNT, YOU CUTE FUCKER!“

As his beautiful aunt lewdly massaged his fiery asshole with her finger, Jimmy frantically fucked his hard tool in and out of her cunt at an even faster tempo.

„Eeeeeeeeggghhh!“ she squealed, thrilled by the way his hard cock was sawing and vibrating against her clit. „Oh, shit, that's good! Fuck me, honey. Fuck me good!“

As the youngster's steel-hard prick drilled into her at an ever-increasing speed, Alice could feel herself rushing toward a wild climax.

„OH, JESUS, I'M COMING!“ shrieked the woman as she was engulfed by an intense orgasm. „I'M COMING, HONEY, COMING!“

Then as her spasming cunt sucked and pulled on his cock, she felt his hot load gushing into her writhing pussy.

„That's it, you cute little fucker!“ squealed Alice. „Shoot me full, baby! Cream me good!“

They clung desperately to each other until the very last drop of cum dribbled out of his slowly-shrinking prick.

„Now it's my turn,“ Amy excitedly giggled when Jimmy finally pulled his limp dick out of their aunt's jizz-drenched pussy.

„You'll have to wait until I get another hard-on,“ said her brother. „But that won't take long.“

They were startled when they looked up and saw Uncle Paul walking into the room. Thinking how much she'd like to have him screw her while Jimmy was recovering from his ejaculation, Alice gave him a sexy smile.

„Hi,“ she grinned, lying there completely naked. „Why aren't you at work?“

„It was slow today,“ he answered, staring at the three nude people on the bed. „So I decided to take the afternoon off.“

„Come on in, and get undressed,“ she invited, wearing only a grin. „We're having a little party.“

„I can see that,“ he answered, staring at the glob of cum oozing out from between her legs as well as the string of jizz hanging from the end of Jimmy's limp prick. „But it looks to me like you're robbing the cradle.“

„Not really,“ Alice giggled. „I'm teaching the kids how to fuck.“

„Are you guys having fun?“ he asked the twins.

„They are,“ Amy said with a mock pout. „All I get to do is watch.“

„That doesn't seem quite fair.“ Paul smiled, feeling his cock explode into an instant erection at the sight of her little pointed tits and the soft wisps of downy hair around her cute pussy.

„It isn't,“ sighed Amy. „I like to fuck, too.“

„How long have you been fucking?“ her uncle asked.

„Since Jimmy started fucking me a few days ago,“ she grinned. „And I sure think it's fun.“

„So do I,“ agreed Uncle Paul, quickly removing his clothes, letting his thick boner spring free. „I'd be more than happy to fuck you.“

„You can't do that!“ exclaimed Alice. „She's not big enough.“

„She looks big enough to me,“ he said with a laugh, seeing the way little Amy was staring wide-eyed at his big, man-sized prick.

„Are you crazy?“ Alice gasped. „You’d split the kid wide open with that big cock!“

„No, he wouldn’t,“ Amy finally protested, still staring as if hypnotized at his huge prick. „I want him to fuck me.“

„But, darling,“ Alice said, turning to her little niece. „His cock is too big for you.“

„Please let him try it,“ the little girl pleaded to her aunt. „He can always stop it hurts too much.“

„Will you be gentle with her?“ Alice asked her husband, seeing how determined her little niece seemed to be.

„Of course I will,“ he answered.

Picking the naked youngster up in his arms, Paul put her down on the bed.

„Now darling, get up on your hands and knees,“ he whispered.

Kneeling on the bed behind her, Paul grasped her hips and gently eased the bloated head of his cock between her juicy little cunt-lips. Gripping her firmly, he began pushing forward.

„Does it hurt, honey?“ he asked when his thick cock-head slipped through the tiny entrance of her cunt.

„Not yet,“ she whispered.

Digging her fingers into the sheet, Amy moaned with both pleasure and anguish as her uncle shoved and pushed his thick prick deeper and deeper into her little pussy until, at last, his cock was completely buried.

„See, my cunt’s big enough,“ she whispered, feeling his enormous cock throbbing deep in her pussy. The horny youngster’s hot juices were flowing hotly around the thick length of Paul’s huge boner as she passionately writhed her ass back against his loins.

Staring at them, Alice couldn’t believe her little niece had been able to take the entire length of his prick so easily. It was quite obvious that the youngster was more than capable of handling anything Paul could give her.

„Do you like it, sweetheart?“ Amy’s uncle whispered. „Do you like my big cock in her cute little pussy?“

„God, yes!“ she panted. „Now start fucking!“

„Don’t worry, honey,“ he grinned, partially withdrawing his thick boner. „When I’m finished with you, you’re gonna know you’ve been fucked.“

Then he suddenly slammed his huge prick back in, his swollen cock-head pounding against the very end of her cunt.

„OOOOOOOH, YES!“ she shrieked with delight, her cute little ass wriggling deliciously as he lustily fucked into her hot, slippery pussy from the rear. „FUCK ME GOOD, UNCLE PAUL!“

The man could hardly contain his excitement. This was the tightest little pussy he’d ever been in. Her cunt was so deliciously hot and slick as her pussy squeezed and sucked on his thick cock with a feverish greed.

„How does it feel, sweetheart?“ he panted. „Does it hurt?“

„Fuck, no!“ she called back over her shoulder at him. „It’s really neat.“

Paul could feel her horny pussy-cream boiling all around his deeply-embedded boner as the youngster’s snug little cunt sheath squeezed passionately on his plunging prick. Her tiny pussy was hot and slick, the tightest cunt he’d ever fucked in his life. Unable to control his burning lust, he began fucking the youngster with long, deep strokes that tore deep into her luscious little cunt, almost knocking her off her knees with every thrust.

„OOOOOOOOOH, YES!“ she shrieked with prurient delight, hotly creaming all over his bloated cock as she shook and wriggled her ass back against him. „That’s it, Uncle Paul! Just fuck the piss out me!“

Kneeling with her cute ass high in the air and her face resting on her arms, Amy was being bounced all over the bed, her pointy little tits jiggling deliciously beneath her as his huge, blue-veined prick rammed in and out of her hot young pussy.

„Oh, shit, your cock’s so good!“ she whimpered. „I love your prick!“ I love the way you fuck!“

Paul was panting hotly as he plunged his thick cock into the delicious tightness of the young girl’s juicy cunt at an ever-increasing tempo. In all his years of fucking, Paul had never found a cunt as hot and tight and juicy as the little pussy he was fucking now. He couldn’t believe the way the youngster’s strong young cunt muscles squeezed and sucked on his plunging prick.

„Oh, I sweet fucking Jesus!“ squealed the wildly-aroused girl, writhing her cute little ass more frenziedly. „Fuck it to me, Uncle Paul! Fuck me to death! Oh, God, how I love it ... LOVE IT!“

Wanting to please the pretty little child as much as possible, he once more increased the rhythm of his lusty fucking. As his big, slippery prick pounded into her wildly-stretched cunt, hot juices boiled out from between her cock-squeezing cunt-lips, dribbling down her inner thighs.

The horny youngster had never enjoyed anything so much in her life, each lusty thrust of her uncle’s thick cock carrying her to new heights of ecstasy. A crazy grin split her lust-distorted face and her eyes rolled wildly around in her head as she clawed at the sheet with her fingers.

„Harder, Uncle Paul, harder!“ she cried out at the top of her lungs. „Give it all to me! Give me every thing you’ve got!“

Paul began fucking his huge prick into her for, all he was worth, slamming his tingling cock in with all his strength, almost lifting the child off her knees with every lusty thrust.

Amy couldn’t get over how good it felt to be fucked by a big, man-sized cock. Her tiny little cunt felt raw, numb and tingly, experiencing an ecstasy beyond description. The tight walls of her little pussy were burning deliciously from the heavenly friction of his plunging boner. She could feel her nipples burning and stiffening with excitement as her wild climax rapidly approached.

„OOOOOOOOH, SHIT!“ she suddenly screamed passionately waving her hot little ass around in the air. „I’M COMING, UNCLE PAUL! OH, FUCK HOW I’M COMING ... COMING!“

Shuddering and jerking from head to toe as her climaxing cunt contracted and spasmed around the length of his massive cock, Amy exploded into an unbelievably wild orgasm. The joy was further intensified when his hot sperm began gushing into her little writhing pussy.

„YES! YES!“ she squealed with delight as his thick, hot cum filled her cunt. „SQUIRT, HONEY, SQUIRT! CREAM ME GOOD!“

Collapsing beneath the man, the exhausted little girl knew she’d just had a fuck that she’d never forget.

Chapter Eight

Alice couldn’t explain why, but nothing had ever aroused her as much as watching Paul’s cock pumping in and out of their little niece’s juicy cunt. It wasn’t her husband’s big, hard prick that intrigued her, it was Amy’s darling little pussy.

When Paul finally pulled his spent cock out of the youngster’s cum-flooded cunt, Alice couldn’t seem to take her eyes away from Amy’s pussy. Seeing a string of slippery cum oozing out from between Amy’s darling little cunt-lips, Alice lost all control of herself.

Moving over next-to her cute little niece, Alice drew the naked youngster into her arms. Gently cupping one of Amy’s firm young tits in her hand, Alice covered the youngster’s softly-parted lips with her own heated mouth. The older woman had never had any desire for a girl before, but right now she was madly lusting for her little naked niece. Still teasing Amy’s cute little tits with the fingers of one hand, Alice moved the other down between the youngster’s slightly-parted thighs, excitedly seeking her sweet young pussy.

„Oh, Aunt Alice,“ Amy giggled when she felt the woman slip a finger up into the moist hotness of her little cum-filled pussy. „You’re doing something naughty.“

„I know,“ whispered the woman. „But isn’t it fun?“

„Shit, yes!“ exclaimed Amy. „It feels neat.“

„I'm glad,“ answered her aunt, drawing the youngster's deliciously-naked body closer to her, once more covering Amy's sweet young lips with her own warm mouth. The cute little redhead began squirming with delight when she felt Aunt Alice's probing tongue in her mouth.

As they passionately French kissed, Alice cupped the youngster's tit more firmly, feeling Amy's naked little body trembling with unconcealed excitement as she began kneading Amy's erect nipple between her thumb and forefinger.

„Oh, Aunt Alice,“ the child whispered when the woman covered her swollen nipple with her lips.

„That feels so shitting good.“

Still sucking on her young niece's cute tit, Alice continued fingering the youngster's hotly-creaming cunt.

„Oh, shit, Aunt Alice,“ Amy whimpered, writhing her steaming pussy around the woman's deeply embedded finger. „That feels wild.“

Clinging tightly to her aunt, Amy pressed her passionately-parted lips to Alice's as the woman's finger plunged in and out of her little scalding cunt. Every thrust of her aunt's finger was carrying the child to a higher plane of ecstasy.

„Mmmmmmm, Aunt Alice!“ she moaned with joy when the woman's finger found her clit. „That's it! Oh, how good...how good!“

Holding Amy's cute, naked body in her arms, Alice continued toying with her sensitive joy-button until the youngster was almost beside herself from the intense pleasure.

„That's it, Aunt Alice!“ squealed Amy, opening her sweet young thighs still wider, giving the depraved woman even more access to her wantonly-exposed cunt. „Oh, shit, that feels good!“

With her shapely little legs splayed lewdly apart, Amy could feel her aunt's middle finger carrying her closer and closer to a bell-ringing climax.

„Don't stop!“ screamed the little redhead when her aunt suddenly pulled her finger out of her cunt.

„I'm almost ready to come!“

„It's all right, baby,“ panted Alice, jumping to her feet and rolling her young niece onto her back.

„You're gonna come.“

„What are you doing?“ asked Amy as Alice tugged the child's ass to the very edge of the bed, letting her legs hang over.

„I'm gonna eat this cute little pussy,“ whispered the woman, dropping to her knees between Amy's thighs.

Alice had never dreamed of licking another woman's cunt until this very moment, and now looking up between her niece's open legs, she had this wild desire to go down on her.

„Oooooooh, Aunt Alice!“ little Amy excitedly squealed when she felt

the woman's tongue swipe hotly across her juicy young pussy.

Completely carried away by her sudden lust for the youngster, Alice didn't give a shit whether it was a girl's cunt or not. All that mattered was that the sweet, soft flesh tasted good. What difference did it make whether it was male or female flesh as long as it was exciting to suck on?

„Oh, Aunt Alice,“ the youngster whimpered, spreading her thighs farther apart to give the woman easier access to her steaming pussy. „That feels so shitting good.“

The deliciously-moist flesh of the little girl's pussy was wildly exciting to Alice as her warm tongue explored the hidden recesses of the child's cute pussy. The strange, but erotic taste of Amy's sweet cunt-juices was enough to blow the woman's mind.

„Oh, Jesus!“ squealed Amy when her aunt's tongue found her sensitive clitoris. „That's it, Aunt Alice!“

Sucking the pearly little joy-button between her lips, Alice began flicking her tongue all around it, bringing squeals of delight from deep in the cute youngster's throat. Being a woman, she instinctively knew how to bring profound pleasure to her niece's clit.

„Oh, shit!“ the youngster shrieked. „That's so good, Aunt Alice! It feels so fucking good!“

Uncle Paul and Jimmy could hardly believe their eyes as they watched Alice hungrily going down on her little niece's pussy.

Alice could feel Amy's soft thighs squeezing against her face as she drew closer and closer to an orgasm. Thrilled by the way Aunt Alice was eating out her hot little cunt, the horny child spread her legs wider apart, and then grasping the woman's head, she pushed Alice's mouth down tighter against her seething crotch.

„Oh, yes! Yes!“ squealed Amy, feeling her aunt's hot, wet lips sucking on her pussy. Completely aroused by the erotic contact of Aunt Alice's tongue, little Amy arched her hips up, excitedly writhing her hotly-oozing pussy against the woman's mouth.

„OOOOOOOH! OOOOOOOH!“ shrieked Amy as Aunt Alice's tongue swirled around deeply in her juicy slit. „OH, SHIT, IT FEELS SO FUCKING GOOD!“

Thrilled by the horny fragrance of her young niece's tasty cunt, Alice's tongue was slashing rapidly in and out between the slippery lips of the little redhead's helplessly-aroused slit.

„Mmmmmmm...so good...so good,“ sobbed the wildly-excited child.

Watching through half-closed eyes, little Amy could see Aunt Alice's juice-lathered face rooting around between her shapely young legs. The youngster began whimpering louder as her aunt's tongue continued stabbing at her throbbing clitoris. Writhing feverishly on the edge of the bed as her brother and uncle watched, the cute youngster was almost out of her mind with joy.

Hungrily going down on a pussy for the first time in her life, Alice seemed to instinctively know how to bring the cute child the most pleasure. Swirling her tongue into the most sensitive parts of the girl's heated cunt, the depraved woman reached under Amy's ass and slipped her fingertip into her little puckered asshole.

„Oooooooh, Aunt Alice!“ the youngster squealed with delight. „That feels good!“

Whimpering and moaning from the intense pleasure she was feeling, Amy squeezed her soft little thighs more tightly against her horny aunt's juice-drenched face. The intense ecstasy was streaking so wildly through the youngster's body that she could hardly control her screams. As her depraved aunt's tongue carried little Amy closer and closer to a climax, the cute little girl thought she was losing her mind.

Alice was so busy going down on her niece's tasty cunt that she didn't notice Max slinking into the room. Seeing his mistress kneeling a throbbing erection as he sniffed around her juicy cunt and asshole.

„EEEEEEEEEGGGHHH!“ Alice shrieked, completely shocked when the animal suddenly mounted her and speared his long red cock into her cunt from the rear.

Alice always enjoyed her dog's fantastic prick, and feeling it burrowing into her, the cunt-sucking blonde eagerly welcomed it. Still licking feverishly on her niece's little pussy, the woman began slowly grinding her hips in a circular motion as Max worked his cock deeper and deeper into the hot slickness of her writhing cunt. The sex-crazed woman was filled with a wanton ecstasy as her beautiful dog's hard boner slowly filled her tingling pussy. When Max had buried the last hard inch of his canine-cock into her juicy, overheated slit, the feverishly-aroused woman lewdly writhed her creamy ass back against his haunches.

„Oh, goddamn it, Max!“ she gasped, momentarily removing her mouth from the youngster's little red-fringed pussy. „That big cock feels so fucking good in my cunt!“

With the beautiful Labrador's heavenly prick buried deep in her horny pussy, Alice once more lowered her face into Amy's hotly-oozing crotch. The deliciously-fresh aroma and taste of the child's sweet young cunt seemed to get better and better as the dog began fucking his cock in and out of her pussy more rapidly. Her entire body trembling with excitement, the kneeling woman thrust her tongue deeper and hotly-leaking cunt.

Hungrily sucking the tasty juices from Amy's little pussy, the depraved woman was acutely aware of her dog's fantastic cock plunging in and out of her seething cunt. With the animal's furry weight on her back, Alice was almost oblivious to it, conscious of nothing but the delicious warmth of the slippery, red boner zipping in and out between her legs. Pile-driving his rigid cock into her with the blinding speed that only a dog can achieve, Max had her cunt deliciously tingling from the hot friction, bringing wanton squeals of lewd rapture from deep in the debased woman's throat. With his

forepaws wrapped firmly around her naked waist, the insanely-aroused animal was pounding his long, red boner deeper and deeper into Alice's writhing cunt while she feverishly sucked and licked on her sweet young niece's pussy. Buffeted by the wildly-fucking dog, her big, full tits were bouncing and jiggling wildly beneath her. The hotly-aroused animal's hard cock sent wondrous sensations churning through her cunt.

„Oh, sweet Max,“ whimpered Alice, once more removing her mouth from Amy's cute young pussy and banging her hot ass back against his furry belly, almost matching the rapidity of his blazing, fucking prick. „God, how I love the way you fuck!“

The heavenly friction of his slippery dog-cock speeding in and out of her lust-slickened cunt was driving Alice wild. Passionately sucking on her cute niece's juicy, hot pussy, the horny woman's entire body was on fire as Max's long, hard cock reamed out her sizzling cunt from the rear. The woman's slippery cunt juices were flowing all around the hard length of his prick, thickly coating the dog-cock with her frothy discharge.

„Mmmmmmm,“ she sobbed into little Amy's hotly-oozing cunt as the feverishly-aroused animal's strong forelegs gripped her deliciously-naked body and pulled her creamy ass back against his furry belly, working his long, red cock still deeper into her bottomless cunt.

The heavenly pressure of Max's hairy body against her soft bare ass sent a searing heat scorching through her scalding pussy. The woman's body began writhing more passionately as the awesome pleasure increased. It was the heavenly height of depravity to be sucking on the cute little youngster's adolescent pussy while her beautiful, big-cocked dog fucked into her obscenely-exposed cunt from the rear.

Trying to work her tongue even deeper into Amy's tasty young pussy, Alice's lust-crazed face was saturated with the young girl's hotly-oozing juices. Sucking feverishly on the youngster's teenaged cunt, Alice was becoming further aroused by the lewd sound of the dog's cream-slickened cock pumping noisily in and out of her horny pussy.

As Uncle Paul and Jimmy sat on the edge of the bed watching, the man couldn't understand how his wife could possibly enjoy what the dog was doing to her. The animal's savage fucking was virtually knocking the breath right out of her lungs.

„Oh, Max, honey!“ the woman panted. „Give me more of that beautiful cock!“

Alice had never been so completely aroused in her life. It was pure heaven to be sucking Amy's juicy little twat while her dog's magnificent prick slid in and out between her hotly-sucking cuntlips.

„Oh, fuck!“ she moaned, her mouth ravaging her niece's cunt. „Fuck me good, you sweet doggy!“

Passionately sucking on Amy's tasty quim, Alice was almost beside herself from the sweet agony of Max's hard boner fucking into her writhing pussy.

Oh, yes, Max!“ she squealed. „That's the way to fuck!“

With the dog's prick driving recklessly into her steaming cunt, Alice was sucking out the hot juices from Amy's tasty pussy. Max was fucking his mistress into an ass-shaking frenzy as he savagely pounded his boner in and out of her sizzling cunt. The beautiful animal was holding nothing back as he brutally slammed his hard prick into the woman's slippery pussy.

„Oh, God!“ Alice sobbed into Amy's juicy little cunt. „You sweet fucking dog!“

The beautiful animal's cock made a slippery, meaty sound as it squished in and out of the depraved woman's snug pussy. Whimpering and moaning in ecstasy, Alice could feel Max speeding up the tempo of his thrusts as he rapidly approached his climax.

„WHAT A COCK!“ she suddenly screamed, momentarily pulling her face out from between Amy's legs. „I LOVE IT! I LOVE IT!“

Once more stabbing her tongue deep into Amy's tasty little pussy, she let out a moan of cunt-loving delight and wriggled her soft ass around Max's plunging cock. Almost out of her mind with the joy she was receiving from the dog's fantastic prick, Alice was sucking even more vigorously on Amy's sweet young cunt.

Oh, Max, honey!“ the woman panted, slamming her ass back to meet every delicious thrust of the animal's hard, red prick. „You're really fucking now!“

„DON'T STOP SUCKIN', AUNT ALICE!“ little Amy suddenly screamed. „I'M STARTING TO COME!“ Burying her face deeper into the squealing youngster's cunt, Alice was completely lost in the depraved ecstasy that was flooding through her kneeling body. She could feel her climax rapidly approaching as Max continued pumping his blazing cock into her juicy pussy with even quicker thrusts.

„Ooooooooooooh! Ooooooooooooh!“ Amy suddenly squealed. „I'm coming, Aunt Alice! I'M COMING...COMING!“

The woman began sucking more heatedly on the little girl's oozing cunt, wanting her to have an unforgettable orgasm.

Suddenly feeling her dog's cum gushing into her own cunt, Alice exploded into one of the wildest climaxes she'd ever experienced.

„YES! YES!“ she shrieked, writhing her horny cunt back around the animal's spurting cock. „CREAM ME GOOD, MAX! FILL ME WITH YOUR JIZZ!“

As Amy fell back on the bed and her aunt collapsed on the floor, a strange silence fell over those in the room.

## Chapter Nine

„My God!“ Paul finally said, breaking the silence in the room. „That was quite a show.“

„It looks like you enjoyed it.“ Amy giggled, pointing to her uncle's horrendous hard-on. „What are you gonna do with that big boner?“

„What do you suggest?“ he asked, a naughty twinkle in his eyes.

„I still feel horny,“ replied the cute little redhead. „Why don't you empty it into my naughty little cunt?“

Reaching for the naked youngster, Paul drew her into his arms and lowered his mouth down to her softly-pliant lips. He kissed her warmly and deeply as her sweet, honey-coated tongue sensuously slid into his mouth.

With their mouths locked in a passionately-deep kiss and his heart pounding wildly in his chest, Paul lowered his hand and began caressing the deliciously-rounded cheeks of her cute little ass. Goosing his fingers into the soft crack of her ass, he pulled the youngster tighter against him.

„You're so sweet, Uncle Paul,“ she whispered into his mouth as her fingers lightly stroked his broad bare chest.

Feeling his caressing tongue moving around deep in her sweet young mouth, Amy reached down and began gently fondling his hard cock and balls.

„Oh, sweet Amy,“ he whispered, removing his hand from her soft ass-cheeks and easing it up between her inner thighs. Worming his finger through the youngster's soft growth of red pussy curls, he slipped the tip of it into her juicy young cunt.

„God, that's a cute little pussy,“ he whispered, wriggling his finger around in the warm, slick folds of her adolescent cunt.

„Mmmmm,“ she passionately responded, her fingers still gently stroking his thick boner. „I'm ready to fuck.“

Releasing the youngster from his embrace, he started to roll her onto her back.

„No, Uncle Paul,“ she excitedly whispered. „I'm gonna sit on your cock.“

„Why do you want to be on top?“ he asked.

„Because I think it would be fun,“ she said with a giggle, facing the man and straddling his loins on her knees. „This is gonna be one fuck you'll never forget.“

There was another long silence in the room as her aunt and brother excitedly stared at them.

Her oozing little cunt hovered just over his throbbing cock-head. Paul could feel the moist heat radiating from between her legs. He excitedly watched as the adorable youngster parted her

slippery cunt-lips with the thumb and forefinger of one hand, deliciously exposing her little erect clitoris at the top of her open cunt. Then grasping the thick stem of his boner with her other hand, she began rubbing his sensitive knob against her tingling joy-button.

Both of them shuddered with joy from the first electric shock as their burning flesh met. The hot, slippery cream from her oozing cunt flowed down over his big, blue-veined cock, saturating the tangled hair around the base of his prick with its oily stickiness. Amy had a wild desire to plunge her burning pussy down over the throbbing length of his stiff cock, but she controlled herself and continued deliciously massaging her quivering clit with the hot tip of his flaring cockhead.

„Oh, Uncle Paul!“ she panted as the intense ecstasy burned through her writhing pussy. „This is gonna be so fucking much fun!“

„Then squat down on my cock,“ he excitedly urged. „I can't stand much more of this!“

„Take it easy, honey,“ she whispered. „We have plenty of time, and your hot prick feels so good on my clit.“

After she'd rubbed her hard little joy-button into a wild frenzy with his big prickhead, she began slowly moving her moist cunt-lips down over his cock. In his wild lust, Paul was aching to drill the thick length of his prick deep into Amy's steaming little pussy, but Amy would only allow the tip of his cock to enter her.

„Please,“ he begged, his balls aching with the excruciating need to fuck her. „Put the goddamn thing all the way in!“

Still teasing herself with the head of his prick, she fought back the burning desire to fill her cunt with his thick cock, wanting to make this fuck last as long as possible.

„Oh, Uncle Paul,“ she whispered, writhing her hot, juicy cunt around the sensitive-head of his fiery cock. „This is gonna be so neat!“

„Then prove it!“ he panted, grasping her writhing hips in his hands. „For God's sake, start fucking me!“

Unable to control his wild lust any longer, he tightened his grip on her softly rounded hips and jerked her down at the same time he violently arched his ass up from the bed.

Wanting to tease him a little longer, Amy struggled to remain on her knees, but her strength was no match for his, and he managed to force two or three more inches of his prick into the hot juiciness of her tight little pussy.

„Please, Uncle Paul,“ she whispered. „Take it easy. I want this fuck to last a long time.“

With the bulbous head of his cock securely lodged in her tight hot cunt sheath, she began deliciously squeezing and massaging his prick with her strong, young pussy muscles.

„Feel that,“ she crooned to him. „Can you feel my naughty little cunt milking your beautiful prick?“

„Shit, yes!“ he panted, writhing with the ecstasy that was being induced into his prick by her incredible little fuck-hole.

„Oh, Uncle Paul,“ she whispered. „You're really gonna know you've been fucked when I'm finished with you.“

Still anxious to bury the entire length of his cock into her heavenly pussy, he violently bucked beneath the youngster until a couple more inches of his hard, throbbing prick was forced into her.

Realizing that she wouldn't be able to hold him back much longer, she began slowly lowering herself down over his thick cock of pulsating meat.

„Mmmmmmm!“ she softly moaned, feeling his stiff prick slowly moving up into her writhing cunt, feeling the soft slippery folds of her hot pussy-flesh giving way to the delicious pressure of his rigid cock. Her entire body was aflame with passion as his hard boner pressed out, widening her tight cunt sheath as his cock sank deeper and deeper.

Paul was now desperately pushing his prick into Amy's cunt as the shuddering girl pressed down, taking more and more of his slippery cock.

„Feel my prick, honey?“ he panted.

„Oh, yes...yes!“ she whimpered, writhing her cunt down over his blistering cock. „Give me more of

your cock!”

„Don't worry!“ her uncle gasped, arching his hips up higher off the bed, trying to force every last inch of cock into her hungry, grasping cunt. „You're gonna get all of my cock!“

„Ooooooooooh, yes! That's what I want!“

At last his lusty boner was buried to the hilt, pressing out against the tight, slippery walls of her steaming pussy. The girl had always thought how good her brother's prick had felt in her little cunt, but now being fucked by her uncle for the second time this afternoon, she decided that bigger cocks felt better.

„Oh, Uncle Paul,“ she whispered, falling forward over his body with his wonderful prick embedded so deliciously in her hotly-sucking fuck-hole. „Your cock feels so nice and big in me.“

With her hot, hard nipples burning into his hairy chest, Amy covered his mouth with her moistly-parted lips. Clinging tightly to each other as they passionately kissed, the aroused youngster writhed her horny little twat all around the length of his hotly-throbbing prick.

After rubbing her tits against his chest for a few more moments, Amy once more sat upright on his loins, deliciously impaled on his wonderful prick. Her uncle's cock-head was buried so deep in her squeezing cunt that it felt as if his bludgeoning knob was going to punch right through the walls of her stomach. Sitting on his cock like this, her strong young inner muscles sucking and squeezing around the long thickness of his boner, the horny youngster felt so deliciously full of prick.

„Are you ready, Uncle Paul?“ she whispered to him. „Are you ready for the wildest piece of ass you've ever had?“

„God, yes, I'm ready!“ he panted, his entire body shivering with expectancy.

A soft groan escaped his lips when she began slowly and lewdly rotating her hips, making his throbbing cock twist and rub around deeply in her hot young pussy. As it deliciously ground first this way and then that, he could feel his hard prick squashing around deep in her warm, slick cunt-flesh. Becoming more excited with every rotation of her hips, he began moving beneath her. The sensuous feeling of her cunt walls milking and squeezing on his pulsing cock was more than he could stand, and, letting out a groan, he suddenly slammed his hips up from the bed, lifting the cute little redhead into the air. Then as she dropped back down, his hard prick drilled even deeper into her pussy.

„OH, YES!“ she squealed with delight as he began rhythmically fucking his hard cock in and out of her.

„Jesus, honey!“ panted Uncle Paul as he lurched violently beneath her. „That's gotta be the hottest little cunt in the world.“

„You haven't felt anything yet,“ she claimed, deliciously squeezing his thrusting cock with her slippery inner muscles. „Just wait'll I get revved up.“

Seeing how excited her uncle was getting, Amy stopped her rotating motion and began bouncing up and down over his thrusting prick, forcing it deeper and deeper into her cunt.

„Jesus Christ, baby!“ he groaned with pleasure as his slurping cock fucked in and out of her cute bouncing pussy. „That's the way to fuck honey! That's really fucking!“

Grasping her by the hips, he bucked and heaved, getting more of his thrusting prick into her with every frenzied thrust. Squealing with joy, Amy bounced and gyrated above him, reveling in the ecstasy of his pounding prick. Her little pussy was deliciously twitching, and the harder he fucked her, the better it felt.

Clamping her knees tighter against his waist for leverage, she began pumping her cunt up and down over his turgid cock with an even-faster tempo. Her eyes blazing with lust and her long red hair flailing wildly around her beautifully-flushed face, Amy was fucking him for all she was worth.

Lurching wildly beneath the youngster, Paul was almost out of his mind from the way her hot, spasming cunt was sucking and pulling on the super-sensitive flesh of his tingling boner. Every time she dropped down, he'd meet her with a violent thrust, deliciously jolting her entire body. He was slamming his frothy cock in and out with increasing power while she frantically bucked up and down over his steel-hard cock. She'd promised him the best fuck of his life, and he was certainly getting it.

He'd never fucked anyone as wildly passionate as this little teenaged nymphet.

„Oh, Uncle Paul!“ she suddenly squealed, looking down between her legs. „Look how your big prick is going in and out of my pussy.“

Glancing down at the sight of his blood-swollen boner plunging in and out between the slippery pink lips of her sucking cunt was enough to blow his mind. His naked shaft was gleaming with the hot, slippery juices that were oozing out of her wildly-fucking pussy.

„See! See!“ she squealed with excitement, still bucking up and down over him. „See how your beautiful cock is fucking my hot little cunt!“

On and on they fucked, every thrust and plunge bringing more intense pleasure to them. They were both moaning and groaning with ecstasy as the grasping walls of her pussy contracted deliciously around the length of his throbbing cock. Paul snorted like a wild bull as he lurched and thrashed beneath her.

„Ooooooooooh, that's it, Uncle Paul!“ the little girl cried, her deliciously-firm tits jiggling and bobbing wildly as he once more speeded up the tempo of his powerful upward thrusts.

Feeling her orgasm building up deep in her loins, she began fucking her cunt up and down furiously over his plunging cock, hoping to bring him off with her.

„Oh, yes!“ she shrieked. „I'm almost there! Fuck it to me, honey!“

„Me, too!“ her uncle gasped, feeling her hot juices drooling down around his cock as her fiery pussy contracted more tightly around his prick.

The room was filled with the sound of their sweaty, naked bodies pounding wildly toward their rapidly-approaching climax.

„Oh, shit!“ Paul panted, grasping her thrashing hips. „I can't hold back much longer!“

„LET IT COME!“ she hysterically screamed. „CREAM ME GOOD! I'M COMING TOO!“

She could feel his hard shaft starting to quiver and jerk deep in her belly, and then she suddenly felt his hot, swirling cum gushing into her pussy.

„YES! YES, HONEY! LET IT SQUIRT!“

Moaning with uncontrollable lust, he violently slammed his erupting cock up against the very end of her cunt, spraying a hot stream of swirling jizz deep into her writhing belly.

„Yes! Yes!“ she moaned, the walls of her climaxing cunt clamping tightly around the length of his spurting prick. „I'm coming... coming...COMING!“

Her entire body was shuddering above him as her fuck-juices boiled hotly around the length of his belching cock.

„OH, SO GOOD...SO GOOD!“ she wailed, their bodies bucking lewdly together as they wildly writhed in an orgasmic frenzy.

They came and came and came, their bodies bucking and fucking as the intense ecstasy mounted.

„OH, GOD, I LOVE IT!“ squealed Amy, feeling her uncle's hot jizz filling her cunt to overflowing. His cum started oozing back out of her pussy, coating his belly and balls with the sticky wetness.

There was no way to stop the flow of cum that he was hosing into her, and her own cunt-juices were mixing with his as they kept creaming together. It didn't seem as if their wild climax was ever going to end, and as they pounded their bodies together, his cock still shot his hot jizz into her.

Finally his spurting cum slowed to a trickle, and then stopped entirely. At last her exhausted little body collapsed over his chest, his limp prick still in her juice-drenched pussy.

Chapter Ten

From that afternoon on, all four of them slept together in Uncle Paul's and Aunt Alice's big king-sized bed. They spent every night sucking and fucking each other into a wild frenzy.

The following Sunday they all went on a picnic together. So they could frolic around in the nude, Paul drove them to a deserted area near the river where there was nothing but a few scattered

farms.

Finding a spot by some trees on the edge of a meadow, Paul parked the car, and they all got out. After spreading a couple of blankets on the ground, the family quickly disrobed so they could enjoy the sun and fresh air on their bodies.

„Gee, this is nice,“ commented Alice as she lay on her back, gently stroking Max’s hard cock.

„It sure is,“ little Amy agreed. „But I think I’ll take a walk along the riverside.“

„That sounds like a great idea!“ exclaimed Alice. „Do you mind if Max and I come with you?“

„Heck, no,“ Amy said. „I wish you would.“

Getting up from the blanket, they slowly walked over by the river. Strolling along nakedly with Max following them, they had just walked around a clump of bushes when they almost bumped into a donkey that was grazing by the bank.

„My God!“ cried Amy. „Look at the hard cock on that bastard!“

„Holy shit!“ Alice gasped. „It’s as big as my arm!“

„How would you like to be fucked by that thing?“ questioned Amy.

„I’d love it!“ exclaimed the depraved woman. „Imagine having that big beauty shooting jizz up your cunt.“

„You can have him if you want,“ urged Amy. „But I’m afraid that goddamn big cock would rip me open.“

„You’re probably right,“ Alice wistfully sighed as they slowly approached the animal. „But I’d sure like to try it.“

„He’s ready,“ observed the little redhead as they stepped up next to him. „Look at that shitting hard-on he has.“

„Maybe we should jack him off,“ Alice suggested when the donkey made no attempt to shy away from them. „The silly thing sure looks like he needs relief.“

„Help yourself,“ urged Amy. „I’ll bet he’ll shoot a bucket of jizz.“

Curious as to what his big, hard boner would feel like, Alice reached under his belly and stroked the length of his hard shaft with her fingers.

„Jesus Christ!“ she breathlessly whispered. „That’s the hardest, hottest cock I’ve ever touched!“

„What’s it feel like?“

„Try it.“

Reaching out, Amy grasped the donkey’s thick prick in both of her soft little hands.

„Oh, shit,“ she said with a giggle. „Touching his cock makes me horny.“

„I know,“ agreed Alice. „I’m starting to get all hot and wet between my legs.“

„Look at that,“ Amy whispered, pointing to a glistening drop of fuck-fluid that was bubbling from the end of his prick.

„I wonder how it tastes,“ mused Alice.

„Try it.“

Moving her face down under the donkey’s belly, the woman swiped her tongue across the head of his cock, making the dumb beast quiver with excitement.

„Holy shit!“ she exclaimed to her little niece who was excitedly watching. „This fucking cum tastes good.“

„Let me try it,“ said Amy, seeing another drop oozing out from the slit in the end of his bloated cock-head.

Bobbing her cute little freckle-dusted face down, Amy quickly licked up the tiny bubble of slippery cock-juice.

„Goddamn!“ exclaimed the youngster, rubbing the head of his prick against her cheek and neck.

„His dick does taste good.“

„I wonder if he’d like a blow-job.“

„I’ll bet he would,“ Amy giggled. „Let’s give him one.“

„I’m willing,“ claimed her depraved aunt as she began licking his big knob.

While Alice slobbered around the donkey’s cock-head, Amy grasped the base of his thick prick and

began running her tongue up and down along the sensitive underside of it, making the animal bray with delight.

„He likes it,“ said Alice.

„D’ya think so?“

„Shit, yes!“ the woman repeated. „Just keep licking and we’ll soon pop his nuts.“

Feverishly licking and lapping on the donkey’s enormous cock, they soon had the full length and girth of it completely saturated with their sweet, warm spit. Anxious to bring the animal off, they continued lustily sucking and licking on his huge, thickly-lathered prick.

Braying noisily as the intense pleasure in his throbbing boner increased, the trembling beast began excitedly pawing the ground with his hoofs.

„Jesus Christ!“ exclaimed Aunt Alice., „The silly son of a bitch really digs this!“

„You’re not just shitting’!“ agreed Amy as she continued feverishly licking up and down the slippery length of his spit-drenched cock. „It’s blowing his mind.“

„Mine, too,“ the horny woman panted. „The taste of this prick is really turning me on.“

As Alice momentarily started licking the animal’s lusty balls, little Amy brushed her long red hair back from her face, and opened her mouth as wide as possible, she slowly moved it toward his bulbous cock-head. Finally managing to wrap her widely-stretched lips around his huge knob, the youngster proudly smiled at her aunt who was vigorously licking the donkey’s lust-swollen balls.

Smiling back, Alice was thoroughly enjoying the feel of his cum-bloated balls against her tongue. The bigness of his balls and the exciting texture of his heavy ball-sac were sending a series of heavenly sensations streaking through her cunt. There was something about the weight of the animal’s deliciously-swollen balls in the palm of her hand that was really driving the depraved woman wild.

Little beads of perspiration stood out on Amy’s upper lip as her leeching mouth sucked and pulled ravenously on the donkey’s enormous cock-head.

„Goddamn!“ panted Alice as she slavishly licked and sucked on his bloated balls. „How the hell were you able to get that big fucking prick in your mouth?“

„It wasn’t easy,“ the little redhead gurgled around his big, meaty cock.

Excitedly braying, the trembling donkey began pumping his hindquarters back and forth in a frantic fucking motion, working his spit-soaked cock-head around in little Amy’s hotly-sucking mouth while, Alice continued licking and slurping on his deliciously-big balls.

Watching the donkey’s magnificent boner fucking into her little niece’s mouth, Alice wished it was buried in her cunt. She realized the huge thing would probably hurt a bit at first, but God, what a fuck it would be before it was finished! Watching the donkey’s huge prick working around in Amy’s mouth, Alice’s horny cunt was burning and itching with desire. She passionately licked and sucked on the donkey’s lusty balls.

Loving every moment of it, little Amy was slurping noisily on the big cock that was fucking into her very-willing mouth. The feel of his thick prick slithering around in her mouth and the feel of the bumpy, sinewy surface of his hard cock rippling over her tongue and lips was the most erotic thing she’d ever experienced.

Momentarily removing her mouth from the donkey’s balls, Alice began once more licking up and down the entire length of his huge cock, running her hot, writhing tongue all over the sensitive underside of his throbbing prick. The excitedly-braying animal was jerking and lurching wildly as the depraved woman continued licking his prick and balls while her little niece passionately sucked on his big cockhead. The trembling beast’s body was jerking crazily as their ravenous lips sucked and pulled on his tingling cock and balls.

The thrill of sucking off a donkey was the most exciting thing that had ever happened to Amy, and the way his huge cock filled her mouth was – driving the horny youngster wild. Because of his loud braying and from the way his trembling body was jerking, Amy knew the donkey was on the verge of blowing his load. Thrilled at the prospect of tasting donkey-cum, the cute youngster clamped her horny little lips more tightly around the base of his huge cock. Sucking with all her power, she began drawing the cum up from deep in his balls.

Alice deliciously mouthed his hot balls while Amy sucked on his cock-head. The pretty little redhead suddenly felt the thick hot jizz splattering against the back of her throat. She had never dreamed that anything could shoot such a huge amount of cum, but the youngster valiantly sucked and swallowed until the donkey quit coming.

„Wow!“ she exclaimed as she crawled out from under the animal with her mouth full of jizz. „That was neat!“

„How did it taste?“ Aunt Alice excitedly asked.

„Like this,“ gurgled Amy, throwing her arms around the woman and pressing her open, cum-filled mouth to hers.

Writhing their naked bodies together, they sucked the slippery jizz in and out of each other's passionately-kissing mouths for several delicious moments.

They were suddenly brought back to reality again by the donkey's excited braying. Staring at him, they could see a string of slimy sperm dripping from the end of his rigidly-erect boner. He nervously pawed the ground with his hoofs.

„Jesus Christ!“ exclaimed Amy. „The silly bastard still has a hard-on.“

„You're sure right,“ Alice grinned. „He acts like he wants another blow-job.“

„My God!“ gasped the horny woman when the donkey suddenly lowered his head and wetly licked her naked pussy. „He's after my cunt.“

„He must like the smell of it,“ Amy observed with a giggle as the animal continued sniffing and licking her aunt's gold-fringed twat.

„Holy shit!“ Alice squealed with joy as the donkey began licking her hot, juicy cunt a bit more vigorously. „He's really going after it.“

„I think he wants to fuck you,“ Amy said, seeing lust in the donkey's eyes.

„And I'd like him to do it,“ Alice excitedly panted. „But he's too big and heavy to hump on top of me like my dog.“

„There must be some way you can do it,“ said Amy, glancing around for a solution.

„Look,“ said Alice, pointing to an old broken down cart that had been abandoned in the field.

„Maybe we can use that.“

„How?“

„I could lay on the bed of it with my legs hanging over the edge. My cunt would be at just the right position for him if we could get his front hoofs up on the wagon bed,“ she excitedly explained.

Leading the donkey over to the old broken-down wagon, Alice lay back on it with her legs dangling over and her cunt perched on the edge while the animal continued sniffing and licking her deliciously-exposed pussy. Alice and Amy were trying to figure out how to get the donkey's front feet up on the bed of the wagon when he suddenly reared back and did it. Donkeys aren't noted for their smarts, but it didn't take this one very long to figure out how to get at that sweet-smelling pussy.

„Help him get in,“ Alice whispered to her little niece when the animal made two or three futile stabs at the woman's cunt.

Taking the long, thick shaft in her hand, Amy inserted the swollen head of it between her aunt's hotly-oozing cuntlips.

„Come on, dummy,“ she urged. „Stick it in.“

Feeling the moist heat of her pussy closing around his big, sensitive knob, the donkey suddenly reared back and drilled into her.

„EEEEEEEGGGHHH!“ the woman shrieked from the sudden, brutal penetration of the long, thick cock.

Glancing up at the animal's head above her, Alice could see the wild joy in his glazed eyes as he began frothing around his mouth and nostrils.

Stomping his feet on the bed of the old cart, the donkey began thrusting his thick meat in and out of her more-than-willing cunt. They were fucking rather clumsily at first, but after a few moments of trial and error, Alice was soon rhythmically slamming her hips up to meet the heavenly thrusts of his magnificent cock.

„Holy shit, Amy!“ she squealed to her little niece. „This bastard can really fuck!“

The animal had fucked a lot of donkeys in his life, but he'd never found a cunt that was as tight and hot as this one. Feeling his cock being so deliciously squeezed by this new kind of pussy, the donkey began fucking into her with a wild frenzy.

„Oh, you beautiful fucker!“ squealed Alice, thoroughly enjoying the fantastic thickness of his long prick.

Having never felt anything to equal this hot, human, cunt, the donkey was soon feverishly fucking into it, bringing the woman more pleasure than she'd ever had in her life.

„YES! YES!“ Alice chanted. „FUCK! FUCK! FUCK!“

With the huge head of his cock banging against the very end of her cunt, it was almost more ecstasy than Alice could handle. Staring under the donkey's belly through lust-glazed eyes, she could clearly see his obscenely-big prick fucking into her little gold-fringed hole. Watching his shaft plunging in and out of her writhing depths, she could see how thickly coated it was with her hot slippery juices. With her head rolling from side to side in rapture, the erotic sound of his thick, hard cock squashing in and out of her hotly-juicing pussy seemed to further excite the depraved woman.

„Oh, fuck it to me, you big-cocked beauty!“ she screamed as she reached down and grasped his swollen balls.

The wildly-raving blonde had lost all sense of reality, and right now there was nothing else in the world for her except this fucking donkey's big, lewd prick.

„GODDAMN!“ she shrieked. „FUCK ME HARDER!“

Excitedly watching them, Amy was vigorously rubbing her own naked little cunt, wishing she had a nice hard prick in it. She couldn't understand how her aunt's cunt had ever been able to take such a huge cock, but it was obvious that it had been elastic enough to adapt to it, and the woman was thoroughly enjoying herself.

„Oh, fuck!“ whimpered Alice as the wildly-aroused donkey pounded his thick cock into the deepest recesses of her obscenely stretched fuck-hole. „Oh, Christ, how I love that cock!“

Being such a hopelessly depraved slut, the satisfaction of getting fucked by a donkey's monstrous prick was the ultimate in sexual fulfillment. The knowledge that her cunt would soon be bathed in donkey-spunk seemed to further arouse her. The perversion of what she was doing made the whole thing even sweeter.

Mewling incessantly beneath the wildly fucking beast, the feverishly-aroused slut was writhing her slippery hot twat up and down over the thick length of his plunging cock. Excitedly digging her heels into the donkey's flanks, Alice arched her ass up to get the full force of his deep thrusts. The slick lips of her steaming pussy were sucking and pulling on his throbbing prick, trying frantically to get even more of it into her horny pussy.

Writhing beneath the animal, Alice could feel the head of his boner swelling even larger as it slid in and out between the heavenly-soft ridges of her hotly-sucking cunt walls. She was aware that the fucking, braying animal was about to shoot her pussy full of cum, and she could hardly wait.

„Oh, fuck it to me!“ she whimpered as the glazed-eyed donkey fucked harder and deeper into the steaming hotness of her deliciously-ravaged cunt. „Fuck it to me!“

Every wild plunge of the animal's big rock-hard cock was carrying the perverted woman closer and closer to an orgasm. The ecstasy of his heavenly-big prick pounding into her cunt was enough to blow her mind.

Feeling Max rubbing his face against her bare leg as she excitedly watched, Amy dropped down onto the grass with him and began stroking the dog's throbbing hard-on.

„Are you having fun?“ she whispered to the whimpering dog. „Is it fun to watch your mistress being fucked by a donkey?“

Still whimpering, Max began burrowing his nose up between her bare legs.

„Oh, you naughty doggy,“ she scolded, still fondling his hard cock and balls. „You're ready to fuck.“

The dog's tongue flashed out and swiped hotly across her naked little pussy, making the horny youngster shiver with ecstasy.

„Okay, I'll let you fuck me,“ Amy giggled. „But wait until the donkey and Aunt Alice are finished. I want a watch him shoot his load into her.“

Over on the wagon, the power of the donkey's thrusts were literally rattling Alice's teeth as his huge cock drilled deeper and harder into the woman's juicy cunt. The nearly-hysterical slut could feel her orgasm wildly building up in her loins. Suddenly every nerve in her body drew taut as she tensed for her explosive climax.

„FUCK, DONKEY, FUCK!“ she squealed. „CREAM MY CUNT!“

Suddenly feeling the animal's thick, hot cum gushing into her pussy, Alice started climaxing all over his big squirting cock.

„OH, FUCK!“ she screamed, screwing her hot slit up tighter around the length of his shooting boner.

„THAT'S IT! JUICE MY CUNT! I'M COMING...COMING!“

Spread out on the grass as she watched the donkey back off her aunt's exhausted body, Amy was once more aware of Max licking her pussy.

„Okay, you horny bastard,“ she said, getting up on her hands and knees. „Here it is.“

Needing no further encouragement, the animal quickly jumped up and mounted her.

„Oh, yes, Max!“ Amy whimpered back over her shoulder when his hot, hard prick was buried to the hilt in her horny little cunt. „Now give me a good fuck.“

As the well-trained dog began pumping his cock in and out of her fiery little cunt, the cute youngster was feverishly slamming her ass back to get the full thrust of his wonderful prick.

„FUCK, MAX, FUCK!“ Amy squealed at the top of her lungs.

Whimpering with joy, the animal's furry hips were working swiftly as he drilled his long, red dog-cock in and out of her sizzling little slit. Like all dogs, Max wasn't a bit slow or gentle as he frantically fucked into her. The only thing on the dumb beast's mind was shooting his wad.

Having recovered from her wild fuck with the donkey, Alice slowly walked over to where the dog was excitedly fucking Amy.

„Having fun?“ she asked.

„Shit, yes!“ exclaimed the cute little redhead. „That goddamn donkey's cock would be too fucking big for me, but Max's is just right.“

„Good,“ Alice said, suddenly noticing her husband and Jimmy walking toward them, their stiff boners standing up in front of their bellies. „And now it looks like I'm gonna get some human meat.“

Paying no attention to her uncle and brother as they approached, Amy began once more concentrating on the nice, hot dog-fuck she was getting. Her adorable little face was twisted into a naughty mask of lust as she began slamming her sweet young ass back to meet his strokes, creating a red-hot friction in her horny little pussy.

„OH, FUCK IT TO ME!“ she wantonly screamed with joy. „YOU'RE SO NICE AND HARD, YOU SWEET FUCKER!“

The pretty little redhead was flushed with sexual bliss, squealing with delight as she blatantly took the deep, hard thrusts of the animal's wonderful boner. Max's shiny, red cock was reaming the hot juices right out of her cunt, the slippery discharge splattering all over her canine-lover's furry belly.

„Oh, it's so shitting good!“ whimpered the cute little redhead, clawing at the grass in her excitement.

The big Labrador's long, red tongue lolled out, dribbling saliva all over the girl's naked back, while he furiously fucked her. His furry hips were just a blur as he feverishly fucked into the slippery slickness of her hot little cunt with a blinding speed.

„Oh, sweet pissing Jesus!“ she whimpered, raising her sweet young ass a bit higher to give the insanely-fucking animal even easier access to her ravaged cunt. „Now you're really fucking, you sweet doggy!“

The youngster's entire body was being jolted with electric-like sensations as the top ridge of Max's long, red boner stroked against her clitoris. The machine-gun rapidity of the dog's deep thrusts was almost blowing the cute youngster's mind. The wanton pleasure grew and grew in her cunt as the big dog's fantastic cock speared in and out of her hotly-juicing pussy.

„That’s a good doggy!“ she squealed. „Now make me come, Max...make me come!“

Her uncle and brother had joined Alice, and now the three of them were excitedly watching the show.

„Goddamn!“ Uncle Paul exclaimed, watching Max’s hard cock zipping in and out between the youngster’s legs. „That kid sure loves to fuck.“

„I do too,“ chimed in Jimmy, reaching over and patting his beautiful aunt’s bare ass.

„What are you after?“ giggled Alice, feeling her little nephew goosing his fingers into the soft crack between her ass-cheeks.

„You,“ he whispered. „I feel like fucking.“

„Then just help yourself,“ grinned the woman, spreading her naked body out on the grass for him. „I could use a good fuck myself.“

Paul continued staring at Amy and Max, anxious for the dog to shoot his load so he could get at his little niece’s cute hot cunt.

„OOOOOOOH!“ he heard the youngster suddenly squeal. „I’M COMING... COMING!“

The adorable child’s body began jerking spasmodically as the overwhelming orgasm exploded in her loins. Oblivious as to what was happening, Max just kept pumping away until his big red cock filled her pussy with jizz.

When the exhausted animal finally pulled his prick out of her, little Amy rolled onto her back and saw her naked uncle smiling down, his hard cock in his hand.

„Oh, Uncle Paul,“ she whispered. „Am I gonna get another fuck?“

„You sure are,“ the man assured her, dropping to his knees between her wantonly-spread legs.

The End
