BEASTIALITY STORIES

Ozzie licks cunts. With the right inducement, he'll tongue-fuck assholes too.

Ozzie is Peggy's Labrador. Peggy discovered Ozzie's talent one morning while eating breakfast.

She was wearing only her bathrobe and dropped some jelly on her thigh. Ozzie thinks that everything that falls off the table is his, and went right after the jelly. Peggy giggled when Ozzie licked the jelly. Well, there was the scent of pussy a few inches away. She squealed when Ozzie licked her cunt. She let Ozzie keep at it until she had an orgasm. Then she called Debbie to come over to her house for an unbelievable thrill.

She and Debbie had been playing with each other's naked bodies almost any time their boyfriends weren't. It didn't take persuasion to get Debbie spread naked on the bed in anticipation of pussy work.

Peggy had a squeeze bottle of honey and put an ample supply on Debbie's pussy. She told Debbie to put her butt on the edge of the bed and her legs up. Then she brought in Ozzie, holding him on a leash so he couldn't mount her. Peggy led him to the honey pot.

◆ Ozzie did his work gleefully. Debbie squealed to orgasm and beyond. Ozzie could do this sort of thing for hours and hours and never tire. Ozzie never has enough fun!

Peggy said she'd take a turn and Debbie could be the handler. Peggy said she wanted to see if Ozzie would go after honey on her asshole. Did he!

Ozzie got his rough tongue right into the seat of the action. He scooped out all the honey and went looking for more in her pussy. He found enough juice to make him happy. Debbie passed on the ass licks that day.

Now that all this had happened in one day, they couldn't wait to get their friends initiated by Ozzie. That's where I came into the picture.

I'm Ginny, and I was in Chemistry class with Peggy when she approached me with an evil twinkle in her eye.

"Hey, Hot Stuff" she said, "I have a new thrill you ought to try. It'll blow your mind."

I asked if she had a new vibrator the size of a sewer pipe or an exploding butt plug.

"Not quite" Peggy answered, "but I won't tell you until you're bare ass naked on my bed and can't refuse".

"Of the places I might get bare ass naked, your bed has never been considered" I replied.

"Even if I say there are no dicks or dildos involved?" she continued.

"Electricity or dope?" I asked.

"Nope. All natural" she avered.

I still didn't bite. Peggy let the matter drop for the time being.

Almost a week went by and I hadn't thought any more of the previous conversation. Debbie sat

beside me at lunch one day and said she had some confidential words for me. When we had some privacy, she said I really ought to try Peggy's erotic sensation. I wanted to know more before I'd commit, but aside from assurances the it was, to use an advertising term, safe and effective, she wouldn't divulge details. She thought that once I'd indulged, I'd unquestionably repeat. She said I didn't have to get naked, only pussy access was required, but I might want to grab my tits when I was intensely aroused. Debbie said that after my first time she'd take the treatment again and that I'd have fun watching.

In a moment of weakness, I bit on the lure this time. I agreed to go to Peggy's house and the date was made.

I arrived at Peggy's house with Debbie. Only Peggy and Ozzie were there. Ozzie barked enthusiastically when we went in and did a crotch sniff which I didn't think unusual, except for the sustained interest.

The three of us went to Peggy's bedroom and Debbie stripped down to panties. I took off my jeans but left my T-shirt and bra on. I was told to lie on the bed with my butt on the edge and my legs over the side. Debbie sat beside me and said she was going to hold my legs up after Peggy removed my panties. Debbie was getting a little excited. She pinched her nipples and Peggy bared my cunt. She used the squeeze bottle and I got a big glob of honey on my pussy.

"Just relax and I'll be right back" Peggy cooed.

She came back into the room and before I knew it (Debbie had cleverly distracted me) there was a rough tongue slurping at my cunt! Ozzie!

I screamed! Ozzie didn't care. Lap! Slurp! Lap! Lap! Slurp!

I squealed and gasped. Ozzie didn't care. His tongue got in my cunt and found pussy juice to mix with the honey. I screamed again, but now my ass was bouncing on Ozzie's tongue. Ozzie didn't care.

God, I was hot! I pushed up my bra and squeezed my tits. Debbie was right about that! Ozzie was licking deep in my cunt now and I announced that I was going to come. Lap! Slurp! Ozzie didn't care. I began a screaming orgasm. Ozzie lapped it up. Peggy pulled Ozzie back as I came down.

"We'll wait a minute for phase two" Peggy said, "You alright now?"

I was still panting, but coming down gradually. Peggy told Debbie to bring my legs up further. She used the squeeze bottle and I got a large glob of honey in and around my asshole.

"Not in my ass!" I screamed.

"Oh, yes, Baby, you'll love it!" Peggy proclaimed.

Ozzie loved it! Lap! Lap! Slurp! Slurp!

I screamed! Ozzie didn't care, Slurp! Slurp! His tongue forced my asshole open to get every bit of honey and search for more.

I was so turned on by this, my ass was bouncing again and my hand went to my cunt. I was juicy again and Ozzie knew it. More good pussy juice! Lap! Lap! Slurp!

I was going to come again and said so. Ozzie didn't care. After my squealing orgasm, Peggy took Ozzie out of the room.

Debbie got on me, kissed me and rubbed my pussy.

"OK now Baby?" she asked.

"I don't know" I murmured, "I'm in shock".

"You get to hold my legs up now" she enthused, "you can get a good look at the action".

In a few minutes I was back to near normal and Debbie spread out naked on the bed. I was to tell Peggy that we were ready.

"Ozzie had to pee and drink some water" Peggy said when they returned, "he'd have jerked off if he knew how. I think he's ready for some Debbie ass now."

Peggy gave Debbie honey in both cunt and asshole and I held up her legs for the job.

"Here you go, slut! Take this!" Peggy said as she brought Ozzie to the honey pot.

The lapping and slurping was renewed with vigor. I sure had a view of it I'll never forget! Ozzie's tongue was long and artful.

He got amazing penetration in both Debbie's sweet spots. Debbie bounced herself to a noisy orgasm.

Peggy took Ozzie out. Debbie drew me down to her to kiss. She sucked my tits and held me. When she was ready to break the embrace, I gave her some tit suck and pussy rub. Peggy returned alone.

"Everyone have a good time?" she asked.

We mumbled something vaguely positive. Peggy had brought a round of cokes and snacks. Since we were hanging around naked,

Peggy asked if we were interested in more play. Not for me.

"Now Ginny, you get to choose the next girl for Ozzie. Any ideas?" Peggy asked.

I thought for a while. Should I ensnare another girl in this evil scheme?

"How about Janice?" I ventured.

"The Princess? Oh, good choice!" Debbie enthused, "and we'll all work on her. I'd love to watch Ozzie eat her out!"

So a week or two later, there I was telling Janice that she really ought to try Peggy's special treatment and that I'd do it again right after she did. I thought to myself that there's joy in connivance!
