BEASTIALITY STORIES

Jessi was having a tough time as a teenager. Her parents had just divorced, and so Jessi was left living with her dad to finish the school year while her mom moved out of town. Jessi's dad was never home; he worked late at the office and then went to the gym for hours afterwards, or so she thought, at least. In reality, Jessi's dad was fucking one of the interns at his work in various offices, board rooms, cubicles, and bathrooms, as well as the cafeteria and lobby desk. After Bob and the slut intern Leigh were finished fucking, which was well into the night, they often hit up the bar for some drinks.

Meanwhile Jessi was at home, tending to the house and keeping an eye on their Golden Retriever-ish mutt named McGee. The sandy haired, freckled 14yr old girl was never into dogs; she'd wanted a cooler pet, like a snake or an lizard. Not an annoying, slobbery, smelly, large, furry, humping beast. She'd been embarrassed by the dog's humping on so many occasions...

Around the neighborhood the dog was known as "Humpy" because so many neighbors had seen the dog jump up on Jessi and start humping her while she was outside in the yard with the dog or trying to walk it. At her birthday party, just as she was bent over and about to blow the candles out while surrounded by her friends from school and relatives, the dog jumped up on Jessi's back and started humping at her ass, humiliating her while everyone nervously looked away or laughed. Even her parents laughed!

As she answered the door for some Trick or Treaters last Halloween, the dog jumped up on her back and started humping at her while the costumed children giggled and pointed. A couple months ago, Jessi finally gathered the courage to tell her crush — a neighborhood boy who was also in many of her school classes — that she had feelings for him. Right as she was pouring her heart out, McGee jumped up and started humping her leg and then trying to jump on her back while the boy Jessi liked just giggled and later told everyone else at school. Jessi hated the dog.

Then there was the day Jessi was babysitting a neighbor's child when she walked out of the living room for a moment and upon returning was horrified to see McGee mounting the girl she was watching. Jessi quickly pulled the dog off and apologized to the girl, but the little girl just giggled. McGee then started humping Jessi as Jessi tried to kick him and push him away. Jessi hoped the girl wouldn't tell her kindergarten class or her parents about the babysitter's bad dog!

Jessi's father and mother had bought the animal as their marriage began declining. They thought maybe a dog would bring joy back to their lives, but the dog turned out to be hyper and annoying, and since Jessi's parents began to put all their focus on their shitty marriage they never bothered to properly train the dog or give it the attention it needed as a growing puppy. Now almost 2yrs old, McGee was ill-mannered and constantly trying to find a hole for his dick.

Bob thought it was funny when the dog humped his daughter; it also inspired him to go to his room to masturbate furiously. It was sexy, pathetic, and hilarious all at the same time. Jessi didn't think it was sexy or funny at all. She was quite annoyed and always mortified when the dog tried to mount her or others. Just the other day the dog tried to mount her while she was at the door signing for a package. The deliveryman couldn't help but get hard at the lewd sight.

The dog was so out of control that Jessi would smack him and push him away and it did nothing, he'd come right back at her. Not like Jessi was very strong; she was only around 90lbs or so. She would come home from school and there he would be, waiting for her. Jumping up at her, wrapping his arms around her waist and humping at her thighs. Jessi was disgusted, frustrated, and so resentful.

Jessi didn't realize just how out of control the dog was until one day after school, a day that changed her life forever. Since it was a hot day, she decided to cool down by jumping in the shower.

Goosebumps broke out all over her petite body, her small pink nipples stiffening in the cool stream of water as she lathered herself up. A fine layer of golden pubic fuzz was beginning to cover her puffy mound. She was still sexually inexperienced, not even kissing a boy yet. The damn dog had thwarted anything between her and her only crush, and she was still resentful about it.

Meanwhile McGee had crept into Jessi's room while she was showering. As usual, her dad was balling the intern at the office — at that moment fucking the intern as she stood up against a soda vending machine. Jessi stepped out of the shower, wrapping a towel around her body and another around her sandy blond hair.

When she stepped out of the bathroom, she cried out as she felt McGee suddenly jump up on top of her, nearly knocking her over. The towel around her body fell into a pile at her feet. Jessi cursed and swatted the dog away as he wrapped his legs around her thigh and started humping at her. She kicked him off, swearing at the dog. He whined and immediately jumped at her again from behind.

Jessi shrieked as she felt the dog weigh her down, clamping its forepaws around her skinny waist. She struggled to break his grip, but he held to her tightly. His hips were thrusting at her naked ass. The struggle continued as McGee pushed Jessi around her bedroom, finally toppling her over so that she was on her hands and knees on her floor. Jessi grunted as she hit the floor, the carpet scraping up her knees and elbows.

McGee was instantly on her back once she was down. His front paws wrapped tightly around the girl's hard abdomen again, and Jessi screamed as she felt the dog's hips thrusting at her butt. She was still wet from the shower, and was getting sweaty and breathless as well. In her futile attempts to get away from the humping beast, she was crawling around on her bedroom floor as the animal's tried desperately to find her virgin hole!

Jessi was absolutely terrified. Adrenaline was flooding her body, her heart racing, her small tits jiggling as she struggled. She was crawling towards the doorway, but the beast was holding her tightly, holding her down, pumping his hips at her butt. She screamed again as she felt the dog's hard prickhead poking from its sheath, pressing into her buttcheek. Jessi was a virgin — she didn't want to lose her cherry to the mutt she hated so much! She especially didn't want to feel the cockhead so close to her asscrack and asshole!

Her screams filled the empty house as McGee continued holding her down and thrusting at her. She was trying to crawl out of his grasp and pry his forepaws off of her, but he held to her tightly. Jessi was shaking with fear and exhaustion from the struggle. McGee panted on her back, wildly thrusting his hips at her ass now. Tears began falling down Jessi's cheeks as she felt the steel hard dog knob trailing down her asscrack. The animal's prickhead was as hard as a bone!

Jessi grunted as the cockhead pressed down her asscrack, for a moment poking at her tight puckered asshole. She gasped as she felt the hard dog meat nearly opening her asshole up, and she squirmed to get the dog cock away from her anus. The dog kept thrusting his hips at her, his prick trailing further down her crack. She groaned as the hard dick poked at her perineum. Jessi's head was spinning, her chest heaving, her belly getting scratched up from McGee's claws. She hated the dog more than ever!

The prickhead poked further down, right outside the entrance to her pussyhole. Jessi's screams echoed through the house as the prickhead began pushing into her soft cuntlips. She squirmed, but the mutt continued holding her down. Once the animal felt the heat of the girl's teen cunt hole, his thrusts became even more intense. The dog knew his prick had reached an orifice. A bitch hole to fill with seed. Jessi was howling, feeling the hard prickhead rubbing all around her cuntlips. She was

trying to buck the dog off of her, but was really succeeding in helping the animal better enter her pussy.

Suddenly, the head of the dog cock delved a couple inches into Jessi's virgin hole and instinct took over. McGee began pounding at Jessi with a ferocity unmatched by any human, his cock instantly beginning to grow. Jessi cried as she felt the dog taking her virginity from her. The prick wasn't big at all when it entered her tight cunt, but she could feel it starting to grow and reach deeper into her womb while the dog pounded away on top of her like a jackhammer.

Jessi's small tits swung wildly while the dog penetrated her. She was getting nailed on the floor, the animal pushing her all around on the carpet with its forceful thrusts. Tears flowed down Jessi's face as the bone hard prick stabbed her cunthole. She felt it jabbing her cuntwalls, trying to get deeper into her. The pain of her first penetration was dulled with the overwhelming shock of being raped by a dog. She felt a sharp pain as her hymen was torn, but it subsided quickly.

There was a floor length mirror in her bedroom, and as McGee pushed her closer to it she could see the image of the large, panting mutt draped over her back, rutting away inside of her cunthole. Jessi gasped. The sight in the mirror was kind of sexy. She admired her growing tits as they bounced with McGee's thrusts. Shivers broke out all through her body as the dog's balls slammed at her pussy gash again and again. Despite her shock and disgust, Jessi couldn't deny the pleasurable feeling of pussy penetration.

The sounds of the dog cock squelching in her teen cunt began filling her bedroom. McGee was intensely pounding Jessi, finally succeeding in getting his prick into a bitch hole and giving it all he had, which was quite a lot! Jessi grunted with the forceful fucking she was getting. McGee continued thrusting wildly, still pushing Jessi all around the room.

Soon she couldn't deny the pain that she was beginning to feel as the cock meat grew even larger inside her 14yr old pussy. Jessi was howling while the dog's knot began to expand inside her. She was unaware of the phenomenon of dog knotting, and didn't realize her pussy was being plugged up! Her cries intensified as the prick reached into her cervix, seeking to deposit a huge load of cum into the young womb. McGee held tight to his bitch, clawing up her porcelain skin. Jessi's face was red and wet with tears as McGee continued thrusting himself as deep as possible. The knot was pushing further into the bitch, sealing the cock up tight inside her. Jessi could feel the dog's balls pressing against her gash.

Suddenly, Jessi realized McGee was slowing down. Her breasts swung to a stop as McGee became still on top of her back, panting hard in her ear. She grunted as she felt his cock twitch deep in her womb. It must be right inside her uterus, she thought! Trying to fertilize her eggs! McGee's forepaws were still clamped tight around Jessi's belly; she was still trying to pry them off of her. Her cunt was so stuffed! Jessi had never even masturbated herself before — never experienced any kind of penetration or genital stimulation until now!

As McGee slowed to a stop, she reached down to her fat pussy mound and rubbed it — it felt stuffed! She could feel the dog cock swollen inside of her when she rubbed her cunt mound! Her hand rubbed her abdomen, and that felt stuffed with cock, too. Jessi gasped — the dog dick must be reaching into her belly!

Then she felt the cock twitching some more, planted firmly in her womb. Jessi cried out as she felt the dog cock begin to erupt inside of her pussyhole. Hot sperm gushed out of the animal's steel hard prick and into Jessi's hole, flooding her insides. She moaned at the feeling of being so full of sperm. McGee held her tight as he unloaded his seed. The dog had been craving a bitch for so long! There

was plenty of sperm that he needed to release!

Jessi could feel the overwhelming flood of cum filling her up and starting to ooze out of her pussy and down her thighs. She moaned at the throbbing, exploding dog cock. The animal continued releasing torrents of hot sperm inside Jessi's womb. McGee had needed to cum badly for way too long! Her tears continued flowing as the dog filled her up so full, to the point where she felt like someone's fist was inside her. She couldn't believe the dog was ejaculating inside of her — she was a human, not a dog! What a horrible pet!

She rubbed her eyes, hating the dog more than ever. The cock was still throbbing, still spurting some last jets of semen into the bitch hole. McGee's knot held the majority of the cum inside Jessi's hole, but some still leaked out around the knot and down her pussy and thighs to the floor. She moaned, her pussy so stuffed! Jessi was afraid she was going to faint with the intense pressure in her loins, her cunthole so tight and so full of meat and sperm. She closed her eyes, her head spinning, feeling dog cum oozing out of her pussy.

Jessi started sobbing again, realizing her virginity was lost to the damn dog she hated so much. She resented the animal making her his bitch, resented the sperm leaking from her pussyhole. McGee was still panting hard on top of the teen girl. His cock was knotted securely in her cunt. Jessi wiped her tear stained face, looking underneath her flat belly to see the cum dripping out of her plugged pussy.

Her pulse raced as she suddenly heard the front door opening then closing. Dad must be home! Jessi gasped, squirming under the big dog. It was completely futile. McGee stayed knotted firmly in place, panting and drooling over her back. It hurt to try to get the dog cock out of her cunt, so Jessi stayed still and hoped her dad wouldn't come near her bedroom. To her horror, she realized the bedroom door was wide open from her struggle earlier to get out of the room and away from the humping dog.

McGee heard Bob arriving home and rustling about in the kitchen and started barking while tied to Jessi's cunt. Jessi tried to shush him and keep him calm but it was no use. She heard her father's footsteps start coming down the hall. McGee heard them, too, and started trying to pull away from Jessi to greet Bob. The dog panted and Jessi grunted as the prick pulled around inside her cunt, cum sloshing around inside of her guts.

"Jessi? Is that you? McGee?" called Bob from down the hall. McGee whined, pulling Jessi toward the doorway. She shrieked as the dog stepped over her back so that he was ass to ass with her, his knot still lodging his prick up in her womb. A puddle of dog sperm was forming on the floor and crusting on Jessi's taut thighs. She struggled to get away from the dog, but the knot was still tying them tightly together.

"No, bad dog, stop... No, please..." moaned Jessi as McGee pulled her out of the bedroom and into the hall, right into the path of her father.

"Jessi! Jessi, what the fuck!" exclaimed Bob at the sight that just came out of his 14yr old daughter's bedroom. He was shocked, and already getting aroused. There was sperm dripping out of Jessi's pussy! She was ass to ass with the dog! The dog was knotted in her cunt! She's a dog's bitch!

"Dad, the dog raped me, I swear to God, I took a shower and the dog fucking raped me! Help me! Please, it's disgusting, he spermed up in my pussy! Daddy, please, I was a virgin! I swear!" wailed Jessi as she looked over her shoulder at her dad. Bob's eyes were on his daughter's knotted cunt. The dog was struggling for release, but the knot was still too swollen to pull out of the tight hole.

"Wow, Jessi, I cannot believe this. I cannot believe you're fucking the dog. What a slut! I have friends at the office that will pay big money to see you fuck that dog, though! And suck him!" exclaimed Bob, his prick hard as steel in his trousers. He was really glad he decided to cum home when he was done fucking the intern instead of going to the bar.

"Daddy, please, no..." moaned Jessi weakly. McGee struggled to get out of her again, making Jessi cry out as the knot pulled on her delicate pussy meat. Cum continued oozing around the knot and down to the carpet below. Jessi screamed as she heard the sound of a zipper being released. Looking over her shoulder, she was mortified to see her dad pull his big, uncut 8" meat from his pants.

Jessi swallowed hard as she saw her dad start pumping his dick at the sight of her knotted pussy. McGee whined again for freedom, but his knot was still not small enough to get out of the tight hole it was in. Both Jessi and the dog tried to break free from each other as Bob walked further down the hall, but the result was just more cum leaking out of Jessi's hole.

"Damn, this is hot! I wish I'd known you were a dog fucker -"

"Daddy, I'm not, he raped me! The stupid dog raped me, I swear -"

"Now, Jessi, you don't have to hide it from me or lie about it, okay? I think it's fucking hot! I have friends who'll pay big money to see this, even just recorded. Shit, probably get a fortune to watch it live, though!"

"Daddy, no!" yelled Jessi, crying again. Her head was turned, eyes on her father's big, thick dick with its angry purple cockhead. McGee panted, cock still lodged in place.

Bob continued jacking his dick at the sight. Even though he'd just dumped some cum in the intern at work, he was ready to burst again at the raunchy dog sex in front of him. His 14yr old daughter knotted, mated like a true bitch! He shuddered, his balls tightening. Jessi's teary eyes were on his with fear and humiliation as the dog pulled again for release. She groaned with the pressure in her abdomen, feeling the dog dick starting to slip out of her a little.

Suddenly, she felt warm globs of cum spurting on her face and her back and realized her dad was ejaculating all over her! Bob grunted, his cock exploding thick ropes of cum all over Jessi's back and face and hair and on the dog, too. His breath was ragged as he continued squeezing jets of sperm all over his teen daughter. He smiled at her when he was done. His cum sparkled all over her naked body.

"Dad, fuck you!" yelled Jessi. She then grunted as McGee pulled harder for freedom from her twat.

"It's okay baby, I won't tell your mother, if that's what you're worrying about," he smiled.

Jessi screamed then as McGee struggled once more to pull the knot and cock out of the teen bitch and finally succeeded. A river of dog sperm flooded out of Jessi's cunthole, her cuntlips engorged from the intense dog sex. Her pussy, asscheeks, and legs were all slimy with dog cum, and her dad had cum all over her face and back! Jessi scowled up at her dad as McGee panted, his huge cock and knot finally free. It looked like his prick was at least 8" long, and the bulbous knot at the base of it was at least the size of a fist! Dog cum oozed from Jessi's cunt into a puddle in the hallway. Bob's eyes flitted from his daughter's gaping cunt to the dog's huge, slick meat.

"Now suck it clean, baby," said Jessi's father.

"Dad!" she cried.

“Go ahead, I’ll give you fifty bucks,” he grinned. Jessi shuddered, already thoroughly disgusted. With dog cum oozing from her pussyhole, she got to her feet and walked into her bedroom. “Jessi, seriously — don’t you turn your back on me!” Bob said, raising his voice as she started shutting the door. He stuck his foot in the door before she could close it. His prick and nuts were still hanging out of his pants after he unloaded all over his daughter.

“Dad, get out!” yelled Jessi. “Leave me alone!”

“Jessi, don’t take that tone with me!” yelled Bob. Jessi suddenly grew fearful as her dad’s voice grew louder. She just wanted to shower — she felt so dirty, humiliated, and debased. Bob reached out and grabbed Jessi’s arms hard from behind. She cried out as he pushed onto her belly on the bed. Bob shuddered at the feeling of his naked daughter’s body beneath him. He admired her firm asscheeks, and the golden fuzz on her dog-sperm covered cunt. Her cuntlips were so pink, so swollen... Her little tits so firm, the nipples looking so succulent.

“Dad, what are you doing? Stop! No! Daddy! Come on, stop this, please... Daddy!” screamed Jessi.

Bob ignored Jessi’s cries, overwhelmed with lust. His prick had stirred again as he gazed at Jessi’s nude teen body before him as he held her face down on the bed. He struggled to pull his pants off and kicked them into a pile by the bed. Her pussygash was so slick with cum... Cum was drying on most of her body. Bob pushed himself on top of his daughter, and she shrieked as she felt him pressing against her. She felt his meat against her buttcheeks, his cock stirring to life.

“Shhh, it’s okay, baby — calm down...”

“No, no please, Daddy, don’t rape me, no...” cried Jessi hysterically.

“Baby, come on now, you just fucked the dog — what’s wrong with fucking your old man?” Bob said in his daughter’s ear. He straddled her nude body, holding her down. Tears ran down Jessi’s face.

“Dad, no, I can get pregnant if you rape me, please, no...” wailed Jessi. Bob paused. This was true... He didn’t want to deal with an unplanned pregnancy. His prick in hand, Bob pressed his cock against the tight puckered asshole of his teenage daughter. She screamed when she felt his huge knob parting her anus.

Jessi groaned — it began to feel like her ass was getting split open! Her dad weighed her flat against the bed, her face in the pillows, tears staining the sheets. Bob grunted and pushed inches more of his cock into her asshole. She was so tight! He couldn’t believe it. Luckily there was enough dog cum to lubricate his fat cock.

His prick delved further into her shitter, making more dog cum leak from Jessi’s hole. She grunted beneath him, in shock after first getting raped in the cunt by the dog and now raped in the ass by her dad! Jessi’s cries were muffled by the pillow she was pressing into. Her dad shoved his rod further into her bowels, filling her chute, aiming to cum in her guts.

Bob stayed still a moment when he finally got all the way in his teen daughter’s rectum, shivering at the constriction around his uncut cockmeat. Jessi’s body was shuddering with sobs, and that made her tight, quivering ass feel even better around his dick. After a few moments, he began pulling his cock out of her asshole before forcing himself back deep into it. Jessi cried harder. Her dad built up a fast pace slamming his cock in and out of her ass, pulling hard on her insides with his forceful thrusts.

Suddenly Jessi felt more weight on the bed and then heard her dad yell out. She heard panting, and

her dad was cursing and thrashing around with his cock still lodged in her rectum. Jessi turned her head and saw McGee on her dad's back, thrusting at his ass! Bob was trying to swat the dog off his back so he could keep fucking Jessi's shitter, but McGee was putting up quite a struggle to get back inside a hole! Bob grunted and cursed, Jessi squirming beneath him as the dog jumped on top of him.

Jessi shrieked as she felt even more pressure in her asshole — the dog was starting to fuck her dad's ass while her dad's cock was in her ass! Bob was howling and trying to push the dog off him even as McGee's cockhead began parting Bob's anus. Jessi grunted as more weight pushed her down. She squirmed and writhed beneath her dad with his cock buried in her shit chute.

Bob, trying to fight off the dog, couldn't keep Jessi from squirming out from underneath of him. They both groaned as she struggled out from below, her dad's dick pulling out of her ass. McGee was holding tight around Bob's waist, thrusting at his ass. Bob was grunting and Jessi could tell by McGee's manic pace that the dog's cock was growing inside her dad's rectum.

She got to her feet and punched her dad in the face while he was getting screwed by the dog. Bob grunted and felt his eye welling immediately, and stared dumbfounded at his daughter with his mouth agape while his dog penetrated his anus intensely. Despite getting fucked against his will by a dog, Bob's cock was still hard. He gasped, ultra-aroused.

Jessi ran out into the living room and grabbed the camera, snapping a bunch of pictures that she'd keep for blackmailing purposes. She captured the dog fucking her dad's ass with video, and took many pictures. There was video of Bob jacking his cock off as the dog fucked him in the ass — Jessi made sure to capture her dad's cum shot, his spurts of cum exploding all over while getting nailed by a Golden Retriever.

After Bob came, McGee came soon after. Jessi knew from Bob's intense groans and grunts that the dog was knotting her dad's rectum, about to spew sperm into his guts. Bob howled when he felt his ass filling with dog cum. The dog's nuts were pressing against his ass. Bob shuddered. Jessi finished filming, making sure to photograph the puddle of cum that was leaking from her dad's ass and onto her bed.

McGee stayed knotted to Bob's ass for nearly a half hour. When he finally pulled away, Bob gasped with the pain of the knot tearing out of his asshole. He rubbed his cum-leaking ass while Jessi giggled.

"Damn dog!" yelled Bob as McGee went off to lick his deflating dog meat.

"Told you so!" Jessi said, nodding. Though she was definitely glad the dog ended up raping her dad, too!
