## BEASTIALITY STORIES

(c) 2004 by Tom Land

Marie Osmond had had literally several hundred lovers in her life. She'd even fucked her own dog and led her good bisexual friend Allison to fuck some of her own canine lovers. But this time, one of Marie's male lovers had another idea in store for her — Marie was going to get fucked by a juvenile male gorilla. His name was Harry — which seemed appropriate since his developing body was, of course, entirely covered with his deep dark black gorilla fur.

Harry was rapidly gaining sexual experience since he'd been used to fuck and fertilize several female gorillas in a breeding program, but he'd never been used to fuck a human being. His master had arranged with Sid, Marie's lover, to provide Harry for an evening when Sid would manage to get Marie restrained where they could let Harry do his sexual thing with Marie.

There was one thing for sure about Harry the Gorilla. He was one heck of a well-endowed male creature. His cock was easily aroused when he found himself in a sexually suggestive situation and his cock would grow hugely hard and thick, nearly instantly giving him the tool to mount, fuck and fertilize any female he was allow to fuck.

Sid went to Marie's house and within an hour he'd given her something to make her woozy but not to slip into unconsciousness. He didn't want Marie passed out when Harry got a chance to slide his big hard ape cock insider her hot pussy, he just wanted her to cooperate and let it happen.

Marie was shackled because Sid wasn't sure how well she'd accept getting fucked by an ape's cock and he's positioned her on the edge of her own large king-sized bed. Marie's body was totally naked, and he had tied her ankles so that he legs were slightly spread and her pussy was more than apparent and readily accessible to Harry's sexual approaches. When the moment had arrived, Sid gave the signal to Harry's owner/trainer and Harry was brought into Marie's bedroom.

Instantly Harry knew what was in the offing and Sid could see that his large gorilla cock had started growing to full erection. Sid wasn't sure but he could tell that Harry's cock was well over 12 inches long, maybe longer and very thick and very very hard when fully aroused.

Sid just about lost it when Harry's trainer pointed him in the direction of Marie's nakedly displayed body and gave him the command — "Fuck the bitch, Harry. Fuck her."

Without any hesitation, Harry sauntered forward eagerly to Marie's body, his now totally engorged ape cock bobbing between his legs as he leaned over behind Marie's ass and sniffed to ensure himself that this was indeed a female bitch in heat waiting for him to service her. Harry loved a female's hot horny pussy and he licked his tongue over Marie's naked cunt, loving the taste of hot female juices on his lips and tongue. He was hot to fuck and he was ready to give this female everything he had between his legs.

Sid and Harry's owner loved the erotic hotness of what they both knew was about to occur. Harry's owner was particularly interested since Harry had never fucked a human. But he was pretty sure that Harry was savvy enough in his own gorilla sexuality to do this scenario justice. Sid just wanted to see his lady lover, Marie Osmond, getting shagged by an overly sexed and very well-endowed male gorilla. He wanted to be able to see the aftermath of her being fucked by a gorilla seeping from her hot pussy when Harry had finished with her.

Harry began bucking his dark furred hips back and forth even before he mounted Marie to fuck. He cock was large and fully erect and he moved up behind Marie's nakedly splayed thighs, instantly sensing where the full swollen head of his ape-cock was supposed to go. There was nothing of finesse about Harry's sexual intuition, however, and the instant he realized he was properly

from her face-down prone position into a front-facing position on his hairy lap with his cock buried inside her tight cunt. Holding Marie by her waist, Harry began pumping Marie's tight wet pussy up and down on his cock, almost like he was using Marie to stroke himself to another explosive orgasm. Marie was just along "for the ride" literally. Harry was fully in control, and in about 10 minutes, his second jizz load blasted powerfully out the length of his cock and blew deep up inside Marie's waiting pussy. The ape-lover wasn't finished, however. He had at least two more full jizz loads in him and Harry never quick a fuck with a female until HE WAS FINISHED. Harry picked Marie up and pushed her forward over onto the bed again, and quickly slammed his large engorged cockhead into her very wet, very sloppy and very cum-filled wet pussy. And he began driving his cock in and out of Marie's hot soaked cunt like he'd never fucked another bitch before.

Harry was like a huge larger than life fucking machine. Sid couldn't believe how the large male gorilla possessed Marie Osmond's body so completely. The ape had fucked her in the position he'd first found her. Then he'd moved back on his large muscular haunches and fucked her up and down on the length of his pussy-filling cock until he'd blasted her cunt full with his ape jizz. And now he was bent over Marie's body as she lay forward onto the bed like a large man or male dog fucking its bitch from behind. Marie had been so well fucked by this point that she was simply a fuck toy for Harry. She moaned and writhed underneath the cock thrusts Harry was driving endlessly in and out of her cunt and then Marie began orgasming uncontrollably and Harry didn't let up one bit as he pumped his huge thick ape-cock in and out. In and out, in and out for nearly 45 minutes. Marie had never been so well fucked before.

Harry suddenly went almost out of control in his fucking with Marie. It was as through his first two ejaculations had only taken the edge off his full load of jism stored inside his large gorilla nuts. As she'd mounted Marie's naked ass and pussy from behind like a large male dog would its bitch, Harry felt his engorged cock slide in between the still hot wet lips of Marie's pussy and then he'd swung into action. This third copulation with Marie Osmond was even more erotic and literally wilder than the first two. Again, Harry was feeling his hot male juices flowing throughout his body and as his large aroused cock was pounding Marie's pussy like a jackhammer, Harry leaned up from where he was holding onto Marie, and as his pelvis continued to jack back and forth, Harry let out a victorious bellow that would have awakened anything sleeping in his native jungle. He had conquered this female bitch completely and as Harry fucked Marie's pussy hard and fast, her body was literally swung back and forth underneath the large ape where her body was connected to his by his cock fully embedded inside her pussy. Then, feeling his cum arriving a third time, Harry almost acted like the wild beast he was as he felt his nuts cut loose and spurt jet after thick hot jet of gorilla jizz into Marie's pussy. He suddenly pulled his cock out of her cunt from his wild thrashing and his long wet cock continued to spurt jizz all over Marie's hair, her naked back and her red worn out but rounded white ass.

Sid was more than pleased with the fucking Harry had delivered to Marie and he paid Harry's owner double the originally agreed upon sum and made him promise that Harry would make a return visit — soon.

*The End*
