BEASTIALITY STORIES

It started as a typical, blistering, summer, in the Arizona desert. I was starting my second summer as a wrangler at a local boarding stables. I had gotten pretty good at handling the horses, in fact, most people would say that I had a special talent for the work. Horses never gave me any trouble, not even the most spirited stallions. It seemed that they instinctively knew that I would never harm them.

About a week into the new season, we got a new stallion. Stretch was sixteen and a half hands tall, very well built, and exceptionally spirited. As soon as he was out of the trailer, he started romping and stomping at everything and everyone around him. Six of the hands ushered him into a corral and closed the gate, and got away from him as fast as they could. "What is all the commotion about?" I ask one of the men. "This horse is crazy!" He began, "Nobody can handle him, so they brought him here to be put down." Put down?!! I could not let them put this beautiful animal down without at least trying to help him. "Why are they going to put him down?" I asked Sam, the ranch boss. Sam said to me, "Nobody has ever been able to get near Stretch. Especially, men. He has stomped and injured two men, and nobody wants to deal with him, so his owner has decided to destroy him."

I thought about what Sam told me about Stretch for the rest of the day. Stretch was the most beautiful Palomino stallion I had ever seen. I had to try something, so I walked over to the corral where Stretch had been confined. As I approached the corral, Stretch seemed to know that I was there to visit him. He came to the gate and pushed his head over the rail toward me. It was then that I saw it. As I looked into Stretch's eyes, I saw a plea. He seemed to say, "Please, help me. I know that you will come to understand me, so, please, help me!!"

I went back to Sam's office and asked if he thought Stretch's owner would sell him. Sam said that he did not know but he would call them and ask. Then he looked at me as if I was crazy and asked, "What would you want with a crazy horse like Stretch?" I told him that he would not understand, but it was something I felt I had to do. A couple of minutes later Sam, with one ear in the phone asked me if I could pay \$750.00. I told him that I could, but I would need to borrow a trailer to take Stretch to my home. He agreed to let me use his trailer, and five minutes later I walked stretch into the trailer alone, without incident. Everybody watched in amazement as Stretch just followed me to the trailer and entered, without me even holding his lead rope.

I got Stretch home and took him into my barn. He walked straight over to the wash pad and waited for me to give him a bath. I washed him down and as I got close to his cock, he let it hang out, for me to wash, as well. As I washed his cock and balls, Stretch worked his way toward the wall. I started to walk behind him and he suddenly pinned me against the wall with his ass. He moved his ass up and down until he had forced me down low enough that my face was even with his asshole. He then lifted his tail and pushed back, forcing my face into his ass. I could not move. He was not hurting me, and he kept rubbing his asshole on my lips. After a couple of minutes, I got the hint. He wanted me to eat his asshole out. As I ate his ass out, Stretch knickered and whinnied and farted several very long farts. About fifteen minutes later, he let me up. I was a little overwhelmed, so I sank down and sat on the floor.

It was at this point that I noticed that Stretch had a raging hard-on. As I sat on the floor, Stretch moved so that his giant cock was hanging in front of my face. I did not need any more hints about what he wanted. I lifted the head of his cock to my mouth and licked the drop of pre-cum that was dripping out of his piss hole. It actually tasted good. I took the head of his swollen member into my mouth and sucked for all I was worth. I could not get more than the head of his twenty inch tool into

my mouth, so as I sucked, I stroked his cock with my hands. Before long, Stretch was shooting his hot cum into my mouth. I swallowed as fast as I could, I did not want to miss a drop. I had never sucked a cock before. I never considered myself as being gay. I even had a girlfriend who I planned to marry, But I could not resist sucking Stretch's cock. I knew things were going to be very complicated. I wanted to get married, and I wanted to suck Stretch's cock whenever he would let me. I was wondering how I would be able to work things out when I noticed a shadow move over me. It was my girlfriend!! I was totally, busted!!

I was trying to think of something to say when Jessica sat down beside me and hugged me. "I have always loved horses, and have always had fantasies of doing nasty things with them." I couldn't believe what she was saying. Then she continued, "I have also, always wanted to marry a man who would not only allow me to do things with horses, but do these things with horses himself, as well." It was at this point that I realized that Stretch was not acting crazy, like he did whenever anybody but me was near him, Stretch had accepted Jessica, as well. Things were not going to be as complicated as I had thought.

Stretch's cock was getting hard again. Jessica looked at me and said, "I want to watch you suck him off again. I missed everything before you pulled his cock out of your mouth. So, I want to watch from the beginning." I started to suck Stretch's cock again. After a few minutes, Stretch pulled his cock from my mouth. I was frustrated. I wanted to taste his cum, again, but every time I got my mouth near his cock, Stretch would move away. Jessica came over and tried to put his cock into her mouth, and Stretch still moved away.

I was confused. Stretch's cock was rock hard, but he wouldn't let us suck it. I stood up to see what the problem was, and Stretch nibbled at the buckle of my belt. "Maybe he wants to suck you off." Suggested Jessica. I dropped my pants and undershorts, and kicked them off. Stretch started walking toward a concrete table, so I followed him over to it. I started to sit on the table so Stretch could get at my cock, when Stretch spun me around with his head.

Stretch pushed me to the table and started licking my ass. I bent over the table and spread my asscheeks. Stretch's wet tongue felt great, as it sloppily swiped my asshole. My ass was soaked with Stretch's spit. Suddenly, Stretch lunged forward, placing his front legs on either side of my body, and pinning me to the table with his chest. Stretch moved forward until his cock made contact with my ass. I was terrified as Stretch gently pushed his cock against my asshole. I was helpless, and I thought that Stretch might kill me. He pressed his cock against my asshole, and pushed a little, then backed off, slightly. Then he gently repeated this until the head of his cock gently entered my asshole. Stretch paused for a minute until my ass relaxed a bit then pushed his cock deeper into my ass. Very slowly, Stretch continued to push his cock into my ass, until it was completely buried up my ass. He was so gentle that it did not hurt at all. Stretch fucked my ass until he shot his hot cum deep into my bowels. I felt like my stomach had been filled, from the inside. Stretch kept his cock buried in my ass, until it was completely limp. Then he slowly pulled it out, with a loud popping noise. Stretch's fucking felt so good, I couldn't wait to have him fuck me again.

"That was totally hot!!" said Jessica, "I never knew a man could take a horse's cock up his ass. I want to watch you do it again." Just then, Stretch moved toward me, again. He lowered his cock, and moved it to my face. I took his cock into my mouth, again, and Stretch started pissing. I drank all of his piss, while Jessica watched and fingered her clit.

When Stretch finished pissing in my mouth, Jessica pushed me onto my back. Jessica had stripped naked, and now she was sitting on my face. I ate her pussy until she had several ear shattering orgasms, then she began to piss into my mouth. I drank all of Jessica's piss, then licked her pussy

clean.

Jessica stood up and turned around. She sat back down on my face. She positioned her asshole on my nose, and farted. "Did that smell good?" she laughed, "Here, have another!" She farted on my nose, again. Next, she placed her asshole on my mouth. "Eat my asshole out, until I tell you to stop." She ordered, "Then eat everything I give you." I ate her asshole out, then she began to shit. As my mouth filled up with Jessica's shit, she shouted, "Eat all of my shit, then lick my asshole clean." I ate her shit, then licked her ass clean. Stretch watched intently while I ate Jessica's shit. As I licked Jessica's ass clean, he shot another load of cum, all over us!! Jessica told me to lick all of Stretch's cum off of her, so I did.

The End
