BEASTIALITY STORIES

Tanya was a single mother of a fine little son. She worked two jobs and hardly had the time to spend with him. Her parents didn't offer the young mother any help in her struggles. As for the father, he moved away the day after Tanya had told him that she was pregnant.

She was a lovely young girl who was a very good person and had no problems finding a job as a fast-food restaurant manager. It was a hard job, but it paid the rent and bills. Her other career was at a dog kennel on the weekend.

"Tanya, I need a big favor," Tom, the kennel owner, said, looking at her auburn lying across Tanya's pretty face. He was a kind man that hired Tanya because she reminded him of his daughter, who was killed last year.

Tanya knew his favors paid good money that she could always use. "What's up?" she asked with a big smile as she looked over the 65-year-old man putting her hands on each of her shapely hips. She liked him and his wife; they were kinder than her parents were.

"Betty and I have been planning a trip to the lake, and with the new dog, I can't leave him here or take him with us." He said with a frown on his aging face. "We want to go, and you know I'll pay to watch him," he added, giving the pretty young girl a wink.

Tanya returned his smile and asked, "What do I have to do? Come here every day?"

She hoped she could take him home because she was off for a few days herself and was looking forward to being at home.

"Shoot, you like him, right? Hell, take him home with you tonight. He'd love being with you," Tom said as he gave her a loving pat on her back.

Today was a hot day, and Tanya had worn her bikini top and a skimpy pair of shorts. Tanya was happy he trusted her to take the massive dog home with her. She would feel safe with him in her apartment for the first night since she moved into the place. It was a bad part of town, and it was the only thing she could afford.

"Oh yes! I'll love him for sure now," she replied with excitement in her soft voice.

"I'll feel better with him staying with you and the baby. If it's all right with you when we get back, I want to help you get a better place," he said, moving closer to Tanya. "I care for you and would die if anything ever happened to you," he added as he pushed against her thin hips with his.

She was shocked at Tom's advances, "Um, I g-guess," she stuttered, not knowing what to do.

She loved Tom as a father, yet her young mind raced with desire for the older man. She had been a very sexual girl all her life, and it seemed to get worse as of late.

Her first sexual encounter was when she had just turned 18. It was a hot summer day, so she and her faithful dog Jody had walked to the family pond across their farm. It was very secluded deep in the woods, so Tanya never wore a bathing suit. She jumped in the water, and Jody followed her just like usual. They swam and played until Tanya was tired.

"Come on, boy," she yelled to him as she walked to the grass to stretch out and rest.

She could feel her tiny cunt pinching up so bad today, and she needed to cum in the worst way. Jody lived to be by his owner. He loved her more than he did life. He ran to lie next to her on the soft grass. His long wet tongue licked the side of Tanya's face, making her giggle.

"Stop it before you go, and I get hornier than I already am," she teased, pushing him away, but the big dog flopped on top of the young Tanya and began licking her even more.

She started to play with him, and before she knew what was going on, Jody had a massive hard-on, and it was boring into her flat stomach.

"Holy shit!" she yelled when she felt his long dog cock on her belly. "I've got to see this," she moaned, rolling the big dog on his back to look. "Wow! We could have fun with this big boy," she added, moving even closer to the hard cock. Tanya looked at the big cock with eager eyes, "Wonder if you'd mind if I touched it?" she said, looking at her long-time friend.

He lies on his back with his legs spread for her to see, with his long tongue panting from the heat and excitement.

"What the hell? I don't think my baby would bite me, would you?" she said in the loving voice she used to talk to him with. Her shaking hand moved to the long dog cock. She lightly ran her delicate fingers over it. "Oh wow! It feels so good, and it's so hot," she moaned, placing her head on his chest and began stroking up and down the dog's cock.

Jody lay under her, enjoying the feel of her hand on his cock, but he had other ideas. He pulled from her, standing over her with his long dog cock in her face and his head between her legs; he began licking his loving master's excited cunt.

"Oh fuck yes," Tanya yelled out as his long sandy feeling tongue licked up the middle of her burning young cunt. "That's Mommy's good boy," she said in a loving voice as she reached to hold his long dog cock with both hands and stroked it.

He licked the wonderful juices from her hot cunt, he had been smelling her for the last two years, and now he was tasting her. He started humping his hips as she stroked his long cock. "Yes, that's my good boy," Tanya softly said as she stroked him, enjoying his powerful hips humping into her tiny hands and wondering if he would fit inside her body.

He moved faster until he froze. Tanya couldn't believe her young eyes. At the base of his beautiful cock a giant ball began to form. Bigger and bigger, it grew until hot salty dog sperm shot from deep in his cock. Tanya lay stroking him as fast as she could, letting the cum cover her young body from her breasts down to her burning young cunt.

"Oh my God!" Tanya moaned after he had finished and lay beside her, panting harder than ever. "Wow, now that was fun!" She giggled as she rubbed his cum over her breasts and into her hot cunt. She was on fire now and needed help. "Hey, buster, you're going to help me now!" she said in a firm voice and pulled his face between her legs to her very excited cunt. "Lick it, boy!" she ordered him, and he obeyed his master.

His long hot tongue quickly licked up the center of her hot cunt, teasing young Tanya until she thought she would faint, "Oh yes! That's my good boy," she cried out as her faithful dog pleased every inch of her excited and wet cunt. "Go boy, help Mommy," she urged him on.

Then it hit her, "MOTHER FUCKER!" Tanya screamed out as the most powerful orgasm she had in her life ran through her young body. Her blood rushed to her brain so fast that her head felt like spinning around. "YES! OH, GOOD BOY! Good boy!" she cried out as he licked her with more enthusiasm than before.

Another orgasm rushed through the young girl as the dog licked harder and tried to jump on her, "Hold it, boy!" she said firmly. He had a great idea, but it was getting late, and they needed to get back to the house before it got dark. She sat up, hugging her new lover to her body.

"Maybe tomorrow, my handsome lover boy," she said, leaning into his mouth. He started licking her mouth, she opened it, and the two lovers began kissing each other. Tanya let him lick deep in her mouth as she rubbed his growing cock one more time. His tongue drove her young body wild with excitement even in her mouth.

Tanya walked to the large cage that held Gabriel, a giant mastiff male Stud Dog that weighed more than 215 pounds. Her mind raced, thinking of Jody, her first lover. "Hi. How's my big baby today?" she asked in her soft little voice. "Guess what? You get to come home with me," she added with excitement and wondered if this was a good idea or not. It had taken her over three years of psychiatry to get the idea of loving dogs from her mind.

She opened the cage and walked in, greeted by a giant nose running between her slender legs, sending a long missed feeling rushing through her young body. Her tiny hands grabbed the cage's wire to keep her from falling. "Oh fuck!" Tanya moaned as the feelings tore through her lonely body.

She managed to pull her hands from the fence and moved his massive head from her, now burning cunt. "Easy big boy!" she said in a soft, loving voice. "I'm not supposed to do those kinds of things with you," she added with regret. "If you want to come home with me, you have to promise to be a good boy," she said as she squatted down to hug the massive animal against her body and knew this wasn't an excellent idea.

He gave her a long, slow lick right across her mouth, sending more visions of Jody, her first lover, through her mind. "Oh boy!" Tanya sighed as his long, broad tongue went over her wanting mouth again. This time, the young woman opened her mouth, letting her tongue mingle with his. "Oh shit!" she moaned and pulled her aching body from the large dog. "This is not a good idea," she mumbled to herself and led him from the cage.

Tanya loaded his food and then into her small car, "Well, you two have fun!" Tom said, giving her a very tight hug, and he gave her firm ass a good hard squeeze.

"We will," she replied, pulling from Tom. "You and Betty, be sure and have fun, too," she added, closing her car door and driving to pick up her baby.

Once there, Tanya walked up the stairs and saw a note taped to the door that read: 'Tanya, Fred, and I are taking the baby with us to see my mother. We should be back in a few days. You enjoy your time alone, and be sure you rest, your friend, Callie.'

"Oh fuck! This is going to be great. I can sleep all fucking day!" she said, looking to the car to see her new massive friend looking out the car window. "Well, hope you don't drive me fucking crazy," she said, hoping her old feelings for dogs didn't overtake her mind again.

Once in her small apartment, Tanya pulled off her bikini top and unbuckled the belt holding her shorts, letting them fall to the floor. The heat of the day and the old feelings running through her made the delicate pair of panties very wet.

Tanya walked to the bathroom to shower off the heat and smells from the kennel and hoped the hot water would take her mind off the beautiful stud dog. Leaning over the toilet and into the tub to turn on the water, she never heard Gabe coming behind her.

His big nose ran straight to her burning cunt between her legs, 'LICK.'

"Oh fuck!" Tanya screamed and fell on the toilet, leaving her ass and wet cunt free for the massive dog to lick her.

'LICK,' 'LICK,' 'LICK,' Gabe's long, broad tongue sent Tanya's brain into a frenzy of thoughts.

Tanya struggled to get up, but the shock of his tongue paralyzed her body. She couldn't move or didn't want to. "Stop!" she yelled to the massive dog. "Stop!" she yelled louder at the dog as he enjoyed the taste of this young girl's body. He pulled away and went to lie in the living room.

She pulled herself from the toilet and pulled off her panties. Tanya slid into the hot water in the tub. "Shit, I can't believe he did that to me," she said, closing her eyes and touching her swollen nipples, thinking of her time with Jody.

The next time Tanya had the chance to run off to the pond was over a week. She was going crazy thinking of all the things she could do with Jody and the things he could do to her. She got up early that morning, made lunch, and went as fast as possible.

"Oh God, I've waited too long for this," Tanya said as she pulled off her shirt. "Come to Mommy." Jody came to stand in front of his master. "I have something for you," she giggled, slipping out of her jeans and leaving her completely nude. Tanya moved forward. Jody smelled her scent and began licking her wet cunt.

Tanya fell to her knees, "Wow!" she gasped out and lay on her back, spreading herself for Jody. "Go, baby, it's OK," she told the dog in a sweet voice and patted the inside of her burning thighs.

He moved to her as fast as possible and started licking her tiny cunt. Jody knew where the sweet taste was coming from. His tongue lapped at the small opening. "Oh fuck!" Tanya screamed out as her dog brought her body to a well-needed orgasm. "Go, baby! Fix Mommy, my cunt is burning for you to lick me!" she said in a desperate voice as she twisted her aching nipples.

"Wait, Mommy needs to fix my boy, too," she moaned, pulling his lower body over her face. "Much better!" Tanya groaned out, grabbing Jody's dog cock in her hands. "Mommy needs to feel my boy get all hard for me," she moaned as her hands slipped up and down the growing dog cock.

Tanya was on fire; a hot dog tongue was pleasing her cunt, a hard dog cock in her hands. What more could she ask for. "I want you, Jody!" she cried, moving her mouth to his hard dog cock. Her tongue touched his skin, "Oh fuck! It feels even better," Tanya moaned as she licked and began to suck her dog gently.

She closed her pretty eyes and knew what she wanted to do; she sat on her knees. "Come, baby. Get on, Mommy," Tanya patted her firm ass and took a deep breath. Jody moved behind her, jumping on

her back. He began humping his hard cock at her cunt. "Go, baby! Fuck Mommy!" Tanya moaned as she spread her legs more, and a sharp pain raced through her cunt.

"MOTHER FUCKER!" she screamed out when his long dog cock tore into her tiny cunt hole, tearing open her once virgin cunt. "Fuck Mommy! Yes, fuck Mommy!" Tanya cried out as Jody used her tiny cunt hard and fast. He only knew to fuck this wonderful girl under him as hard as possible.

Tanya rested on her arms, driving her ass and cunt to Jody and his long cock. The long dog cock used her cunt like nothing she had ever thought. It was so good; Tanya was in heaven as he slammed his hard dog cock deep into her wet cunt. "Oh shit!" she moaned and knew she would be exploding around his dog cock any second. "Go, baby! Fuck Mommy's cunt!" Tanya squealed out, thrusting her cunt to meet his incoming dog cock. "OH, MOTHER FUCKING BITCH!" Tanya screamed as loud as she could.

Her tiny cunt began to orgasm around Jody's dog cock. Blood rushed through every inch of the young body. "Fuck me, baby!" Tanya moaned out as he began to lick the back of her neck. All at once, he jumped down and started to push his ass against hers.

"What the fuck?" Tanya asked as she turned to see Jody pushing into her cunt with more force. It hurt. That's when she saw the giant cock knob growing on the base of his cock. He was trying to ram it into her cunt. "Oh yes!" she groaned and pushed into it, trying to get the massive ball inside her tiny cunt hole.

"Go, good boy! Ram it in Mommy's cunt," she said to her loyal pet as he worked to complete his task. But after a few minutes, Tanya froze; she felt hot dog cum injecting deep into her hot cunt hole. It felt like heaven as his hot seeds squirted deep inside her young cunt. The two lovers lie sleeping until later that afternoon.

Tanya stepped from the tub, brushed her wet hair, and went to the nightstand next to her bed. She opened the drawer and pulled out a DVD and a nice long vibrator. "Now you're talking!" she moaned, giving the cunt toy a long lick and walking to her TV. She put the DVD in and went to lie across her bed. "I'm so fucking horny," she moaned, sliding her tiny hand down to rub her burning cunt.

The movie began with a young teen fucked very hard and fast by an older man with a foot-long cock. He rammed it into the young girl's small cunt with no mercy. Her screams filled the darkroom as Tanya moved her long toy deep into her wet cunt. She fucked herself as hard as she could.

Tom and the massive dog had driven her crazy that day; she needed to cum. "Oh, I wish that was my cunt getting torn up like that!" Tanya moaned, driving the toy deep into her aching cunt as far as it would go. Her hips moved up and down as her hands drove it deep inside her body. She was on fire.

Tanya watched the movie as she fucked her cunt, then she got a funny feeling. She opened her eyes to see the massive dog had moved on her bed, and his face was only inches from her dripping cunt. "No, no, baby. Please don't tempt me!" Tanya begged the massive dog. Her eyes looked between his legs and saw the biggest dog cock she had ever seen in her life. It was at least five times bigger than Jody's had been.

Fire rushed through her body as she looked at the massive dog cock; her pussy wanted it. "Oh my God!" she sobbed, knowing she had lost the battle. "Come, baby," she began to cry, patting her thighs and giving the massive dog the OK to take her.

He moved his giant head between her legs to her burning cunt, and he knew what to do as his wide tongue lapped over her delicate folds of cunt flesh. Her brain raced with an excitement she had missed so much. A truly devoted lover between her legs, pleasing her. No mind games, no abuse, and she knew the love of a dog was true love.

"Fuck!" Tanya screamed out as all fight had left her body. She knew this was the only way she ever wanted sex. No doctor to tell her it was wrong, or her family called her a pervert. She loved to be fucked in the cunt by a loyal dog. "Lick, Mommy, big boy!" she cried out, spreading herself wider for her new lover and his incredible tongue.

Tanya humped her cunt to his face. She knew what she needed. His long, fat dog cock rammed up her cunt as far as it would go. Fucking her like she was his bitch in heat. Giving her his wonderful hot seeds in hopes that she would give him a litter of his offspring.

"MOTHER FUCKER!" Tanya yelled out as a powerful orgasm rushed from her cunt to her brain, making the room spin around. He licked faster, straight into her tiny cunt hole, lapping the juices as they rushed from her orgasming cunt. "Yes! Yes!" Tanya screamed, not giving a fuck if anyone heard her or not.

She pulled the panting dog next to her on the bed, rubbing his long, hard dog cock in her hands as she drifted off to sleep.

"Fuck!" Tanya yelled out in the empty house wishing the rain would stop so she and Jody could go to the pond to play. It had been raining all week. Tanya felt like her cunt would explode if she didn't get a good dog cock in her soon.

"Shit, I wonder how long they will be gone?" Tanya said as she paced around her room in a pair of wet panties. "Fuck I need to fuck my boy!" she said, falling to the floor next to Jody. She could tell he was horny for her cunt. He ran his nose between her legs, trying to lick some juices off her cunt.

He turned on his back to show her how hard his dog cock was for her. "Oh baby, Mommy's sorry," she moaned, moving her mouth over the cock, and she sucked him. Her brain raced as he filled her mouth, and she could hear him whine with pleasure. Her fingers moved inside her heated cunt; she needed her boy in her, not her fingers.

"What the fuck!" she got up on her knees, "Come baby! Take Mommy's cunt!" she moaned, patting her ass. He ran behind her, jumping on her, and rammed his long dog cock deep into his master's wet cunt as far as it would go. "Fuck!" Tanya screamed with joy as he tore into her cunt with a force that knocked her face to the cool floor.

He fucked his young master with joy, humping her cunt as hard as possible. He knew when she was happy. Hearing her moans, he knew he was a good boy. "Yes, yes, fuck my cunt!" she screamed more as he rammed into her dripping cunt.

The dog used her like she was his bitch, fucking her tiny cunt fast and deep. "Oh, fucker! Oh, my mother fucking shit!" Tanya screamed again as a powerful orgasm rushed through her abused little cunt. She thrust back into her lover, she needed his hot dog cum deep in her cunt, and she'd be a happy girl.

He jumped from her; turning around, he rammed into her cunt. Tanya knew what she needed; she needed his cock knot deep in her cunt, tearing it open. She rammed back to her lover as hard as she

could; she needed it inside her before it swelled too big to fit.

"Oh, come on!" she moaned, pushing into the knot, but it would go in her cunt. She moved her hand to the knot; she grabbed just below it and pushed as hard as possible. "COCK, SUCKER! MOTHER FUCKING CUNT, BITCH!" she screamed as loud as anyone could when the giant knot tore in her cunt. Spreading her cunt hole wider than she would have ever thought, but it felt so good.

So she was locked together with her man. His soft whining told her that he was a happy dog. Jody started to rock his hips into Tanya slowly; she knew what was coming. A hot load of sticky dog cum deep in her cunt hole. "Go, baby! Cum up, Mommy's cunt!" she cried out with anticipation of his cum filling her.

He slammed back into her, and his dog cock released its load in her cunt, spraying into her body. "Oh fuck me!" she cried out with joy as he filled her full of his seeds. She wished she could have his puppies but knew it would never happen.

Tanya tried pulling him from her abused cunt, but the swelling of his cock knot was still too full, and her cunt had locked around him. She began moving, hoping it would pull from her tiny, sore cunt. But she was locked together just like a bitch dog.

"Oh, I hope this goes away soon," she said, knowing her parents should be coming home soon. "Come on," she moaned, pulling one-way time with no luck. "Fuck! This is just great!" she laughed as fear started to fill her mind.

Jody let out a whine and started to fill her tore up cunt more. "Oh fuck!" Tanya yelled out when his cum shot from his dog cock and deep in her cunt. "I'm cumming again!" she screamed as her little cunt exploded around his shooting dog cock. She shook with delight as her cunt squeezed the giant cock knot.

"That's my boy..," Tanya said, looking to see her father and mother looking on with horror in their eyes. "Oh God!" she moaned, trying to free herself from Jody, but no luck.

Her father rushed into the room. Pulling back his foot, he kicked Jody with all his might right in his cock. Tearing him from Tanya and ripping her tiny cunt wide open. Blood rushed from her little hole as her father grabbed the dog by the neck, dragging him from her room.

"Daddy, no!" Tanya screamed out, trying to get to her feet to try and save Jody. Tanya's father had lots of guns and wasn't afraid to shoot any of his animals that didn't pull their own or if they disobeyed him in any way.

Her mother had a large leather belt swinging it with all her might, slapping across Tanya's body. She ducked and ran to the back door of their house.

'BOOM!' the shotgun rang out, and Tanya saw her dog's life end.

She jumped from the horrible dream; sweat poured off her young body as that dreadful day filled her mind. Tears ran down her face, curling into a ball on her side. She wept harder, thinking of her time with Jody.

Tanya felt warm air blowing against her ass and cunt. Gabriel had come on the bed and was about to lick her, "It's OK, baby," she said, rolling on her back and spreading her legs for the massive dog to

use her. "Lick my cunt, baby," she moaned, patting the side of her thigh.

His big tongue licked right up the middle of Tanya's burning cunt, "Oh mother fucker!" she screamed out as the sandy tongue drove her over the edge. She knew no man would ever please her body or her cunt again. She was a true 'dog lover,' and no one would stand in her way.

"Fuck this!" As she got on her hands and knees, Tanya said, "Come on, big boy!" she yelled to the massive 200-pound dog to mount and fuck her. "Get up here and fuck me with that giant cock," she moaned, feeling him jump on her thin body.

His hips thrust forward, ramming his big 'dog cock' up her cunt with one massive thrust. "Oh my God! Yes! Yes! Yes!" Tanya screamed out as the 10-inch dog cock tore open her tiny cunt hole. "Fuck me! I'm your bitch now!" she cried out, enjoying the feel of his long hard dock cock deep in her steaming cunt. Pumping in and out with no mercy, only the animal drive to shoot his cum into a bitch and makes puppies.

"Oh fuck my bitch cunt! I'm your bitch now," she giggled as her new lover used her cunt hard and fast, wanting to fill her full of his cum, to give her his offspring. "Go, big boy," she moaned out and knew she wouldn't last much longer. She needed to cum around his big, thick, long dog cock.

"MOTHER FUCK!" Tanya screamed as loud as she could when her orgasm rushed through her body. Her cunt locked around her lover. She knew what came next. He jumped from her back, turned around with his ass against hers, and rammed the large cock knot deep into her spasming cunt.

Tanya fainted, but Gabriel kept using his new bitch hard and fast, pumping his cock deep into her cunt. His cock knot held her body up, allowing him to use his bitch all he wanted.

Tanya awoke a few minutes later to feel him still pumping away in her cunt, driving her wild with pleasure. "My kind of guy, why to stop if the bitch passes out?" she laughed, enjoying her cunt full of dog cock and a giant knot holding her in place.

She tried pulling it from her cunt, but he was massive. She would never get him from her cunt until he wanted to let her bitch ass loose. She was his bitch, and she loved it. Locked together with her new man, no way of getting free from him.

He continued fucking her stretched cunt for more than an hour, "Oh big boy, you're killing me," she moaned as the pleasure was turning to pain, she loved him fucking her, but two hours is plenty. "Come boy, off!" she said in a firm voice, and much to her surprise, the cock knot started to go down. At last, she was free from him. Her cunt felt like it was worn out.

"Damn boy! You sure do know how to fuck a girl in need," she giggled and lay next to him, falling into a deep, restful sleep.

Tanya bought Gabriel the following week; they live in a small town in California.

The End
