BEASTIALITY STORIES

16 year old Billy Johnston comes home from school. He is so pissed at how lousy his day went. "Damn this sucks." Horny as hell, he throws his book bag on his bedroom floor and slams his bedroom door.

"Is it me or does everyone have someone they can fuck but me."

Bouncing on his bed, he kicks off his shoes. "I go to school and everyone has a partner they can fuck. I mean it's bad enough that all the jocks have babes to screw, but come on. Many of the Cheerleaders are doing each other!"

Fighting back tears, he gets undressed. "I am so tired of jerking off. What else can I do?" Throwing his shirt on the floor, he sighs and feels like giving up "I mean what girl would want to fuck me?" Blowing his nose, he whimpers.

As he gets naked, Billy thinks of all the stories he has read on line. "Well those bestial ones are pretty cool." he reasons. "What? Should I just say fuck it and buy a dog to fuck?"

Growing a good hard on, he tells himself "It'll be a great idea A horny dog that I can fuck whenever I want to fuck." "Oh come on!" he snarls back "Has my life gotten so fucked up that I am gonna buy a dog to fuck!"

After musing for a moment, he gets up and gets dressed. "Well OK! I'll go get a dog to fuck. But this is pretty pathetic! I mean buying a DOG for sex."

At the pound, Billy looks over all the big dogs. When he walks past them, their barking and yipping becomes deafening. They all leap up from the floor and climb the wired gates to get to him.

As he passed by the jumping dogs, he can feel his cock tent his pants "Some of these dogs are pretty hot!" he grins. "I mean I can see their dark wet pussies and man I would love to ram my cock in there!"

Just then he sees the loveliest Collie bitch in the place. She blinks her dark blue eyes. Staring in his eyes, she whimpered and walked from side to side. Seeing her soft furry side, he dreamed of caressing her soft fur and rubbing her clean chest. He stops and stares into her pleading eyes. "Well hello!" he smiles and winks at her. "I can't believe I am making a pass at her." He snickers.

Crouching down, he puts his face to the wire fence. Sensing how horny he is, she sticks her nose through the fence and wags her tail hard. As her tail hits the wire floor, He can hear the loud deafening thwapping.

Whispering, he coos "Would you like to come to my place and have some fun?" Smiling in response, she sticks her tongue through the fence. Responding to the tongue, he pressed his tongue against hers.

Reluctantly Billy pulls away and heads for any coworker nearby. "That's the one I want!" he grins and points at her. He prayed no one would notice his tent in his pants that cover his raging hard on.

After paying for her, they go to his place. "Damn I am horny!" he snickers as she leads him to his house. It is almost as if she knows where he lives. Not only that, she literally dragged him as she has

taken the lead. Staring at her tight ass and wet pussy, Billy's hard on tents his pants and makes it hard to walk. "Why I think she wants to fuck me as much as I want to fuck her!" he laughs silently.

At his place, he points upstairs. "It's the first door on the right." He tells her. Her claws hitting the steps made a loud noise in the empty house. Dragging behind her, he stumbled on the steps "Whoa be careful!" He laughs at her. "I hope you don't mind fucking me?" He asks her as he opens the bedroom door.

Turning around, she stares in his eyes. The look in her eyes told him that she wanted it too. "Man you are wonderful." He tells her as he undoes her leash "I mean you want to fuck me and that is so rare these days."

In his bedroom, he locked his bedroom door. Billy kicks off his shoes and they flew across the room. "Damn I need this so much."

"I'll call you Angel OK?" Angel grinned and leaped on his bed. "I think you like that name." Barking in reply, she had a grin on her face.

As he takes off his shirt, she barked again and wagged her tail wildly. "So you want a show?"

Barking again, she sniffed and blinked her eyes. Then she barked again as her tail thump his bed. "OK love I hope I look sexy to you." Slowly peeling off his shirt, she stared mesmerized at his handsome young chest. Flinging his shirt on the floor, he approached her and let her sniff his chest. Barking in response, she started licking his chest with small licks. "Oh Man!" he groaned as he felt her warm tongue caress his chest "That feels good!" he smiled. He reached over and skritch her ears. She tilted her head and bark, as she loved the attention he gave her.

Then she raised her head and started kissing him. Pressing her tongue in his mouth, she closing his eyes and kissed him deeply. He opened his mouth and kissed back. Their tongues meshed and connected as he knelt down and sighed in passion.

After a moment of passionate kissing, he slowly peeled off his pants. "I hope you like cocks!" he teased as he peeled off his underwear. Responding to his teasing, she craned her head down and eagerly wanted to see his cock. "I think you might like it." He jiggled his cock and balls in front of her face. "I mean I worry that the sight of my cock and balls might scare you off. I mean do I look sexy?" His trembling voice cracked a little as he stood up. Standing up, he shoved his cock and balls in her face. "Enjoy love it's all yours." Nervously, he stood there and let her at it.

Sniffing, she drinks in his hard on cock. "Oh yes love!" he whimpered "I hope you like it cuz it's all I got!"

Responding to his whimpering, she slowly licked his cock tip. His eyes got wide as he skritch her neck. "Oh yes love I just want you to like me and my cock!" He tearfully begged.

Her tail slapped the bed as she slid his cock in her mouth. Then giving it a few warm licks, she let it slide out of her mouth. Then she licked his cock all over like a cone. Her tongue caressed his cock slowly as she closed her eyes. Panting, she got closer and pressed her cold nose against his dangling balls. "Oh baby that feels so good!" he closed his eyes and rubbed her face all over. "Don't stop."

Sliding his cock out of his mouth, she barked and looked at him. Groaning, He felt his cock stay good and hard as it wiggled in the air. "Oh love please lick my cock more!" he begged. "Suck me off!"

Whimpering, she turned around and showed him her wetting pussy. Shaking her ass, she looked in

his eyes pleading for a good hard fuck.

"Oh I am sorry love!" He leaped on the bed and got in a 69 position. "You just want a good hard fuck don't you? Tel you what. You suck my cock and I'll eat your pussy. I read enough porn to know what to do!"

Stuffing his cock in her face, he placed her on top of him. Shoving her pussy in his face, He started tracing her pussy lips with her fingers. "You smell great!" he smiled. "You smell so delicious. I just want to eat this pussy all day!"

Closing her eyes, Angel started sniffing his cock again. Then she licked his cock slowly. Her red wet tongue covered it and slowly went over it from the cock base to the cock tip.

"Oh Fuck yes!" He called out as he wiggled his cock in the air. "Thank you Angel my angel! That feels so good!" He slowly licked her wet pussy lips. "This tastes so good!" he smiled as he kept licking every part of her pussy lips. "It smells so good too!" Slowly, he focused all his energy on tasting her pussy and licking her lips. He kept licking her pussy lips over and over as his tongue tasted her juices. In response, she pressed her pussy in his face, as his licking became more and more intense. "Damn I never knew pussy juice can taste so good."

After a few good licks of his tasty hard cock, Angel barked and pelvic thrust her pussy in his face. "What do you need a cock?" Angel barked. "You want a good fuck from me don't you?" Angel whined in response. Then, barking again, she whined and pressed her pussy in his face again.

Carefully putting her next to her, he whispered "I am new at this fucking thing. So I am a cherry. Be patient OK Love?"

Licking his face, she barked in response and wagged her tail hard. He read her movements and knew she was ready for him.

"OK love I am gonna put this cock in you. I hope I do it right!"

Slowly he got behind her. Wiggling his cock around her pussy lips, he whispered "Ready?"

Barking in reply, her wet pussy lips slowly swallowed his hard cock.

"Oh yes!" he called out as his cock buried in her tight pussy. "That feels wonderful!" He grunted, as it felt great to have her wetting pussy rub against his hard thick cock. "Oh man that fucking feels great!" he called out as he slid his cock in her tight pussy and slowly pulling it out.

Barking in reply, she started humping his cock. She thrust herself on his cock and slowly let it slide out a little.

"Oh man this is awesome." He grunted, as he slid his cock in her again. "Oh shit!" he called out as he held on to her waist and fucked her passionately.

Closing his eyes, he panted and forced his cock in her tight pussy. "Oh yes!" sliding his cock out of her pussy, he closed his eyes and rubbed her smooth furry waist. "Love this feels so great!"

Barking, she panted and humped his cock passionately. Each time she felt his cock deep in her, she growled in passion. Then she ruffed and panted as she adjusted herself so that his cock will go deep in her.

"You want it too don't you? You want me to fuck you until you cum!" She barked like she was saying, "Yes!"

After a few minutes of passionate pelvic thrusting his cock in her, he called out and sprayed his load in her. His cum went deep in her as he shook on the bed. "Oh fuck!" he gurgled as his cum drenched her insides. Barking like crazy, she shook and took every drop of cum he gave her. She braced herself as her wet pussy sucked every drop of cum his cock sprayed in her love canal.

After a moment, Billy collapsed on top of her. He rubbed every inch of her soft furry body. "Love that was so wonderful." He rubbed her furry body all over. "Love you are so wonderful. I swear love I love you." His fingers caressed her soft brown and white fur.

Relaxing on her side, she panted and looked lovingly at him. Her tongue hanged out of her mouth as she closed her eyes. She remembered and relished when he shot his cum inside her.

Snuggling next to her, he rubbed her chest. "You are so wonderful. It's like you are my soul mate. You know love how I feel."

Blinking her eyes, she stared at him and smiled from ear to ear. Barking, she panted and pawed his face.

Then they kissed for what seemed like hours. Their tongues connected as their kisses turned arousing and passionate. Then they snuggled next to each other and drifted to sleep.

A few hours later, Billy woke up and stared in to Angel's loving eyes. "You are so wonderful." He whispered to the rising Angel. Her tail thumps the mattress as she licks her lips. "You are like my soul mate you know that." He whispered as his fingers rubbed her soft chest. She grinned in response as she leans in and licks his sweaty face.

He caressed his fur slowly as he feels a special bond to her. "It's like we are soul mates." He whispered "It's like I found what I was looking for. It's like you know what I am feeling. " He closed his eyes and leaned in to her. Their lips connected as he flicked his tongue in her mouth. He felt a wave of electricity flow through him as they kissed passionately. Then they slowly drifted back to sleep.

The next day at school, Billy was a new person. He no longer felt horny or restless. He was at peace with himself now that he found his horny wife. He didn't seem to notice all the sexy classmates that paraded in the school. He wasn't interested in chasing those girls any more. It didn't matter to him that they were wearing tight pants that showed off their sexy ass or shirts that barely held their large busts and sexy cleavage. He just focused on finishing his schoolwork so that he can run home to screw his Angel wife.

In Chemistry class, he sat alone in the back as usual. The teacher Mr. Jones was becoming livid at the arguing duo Mary James and Sandy Adams. They were bickering silently and getting on his nerves. "OK Mary why don't you team with Billy this experiment. Sandy you work with Hank and Josh."

Mary slammed her books together and dragged herself to the back of the room. "AWW man this is bull shit!" she whispered as she headed to Billy's desk. Swearing she plopped next to him.

"Well I feel wanted" Billy teased while she pulled out the assignment.

Mary smiled as she got the experiment sheet out. "He's just pissed that me and Sandy are doing it."

Billy nods in response. "Ah!" He was thinking, however, "See every girl does every other girl and I am left with my dog!"

"Really? He wanted you and Sandy?" Billy whispered so that Jones wouldn't hear him.

"Oh yes! He hits on all the girls in our class." Mary shrugged.

"Gosh I didn't know that." Billy sighed. "So what's our experiment." He asked so that he can change the subject.

As they work on their experiment, Mary grinned at him "You are kinda cute!"

Wide eyed, Billy looked at her "Hey you got a girlfriend!" He pointed out.

"So I can still look. So what's your name?" As he fumbled to reply, she winked at him, and, she checked him out.

"Billy Johnston." Fidgeting on his stool, he curls up in a ball and tried to disappear.

"What to go to a party tonight?" Leaning in, she places her right hand on his left hand and gave it a good squeeze.

"Sure. Where?" He sat up eagerly. Then he got a good smell of her sexy perfume she was wearing.

"Sandy's place. Its gonna be so cool! We will have beer and music and pizza and everything." She then makes sure to position herself so that he can see down her cleavage.

Swallowing, he asks "Can I have directions to her place just in case." He covers his crotch to force down his erecting cock as he thought. "Damn! She is so hot. I swear I would love to suck her breasts. At least I would love to grope the hell out of them. I'd squeeze the hell out of those knockers. They would be so squishy in my hands. It would be great! Hell I'd place my meaty cock between those breasts and fuck the shit out of them! I'd cum all over her face for sure but still it would be so great!"

She tore a piece of paper out of her well-used notebook and wrote down the directions to Sandy's place. She also made sure to write down her phone number just in case. She handed it to him with a teasing smile. "There you go. We are going to have beer, pizza, and, the works. We will do everything at this party!" she teases him and her eyes sparkle.

Fidgeting he takes the paper "Great!" he acts happy as he thought of everything they would be doing at this party. Inside, however, his stomach is churning, as he is scared to death of going to this party. "I think she is hitting on me. Man this is great! The only female that wants me sexually is cheating on her girlfriend!" He thinks sarcastically as they finish their experiment.

That night Billy gets ready for the party. Angel is sitting on his bed and looks at him longingly. It's as if she knows what he has planned and doesn't like it at all.

Putting his shoes on, he looked at her "Crap you know! Don't you?" She barks angry in reply. Then

she gives him an accused look. Whining, she then put her head on his lap.

"Love come on! I need to at least experience sex with a human woman one time in my life!" He whimpered as he scratches her ears. "I mean you don't know how much it hurts that I never got laid by a human.

Whining in pain, she ignored his please as she pawed his leg and gave the saddest look in her eyes. She fought back tears as she licked his hands.

"I will always be faithful to you. This is a rarity. I mean a female wants to screw me! You know how rare that is!" He begged her to understand as he scratched her soft brown furred belly. "I mean you don't know how much it hurts that no female wants to fuck me."

Licking his face, she whimpered and fought back tears. Her pleading voice rang in his ears as she let him know she doesn't want him to screw any female at all.

Lying on his back, he groaned as he gave up. He promised her "OK I won't screw her OK! I won't screw any female this party!"

Perking up, she barked and happily licked his face. She got what she wanted. She wanted him to stay faithful to her.

"You are so much trouble you know that. It's a good thing I love you!" He kissed her on her lips. "I mean do you know how rare it is to find a willing female human partner, you know that."

Her constant licking of his face told him "I don't care. I got what I want. I want you to be monogamous to me!"

At the Party, Billy walked in and saw everyone dancing and drinking. On the couch, Billy saw many students drinking and making out. Billy wormed his way through the crowd of dancing kids to get at the piles of pizza boxes on the kitchen table. "Wow talk about a get together." He mused as he passed by the pelvic thrusting dancers.

Mary runs up to him "Glad you can make it." She forces a plastic cup filled with beer in his hands "Drink up there's plenty more."

Loudly Billy says "Thanks" and takes a big drink. He stops and gacks as he cringes at the new taste of beer.

"First time drinking!" She laughs at his cringing response. "Yes I should have figured that you never had beer before."

Nodding, Billy coughs and swallows again. He grimaced as he tries to get the taste of beer out of his mouth.

"You get used to it so chug away!" she chugs her beer and urges him to do the same. She places her left hand on the bottom of his cum and lifts it up to his mouth.

Billy swallows hard and chugs his beer. Finishing, he belches and shakes his head.

Laughing, she drags him to the beer keg. She refills both his drink and her drink. Then she leads him to the bedroom. "You know you are so cute you know that! It will be great to show you my

bedroom!"

Billy blushed and responded "Thanks!" He drinks some more beer. They enter her bedroom. As she closed her bedroom door, he asked "So um what's going on?"

She puts down her drink and lays on her bed "Guess." As she lies on her side and slowly undresses.

Wide eyed, he swears "Shit!" He puts his half-empty cup on a table "Um listen! I need to point out something."

Stumbling, he realizes he can't talk about Angel. So he fumbles "What about Sandy I mean you two must be an item. SO it wouldn't be fair for us to do it with her and you."

Mary drags him on the bed next to her "Don't worry! I asked her if I could fuck you at this party and she said it was OK. I mean I make love to her but I'd love to fuck you. You understand?"

As she rolled him on his back, he struggled vainly to get up. "Well it's just that I don't want to hurt her or you. I certainly wouldn't want to cause any trouble between you two!"

He laid there and realized that he didn't want to be faithful to Angel. There is this hot girl trying to screw her and he wasn't going to say no. Feeling like shit, he moaned and got a hard on.

"Hey I am no cherry! It won't hurt me at all!" Peeling off his pants, his cock sprang erect and made a large tent in his underwear. It got a rise because of the talk and attention. "Oh shit!" he stammers, as he lied there helpless.

Tearing off her dress, her luscious breasts popped free. "I don't wear bras because they get in the way." She giggled as she rubbed her large juicy breasts. Her nipples got hard as she lightly pulled at them.

He giggled at her joke as he stammered, "Your breasts look great." He nervously put his hands on her soft breasts and gave them a good squeeze. "Oh yes they feel great as well!" he grinned as he gave her breasts another good hard groping.

Mary smiled as his comment. She then mumbled as he groped her breasts "Yes baby do that! Give them a good hard squeeze!" Closing her eyes, she placed her hands on his shirt and tore it off him "Now baby, put your cock in me!"

Pulling his underwear off, his cock sprang up good and hard. "Oh man I can't believe this!" Smiling, he kept giving her luscious breasts good hard squeezes. "This is like a dream!"

Kissing him, she cooed "I am gonna make your cock blow big guy! Blow a load in me!" she promised.

Peeling off her wet panties, her smell filled the room. Smelling her sweet pussy smell made him even hornier. "Oh yes!" he grunted as she slowly slid his cock in her tight pussy

She called out as she mashed her breasts in his face. "Yea big guy! This is what I am talking about." She groaned in pleasure.

Groaning, he placed his hands on her waist and slowly thrust his cock up in her. "Oh this feels better than jerking off!" He called out as his cock went deep in her. His fingers rubbed her smooth waist as he grunted and bounced on the bed.

Laughing, Mary nods "Yes it does feel good! Even in my end. I love having your meaty cock in me!" She gurgles. Then she slams herself down on his lap. This made sure his cock would go deep in her wet pussy. He groaned as he forced his cock in her tight pussy again. "Oh yes big guy force it in me!" She called out as she smothered his face with her breasts.

He thrusts his cock in her again. "Oh shit!" he gritted his teeth as it felt so good to have that cock go deep in her. He slowly rubs her back as he thrusts his cock again in her. His hands slowly reached her large breasts and hard red nipples. "Damn these boobs feel great." He smiled as his hands slowly grope and fondle her breasts. He squeezes them for a few minutes, then his fingers start to flick and rub her nipples "Wow these things are hard!" He grins as he keeps flicking away.

Mary moaned as he started to flick her nipples with his fingers. "OO stud. That feels so good!" Her voice echoed in her bedroom. She closed her eyes and humped his cock fiercely. "Can you please cum in me handsome?" She groaned and kept slamming his cock in her pussy. "I want that cum in me."

Billy nodded as he thrust his cock in her harder and harder. The pressure in his cock built to an explosive pitch. "Oh I can feel my load ready to burst!" he clamped his hands on her breasts as he pelvic thrust like a maniac. "OH shit I want to blow my load! I want to blow it in you baby!"

Placing her hands on his chest, she cooed "That's it stud. Cum in me big guy." She groaned in pleasure as his cock kept slamming in her again and again. It made her get hot as she slowly rubbed his smooth chest.

Calling out, Billy closed his eyes and shot his load in her. "OH fuck!" he screamed as his voice meshed with the music in the living room. His load flooded her wet pussy in large white gushes. Closing her eyes, she moaned happily as that hot cum felt so good in her. "That's it big guy that feels so good you sexy thing!" She purred as she felt all those large spurts gushing in her.

Billy relaxed on the bed totally spent. "Oh man that feels so fucking good. I never came in a woman's pussy before!" he laughed and slowly rubbed her large soft breasts again.

Relaxing on him, she grinned and kissed him on her lips. "It felt great for me too. Want to do it again in a moment?"

Nodding, Billy grinned at her "Yea I am no fool!" He smiled as he stretched on the bed. Trying to gain his strength again, he fondled her breasts as an attempt to get his cock hard again.

They lied on the bed and gathered their energy. Kissing her, Billy kept fondling her breasts "Wow these things are great to play with! I can do this all day!"

Mary kissed back. "Careful you don't want to start something you can't finish! When you play with these breasts, you get me wet too!"

"Yes I do!" Billy kissed her in response. "Besides getting you wet isn't a bad thing!"

Just then Sandy barges in the bedroom. Her dog Butch, a Dalmatian follows her. "Damn it not again!" She sobbed as she sees them naked on the bed. She runs out of the room crying. Then they heard her bedroom door slam shut.

Mary gets off Billy "Fuck" as she gathers her clothes. "Dammit now I got to go and kiss her ass." She gets dressed.

Confused, Billy puts on his clothes "I thought you talked with her about this?" He gets dressed as he stammered "You lied to me?"

"Uh Yea!" She snorted "I lied OK I was horny and I just wanted a cheap fuck and you were it! Damn it grow up!" Snarling at him, she runs out of the room. "I can't believe how naïve you are. You are pathetic." She storms out of the room and pounds on Sandy's bedroom door "Come on let's talk baby!" she calls to Sandy's door.

Downing the last of his beer, He storms out of the bedroom and heads for the front door. "I can't believe that she lied to me just to get a cheap fuck! That is so pathetic and so wrong. Am I the only human being on the planet that thinks that what she did is wrong?" He does turn around and open a box of carryout pizza. Seeing there are some slices of pepperoni pizza left, he takes the rest of the pizza so that he can eat them on the walk home.

At home, Billy felt so miserable. Happily running up to him, Angel leaped in his arms and kissed him on his lips. Then she sniffed Mary's juices on him and reared her head back.

"I was drunk and she was a bitch." He groaned. "She called me a cheap fuck after we did it and I am sorry for even fucking her at all." He sobbed as he kissed her on her lips. "Please forgive me. I feel like shit baby."

Licking his face, Angel forgave him for cheating on her. She grinned and kept giving him passionate kisses.

"Thank you Angel I am so sorry." He sobbed in her neck as they went to his room.

As Billy laid Angel on his bed, she barked and showed her wet pussy and ass in his face. "Oh my. Is this a forgiving fuck!" he smiled Angel barked "Yes." She shook her ass to let him know she needs this fuck so much.

Billy quickly got undressed and lied naked on the bed. His cock grew hard when she came to him and licked his cock "Someone needs a fuck!" he smiled as she gave his hardening cock a few good licks from the cock base to the red cock tip.

He spread his legs wide apart as she lapped his cock "OH yes baby you are getting me hard." He cooed as he scratched her face and cheek. "I can't believe that you still love me even though." He buried his head in her neck "Don't ever leave me!" he begged.

She barked happily as she says literally "I won't ever leave you love!"

She turned around and slowly sat on his cock "That feels great love!" he sighs as his meaty cock slowly entered her wet pussy.

Billy called out as his cock entered her delicious smelling pussy. Her wet pussy became a great lubrication as it helped him slide his meaty cock deep in her. "Oh yes love please don't stop!"

Billy pelvic thrust his cock in her as he bounced on the bed. "Oh shit yea!" he growled as he held her soft furry waist. "Please yes don't stop!" he begged as he kept fucking her pussy with good hard thrusts of his waist.

She barked as she humped his cock vigorously. Growling, she slammed her self on his cock to make

sure that his cock goes deep in her. Barking she didn't let up as she bounced on the bed and tried to get him to cum in her. Yipping, she literally begged him to cum in her.

As he held her waist, he kept up the momentum vigorously. He gritted his teeth as each thrust caused the building load in his cock to scream to him that it wanted to blow into her "Oh fuck I am gonna cum in you love." He gurgled as he held her tight waist "You want that don't you?" he whispered as his balls slapped her tight ass.

Barking in reply, she kept humping his meaty cock. She begged him to blow his load in her wet pussy as her humping his cock became a blur.

Just then, Billy clamped onto Angel's waist as his cock sprayed its load deep in her. "Oh Fuck!" he gurgled as he felt his cock explode and spray cum in her. Each load of cum sprayed deep in her tight pussy. "Oh yes!" he whispered as his sweaty body relaxed on the bed totally spent.

Angel happily took all his cum that he sprayed into her. Her barking echoed in his bedroom. After he was done cumming in her, she turned around and licked his sweaty face. Her tail wagged like crazy as it thwapped on the bed.

"Thank you love!" he sobbed as he held her close. "I should have known that only you love me!"

They cuddled as she lapped his tears away. Her barking told him that "I love you and want you to be happy!"

He whispered "Only you can make me so happy!" As he closed his eyes, he held her tight. They both closed their eyes and they drifted to sleep.

The next day Billy kissed his wife goodbye and told her "Well that's it for me and women! I learned my lesson."

Angel barked happily and wagged her tail as if to say to him "It's about time!"

At school, Mary seemed to ignore him like the plague. Instead, she would point to him and whisper to the other girls. They in turn would giggle at him. It hurt him a lot what they were doing to him, but Billy focused on his new wife Angel. "It's OK I have a loving wife and the sex is great!"

As he walked home, Sandy came to him "How are you doing?"

"OK although no offense but your girlfriend Mary is a bitch." He flinched as that came out. Worried that he said the wrong thing, he fumbled for an apology.

"Isn't she" she agreed. "That's why we broke up. I rather fuck my dog anyway." She dropped her head to her chest and fought back tears. "It hurt to break up since no one else wants to fuck me but oh well."

"You fuck dogs too?" Billy perked up right away. "Did I just find Miss right?" he thinks.

Sandy laughs "You fuck a dog? Come on! Don't lie to me."

Billy nods "Want to meet my new wife?"

"Sure!" Sandy perks up right away. "A new wife. Wow I thought I was the only one that married my

dog!"

Billy and Sandy came to his house. In the yard, Angel leaps in his arms and licks his face. Billy laughs and kisses her passionately. Then when she sees Sandy, she rears her ears back and cautiously sniffs Sandy's scent. Surprisingly, Angel barks happy and snuggles back in Billy's arms. She seems to have accepted and liked Sandy.

"I think she likes you." Billy grins as they go inside and head for his bedroom.

"Want to fool around? I think that dogs are sexy!" Sandy grins as she sits on his bed.

Nodding, Billy starts to get undressed "I can't believe I found someone that likes dogs like me!"

Getting naked, Sandy confessed "It's only because no one wants to fool around with me. I think everyone in our class is either screwing the football team or the cheerleaders!"

Jaw dropping, Billy wipes a happy tear from his eyes "I thought I was the only one that thought that!"

As they lay on the bed, Angel sits between them and kisses each of them. "Gosh" Sandy kisses her back "She likes me and thinks I am sexy!"

Angel kisses Billy as well "She thinks we both are sexy." Billy grins. As he stares at Sandy's naked body, his cock gets good and hard "Wow you are so hot!" He gurgled as he rubbed her luscious breasts. Sandy lies on her side and jiggles her breasts "Really? What do you think Angel?"

Angel barks in agreement and starts lapping her breasts. As Sandy's nipples get good and hard, Sandy scratches Angel's neck and ears "Thank you! That feels so good!" she moans as she kisses Angel's head.

Nervously Billy leans over and whispers "Is it OK if I kiss you Sandy?" Sandy perks up "Sure!" as she leans over and presses her lips against his lips. Fire passes through his body as their lips connected. "Oh heaven that feels so wonderful." He whispered as he places his hands on her chest and squeezed her well- developed breasts.

Rubbing her breasts, he groaned in passion as he wiggled his tongue in her mouth. Sandy squeals in pleasure as she sucks his tongue right back.

"Oh yes!" Billy groaned as he felt his cock grow big and hard.

Licking Sandy's wetting pussy, Angel perked up and wagged her tail as she slid her tongue deep in Sandy's wetting pussy. Sandy pulled her lips away from Billy's lips and placed her hands on Angel's head "That's it baby lick me deep! Oh that feels so good!" She lay on her back and moaned in passion.

Gurgling, Sandy looks at Billy. "Please let me suck your cock. It has been so long since I tasted a human cock. I mean I suck off Butch all the time, but, your cock smells good too." Grinning, Billy lies in a 69 position and shows her his hardening cock. "There can you please suck me off!" he begged her as he placed his meaty cock in her mouth. Sandy moaned in pleasure as she rubbed Angel's head. "Oh goodness!" she moaned as she started licking his meaty cock.

Moaning in pleasure, Billy grunted and started fucking Sandy's mouth. Sandy then sucked and swallowed his cock as she rubbed her hardening nipples. Slurping and sucking hard, she took every

inch of his cock "This tastes great!" she cooed as she covered his cock with his tongue.

Billy groaned as he kept thrusting his cock in her mouth. After a few passionate thrusts, he called out as he shot his load in her mouth. "Oh YES!" he called out as he shook on the bed.

Sandy groaned. She drank every drop of cum he sprayed in her mouth. "This cum tastes just as good as Butches' cum.

Sandy calls out as Angel starts nipping her clit. "Oh that feels so wonderful!" she groaned as she held Angel's muzzle in her wet pussy "Thank you love!"

Billy pants hard as his cock won't go down "Damn I am still so horny!" he rubbed Sandy's large breasts.

Sandy jiggled her breasts as she teases "Want to fuck?" she gets on top of him and slowly slid his cock in her tight pussy. "I would love to fuck you!"

Billy grins as he slides his cock in her "That would be great!" as he places his hands on her breasts and gives them a good squeeze.

Angel barks as she gets up and smothers her wet pussy on his face. Billy gasps as he starts to lick Angel's pussy. "Oh yes I forgot how tasty this pussy is!" he grumbled as he slid his tongue in between her pussy lips.

Barking happy, she starts humping Billy's tongue as she slowly gets hot.

Sandy looks Angel in her eyes "Oh no I want Billy to fuck me!" She rubs Billy's smooth chest as she humps his cock "I want that cock to cum in me!" she growled as she keeps trying to get that cock deeper in her.

In response, Angel yips and wiggles her wetting pussy on Billy's face. Billy could barely keep up with the dripping juices drenching his face "Oh shit!" he calls out as he licks her pussy all over. It didn't help as Angel's juices got all over his face, his chin, and into his nose. Sneezing, he groaned and get even hornier.

Thrusting his cock into Sandy, Billy moaned as he felt his orgasm building in his cock. "Oh fuck!" he called out as he felt his aroused cock go deeper into her "I am gonna cum!" he whimpered as he licked Angel's pussy juices from his face.

Sandy called out as he helped Billy squeeze her melon breasts "That's it stud cum in me!" she cooed.

Nipping Angel's small clit, Billy moaned as he felt his load about to blow "Oh shit!" he gurgled. Angel barked as she shake and orgasmed her juices all over Billy's face.

Calling out, Billy shot his load into Sandy "Oh Fuck!" he called out as he squeezed her breasts good and hard. His cum splattered deep into her. "That feels so good!" he groaned as load after load of cum filled her tight wet pussy.

Sandy collapsed onto Billy as they lay on the bed spent. "That feels so fucking good." Sandy cooes as she kisses Billy on his juice drenched lips "Wow her pussy juices taste good." She grinned. She started licking Billy's face clean from juices "I should eat her pussy out more!"

Angel licks Sandy's face as she lies next to Billy. Billy grins "I think that is a Yes!" Angel barks and

keeps licking Sandy's face. Then they started french kissing each other.

Billy teases "OO a lesbian scene!" as his cock struggles to get hard again.

Laughing, Sandy taps his nose "Give me a minute to get my strength back."

Nodding Billy agrees "Yes I need to get my strength back too!"

Angel yawns and snuggles between them. They are amazed that they found each other. Thinking they are alone in the world, they were all set to give up. They both are contented as they drift to sleep. They dream of their wonderful life together since they found each other.
