BEASTIALITY STORIES

(c) by QueenEvelyn100

Hello, my name is David, and I'm your typical 18-year-old. And I have spiky blond hair, I'm white, and I'm still in high school, but this story begins with me at home; it was about 9 AM, and I was sitting on my bed on my phone, and all of a sudden I got a text from my best friend Erik and it said: 'Hey David I was wondering if you wanted to come over...my parents are gone, and I'm bored' As I read it I started typing back because Erik and I often did this when his parents were gone.'

I sent: 'Sure, I'm on my way. Just need to ask my mom.' As I sent it, I saw he read it, so I sat my phone down, went downstairs, and saw my mom watching TV. "Hey, mom, can I go to Erik's house?" I asked.

"Sure, honey. Just get home by nine," she said.

"OK," I said as I went back upstairs and texted Erik that I was coming after I did, I threw on some grey sweatpants and a t-shirt and left my house.

Erik's house was only a five-minute walk, so once I arrived at his house, I was admittedly greeted by his German shepherd Rocky. "Hi, boy," I said as I rubbed his head. "How are you, boy?" I asked as I petted him. As I did, he licked me, and then Erik came out.

"Hey, bro," he said.

"Sup man," I said as we had a bro hug. "So let me guess, you didn't wanna be home alone because of your paranoia." I giggled.

"Hey, things can happen...robbers exist, ya know," Erik said as he looked out the window.

"OK, well, what are we gonna do?" I asked.

"Uh, we can watch TV," Erik said as we sat on the couch, and he turned on the TV.

About three hours into it, he ended up on his laptop, and I ended up on my phone. "Hey David, look," Erik said as he turned the laptop towards me, showing a woman riding a man.

"What the fuck, man?" I laughed.

"Isn't it hot?" he asked.

"No, not really," I said.

"Your cock says otherwise," Erik said as he laughed. "You are a horny fuck." He giggled.

"No, I'm not," I said.

"Well, I have an idea to cure your horniness," he said.

"What?" I asked.

"There's this app that puts you on a video call with strangers to masturbate," Erik said as he started searching it up.

"Hell no," I said as I turned around.

"Why not?" Erik asked.

"Because dude, I don't wanna jerk off in front of you," I said as I turned back around.

"I was gonna leave, idiot," he said.

"Oh, OK," I said.

"Now you just find a nice hot girl, and I'll be in my room, and call me when you're done," Erik said as he walked into his room, leaving Rocky behind.

I pulled my sweats down as he did and watched my six-inch cock get hard. As I did, I noticed Rocky looking at me. "Don't mind me just gonna cum for a chick. You should try it," I joked.

Once my cock got hard, I clicked the video chat button and showed a girl with big breasts. "H-hi," I said as the girl only typed in chat. She said, 'Hi, are you gonna cum for me?'

Once I saw this, I replied. "Yes," I said as I started staring at her breast and started jerking off as I was. Rocky came over to me and sniffed my cock.

"No, boy, get away," I said as the girl looked confused.

'Who are you talking to?' she typed.

"N-no one," I said. "Get away, boy. GO," I said as Rocky started licking my cock. "No, go," I said as he continued licking me. "P-please, b-boy, go away," I said.

Now I wasn't a zoophile; I had only seen women get fucked by dogs or horses once or twice, but I was never turned on by it, but Rocky's tongue kind of felt good, but I still didn't wanna look weird.

"Rocky, down," I said as I felt myself about to cum.

'What's going on?' the girl typed.

"N-n-nothing." I stammered. "R-Rocky g-go a-away. "O-oh n-no..." I moaned as I dropped drops of cum onto the rug. "F-fuck," I said.

I looked at the girl who looked disgusted, making her type: 'You dirty bastard!'

Once she did, she hung up. That damn dog ruined my chance to see a girl with big boobs play with her pussy.

"You see what you've done?" I asked as he sniffed my cum and licked it up. "You're a horny fuck," I said as I rolled my eyes and pulled my sweats up.

Once I did, I walked over to Erik's room, knocked on the door, and told him I was done. After I did, he started his video call, so I sat in his room with my phone. As I did, Rocky made his way into the room.

"What do you want?" I asked as I petted his head. "I'm gonna close the door cos he's a moaner," I said as I shut the door and sat on Erik's bed. Once I did, Rocky jumped on the bed. "Even though you fucked up my call, I forgive you," I said as I rubbed his head. As I did, he rolled on his back, and I noticed his big fat dick was out of the sheath.

"Wow, you are horny," I said. "I am too, but I'm not gonna jerk off to you," I said as I pulled up porn on my phone. Now I frequently jerked off at Erik's house, so this was every day. "Great pussy is what you need," I said as I undressed, sat on Erik's bed, and started jerking off. Erik's bed was up against a wall facing the door, and it was a little crack. And as I was jerking off, I leaned over and accidentally dropped my phone between the bed and wall.

"Dammit!"

I pouted as I tried to get it but try as I might, I got down and got on my knees with my ass in the air turns out that was a bad mistake because the second I grabbed my phone, I felt a wet tongue wipe across my hole I quickly realized what was happening.

"Stop, Rocky. I ain't a bitch," I said as he continued to lick. "Go fuck the neighbor's dog, not me," I said in a frustrating tone turns out he knew what that meant because he got on my back, and I felt something jab at my ass, so I caught on very quickly. "Oh, hell no," I said. "Rocky gets down," I told him, but as I continued and protested, he didn't budge.

I was still a virgin, and I was not about to lose my v card to a dog, so I tried moving, but as I did, he growled. "Are you crazy?" I asked. "I'm not staying here like this," I said as I tried moving again, but he growled even more, so I stopped moving, thinking maybe he's gotten down on his own but boy was I wrong because he jammed his cock right into me.

"Owwwwww!" I yelled in pain as I bit my lip. "Get off of me!" I yelled, hoping Erik would come in, but he never did. "Please get off me!" I wined as he kept thrusting in and out of me. "Get down now!" I pouted as he kept doing his thing.

"Oh fuck!" I moaned as he kept fucking me like a bitch. As he did, I lay there hoping it would all be over, but eventually, I got used to the pain of his thrusting, so as he was fucking me, I began to kind of jerk myself off to satisfy him and myself as I jerked myself I wasn't long before I came.

"Please tell me you're almost finished," I said as he kept thrusting and thrusting as he did.

I felt his balls hitting a mine, and his dick began to tighten, so I knew what would happen. As he kept thrusting, he came inside my ass and was panting heavily while shooting almost ten ropes of cum up my ass. Feeling his cum shoot up my ass was relaxing, and it almost felt good. It felt amazing. He turned, and we were butted to butt, and he finished Cumming by shooting at least two more ropes. Once he stopped, we were tied for about 5 minutes until he pulled out. Once his knot pulled out, it hurt even more.

"Fuck!" I yelled as he got off me and started licking his dick.

As he did, I stood up, ran into Erik's bathroom and opened my ass and squeezed, and watched all his cum leak onto the rug. As it did, I swept some up a tasted it, and it had bittersweet. As for my taste, I cleaned up, walked back into Erik's room, put my clothes back on, sat on the bed, and pretended nothing happened as I was sitting on his bed. Erik came in.

"I'm finished, bro," he said.

"Was she hot?" I asked.

"Yeah, we both came pretty hard," he said.

"TMI, dude," I said as I looked at my phone.

"Sorry. By the way, why were you yelling?" Erik asked me as he sat at his desk.

I knew I had to save myself. "Um, I was playing a game," I said.

"Oh well, OK," he said.

I couldn't tell him the truth because I didn't know if he was into bestiality. I know I wasn't at first, but now I think I might change my position because I guess I did like begin fucked.

Later that night at home, I couldn't sleep because I was too busy thinking about Rocky. If I should fuck him again or if I should forget it ever happened, so once I finally got some rest, I woke up and ate breakfast and all that and hung out with my family. Still, when I was back in my room, I used my laptop to search for gay bestiality. As I did, I clicked on this video of this dog fucking a man.

As I watched it, I noticed that I was getting a bit hard, so I took my dick out, got some lotion, and started stroking as I did. I loved their position and French kissing, but when the man moaned because the dog came in, he sent me over the edge. "F-Fuuuuuuck!" I moaned as two shots of my cum flew into the air and landed on my shirt.

Well, there was no denying it now.

I am a zoophile, and I just have to fuck Rocky again.

So, I texted Erik, asking him if I could come over once I cleaned myself up. When he replied, he said I could. So, I got dressed and kissed my mom goodbye, and walked to Erik's house, but when I got there, Erik's mom, dad, and sister greeted me, so I said hello, and once I did, Rocky came running at me.

"Hey, Rocky," I said as I petted him. As I did, he licked my hand and arm.

"Come on, David. Let's go to my room," Erik said as we went there.

"So, are we gonna jerk off again?" I asked.

"No, I don't think we can because they don't knock," he said.

Shit, that means I can't have another good experience with Rocky, so I had to think of something to get that dog all to myself.

"Can we do Nightery?" I asked.

"Sorry, dude, we can't. We have to go to my parent's job early in the morning," he said.

"Well, I can get up early and go with you," I said.

“Well, OK, if I ask my mom,” Erik said as he went into the living room and asked his mom when he came back, he told me as long as my mom said it was OK, we were good, so I texted her, and she said it was fine, so I went home and got some overnight clothes.

Later in the night, Erik’s dad fed us, and it was time to go to bed. And everyone got in bed, so now it was my time to strike. I quickly and quietly undressed and walked out into the dark and empty living room where Rocky was lying once he noticed me, he looked like he wanted to bark.

“Quiet boy, it’s just me,” I said as he wagged his tail. “I’m gonna let you fuck me again, but I hope you go easy,” I said as I lay next to him. “Look at you,” I said while rubbing him. As I did, we started French kissing lick I saw in the video, and as we were, I noticed his nine-inch fat dick was out of its sheath. “Bingo,” I said as I had an idea what if I sucked him off. Now would be the best time to figure out what a dog cock tastes like.

So, I rolled the dice, lifted his leg, and started sucking his dick. As I did, he groaned a little. I assume I’m doing good since he made that sound, but I had no experience with this, so I just played it by ear. I stopped sucking his tasty cock, and he looked at me. “Don’t worry, boy, there’s much more to come,” I said as I licked him. Once I did, I got into the doggy-style position.

“OK, come and fuck me,” I said, and for some reason, he knew what that meant and mounted me immediately. As he did, he jammed his big dick inside of me. As he did, I covered my mouth in pain as he started thrusting in harder than last time, and he was panting heavily again. “That’s it, fuck me,” I said as I smiled.

I needed a name to call him, and master sounded good, so I called him. “Fuck me, master,” I moaned as he continued thrusting.

He was fucking well, which makes me realize he must’ve been trained to do this because there’s no way a dog is this good the first or second time. As he was fucking me, I heard a bed move, hoping no one woke up. As my master fucked me like the bitch I was, I heard a toilet flush, the dog was still panting, and I heard footsteps, and I was just hoping no one would come in and see me. I was just praying and hoping at the same time. As I continued to get fucked I heard footsteps, and I thought I was caught.

“Having fun, David?” a voice asked as it realized it was Erik.

Once I realized I felt like he was disgusted. “Erik, I’m so sorry I’m fucking your dog,” I said as tears formed in my eyes. “Fuck, what are you crying for? I don’t care that you’re fucking him. I’m glad I’m not the only one,” he said.

After hearing this, I lit up.

“What do you mean?” I asked as I forced Rocky off of me.

“I mean, I always fuck around with Rocky. I let him lick me off sometimes, or I suck him off. It never went past that,” he said.

“So, you’re not mad or disgusted?” I asked with a smile.

“No, I’m not. I’m glad,” Erik said.

"Well, that's a relief," I said with a reassuring smile. "Well can I watch?" he asked as I smirked.

"Why don't you join us?" I asked with a smirk.

"Well, now that sound fun," Erik said as we started kissing, we did he undressed and sat on the couch, and I watched his cold grow to an eight-inch.

"Fuck me, Rocky," I said as Rocky started fucking me again. "Aww fuck," I moaned as he fucked me hard.

"Suck my dick while Rocky fucks your tight hole," he said as I started sucking his dick.

All this made me harder than ever. Not only was I a bitch for a dog, but I was also a bitch for my best friend. As Rocky fucked me, I sucked Erik's dick, and we were letting out little moans and sounds, making me even hornier, so I started jerking myself off.

"Oh, shit, he's hitting my prostate!" I moaned. "O-oh s-shit!" I moaned as I came all over the floor. "Fuuuuuuck!" I moaned as I came some more.

"Does that hurt?" Erik asked as Rocky fucked me.

"A little, but I like it," I said as Erik moaned. "Fuck I'm about to cum," he said as Rocky tightened. As Erik moaned, I sucked even more. "Here it cums, David!" He moaned as he came inside my mouth. As he did, Rocky started shooting his warm ropes into my ass. "Aww fuck!" Erik moaned as he came some more while Rocky turned around, and we locked, realizing the rest of his cum was inside me.

Once he went down, he pulled out and went to lick himself.

I swallowed Erik's cum, and we started making out again. "Come on, let's go get some sleep," he said.

"You too, Rocky," I said as all three of us went into Erik's room and fell asleep.

When we woke up in the morning, it was about 6:00 AM, and I saw that Erik was still naked and awake, watching TV.

"So, man, what did you think of last night?" I asked as I pecked his cheek.

"I loved watching you get fucked by Rocky," he said with a smile.

"Well, do you wanna try?" I asked with a smile.

"Try what?" he asked.

"Getting fucked by Rocky?" I asked.

"Oh, I don't know about that," he said. "It's fun. You'll like it, man. You really will," I said with a smile.

"Well, in that case, I'll try it," Erik said.

"OK, so when do you wanna do it?" I asked.

"Maybe now?" he replied.

"Oh, OK," I said as I got on the floor with Rocky, who licked my face. "Hi, master," I said as I started kissing him. "Let's get that dick to come out," I said as I began to jerk Rocky off, making his big red cock appear.

"I should warn you it's gonna hurt when he puts it in and takes it out," I said.

"I don't care about the pain. I just wanna be fucked," he said.

"Well, alright, but I'm warning you," I said.

"Come fuck me, Rocky," Erik said as Rocky got on his back and jammed his giant cock inside his ass. "Fuck!" Erik yelled as he covered his mouth.

"See, I told you," I said as my cock got hard. "This is fun," I said as I started jerking off.

"Fuck Rocky, your dick is so big," Erik said as he moaned while Rocky fucked him.

"This is so hot, Erik," I said as I continued to watch.

"Fuck, Rocky," Erik moaned as he used one arm to jerk off as Rocky fucked him. "He keeps hitting my prostate. Oh shit, I'm gonna cum." Erik panicked with tears almost in his eyes. "Ahh fuck. Shiiiiit!" he moaned as he shot his cum all over the floor. "Ahh, fuck," he moaned as he came some more.

"Suck my dick, Erik," I said as I shoved my cock in his mouth. "That's right, suck it. Suck that dick," I moaned.

"Rocky's dick is tightening," Erik moaned. "He's about to cum," I said. "Oh shit," Erik said as Rocky shot loads of cum into Erik's ass while panting. "Oh shiit. Fuuuck so much cum," Erik moaned as Rocky continued cumming.

"Now he's gonna turned ass to ass with you," I said as Rocky did just that.

"There's more cum," Erik said as Rocky released his last bit of cum. "Fuck I love this," Erik said as Rocky pulled out, making Erik freak out.

"I told you you'd like it," I said as we kissed a little. "I'm still hard. How about we return Rocky's favor," Erik said with a smirk.

"Oooo, I like it already," I said.

"Lay on your back, Rocky," Erik said as Rocky stood there. "Lay down," Erik said as Rocky did that.

Once he did, Erik turned him onto his back, and we both put lotion on our dicks and slid into Rocky's hole, making him groan.

"Let's fuck him," Erik said as he started fucking him.

"I like the feeling of our cocks rubbing together," I said as we continued to fuck Rocky.

As we did, Rocky groaned some more. It was as if he was trained for this too. "I'm cumming!" Erik moaned.

"I am too," I said as we continued fucking Rocky.

"S-shit ahhh!" Erik moaned as he came inside Rocky.

As he did, I kept fucking. "Ahhhh, shit!" I moaned as I came inside Rocky's ass.

"That felt so good," Erik said as we pulled out.

"Yeah, it was," I said as Rocky started licking his ass.

As he did, we lay on the bed and kissed a little. Once we stopped, we got underneath the covers and fell asleep.

From that day on me, and Erik kept having sex with Rocky, but recently Erik moved away, and we're still friends and talk almost every day. He says he fucks Rocky nearly every day, both top and bottom, so I look forward to the day I get to see him again.

The End
