BEASTIALITY STORIES

(c) by Carol

Well, it's another beautiful Florida day here. My hubby, Rocky, went boating with his friends, so I'm alone with my dog, Lucky. I think I'll shower, go by the pool, and nude sunbathing. I come out of the shower, put my robe on, and head for the pool. I go downstairs, and there's a knock at my door. I look, and it's my big dick black neighbor Clem. I call him Daddy because he fucks me so hard that I almost passed out one time. He says, "Carol, what are you doing today?"

I tell him I'm going to my pool. He says, "Open the door. I have to show you something." I open the door, and there is Daddy holding his cock with two hands. He asks, "Mind if I join you?"

I don't know what to say because Daddy's cock is enormous. So I drop my robe and say, "OK, let's go."

Daddy smacks my ass and says, "We're going to have fun today."

I lay on my lounge chair, and Daddy is putting lotion all over me. He loves my big tits, so they get special attention. He's doing my legs, and his fingers brush lightly against my pussy. Oh, I get so wet and horny. Daddy now puts his massive cock in between my tits and starts to fuck them. I lick his cock when it hits my mouth.

He asks, "Carol, do you like when Daddy fucks you with his big black cock?"

I tell him, "Yes, I love it when you fuck me."

Daddy is rubbing my pussy with his cock, pushing it inside me.

"Oh yes, Daddy, fuck me with your big black cock."

Daddy kisses me and says, "I plan to."

Oh my God, his cock is inside me, and he raises on his toes, so I feel every inch.

"Mmmmmmm, yes, Daddy, fuck me."

We fuck for what seems to be an hour. I cum multiple times, and Daddy fills my pussy with his cum.

Eventually, he pulls his cock out of me and says, "Carol, be a good slut and clean my cock."

I do it.

Then Daddy says, "Let's go upstairs so I can fuck you where Rocky fucks you."

I grab Daddy's hand, and we go to the bedroom. My dog Lucky was lying on the floor. Daddy lays on the bed and says, "Carol, come here and suck my cock."

I do, and I'm on all fours. I feel Lucky's cold nose on my pussy, and I tell him, "Bad boy, go lay down."

Lucky lays down on the bed. Daddy asked me what happened, and I told him Lucky wanted to lick me. Daddy says, "Why did you stop him?"

I told Daddy I didn't want him to.

Daddy says, "Calm him and let him lick you."

I tell Daddy I can't do that.

Daddy says, "Do it for me, you slut."

Now I don't know what to do. I want Daddy to keep fucking me, but I don't want Lucky. Daddy smacks my ass and opens my pussy. Lucky is now licking my pussy. Oh my God, I'll do anything for Daddy's cock. All of a sudden Lucky stops licking me. I feel him mount me, and his big red dog cock is trying to find my pussy. I tell Daddy to get him off me.

Daddy says, "No, I want him to fuck you."

"No, please, Daddy, get him off me."

Suddenly, Lucky finds my pussy and sinks his dog cock inside my cunt.

"Oh, Daddy, please get him off me," I beg.

Again Daddy laughs and asks, "Is his cock inside you?"

"Oh my God, yes, Daddy, he's fucking me."

"Does it feel good?"

I moan, "Yes, fuck me, Lucky. Fuck your mommy."

Daddy wants to watch, so he gets behind Lucky and watches the dog fuck me. Daddy says, "Carol, you're one gorgeous dog slut."

"Yes, Daddy, I'm now a dog slut for Lucky's cock."

Lucky cums a lot inside me, and then he knots me. I'm cumming like crazy. Daddy says, "Is he done?"

I say, "He's knotted me, and I don't know if he's done."

That said, Lucky's cock slips out of me, and Daddy slams his big black inside my cunt. "Oh yes, Daddy, fuck me with Lucky's cum inside me."

Lucky is lying in front of me, and Daddy says, "I think he wants you to suck his cock."

"Oh no, not that, Daddy."

Daddy grabs me by the hair, opens Lucky's legs, and says, "Now suck."

I can't, and Daddy pushes my head down, and Lucky's cock is in my face.

Daddy says, "Do it, you dog slut. Open your mouth and suck his cock."

Daddy cums inside me, and now he's watching me suck Lucky's cock.

Daddy asks, "Carol, are you enjoying sucking Lucky's cock?"

I tell Daddy anything for you.

Lucky cums in my mouth, and Daddy says, "I have to be going."

Daddy leaves, and I get up, shaking my ass. Lucky is right behind me because he knows he's going to fuck mommy again soon.

Oh my God, I've now become a slut for dog cock.

Thanks, Daddy.

The End
