BEASTIALITY STORIES

(c) by Rocky

God was good to me by blessing me with an over ten-inch cock. I've used this for cock queens to fall head over heels in love with me. Once I had them, I made them all dog sluts. There were many, but these three stand out because all three of these women are gorgeous. First, Karen was a tall strawberry blonde with a body to die for. I met her at a bar, and she called me at work one day. I asked her what she was doing, and she told me she was nude sunbathing. She asked me if I would like to join her. I got there as fast as possible, and she was completely naked. I took my clothes off, but I had my back turned to her.

When I turned around and saw my cock, she said, "Please tell me that's not real."

I jerked it, and she got out of her lounge chair, got on her knees, and sucked my cock. She got me rock hard, so I laid her back down on her chair and proceeded to lick and suck her pussy. She was going crazy, mashing my face into her pussy. Karen cums all over my face, and she says, "I'm ready for your big cock."

I slowly pushed the head in and slammed the rest inside her. She was moaning so loud I knew the neighbors heard, but I didn't care. Karen came again and said, "I can't take your cock anymore."

I rolled her over and put my cock in her ass.

She was screaming, "It hurts. It hurts, but don't stop."

I fucked her asshole and shot a load of cum in her guts. Karen had a hard time getting up, and she said, "I'll go cook you some dinner."

We go inside and shower. I fuck her again, and she says, "That's it."

She had a big dog named Max. He was a mutt but such a good dog. We went to sleep, and when I woke up in the morning with a girl in bed, I had to fuck her. I started playing with Karen's pussy, and Max was in the room. Karen was moaning, and now Max put his head between her legs.

Karen says, "Max, you're a bad boy."

I got horny thinking about what I was about to make her do. Max was sitting there, and I opened Karen's legs, and Max was licking her again. Karen looks at me and says, "What's wrong with you?"

I said, "Nothing. Why?"

"Why would you let Max lick me again after I told him no?"

I took my cock, rubbed her pussy with it, and told her, "You'll do as I say or no more big cock for you," as I put it inside her.

She's telling me, "Please, stop. I can't take any more of your big cock. You would do this to me?"

I said, "Yes, let Max have some fun."

I couldn't believe what she did. Karen spread her legs and called Max to come to lick her pussy. "Oh my God," she says. "His tongue feels so good." Karen cums all over Max's tongue and says to me, "Are you happy now?"

I say, "No. I want to see you do more."

"What more?"

"I want to watch Max have sex with you."

"OK, now you're fucking crazy."

I grab my cock and say, "You see this? Do it."

Karen got on all fours and called Max over. Max mounts her, and he's trying to find Karen's pussy. I tell her to grab his cock and guide him into your pussy. Max slams his cock into Karen, and she screams, "Oh my God, his cock is as big as a man's."

Max is fucking her, and Karen is moaning and telling Max not to stop. Karen cums, and Max knots her.

She says, "Rocky, I feel his cum filling up my pussy."

Max's cock falls out of Karen's pussy. I asked her, "Did you enjoy it?"

Karen looks at my rock-hard cock and says, "You enjoyed it, didn't you?"

"Yes, and you'll let Max fuck you whenever I come here."

Karen kisses me and says, "Yes, after you fuck me first."

Max and I fucked her until she tried to push marriage on me, and it was my time to go. It wasn't easy to let go of a good piece of ass.

Next, there was Maria. She was a short woman with a great ass and nice tits. I took Maria out on a date and then took her to my house. We were kissing, and she went between my legs and said, "Oh no, that's a very big cock."

I tell her to take it out of my pants. She immediately begins to suck it and says, "I can't wait to have your cock in my pussy."

I fucked her so hard that her pussy looked raw. Maria would come to my house, and one night, when I was eating her pussy, I said to her, "Let me get my dog."

She said no at first and asked, "Will it turn you on to watch him fuck me?"

I said, "Yes, it would."

I get him, and he's a two-hundred-pound Rottweiler. I pull the covers off her, spread her legs, and my dog starts to lick her pussy. She starts to jerk him off, saying, "I can't wait to have this big dog cock inside me." Then she says, "Will you still fuck me after I've done it with a dog?"

"Of course, I'll always fuck you."

My dog mounts her and starts to hump her. Maria says, "He's not in," She grabs his big cock and guides him into her pussy.

I ask her if he is in yet, and she screams, "Yes, and I love it."

He fucks her for a while and then knots in her. Maria is cumming all over his dog's cock. When he's done, he jumps off the bed. Maria says, "If you love me, you'll fuck me with his dog cum inside me."

You don't have to tell me twice. I slammed her pussy with my cock. We shared Maria, but she, too, wanted to get married. So, I fucked her off.

Then last, but not least is my wife, Carol. We went on a few dates, and when we finally had sex, she had some good pussy. It was always wet and very deep. One night after fucking her, I said, "You could probably take a horse cock."

She laughed and said, "Bring it on."

"OK, tomorrow I'm taking you to a ranch and watching you fuck a horse."

"I was only kidding."

I rescued this beautiful Pitbull terrier. We named him Lucky. He was laid back at first, but he started to watch us have sex, and you could tell he wanted some. I left the door open to our bedroom, and Lucky came in. I was going down on Carol getting her ready for my big cock. I had three fingers inside her, knowing she was ready to fuck when she came. I put my fingers by Lucky, and he was licking Carol's cum off them.

She said, "What are you doing?"

I said, "I'm giving Lucky a taste."

"You're sick."

I'm fucking her now, telling her, "Why not let Lucky fuck you?"

She says, "Stop and keep fucking me."

Carol cums twice, and I cum.

I tell her, "Are you ready for Lucky's cock?"

"Do you want me to fuck him?"

"Yes, Now do it."

Carol gets on all fours, and Lucky mounts her. Lucky is humping Carol, and then he finds her pussy. Carol screams, "Fuck me, Lucky. Fuck your mommy."

Lucky fucks her and knots in her pussy. Lucky's cock falls out of Carol, saying, "Now there is no turning back."

"What do you mean?" I asked.

Carol says, "Now, when you're not around, Lucky will be fucking his mommy."

I laughed, and Lucky and I fucked Carol all night. I made my wife a dog slut, and enjoy it as much as she does.
