BEASTIALITY STORIES

Danny a tall good looking hunk of a man introduced his wife Judy, a beautiful trophy wife with perfect tits, ass and legs, to BDSM sex shortly after their marriage twenty years earlier. They both worked at maintaining their individual looks over the years with diet and exercise.

Both of them have always enjoyed and looked for different ways to make their kinky sex exciting. They thought of different ways to have sex most always involving bondage even though they still enjoyed occasional vanilla romantic sex. They love to roleplay with Danny always the dominant and Judy submissive. To Danny's surprise, Judy embraced the pleasure of BDSM as much as he did.

Judy called from the kitchen to Danny getting ready for work in the bedroom. "Danny breakfast is ready."

He replied, "Be there in a minute."

Shortly he walked into the kitchen approaching her from behind smiling as she only wore her panties and bra as she poured coffee. He kissed her on the neck and earlobe while he cupped her tits. She moaned and laid her head on his chest.

"You're making my pussy wet, Hon. You should not start something you don't have time to finish."

He replied, "You should not be so damn sexy early in the morning."

They both giggled, and he sat at the end of the table as she placed his coffee beside his breakfast plate. They were eating breakfast when Judy looked at him and said, "I want you to tie me up and leave me until you come home for lunch. Then I want you to fuck me like a bitch craving hard cock because I will be for sure by that time."

"Are you sure you want to be tied for over four hours in one position?"

"Yes, I thought about it most of the night and this morning and my pussy's wet and twitching from the idea of being tied alone for so long of a time."

"Well, I'm not one to deprive my beautiful wife something she wants." He chuckles. "My love tool is already reacting to coming home for lunch."

"If we're going to do this, I'll get the restraints while you put the dishes away and strip. Meet me in the den."

"Ok, I am getting excited thinking about it," he said.

Judy stood naked in the den when Danny came in with a bundle of restraints. He placed a cushion on the coffee table for her to lay face down and a cushion for her knees on the floor.

"You gonna tie me on the coffee table?" Judy asked.

"Yep, on your knees and lie face down on the table," Danny said.

"Yes, sir," she said as she did as he told her.

With her pelvis against the end of the table, her head hung over the opposite end of the table. Using leather cuffs, he tied her wrist to each of the table legs under her shoulders. He ran a long leather strap over her back just below her shoulders and pulled it tight before securing it under the table. She cannot rise more than a couple inches from the table top. He used leather cuffs on her spread

thighs to tie them to the legs of the table.

"Do you have to blindfold me," she said as he knelt beside her head with a leather blindfold in hand.

"No, I don't have to, but I am unless you say the safe word."

She moaned but did not say the safe word and then rendered sightless by the blindfold as he buckled it tight behind Judy's skull.

"Ouch!" Judy squealed when his hand landed with a hard, loud smack on her ass cheeks.

"Just checking to see if you are secure," he laughed.

"Asshole," Judy giggled.

Judy moaned long when he caressed her wet pussy playing with her clit until she was about to cum. Pulling away he said, "I have to have a quick piece of that hot meat before I leave—Ass or pussy?"

"Pussy... I need to cum so bad right now," Judy yelled.

Danny slipped his pants and briefs to his knees, dropped to his knees behind her and rammed his nine-inch hard cock deep into her well-lubricated cunt. Fucking her hard and deep, they both moaned with mutual orgasms as he dumped his baby making juice in her.

"Thank you, sir."

He pulled out of her cunt, moved to her head kneeling; he pressed his cum coated cock head to her lips.

"Clean it, my hot little slut."

She opened wide receiving his semi-hard cock deep in her throat. She sucked and licked his cock clean moaning with pleasure all the time. He pulled away, pulled his briefs and pants up, and smacked her ass telling her not to go anywhere until he gets home.

"I think I will be right here when you come back," Judy said.

"I'm going to be late for work," Danny said as he went out the front door locking it.

Judy lay on the table tied secure, blindfolded leaking cum from her pussy. After about an hour, she heard a noise at the back door. She tensed and lay very still in silence wondering who might be in her backyard. Then she relaxed when she realized it was Rebel, their German shepherd dog, coming through the doggy door into the kitchen for water and food.

Judy lay still listening to the quite in the house. She could hear Rebel lapping at the water in his bowl for a bit. He did not go back out the door and moved through the house sniffing the air. Judy heard his footsteps moving toward her across the dining room tile. Then nothing as he entered the den onto the carpet. She jerked in her bonds and squealed when Rebel ran his long tongue across her mouth.

"No, Rebel, stop that," she scolded the dog.

He moved away from her head, sat on the carpet sniffing the air. Moving behind Judy, he stuck his nose into her ass searching for the source of the smell of sex in the air. Judy clinched her ass cheeks and pussy lips at the unwanted touch of his cold nose to her private parts.

"No! Bad boy," she yelled. She sucked in a hard breath when Rebel licked from her clit to her asshole. She yelled, "NO! NO! Bad boy! Out Rebel!"

Rebel ignored her command and licked her pussy hard and fast with his long tongue trying to get all the cum and pussy juice he could. Judy started to grunt, moaned and squealed each time his tongue attack her clit or drove deep inside her. She gritted her teeth as the unavoidable orgasm started to rise in her body producing more sweet nectar for Rebel to lick up. Judy screamed loud when the explosion of her orgasm forced cum from her pulsing cunt into Rebel's mouth. She started to settle down from the most intense oral orgasm she had ever experienced when she felt Rebel's furry chest on her back and his front paws on either side of her body.

"No! No! Rebel you can't fuck me. Bad, bad boy! No Rebel you can't fuuuuuuck meeeee! Aaheeeeeee!" she screamed as his cock found her pussy hole and drove balls deep with his hot hard eight-inch cock.

Judy felt the pain and the hot pleasure of his cock driving in and out of her cunt at an unbelievable speed. She could not help but succumb to the extreme pleasure she was feeling from this unwanted dog rape. She had a colossal orgasm lubricating her cunt for easier fucking by Rebel. She felt faint from the intense pleasure this damn dog forced on her. Just as Judy thought she was coming down from the unbelievable orgasm, his knot slipped in her pussy and starting swelling against her G-spot as he fucked in and out of her pussy sending her into another volcanic orgasm followed by one after another orgasm. Rebel drove deep and held still as his cock pulsed with several shots of cum in her.

Finally, he emptied his balls deep inside her pulsing orgasmic cunt and tried to pull out. Judy screamed, and Rebel yelped when the knot held tight in the opening of her pussy inducing pain and pleasure to her and pain to Rebel. He held still to her relief. Testing for exit occasionally Rebel finally pulled his knot from her body with a loud pop followed by a river of mixed human and dog cum pooling on the cushion between her knees. Judy's head hung over the end of the table as she went into semi-consciousness.

Jeffery, the teenage neighbor boy, heard what sounded like screams coming from Danny and Judy's house and went to investigate. There was no answer to the front doorbell. Judy heard the bell but did not try to answer it. Jeffery worked his way around the house into the backyard finding the kitchen door unlocked. He quietly moved inside cautiously moving through the dining room to the den.

He stopped dead in his tracks as the sight, it rendered him speechless. In front of him was his neighbor lady, the most beautiful sexiest middle-aged woman he had ever seen, tied to a low table on her knees, legs tied spread, arms tied to the front legs of the table with a long belt holding her torso against the tabletop, blindfolded and her cum leaking pussy exposed so invitingly. He closed his mouth deciding to take advantage of this woman he had jerked off to so many times.

Judy could hear the slight movement of someone in the house. "Please help me. Untie me. I have just been raped by our dog," Judy whined.

He said nothing and moved between her spread legs lowering his pants releasing his seven-inch hard cock. Jeffrey knelt behind her, rubbed his cock up and down her cum covered twat.

Judy yelled, "No! Stop that. Untie me now! Who are you? You can't do that to me. Ooh!"

She moaned when Jeffrey shoved his hard cock balls deep in her cunt and fucked her hard and fast. Judy's body betrayed her, and she felt another unwanted orgasm building deep inside her. She dropped her head and moaned with pleasure. Being young, Jeffrey's first piece of pussy, he did not last long and rammed deep held still and shot his load of cum in her cunt. He pulled out, pulled his pants up and ran out the back door leaving her feeling empty and on the edge of an incomplete orgasm. She lay head hanging moaning with unfulfilled frustration.

Jeffery ran to his room excited that he had lost his virginity to the hottest, sexiest MILF in the country. He opened his bedroom window listening for any more activity from next door. Lying on his bed, pants down around his knees, rubbing his semi-hard cock. He smelled sex on his body and moved his hand to his mouth smelling the female nectar from his neighbor. It did not smell bad at all, so he tentatively licked his finger.

"MMMH, good," he moaned.

Jeffrey quickly licked his fingers clean of the love juices from him and his neighbor.

Judy lay tied to the table blindfolded trying to relax and enjoy being alone now. Her relief was short lived when she heard man's or woman's best friend, in this case, enter through the doggy door and move toward her. She jerked in her restraints when Rebel sniffed at her pussy and began long hard strokes up and down her vagina, shocking her clit with pleasure at the beginning of each long stroke of his torturous tongue on her very sensitive pussy and clit. Judy could tell her cunt lips were swollen and wet and she was sure very red from being fucked hard by her husband, dog, and an unknown rapist in the past two hours.

Her thoughts interrupted by the sudden orgasm flowing through her body peaking in her pussy sending shocking pleasure currents through her. Judy screamed, threw her head back and squirted cum in Rebel's mouth and face. He licked her to another orgasm before mounting her.

"NO! NO! Rebel NO! Not again. I can't take another fucking now," Judy shouted.

Rebel humped at her backside searching for his pleasure hole. Judy wiggled her ass hoping to make him miss and give up leaving her alone.

"Aaaheeee! NO, Rebel, get it out my ass. Down, Rebel, OOOOOHHH! It hurts so bad. You're tearing my asshole. Stop, please," she moaned.

He pumped his hot cock deeper in her ass stretching it painfully until his precum lubricated the walls of her rectal canal. The pain turned into a mix of pain and pleasure. Judy moaned and yelled, "Yes, yes fuck your bitch's ass hard. Fill my ass with your hot doggy cum. Yesssssss!"

Judy yelled as he forced his knot in her ass, pumped a few times and held still. She felt his cock pulse deep in her colon as he pumped cum into her stomach. She felt her tummy swelling with the volume of hot dog cum dumped in her. The sudden feeling of the hot cum in her intestines forced an unbelievably pleasurable orgasm to rip through her reproductive canal. Rebel finished dumping cum in her and tried to pull out. The pain in her ass from the enormous knot pulling at her sphincter forced another orgasm through her cunt.

The orgasm was so strong, and she was fucked out to the point she passed out for a few minutes

coming to as Rebel's knot popped from her ass followed by a torrent of dog cum running down to mingle with her cum to pool on the cushion between her knees. Rebel licked her pussy and ass clean and went back out the back door.

Judy lay quietly tied to the table wondering how this all could be happening to her when all she wanted was to lay contently tied to the table until Danny returned home for lunch to fuck her hard to a mind-blowing orgasm and release her. She did not know what time it is but thought it had to be near 10:00am since Danny, Rebel the dog, an unknown rapist and the dog Rebel again, had fucked her. Judy had to smile when she thought: *I've been fucked three times in my pussy, once in my mouth and once in my ass in the past two or three hours forcing me to cum so much I don't think I could cum again if I wanted to, which I do not. I'm happy, exhausted and satisfied. I don't think I will need any cock for at least a week. My pussy and ass are both very sore and sensitive right now.*

She had no idea how long she lay tied to the table deep in thought of the events of the morning. Suddenly she was shocked back to the present when she felt Rebel's tongue working on her ass, pussy, and clit forcing waves of pleasure deep inside her again

"Pleeease, NO! Rebel. Not again! I can't handle another fucking from anyone right now. Go away, Rebel! NO MORE!"

Judy screamed at the top of her voice when Rebel rammed his long hot hard cock balls deep in her sore pussy. Her scream turned to moans and grunts when he fucked in and out of her sore pussy forcing his knot in her tender, sore, sensitive, pulsing cunt. To her surprise, she felt another huge orgasm racing through her body with his hot cock and knot working on her pussy clit and G-spot eliciting grunts and moans from her lips. Rebel thrust hard deep and held while his cock pulsed yet another huge volume of dog cum in her womb forcing an orgasm to blast her cunt with terrible force.

She screamed, "Yeessssssssssssssss, you horny bastard, fill my cunt with your hot puppy making seed."

The orgasm was so intense she passed out. She eventually woke to Danny's voice.

"Are you alright, Judy? Judy, are you alright?" Danny asked shaking her.

Her eyes fluttered open. "Yes, I think I'm OK," she said.

"What happened here, Darling?"

Judy giggled and stated, "Well, Danny, you tied me, fucked my pussy, my mouth and left. Rebel came in after you left licked my face, ass, pussy, ass and fucked my pussy dumping a load of cum in me and forcing me into a killer orgasm. Then some unknown man came through the back door fucked my pussy shooting cum in me, pulled his pants up and ran out the back door saying nothing. A while later, the dog Rebel came back, fucked me in the ass, depositing another load of dog cum in my ass, pulled out, and went back outside. A few minutes ago, I thought since I passed out and have no idea for how long, Rebel came back for another run at my pussy and fucked me unconscious. I woke up to your sweet voice. Now untie me. I need a hot shower and about twelve hours of sleep."

Danny chuckled and said, "Sorry, Babe, I can't untie you yet."

“Why the hell not?”

“Because I’ve been trudging through work at the office with a painful hard-on thinking about you tied to this table with a hot wet pussy waiting for my cock. I’m gonna fuck you giving you another load of cum to go with what you already have dripping from your pussy and ass. Then I’ll untie you and go back to work.”

“Sorry, Danny, I can’t stand another fucking today, maybe tonight. Ouch,” she yelled as he rammed his hard cock in her ass driving it balls deep in her well-lubricated anal passage.

He fucked her ass hard, fast and deep. She is so surprised when she felt the impending orgasm in her cunt from him ass fucking her. Her orgasm was right on the edge when Danny slammed balls deep in her ass and pulsed a huge load of cum deep in her ass forcing her to squirt cum hard onto the cushion between her knees. Danny lay on her back until his cock softened and slid from her ass making her moan with pleasure and feeling empty. Danny watched cum leak from her gaping ass for a minute, untied her wrist, torso, and removed her blindfold.

“I love you, Babe. You can finish untying yourself. I have to get back to work.” Pulling up his briefs and pants he walked out the door, saying, “See you tonight, get some rest. I’ll be looking forward to another hot piece of that sexy ass when I get home.”

Judy yelled, “FUCK YOU, DARLING,” as the door closed and locked.

The End
