If you ever want to get your wife or girlfriend to have unconventional sex, our advice is don't bring it up, don't talk about it, and whatever you do - Don't ASK! A woman either does it initially as an experiment when she is exceptionally horny as a means of sexual release, or she could be encouraged by a very close friend, spouse, or come across it on the Internet which stimulates her imagination and curiosity.

Note to Readers: We are not illustrators. We tried to select eight, existing images that would represent various scenes in the story. Unfortunately the characters in the images are not consistent since they originated from different illustrators.

Leanna and Dan are a couple that could be said as fated or meant to be together the rest of their life time! They were a matching 'beautiful wife and handsome husband' couple. Dan has an adonis body that turned women's heads and Leanna has a top model body that has the ability make every guy sport a tent in their pants - and frequently drew interested attention from women as well!

Leanna and Dan first met early during their college years, and they were so well compatible both mentally and physically, they got married shortly before graduation prior to both entering graduate school.

For a wedding present, Leanna's parents had given them some land and a small cabin that was adjacent to the family ranch located in the Rocky Mountains, where her parents had a small Arabian horse and miniature horse breeding operation.

Just for fun and a little extra profit Leanna's parents also bred, raised and trained a few miniature donkeys for sale as guard donkeys as they made exceptional guardians for livestock, but also just as effective of loudly alerting owners of arriving visitors.

After graduate school they had moved to Denver, Colorado to enjoy the active outdoor lifestyle they both so loved. Leanna and Dan recently purchased a huge old Victorian house. The old historical Denver neighborhood was comprised mostly of young couples and a few middle-aged couples, drawn to the area and its fine old craftsman houses near the city's center, renovating and restoring the large old houses to their former hand-crafted charm and beauty.

The neighborhood consisted of just two, very long blocks, with a gated entrance at the front and ending in a cul-de-sac at the far end. All the neighbors were extremely friendly, pitching in to help out with each other's restoration efforts on a particularly challenging problem or lending experience to those less experienced.

It was only after they moved in that their new neighbors informed them the old rambling three story house had a reputation as being haunted...

The realtor had told them that after the original long-term homeowners sold, the house had been resold numerous times during the last fifteen years, explaining that each of the previous owners had not realized what a job it would be to fully restore the huge multistory Victorian house to its former glory with all its Old-World elaborate wood craftsmanship inside and all the handcrafted gingerbread trim on the outside.

However, after the sale and getting to know the new neighbors, the neighbors somewhat contradicted the information the realtor had provided; in almost every case, a youngish couple had purchased the large house, and after less than two years or so, almost always it was the wife that insisted on selling the house. Strangely the neighbors had noted, it was always right after Halloween when the house went back up on the market, and that the neighborhood was also considered haunted due to a few other houses that reputedly had mysterious happenings and a history of short ownership...

Leanna and Dan knew it would be a huge renovation project but have plans to operate it as a bed and breakfast, plus they had the expertise. Dan was an architect and Leanna an Interior Designer which enabled both of them to work out of the house. It was the grandest house on the block but sorely in need of restoration.

The huge house had seven very spacious bedrooms each with a large en-suite bathroom; four bedrooms are located on the second floor and three bedrooms on the third floor, each housed in its own Victorian turret. A long multi-level grand stair case connected the upper floors.

Leanna and Dan had spent considerable effort and expense in creating their resplendent master bedroom in one of the turrets on the third floor. The round expansive master bedroom was especially appealing as it was extremely large in space, completely surrounded on three sides by very wide and tall seven foot windows. The Mica infused wall paper imparted a pearlescent background giving a shimmer and sparkly shine under the recessed LED lights, especially during the daytime with sunlight sparkling off the reflective wallpaper brightening the huge master bedroom.

A portion of one bedroom wall contained a tall narrow bookshelf which held Leanna's lurid romantic erotic fiction she greatly enjoyed as one of her relaxing pastimes. Leanna has always had a vivid sexual imagination, and indulging in her fondness for this type of fantasy erotica literature she knew also assisted in keeping her and Dan's sex life spicy and interesting. Leanna particularly favoring stories set in medieval, Roman and Greek eras that contained themes of paranormal romance, seduction and ravishment that included elements beyond the range of scientific explanation that blended together speculative fiction genres of fantasy, mythology, horror and science fiction.

Six months before Halloween they had moved in with their two huge but loveable Rottweiler's, Amadeus and Rolf. Amadeus seemed to be Leanna's dog, always by her side while Rolf was the inquisitive one, starting games and wanting to explore, always wanting to be with Dan. The young couple alternated weekends working on the house and spending time at their cabin out in the country.

In the two weeks leading up to Halloween Dan and Leanna had put in a lot of effort decorating the exterior, with all its possibilities the house lend to elaborate decoration for the seasons and Leanna and Dan were already planning elaborate Christmas decorations.

However, for the past few nights both Dan and Leanna were troubled by strange dreams, even

nightmares, compounded by the creaky old house with its extensive elaborate woodwork and grand wooden stair cases making noises as the temperature and humidity changed. Both laughed off their troubled sleep as too much imagination and the extensive work they had put in for Halloween and their first hosted party.

They planned a special evening for Halloween night after the trick or treaters had finished their rounds. The moon was full and exceptionally bright on this All Hallow's Eve.

A few of the younger childless couples in the neighborhood, as well as a young, attractive lesbian couple who had recently moved in down the block, were invited to come over to socialize and enjoy the festivities of the costumed children that came up to the house for treats.

Leanna and Dan had easily overdone the elaborate decorations of the old Victorian house, which had been transformed into the main attraction for this Halloween night for blocks around.

The adults too were costumed for the night with most of the women wearing "adult" versions that were tantalizing and bordering on the risqué. Leanna herself was wearing a bit risqué, Dark Angel costume; not too scandalous, however she indeed looked sensationally sexy and drew the eyes of every adult - man and woman! In many minds of male and females alike, very alluring Leanna conjured wild fantasies!

Leanna's Dark Angel Costume!

Everyone had several drinks and the little mini-party eventually got quite boisterous as well as a bit lewd by all! Then as the party reached its apex, a bottle of Deep Eddy lemonade flavored vodka appeared, a few of the more rambunctious guests daring others to take shots. During the next hour Leanna and Dan had each bolted back five shots of the deceptively smooth but potent vodka, which tasted just like lemonade.

Dan and Leanna themselves had worked their way through two bottles of champagne by the time their guests had left, plus a few earlier mixed drinks before the guests had arrived. After their very inebriated guests had left, Dan and Leanna made a futile, half-hearted effort to clean up the party residue, quickly realizing they were way too drunk, besides, Leanna looked damn sexy in her costume! She had dropped enough hints and flirty actions during the evening that better things were yet to come!

Dan and Leanna retired to their master bedroom in one of the third story turrets, both more than

tipsy - actually quite drunk off their asses!

Both badly stumbling up the three long flights of stairs then down the long hall way to the very end where their bedroom was sited. Dan went to one of the guest bedrooms and bath to prepare for bed. As a surprise for Dan, Leanna had put on a new sexy nightie from Fredericks of Hollywood.

It was barely-there lingerie that was more erotic than sexually alluring!

As Leanna admired herself in the full-length mirror, once again she recalled how extremely horny she gets when she's been drinking a lot, almost insatiable so... and tonight is one of those nights!

Alcohol always got her going; her orgasms always seemed much more intense, more numerous, each climax of longer duration. She fondly remembered that one time during her university junior year when her best girlfriend and long-term roommate, Samantha, and she had experimented with Ecstasy while going out with Dan dancing and partying.

Dan had gotten extremely drunk, they all did! Plus she and Samantha had been under the influence of both alcohol and the drug, and they had become extremely horny - unbearable so...

Extreme dirty dancing ensued between all three at the same time, roaming hands became very intimate between all three. The next morning at Dan's off campus condo, they all had awakened in the same bed, totally naked! Leanna's pussy and ass sore as were Samantha's, a variety of sex toys laying on the rumpled fluid stained sheets, the last part of the night largely unremembered in an alcohol and drug induced haze - or so Leanna and Samantha had told Dan...

All three were acutely embarrassed...

Not once during Dan's and Leanna's courtship and engagement that had begun in their university sophomore year did either one stray, even though she allowed her girlfriends, to an extent, playfully flirt with her handsome and exceedingly well-hung fiancé...

Dan's impressive attributes were well known to her girlfriends as young women liked to share such things...

Samantha, Leanna's gorgeous best friend and roommate, Leanna allowed slightly more liberties than the others...

Samantha had never shied away exhibiting how sexually attracted she was to Leanna - as well as Dan...

A few months after Leanna and Sam had started living together at the beginning of their freshman year, Samantha had begun playfully flirting with Leanna and Leanna had reciprocated, at times Leanna initiating it!

Then when the three of them had been out partying or dancing and Leanna and Samantha had returned back to their dorm room, there had been episodes they had been undressing and horse played with each other, which had included playfully teasingly touching and goosing each other's nude bodies. Times when they had drunkenly wrestled nude together, and the goosing became more intimate spicing the game with unintended consequences of making them both laugh outrageously when a direct hit was scored! Even more raucous laughter with repeated direct hits!

During each of these episodes neither Leanna or Sam seemed able to control their laughter which in effect seemed to prevent more in-depth exploration of their mutual attraction and increasing desires for each other. However, following the junior year episode with Dan, when Leanna and Samantha had been drinking, on occasion they again more intimately explored, to some extent, this undeniable mutual attraction...

Through their remaining university years which included graduate school, Samantha and Leanna remained the best and closest of friends, in fact they grew even closer. Samantha being her maid of honor at her wedding when Dan and she had married in their senior year prior to all three starting graduate school. After the honeymoon Leanna moved into Dan's condo, and it just seemed natural that Samantha also moved into the condo's spare bedroom instead of trying to find another roommate.

Leanna recalled the time when she and Samantha, all three living together in Dan's condo after they had married, she and Sam had decided upon a momentous ploy to tease Dan with, subtly inducing Dan to accept what she and Samantha already knew and hoped to make permanent in the future...

Samantha, taking cues from what Leanna wore when lounging around the house, starting off with wearing jeans and going braless under tee-shirts and cropped tee-shirts, then progressing to skimpy panties and braless under barely hip-length tee-shirts, then progressing to G-strings and braless in tee-shirts or very short, sexy robes.

Then the sleepwear; more erotic lingerie than sleep wear, Leanna and Sam both usually slept nude at night but what they wore lounging around became ever more abbreviated and less discrete, with very intimate areas barely concealed! Then Leanna and Sam's scheming progressed to Sam sitting next to Dan with Leanna on his other side while watching porn movies, both wearing risqué, erotic lingerie...

One night after the three of them had been out dancing, and neither girl near ready for bed, still flushed with alcohol, all three had watched a campy sci-fi porn movie together of space creatures and aliens ravishing women. It was hilarious but still contained very explicit hard-core sex scenes. Leanna and Sam started cutting up with each other imitating the actresses, escalating to Samantha and Leanna drunkenly wrestling with each other while both wore skimpy lingerie! Fully aware Dan was catching very intimate glances of Sam's bare flesh! Then they ganged up on Dan...

Piling on top of him, holding Dan down, forcing bodily contact with very intimate and barely concealed areas as they wrestled with him! Their bountiful breasts both easily popped free of the skimpy lingerie they were wearing, one of Dan's hand firmly trapped against Sam's G-string covered

pussy! Dan feeling the moist heat emanating from it combined with two near topless women on top of him got Dan exceptionally panicked!

To their hidden glee and testifying to the successfully effects of their long-term plan, Dan burst out saying,

“Damn It You Two Are Doing This On Purpose! Teasing Me!

It is very disconcerting to have you two doing what you are doing! You both beyond description gorgeous and sexy! Barely wearing anything! Hell you both ought to quit pretending and just get naked! Wrestling with each other heedless of what you are flashing or completely baring! You both have been intentionally teasing me ever since we all moved in together! No! Make that even before then!” Dan exclaimed in considerable consternation.

“Oh come off it Dan! It’s not as if you haven’t seen Sam totally nude before...” Leanna stated, unable to not giggle.

“Damn It Leanna! You know none of us remember that night!” Dan, again in exasperation exclaimed.

“Maybe so, maybe not...!” Leanna replied, a saucy, highly amused grin upon her face...

Samantha couldn’t contain herself any longer. She burst out laughing! Further inflaming Dan’s embarrassment and growing consternation...

“Damn it! I think you two are trying to wear me down to create another incident like what happened in our university junior year! What do you think would happen afterwards, being married now? It was traumatizing and risky enough we were engaged at the time! Do you two think if the three of us did it again we would keep on doing it?

The three of us care too much for each other to allow us to hurt what is turning out to be a life-long deep friendship! For the record, and I shouldn’t have to say this, the three of us dearly love each other too much to jeopardize the special friendship we all have...

And if the two of you keep this *game* of yours going, it will be up to the two of you to figure out how it will work out because for the life of me I can’t! I’m not about to jeopardize my marriage and our future plans together, nor jeopardize the special relationship we have with you, Sam...”

The next morning while Dan had gone to the gym for a workout, Leanna and Sam discussed the previous night’s event, now assured their plan was working...

Leanna had told Sam how insanely horny their playful antics were driving Dan! “Except for last night, he never says anything, but I do notice a subtle difference in the bedroom when we do, making sure I’m especially vocal about it so you can hear down the hall...”

“Damn Leanna you’re playing both of us!” Samantha hotly replied.

“I’ve lost count of the nights I’ve laid in the guestroom down the hall listening to you two sex fiends going at each other while stroking a dildo in and out of my pussy! Honestly, one night I couldn’t stand it any longer and I got up and went to y’all’s bedroom door, which was ajar. I watched you two getting it on...

I couldn’t resist and I frigged myself off while watching you two!

Imagining Dan's incredibly thick, ten inch long monster cock fucking me in all positions, no hole barred, while you and I pleasured each other at the same time while trying to fully remember that special night in our junior year when we all did it together! When you came, I did too..."

"Oh, Sam sweetheart, I've been intentionally leaving that door ajar for you!

And I know that wasn't the only time you have watched us!" Leanna laughingly exclaimed, Samantha's face turning beet-red with embarrassment!

Now a few years later, Samantha, still single and living seventy-five miles away, was a frequent houseguest on long weekends. Leanna and Sam would not allow themselves to go all the way again like they did that one special night with Dan, not until Dan recognized and fully accepted the special relationship they were in and fully becomes part of it.

However, recurring subsequent occasions had occurred when serious, drunken flirtation had given way to intimacy between Samantha and Leanna, but never to the extent it had that one night, Dan fully aware, not objecting.... especially when both Leanna and Samantha still paraded or sat around in skimpy lingerie in front of him, made even more tantalizing and titillating when the two of them started drunken horseplay with each other frequently dragging him into it!

Still, despite trying to repress his feelings, Dan couldn't help the resurgent fanciful fantasies flirting in his mind of hazily perceived memories and images of that one special night in their university junior year, if it would ever be again recreated - without his gorgeous enchanting wife murdering him afterwards!

During the passing years there had been more than one occasion Samantha had remarked to Leanna how miffed she was that she couldn't fully remember finally getting to fuck Dan's wonderfully huge monster cock! And based on how sore her pussy as well as her ass felt that next morning, she must have greatly enjoyed it! Sam also lamented how she was only able to dimly recall enjoying Leanna and her incredible body and what they had done to each other - as the toys laying on the bed and floor the morning after had testified!

Always, Leanna heartily laughed with an amused glint in her eye, teasing her best friend telling her what an incredible lover her extraordinary well-hung handsome husband is! And a few times when they've had a few drinks, joking with Samantha, Leanna shocking Sam by saying,

"It doesn't hurt to keep wishing and actively fantasizing about it! It's just a matter of time before I believe Dan fully comes around to our viewpoint of the situation!"

"Sam, as the past few years had passed, Dan has finally loosened up to accept very quick passionate kisses and very affectionate hugs from you, as well as the frequent fond caresses - as long as I'm doing it as the same time as you..."

Dan has even learned to respond to our sexual joking with him, and he doesn't overreact as much now when we are wearing erotic 'Fuck Me' lingerie around him! The verbal suggestive joking we do accompanied by physically suggestive joking too, and he doesn't quite overreact now either when we get playful while watching porn movies together!" Leanna stated.

Now Samantha was transferring soon to the area, with Leanna and Dan gladly telling Samantha she could move in with them and stay as long as she wished, or *permanently* move in, as they had plenty of room in their huge spacious Victorian house.

Leanna and Samantha had already previously decided that Samantha was permanently moving in,

but they had to go through the exercise of discussion for Dan's sake. Samantha couldn't help once again bursting into tears along with Leanna when the three of them discussed and agreed that Sam should move in with them.

Leanna exited the master bath and padded toward the luxurious king-size bed to await her husband. The full moon of the Fall season cast a harsh bright white light thru the large windows of the huge turreted bedroom fully illuminating the room and backlighting Leanna and the diaphanous negligee she was barely wearing...

Every firm, beautiful curve of her tall nubile body and her small hard nipples on top of her prominently large yet exceedingly firm double D breasts were clearly revealed and outlined through the gossamer material of the lingerie.

Dan entered the bedroom, shocked into stillness of the vision of this incredible lithe goddess as she stood alluringly by the bed, gazing at him with an enchanting, amused look upon her face. Once again Dan was amazed at how this incredibly beautiful and oh-so-smart and so very talented woman had accepted him as her spouse and partner...

Indeed, every inch of Leanna was a lovely vision; she was tall, toned, athletically slim yet still curvaceous, with large full breasts that were astoundingly firm, her perfect breasts topped with small nipples and almost non-existent areolas. Her entire abdomen flat, hard as a rock, with every abdominal muscle group clearly defined from extensive workouts.

Leanna had been the university homecoming queen her senior year and had made extra money modeling swimwear during her university and graduate school years. Back in college she had most of her pubic hair removed by laser except for a small decorative V design that seemingly pointed the way to her most erogenous zones!

Leanna's capacity for imaginative sexual innovations combined with Leanna's sexual responsiveness made for an unbelievable combination! Even after all these years of being together, each time they had sex it still felt like the very first time!

The intensity! The passion!

The full moon brightly illuminated the large space within the master bedroom and the very amorous couple on the king-size bed. Dan started by kissing Leanna's left ankle. He loves to kiss her legs, so very long, tight and athletic. He moves up her leg, kissing her calf.

He lifts her leg up off of the bed to kiss the back of her calf, his tongue licking her skin. He slides his tongue up her leg to the back of her knee. Leanna shivers, her small nipples become diamond hard. He lays her leg back down on the mattress and slowly moves up her thigh. His hands precede his mouth, gently caressing her skin...

He runs his tongue up her inner thigh, enjoying the feel of her smooth skin. His hard cock rubbing against the mattress. His mouth approaches Leanna's nearly hairless pussy. He kisses then licks the tender sensitive skin at the already heated juncture of her loins then quickly moves over to her other leg, teasing her...

He sucks at the skin on Leanna's right thigh. His hands move up her hard, taut body and slide under the chemise that she wore especially for both of them tonight. He straddles her right leg. His amply endowed ten-inch cock slips out of his red silk boxers and slides along her smooth leg as his kisses begin to move back down her thigh.

Leanna writhed against the sheets with increasing passion! She reaches down and grasps the hair on Dan's head. Anxiously she pulls his head to her highly aroused wet pussy, fervently desiring to feel his tongue inside her...

Dan obeys and moves his head back up to her heated pussy...

His hands slide along her flat, hard stomach then reaches up to fondle her firm large hard nipple breasts, gently pinching one nipple, knowing well how Leanna loves having her nipples and breasts played with, how it stimulates her even more! Frequently Leanna will attach dangling non-piercing nipple jewelry, loving the tugging sensations on her nipples as the long dangles drag through Dan's muscular hairy chest.

His tongue moves between the hot swollen lips of her gorgeous pussy. He laps gently up, probing with the tip of his tongue between the wet lips and gently flicks her already hard protruding clit. His hand massages her large firm breast and pinches the nipple gently, causing her to emit a small moan. She wraps her long, lithe legs around his back and tilts her pelvis up towards his mouth...

"Oh Dan, you are so freaking good at this! If it wasn't for your incredibly huge cock, I would have you go down on me for hours! Leanna drunkenly slurred...

Dan teasingly pushes his tongue inside her tight vaginal entrance and starts thrusting his tongue in and out. Always he marveled at her extreme tightness, it even felt tight around his tongue! The battle they had to wage each time to get his huge cock into her supremely tight pussy! The marvelous adaptability of her insanely tight pussy to accommodate his very substantial cock!

Leanna has the tightest pussy of any woman he had ever known and he known plenty before he had met Leanna! Even considering he was much longer and thicker than most men! What was even more exciting is the extreme, talented control Leanna has over her vaginal and anal muscles!

Dan's lengthy and very thick erection drags against the mattress, achingly wanting to feel it thrusting inside Leanna's extreme tightness, of her hot pussy tightly gripping and exerting control, squeezing it like a vise! Massaging every bit of his thick ten-inch length...

Then their Rottweiler Rolf started whining, staring at the door with his ears pricked, his massive head cocked sidewise...

Leanna moans arching her back in response to Dan's manipulations with his very talented tongue. He moves his tongue up her pussy and sucks her swollen hard clitoris into his mouth. Rhythmically he begins flicking it with his tongue. Leanna's slim hips jerk uncontrollably against his mouth! Her body automatically responding to the cunnilingus stimulus...

Again Rolf whines loudly and starts scratching at the door...

Quickly Dan yanks his head from between Leanna's widely splayed legs. He rolls over to the other side of the bed and sits up and yells at Rolf to stop before he damages the recently restored woodwork. Leanna curiously looks at her husband,

"That's strange, neither he nor Amadeus had ever scratched at the door before to be let out..." Dan exasperatedly remarked.

"Both dogs know better and extremely well-trained."

Rolf looked inquisitively at the amorous couple now sitting up in bed looking at him.

"Dan," Leanna says, "Go take care of him." She sighs, holding her arms tightly to her chest. Dan looks at his gorgeous wife. She looks so incredibly sexy tonight – beyond sexy! Leanna had surprised him with the very sexy and erotic chemise. He desired her so badly his erection was actually painful!

Rolf again loudly whined and stood at the door. Dan lets out a loud frustrated sigh. He brings his hand over to Leanna's leg, sliding it up her firm, toned thigh..., Leanna grabbed his hand.

"Stop it, Dan," she commanded, "Go see what he wants. His stomach may be upset from sneaking party snacks from our adoring guests. It's a long way down and through the house to get him outside, and you will be the one cleaning up the mess if you do not get him outside in time!" Leanna releases his hand, stroking it softly.

"I'll still be here when you get back and I'll still be wearing this, maybe..."

Leanna stretches out along the bed, sensuously arching her back. Her full hard nipple breasts push out against the chemise. Dan can see her tiny hard nipples pushing through the thin see-thru fabric. Her darkly tanned body showed off her tan lines from the skimpy Rio string bikinis she favors, her amazing body putting most women to shame!

Dan leans over and presses his lips to her sensuous lips, Leanna kisses him deeply, passionately, urgent with desire, then she abruptly pushes Dan away. "Hurry back...", Leanna purrs.

Reluctantly, Dan stands up from the bed and pulls his pants and shirt on, finding it exceedingly difficult to stuff a painfully hard ten-inch long erection back inside his jeans.

The new picket fence around the house is not yet complete and that meant getting dressed and putting leashes on Rolf and Amadeus. Rolf is waiting expectantly at the door. Dan calls for Amadeus but he just looks at Dan and closes his eyes, lying on the floor next to the bed on Leanna's side where he always lays at night, her companion, her protector.

"Fine, it's just Rolf and me then but you will have to take Amadeus out later if he wakes us up!" A frustrated put-off Dan stated.

As soon as Dan turns his back, Amadeus looks at his mistress and seeing no sign of discouragement jumps up on the king-size bed and lies down on Dan's side of the bed.

Dan takes another longing look back at his wife...

Leanna is propped up in the bed, her back leaning against the pillows against the headboard, one leg stretched out straight along the bed, the other propped up with her foot resting against the sheets. The barely-there, deeply plunging see-thru chemise is pushed up high on her thighs, her legs spread apart, he can see up between her long, gorgeous, toned legs, of the glorious view of her aroused swollen glistening labia openly parted in invitation...

"Hurry and come back before I decide to get one of my "toys" and start without you!"

Leanna drunkenly teased, badly slurring her words, as she caresses Amadeus while her other hand slowly trails one long finger up between her hotly swollen aroused parted labia, then begins slowly circling her clit....

"Come on, Rolf" Dan impatiently says and started walking down the hallway, almost deciding to stay and damn the mess Rolf may make!

Curiously Rolf is whining all the way down the hall and down the series of stairs. Dan started to feel bad, maybe his stomach is upset. Their guests tonight sneaked plenty of goodies to both dogs, despite Rolf and Amadeus being on a custom pet food program.

As Dan and Rolf made their way down to the first floor Dan was confused by Rolf and the way he seemed to be searching all the doors and dark corners of the old large rambling Victorian house as they passed by.

Around a corner, The Goblin sighs. It listens attentively to Dan and Rolf. It peers from the shadows, waiting...

The Goblin was only partly successful in his plan but he had no qualms that he could deal with the remaining Rottweiler, the one they call Amadeus. The Goblin moved from the dark recessed reading nook and tucked itself into the shadows knowing that no one could see it there even if someone would look. It could disappear into any shadow. He had already laid a clear trail from the exterior of the house to the master bedroom door to entice the dogs and the man to leave this woman alone...

The Goblin is barely three feet tall, however possessing long, sinewy powerful arms with abnormally large powerful hands and fingers. Despite his short height his dense muscular body massed two hundred pounds. Its skin dark green with a grayish cast, better to blend into shadows. Its feet and hands are long and sinewy, with pointed claws at the end of each toe. Its head is small with a long, flattened nose. The large, oddly luminous bright blue eyes are set deep in its head. The mouth is full of sharp, white teeth. Its ears are pointed over its head and independently turn to face any noise it may hear. A few tufts of black hair stick out on top of its head. For a mammalian species, his kind possessed an abnormally high body heat of 114 degrees Fahrenheit.

The Goblin and the remaining few of his kind roam especially rampant this time of the year...

Human fears and a goblin's insatiable sexual need feed The Goblin, allowing it to roam in this world where it can cause trouble and sexual mischief. In ages passed he and his kind were honored as minor deities of fertility, with willing and unwilling virgins offered up for his, and hers, pleasure during rites, ceremonies and celebrations.

Then as eons passed, beliefs changed and formerly honored deities were relegated to myths, legends

and superstitions. Deities were forced to transform into imps, faeries, sprites and Goblins. The faeries and sprites went into seclusion becoming mischievous creatures, unicorns and centaurs were too large to hide nor possessed a high enough intelligence to remain in seclusion and were wiped out by man. The imps and Goblins, angered by their relegation to a lesser status, became mostly malevolent.

Goblin's such as these tend to favor remote forests, mountains, isolated towns and haunt old houses, and this old Victorian house over the decades had been particularly pleasant to roam, stirring fears, imaginations, and causing sexual mayhem in general since the long-term owners sold the house. Of years lately, it had been particularly interesting for The Goblin with the numerous young couples that had moved into the neighborhood over the last twenty years restoring and renovating the old Victorian houses near the vibrant center of the city in a surge of urban renewal.

The Goblin waits expectantly. He hears a muffled curse as he hears Rolf lunge out the front doorway to the house yanking Dan along with him, Dan barely able to control the huge powerful 180 pound Rottweiler in his excitement at following the enticing trail that The Goblin had laid leading far down the block.

Then Rolf lunges and the leash is pulled out of Dan's hand! Rolf takes off running out of the yard and down the street! Dan shocked and dismayed with Rolf tearing off! Rolf had never done that before, never even attempted to do so! Dan and Leanna had spent two thousand dollars on each of the dogs for training by a retired military dog trainer!

The Goblin holds a clawed hand to its mouth as it laughs quietly. It waits for a few minutes; listening and looking out the window, watching Dan running way down the long block after Rolf...

It turns from the window and toddles down the hallway, sliding a hand along the wall. The light from the master bedroom shines into the hallway. The Goblin approaches the lit doorway slowly, its eyes squinting against the light. It slides against the wall beside the doorway and tilts its head towards the room. It listens attentively, hears Leanna softly breathing...

Despite her arousal and their foreplay, with her very intoxicated stupor, Leanna had drifted off...

Contrary to what she had told Dan, she could not resist just a little..., felt compelled to touch herself, but resisting the powerful urge to fully pleasure herself, besides, she was multi-orgasmic and was always quick to arouse, especially when she's been drinking.

The Goblin peers into the room, the bright moon light and recessed LED lighting clearly illuminating Leanna stretched out lying on the bed, practically nude in all her stunning glory, and Amadeus lying beside her - staring at him...

The Goblin reaches its hand inside the doorway, finds the light switch dimmer and gradually turns off the recessed lights. Still, the brilliant light of the full Autumn moon floods through the huge surround windows, the mica impregnated wall paper brilliantly scintillated with reflected moonlight adding luminosity to the huge bedroom.

Amadeus jumps off the bed and silently baring its teeth, slowly stalks towards the door...

The Goblin steps into the doorway and faces the huge fearsome dog. Amadeus growls deeply and arches its back. The Goblin waves a hand in front of it, crouches down, and takes a step towards Amadeus. As the dog is about to bark the Goblin with amazing speed springs forward and wraps a hand around the huge dog's muzzle!

Amadeus tries to snap his head away, but The Goblin encircles the dog's head with its other arm as he gently rests his hand against the dog's head and looks into Amadeus's eyes and softly begins blowing his warm breath into the dog's face. The powerful dog struggles for a second more then settles down as The Goblin calms him with a transmitted thought.

As Amadeus relaxes in its grip The Goblin slowly begins to release him. It steps away from the dog and then points at him. Amadeus sits on the floor, waiting for the next command...

The Goblin listens to the gorgeous female human, hearing that she's still deeply asleep. It turned toward the bed and walks to the bed with Amadeus, Amadeus waiting expectantly...

The Goblin ambles to the side of the bed next to Leanna. It stares at her stunning, half naked nubile body - a modern day goddess! She's lying partially upright, her upper body propped up by large pillows against the headboard with her arms placed above her head, the chemise pushed up high on her parted thighs, her nearly hairless pussy in full view. She might as well be completely nude with the see-thru chemise she was barely wearing.

The covers are still bunched at the bottom of the bed. She had lain in bed waiting for her husband to return. She had caressed her aroused wet pussy, sliding her fingers between the folds, along her clitoris, and then down... inside of her.

Leanna had spread her legs wide, pleasuring herself, but denying her release as she waited for Dan, tempted as she was to reach for one of her dildos. Eventually, tired and frustrated and in a very drunken stupor, Leanna had quickly fallen asleep. The Goblin watches her large yet amazingly firm full breasts rise and fall as she breathes. It reaches its hand out to her head and places it on her forehead...

The Goblin's mental acuity perceives Leanna is dreaming of Dan, having returned and continuing where he left off...

His head is between her spread thighs, his tongue wonderfully flipping her hard, aroused clitoris, her legs wrapped around him as each lick and flick of his tongue makes her body twitch in ecstasy against him.

The Goblin's skin pores began emanating potent sex pheromones that no woman could resist succumbing to! Acting as a powerful aphrodisiac, it induces an overwhelming randy horniness that completely preoccupies the mind with sole thoughts and needful urges of wanton sex that demanded to be satiated...

Subtly, the Goblin slowly replaces the mental image of Dan with an indistinct amorphous shape - possessing a powerful, long, hot tongue, and a very thick and immensely long inhumanly hot penis which combined, gives unbelievable pleasure beyond measure! The amorphous shape in Leanna's mind lasciviously tongues her aroused pussy and teases her anus with just the barest of penetrations then slowly lifts its long, powerful hot tongue from her pussy, slowly moving it languidly up her body to her fantastic breasts and sensitive nipples...

No woman within a fifty-foot radius was immune to the near instantaneous overwhelming effects of the Goblin's potent sex pheromones. In an enclosed room, like the turreted master bedroom, it was instantly overpowering! The pheromones filling the mind with fully unrestrained wanton lust!

In days of glory and honor long past, his and his kind oozed skin secretions, precum and semen that were used in rituals to incite orgies that knew no restraint, no boundaries...

The Goblin removes its hand from Leanna's head. Its long, split tongue slips from its mouth and slides along its upper lip. It rubs its gnarled hands together in glee as it gazes with hungry, lust filled eyes, watching Leanna's gorgeous body and mind succumbing to his pheromones and implanted subliminal stimuli...

Leanna began sensuously moving in subtle erotic motions, fully immersed in her artificially enhanced sex dream of being immensely pleased, a soft moan escaping her perfectly formed mouth. Her hairless labia again visibly swelling and beginning to openly part, moisture began glistening within her parted furrow from her secreted lubrication...

For centuries now The Goblin and his kind had been forced to take what use to be offered up to them in rites, ceremonies and celebrations now long ages passed. Forcibly he has taken his pleasure from innumerable women - but in return also ensuring each received ecstatic pleasure beyond measure thanks to his potent sex pheromones.

Only within the past two and a half centuries did the modern term "rape" come into being, however, each woman raped by a Goblin was left with a lasting indelible memory of the ecstatic pleasures she had experienced, as well as a life-long gift: a permanent propensity to become easily aroused and multi-orgasmic with prolonged, extremely intense orgasms...

As an additional evolutionary advantage to counter the Goblin's horrific countenance and diminutive size, their sex pheromones also has moderate hallucinogenic properties. For despite how much wine was imbibed by maidens and/or under the influence of natural mind altering substances known to the ancients, and despite the overwhelming pheromone influence spiking a maiden's arousal to an intolerable, irresistible level, any willing or unwilling maiden, would be overcome with fright and trepidation seeing a grotesque diminutive humanoid creature half the maiden's height between her openly spread thighs as a horrendously ugly, rough penis grew to a monstrous length and thickness way beyond human proportions that momentarily would be raping into them...

Now vivid, colorful thoughts of wild, imaginative, lustful, all-encompassing sex fully occupied Leanna's drunken dream; fanciful mythology images flitted and teased her dreams with goddesses, maidens and priestesses engaging in wanton debauchery with masculine gods, centaurs and satyrs. Then her own incredibly handsome husband appearing as an ancient warrior resplendent in his golden, shining armor, ravishing her on top of an altar in an open air temple while surrounded by maidens and priestesses engaging in an orgy with mythological creatures; the sex dream so realistic, her body sensuously writhed with vivid, sex filled thoughts and imagined sensations, one hand caressing a breast, the other at the hot, moist juncture of her inner thighs...

The Goblin leans over Leanna's widely spread legs and bends down, his long, hot, powerful forked tongue slips between her firm buttocks, slowly he drags his inhumanely hot tongue up between the gap of her firm ass cheeks, over her tight anus then slowly up thru her swelling parting labia, "Ohhhh, Ohhhh, Ummm..."

Leanna moans deliriously in her drunken sleep as she squirmed against the questing snake-like tongue radiating its inhuman heat, her dreams full of incredibly vivid erotic fantasy scenes, the images acting in counterpoint to the pleasure being visited upon her sexy body...

The Goblin repeated his actions; lasciviously dragging his long powerful tongue from her swelling clit, over her flowering pussy lips, downward directly onto her tight sphincter and began probing her anus...

It's hot thick tip wriggled against the tight entrance to her ass, pushing at it with a steady

pressure... Then suddenly, Leanna's ass yielded to the teasing probing and the tip of the Goblin's tongue pushes inside her tight entrance! The Goblin starts thrusting the tip of his tongue in and out! Feeling the intimate heated intrusion snaking in and out of her anus Leanna immediately gasps out in her intoxicated fantasy-filled sleep a loud deep delirious sexual moan of utmost desire, want, and of need...

"AArrgh...that...oOOH!!...feels Fantastic!" Leanna slurred.

Then the Goblin begins slithering his long hot tongue deeper into Leanna's tight ass, Leanna began to writhe and moan with pleasure as the Goblin pushed more and more of its tongue into her ass. It pulsed and throbbed within her, filling her with pleasure...

"Oohh...WOW...that feels amazing...ooOOh, Dan don't stop!!!" Leanna cried out!

The Goblin's hot tongue squirms inside her like a snake eliciting more lustful moans from Leanna as she instinctively begins undulating her hips in wanton sexual ecstasy. Just as Leanna is on the verge of climaxing, slowly the Goblin extricates his tongue from her tightly claspings anus, then slowly drags his tongue in-between her now fully flowered labia lips, then back over her swollen, pulsating clit...

As the Goblin further manipulated Leanna's body and mind into ever greater pleasure, Leanna's shadowy, insidious sex dream deepens to where it fully possesses her mind!

Of an immense monster cock that gives her unimaginable pleasure beyond comparison!

Even beyond that of her own talented husband's wonderfully thick and incredibly long ten-inch cock...

The forked end of his inhumanely hot tongue encircles Leanna's hard aroused clit and gently begins squeezing, eliciting another lustful moan of intense desire from Leanna. The Goblin reaches out with one long finger and slides it between the gap of her firm ass cheeks. The fingertip gently prods her tight entrance as his forked tongue squeezes her swollen clit harder...

"Ohhhh, Ohhhh, Ummmm, oh *please* put it in..." Leanna deeply moans deliriously in her drunken sleep as she pushes her tight ass onto his finger, undulating her ass, squirming around the questing finger, trying to screw it into her tight entrance, her senses overwhelmed with pleasure. Then, the tip of his finger just barely begins slowly slipping into her tightly gripping convulsing entrance...

"Ummmm, Yessssss... oh yesssss..." Leanna again lustfully moans out as her body begins to feel the invasion of her tight nether entrance and the simultaneous increasing squeezing pressure surrounding her hard clit; her body squirming and bucking back in wanton desire trying to achieve deeper impalement! The Goblin slowly eases his long finger further forward while increasing the encircling pressure of his forked tongue around Leanna's clit even harder...

"Ahhhh, Yesssssss.... Dan, push it in deeper, *deeper*..." Leanna sleepily, almost incoherently, moans out.

The questing finger in her tight ass and The Goblin's tongue repeatedly squeezing her swollen clit begins to roust Leanna from her intoxicated deep slumber...

The Goblin's finger penetration stops at the first joint of his sinewy, exceedingly long finger, her ass too tight to accept any more without extensive preparation...

The Goblin sighs to himself, slightly disappointed, then he wickedly grins to himself...

As a test, he begins thrusting his finger in and out of Leanna's incredibly tight ass as his forked tongue squeezes Leanna's swollen clit hard, almost painfully hard...

"Oh...Yeah! Yeah! *Oooohhh* that feels so incredibly wonderful!!!" Leanna drunkenly slurs, repeatedly bucking her firm, cute ass hard against the barely penetrating finger, but yet barely anymore would slide in beyond the three inches of fingertip that was already in.

"AArrgghh YEAH! *FUCK MY ASS DAN!!!*

Slowly the Goblin withdrew his finger causing Leanna to sigh out a disappointed moan in a drunken half-sleep stupor, now having been sexually aroused beyond deep sleep...

The Goblin reaches down to its crotch, sliding his hand over its vastly oversized, grotesque genitalia hanging ponderously between his legs. It grabs its knobby phallus and strokes it as it watches this incredibly beautiful woman writhing in intense sexual arousal. Its immensely thick, ugly cock becomes engorged, lengthening from eight plus inches to its full horrifying *twelve inch* length!

His hideous looking cock swells to immense proportions!

Raised warts studding the entire rough length!

The immensely broad bulbous head of his monstrous cock bulging out even wider than his immensely thick shaft!

His prominent testicles swelling to the size of grapefruit!

His massive cock visibly jerking up and down with powerful lustful pulsations!

Its other hand reaches out and caresses a large firm breast through Leanna's slim chemise, then tugs the deeply plunging chemise to either side of her bountiful firm breasts. When it pinches her small hard nipples Leanna groans in her drunken half-sleep state and slightly arches her back, her legs spreading wide as if offering herself up, her slim hips slightly undulating with intense arousal, beckoning...

Drool trails from the Goblin's mouth and falls onto her bountiful, firm, perfectly shaped breasts, it did not take long for Leanna to become saturated with his copious pheromone laden secretions...

The Goblin releases Leanna's breast and waddles to the foot of the bed. It climbs onto the bed. It crouches between her feet and slowly crawls up between her widely splayed open legs, groaning to itself in anticipation of another conquest of a human woman! This one exceptionally lovely - a stunningly beautiful goddess herself!

Poised between her long, spread legs with a monstrous erection powerfully lurching in anticipation above Leanna's sexually heated loins, the Goblin momentarily lustfully stares at Leanna; her very revealing attire making her appear even more irresistibly erotic, of the sexually inviting provocative posture she had instinctively subconsciously assumed under the potent sex pheromone influence...

The Goblin grasps Leanna's legs and lifts them from the bed. It squirms its knees under her athletically toned thighs and sits back on its calves and drapes Leanna's long legs over its powerful muscular thighs. The Goblin poises the tip of his massive erection above Leanna's pussy, again pleased to see his earlier ministrations had effectively physically aroused Leanna; her labia was

swollen and openly parted, her clitoris peeking out from under her clitoral hood, her lubrication, as if dewdrops on her inner folds. However, he knew she would need much, much more stimulation to fully accept, and enjoy, what he was about to gift her with...

Stroking his twelve-inch long erection, he wrings out a large stringy drop of precum from the tip of his cock, the large drop of slimy, hot precum landed on Leanna's clitoris having an instantaneous effect! Upon heated contact Leanna gasped! Her clitoris began instantly swelling to an even larger state becoming fully exposed, her hard, swollen clitoris began pulsing with each beat of her heart, then her clitoris began swelling, throbbing, to an even larger, abnormal state!

An intense heated flush enveloped Leanna's loins!

Her vagina suffusing with increased blood flow, her vagina began to flow freely with lubrication, visibly seeping from her pussy. An unbearable extreme ravening horniness overwhelmed Leanna inducing a primal, irresistible craving to be taken, of an unbearable yearning to be filled completely...

The drop of precum is comprised of potent, hyper stimulating sex hormones which act as an instant aphrodisiac! It also instantly reawakened a dormant, primitive trait that human females had long suppressed yet most other female mammals still experienced -

The Goblin made Leanna go into Heat!

Whether willing ritual offering or unwilling victim, each woman he has ever taken has valiantly fought him at the first horrid sight or first heated feel of his thick, immense knobby length despite the overwhelming seduction of his pheromones and hormones.

The Goblin relished their violent resistance! It gave such sweet pleasure when he felt them involuntarily surrender; the beginning of their pussies tightly convulsing around his huge cock hungrily feeding upon it!

The beginnings of their inherent instinctual coital movements quickly transitioning to fully unrestrained wanton primal sex...

It grabs its protuberant member and rubs the incredibly large bulbous head against Leanna's swollen, openly parted pussy lips then begins to repeatedly drag his seeping hot tip over her tight anus, up thru her parted furrow of her labia, then over her aroused, abnormally swollen clitoris, spreading his potent precum over all her erogenous areas.

Overwhelmingly intense, sexual lust suffused Leanna's body and mind with an undeniable primal urge to be physically satiated...

Leanna moans softly in her drunken half-sleep state as she earnestly bucks her hips against the inhumanely heated cock tip and the intense pleasurable sensations it is imparting to her, humping her heated pussy onto the broad tip of his cock, Leanna centering it...

The Goblin allows Leanna's fully unrestrained lewd actions of wanton arousal to center the immensely broad head of his cock, setting it against her tight, narrow, steamy vaginal opening, resting the huge, inhumanely heated penile head right at her tight portal...

Then, as canines do, powerful jets of hormone laden sexual stimulant precum starts explosively jetting out of the tip directly injecting the hot sex stimulant lubricant into her exquisite pussy which intensifies Leanna's already unbearable arousal...

Just as expected, as with his other innumerable human female conquests, Leanna emits lustful moans feeling the intense inhuman heat emanating from the bulbous head pressing against her, feeling powerful jets of hot liquid being injected like a syringe into her pussy further stimulating her...

The Goblin's quick reacting stimulating secretions intensely stimulating her already intense arousal to unbearable levels no woman could ever resist - as the Goblin gleefully observed as Leanna, in reaction, earnestly humps her exquisite pussy hard against the huge cockhead trying to make it go in!

The Goblin's grin grows broader with anticipation seeing Leanna's escalating wanton reactions as Leanna subconsciously increases her physical efforts...

Once again the Goblin's eyes hungrily roam over Leanna's beautiful, alluring face, then down her long, lithe gorgeous nubile body; her large yet extraordinarily firm breasts perched high on her chest, her almost non-existent areolas, her tiny nipples diamond hard, the amazing definition of her abdomen showing each muscle group of her hard flat abdomen all the way down to the most wondrous decorative design of what little remained of her pubic hair - a fanciful V shape, pointing the way to her most erogenous areas...

Then, no longer able to stave off his inhuman lust, the Goblin begins pressing the huge bulbous tip of his cock forward against the narrow, extremely tight entrance of Leanna's pussy...

The Goblin is more than pleasantly surprised at the extreme resistance of Leanna's pussy despite her visibly aroused state and copious lubrication!

Intense delight suffused him feeling her extreme tightness!

Over centuries he had raped innumerable women but this exquisite pussy was the tightest pussy he had ever experienced!

He presses harder, Leanna moans as she moves her intensely aroused pussy around and around in small circles, as in her intoxicated, highly aroused semi-consciousness, she instinctively pushes back against the huge bulbous tip...

Leanna groaned as the Goblin began to force the bulbous head of his monstrous cock into her pussy...

Although her cunt was soaking wet from her arousal, it seemingly was an almost impossibly tight fit!

As the Goblin pushed the tip of his monstrous cock ever harder against Leanna's pussy, he began grinning... his grin grew ever wider with his exertions as he realized that never before had he ever had to exert himself so into breaching a maiden's portal!

Wonders of wonders she was unimageable tight!

Penetrating her dazed, drunken semi-consciousness, Leanna, little by little feels herself slowly opening, being stretched way beyond normal limits, a stinging sensation makes itself known of muscles being stretched too tightly to create an opening...

"Mmmmm... Oh! Oh! Ohhhhhh!!!"

"Dan, go slow, you know it takes a while to get your huge cock in me..." Leanna moaned in her drunk half-sleep state...

The large bulbous head inexorably presses into Leanna, slowly stretching her open wider than she had ever been before - monstrously wider!

Soon, oh so very soon she will experience an inhumanly hot cock much longer and much wider than she ever had, and much, much rougher...

OH FUCK!

SO FUCKING *HUUGGEEE*... Leanna drunkenly slurs...

The Goblin reaches an arm under Leanna's firm shapely butt and tilts her hips up slightly.

It leans its body forward....

OH! OHHHHH.... *AHHHHHHH!!!*

TOO BIG!

TOO FUCKING—

*URRNGH!!!*

UNG!

*OHHHH FUCKKKK!!!*

Leanna drunkenly yells out! Feeling the broad head finally breaching her tight, narrow entrance then popping into her vagina! Her vagina instantly clamping down right behind the immense broad glans onto the swelling, thickening shaft! Leanna letting out another deep moan arching her back in response to the intense pleasurable sensations of the abnormally large penile head now embedded just inside her abnormally tight opening, of the sensation of incredibly fullness combined with intense warmth radiating from the immense penile head...

"Ohhhhyesssssss Yes! YES!" Leanna drunkenly moans out as an intense orgasm shudders through her semi-conscious body...

Ecstatically the Goblin groans feeling Leanna's incredibly tight pussy repeatedly spasm around his cock head! Squeezing it with intense powerful rippling contractions!

For the moment he is still, enjoying the amazing sensations Leanna's incredibly talented tight pussy is imparting; a series of powerful, rhythmic orgasmic contractions intently massaging the head of his cock.

When he senses her orgasm diminishing, the Goblin begins incrementally sliding his still engorging cock deeper inside Leanna! Feeling her tight, wet cunt repeatedly clenching his hard, knobby cock like a vise! Astonishment and joy feeling the most incredibly tight responsive pussy he had ever fucked!

Eagerly he anticipates what it will feel like once he has his twelve-inch long cock fully embedded and it has swollen to its full formidable two plus inch thickness...

"Unngghh, Dan, you feel so much bigger tonight than you usually do..." Leanna drunkenly slurred...

"Slow down! Give me time to adjust to your magnificently huge cock..."

Leanna whimpers as the huge bulging head incrementally moves deeper into her, slowly stretching the walls of her vagina to dimensions she had never before experienced – not even with her largest dildo! Even larger than her husband's cock! Of a filling monster cock radiating an intense inhuman heat that is a nearly twenty degrees higher than human or any other animal!

DAN! GO SLOW!

NO...TOO BIG!

TOO FUCKING...

*UNNGGGHHH...*

Leanna's swollen pussy lips tightly slide along the Goblin's rough, knobby shaft as it thrusts its hips forward into Leanna's extreme tightness. It reaches its other hand around her other ass cheek and lifts her hips up off the bed. It sits up on its knees with Leanna's pelvis held in the air. He slides his cock slowly out and then pushes it back in watching its immensely thick knobby shaft slowly sink into her gorgeous hairless cunt...

It took a more than few minutes of slowly and gently thrusting into Leanna to be able to embed almost half of his immensely two plus inch thick cock into her extreme tightness!

Again, he was more than pleasantly pleased as Leanna, in her intensely aroused, delirious, semi-conscious drunken stupor, humped herself onto his huge cock! Her intense wanton arousal stimulated by The Goblin's sex stimulating pheromones and hormones! Leanna meeting each slow thrust by the Goblin, her lustful moans almost continuous since he began slowly thrusting in and out of her.

OH GAWD DAN, YOU FEEL SO FUCKING *HUGE* TONIGHT...

*UNNGGGHHH...*

*UNNNGGGGHHHHH...*

Gently the Goblin continued thrusting into Leanna; the tip of his cock now beginning to repeatedly bump into Leanna's cervix. In her artificially enhanced heated passion, Leanna's cervix began dilating, stimulated further by the tip of his cock bumping continuously against it and the copious sex stimulating secretions.

From centuries long experience, the Goblin knew to slowly keep up increasing pressure against a woman's cervix, that his potent sex secretions will force cervical dilation just enough to eventually allow him to physically breach this most intimate and tightest of feminine portals! The Goblin eagerly anticipating the moment and the intense reaction that all his previous conquests have wildly exhibited ....

Aargghh YES! Oohh DAN! FUCK ME, FUCK ME!!!...

Leanna undulated under the Goblin, screwing herself onto the huge, deeply delving cock, reveling in sensations never before experienced as the huge cock slowly, repeatedly, thrust in and out of her! Its cock now begins swelling to an incredible width! Ultimately its thickness will reach nearly the width of a soda can! Stretching the walls of Leanna's vagina to its limits!

*OH, GAWDDD!*

*SOOO FUCKING HUGE!!!* Leanna drunkenly slurs in sleepy stupor as she writhes as she humps her hotly aroused pussy hard onto the raping monstrosity...

Saliva drips from its mouth and falls on Leanna's bare thigh as he stares at the exquisitely beautiful, lithe woman sensuously writhing under him; her hotly aroused pussy drenching his massive cock with a thick, white frothy coating of her feminine juices, her back repeatedly arching with her coital efforts!

Her hips thrusting skyward!

Her fully bared breasts topped with diamond hard nipples made all the more alluring by the deeply contrasted tan lines where the micro-bikini top she wore tanning had barely covered the nipple areas of her large, yet amazingly firm breasts!

The Goblin grasps its hands into the meat of Leanna's firm muscular butt and begins thrusting harder into her!

His lust building to a rampaging berserker state that will be brutally unleashed unto Leanna!

In her half wake drunken stupor, Leanna sees a diminutive dark shape between her legs, holding her hips elevated in the air, plunging its huge inhumanely hot donkey-sized cock into her!

Fucking his powerful hot thick cock ever deeper into her throbbing, hungry cunt!

Leanna's hips instinctively undulating meeting each powerful thrust, another immense orgasm nearing eruption...

With its cock deep within Leanna's tight, wet pussy, the Goblin began to pump her with hard, deep thrusts that caused Leanna to cry out with pleasure!

The Goblin fucking her so deeply and filling her tightly claspung cunt so completely she was lost in abject ecstasy!

Oohhh YEAH!...OWW! Yeah, FUCK ME FUCK *MEEEE!!!*

The Goblin's bestial lust begins to boil, impatient with only slightly more than half of his twelve-inch long donkey-sized cock into this exceptionally beautiful woman with her amazingly tight and so very responsive cunt! Wanting to fuck all of his cock within the wonderfully tightly claspung cunt of this gorgeous female!

Even more, eagerly anticipating the wild physical reactions she would exhibit when she became fully *aware...*

Driven with lustful impatience, with a violent and rhythmical cadence, the Goblin begins brutally pummeling Leanna's tight cunt!

The violently brutal sensation enough to shock Leanna's stuporous intoxication into beginning wakefulness from her intensely vivid sexual dream! Physically forced awake by an erotic combination of pleasure and pain!

Of the physicality of being fucked HARD! BRUTALLY HARD!!!

Of the sensation of an immensely massive cock pressing against the walls of her vaginal sheath stretching her pussy wider than she had ever been!

Plunging to depths never experienced!

Her hips felt as if they were being forcibly spread apart to accommodate the monstrous-sized cock thrusting ever deeper up into her!

Leanna's body and mind, overwhelmed for some time now by intense waves of pleasure surging through her body, Leanna rolled her hips with the motion, enjoying the incredibly pleasurable feeling of the immensely thick and very long inhumanely hot rough member as it powerfully thrust inside of her!

Never has she felt a cock or dildo this deep in her before, nor so massively thick... nor such intense pleasure it was generating with its bumpy texture...

Then, slipping past her half-conscious heavily intoxicated stuporous state, Leanna's alcohol clouded eyes begin to open...

She shakes the deep, intensely erotic dream from her sleepy, intoxicated dazed head...

The Goblin sees her body stirring as she begins rising out of her drunken disambiguation...

It starts to move very quickly, slamming his cock ever deeper into her with unrestrained bestial passion!

Leanna's taut lithe body violently lurching with the powerful inhuman thrusts making her scream out!

Her hard nipple breasts jolting with each powerful thrust!

Leanna's breath coming out of her with explosive grunts with each pounding thrust!

Leanna now tightly gripping the Goblin - holding on for the unnatural ride of her life!

Feeling a hot, rough, massive cock stretching her beyond anything she had ever felt to her very limits!

Of a massive cock boring ever deeper into her!

Feeling an impossibly huge thick cock thrusting ever deeper into her! Its intensely radiating inhuman heat!

Thrusting ever faster and deeper as her highly aroused sexually responsive body pulls tightly against it, willing it even further into her body!

Leanna's nails digging deep in the Goblin's back, her actions facilitating the thrusting cock now hitting painfully hard against her cervix! Leanna, feeling intensifying cervical pain beginning to override pleasure, Leanna's misty eyes open wider as her intensely sexual fantasy dream evaporates, *and is replaced with waking reality...*

Hazy realization of actual reality breaks through Leanna's extreme intoxication and artificially induced, extreme arousal...

Dimly Leanna glimpsed the shape of a diminutive inhuman form rocking above her, broad hands tightly gripping her knees keeping her knees splayed widely apart, its hips rapidly plunging between her raised, bent, widely spread thighs as her own hips instinctively rose to meet each powerful

rocking thrust!

Her fogged intoxicated hazy vision clarifies, her sudden shocked horror!

The nightmare shape of The Goblin's diminutive yet stout, heavy body moving above her!

The long ears sticking out at sharp points, the long nose bobbing above her, the stream of hot drool almost scalding the bare skin of her naked breasts, feeling the inhuman creature painfully thrusting up into her! Her whole body violently being jolted with each brutal thrust of its massive cock...

The Goblin sees that Leanna is becoming aware but in stunned shock! Quickly he secures Leanna in an unbreakable hold and begins hurling his powerful muscular hips against hers, painfully breaking her state of shock...

"NOOOOOO!!! OHGODDNOOOO! PLEASEEEEEESTOPPPPP! GET OFF ME! GET OFF!!!"

"AAAHHHHH!!! STOPPPPPPP!!!"

Leanna loudly screams out while furiously bucking under the violent pummeling rapine assault she was being subjected to trying to dislodge the immensely heavy diminutive raping creature riding her body and of its massive cock going painfully deep...

Leanna's screams lustfully spurs on The Goblin!

The Goblin gleefully enjoying Leanna's panicked screams of pain, terror and outrage!

His glee made even more enjoyable knowing that in just scant moments Leanna despite her terror would again resume undulating her sexy, nubile body in extreme ecstasy upon his hot, massive shaft with utter wanton sexual abandonment!

Completely overwhelmed with pheromone and hormone induced insatiable lust!

Leanna's now violent resistance pleases the Goblin even more!

Exciting and inflaming his passions!

Leanna's violent resistance triggers his true nature!

Frenzied bestial lust surges to the forefront releasing his fully unrestrained brutal assault upon Leanna's abnormally tight pussy, in her pussy with his knobby, monstrous twelve-inch-long cock... which was well on its way to swelling to its full girth nearly the width of a soda can!!!

Even as Leanna furiously tried to dislodge the miniscule but immensely powerful rapine nightmare rider that clung so tenaciously to her body, the Goblin could sense, and see, Leanna's continuing and overwhelming involuntary sexual responses to the rapacious ravishing being unleashed unto her!!!

NO! NO, DON'T! GET OFF ME!! AHHHHHHHHHHHHH!!!!

Now shocked into full wakefulness, her mind rebelling at the diminutive inhuman creature that was brutally raping her, Leanna more horrified feeling the autonomic, instinctive sexual reflex of her body to the overwhelming sexual stimulus she was being subjected to! Though fear possessed her mind Leanna could feel her pussy moistening even further at such brutal behavior! Could not but help feel slivers of immense pleasure run rampant through her body despite how hard she tried to repress this nightmare...

Mightily Leanna fought to tear off the raping creature that had her impaled upon an unbelievable massive cock!

Yet even as she violently fought against the nightmare creature, disbelief overwhelmed her feeling her intensely sexually stimulated body still autonomously instinctively humping her hips up to meet each savage thrust of the massive heated cock into her unbearably needy pussy...

NO!!

OH!

STOP RAPING ME!!!

OH!

*UNGH!*

*UNGGHHH!!!*

*Ungghhh...*

In autonomous sexual response, Leanna's body, as well as her subconscious, was ecstatically responding to the sexual rapine ravishment of the huge, inhumanely hot, massively thick twelve-inch long cock plundering ever deeper to her very core!

Under the influence of The Goblin's sex stimulating pheromones and hormones Leanna's body was reveling in the massive penetration despite the horror of the cause!

Of a massive filling that stretched her to her very limits the likes she had never before experienced!

With its inhuman heat, Leanna acutely felt every molten inch as it delved ever deeper into her profoundly sexually responsive body!

Acutely Leanna felt the copious inhumanly hot precum liquid being pumped into her with explosive jets from the nightmare creature that flamed the sexual inferno that was ablaze within her sex making her repeatedly explode with pleasure!

Innately she knew it had to be some type of artificial sexual stimulant and it was making her reel with incredible abnormal sexual pleasure! Her shock intensifying as Leanna felt an immense impending orgasm irrevocably building despite her best effort to suppress it - and the nightmare horror of what was causing it!

Her legs forced wide apart, Leanna was being wildly fucked with unbelievable bestial energy that was rapidly driving her towards an unnaturally powerful climax!

Leanna knew that, inevitably, she was going to be forced to climax on this huge, monstrous cock! Soon!

The sexual stimulus too intense, too stimulating, too pleasurable to resist!

Despite how hard she tried to resist it, an irresistible, overwhelming ravenous yearning to be filled overwhelmed her in spite of the hideous inhuman nature of her diminutive rapist and its grotesque monster cock!

It was as if she had no willpower or self-control remaining to stop herself from *FUCKING BACK* the demonic little rapist...

"Yes, oh, YES!" Leanna gutturally moaned out...

The Goblin watches as Leanna's face turns upwards in ecstasy...

Her sensual lips part open as she pants in her completely overwhelmed unbearable arousal!

It brutally moves its massive donkey-sized cock in and out of her exquisitely tight confines furthering her stimulation, the bulbous head repeatedly bashing into her deeply, then withdrawing back out along her tightly clenching vaginal walls, pressing hard against her g-spot, and then driving his immense massive length back into her! The bed violently jolting underneath their undulating bodies as The Goblin's rough hips slap against her smooth deeply tanned firm taut thighs as Leanna wildly bucks her slim hips into meeting each pounding thrust! The headboard thumping loudly against the wall from their mutually violent fucking movements...

The Goblin repeatedly pounded his massive cock with rampaging bestial fury into Leanna's tight, little cunt causing her to cry out in unwanted pleasure!

The donkey sized cock going so deeply into her she was swooning with unimaginable, overwhelming sexual sensations!

Then, with her artificially stimulated sensitive pussy pounded beyond mortal limits...

"*OHGAUDDDDDDDD!*" Leanna howls as a massive orgasm slams her body!

Her taut lithe body violently trembling as a huge climax rocked and shattered her body...

Still The Goblin kept plunging! Thrusting his massive donkey-sized cock into Leanna making her scream out each time the Goblin's thick swelling cock head slams against her dilating cervix, then it slides aside her cervix and then plunges deeper into her. Then Goblin begins to grunt...

The Goblin could feel his massive climax begin to reach for the surface triggering his violent stud animalism!

He began to thrust into Leanna's exquisitely tightly contracting rippling cunt with more vigor and urgency!

The Goblin's mind acting on animalistic instinct with his now fully unleashed pathologically violent sexuality!

Loud sticky, wet squelching sounds of Leanna's tightly clasping cunt filled the huge bedroom along with Leanna's cries and screams as the Goblin's monstrous donkey-sized cock plowed her only added to its eagerness to fill her to overflowing with its copious cum!

The Goblin watches Leanna's long, firm, taut, luscious body violently jolting forward each time it brutally thrusts into her with loud squishing sucking noises as his monstrously oversized cock forces itself in and out of her wet, hot, tightly clenching pussy!

Instinctively in autonomous response Leanna's hips rhythmically rising up into the thrusting Goblin of their own involuntary accord matching each powerful thrust as the engorged cock head repeatedly thrusts up and into her!

The Goblin increases his rhythm; violently, brutally pounding into her causing Leanna to scream out with each brutal thrust!!

Sumptuously The Goblin enjoying the exquisite sensation of her wet, frothy exquisitely tight cunt as it slid along his immense, rough knobby green shaft, feeling her involuntary vaginal contractions rapidly repeatedly squeezing his cock like a vise!

It drops Leanna's hips to the bed holding itself upright with its hands gripping her ankles, raising her bent, spread legs high toward the headboard tilting her pelvis up into him...

Leanna distinctively hears the loud sucking sounds of her hotly aroused wet cunt sliding along the massive withdrawing shaft as the creature pulls out, then loud squishing noises as he forces his huge, rough cock back in! The rough smack of the creature's tough hide slapping against her thighs and pelvis! Her own guttural sexual moans as the creature's bulging cock head repeatedly rubs against her G-spot when he withdraws, then again thrusting deep! Deep into her to bash against hard against her cervix! Then withdrawing to again rub against her G-spot before plunging into her tight beckoning depths once again! Her king size matrimonial bed violently jolting underneath them adding its counterpoint to her violent rapine ravishment! Leanna, willingly now, certainly beyond any capability to repress resurgent primal instincts, loudly screams out as another earth-shattering orgasm racks her tremulous body...

The Goblin thrusts the tip of his cock harder and harder against Leanna's cervix making her scream each time! Trying to force its dilation so he can thrust his full length into her and up into her uterus!

Frustration mounts at his futile attempts to breach this most intimate feminine portal!

The Goblin fully enthralled with the exquisite tightness of her wonderful cunt that was tightly clasp his thick shaft; her intense, powerful rhythmic contractions rippling along his length, delightfully massaging his cock like no other maiden had done so well before!

Of the now fully wanton sexual primal responsiveness of this amazing beauty!

Leanna's consciousness was now fully aware of the diminutive nightmare horror that was brutally raping her, made even more horrifying due to the intense sexual pleasure she was experiencing from

being raped!

The loud rutting grunts above her suddenly became louder as the thrusting suddenly and frantically strains towards its brutal conclusion!

Leanna's intense disbelief that she herself was passionately fucking her nightmare back with everything she possessed unable to stop her own actions the pleasure was so intense!

Bucking her hips wildly back and forth as she forced her pussy onto the Goblin's unbelievable huge cock!

Leanna's sharp fingernails drawing long red furrows into the Goblins back, her nails spurring him on...

*AAAAAAAAAAAAH!!!!*" Leanna loudly screams out as the battering cockhead finally breaches her dilating cervix!

Leanna screaming in momentary pain! Her head immediately shooting straight up!

Unheeding The Goblin begins thrusting thru and up into her uterus!

Yet Leanna's hips still wildly bucking up and down as she continued *FUCKING* the monstrously-sized inhuman cock with unrestrained primal passion!!!

OHHH! OHHH!! AGHHHHHH!!! I'M GOING TO CUM!!! OH GOD I'M CUMMING!!!

Leanna's intense body racking earth shattering screaming orgasm was of such magnitude a kaleidoscope of colors burst in her vision! Her incredible orgasm the impetus for triggering The Goblin's...

A split second before the Goblin started climaxing, the head of his cock suddenly swelled to three times its normal size like an equine's flare! The mushrooming head fully locking itself inside Leanna's uterus effectively sealing her tight pussy!

Leanna gasped in shock! Feeling the sudden unexpected sensation of the Goblin's cockhead hugely flaring!

Mushrooming inside her uterus exerting enormous internal force within her!

Then, a series of long, explosively repeated Goblin ejaculations began..., the flared swollen head of his immense cock locked tightly inside Leanna's uterus! Copious, inhumanely hot, Goblin spunk began blasting through into Leanna! Leanna screaming as loud as she could feeling the incredible explosive force volcanically erupting directly into her uterus!

Leanna felt every jolt and throb of the colossal monster cock fully embedded within her as it powerfully pulsated pushing load after copious load of its vile inhuman, slimy sperm through its immensely long twelve-inch length to explode hotly directly into her uterus! Leanna's flat taut muscular belly jerking in synchronization with the power of each ejaculation volcanically erupting into her uterus!

The Goblin's voluminous hot spunk began fully filling her uterus!

Ounce after inhumanely hot ounce is pumped into Leanna the sensation of which triggered another massive, body racking screaming orgasm!

The immensely swollen flared cock head within her uterus sealed off Leanna's cervix preventing any backflow pressure relief!

Heated liquid pressure in her uterus continued to increase; four ounces became eight, eight ounces became twelve, twelve became sixteen, sixteen became twenty-four slimy, gelatinous ounces creating an intolerable internal pressure!

Leanna's repeated orgasmic cries choking off changing into screams of fear feeling her uterus swelling as if a hot water flask was being rapidly filled inside her and *still* The Goblin kept thrusting the bloated tip of his cock into her uterus as he continued pumping his copious inhumanly hot fluid deep inside Leanna!

Leanna's screams escalating in pitch as she stared down at their unnatural union seeing her formerly flat taut muscular belly visibly developing a slight bulge!

Then, Leanna never before experiencing anything this sexually overwhelming, thunderous body racking earthshattering cascading orgasms begin ripping thru Leanna's tremulous body even as her hands reflexively pushed against the rapacious Goblin's body and *still* The Goblin keeps thrusting his donkey-sized cock into Leanna's orgasmically convulsing pussy causing Leanna to repeatedly scream out!

The Goblin, in the midst of his own long drawn out climax, unrelentlessly didn't go easy on Leanna...

The Goblin kept on overwhelming Leanna's overstretched sex with heavy excited thrusting of his donkey size cock while Leanna wailed and screamed and flailed about even as she experienced a series of rolling, cascading extremely intense orgasms that thundered through her body like no other orgasms she had before experienced!

Leanna's whole, lithe, taut, gorgeous body writhed with uncontrollable orgasmic spasms as the muscular walls of her tight, narrow sheath instinctively and autonomously started *milking* the massive cock for every bit of copious cum it could wring forth!

In rapid succession, The Goblin wrings multiples of intensely huge body racking screaming orgasms from Leanna with his continued brutal fucking!

Leanna is barely able to catch snatches of breath, her large, firm breasts mightily heaving up and down as Leanna sucked in air! Her body coated with a thick sheen of perspiration. Then Leanna, having experienced near continuous body racking orgasms of unimaginable proportions, laid there weak and exhausted; in deep mental shock, emotionally fatigued, of having a diminutive demonic creature brutally raping her with a huge monstrous cock...

Yet still The Goblin kept on rutting in to the sexually spent beauty!

A primal urge exhorted The Goblin to expel his full load as deep into Leanna as he could though he could only thrust his cock a couple inches back and forth with the still immensely flared head of his cock trapped in Leanna's uterus.

Then ever slowly, the Goblin decreases his thrusts until he finally stops, *all* twelve long inches of his donkey sized cock impossibly firmly embedded into Leanna's tight, claspings, orgasmic cunt! Relishing in the exquisite feeling of Leanna's continuing involuntary orgasmic spasms still rippling up and down the immense length of his hugely swollen cock intensely massaging his entire length...

The Goblin was mightily pleased feeling Leanna's tight cunt still involuntarily contracting around his

cock even as she laid there in stunned shock; a long series of powerful, involuntary rhythmic contractions *milking* it of its copious inhuman seed in the dwindling throes of her cascading orgasms.

Yet another beautiful maiden sexually conquered, and satiated, to add to his innumerable long forgotten tally...

Gleefully the Goblin places a hand behind Leanna's head and forcibly tilts her head forward...

Frightened, physically and emotionally exhausted from the rapine ravishing fucking and her body sapping intense involuntary autonomic multiple orgasms, the aftershocks still trembling her body, Leanna, in her intensely shocked state, was unable to resist having the Goblin tilting her head so she can see their sweaty groins pressed tightly together...

Leanna horrified physically seeing her pussy involuntarily contracting around his massive cock!

Of the slight bulge of her formerly flat muscular abdomen caused by her swollen, semen filled uterus!

The Goblin releases Leanna, she falls back against the pillows, stunned, still feeling her rolling orgasmic spasms slowly receding until her tremulous body finally ceases shaking...

Then with loud, prolonged, slurping noises, the Goblin slowly starts pulling its *near soda can* thick, long sinuous cock from Leanna's tightly clutching passage...

Incredulous, Leanna watches as inch after incredibly thick inch of *near soda can width* cock slowly sinuously snakes out of her red, swollen pussy, unbelieving that she was able to accommodate such a monstrously long and even more monstrously thick cock!

AND IT WAS IN HER UTERUS!!!

Unbidden, the image of a stallion's cock bursts into her mind reeling her, the indelible equine image *forever* imprinted upon her mind...

Momentarily, The Goblin's still swollen bulbous cockhead hangs up in Leanna's insanely tight vaginal entrance...

The Goblin pulls hard but only succeeds in dragging Leanna backwards!

In haste and fright Leanna grabs the rungs of headboard!

The Goblin gave two hard painful tugs and then the still vastly flared cock head begins slowly edging out of Leanna's tight entrance, the pain of again having her tight, narrow vaginal entrance being overly stretched was borderline of making Leanna loudly scream out again then, with a loud "POP!", the swollen cockhead suddenly emerges leaping upwards! Squirting copious slimy Goblin spunk up onto Leanna's heaving body and face while her thoroughly ravished pussy releases a gusher of copious cum out of her pussy!

Leanna pulls her legs up to her body and twists away to the other side of the king size bed to escape the rapacious creature, gaining hand and knees preparing to roll off the bed...

Aroused by the heavy scent of sex and overwhelming sex pheromones permeating the air, Amadeus was waiting...

Before Leanna realized what happened her own huge beloved pet had mounted her!

His 180 pound weight pushing her head down tilting up ass up, with ease Amadeus found her dripping pussy...

With one, powerful thrust Amadeus, slammed the full, eight-inch length of his swelling cock into Leanna making her scream then commenced *FUCKING* his gorgeous mistress - HARD!

Leanna could not break the viselike grip the huge 180 pound powerful dog had locked around her waist! Her dog outweighing her by fifty pounds!

In Leanna's deep shock she was forced to kneel in place with her ass tilted up as her beloved pet, with fully unrestrained bestial lust, began pounding into her already thoroughly ravished pussy with his hugely swelling cock!

Once again in renewed shock, Leanna felt the animal heat of a beastly cock rapidly raping into her!

Leanna, caught off-guard, began experiencing new, unique sensations of lightening quick thrusts pummeling into her sore pussy!

Of rapid-fire fucking of such speed the rapidity of which she had never before experienced!

Feeling the lightening quick thrusts in and out of her swollen pussy, feeling the animalistic heat of his rapidly plunging cock, feeling his cock swelling inside her to even greater proportions, the intense streams of hot precum jetting powerfully into her over-sensitized sheath, once again with growing horror Leanna acutely felt an unnatural arousal quickly building within her!

Her body again betraying her in response to bestial sexual assault!

Then, before she even realized she was doing it, she heard herself as an uncontrollable lustful moan escaped past her trembling lips...

With her huge dog having his way with her she hated every second that her body loved it!

The nerves in her pussy tingling with every retreat and reentry! Her pussy loudly squelching with each thrust!

Leanna's sore pussy quivered as her core continued to betray her – her sex took it all, relishing the pounding she received.

With absolute clarity Leanna knew she was going to be forced to cum on this huge, damn dog cock!

Never have she been able to stop an orgasm once she felt a climax building!!!

Unbiddenly, she again hears herself moaning in pleasure, disgusted that her body desires something so depraved but helpless to stop it, and not sure if she wants to...

With incredible disbelief in herself, Leanna could not resist tilting her small firm cute ass higher in the air to better able to accept the powerful thrusting cock deeper into her!

To push her abnormally swollen aroused clit onto the thrusting shaft to maximize her pleasure!

Then, Leanna began to feel Amadeus's swelling knot...,

Plunging in and out of her throbbing, still needy pussy, his rapidly enlarging knot popping in and out of her with each movement, fully aware of what the knot is intended to do, the immense size it can swell to...

Then, Leanna lost control of conscious thought as orgasm after thunderous orgasm began exploding from her body!

Leanna emitting scream after lustful scream as her red swollen vulva visibly pulsated around the thick, long, canine shaft that was buried in it! Her sheath instinctively *milking* the ugly canine invader...

The swelling knot thrusting in and out of Leanna's delightful tight cunt had an intensely stimulating affect upon Leanna the Goblin gleefully observed...

Amadeus's ever-swelling knot rapidly popping in and out of Leanna's already well-fucked pussy was provoking orgasm after orgasm!

The Goblin stood there with delight on his face as renewed life quickly surged into his own immense donkey-sized cock while observing the huge Rottweiler fuck orgasm after screaming orgasm out of Leanna! Thrusting in and out of Leanna with an insane speed no man – or Goblin, could ever

achieve!

Eventually Amadeus's knot began growing too large becoming ever more difficult to push into Leanna's pussy and then pull back out. Then, Amadeus holding Leanna by her slim hips even more tightly, with an especially powerful thrust Amadeus firmly lodged his swelling knot into Leanna's tight sex making her scream loudly locking them tightly together!

The knot then continued swelling inside Leanna exerting even more intensely growing pressure against Leanna's G-spot! A loud, pure, involuntarily sexual moan escaping her sensuous lips...

Watching Amadeus thrusting over Leanna's upturned, tan-contrasted, firm cute ass reminded The Goblin he had another, even tighter passage to plunder on this beautiful statuesque woman!

Even now he could imagine thrusting deep into her exquisitely tight ass!

Leanna initially screaming in pain with the width and depth of his penetration!

His heavy grapefruit sized balls swinging forward on each thrust pounding her swollen, protruding clit then Leanna screaming in orgasmic delight when she felt his hot Goblin spunk flooding deep within her bowels ...

Then Leanna feels Amadeus begin volcanically erupting within her...

Felt his eight-inch long swollen cock pulsing in her!

Felt hot streams of cum begin shooting into her sensitive vaginal sheath!

Felt his cock repeatedly pulsing shooting more and more steamy shots into her sore swollen sex as uncontrollable moans of intense pleasure escaped her lips, feeling her tight, narrow sensitive sheath once again getting filled with inhumanely hot cum...

Her beloved pet kept pumping Leanna full of hot fluid, his continued streams of ejaculations and the intense rubbing pressure of his swollen knot against her G-spot explosively triggers Leanna to experience one final immense earthshattering, body racking orgasm!

The muscular walls of her tight, narrow sheath instinctively *milking* the thick cock for every bit of copious cum it could wring forth and then...

The massive wood and glass front door slammed shut...

Leanna weakly yells out "DAN! DAN! *HELP!*" as she collapses onto her chest, her cute ass held up in the air by the swollen knot locked inside her tight sex...

Dan yells back questioningly, then yells louder. He and Rolf began pounding up the three, very long flights of stairs up to the third floor, Rolf barking, Dan yelling, man and beast getting in each other's way hampering their climb! Tangling together, Dan goes down! Sliding down a few steps...

The pondering, clattering racket of both coming up the stairs, the yelling and the barking excites Amadeus, forcing an untimely extrication...

Leanna loudly screams as Amadeus begins forcibly, painfully, pulling his still too swollen knot out of Leanna's exceptionally tight pussy!

Unbearable pressure on her sex increased! Leanna painfully felt the hugely swollen knot slowly

opening her up little by little, then, her tight, narrow portal opened more than she had ever been opened!

Leanna screaming out an odd guttural combination of pain and pleasure as the emerging knot induces another orgasm!

Leanna then feels Amadeus long thick cock sinuously slipping from her thoroughly fucked sore pussy, feeling formerly pent-up semen suddenly gushing from her abused cunt...

Hearing Dan and Rolf pounding up the stairs, The Goblin scrambles under the bed and then out the other side, moving into the shadows against the wall next to the armoire behind a screen of curtains, a line of semen trailing behind it.

In his drunken haste, Dan stumbles up the three-story grand staircase.

"Leanna!" he yells as he reaches the third floor, groping his way along the long hallway to the master bedroom at the far end. Leanna screams again! Curling into a ball on the bed.

Dan staggers into the bedroom and switches on the bedroom light. The Goblin disappearing into the shadows as light floods the bedroom. Dan sees his nude disheveled wife on their bed, her eyes wide with fear, shiny globes of fluid copiously dripping from her body...

"What The Hell!" Dan yells, as he stands dumbfounded staring at Leanna, then Dan notices the heavy musky scent of sex permeating the air assailing his nose...

"There's A Horrible Creature In Here!!! It's Under The Bed!" Leanna stutters.

Dan stares at Leanna; her bare legs bent tight to her chest, seeing more thick fluid coating her inner thighs, on her legs, the bed sheets with a large wet area... He slowly moves into the room.

"What?" he asks, "What The Hell Are You Yelling About?"

"It's Under The Bed! It's In Here!. It was..., was..." then Leanna presses her hands to her face as tears start to course from her eyes. She feels sticky fluid on her face and pulls her hands back in disgust.

Dan approaches the bed and kneels down on the ground. He lifts the skirting along the bottom of the bed and peers under the bed. He sees Amadeus lying on the other side of the huge bed, bent

between his legs, licking his swollen fully exposed eight-inch penis, his knot still swollen...

The Goblin peers at Dan from the shadows, invisible, a large sinewy hand wrapped around its mouth as it holds back its laughter...

Dan looks around more, looking for anything else, but only sees droplets of liquid leading around the bed to Amadeus...

He stands back up and looks down at the bed. More drops of the watery liquid are scattered on the bed, an immense puddle of watery fluid on the bed. He moves to the foot of the bed where Leanna had just sat down and looks at his flushed wife. Leanna is crying, her legs slightly spread, Dan stares at her swollen, wet, freshly fucked pussy, seeing an immense quantity of liquid seeping down onto the sheets. Long red streaks marked her skin running down her sides and on her hips...

*"What The Fuck Did You Do?"* Dan yells at her!!!

Leanna stares back at him, shocked!

*"It's Under The Bed! The Thing Is Under The Bed!"* Leanna screams out!

*"There is nothing under the bed!"* Dan yells back at her!

Leanna drops her head over the side of the bed, lifts the bed skirt, and looks under the bed. All she sees is her beloved Amadeus on the other side of the bed, licking his exposed swollen genitalia...

Leanna twists her head around looking for anything but sees nothing else. Horrified, Leanna slowly sits upright, knowing what her husband was thinking she had just done, had done...

Dan is hovering over her, angry, his hands crosses at his chest.

*"You Let Amadeus Fuck You?!!!"* he stammers with incredibility.

*"No. I..."* Leanna stumbles, images of the hideous diminutive creature flashing through her intoxication; its long ears and long nose, the feel of his rough skin against her thighs, of its *massively huge* donkey sized cock with the flared penis head that had stretched and filled her to her very limits!

The autonomous involuntary orgasms that had thundered through her quaking body one after the other...

*"YOU GOT SO DAMN DRUNK AND BECAME SO HORNY YOU COULDN'T WAIT FOR ME AND YOU LET ONE OF OUR DOGS FUCK YOU TO GET OFF???"*

Dan yells out incredulous!

Leanna, startled with the accusation replied,

*"No, I couldn't, I, I didn't..."*

Yet her eyes stared down at the bed at the otherwise incontrovertible evidence...

*"BULLSHIT!"*

I can't believe I leave to take care of Rolf and you let Amadeus *FUCK* you!"

Dan yells loudly, the anger now combined with the thought of his beautiful, sexy, horny drunk wife fucking their dog!!!

Dan is absolutely enraged!

Becoming even more so as the unbidden thought and vivid image of the dog's eight-inch cock rapidly fucking his gorgeous, sexy wife!

How immense his knot must have swollen up inside her when they had tied!

Knowing sure as hell that huge swollen knot pressing and rubbing against her G-spot made her repeatedly climax...

The Goblin recedes from this world before its croaking laughter can break from its mouth as Dan retreats from their bedroom...

The next morning Leanna fitfully became awake after a restless night, sleep eluding due to extreme mental torment, and physically, what she continued to feel...

Her labia lips were still red and still swollen, on the verge of having been rubbed raw by the dimly remembered nightmare creature that had raped fucked her with something so massive and so unforgiving..., her distress heightened by *clearly* remembering her beloved pet then brutally fucking and knotting her!

Her insides felt terribly sore as if a battering ram had blasted past her abnormally tight, narrow entrance to her pussy and stormed deep where nothing natural had ever gone before, never meant to go that far...

How she managed to barely stifle a scream of pain when she tried to douche last night to flush out all the inhuman sperm that had flooded her insides...

Even her toned, athletic legs ached from the exertion that was thrust upon her only hours before, now she found herself barely able to uncurl from her fetal position on her lonely bed and try to stand up, wondering if her trembling legs would support her...

For the life of her, as hard as she tried, she just couldn't clearly remember what fully happened last night!

She knew she had been sloppy drunk, remembered up to the time Dan had to take Rolf outside. Then, time seemed to skip forward, *clearly* remembering Amadeus fucking her...

*Clearly* she remembered being hugely knotted by her beloved dog!

That formidable knot had swollen to such huge proportions inside her!

Locking them tightly together!

The intense pressure and movement of the knot rubbing directly against her G-spot..., how she had repeatedly climaxed and creamed upon that blasted huge knot!

Feeling hot canine sperm flooding her uterus combined with the intense pressure of the huge knot rubbing against her G-spot further inducing uncontrollable orgasms...

Leanna couldn't believe how many involuntary orgasms she had experienced being raped by a

nightmare something, and then her dog, or was it her dog both times???

The intensity of her body-racking, earth-shattering orgasms had completely overwhelmed her sending shockwaves of intense pleasure thundering through her body, involuntarily forcing her to fully be immersed in the experience. Clearly and very painfully she remembered Amadeus yanking his still too swollen knot out of her pussy, but in-between?

Her mind was too cloudy to recall exactly what happened. It was as if she had been drugged! Did she experience a temporary alcohol blackout?

Did the horror and shock of being raped by her beloved Rottweiler cause her to hallucinate a little demonic creature with an impossibly monstrous-sized cock was raping/fucking her instead of her beloved pet???

Did her vivid imagination and fondness for erotic paranormal fantasy stories of gods, goddesses, sprites, shape shifters, unicorns, centaurs, satyrs, dragons, werewolves and aliens assist in her hallucination substitution???

Once again, the incredible orgasms that she experienced came to the forefront of her thoughts, involuntary autonomous orgasms that seemingly never stopped..., and that opened up a whole new path that she didn't want to go down...

How can a woman repeatedly climax being fucked by an animal let alone enjoy it???

Unbidden, Leanna suddenly felt unwanted remembered pleasurable sensations...

Felt sexual tingling between her thighs...

Mad and upset, Leanna got dressed to go downstairs to begin cleaning up the aftermath of the party. As she dressed, worried and extremely stressed about Dan...

Dan and Leanna spent three miserable lonely nights apart from each other. Dan had made up a futon in what is to be one of the guest bedrooms and slept there. The intertwining days they barely spoke to each other, only when out of necessity, both of their minds in constant tumultuous turmoil. Even Amadeus and Rolf were affected by Leanna and Dan's moods; the two Rottweiler's constantly shifting from one person to another seeking solace and reassurance.

Leanna's constant turmoil started blurring what may have been imaginary and what had been real as she constantly thought and rethought what had occurred. Nothing clear anymore as her churning mind kept turning over and over what had happened, memories became blurred as she excessively worried, further confusing her thoughts.

One thought kept coming to the forefront - was it just her imagining a monstrous creature to substitute that it was Amadeus that had crept up over her prostrate sleeping intoxicated body and that it was Amadeus that had been fucking her all along missionary style - and she had willingly fucked him back??? And then he had fucked her again when she was trying to get off the bed???

One thing was crystal clear in her mind - while kneeling on the bed she had been fully awake when she had been fucked by Amadeus; and fully aware of the shameful, uncontrollable multiple orgasms she experienced that she could not suppress...

Then, sudden, shocked realization dawned upon her....

That at the time, she did not want to suppress it...

That what was happening was so very wrong but yet it felt way too fantastic to stop...

Over the next few days and nights Leanna's tortured thoughts repeatedly roiled in turmoil, as unbidden, they kept resurfacing time and time again...

The nighttime recollections as she laid alone in their matrimonial bed haunted her the worse; despite how hard she tried to suppress herself from thinking of it, disgusted, she had felt herself getting aroused, wet...

Each time, She recalled how she had tilted her ass up to better accept the pounding canine cock deeper into her hot, willing, highly aroused pussy..., riding her aroused, swollen clit on the rapidly thrusting shaft as it fucked into her like a jackhammer! The incredible pleasure of the ever swelling knot as it was rapidly thrust in and repeatedly yanked out! The intensifying pressure of feeling the swelling knot becoming fully lodged inside her having become too swollen to come back out..., the huge knot rubbing insistently against her G-spot involuntarily provoking orgasm after orgasm, the intense, multiple orgasms rocking her world!

Each time she recalled how pleasurable the experience was, guilt would wash over her and she would slam the door on this memory, yet the next night it would again arise...

Dan's turmoil was of a different sort.

He had heard of this sort of thing, bestiality, even seen it on video during two bachelor stag parties he had been to. He knew it was more prevalent than most people thought it was. Leanna and he occasionally enjoyed viewing porno flicks to really heat things up. When searching on the Internet on their 120 inch 8K ultra-high definition smart television in their bedroom for porn movie rentals, they were surprised how many times they came across movies, pictures, cartoons and stories concerning this. He knew Leanna must also have come across the same, *alone*, because it was usually Leanna that surprised him with a new movie.

Each day, multiple times during the day and while trying to get to sleep, *alone* in one of the guest bedrooms, he couldn't help imaging his beautiful, loving, sexy wife with Amadeus...

The evidence was clear that it had occurred, even though he did not actually see them doing it...

But his vivid imagination had no problem recreating the actual scene in detail each time the unbidden thought re-arose; well experienced how easily aroused Leanna is, especially when she had been drinking, how ridiculously easy it is to get her to repeatedly climax. However just as disturbing, how his cock gained an erection each time these thoughts appeared...

Dan got mad at himself each time these thoughts developed!

Mad at himself that he could not stop them from coming forth!

Getting even more upset imaging not only Amadeus but also Rolf fucking his beautiful statuesque wife and her ecstatic sexual responses, but also beginning to even imagine a small pony or a miniature donkey fucking Leanna!

Dan getting ever more upset with these sudden, now seemingly uncontrollable and unbidden vivid thoughts arising, and the accompanying intense arousal it generated...

The fourth night apart arrived and still the two aching lonely lovers stayed apart, both wanted each other badly, to nestle each other as they fell asleep like they always had, both too stubborn to deal with each other and what had occurred, to accept what happened, though both instinctively knew their deep love for each other had not diminished...

It took both of them awhile to fall into yet another troubled sleep where dreams of lustful, stimulating, beastly sex roiled their sub consciousness...

The bright moon awoke Leanna from her troubled lonely sleep.

"Enough of this!" she huffed to herself.

Leanna rose nude from her bed, the moonlight bathing her firm hard toned voluptuous figure like a goddess! Her silhouette and large, firm pert breasts casting shadows on the wall. Silently Leanna walked down the hallway into the guest bedroom where Dan laid asleep, Rolf on the floor beside him.

Slowly, she lowers herself to the futon and spoons herself into Dan, her back to him, then pulls the covers over them. Dan murmurs in his sleep as he instinctively drapes an arm over her and snuggles her closer, her naked firm bottom pressing firmly against him.

The Goblin emerges from a shadowed corner and begins quietly walking toward Rolf, who was sleeping soundly...

Gently the Goblin rests his hand upon Rolf's head...

After a moment, a mischievous grin emerges on his grotesque features as The Goblin softly begins cackling to himself. He removes his hand from Rolf as Rolf let out a soft whimper.

It stands by the futon and stares at the sleeping couple, Dan now sleeping soundly, curled up tight spooning with his beautiful wife, unaware that she is once again in his loving arms.

Slowly the Goblin draws the covers back exposing both of their nude bodies. He blows a hot breath over them that hovers over their sleeping bodies like a warm misty miasma. A gnarled hand reaches out and touches Dan softly on the forehead. Dan stirs in his sleep.

Sensing Dan's unconscious troubled state The Goblin bares its teeth and hisses silently.

It presses the palm of its hand against Dan's head, searching for his dreams...

Dan is having an erotic dream about his wife. He's dreaming about Leanna, now dressed in a black teddy, black stockings, high heels...

The Goblin searches Dan's mind and discovers what Dan had discerned a few nights ago but had quickly slammed behind the locked mental recesses of his mind. He also discerns the locked recesses are weak; The Goblin easily perceives Dan's vividly detailed images of Leanna with Amadeus and Rolf, and of other lurid images of Leanna...

With a small pony, a miniature donkey...

The Goblin visibly sees that Dan's vivid pornographic bestial fantasies of his wife keep repeatedly bursting forth before he weakly locks them back up again...

Mischievously The Goblin seeds and fertilizes Dan's dreams, developing it into an intensely erotic

vision of his beautiful wife on her hands and knees, rutting with their two huge Rottweilers!

Her large firm hard nipple breasts jolting in sharp arcs with each pounding thrust!

Her cute firm ass upturned to better accept the lightning fast thrusts deeper into her tight pussy!

The overwhelming look of lust upon her incredibly beautiful features...

Of utter fulfillment! Of ecstatic sexual joy upon her lovely features as she vigorously fucks back against the pummeling canine cocks!

The immense pleasure she exhibits time and time again as cascading orgasms erupt from her!

Leanna's orgasmic shrieks as she becomes knotted echoing thru the hallways of the huge old house as Rolf and Amadeus wring orgasm after screaming orgasm from his beautiful wife...

The Goblin insidiously inserts another variation into Dan's sleeping subconscious...

Of Leanna going down on him, sucking his painfully hard thick, ten inch long erection like she has never before! Her firm large hard nipple breasts swaying with her rapid efforts!

The Goblin expands Dan's vision to show Leanna kneeling over Dan, her head bobbing up and down his substantial ten-inch shaft, her eyes lustfully glazed looking at him. The Goblin expands the vision further showing Rolf mounted on her upturned cute ass thrusting into her while Leanna is sucking Dan...

Then

The Goblin subtly reinforces one final erotic aspect of Dan's dream...

Of Leanna screaming in orgasmic pleasure as she lays underneath a stud miniature horse at her family's ranch...

The stud miniature horse wildly thrusting up into Leanna his thrusting force bucking her pelvis upwards! Leanna's long, toned athletic legs widely spread and feet held high on its flanks as it fucks its huge massive twelve inch long cock into her frothy pussy...

The Goblin notices Dan's cock has become hard...

The Goblin releases Dan's head. Proud of himself that once again he has easily broken down and banished the mental barriers of misbegotten religious mores that had been created in human's centuries before these two were ever born...

Created by jealous human males that had observed women being fucked by dogs, ponies and donkeys, and of how women lustfully responded...

The human males jealous they could not ever come close to the size, the power, nor the stamina to thoroughly ravish a woman the likes that a primal, intense, bestial fucking gave them!

In retribution, men created religious taboos and laws - all in the sake of jealousy.

Oh, how The Goblin longed for the ancient Greek and Roman days when it was acceptable societal practice for women to be sexually satisfied by creatures other than man!

Women satisfying their inherent natural female sexual desires which had given rise to such a rich mythology! Of long, delightful memories of women openly participating in Druidic rites!

The Goblin cackles softly to itself and slaps Dan lightly on the cheek, causing his deep slumber to become shallower and his vivid sexual dream becoming reinforced by the warm, naked sensuous female body pressed tightly against him...

The Goblin admiringly looks at Leanna, perhaps his greatest sexual conquest of the most beautiful woman he has ever had - certainly possessing the tightest, most talented vagina he ever had!

Once again he marveled at her unique masterful control of her vaginal muscles, how his cock was so exquisitely massaged and powerfully milked by her multiple intense orgasms!

The Goblin was exceptionally pleased that she now joins the countless ranks of young maidens and women that he had induced a permanent, life-long propensity to be easily aroused and multi-orgasmic with prolonged orgasms, every sexual encounter she will experience in the future one of ecstatic pleasures, whether man or beast...

The Goblin touches Leanna's head and permanently banishes all her troubled thoughts - *and inhibitions...*

The Goblin reinforces newly discovered sexual sensations and erotic desires, also inserting new ones which mirrored her husband's vivid bestial fantasies, her sexual consciousness locking especially tight upon the stud miniature horses at her family's ranch...

Shortly, Leanna's own fevered arousal dream develops, of her husband fucking her to screaming orgasmic exhaustion...

In her deepening arousal dream state, Leanna scooches her naked backside firmly against her husband...

Dan, already having developed an erection from his own vivid dreams, his thick ten inch cock slips easily in-between the already moist hot slick folds of her Leanna's highly aroused hairless pussy. Leanna's sleeping consciousness recognizes the hard sensation nestled between her folds, causing her to squirm against his hard erection, further seating the head of his cock...

Dan is jolted awake by the hot, moist sensation partially enfolding the head of his cock, his jolting action inadvertently causing his erection to begin slowly slipping into Leanna's wet, hot, tight pussy.

Realization strikes him as he hears Leanna lustily groaning in her sleep upon feeling penetration; instinctively pushing back against him!

Then full realization striking him that the only thing that matters is their great love for each other, their happiness, and of his joy of giving her that happiness and pleasure.

An image suddenly explodes forth into his consciousness!

Realization of how extremely erotic and vivid his dreams and imaginations had been of his beautiful wife again fucking their two Rottweilers!

Leanna's immense exhibited pleasure as the two Rotties wrung orgasm after shrieking orgasm out of her - and how it was only her happiness and pleasure that mattered the most!

Dan feels his erection becoming painfully hard! Throbbing with aching need as Leanna again pushed back against him, slowly, incrementally, sliding his very thick and immensely long cock deeper into her..., feeling her insanely tight pussy repeatedly contracting pulling him into her...

Dan realized his cock seemed to get even harder! Swelling to increasing width as he continued imagining his astoundingly beautiful wife with their two dogs...

Their two Rotties fucking Leanna on her hands and knees! Then, in the missionary position! Then her astride one as she leans over sucking Dan off while the second Rotty took her from behind in her exquisitely tight ass!

The numerous body racking screaming orgasms the two huge dogs wring from her amazing super model body...

Leanna lustily groaning, came slowly awake feeling Dan's very substantial erection slowly inching deeper into her tight pussy, Leanna repeatedly humping his cock to ease more in...

Suddenly overcome with urgent insatiable passion Leanna sat up and forcibly pushed Dan flat on his back! Threw a leg over and sat down astride of him! She did not want to wait any longer to have his wonderfully thick immensely long length fully inside her...

While she kissed him her hands urgently took his huge cock and moved it towards her hot, welcoming tight pussy... Leanna slid the broad head of his cock back and forth thru her swollen labia then she moved it to her tight entrance. With some forceful movements, she began inserting his cock back in to her pussy...

Dan felt her hot steamy heat, he tried not to move... he intensely enjoyed each exquisite moment so much!

Somehow it seemed his sensitivity was greater than it has ever been!

Leanna controlling everything, doing everything...finding it difficult to not impatiently thrust hard up in to her to bury all of his massive cock at once! To see his gorgeous wife suddenly arch her back and hearing Leanna ecstatically scream as she is suddenly filled! Yet Dan just managed to find the will power not to...

Leanna moved his huge cock a little further in, slowly his thick, long, ten-inch shaft sank into her hot gripping velvet tunnel, her controlling taking in his substantial cock. When she partially withdrew his cock out again, she paused momentarily, sucking in a deep breath and then she slowly sank back

down deeper onto his massive shaft. Leanna slowly let out her breath while she sat on him... trying to get his cock as deep as she could in her, again partially raising up then slowly sinking down embedding his thick long cock ever further inside her, becoming adjusted to the immense size before she started riding her beloved husband...

For a little while Dan lay there underneath his incredibly gorgeous, sexy wife, then his hands start to glide over her firm, tight, cute ass, caressing her hard-as-steel ass cheeks...

He moved his hand on her back while she was riding him, then sliding his hand back down to her lovely firm ass cheeks, feeling the open cleft of her muscular ass cheeks, Leanna lustfully responding when she felt his fingertip graze her anus, gently prodding at the tight entrance a bit...

Then somehow, Dan was distracted by a movement besides him...

Rolf was now standing behind them...

Leanna not noticing Rolf due to the utmost concentration upon her face as she rode Dan...

Leanna was by now kissing her husband's neck...and he was so excited...

He could not think straight...

All he wanted to do was give his gorgeous, sexy loving wife pleasure... so much pleasure... *mmmm...*

Then a strange idea went thru his head.... *what if....*

Dan moved a hand moved towards Leanna's pussy... feeling his thick cock sliding in and out of her irresistible amazingly tight pussy! Leanna was rising up almost eight or nine inches before sinking back down on his ten-inch long shaft, her pace slowly picking up...

Dan made his hand wet with her lubrication, then his hand went back to Rolf...

Rolf sniffed..., Dan put his hand back on her Leanna's lovely ass, and there Rolf followed the scent...

Dan then started to fuck his massive cock up into Leanna so she would not be too shocked to feel what she would began momentarily feeling, as he did not know what her reaction would be...

Without removing his hand from her ass, Dan moved his fingers down a little...

Rolf came forward and licked his fingers ...

The trick did not miss its effect...

Rolf's tongue started wandering off his fingers and then languidly between the parted cheeks of Leanna's cute little firm ass...

Rolf's first lick of her... in-between Leanna's lovely, parted firm ass cheeks was a fact...

Feeling the licking sensation Leanna suddenly stopped fucking Dan's wonderful cock as an uncontrollable sensual shudder began running through her body inflaming her passions!

The powerful long canine tongue languidly swiping against her pussy then drew up over her anus then rapidly repeated again!

Unbidden, a low, drawn out sexual moan rose deep in her throat as Leanna simultaneously pushed herself hard onto Dan fully engulfing his ten inch length!

Dan pulls Leanna forward holding her in place whispering hotly in her ear "it's okay..."

Rolf's tongue repeatedly swiped over his cock as well as over Leanna's anus, then up in-between her parted ass cheeks, her continued reaction was....

Leanna let out another deeper, drawn out sexual moan...

Leanna started to move more... *and more...*

Dan places both hands on Leanna's ass cheeks spreading them apart for better access for Rolf's questing tongue, Leanna leaning over Dan with her pert cute ass tilted up to the ravishing tongue as Dan thrusts up into her! Leanna in turn reinforces her fucking back! Driven by her escalating lust and her everlasting abiding intense love for this man under her, her beloved husband, but also from the powerful long tongue now thoroughly ravishing her pussy and anus...

Then Leanna feels Rolf mounting her...

Once again Leanna stopped and tried to rise up but Dan pulled her back down on top of him as he continues thrusting into her!

Leanna began feeling hot explosive jets of precum blast in-between her firm parted ass cheeks, flooding down onto Dan's thrusting cock that was delving deeper and ever harder into her!

Leanna felt a powerful hot jet squirt directly against her anus!

Leanna moaning feeling this unique sensation!

Then Leanna groaning with fully unhindered lusty desire feeling the gently prodding tip entering her exquisitely tight anus as just upon initial penetration another blast of hot precum is injected directly inside her!

The hot blast of hot precum squirting inside her tight ass threw Leanna into an instant explosive orgasm!

Then the hot canine cock began slipping ever deeper, thrusting inside her tight spasmodic entrance as another climatic orgasm rock her world...

Leanna for the first time, but not the last, began experiencing the immense pleasure and joy of being simultaneously fucked in both of her tight passages...

Amadeus came padding into the room, curious of the noises emitted from his mistress, immediately noting the oh-so familiar heady sexual pheromones wafting thru the air...

The Goblin stood there for a few moments more, watching Leanna being double-fucked as she lay sandwiched between man and beast, gleefully watched as Leanna began to take Rolf's knot without resisting, instead, humping back against it! Meeting each thrust! Forcing it inwards into her tight anus bit by bit...

This reminded The Goblin he had other pending business to take care of during this waning Halloween season. A young lesbian couple had also recently moved in down the block from Leanna and Dan, with their unneutered male Great Dane...

The Goblin was eagerly anticipating the sexual mayhem he will create amongst the two beautiful women and their well-hung pooch!

Both young women were very attractive, outgoing and friendly, and they had already hosted a Halloween block party the weekend before. The couple, and their huge overly friendly and very inquisitive dog, had the snarky tongues wagging of a few of the neighborhood couples...

Hidden in the shadows, the Goblin had observed the overt flirting the two women had done with Leanna - and surprisingly with Dan!

So, The Goblin interestingly thought, not exclusively lesbian...

Also interestingly enough, Leanna and Dan had not outright objected to the flirting, both seeming amused by it and engaging in it!

Over the past few nights since the block party, as married couples in their neighborhood lay sleeping entwined with each other, The Goblin had peered into the dreams of the neighbors, fascinated by the fantasies that had roiled the dreams of the men and most of the women, dreams that were fueled by the very attractive, outgoing lesbian couple and their huge doggy companion...

Dreams and fantasies he was going to thoroughly exploit with what little time he had this season!

Now The Goblin vowed to revisit each house in this small historic neighborhood this week to reinforce the bestial dream fantasies of each person!

And for those who had not, plant that seed of beastly desire!

Reinforcing that desire in each to where it will become an irresistible erotic yearning needing to be filled!

Particularly reinforced for those couples that had made snarky comments about the lesbian couple and their Great Dane...

The Goblin glanced back once more at the rutting threesome, Amadeus standing by eagerly waiting his turn...

The Goblin knew from the very enthusiastic and loudly vocal actions of the incredibly beautiful Leanna, that from here on out, she was going to take full advantage of the three males in her household to wring every last orgasm out of her multi-orgasmic body!

Already the Goblin had planned to visit this extremely alluring woman again next Halloween season!

He had still yet to plunder another extremely tight passage that Rolf was currently doing so, to the very obvious and very vocal pleasure of Leanna...

The Goblin longed to hear that titillating odd combination of pain and pleasure erupting from Leanna as he plundered her irresistible cute ass! Of Leanna's ecstatic orgasmic cries as he pumped her bowels full of inhumanly hot Goblin spunk!!!!...

The Goblin's gleeful soft cackling laugh faintly echoed thru the large Victorian house as he made his way out. Dimly his laughter penetrated Leanna's consciousness, causing her to drive herself even more forcefully upon her husband's very thick and immensely long ten inch shaft as Rolf repeatedly pounded his ever swelling knot against Leanna's tight anus working to completely drive his swelling

knot into her to complete the knotting!

Leanna now joining the multitudes of numerous Goblin ravished women in the surrounding neighborhood, who afterward, thoroughly enjoyed intimate relationships with their dogs as well as their husbands...

The Goblin was exceptionally pleased with himself at having discerned that Leanna and Dan had a cabin in the country next to her parent's horse ranch - and had made sure a certain irresistible seed of equine desire had been firmly planted into each of them...

The Goblins previous mind touches had also delved deep into Leanna's and Dan's fervent wishes and desires...

He had discerned the erotic fantasies involving the equally gorgeous and statuesque Samantha...

The heart felt unspoken desire and wishes of both Leanna and Dan of Samantha becoming a sister wife...

The Goblin resolved next Halloween to make this heartfelt wish come true for the three of them - if it hadn't already naturally happened by then! And what he had discerned, he was as sure as he was perpetually horny, that it would naturally happen before then!

Already The Goblin was gleefully engineering a five-way between Leanna, Samantha, Dan, Amadeus and Rolf if that too hadn't already naturally occurred!

Eagerly the Goblin was anticipating his visit next Halloween season to learn all of the miniature equine delights that Leanna and Dan, and hopefully by then Samantha, had experienced...!!!

END NOTES

Okay readers, time to dissect this story. The following is a brief summary of information from research articles and from medical, mental health and drug websites. Any medical, mental, social, alcohol or drug effects mentioned in the story are based on scientific research.

CONSCIOUS and SUBCONCIOUS LARGE PENIS ATTRACTION - Numerous research studies over the years show women have a conscious and subconscious attraction to large penises. Researchers theorize that this is a natural effect of human instincts, emotions, evolution and survival, and that this trait is engrained into the female psyche.

To prove this hypothesis some research studies have used computer generated images of nude men of various heights, builds, and penis sizes but not in other qualities like facial attractiveness and hair to make the subject as asexual as possible to gauge women's responses. Other studies have women reading or listening to literature with characters with, small, average and large penises and gauging their physiological responses.

These studies concluded penis size along with body shape is influential in determining attraction. Women's apparent interest in penis size explains why human males have penises that are larger in proportion to body size than the penises of other animals. The hypothesis is that since penises would have been readily visible for much of human evolution, prehistoric women would have selected for larger penises through sizing in addition to being associated with more orgasms, and this trait is still engrained by evolution into today's female psyche subconsciousness.

Everyday examples of this evolutionary remnant: being at the beach or at the swimming pool and observing women surreptitiously checking out a guy's 'package', or women checking a male model advertising close-fitting underwear. It is naturally instinctive for women to do this upon seeing an attractive man or a man with a much larger than normal bulge in his swimwear or underwear.

This evolutionary large penis size preference and associated primal sexual excitation trait, along with sexual inclinations, proclivities, thoughts, urges and impulses are part of our female heritage and genes, deeply embedded within our brainstem and limbic brain, often termed our "reptilian brain". Both these brain structures are the oldest and most primitive parts of our brains and are largely unchanged by evolution - and they control our most base primal urges, including sexual arousal. Since early humans didn't wear much clothing, male penises were obvious to women. Women chose their mates based on their physical size and the size of their genitalia. Thus sexual competition was and still is a key evolutionary driver via natural selection. These evolutionary decisions influenced the promulgation of bigger penises in the human species via natural selection. Longer penises evolved to deposit semen in the deepest parts of the vagina to promote more effective sperm retention. Other studies indicate that evolutionary preference for a larger penis might arise because penis size is associated with higher rates of vaginal orgasm, thereby creating deeper bonds and enhancing reproductive success.

When compared to other primates and other species not of the primate family, humans by far have the longest penises relative to body size. A wide penis puts more pressure on the vestibular bulbs situated on either side of the vaginal opening, which gives a pleasurable feeling of fullness at the vaginal opening. A wide penis also creates more tension on the labia, which, in turn, causes more tugging and movement at the hood covering the clitoris. This adds stimulation to the clitoris in addition to the surrounding tissues.

Women who use or on occasion use psychoactive sex enhancing drugs, these drugs synergistically enhance sexual arousal as well as their drug-altered perceptions of an over-sized penis. Women are even more affected when these penises began achieving erections, women then are substantially greatly affected feeling these oversized erect penises touching and rubbing against their bodies while dancing, evoking primal sensations of extreme masculinity and power - a natural autonomic sexual reaction still ingrained within the female body from their earlier primitive selves.

Subconsciously their thoughts are attaching themselves to the supersized penis a man possesses and therefore its inherent ability to give pleasure which stimulates their primal overt base sexual urges and raw sexual desires. This sexual reaction is called a 'supernormal stimulus' which is defined as 'an exaggerated response to a stimulus to which there is an existing response tendency, or any stimulus that elicits a response more strongly than the stimulus for which it evolved'.

AUTONOMOUS SEXUAL RESPONSE - In neurophysiological terms, bodily functions such as sexual responses are involuntary reflex events in response to a stimulus, the same reflex-driven system that underlies heart rate, digestion, and perspiration.

Sexual arousal is housed in the autonomic nervous system. Sexual organs are designed to react to stimulation in particular ways - and that stimulation is meant to induce pleasure. The individual organs are not designed to differentiate between types of touch and the response is an automatic reflex. With alcohol intoxication or an alcohol/drug combination, this greatly enhances the sexual stimulation and sexual sensitivities a woman feels, provoking her body's autonomic sexual reflex to actively participate having sex.

If a woman is extremely intoxicated and/or under the influence of drugs like Ecstasy or LSD, in most cases she will not be able to prevent an orgasm from occurring due to the drugs greatly heightening

arousal and the sexual and sensual effects the drugs also greatly increase, usually with a woman experiencing several intense orgasms.

Over-indulgence of psychoactive sex enhancing drugs can cause a woman's higher brain functions to be repressed which allows their raw primal sexual urges and impulses to be fully unleashed - subsequently dominating their actions. If a woman has a naturally high libido, her sexually responses will be drastically escalated.

The majority of women in their prime sexual years, when subjected to intense physical sexual stimulation are unable to suppress instinctive arousal, nor able to suppress the subsequent autonomous orgasm that usually occurs, even if the cause of the sexual stimulation is by force.

Unwanted arousal and orgasms during rape are examples of an involuntary physical response due to the autonomous sexual response. A survey of available research indicates over a quarter of rape victims are induced into climaxing and this percentage is believed to be actually higher. In rape counseling sessions, this is usually the most devastating subject to address with the victim, rape trauma syndrome, to convince her it was an involuntary physiological response in which she had absolutely no mental or bodily control over.

RAPE FANTASIES - It's a fact that every woman has fantasized about some explicit sexual fantasy. In our minds, we can engage in risky behavior without consequences and indulge our inner freak without judgment, allowing a woman to have the wild, dirty, raunchy ravenous sex she craves, without having to suffer the guilt that might follow. And this includes coerced or rape erotic fantasies.

There are different levels of desire and of fantasy. Fantasy and sexual assault in one form or another are pretty common, but does that mean that any of us want to go out and be sexually assaulted? No, it doesn't.

The realm of arousal and the realm of fantasy can tell us something about ourselves psychologically without indicating that we really want to experience that thing, far from it. It's the idea that the feeling of being desired is a very powerful one, a very electrical, sexually intense stimulating one. And at least at the fantasy level, that sense of being wanted, and being wanted beyond a man's self-control is a really powerful sexually stimulating influence.

A University of North Texas study showed that overall, 62% of female participants reported having a rape fantasy of some type. Being taken forcibly is a fantasy that most couples and people have and many have experimented with it and even found enjoyment in "rape fantasy".

This study and similar women sexuality studies show that over recent decades, instead of being driven by repressed sexuality, changes in attitudes toward sex have led to an 'openness to sexual experience', thereby rape fantasies derive from a generally open, tolerant and guilt-free attitude toward sex.

The majority of women who imagine fantasy rapes are not fantasizing about a real life rapist - strangers, they are in context imagining a boyfriend, a lover, a husband taking them by force. Moreover, women fantasize about this and encourage their significant other at times to take them hard and rough to spike their mutual sexual fulfillment of each other, to strengthen the emotional bonds of their relationships and their complete trustworthy intimacy of each other by fully and freely unleashing their sexual passions for each other.

FEMALE BISEXUALITY - Humans have had to adapt to a wide variety of ecological niches and we have done so with remarkable success. This is in part due to women's sexual plasticity, which allows

women to calibrate their sexual behavior to fit their environment.

Same-sex and bisexual desire in women are two very visible products of our innate variability. Extensive research over several decades has well documented that female bi-sexuality is definitively considered by the scientific and medical community as the norm.

Female bisexuality is as natural a sexual expression in women as is heterosexual behavior. Dominant bisexual genetic traits start emerging in the teenage years, coinciding with the beginning surge of our sexual hormones. Bisexual tendencies are compounded and enhanced by several factors: societal, lifestyle, biological, and environment. In regards to female sexuality, women are more fluid in their relationships with other women as we crave friendship, affection, and beauty. They are more open with each other, more comfortable with their nude bodies around each other, as well as being nurturing creatures. This makes women more easy to approach to each other, and for women, it is more socially acceptable to be openly bisexual.

Research has shown that for most women possessing a high sex drive, there is an association with increased sexual attraction to women. Women have the capacity to fall in love with each other, which certainly removes obstacles that may stand in the way of letting bisexual feelings developing.

In human evolutionary history, female bisexuality has been positively selected or given preference over heterosexuality. It is so common because it serves a function – the fact that men love it is a clue. To apply a modern analogy, most men are massively aroused by girl-girl sex as are most women, as the enormous popularity of lesbian porn attests as does marketing surveys as to what type of porn women buy.

Bisexual women are more orgasmic, fantasize more about sex, and are open to more sexual experimentation. Usually bisexual women tend to be Type A/B personalities, more energetic and have high metabolisms. Compared to their heterosexual counterparts, bisexual wives have more stable, robust marriages, with marital sex that is more adventuresome and imaginative. This is because male infidelity is less of an issue because of the wild imaginative sex that a bisexual wife brings into the marriage!

THE EFFECT OF ALCOHOL UPON WOMEN'S AROUSAL – Under moderate intoxication (0.8%) women can control their arousal. However, while women who are moderately intoxicated are able to successfully control their arousal levels as effectively as sober women, women that are highly intoxicated (10%) cannot do so.

With this increase of blood alcohol content, unlike men, there is no alcohol-induced diminution in genital arousal; women do not possess an effective capability to control their arousal response at higher blood alcohol levels.

For women, alcohol makes a woman feel more relaxed and in turn, be more sexual. Alcohol is a social and sexual “disinhibitor” because it increases sexual arousal and desire due to alcohol greatly stimulating the production of testosterone and estradiol. Testosterone controls in part the strength of libido in women and this causes an increased interest in sex.

Moreover, alcohol lowers sexual inhibitions, and with enough alcohol consumption, lowers it to the point that very little or no discretion is used when approaching or choosing sexual partners.

Extreme alcohol intoxication reduces and can completely eliminate a woman's self-awareness – an alcohol blackout. With extreme alcohol intoxication or an alcohol/drug combination, most women the next day cannot recall their rape, nor recollect the events that happened during the last few hours leading up to their rape. The effects of alcohol and drugs reacting with each other is termed

“synergistic”, an enhancing effect. Most commonly used in the clubbing/dance scene are drugs like Mephedrone (Drone or White Magic), Ecstasy, LSD, or the Flunitrazepam class of drugs – otherwise known as roofies. Along with alcohol, these drugs are commonly known and used as date rape drugs.

ECSTASY – Known as: E or MDMA (or in America and Australia as X or XTC). Ecstasy is usually sold in the form of a tablet, or powder in a capsule, and can be obtained in a liquid form. It is a psychoactive/psychotropic drug that has both stimulant and hallucinogenic properties. It imparts an altered state of consciousness and while under the influence changes the way a person feels and thinks.

Ecstasy causes the brain to release its ‘feel good’ chemicals dopamine and serotonin. It eliminates anxiety and causes extreme relaxation. It also increases a person’s susceptibility to peer influence. Sound and lights are enhanced along with the stimulation of a high energy level and euphoria, the reason for E’s popularity with clubbers, along with a person’s enjoyment of being touched while under the influence of Ecstasy because the experience is magnified.

Ecstasy greatly increases female arousal and libido with an increased sensitivity of touch, greatly reduces one’s inhibitions, and prolongs sexual endurance. In women it reduces resistance, promotes sexual disinhibition and enhances receptivity to being sexual and enhances the sensual aspects of sex.

Ecstasy profoundly increases female lubrication, desire, satisfaction and orgasms are greatly intensified and prolonged. Ecstasy has been linked to causing people to act against their considered rational judgment by engaging in regrettable sexual encounters and also to rapes in which drugs are used as weapons.

Oddly while Ecstasy has a profound sexual arousal and enhanced libido effects upon women, experiencing more and stronger hallucinations and a more intense euphoric drug high than men, with the majority of men it has the opposite effect and tends to inhibit erections.

FREE WILL – the capacity for one to choose his or her course of action. Free will is closely related to two other important facts: freedom of action and moral responsibility.

The frontal lobes serve the brain and personality, acting to process, integrate, inhibit, assimilate, and remember perceptions and impulses.

Disturbances in brain functioning, be it due to drugs, alcohol, injury, tumor, stroke, emotional trauma, seizures, or electrode stimulation, directly affect specific aspects of consciousness, including what has been referred to as “free will”. The loss of free will are individuals who were compelled to behave against their will, who lost control over their will, or who suffered a complete loss of free will. The most common examples is the individual who is intoxicated or is under the influence of psychoactive drugs.

HIGH LIBIDOS – Research studies have been conducted on women with natural high libidos, and on women who are hypersexual (or nymphomania) due to their physiology – but not due to a psychosexual behavior disorder. A high libido is distinguished from nymphomania if a woman can maintain control over their behavior and actions, versus a woman who cannot themselves control and restrain their sexual needs (nymphomania). These studies show women with high libidos excrete sex pheromones and copulins that are more intensely concentrated and thus more potent, that can readily sexually affecting men and women in close proximity.

SEX PHEROMONES AND COPULINS – Pheromones are naturally occurring chemical compounds excreted by the endocrine system of the body and are chemical messengers with the potential to

evoke physiological, hormonal and behavioral changes in other people around us.

The most cited examples are the synchronization of menstrual cycles among women living together and in offices predominated by women employees who may all find cycles occurring at roughly the same time. The evidence shows the synchronization is done unconsciously by their pheromones.

All mammals have a vomeronasal organ (VNO), including humans. Pheromone signals picked up by the organ are then relayed through nerves to an area of the brain called the hypothalamus, which is well known for its ability to alter emotions, hormones, reproduction and sexual behavior. Animal research has shown there is a distinct correlation of sex pheromones being detected by the VNO and resultant sexual behavior between males and females.

However, in humans, VNOs were believed to be redundant anatomical relics leftover by the process of evolution and thus it was previously thought that humans were largely mostly unaffected by sex pheromones.

However, research conducted since the mid-1980's have conclusively concluded that despite our diminished VNOs, humans are affected by sex pheromones but the exact pathway(s) that human pheromones take and the way our body processes them has yet to be fully understood.

It is a very well recognized fact that pheromones play a significant role in the life span of animals and during the past twenty-five years, there has been significant increase in the number of studies conducted on human pheromones that show that pheromones have similar results upon humans.

Studies show that the human olfactory is one of the ways we detect pheromones. Using PET (positron emission tomography) scanning techniques to analyze the brains of men and women while they smelled natural and synthetically produced human sex hormones estrogen and testosterone, researchers have documented that men and women can in fact send and receive subconscious pheromone signals, producing changes in mood, heart rate, breathing, and body temperature.

Several studies conducted within the last ten years show that an olfactory nerve may be the route through which pheromones are processed. The 13th cranial nerve known by the name Nervus terminalis or Cranial nerve zero, as it is called, bypasses the olfactory area of the brain where scents are normally processed. Instead, it is linked straight to the area of the brain (the hypothalamus) that processes sexual cues and creates attraction. Studies have repeatedly shown that a man or woman wearing a synthetic or natural pheromone product, which is representative of their naturally occurring pheromones, experienced a heightened level of sociosexual behaviors, including attraction, triggering sexual excitement, kissing, sexual touching, and sexual intercourse.

Human sex pheromones are now in trials to be used as fertility treatments for couples who want to conceive. Couples who are having sexual problems are now using pheromones combined with traditional therapy to enhance desire.

Copulins are an exclusively potent female group of pheromones and research has shown they cause feelings of arousal in men as well as women if present, with a resulting surge of testosterone production. As with men, testosterone plays a major role in a woman's sex drive (libido) sexual desire, fantasy, being sensitive to sexual touch, and orgasm, all driven in part by testosterone levels.

WOMEN'S AROUSAL AND SUNTANNING - It's common for women to become sexually aroused while laying out in the sun getting a sun tan. This is because intense sunlight boosts endorphins and testosterone production along with Vitamin D3, which is actually considered a hormone and not really a vitamin! It is a pre-cursor for the hormone, testosterone.

The boost in production of these hormones stimulates the “Breed and Feed” part of the parasympathetic nervous system and also increases the sex drive, resulting in increased sexual desire and genital arousal. Additionally, intense sunlight has a positive effect on melanin by stimulating its release from melanocytes, which also increases sexual arousal and appetite. One of the building blocks of melanin is tyrosine. Tyrosine also has a tie with increased libido, because tyrosine is a building block of L-dopamine. L-dopamine promotes sexual motivation and genital reflexes.

Research has found that an hour of sunshine can boost testosterone production by 120 per cent. The combination of sun and alcohol will intensify arousal.

SOME WOMEN CAN REACH ORGASM THROUGH BREAST STIMULATION ALONE

In a 2011 study published by the Journal of Sexual Medicine, female participants were asked to lie inside an fMRI (Functional Magnetic Resonance Imaging) machine and alternate between stimulating their cervix, clitoris, vagina and nipple for 30 seconds each, with a 30 second rest in between. Researchers discovered that stimulation of the nipple activated a part of the brain called the genital sensory cortex, which is the same brain region activated by the stimulation of the vagina and clitoris — meaning a woman’s brain seems to respond to nipple stimulation in the same way it responds to genital stimulation. Some practiced nipple play from yourself or your partner may be enough to lead to the ultimate happy ending.

SOCIOLOGICAL, SEXUAL ASPECTS AND AROUSAL OF DANCE - The historical sociological aspects of dance and the sexual arousal associated with dance portrayed in this story is accurate, as is the sensations experienced while dancing after taking psychoactive drugs.

Dance was the first of the arts. The dancer expressing his or her body as a vehicle to non-verbally express their emotions and desires, to making art visible through his/her body, also freeing that inner energy that enables the dancer to experience his/herself own sensations as well as the onlooker.

Social dancing is an esthetic and joyous way for men and women to become closely acquainted, to live rhythmically together a short period of time, a socially acceptable release of mental and emotional repression of our hereditary sexual instinctual core.

Modern dance allows sexual repression to come to the surface and be sexually liberated. Dance is a stylized, rhythmically transformed eroticism: wooing, courting, hesitating, promising, fulfilling. Dancers note their boundaries in order to consciously extend a boundary or stay within it. By extending the boundary, they open up to the desires of their bodies and their state of arousal.

Dance, like other forms with which we are familiar, enables women to communicate things to men that they might not otherwise feel comfortable saying, and vice versa. Most interesting for our purposes is the fact that the music and dance ritual that accompanies the performance of the music encourages “sexual relations” in a socially acceptable context. So music and dance can act as a social lubricant that allows people to feel free enough to do and say things that they would otherwise be judged for.

For decades, sociologists documented the dances of primitive tribes of Australia, the Malay Islands, Africa, North and South America regarding the love dances of these primitive tribes. Singing and dancing are still regarded as the preliminary to the sexual act. The whole object of the dancing, of the mutual approximation and caresses of two persons of the opposite sex is to create the state of sexual excitement.

With today’s modern enlightened society, this is extended to two people of the same sex dancing

with each other, with sociologists having documented same sex relationships in primitive tribes as well, primarily amongst women.

Dancing is not only an incitement to love and preliminary to courtship and sex but is also a substitute for the normal gratification of the sexual instinct, procuring something of the pleasure and relief of gratified love and sex.

For women, music and dance rank very high as an arousing experience: as high as sexual sounds and imagined scenarios. Dance mimics the rhythm of your heart beat and your brainwaves – reaching the less reasoning, more animal/instinctive parts of your mind; the strobe and laser lights do similar things.

Dancing increases blood-flow through the entire body, including the genitals enhancing sexual sensation and arousal. Dancing causes a massive endorphin rush. Also, while dancing, people sweat and give off all kinds of lingering ‘sexual cues’ (sex pheromones) that you don’t consciously notice – which helps a person to become sexually motivated by the things they DO notice, the lights, the beat; etc.

Research found women are sexually aroused especially by bass tones. If a person ever had a sensual experience with a partner on a dancefloor, that is going to bond you to the sights and sounds in a big way too. This is amplified by dance becoming more erotic in motion and touching more intimate. Certain psychoactive drugs enhance sensitivity to touch, light, sound and decreases inhibitions, may include hallucinogenic properties, greatly increasing sexual arousal, overall, magnifying and enhancing the dance experience.

HORROR MOVIES AND AROUSAL – Watching horror movies is well documented having a significant positive correlation between adrenaline and attraction, which means as level of adrenaline increased, so did level of attraction including significant increases in arousal. It’s very natural for horror fans to be on the lascivious side. After all we spend so much time scaring ourselves with false starts that our bodies need some place to go with that pumping blood and flowing adrenaline. Sex is the only natural outlet. (I suppose you could go on a killing spree, but wouldn’t you rather just get naked and hook up?)

So embrace what horror movies are: sex, violence, nudity and scares. In the words of Bela Lugosi in Ed Wood: “Take my word for it: If you want to make out with a young lady, take her to see Dracula.” Of course, if Bela Lugosi was living today he might say: “If you want to make out with a young lady, take her to see *Zombie Strippers!*” *Zombie Strippers!*: A more perfect example of the pairing of sex and horror I cannot imagine.

Or consider the 2011 best seller erotic romance novel and 2015 hit movie ‘*Fifty Shades of Grey*’ in which a woman explores her dark desires with a billionaire. It is notable for its explicitly erotic scenes featuring elements of sexual practices involving bondage/discipline, dominance/submission, and sadism/masochism.

Your significant ‘other’ may want to have her own dark desires opened and explored!

HORROR MOVIES AROUSING WOMEN – A woman’s innate character is to seek what is forbidden and challenging. Movies and novels with fantasy themes including fantasy sexual themes stimulate the creation of fantasy thoughts, which is further compounded in this already formed female mindset. This includes women who watch horror movies.

While this may seem disturbing and weird, it has been well researched with several studies that most women who watch horror movies become aroused. This includes hard-core sex movies that

have science fiction, fantasy or medieval themes, movies that include themes of space creatures and aliens or mythical creatures such as satyrs and centaurs raping and ravishing women, including horror sex movies with monsters raping and ravishing women. This is an entirely perfectly normal female mindset and assists with one's healthy sexual relations with their partner.

These type of movies influence part of our secondary nervous system that is responsible for directing our "fight-or-flight" instincts. This peripheral nervous system also plays a role in our sexual arousal. Being scared is a nervous reaction and is physiologically arousing, sexual arousal and fear eliciting similar physical symptoms. Our pulses and respirations start increasing as does the production of adrenaline which starts pumping through our bodies surging energy levels and along with fear also causes one to become horny and aroused.

MODERN TECHNOLOGY AND SOCIETY - Modern current technology and societal changes has contributed to a dramatic societal change during the past century. Women are liberated and more accepting of sexual open-mindedness, sense of sexual adventure, sexual confidence, and sexual variation among many others.

Since the advent of the Internet it has provided an additional and significantly larger environment for individuals to discuss all sorts of activities, including sexual behaviors.

The Internet accommodates a huge and wide assortment of pornographic materials oriented toward an individual's sexual needs. In this regard, the Internet has made a fundamental contribution by connecting people who share certain ways of understanding these practices, structured around a new expression of identity, precisely at a time when sexuality has become one of the core defining elements in individual identity.

And it is not constrained to just the Internet as exemplified in the rise in furry fandom costumes, furry conventions, comics and videos. Furies agree that they share an interest in fictional anthropomorphic animal characters that have human characteristics and personalities and/or mythological or imaginary creatures that possess human and/or superhuman capabilities.

Corroborating this, studies have documented that women gain sexual gratification from inserting different styles of dildos. This may explain the large worldwide market for replica dog and other anthropomorphic dildos.

PARANORMAL ROMANCE IN NOVELS AND MOVIES - One of the interesting things that sex researchers around the world have noted, as indeed fans of romance fiction and women's erotica literature have realized, during the last few decades, romance fiction has evolved as much as other genres.

Normative heroes and heroines and the accompanying sex between them, have been joined by sexual relations with gods, goddesses, werewolves, vampires, shape shifters, unicorns, centaurs, satyrs, dragons and aliens to name but a few.

Although these new protagonists function under the same laws as more normative characters, it is plainly obvious that this additional trait seems to belong dominantly to paranormal romance fiction - the bestiality genre.

In folklore and literature, bestiality is often romanticized seduction and coitus by a large, virile beast of an ultimately not unwilling human female! The animal may represent the power of free unrestrained and totally intense sexuality being imparted to the woman and the woman being set free in her own unrestrained sexuality to revel in the ultra-taboo, bestial wildness of raw primal sex! All these different protagonists symbolically represent powerful hyper-potent male creatures having

extremely intense passionate ravenous sex with human females!

By drawing attention to women having consensual, or initially not so consensual, sexual relations with another species, it is seen by sociologists as an empowering mode of modern sexuality for female literary characters as well as the female reader! To a lesser extent, newer science fiction genre during the last thirty-five years has contributed as well with aliens, creatures, and monsters ravishing women in novels, graphic comics, and movies.

Hence, romance fantasy and women's erotica novels have long been creating another in-road for bestiality by planting the seeds of curiosity, fantasy, and desire in female readers, and is becoming a mainstream social norm as exhibited by the rapidly increasing sexual fantasy genre geared toward women readers involving various creatures and animals.

For years, romance fiction and women's erotica literature by far has made up the largest share of genre fiction on the market, allowing women to freely explore their hidden sexual desires and fantasies without risk of physical harm or social rejection, and allowing them to be more creative in their own sexual lives. Fantasies are an essential part of our sexual repertoire and is associated with a healthy, happy sex life.

The ability to fantasize, to daydream, to explore internal worlds of imagination, is a valuable, even critical component of the human mind. It reflects our ability to manipulate thoughts, ideas, perceptions and reality, all within the private confines of our own minds. Sexual fantasies are inherent extensions of our capacity for creativity, the very imaginal creativity that is present in the worlds of artists, painters and composers. Sexual fantasizing can be healthy, particularly for a reasonably healthy couple that are open to each other's fantasies and even fetishes and use their increased excitement to move toward rather than away from the partner.

The content of these fiction books and film influence the thoughts and perceptions of millions of readers and viewers around the world, making it into a very powerful social medium, therefore influencing the perceptions that readers and viewers have about social constructs and relationship standards and expectations.

It has been well researched and documented that explicit sexual writing in this genre of books including graphic comics and movies which include bestial or other-worldly creature content, subconsciously lead women to lose their own sexual inhibitions and be willing to explore new possibilities in their sex life!

A woman's innate character is to seek what is forbidden and challenging. Movies and novels with fantasy themes including fantasy sexual themes stimulate the creation of fantasy thoughts, which is further compounded in this already formed female mindset.

WOMEN'S AROUSAL WATCHING PORNOGRAPHY - While social constructs, stereotypes and pressures have certainly played a role in keeping women from being comfortable with porn in the past, the impact of those factors are diminishing over time.

This is consistent with recent polls of women which showed millennials watched the most porn: 57 percent of respondents who enjoyed porn solo were aged 18-24. Among younger women, there's less and less concern for such societal constructs, and more openness to erotic material and more comfortable with their own sexuality.

Numerous studies have been conducted on women's arousal watching pornography for the past four decades. It was determined women tend to have more erotic plasticity than men — that is, they're turned on by a wider variety of things.

For example, while men tend to show physiological arousal only in response to erotic films depicting their stated sexual orientation. Studies utilizing thermographs and plethysmographs—a device that sits inside the vagina and measures genital blood flow, revealed that straight women show similar physiological arousal patterns when watching clips from gay-male, lesbian, and straight pornography – including watching animal mating.

The great majority of women in sex surveys reported watching porn as a “fantasy escape” and that it helped them relieve stress. For many women, same-sex porn provides an opportunity to imagine what it would be like to be with another woman, even if they consider themselves strictly heterosexual.

PSYCHICAL BESTIALITY – the practices which yield erotic gratification or sexual stimulation as a result of behavior in which animals figure, but in which there is no direct physical sexual contact between the human and the beast. This would include, for example, sexual stimulation, sometimes to orgasm, as a result of watching animals copulate with one another – a practice to which has been given the formidable nomenclature “mixoscopic zoophilia”.

Sexual stimulation is derived by watching exhibitions of bestiality, masturbation phantasies (phantasies is a correct spelling) of animal-human or animal-animal sex relations, day-dreaming to orgasm or excitation with bestiality phantasies. Bestiality in books, art works, photographs or videos are experienced as an erotic stimulus, nocturnal emissions with bestiality being the subject of the dream, and erotic stimulation of humans raped by beasts.

WOMEN’S AROUSAL VIEWING SEXUAL IMAGES AND READING LITERATURE DEPICTING BESTIALITY – As noted in the section above, numerous studies show women exhibit physiological arousal watching or reading pornography. Inherent biological impulses spontaneously bubble up *despite* the sexual subject they may be viewing or reading.

What turns women on is different to what women wish turned them on or how they politically or socially feel about it; women have a natural arousal response built-in *despite* the sexual subject.

Sex studies and surveys have repeatedly confirmed one unusual fact – bestiality is the most common uncommon turn-on. It is believed that innately recognized sexual features such as an erect penis, even out of their usual human context, stimulate women. Erotic imagination, sexual curiosity, and sexual arousal commonly overrides the natural disgust response, researchers have found and allows women to willingly engage in behaviors that they might normally find repugnant.

One-half of a couple may induce the other to watch or read pornography depicting women having sex with an animal. The female half of the couple may acquiesce due to curiosity or be drawn into it by the other partner who encourages it as an entertaining novelty. This in part may interest a woman to satisfy that curiosity.

Repeatedly watching videos or reading stories of this nature may desensitize the woman of this particular sexual act or they may become more tolerant of the act. Eventually it may raise her tolerance to the activities depicted so she may engage in them, either willingly to some extent or with some degree of coercion to bend or break what amounts to a misbegotten social taboo.

Again, part of this may be a curiosity factor to find out for herself the pleasure a woman exhibits in this sexual act in videos and stories is actually factual. Some researchers attribute it to the embodiment of that primal animal urge to be fucked so thoroughly by such raw animalistic power that it unleashes a woman’s own deep-seated primal sexual desires and responses that gets them aroused. It’s the nature of the human psyche to find the taboo thrilling, even erotic.

This outdated socially taboo erotic act may influence the wild, erotic nature that is innate to most women's subconsciousness and consciousness. A woman's wild erotic nature may emerge in animal fantasies, which enables a woman to revel in the ultra-taboo, bestial wildness of the fully unrestrained primal sexual act itself.

BESTIALITY - Existed as a rather widespread practice in all the nations of antiquity of which we have adequate records. Where it is not specifically mentioned, it may be legitimately inferred on the basis of the over-all archeological evidence.

In ancient Egypt, the animal aspects of the gods insured that bestiality would be practiced both for religious and magical purposes. The representation of the Egyptian gods as beings of part-human forms was linked - a further impetus to bestiality - to the belief that living animals partook of the divinity of the gods and goddesses whose forms they shared.

This leads us to the realm of Greek and Roman mythology which is considered by scholars to provide the best evidence for the thesis that the incidence of bestiality among the ancient Greeks and Romans was high, and that the attitude toward this form of sexual expression was of wide-spread acceptance.

Greek and Roman myths contain many stories of gods who assumed the shape of animals in order to mate with mortals. The satyr, a mythical being, half-goat, half-man, who was noted for his virility and lasciviousness, and who exercised it freely with humans, nymphs, and other creatures. Bestial intercourse related by the historians and mythologists: among them, the mating of Semiramis, legendary foundress of Babylon, with a stallion. From the union of Pasiphae and the bull was born the Minotaur, and the mythologists credited other bestial unions with bringing them into the world such as Satyrs, Centaurs, and other strange and monstrous creatures.

Author Robert Burton (*Anatomy of Melancholy*) adds to the list, saying that "women are inflamed with mad passions for beasts, hence Minotaur's, Centaurs, Unicorns, Silvanuses, Sphynxes, etc.

Of the three great ancient civilizations here dealt with, the Romans were the most lavish and factual in its recording of both public and private bestiality. In the case of the Sybarites, the Greek city of Sybaris, a whole population was given to it, noted for their sodomies and copulations with canines (as were the Moors in later times).

On other occasions, bestiality was a spectator sport, as in the case of the exhibitions staged at the Roman Games; sometimes it was the voluptuous indulgence of noble Roman ladies; and sometimes even emperors were involved.

The Roman emperor Nero, disguised as a wild beast, once invaded the arena at the Games to assault members of both sexes, a performance he concluded by casting off his costume and publicly falling into the embrace of Doryphoros, his male lover.

For the Roman Games, male animals of all sorts were trained from the earliest possible age to copulate with and even forcibly rape girls and women. Bulls, giraffes, leopards, cheetahs, wild boars, zebras, stallions, donkeys, huge dogs, various kinds of apes, and other animals were taught to perform these functions. Some of the more adaptable and enthusiastic ones were further tutored to commit sodomy on human males and females. Especially popular at the Games were representations of scenes from the sexual lives of the gods, a particular favorite being Pasiphae and the Bull.

From the ancient world up through our own time, in all countries - though more frequently in some than in others - bestiality was practiced, thought about, dreamed of, and emerged as myth, fairy tale, folklore, literature, painting, and sculpture. In modern times, the practice of bestiality has been

reported with a greater thoroughness than was the case in the ancient world, and this despite the fact that in the West at least the practitioners have grown considerably more furtive.

Certainly, the past two hundred years have nothing to compare with the spectacular bestiality events of the ancient Roman Games, a phenomenon unique in all of history. In more recent times, fiction and folklore have provided most of the imaginary accounts of bestial intercourse, again reflecting the “real world” cravings and behavior of mankind. It is, of course, true that in mythology fiction and folklore have provided most of the imaginary accounts of bestial intercourse, again reflecting the “real world” cravings and behavior of mankind.

This then leads us to a summation of the most recent studies of zoophilia since 1985.

This summation indicates reported sexual fantasies having sex with animals (76 % males and 45% females) and watching other humans have sex with animals (35% males and 40% females).

The summation of studies conducted since 1985 found that in any general demographic population, overall rates of persons engaging in bestiality range up to 55 percent, with 37 percent of women in any general population having engaged in bestiality.

What this means is 1 in 8 women have interacted sexually with an animal. So the gossip or outlandish rumor overheard at a party or amongst friends has a great chance of being true, more so, unknowingly, one or more of your friends may have engaged in sex with an animal!

Having fantasies about things we would never endorse or choose to do in reality, are not necessarily signs of psychological disturbance. As far as people being considered deviant having sexual relations with an animal, recent research indicates the majority of people engaging in sex with animals do not suffer from a clinically psychological significant extent, and their social and occupational life etc. is not necessarily impaired.

The majority of men (67%) and women (82%) placed themselves on a satisfaction scale anywhere from “extremely happy” to at least “generally satisfied/pleased”.

Additionally, studies have found that people who participate in bestiality, almost 50% were college graduates or above, 16% work in computer-related fields, 11% are artists, about 27% are students and about 7% work in animal-related fields, 9% work in animal-related fields and 18 % in the medical field. Bestiality is a sexual activity practiced by all sorts of demographic groups.

Still, there is a strong influence of old religious and outdated moral values/codes, condemning any kind of sexual contact with animals. Therefore mentioning bestiality frequently evokes rather emotional and extreme reactions. Even when scholarly research in this area is published, authors are faced, depending on the results, with criticism, and not just from their peers.

With the zoophilia or bestiality rate increasing in today’s modern digitally connected age, researchers argue that zoophilia could be considered as an alternative sexual orientation. Zoosexuality needs to be understood within the context of recognizing new emerging sexual identities that are no longer restricted by a patriarchal system centered on reproduction.

MINATURE HORSES, MINATURE DONKEYS, AND ARABIAN HORSES

Falabella Miniature Horses are the smallest of the miniature horse breeds having an erect penis length on average of twelve inches in length with a penile girth of five to six inches (Approx. 1.5 inches wide to 2.0 inches wide)

Miniature Donkeys on average have an erect penis length of fourteen to sixteen inches with penile girths of five to seven inches (approx. 2.0 inches wide to 2.25 inches wide).

Arabian Horses are the smallest of the large breeds of horses with an erect penis length of fourteen to eighteen inches with penile girths of five to seven inches (approx. 2.0 inches wide to 2.25 inches wide), so a woman can accept insertion but has to be mindful controlling the thrusting and how much is going in.
