BEASTIALITY STORIES

Charlotte & Sylvia take one last look around before entering the stable. They typically sneak into the stable to fool around, hidden from the world's view. There's something about the sounds and smells of horses that make them extra horny. They can't resist groping each other while they watch and fantasize about the horses, especially their large, delicious mouth-watering cocks. Charlotte loves to undress and show off her beautiful young body and tease the horses, as does Sylvia.

This evening is no exception. Both of these young ladies love the sight of how the horses react when they slowly undress and kiss before them. The way those massive horse cocks twitch with raw excitement and anticipation. It drives them absolutely wild to see the horses grow so restless with desire. They passionately kiss and touch each other, moaning loudly. Charlotte turns her gaze towards the horses in their stalls who are watching intently. Noticing this, Sylvia lifts up Charlotte's skirt revealing her young, beautiful, firm buttocks to the horny horses. She takes a firm grip, slowly spreading her cheek wide with one hand while pulling her panties to the side with the other hand so that her deliciously glistening wet pussy comes into full view along with a beautifully tight butthole that clenches eagerly in anticipation.

The horses neigh eagerly - they're not stupid they know what they see. Charlotte's arousal only heightens from the horse's response as she uncontrollably kisses and licks Sylvia on the mouth while moaning loudly.

Charlotte kisses Sylvia fervently, her hands sliding the shoulder straps of Sylvia's elegant summer dress down until it falls away. Now, she stands there completely naked except for a black velvet collar adorned with a red gemstone around her neck and her boots. Her youthful body is stunning, almost divine in its beauty - medium-sized firm breasts and a well-groomed blonde bush on full display. Sylvia glances shyly at the wooden floor while Charlotte lifts her face with a finger under her chin before kissing and licking her mouth passionately. In response, Sylvia slips her hand under Charlotte's dress to explore the delightful hairy wetness between her legs which is dripping wet already. Their intimate moment gets pleasantly interrupted by an eager audience who can hardly contain their excitement. The horses are stomping hooves and neighing as if they were participants themselves in this erotic spectacle.

Charlotte turns her head to shoot a suggestive glance at the horses before she drops to her knees, placing her face in an ecstasy-filled trance against Sylvia's blonde pubes. She starts kissing down until she reaches the delicious pink folds. Extending her tongue, she begins passionately licking Sylvia while they both moan loudly. This does nothing to calm the horses who seem only more excited by the girls' sounds. Sylvia grips Charlotte's hair tightly, gathering all of her strength just to stay upright as Charlotte shamelessly feasts on her lower body with wild abandon. Sylvia climaxes hard - pressing Charlotte's face firmly onto herself as she moans and squeals, grinding her wet pussy harshly against Charlotte's face. After some time, Charlotte gets up, her entire face soaked with Sylvia's juices. Smacking lips in satisfaction around a dripping mouth, she kisses Sylvia gratefully. Sylvia takes charge now grabbing hold of Charlotte's shoulders and turning her around, so that she is facing their eager equine audience directly, then bending forward lifts up Charlotte's skirt, pushing aside those cheeks, and like a hungry predator and dives into that red-haired juicy pussy of hers. Leaning heavily against one of the horse stalls for support while arching her back sensuously, she thrusts outwards presenting an irresistible feast for Sylvia who slurps noisily, moaning like a wanton whore.

Charlotte shuts her eyes, savouring the sensation of Sylvia practically devouring her cunt like a starving beast. Out of nowhere, she feels an inquisitive snout nudging her face. She jumps at first but allows him to sniff at her. The kinky thrill of having Sylvia's face wedged between her ass cheeks

lapping and slobbering away while the horse curiously inspects every inch of her face is too much for Charlotte. She returns the favour by stroking and planting sloppy kisses on the horse's muzzle, whispering about how badly she wants to fuck him. Sylvia pulls out from between Charlotte's ass cheeks, panting heavily before suggesting they move inside with the horse. She wants to see if their lewd acts would get this majestic beast hard as a rock. It isn't their first rodeo in a stable but they've never actually involved a horse before - it has always been limited to teasing them just enough.

Charlotte is swept up in the moment. They exchange lust-filled glances with each other and the horse as they gingerly open his stable door.

Hey there, Horsey, are you in the mood for some...HOLY SHIT!

That's when they are greeted by a colossal black and pink cock hanging nearly to the floor.

Jesus Christ, both girls exclaim simultaneously. Look at that fucking thing, Charlotte points out. And those huge balls, Sylvia adds, They're as big as footballs! She's fantasized about this many times before but it always remained just that - a fantasy. Now she simply got to touch it when she had this opportunity.

She gingerly wraps her fingers around its thick shaft she is completely taken aback by both its girth and weight...even in its flaccid state. It feels velvety soft on the outside yet solidly firm within - An impressive piece of meat indeed. Experimentally shaking it, she gasps: "Jesus Christ! This thing is fucking heavy!

Sylvia is in her own world, almost entranced as she fondles the beast's large balls, moaning with delight. Wow! she blurts out while gently weighing his balls in her hands. They're so fucking huge, and warm, she says enthusiastically. I wonder how much cum he spews when he cums? Well, there's only one way to find out, Sylvia says as she licks her lips hungrily standing there weighing his balls. Charlotte begins to passionately kiss Sylvia on the mouth, holding onto the now semi-hard massive cock with one hand and fondling Sylvia's ass cheeks with the other. Sylvia tilts her head to the side and kisses Charlotte back just as passionately while moaning and massaging his balls. The horse stamps its front hoof lightly but eagerly in approval. The sound of eager hooves and neighing only makes the girls even more aroused. Charlotte feels that it's getting harder to hold onto his cock as it grows bigger and harder in her hand. Sylvia is spellbound by seeing his cock grow in Charlotte's hand and positions herself in front of Charlotte for a better view. Awwww, he gets turned on by us, she states with an excited smile.

Watch this, Charlotte says, grabbing hold of the massive erect cock and placing it between her legs. She rubs her wet pussy back and forth along his huge shaft with a gentle yet firm touch. She fucking loves how it feels - the sensation of his thick veins sliding between her moist lips is pure ecstasy. Looking down, she watches as the large cockhead forces its way out while gliding between her pink, wet folds. Neither girl tries to stop the other - the situation escalates quickly but it feels natural. They both don't give a fuck and let their primal desires take over. The sight of that gigantic cock forcing itself forward between those lips is too much for Sylvia to handle - she can't resist any longer she just HAS to taste him. Her eyes are locked onto Charlotte's deliciously wet and hairy cunt while she opens her mouth wide, sticks out her tongue, and places it firmly on his cockhead. The horse starts to rhythmically jerk back and forth causing Sylvia to involuntarily alternate between licking Charlotte's pussy and taking his shaft into her mouth in pure ecstasy.

The cockhead is as surprisingly soft, kind of like a sponge, and smacks Sylvia's lips with each powerful thrust. Charlotte leans forward, grinding back and forth on that monster shaft, moaning like a whore when she feels the huge veins dragged back and forth against her clit and soaking wet lips. He stomps irregularly with his hooves while neighing faster and louder. Ohhh, I think SOMEONE'S about to burst, groans Sylvia with an expectant grin plastered across her face.

Charlotte positions herself further back on his cock so that the head and a great portion of his shaft remain visible at all times while she slides up and down the second half of his massive cock. She can feel herself nearing climax as well – the thought of actually being intimate with, a horse plus the sensation of that massive veiny cock massaging her beyond her wildest dreams, makes her dripping cunt wetter than ever before.

She begins to moan loudly in sync with the horse's braying. She braces herself with both hands, maintaining a firm grip around the base of his cockhead. Sylvia kneels expectantly, her eyes glued to the dick inches from her face as she eagerly extends her tongue towards it. Charlotte feels his cock stiffen between her drenched lips and hands – That massive fucking rod tightens and twists while he whinnies out loud in satisfaction. Oh my god is all Charlotte manages to blurt out before she feels and sees him shooting jet after jet of cum with an intense force.

She can feel it pulsating between her legs and in her hands – most of it hits Sylvia square in the face and mouth, splattering everywhere under its intense pressure. Charlotte realizes then that she's holding onto his dick like some kind of fire hose, directing its spray wherever she pleases. She first guides the head down towards Sylvia's delightful breasts. Quickly coating them in a thick layer of warm horse cum. She raises it slightly so he can squeeze out the last noble drops onto Sylvia's waiting tongue.

Sylvia grins smugly, licking her lips with satisfaction though wiping some cum off her eyes to see again. There she sees Charlotte standing with the cock between her legs, thick streams of leftover cum dripping from it. Charlotte gives an impressed shake to his dick causing jizz to splatter all around. Fuck me! That's a lot of fucking cum, says a clearly impressed Charlotte. Sylvia nods appreciatively and adds that this was exactly what she had hoped for and expected from such fucking massive balls. Charlotte releases the semi-hard cock and leans forward to passionately kiss Sylvia's cumfilled face.

She sticks her whore tongue out, licking the cum off Sylvia's lips while moaning with satisfaction. She notices some hay bales behind Sylvia and firmly asks her to sit there. Sylvia does as she is told, taking a seat. Charlotte decisively spreads Sylvia's legs, exposing that fine blonde trimmed young pussy, and bends over while hungrily licking around her mouth in anticipation. She ravages Sylvia's delightful pussy like a hungry predator. Sylvia lays back on the hay bales as Charlotte indulges crudely on her wet cunt – their lascivious slurping and moaning reverberating loudly throughout the barn. Lost in ecstasy with her ass high in the air, Charlotte completely forgets about where she is as she buries herself between Sylvia's delicious pink folds, kissing and licking them passionately until an unexpected sensation of a warm velvet-like muzzle pressing curiously between her cheeks, snaps her out of this hypnotic-like state – Oh fuck! That's right...there's still a horse here – she moans just as she feels a warm tongue sliding past her lips and deep inside of her dripping wet pussy.

She simply accepts the situation and allows him to continue. She moans loudly, continuing to feast on Sylvia. There's something magical about having a long, warm horse tongue inside your pussy while feeling its hot and heavy breath against your exposed asshole.

Oh my God, he's eating me out, she groans between Sylvia's thighs. Huh? replies Sylvia as she lifts her head up to see what is happening behind Charlotte – She hadn't noticed until now. She sees Charlotte's ass pointing towards the ceiling with a horse bending down and foraging into her lower body.

The horse withdraws his tongue from Charlotte's pussy and sniffs quite interestedly at and around her ass before very decisively pushing his tongue into Charlotte's clenching butthole, causing her to groan anomalistically.

Oh, dear Lord! Oh, fuck yeah!!! He is tonguefucking my asshole! He is tonguefucking my ass! Moans a sweet and high-pitched voice from between Sylvia's legs. I can see that, giggles Sylvia as drool and cum drips from her mouth which she lasciviously licks around with anticipation. Sylvia becomes so aroused that she uncontrollably squirts all over Charlotte's face.

Charlotte can no longer focus on eating Sylvia's pussy. She just lies there, stunned with her face pressed against her pussy, while she just mumbles and breathes heavily.

The sensation of the horse's eager tongue wriggling like a frantic eel in her ass sends her to an insane orgasm. Sylvia sits almost hypnotized and speechless, watching what is happening. She can't help but lick around her mouth and hope for some similar treatment. She lifts Charlotte's head up, just to see a pair of eyes rolled far back in pure pleasure. Charlotte is completely gone, making only gurgling sounds. She suddenly comes back to herself when the horse whinnies and pulls its tongue out of her ass with a wet slurp sound that echoes through the stable walls.

Holy fucking shit, that was so fucking good! All Charlotte can do is let out a guttural moan as the horse positions itself expectantly beside them. Well, he's clearly up for round two, says Sylvia, slightly bewildered but undoubtedly pleased with herself. This wasn't exactly what they had in mind when they entered the stable - they were just planning to get naked and fool around to tease the horses a bit. But now, all of a sudden, they've emptied a horse's balls all over Sylvia's face and body, and he's standing there wanting more! It's one thing to fantasize about fucking horses - it's an entirely different story to actually be standing right next to a freshly emptied but still ragingly horny stallion in real life. Now it's your turn to take a load on your face, Sylvia growls as she stands up and grabs hold of his big stiff cock, swinging it aside so she doesn't end up underneath the animal herself. She lowers her dripping wet pussy onto his massive shaft just like Charlotte did earlier and starts riding him like there's no tomorrow.

Charlotte eagerly positions herself on top of the hay bales, feeling the rough texture against her bare skin. She can't take her eyes off Sylvia as she grips tightly behind the perineal ring and slowly slides back and forth along the massive horse cock. The musky scent of sweat mixed with animal pheromones fills her nostrils, making her even more aroused. Sylvia's mouth waters as she feels each thick, hard vein glide through her wet lips, stretching them to their limit. Charlotte spreads her legs wide and starts fondling her own breasts and pussy while watching intently at the head of the cock poking out between Sylvia's parted pink lips, Charlotte imagines what it would feel like to have that same monster filling up every inch of both her holes.

She slides back and forth on the massive horse cock with a steady, determined rhythm as Charlotte watches eagerly, masturbating furiously. The horse starts to move towards Charlotte, causing Sylvia to jump slightly at first. But he settles down so she continues cautiously while remaining alert. Suddenly, he does it again - taking some forceful steps as if aiming straight for Charlotte who lies on her back with her legs spread wide open, touching herself wildly and moaning loudly. Sylvia feels how his cock tightens and twists in anticipation as he homes in on Charlotte's inviting pussy...

Sylvia tries to halt the horse by pushing against him but quickly realizes that stopping an 1500-pound horny stallion is well beyond her capabilities. She can't even dismount from his cock. She can only sit there, watching as it slowly but surely approaches an unsuspecting moaning Charlotte. The only thing Sylvia can do is at least guide the massive horse cock towards her friend's inviting pussy.

Before she knows it, the horse thrusts onto her pussy with a loud gasp from both girls.

Charlotte's eyes shot open as she felt the bulk of the horse's huge cock parting her wet lips, and started to enter her.

“Oh my GOD, he’s fucking huge!”

She felt an orgasm ripple through her body as inch by inch the giant horsecock finally slid into her. Charlotte moaned gently, thankful to finally be fucked by a horse after such prolonged foreplay.

The horse seems to enjoy the sensation of Charlotte’s wet and warm pussy squeezing around his cockhead as he slowly but surely plunges a significant portion of his shaft inside her.

She felt her buttohole quivering as inch after inch slid into her body and her orgasm gently rolled over her. The huge member felt like it was ripping her apart, but her orgasm seemed to make the situation so much more tolerable.

It was feeling great at first as Charlotte started to explain, “It feels so... Unnnnnn! OW!” Suddenly she felt a sharp pain deep inside her as the cock pressed hard against her cervix, which put a sudden stop to her gentle orgasm as she came out of her haze and realized exactly what she was doing – she was letting a 1500-pound animal push his big fat cock up her unexpected pussy. Sylvia looked concerned, “Ah, he’s against your cervix. He looks well-seated. can you move?”

It was a strange feeling but not bad. Charlotte definitely felt like she could orgasm like this. Charlotte really had no idea what to expect having sex with a horse would be like, but this exceeded all her expectations.

He seems pleased to have about half of his enormous cock buried inside her – it stops at the preputial ring, where Sylvia holds on for dear life.

Charlotte bit her lip proudly and rocked her hips up and down once to show that she did, indeed have almost 8 inches of horsecock nestled deeply in her,
“I can’t believe it. Look at me, Sylvia, he’s all the way in me.

Charlotte stares in disbelief as she realizes that she has just been penetrated by a horse – And to make matters worse, Sylvia is still sitting on top of the beast’s throbbing member, now the only thing preventing him from tearing her apart...

This is only possible because Sylvia has managed to guide the horse’s cock to the side, ensuring that they are not underneath him. Both girls find it a little scary, but it seems like the stallion is taking care not to hurt them – what do they know anyway? They’ll just have to play along and enjoy it while they can. He starts thrusting in and out of Charlotte with a steady rhythm, slowly but firmly pushing his massive member into her pussy. Sylvia stands there watching as she feels the enormous veins on his cock slide through her own wet lips. Neither of them says a word but instead, bask in the pleasure of everything happening around them.

The sound of the massive horse cock being forced into the wet and tight pussy is a mixture of moist squelches and shocked muffled moans. The slickness of Charlotte’s aroused cunt combined with the girth of the stallion’s member creates a wet, sloppy noise as it slides deeper inside her. With each thrust, there is a distinct smacking sound as his thick shaft slaps against her inner walls, causing both girls to gasp in pleasure and surprise. It’s an intense auditory experience that amplifies their arousal even further...

Oh my god, Charlotte moans. I have a horse cock inside me. I’m actually getting fucked by a horse and it feels so fucking good! She screams as she reaches climax, and Sylvia savours the sight of her friend squirting uncontrollably. She watches as Charlotte’s beautiful redhead pussy desperately tries to clench around the enormous girth of the horse’s cock, but there is no room left with it fully stuffed inside her. Charlotte braces herself against the hay bales, crying tears of joy while gasping and

moaning through an intense orgasm.

Sylvia becomes even more aroused at the sight of the massive shaft rhythmically pumping in and out of Charlotte's drenched cunt, causing fountains of pussy juice to flow freely from her friend's quivering body. Sylvia can feel herself getting wetter and wetter as she watches this perverse scene unfold before her eyes. The sound of his thick cock pounding into her friend like a piston is driving her wild with desire, especially when combined with the sight of all that sweet pussy juice flowing out, coating his cock.

As he continues to fuck Charlotte relentlessly, Sylvia can't help but imagine what it would feel like to have him sliding in and out of her own soaking wet hole... It doesn't take long for Sylvia to reach orgasm too - feeling his rough texture and hard veins slide effortlessly through her own slick lips sends waves upon waves of pleasure coursing through every inch of her body until she explodes in ecstasy!

It doesn't help that she feels his cock tightening and twisting under her lips. Oh my god, he's cumming! He's cum...That's all Sylvia manages to moan before he shoots his hot load deep into Charlotte's pussy. It feels like she is sitting on a damn fire hose as it forcefully sprays uncontrollably into her delicious ginger pussy. She is already in orgasmic heaven and is now being filled to the brim with hot horsecum. I can't take anymore, she moans. Get it out before I explode!

Sylvia manages to yank the cock out of her pussy before he destroys her completely, but he continues to spray wildly, so she aims for Charlotte's face - giving her what she was actually after, a mouthful of hot horse cum! Charlotte leans forward, grabs the head of his cock with both hands and opens wide while sticking out her tongue - just one squirt is enough to fill up her entire mouth. The horsejizz drips from her overflowing mouth down onto her chin, neck, and breasts.

At the same time, copious amounts of warm, thick horse cum gush out from her overflowing pussy. Sylvia feels the cock gradually becoming flaccid between her legs. She lets go of the cock so the horse can move away. Sylvia pounces on Charlotte, kissing her passionately with her mouth overflowing with warm fresh horse semen. I want some too! she moans as they both drip with warm, sticky horse jizz. Sylvia wants to know what it feels like to have a cunt filled with hot horse cum and slides her hand down to Charlotte's crotch while they kiss passionately.

Her entire groin is wet and covered in thick, warm, and sticky horse semen - she's impressed by how much there is! She moans that she wants to fuck a horse too - nothing else will do!

How was it? What did it feel like to be fucked by a horse? And how did it feel when he came? Sylvia asks eagerly. Charlotte moans in response, tilting her head back. Her fingers slowly and sensually running through her lips. It was fucking incredible, she says with lustful excitement. You got to try it, she adds seductively and convincingly.

There's a door between the stalls that you can open and let in another horse if you want. There's no shortage of horses here, and everyone knows what's been going on. She grins wickedly at Sylvia. I don't think we'll have any trouble finding someone willing to empty their balls into you, my dear friend.

Sylvia looks around and spots a beautiful Fjord horse standing there snorting impatiently and lightly stamping his hooves. He nods approvingly when he catches Sylvia's hungry gaze fixed on him, while she licks her lips in anticipation. Are you up for it? she asks excitedly. Of course! Charlotte responds eagerly, equally as aroused as Sylvia. They trudge together towards the eager Fjord horse wearing just their riding boots, giggling and playfully teasing him along the way. Once they approach him,

they passionately kiss each other while wriggling their delicious bodies provocatively – one girl moaning louder than the other – all while eagerly waiting for the horse's reaction.

The horse watches as the two young, naked bodies – glistening with sweat and horse cum – writhe and play in front of him. He sees four firm and perky breasts, a redhead, and a blonde pussy teasingly rubbing against his muzzle.

Impatiently and suggestively, the horse whinnies and hints at his interest. Awww, do you see something you like, horsey? They ask while exposing themselves in front of him. He bends his head down straight towards the girls' crotches and sniffs heavily while neighing. Aww, I think he wants to play with us! Charlotte exclaims excitedly. Sylvia strokes his muzzle seductively and asks if he likes naked girls. He neighs as if he understands. Yeah? Sylvia moans in response, pushing her inviting pussy forward a bit more. Do you want to taste my wet pussy? Hm? The horse bends down and sniffs curiously over her pubic hair before sticking out his tongue which immediately finds its way between her wet lips.

She rolls her eyes back in ecstasy and pleasure. Oh my god, he's licking my pussy! She moans as she struggles to keep her body upright. Charlotte likes what she sees and bends down to get a closer look at Sylvia's delicious, plump but bouncy ass cheeks. When she tilts her head slightly, she can see the horse's tongue working hard inside Sylvia's cunt. Charlotte licks her lips greedily and grabs onto Sylvia's buttocks, spreading them apart before pressing her face and tongue as far into the asshole as possible. Sylvia moans loudly with pleasure while one hand rests on the horse's head and the other on Charlotte's head – enjoying being devoured like a meal for a hungry animal. She is sent into an orgasm unlike any other before pulling away slightly to the horse's great disappointment. She turns around and gratefully kisses Charlotte on the mouth while sweetly asking if she can help out a bit too. Of course! An excited Charlotte responds eagerly, asking what should I do.

Sylvia looks at Charlotte cunningly as she positions herself right next to the horse's gate, getting down on all fours and lifting her ass as high as possible. Spread my cheeks, I want to feel his tongue in my ass! Oooohhhh, Charlotte playfully responds. Oh really? You like it in the ass? The horse stares directly at her asshole, eagerly stretching out his tongue. First, he licks a bit curiously up and down between the cheeks before taking aim and planting his long playful tongue right in Sylvia's asshole. The tongue presses firmly into her ass while she lies there moaning like a cheap whore with her fingers playing wildly with her dripping wet pussy between her legs. Meanwhile, Charlotte stands beside them stroking the horse's muzzle and head while fascinated by his tongue playing with Sylvia's ass. She becomes so damn horny watching that she struggles to stay upright – unable to wait any longer she opens the gate and walks towards him unnoticed by the horse who is too busy rimming Sylvia's asshole.

She notices that his cock is already hard, swaying lightly in rhythm with the horse's movements. Then she notices those massive balls – oh my god, they're so fucking huge! She begins to stroke them lightly and playfully while asking him greedily if he wants to keep all of that for himself.

She trembles with excitement and bites her lip as she strokes her hands down the shaft of his cock. The sounds of Sylvia moaning on the other side of the gate do nothing to dampen their lustful desires. Charlotte feels his cock tighten when he hears Sylvia coming. It seems like the horse understands what's happening and enjoys it just as much!

Charlotte is mesmerized as she gazes at his cock, holding it firmly with both hands. She doesn't even notice that he's finished eating Sylvia's ass and has turned his head to look at her instead. Charlotte is lost in her own world, only coming back to reality when she hears Sylvia slurping and slobbering loudly on his cockhead with great enthusiasm. She watches Sylvia enjoying his cock before turning

to look into the horse's eyes, who's eagerly following along with what is happening. Charlotte begins to lick and suck on his cock too.

Feeling two delicious young girls on either side of him devouring him greedily making him even hornier than before. Without much warning, except for a loud neigh and some stomping of his hind legs, he shoots thick warm cum all over their faces – drenching them in his hot sticky seed! The girls are surprised but very pleased as they shake his cock so hard that impressive amounts of jizz splatter all over them – showering their faces and breasts in a deluge of cum!

Moaning loudly and with satisfaction, they play with his cock like a fire hose, back and forth until only remnants dribble out. They alternate between kissing and licking the head of his dick, and each other's lips while groaning and giggling. I think he was kinda horny, Charlotte chuckles. I think he likes us, Sylvia responds with a satisfied grin. Unable to resist any longer, Charlotte begins to tentatively lick and suck on the now semi-hard cock. Sylvia stands up, affectionately nuzzling him before asking sweetly in a childish voice, Is that all you have to offer? Can you go another round for us dear Horsey? Do you have more in those big beautiful horse balls of yours? Do you? Her playful and seductive tone even gets Charlotte worked up just listening to it!

It seems to be working quite well because his cock is getting very hard again. Aww, is it for me? she asks while kissing him on the muzzle. Are you a good boy? Huh? she whispers as she licks her tongue in excitement up his muzzle. If you're a good boy, I'll let you fuck my tight little asshole. Sylvia moans with arousal at hearing herself say those words.

She gets so fucking horny just thinking about being anally fucked by a horse, that she almost comes from the thought alone! I really want you to fuck me in the ass with that big fat horsecock of yours! I want you to empty your ball deep in my ass!

She moans out loud. What did you just say? Charlotte asks, somewhat surprised. You want him to fuck your ass?! Are you crazy?! Have you seen his cock?!? She says with a wide and expectant smile on her face, eagerly anticipating what will happen next.

She continues to lick up and down his long black cock. Sylvia lightly strokes his muzzle while looking into his eyes and asking if he can stay RELATIVELY calm if she lets him fuck her ass.

Please, please my sweet horsie, I really want to feel your cum inside my ass, she begs. Charlotte feels how his cock tightens and writhes in recognition and anticipation. It seems like he understands what you're saying, Charlotte giggles. I hope so, Sylvia replies nervously. If not, he's going to wreck me. Sylvia positions herself on the hay bales behind her. She adores being taken while lying on her back, preferably with her feet folded behind her head when the situation allows it.

she likes to watch everything unfold between her legs, as well as being able to play with herself. Spreading her legs seductively as she beckons him with a finger. He eagerly trots over with his gaze locked between her legs, understanding exactly what she wants from him. He bends down between her feet and sniffs at her pussy before quickly plunging his tongue way into her asshole. She instantly tilts her head back. AH, Fuck YEAH! Sylvia moans out loudly as he begins to press his tongue deeper inside her happy butthole. He really likes your ass, says Charlotte with a smirk. Yes! Yes! It feels like there's a fucking angry snake in my ass!

Ah, Fuck yeah! – You're my favourite horse in the whole world! She stutters while trying to stroke his head, but is interrupted by an intense orgasm that makes her squirt all over his face.

Moaning – oh fuck yeah, Eat my ass, horsie! Eat my ass! – while holding onto his ears tightly, squirting all over his face once again in ecstasy.

He pulls his tongue out of her ass and elegantly drags it between her lips and over her blond pubic hair one last time, before retracting it and lifting his head contentedly.

He positions himself over Sylvia as she lies on the hay bales. His muzzle glistens with a sheen of her pussy juices, while droplets of her wetness teasingly drip from his lips onto her belly and breasts. She lowers her feet to the floor, sweetly beckoning him with a honeyed voice to position himself over her. Come here, horsey, come here!

She purrs in anticipation. He needs no further encouragement and promptly straddles her in response. The sensation of his fur elegantly sliding between her thighs, over her genitals, and continuing up over her pubes and belly, and gently pressing flat her rather big, firm breasts, makes them both quiver with anticipation.

She elevates her feet, parting them to provide him better access. She lets her legs glide up either side of the horse, the sensation of his fur caressing the insides of her thighs causing several uncontrollable squirt`s from her pussy. Her sweet, pink asshole clenches uncontrollably and forcefully in pure anticipation. The feeling of lying belly to belly with a horse combined with his scent makes her horny as hell.

He stops when he feels his cock bump against Sylvia`s thigher hole. She spreads and lifts her feet even higher, taking hold of his cockhead with one hand while guiding it between her ass-cheeks with the other. It`s now or never, she feels the large head of his cock bumping against her little wet asshole. OH - Fuck! He`s big! she thinks to herself nervously. He takes a cautious step forward so that the cock presses against the asshole. Now she begins to realize how big he really is - it`s not painful but definitely challenging for something that size to fit inside there! She adjusts herself as best she can under him so that her ass will open up more easily, hoping to get him in soon enough. The horse is not so patient and takes a small lunge forward causing Sylvia to gasp loudly underneath him as the cock force-opens her tight ring and slides the head of his cock into her asshole.

She screamed at the top of her lungs when his rigid pole broke into her tight ass and slipped upwards, wedged between her round firm cheeks.

It`s not entirely without pain when such a large member invades such a tight little ass, yet the sheer pleasure completely eclipses any trace of pain. The 1500 lb horse`s cock felt huge and wonderful inside her tight ass. It was so dirty and so raw. She is so turned on by the thought and feeling of her butthole being so spread apart by a horsecock.

The sensation of feeling a large, hard, warm and ribbed horse cock slowly inching its way up and into her ass is indescribable. Its thick veins massage her ring and inner walls to such an extent that she cries tears in pure ecstasy.

She moans loudly as he fills up all the space in her ass, feeling like he`s squeezing the air out of her lungs at the same time. Charlotte squats between his hind legs and watches as his big black sausage slowly disappears into her friend`s ass. Sylvia screams with pure pleasure as she feels the thick veins being pushed through her ring and rubbing against her inside. Charlotte gasped in amazement as she watches Sylvia cling to the horse`s sides with both hands and feet while moaning, Oh my god, fuck me horsie! He rocks gently back and forth, just enough to give both his cock and her ass some friction.

"Yes, just like that, horsie, just like that. Let`s see just how deep you can cram that bad boy into me!" she cried out.

He`s just a fjord horse, not significantly taller than her so that he and Sylvia are pressed tightly

together, belly to belly. He can't pull out as far as he'd like but it doesn't matter. It seems both of them are more than satisfied with their current engagement. Sylvia is in absolute ecstasy lying there with the horse on top of her, his cock firmly planted in her tight ass. Charlotte notices him halt when his preputial ring meets Sylvia's anal ring - indicating that more than half of his phallus is buried deep inside her ass. Jesus! Her entire ass is filled with horsecock, Charlotte mumbles while slowly beginning to play with his balls.

He rocks slightly backwards, managing to withdraw a few good inches while the girl beneath gasps and moans in pleasure. Then he thrusts forward again, pushing his cock deeper into her rectal system which makes her scream out in delight. Oh yes! Horse! Fuck me! She clenches her legs around his abdomen as much as she can and urges him to fuck harder. Charlotte remains kneeling, massaging and licking his balls. She moans loudly with arousal, feeling the wetness seep from her soaked pussy, hardly believing what she's hearing - Sylvia lies there being brutally fucked by a horse, in her ASS no less, and asking for it harder! She has an excellent view from under the horse, watching how he seemingly struggles trying to push more of himself inside Sylvia's already overstuffed asshole.

With a wet pop and a guttural groan, she sees his preputial ring also disappear into her ass. Sylvia tried to protest but she felt like the wind was being knocked out of her as the stallion jabbed forward hard against her butthole. Sylvia simply grunted as it almost took her breath away.

From beneath the horse, a loud Ah, fuck yeah horsey! Can be heard. Charlotte squirts and orgasms from watching the horse push everything he has into Sylvia's tight little asshole. The horse's cock wasn't just thickening around the shaft. She could feel His huge flare swelling up inside of her. It must be about the size of a fist now. she arched her hips upwards and moaned just as the stallion began to erupt. A huge jet of warm cum shot out of the horse's cock and deep into Sylvia's body. Rope after rope of slippery horse semen began to coat the insides of her ass.

She orgasms hard as the horse neighs loudly, releasing pressure and spraying stream after stream of thick warm cum deep into Sylvia's ass. Charlotte watches fascinated by how much it pumps and writhes. The entire shaft pulsates, and his veins contract and expand with each squirt. - Oh yes!! He's filling up my whole inside! She screams in pure pleasure - "My God, there's hardly any more room in my ass!" Charlotte quickly moves over to kiss Sylvia while the horse continues to pump warm cum into her rear end.

There's no more room in my ass, she moans as she feels her sphincter open between her butt and belly. Oh, Lord! He's filling up my stomach with cum! He is fi..." is all she manages to say before her sweet voice turns to gurgling. Charlotte can taste horse cum in her mouth. Holy shit, she thinks, - he's cumming so hard and so much that he fills up her stomach! Cum starts pouring out from Sylvia's mouth. She can't resist the temptation, she slides her hand down between Sylvia's legs and over her luscious blonde bush. She caresses her fingers through her soaking wet pussy before wrapping them as tightly as possible around his shaft, just to feel how intensely he's working to pump his delightful horsecum as deep into her ass as possible. The satisfied stallion stands still, squeezing out his last drops deep inside Sylvia's battered butthole. Most of the semen that was in Sylvia's mouth slides back down into her stomach as he gradually withdraws his cock.

Her breathing gradually returns to normal. Charlotte passionately kisses and licks Sylvia all around her mouth, their heavy moans harmoniously in sync. He's almost out, she hints suggestively. Understanding the hint, Charlotte quickly shifts her attention towards her rear end. She is inches away from the semi-erect fat cock being slowly dragged out of Sylvia's ass when she observes that her asshole is being stretched even wider from the inside - it's his larger head making its way out. Holy shit! This is something Charlotte has always fantasized about... Then with a loud wet pop, the

head gets pushed out of Sylvia's ass, followed by an impressive jet of warm thick horse cum that splashes on the floor.

Having finished, the horse slides off Sylvia's belly and steps to the side. Charlotte swiftly takes his place, opening her mouth wide and positioning her tongue like a plug in her gaping asshole. She can feel all that warm thick horse cum shooting into her whore-mouth until it overflows and trickles from the corners of her lips. As Sylvia pushes and moans, more sprays onto Charlotte's face.

The horse steps off to the side, seemingly satisfied. Sylvia turns her head and sees his long cock swaying gently back and forth, dripping with cum. Two-thirds of it is coated in a thick white layer of semen. Holy shit! Was all that inside my ass? She asks in astonishment. Apparently so, Charlotte replies as thick horse cum continues to dribble from her mouth. The girls move towards the horse, stroking and petting him tenderly. Charlotte grazes her hand along his balls, thanking him for the experience while Sylvia caresses his muzzle. Thank you horsie, I swear we will return.

They exit his stall and venture out into the barnyard. The sight of ravished Sylvia standing there wearing nothing but her black riding boots, a velvet collar around her neck, and hay tangled in her tousled blonde hair is something that etches itself deep within Charlotte's mind. She notices streaks of semen trickling down the insides of Sylvia's thighs - God damn it! You're incredibly sexy! she exclaims before passionately kissing Sylvia. They each return home to their unsuspecting boyfriends who remain blissfully ignorant about what happened between their girlfriends and the stud horses at the stable earlier that evening. The next time both women have sex with their partners they find themselves unable to think about anything other than their equine encounter, eagerly anticipating when they can meet again at the stable because there is no going back now - only returning to where it all began: The Barn.
