I visit with my Uncle Robby at a special home for the mentally retarded. He has his room with one roommate named Gary. Gary has Down syndrome. My Uncle Robby is just mentally retarded.

They love it when I visit because the staff gives us much private time alone in the bedroom. I lock the bedroom door and go right to my uncle lying on the bed.

"Did you miss me, Uncle Robby," I asked.

"I sure did miss you," he said, touching himself beneath the sheets.

I pulled back the covers and found his fist pumping back and forth over his big erection.

"Let me take care of that for you," I said.

I reached down and sucked on my uncle's cock. I licked the pearl of pre-ejaculate at the tip and swallowed it.

"Don't forget to suck my cock," Gary said, coming over to me with his hard-on in his hand.

I sat up, took his erection into my hands, and patted him. Then I brought the head of his penis to my lips and sucked on him.

"I missed your pussy," Uncle Robby said.

"I can take off my clothes, and you can both fuck me," I offered.

"Hell yeah," Gary said.

I undressed and lay back on the bed so Uncle Robby could climb on top of me. He sunk himself into my cunt and rocked his hips, thrusting himself in and out of me. I spread my legs wide and rocked against him, feeling him penetrate me so deeply. I loved the way my retarded uncle's cock felt inside my cunt. His belly slapped against me as he continued to fuck me.

"Oh yeah," he moaned, and his body shivered. My Uncle Robby was cumming, releasing his load into my womb. I pulsed around his throbbing stroking flesh, feeling it spray his hot seed into me. He pulled away so that Gary could climb on top of me next. They both groaned at the sight of my creampie cunt.

Gary plunged his swollen erection into my pussy and groaned at the tightness of my sex. My uncle's cum spilled out of my cunt. I tightened around his pounding cock as he drove it into me over and over again. I loved giving my pussy to my uncle's retarded roommate.

His hands groped my big breasts, cupping and squeezing. He grunted and breathed heavily, his body shaking on top of me. Gary was cumming inside me.

I have a Daddy fantasy where my mommy's away on a trip. It's hot, and the air conditioning is broken. I lie naked in bed, rubbing a vibrator over my slit. Daddy stands in the doorway, watching me. He's touching his erection in his pants while I masturbate. He takes his cock out and strokes the flesh of it in his hands after I cum, and my body trembles nude on the bed.

I spread my legs apart and bounce my tits together. "Fuck me, Daddy," I moan to him.

Without saying another word to each other, I lie back and let my Daddy sink his cock into my cunt. He's on top of me, thrusting into my sex stretched around him. Sweat drips from our bodies as we writhe against one another. We kiss open-mouthed, his erection pumping steadily in and out of my slit. I clamp down around him, squeezing him tightly.

"Oh baby, Daddy's cumming," he groans, burying his face into my breasts. spurts of his semen pump inside me. He pulls away, and more of Daddy's sperm sprays onto my snatch. He sinks back into my cunt and empties the rest of his testicles inside me.

When he's done emptying into me, he pulls away and lies back so I can lick him clean. I enjoy the taste of his cock with my juices on his wet flesh.

I went to an abandoned house in the woods where a lot of kids liked to party and do drugs. I met a homeless man who was in his sixties, and he had a Pitbull with him. He looked familiar, and I realized I had seen him hanging around before.

"Come with me," the homeless man said. He often slept in a room upstairs on an old mattress. "Do you want to do some ecstasy?" He asked.

"Ok, sure," I said, taking a pill he offered me.

In fifteen minutes, I started to feel the effects of the drug. I lay back on the old man's dirty mattress and closed my eyes in the room's darkness. Some light was coming in through the window from a streetlight so that I could see somewhat.

I opened my eyes when I felt the homeless man on top of me kissing me. His hands went up to my shirt and underneath my bra. I lay there while he fondled my tits, lifting my shirt. He undid my bra.

"God, you're so fucking hot," he said, suckling on my tits.

"Ooh," I moaned in response.

It felt so good the way he was cupping and playing with my tits and sucking on them. I was so turned on I could feel my pussy heat up and wetness dripped down. He moved down lower on my body and pulled at my pants and panties, yanking them off me. I parted my legs as he put his mouth to my cunt and began to lick at my wet folds.

"Oh man, you have the sweetest cunt I've ever tasted," he moaned.

His tongue swirled, and his lips sucked on my clit. He traced the tip of his tongue up and down my sex, lapping up my juices. Then he pushed his tongue deeply into my entrance, bringing a finger to it to sink inside me.

"Oh God," I moaned as the old homeless man finger fucked me and sucked at my cunt.

My pussy clenched on his finger, and I rocked my hips, groaning and panting in response. I was hungry for a fucking. I was so horny from the drug, and all I wanted was this homeless man's old cock inside me. He wanted the same because he stopped what he was doing and undid his pants, pulling out his erection. The old man rubbed the head of his penis up and down my wet slit. Then he

plunged into me, sinking inside my cunt.

I closed my eyes and lay back with my legs spread wide while the old homeless man fucked me bareback. His slippery, wet flesh slid back and forth in my tight tunnel as I squeezed down around him. I moaned, reaching orgasm just as he trembled and emptied himself inside me. He groaned, and his cock twitched inside me. The old man groped me while finishing. Then he pulled away.

“Here, lie on your stomach for me and lift your ass. I want you to give your cunt to my dog. Would you like that?”

The homeless man caressed my ass and legs.

“Oh yeah,” I moaned.

I wanted to know what it was like to have a dog knot my cunt while I was in ecstasy.

The Pitbull was horny and already erect. He mounted me from behind and humped against me. The old man helped him sink his cock into me.

“Oh, God!” I cried out as the dog began to fuck me.

He pounded his cock into my cunt over and over again. His hot, thick flesh spread apart my walls, stretching me tautly around him. His knot thumped against my entrance until it finally sunk into me all the way. The swelling of his flesh expanded my tunnel tightly around his shape. My cunt muscles squeezed tightly around the dog’s cock and knot.

Spurt after spurt of doggy cum squirted into my womb, filling me up. The homeless man was still erect. This time he knelt in front of me and asked me to suck him off. I opened my mouth and took him in, sucking him and licking him. I tasted myself on him. I could also taste his cum. He rocked his hips, fucking my mouth with his cock. The old homeless man fucked my mouth, groaning and staring down at me with hooded eyes.

“Oh, God,” he cried out as his body trembled.

I sucked harder and tasted his semen as it squirted into my mouth. It sprayed to the back of my throat. I swallowed the homeless man’s sperm as it pumped into my mouth.

My cunt was still hot and wet, stretched by the dog’s cock and its knot. Minutes later, the doggy pulled his cock out of me, and a torrent of doggy cum spilled down.

“Suck my dog off. Swallow that dog cum,” the homeless man said.

I reached for the dog’s cock and tugged on it. I brought my mouth to the tip and closed my lips over it, sucking down. I licked and sucked, swirling my tongue up and down the length of the Pitbull’s shaft. The dog panted and whined with pleasure as I sucked and stroked him off. The wet flesh of his cock was hot, and it continued to drip doggy semen. I caught it in my mouth and sucked, drinking the sperm down.

“Oh God, you look so fucking hot doing that,” he said, fondling my tits.

His fingers went to my cunt, and he pushed apart my lips, letting more doggy semen out. I continued to suck and stroke the dog’s cock savoring the taste of his cum.

After that, I had to come back and have sex with the homeless man and his dog often. It felt so good

behaving like his secret dirty slut.
