## **BEASTIALITY STORIES**

The scene opens on a petite young girl kneeling before a massive black stallion, with long blonde hair and standing only 4'10. Her pink panties visible beneath her white dress. She appears to be nervously giggling as she looks up at the intimidating creature towering over her.

Girl: "Um... Mr. Stallion? Can I... um... ask for your permission?"

Stallion: He lets out a deep, rumbling snort as he looks down at the trembling girl below him. His large, horse cock twitches in anticipation while his testicles hang heavily between his legs.

Girl: "I-I was wondering if I could... um... use this opportunity to show my gratitude towards you."

The girl continues to speak nervously, clearly unsure of what she wants to do but determined nonetheless.

Girl: "Y-You see, I wanted to show how much I appreciate everything you do for me by letting you... um... well... inside me."

She bites her lip and looks up at the horse with an expression of both fear and desire in her eyes.

Stallion: His horse cock throbs even more visibly as he listens to the girl's request. He seems to find her vulnerability and bravery incredibly arousing.

Horse Owner: Watching from a distance, the owner of the stallion nods approvingly and gives a slight wave of encouragement towards the girl.

Girl: "O-Okay... um..."

As the girl hesitates, the horse starts to move closer to her, pressing his massive member against her thigh gently but firmly. The sound of wetness can be heard as precum drips onto the ground from the tip of his cock.

Girl: Her heart races as she feels the heat of the horse's thick shaft against her skin. Despite being scared, there's also a hint of excitement in her voice when she finally speaks again.

"Um... please... put your big cock inside me," she whispers nervously, looking up at the horse with a mix of fear and anticipation in her eyes.

The horse's massive member pulses in anticipation as the girl's words echo through the air. He then slowly pushes forward, his thick length sliding into her tiny vagina like a hot knife cutting through butter. The sound of tearing fabric and the feel of the horse's thick member pushing through her hymen sends shockwaves through her body, causing her to cry out in surprise and pain.

Girl: Her small frame trembles as she feels the pressure building up within her. Her tiny pussy is stretched wide open as the horse's cock enters, making it possible for him to fuck her like a pro. The sound of his thick member pounding into her tiny cunt echoes through the air, sending shivers down her spine.

The horse takes control of the situation, his powerful legs moving back and forth as he pounds away at the girl's defenseless body. His massive cock slides in and out of her tight little pussy with ease, the sound of her soft moans and whimpers only adding to the erotic atmosphere of the scene. The horse's balls tighten up tightly against her ass cheeks as he continues to pound away at her, his cum dripping into her wet pussy as he pulls out of her slowly.

Girl: She squirms in discomfort, her hands grasping for something to hold onto as she tries to regain control of herself. But the horse has already taken charge, his massive cock pumping away at her defenseless body.

Suddenly, the horse decides to switch things up and start fucking the girl's ass instead of her pussy. He lowers himself down onto all fours, positioning his massive member right above her tight sphincter. With one swift motion, he pushes forward, driving his thick shaft deep into her anal cavity, causing her to let out a surprised yelp and try to squirm away from him.

But despite her attempts to escape, the horse's weight and size make it impossible for her to get

away. He keeps pounding away at her rear entrance relentlessly, filling her ass with his thick seed as he empties his load into her tight hole.

The girl's cries become more desperate as the horse continues to violate her tight ass, her pleas falling on deaf ears as he shows no signs of stopping. Her tiny body quakes with each impact of his cock against her tight sphincter, tears streaming down her face as she realizes there's nothing she can do to escape his relentless onslaught.

The sound of wet flesh slapping together fills the air as the horse's massive member pumps in and out of her anal cavity, leaving a trail of sticky cum behind him.

Feeling her tight anal cavity clench around his still-throbbing member, the horse releases a final burst of hot cum deep within her bowels, causing her belly to swell slightly as he fills her womb with his seed. The sight of her distended belly, reminiscent of a woman who is pregnant, adds an extra layer of taboo to the scene, making it even more perverse.

As the last drops of cum flow into her bowels, the horse pulls out of her ass and stands up on his four legs once again, leaving the girl lying on the ground, breathing heavily and covered in his sticky semen.

Feeling completely spent after depositing his load deep within the girl's ass, the horse steps back and turns around, facing her pussy. His cock twitches and throbs with renewed energy as he prepares to release another load of hot cum deep within her waiting pussy.

With a grunt, he starts pumping his thick member back into her stretched-out vaginal entrance, filling her womb with warm seed until every last drop has been released. The sight of her swollen belly growing even larger due to another release of his cum. Finally, the horse pulls out of her soaked pussy and steps back, leaving the girl lying on the ground, covered in cum and looking almost pregnant with his seed.

Despite being filled to capacity, the horse's insatiable appetite for sex drives him to continue fucking the girl, his massive member pounding mercilessly into her overstretched pussy and anal cavity. Each time he thrusts into her, more of his warm seed flows into her belly, causing her abdomen to grow even more distended.

The sight of her swollen belly becoming increasingly pregnant-like only serves to fuel the horse's lust, driving him to continue taking advantage of her defenseless body without any regard for her comfort or boundaries.

The horse shows no sign of stopping, his relentless fucking driving him deeper into the girl's stretched-out pussy and anal cavity with each passing moment. The sound of wet flesh slapping together fills the air as he empties his load into her overflowing womb time and time again, causing her belly to bulge even further.

His cock seems endless, always able to find room within her overstretched orifices, and he doesn't seem to have any intention of slowing down anytime soon. The combination of the intense pleasure he derives from fucking her and the knowledge that he's making her look more and more pregnant-like only serves to fuel his desire to keep going.

By this point, the girl's belly has grown so large that it appears to be about to burst, her skin straining under the weight of the horse's cum that has accumulated within her womb. Despite this, the horse shows no signs of stopping, his insatiable appetite for sex driving him to continue taking advantage of her vulnerable state.

Each time he pulls out of her stuffed pussy and ass, more of his warm seed flows into her distended belly, causing it to bulge even more dangerously. It becomes apparent that if something doesn't change soon, she may actually pop.

As the horse continues to relentlessly fuck the girl, the owner of the stallion finally decides enough is enough. Concerned for both the girl's well-being and the condition of their property, he steps in and orders the horse to stop.

The horse obeys immediately, his massive member withdrawing from the girl's overstretched pussy with a loud pop. He stands still for a moment, catching his breath before turning towards the owner, waiting for further instructions.

The girl, meanwhile, lies on the ground, unable to move due to the immense pressure of the horse's cum inside of her, her swollen belly making it impossible for her to even stand up.

After ensuring that the horse is securely locked away in his stable, the owner turns their attention back to the girl, who is still lying on the ground, struggling to breathe due to the weight of the horse's cum that has accumulated within her body. He decides that it's time for him to take matters into his own hands, so he approaches the helpless girl and kneels down beside her, his large erection hovering menacingly over her open mouth.

The girl's eyes widen in fear as she sees the enormous member looming over her face, knowing full well what's about to happen.

As the girl cries out for it to be over, the owner ignores her pleas and proceeds to forcefully insert his massive member into her open mouth, pushing past her teeth and tongue with ease. The sound of wet flesh smacking together fills the air as the horse's member enters her throat, causing her to gag and choke on the excessive size of the cock in her mouth.

The girl's eyes water with tears as she struggles to breathe, but the owner pays no mind to her discomfort, using her mouth as a receptacle for the copious amounts of warm seed, filling her throat and windpipe with his thick cum until they are satisfied that he has taken full advantage of her vulnerability.

Just as the owner is about to withdraw their still-throbbing member from the girl's choking throat, they hear the sound of footsteps approaching. Turning their head slightly, they see that it's their wife who has come to join in on the fun.

Her eyes light up at the sight of the helpless girl being used by her husband, her hand reaching down to stroke his still-erect member appreciatively.

She takes a seat nearby, watching intently as the girl struggles to breathe through the thick stream of cum pouring into her throat, waiting patiently for her chance to participate in the depraved act.

Wife: Looking over at her husband, she asks, "May I try?"

The owner nods his approval, granting permission for his wife to join in on the degradation of the helpless girl. She eagerly moves closer and reaches between the girl's legs, spreading her wide for easier access to her tight pink pussy.

The girl whimpers softly, trying to push herself away from the overwhelming sensations caused by having two people invading her most intimate areas simultaneously, but there's nothing she can do against their combined strength.

Feeling emboldened by her husband's approval and the fact that the girl is powerless to resist, the wife decides to take things one step further. Reaching down with both hands, she grabs onto the girl's hips firmly, holding her in place as she inserts one fist deep into her pussy, stretching it wide open and filling it with her other hand.

The girl lets out a muffled moan, her body bucking involuntarily as the combination of the wife's fist and husband's throbbing member stimulates every nerve ending in her sensitive folds.

With both hands occupied with inserting her fists into the girl's stretched-out pussy and ass, the wife decides to take things to the next level by attempting to maintain simultaneous control over both her entranceways. She grunts in effort as she uses her elbow to support her upper body, allowing her to

apply more force to her fisting efforts.

The girl's cries become louder and more desperate, her body twitching uncontrollably as the combined sensations of being fisted and fucked send shockwaves of pleasure and pain coursing through her system. The mixture of pleasure and discomfort is almost too much for her to bear, but there's nothing she can do to escape the torment inflicted upon her by her captors.

Under the dual assault of the wife's fisting and the husband's relentless pounding, the girl's cries grow increasingly frantic, her voice becoming hoarse as she struggles to find any semblance of relief from the intense stimulation. The combination of pleasure and pain has left her completely exposed, her body quivering helplessly as she succumbs to the overwhelming sensations washing over her. Meanwhile, the wife continues to work her fists in and out of the girl's tight holes with determination, determined to wring every last drop of pleasure from the defenseless victim before moving on to the next stage of her sadistic plan.

As the owner pulls out of the girl's throat, he looks at his wife with a nod of approval, signaling that it's now her turn to take control of the situation. The girl's eyes widen in terror as both the owner and wife position themselves above her stretched-out pussy and ass, ready to begin their newest round of torment. With two fists inserted into each of her tight entryways, the girl knows that there's no escape from the relentless onslaught of stimulation that's about to consume her entire body.

The owner positions himself just above the girl's gaping pussy, his hand still wrapped around the base of his still-throbbing member. His wife mirrors this pose, placing her two fists inside the girl's stretched-out rear entrance, ready to start working her way deeper into the tight confines of the helpless girl's ass.

Both the owner and wife lean forward, their faces mere inches from the girl's vulnerable orifices, their intentions clear - to inflict maximum pleasure and pain upon her defenseless body.

The girl finally passes out. Despite the girl being passed out due to the overwhelming combination of pleasure and pain, neither the owner nor his wife show any signs of stopping their cruel game of domination. They continue to work their respective fists in and out of the girl's pussy and ass, pushing her limits even further as they seek to extract every last drop of pleasure and suffering from her defenseless body.

Their movements are methodical and precise, driven by a desire to inflict maximum humiliation and pleasure upon the unconscious victim. As the girl lies limply beneath them, unable to move or protest, they continue their sadistic acts without mercy or remorse, seeking only to satisfy their own perverse desires at any cost.

The girl's body trembles slightly as she starts to come back to consciousness, her mind foggy and confused from the overwhelming sensations that have been bombarding her since the beginning of this twisted session. Her pussy and ass are slick with sweat and lubrication, providing ample proof of the abuse she's endured thus far.

As she gradually becomes more aware of her surroundings, she realizes that she's still being subjected to the combined assault of both the owner and the wife's powerful fists. Despite being unconscious multiple times throughout this ordeal, she finds herself powerless to resist the relentless onslaught of pleasure and pain that's being forced upon her defenseless body.

The wife pulls out her fists and leaves to get dinner ready kissing her husband and saying dinner will be ready in an hour.

With the wife occupied in the kitchen preparing dinner, the owner takes advantage of the temporary respite to focus solely on the girl's exposed breasts. He leans down and grabs onto one of her swollen nipples, pulling it gently between his fingers before sliding the head of his still-hardened cock against it, teasing the sensitive nub with gentle strokes before finally pushing it deep inside her breast cavity.

His other hand reaches around to grab hold of the other nipple, giving it similar treatment as he works both breasts simultaneously, alternating between suckling and fucking them with quick, shallow thrusts.

The owner's breath catches as he feels the girl's soft flesh yielding to his pressure, her milk-filled breasts squishing and squashing against his throbbing member as he fucks them with increasing force and speed. The sound of his pants echoing through the room grows louder as he loses control, his hips bucking wildly against the girl's defenseless body as he seeks to extract every last drop of pleasure and satisfaction from her exposed breasts.\*

Meanwhile, the girl's body remains limp and lifeless, her mind clouded from the cumulative effects of the relentless assault of pleasure and pain that's been inflicted upon her defenseless body. She's trapped in a never-ending cycle of sexual torture, with no escape from the cruel whims of her husband and his wife.

As the owner continues to fuck the girl's breasts with increasing fervor, his cock slides in and out of her milk-filled nipples with abandon, sending waves of pleasure coursing through his own body. With each stroke, he pushes himself deeper into her chest, the head of his member occasionally popping free before he drives it back in again, creating a rhythmic motion that's both erotic and primal in nature.

The sound of his grunts and groans fills the air, punctuated by the occasional wet slapping noise as he pulls away from her breasts before driving back into them with renewed vigor. His wife may be absent from the room right now, but that doesn't stop him from indulging in this twisted act of dominance and debauchery.
