BEASTIALITY STORIES

Tom walked into the kitchen. He went straight to the coffee pot and poured a cup. He was very quiet. WELL! Say something, I said to him. I am sorry about last night. He replied. Sorry about what? I asked. You know, the dog thing. Don't be sorry, I said. I enjoyed it. I did notice that, he added. My pussy has never been that hot. I only wish you had taped the whole night, I would love to have watched just how hot I looked doing those dogs. I said to him. Trust me, Dottie, you were hot. Do you think we could do that again when I get back next weekend? Tom asked. We will. I told him. What we do in our house is our business, you can take bets on the fact we will do it again. I added. I knew you were really into it. He replied.

Yes, I was, and again, remember, I told you to be careful what you ask for, too. I added. I know; where are you going with that? Tom asked. I was the one who wanted you to let a dog fuck you. He said. That wasn't all you said you wanted. I smiled. What else did I say? He asked. We will get into that when your hunting trip is over. I said to him. Fuck! Tom replied, the guys will be here shortly too.

As his five poker buddies pulled into the driveway, Tom was preparing for a week-long hunting trip. He was loading some of his dogs when his buddies came in to raid my coffee pot. I smiled at them and put on another pot while the men made small talk to me. I had on a long terry cloth robe with nothing on under it. The men were undressing me with their eyes as I walked around the kitchen. I could feel their eyes on me. I grinned to myself and thought, wait til poker night. I am going to fuck all of you. I was thinking to myself. I went into the dining room, not needing anything. I walked to the china cabinet and bent down, letting the robe fall open, exposing my shaved pussy. I slowly closed the robe, not letting the men know I had done it intentionally.

Tom came back into the house to say goodbye. It's Monday, and we will be back Sunday afternoon. Tom told me. Ok, I replied. Are you guys playing cards that night? I asked. Why? Tom asked. Well, dumb ass, I thought I would have the beer cold and something for all of you to eat when you get here. Sorry, hon! he said. Why don't you people just go hunting, I have a house to clean, and I don't need a bunch of dumbasses in my way. I added. Ok, Tom replied. If you'd like, we will see you on Sunday. Oh, I will, I smiled at him. I will be a very good wife. I laughed as they walked out the door.

All day long, I kept thinking of my night of dog cock. My pussy was wet just at the thought of those wonderful dogs in the yard. I wanted a lot more of the dirty, nasty sex I had last night. Tom didn't know just how sexually awake I was now. I not only wanted to fuck, I needed to fuck. It's what he said he wanted. The way I was feeling now, the nastier the sex, the better, or I should say the more I wanted. I will show that son of a bitch husband of mine what a little spice is. If he wants his buddies to bang me, I think I need a little practice. I smiled. We have been married for three years, and now he wants some extra excitement, well so fucking be it. It's Monday, and I have no classes for the next two months; I have a yard full of male dog cocks. My husband is gone for a week.

I am a very happy, very horny housewife. What more could my hot little cunt want? DICKS. Lots and Lots of hard throbbing dicks. Thats what. I said out loud.

I took off my robe and put on a very short jean skirt, with a low cut tit high tee shirt. I started cleaning the house to get that out of the way. I didn't want to have to do anything later but fuck. I opened up all the shades to let the sunshine in. As I cleaned, I just kept thinking about the dogs. Jesus, I just can't quit thinking about sucking and fucking the hounds in the yard. I didn't notice the mailman watching me in his jeep as I cleaned the living room. The way I cleaned changed a bit once I did notice him, though. He is a nice looking guy, a couple of years older than me. Blond hair, about 5ft 10in tall, very nice build. I smiled and wondered how long he had been watching me.

The back of the couch was facing the big bay window. If I bend over the back of the couch, he will see my bare cunt under my skirt. I said to myself. I turned my back to the window and grinned. I never let on that I had seen him watching me. Walking over to the couch, I bent over, running the sweeper between the couch and the window. I knew he could see my tits under my shirt. I made sure of that. I love this. I am flashing my mailman. I kept working behind the couch, trying not to give away what I was doing. I bent over the back of the couch, letting my skirt rise my naked ass. My bare cunt was now exposed in the window. I spread my legs slightly so the lips of my wet cunt could part.

I turned to see if the mailman was getting an eye full. He was. I stood and eased down the couch, not adjusting my skirt. My ass was staring at him as I bent over the couch again. My pussy was very hot and wet from the excitement of a stranger watching me. It was all I could do to control myself. I wanted to wave him in and fuck him to death. I stood up and walked into the other room; I peeked out another window to see what he was doing. He had his cock out playing with it. I couldn't see his dick, but I knew what he was doing with it. I walked back to the couch and bent over it again; I wanted to give the man a view to jack off, too. My juices were flowing and running down my long legs. Shit, my cunt was hot; I liked this, flashing a stranger. God, I loved this sexual freedom. I want people to see my naked cunt. I will show a lot of guys my sweet pussy. I also want guys to see me fucking my husband's dogs too. I said to myself.

I heard the jeep pull away from the driveway. I smiled; he would be back. As I stood up, I turned towards the window. I took off my shirt and pulled down my skirt. FUCK ME, I yelled. There wasn't anyone there to hear me. I laughed. I walked my naked ass to the back door and opened it. Two large walker hounds shot into the kitchen. Good boys, I said to them. Mommy wants some cock. I added. I called the hounds into the den and sat down between them. I stroked their covered cocks; my cunt burned with lust. Their cocks grew larger in my hands. God, I am in heaven, I said out loud. Mommy wants both your cocks, I told the dogs. Mommy needs a doggie gang bang. Both dog's massive cocks were fully exposed; they throbbed in my hands. The hounds had knots as big as baseballs. God, I need this; Mommy needs this.

I leaned over and put my lips over one of the dog's cock, while jacking the other dog off. I love the taste of dog cock. I sucked one and then the other. Mommy loves nasty dog sex, I told the dogs. Mommy is a dog slut. A nasty dog slut. I rolled one of the hounds on his back. I stood over his large body, holding his dog meat by the knot. I lowered my cunt to meet the red-pointed tip of his cock. Pressing my cunt down around the shaft. GOD YESSSSS, OH GOD YESSSSS, MOMMY NEEDS COCK. I yelled as my cunt kissed his knot. I wiggled my cunt around until it swallowed his large knot. OH, BABY YESSSSSS. I moaned loudly. FUCK YOUR MOMMYS CUNT. I added. The dog was thrusting up fucking my full pussy. IM CUMMMMMMMMMMINGGGGGGGGG. FUCK ME. I yelled. as wave after wave of cum drained out of me.

I called the other dog to me and rolled him on his side. Good boy, I said to him. Moms are going to suck your beautiful cock. My mouth was watering, and wanting to taste dog dick. I flicked my tongue at the tip of his red spear; I worked my tongue lightly down one side and up the other. SHIT, IM CUMMING; OH GOD, I AM CUMMMMMMMMMMINGGGG. I screamed as the dog in my cunt shot his load deep in me. YES, YES, FUCK MOM, FUCK YOUR MOMMY GOOD. I yelled again. God, the only thing missing is to have someone watching me, fuck that several watching me is what I want. I took the other dog deep down my throat. The animal was now fucking my wanting mouth. My cunt exploded again as the hound under me emptied the last drop of his cum in me. My pussy is so hot I sucked the other dog madly. Yes, I moaned as the dog I was sucking started cumming in my mouth.

I swallowed all of the tasty liquid. I moaned as I sucked down the last drop of his sweet cum. I pulled my dog cum filled cunt off the other dog; quickly, I turned to the animal and started sucking my cum

off his cock. Again my nasty pussy gushed more of my cum to the floor. The dog's juices mixed with mine tasted wonderful as I licked it off the floor. After licking up the cum from the floor, I turned and started sucking the dog's hot cock again. I pulled my lips from his drained cock. My eyes were fixed on his beautiful shaft. I looked up at the hound's eyes. Boy, mom would love it if you would fill my mouth with hot piss. Mom would drink it all down. I smiled at the dog. SHIT, what am I saying!. Now I want to drink piss too. What is happening to me?

God, now I want some hot piss to wash down the dog cum. But he didn't. This dog was through, his cock pulling back into his sheath. I lay my face down in another pool of doggie cum I had leaked onto the floor. I lapped it up, cleaning the cum from the floor. I played there collecting myself; my cunt wanted more dog cock. It was getting dark, so I stood and walked to the kitchen. I noticed movement outside the living room window; I walked to the spare bedroom to see out without being seen. The mailman jeep was parked off to the side of the driveway. My cunt was a blaze again.

I wasn't sure just how much of the sex with the other two dogs he had seen. But I knew he would see everything I was about to do. I wanted him to see my hot body and my nasty dog fucking cunt. I let on as if I hadn't seen the Jeep. I walked back to the kitchen naked and let my two fuck buddies out. I called in another. I knew which window the mailman was at; he was at the side of the house where the dining room was. From there he could look into the den and get a real good look at me and the hound. I can't believe this: 24 hours ago, I was a once-a-week sex kind of girl. Now, just look at me.

The big hound was standing in the middle of the den. He watched me as I walked towards him. I moved my naked body over the dog's back. I leaned down, rubbing my tits and my wet cunt on the dog's fur. The short hair on the dog's back felt great on my bare cunt. Then I got down on all fours with the animal. I glanced toward the window to ensure the mailman was seeing me. I moved around the dog, smelling him like the dog bitch that I am. I moved around to the dog's ass and pressed my nose to his asshole. I then tilted my head to tick his balls with my tongue. I saw the mailman dropping his pants and letting his 8-inch cock out into the night air.

As the man stroked his cock, I began stroking the sheath-covered dog's cock. SHIT, my cunt was on fire, I have never in my life been this excited. I thought to myself. The hound's cock was fully extended now; the dog's cock was much bigger than the man's cock was. I leaned under the dog's belly and rubbed the pointed cock over my lips and my flushed face. Giving the man a good view of my sweet face and the dog's cock. The dog's precum made my face glisten in the room's light. I eased my body further under the dog to rub his cock over my round tits. I needed him fucking me. If I had known fucking dogs would make me this hot, I would have done it a long time ago.

I needed his cock now. I raised my cunt in the air to meet the red meat of the hound. I rubbed the tip over the opening of my wet pussy. My cunt lips were swollen, FUCK MEEEEEE, FUCK MY CUNT. I screamed. FUCK YOUR MOMMY. I yelled again as the hound lunged forward hard, driving his pointed cock deep into my drenched cunt. I froze my cunt in the air; the dog was fucking me so wildly, I didn't want him to slip out of me. FUCK MEEEEEEEEEE, GOD DAMN FUCK MY CUNTTTTTTTTTTT, I screamed. I glanced over at the window, my eyes mostly shut, and saw the man jerking his dick. FUCK ME, BOY; I moved my cunt farther down the shaft. GOD, I WANT THE KNOT, I yelled.

I had my ass propped up with my hands. I wrapped my long legs around the dog's hind legs and pulled him in my cunt. YES, BOY GOD, YES, KNOT MEEEEEE, KNOT MY CUNT. FUCK YOUR MOMMY GOOD. The dog cum exploded into my cunt; I felt the hot liquid oozing out of me. YES GOD YES IM CUMMMMMMMMMMING, I screamed. I looked at the window; the mailman was shooting his cum on my porch; I smiled as the hound dismounted; his cock made a loud pop as he pulled it from my cunt.

The mailman hadn't seen me get off the floor. He was still emptying his cum on the porch. I grabbed a pistol from the end table; I walked outside, gun in hand, stark naked. FREEZE, I yelled to the man. He didn't move a muscle. What the fuck do you think you are doing. I asked. The man said nothing; he was fixed on the gun. He started fumbling with his cock, trying to put it away. DONT put that cock away just yet. I snapped. You got what you wanted, now you peeping tom bastard, you will give me what I want. All the color had gone from the man's face. I guess he thought I was going to shoot off his dick or something. He was scared nearly to death. I walked in front of him; his cock was very limp and was of no real use. I got down on my knees in front of his limp cock, and looked up at him.

I put the gun to his balls. Did you enjoy my dog fuck show? I asked. Yes, He managed to say. Did you like watching me suck his cock? Yes, I did. He replied. Did it turn you on when he was fucking my cunt? Yes, Yes, it did; I have never seen anything that hot, he added. Now that I have given you a little show, you can give me something. I told him. What's that, man? he asked. I am going to put your cock in my mouth; then I want you to fill it with your hot piss. I can't do that!!!! He said. Shut up, you little chicken shit bastard. You will piss in my mouth, or I will shoot off your balls. Do you hear me? Yes, yes, I hear, and I will; God, please don't use that gun. He was shaking.

I need you to piss my mouth. I want to taste it. I told him. I put his cock into my mouth and looked up into his eyes. My eyes were begging for it. The man said it took him a bit to get his water going; here it comes.

He filled my mouth quickly; I swallowed the golden juice quickly. I couldn't swallow it all; he pissed my face and hair. My pussy was gushing cum out by what seemed like gallons. The warm piss ran down my tits and belly; as the golden liquid touched my clit, I screamed. YES, MORE, PISS MORE. GOD I NEED IT FILL ME WITH HOT PISS, I yelled. I sucked his cock down my throat, getting the last drop of the hot juice. I have been wanting that all day. I told him. What a perfect way to end a nasty day, I added. I got off my knees and thanked the man, who was shocked.

I have a favor for you to ask. I told the man. Anything!! What is it? He asked. Do you have a few friends who would want to watch me and the dogs? I asked. FUCK YES, he answered. Then could you use me after?? I asked again. GOD DAMN YES, just tell me how many you want. He stated. I don't care how many or how old!!!! As long as they know from the start, this is by invitation only. I don't want guys just showing up. Or I will use this pistol, I laughed. When would you want to do this? He asked me. Soon, my husband won't be back until Sunday; I want to pull a train very soon. How does tomorrow night sound to you? The man asked. If you can get it lined up that quickly, you bet. Thats great. I told him. And you don't care how many or how old or young?? No, I want to be watched and then used. I shot back.

When I deliver your mail tomorrow, I can tell you how many I have lined up. He said. What time do you think tomorrow night would work? He asked. Early, I want to start, say 6 pm. Then we have all night. I added. Great, he said. He told me, thank you for the hottest show I have ever seen. You're welcome. I answered. See you tomorrow, he said as he turned and walked down the stairs. I turned and took my piss-soaked body to the shower. God, I can't wait til tomorrow, I said to myself.

The next morning, I could hardly wait for the mail to run. My pussy was wet all morning, just thinking about several guys watching me fuck a dog, then gang bangs my hot sweet cunt. I had a nice big walkerhound already picked out.

My cunt was ready right now. At 2 pm, the mailman pulled into the driveway. I jumped up and ran to the door. My mailman was standing at the door, just grinning. Hi!!, I said, excited. Well tell me, how many guys have you got lined up? I asked.

Were you serious when you said how many didn't matter? He asked. Hell, yes, damn it, I want as many as you can get. I replied. Well, he paused, then grinned again. How would you feel about letting 6 of us watch your show? Then we will use that hot cunt of yours. Hell, yes, If you can bring more, too. I answered.

How old are they? I asked. They are 18 to 25. he answered. Good, that's what I like, young and full of cum. Can you all be here at 6 tonight? I asked him. Yes, we will be here at six sharp. He said. Good, just come into the den; I will be waiting with a dog. I want to see six hard cocks in my den tonight. I will fuck more if you can get them. I said to him. God, you are one hot cunt. He said. Tonight you will see just how hot my pussy is. I answered.

He turned and left; my cunt was burning for cock now. My heart beats 100 miles a minute just thinking of a room full of dicks, hard, wonderful dicks, just for me. I am going to feast on hard cocks tonight!!, I laughed out loud. I will show Tom If he wants me to be his slut. I will be the slut. God, here I am fucking and sucking dogs, then on top of that, I am drinking piss too. I smiled; I am the really perverted one. Tom just opened the door for me.

At 4 pm, I went in to draw a bath; I wanted to soak my tight body and dream of dicks. At 5 pm, I got out of the bath and dried off, putting on my most expensive perfume. I sprayed my thighs and my ass; I wanted all of my sweet-smelling. I put my long hair up into a bun, then put on a pair of glasses. I was going for the teacher's look.

I dug out a black garter and black silk stockings. I put on a pair of black spiked heels. Shit, these feel wonderful, I said, as I ran my hands down my long legs. I stood in front of the mirror; these look hot, I said as I turned and looked at my tight ass in the mirror. I put on a black lace short teddy. Nice, I thought. I am going to enjoy this night. I smiled.

A dress, what dress to wear? Something to go with my teacher look. I found a sexy black thing; the hem came about 8 inches above my knees. Yes, This will do. School teacher outside, a dog slut whore inside, I smiled. I let the hound into the house. He went straight for the den. Good boy, I said to him. Do you want to fuck Mommy? Mommy wants my boy to fuck me too. It won't be long now. I told the animal as if he understood me.

At 555pm 2, cars pulled into the driveway. My breath was short, my heart was pounding, and my cunt was ready. I listened as they laughed and talked as they stepped onto the porch. The bell rang, and I walked to the door. I heard a couple of them yell. Shit, she is hot. I opened the door, my mailman started to introduce the guys to me. I told him to stop. My name is Dottie, thats all the introduction we need.

You guys are here to see my little show and gang fuck me. I smiled and looked at them over my glasses. Shit, one said as I turned and led them into the den. The beers in the fridge, help yourselves. I told them. They all got a beer and sat down on the couch and chairs. There were eight guys here, two more than was planned, I said to myself. Great, two extra cocks. They were young, 18 to 22 or 23, as all the guys settled down drinking their beer.

I moved to the center of the room. I backed up to one of the boys and said. Unzip me, son. I am going to show you all something special. I told them. The boy unzipped my dress to my ass. I walked slowly towards the dog. I let my dress fall to the floor, stepping out of it. Man, I can't believe this is really going to happen. One boy said. Well, it is, I told him, as I sat down on the floor beside the large dog.

I started rubbing the animal's body. My legs were spread wide so the boys could see my tight wet

cunt. You boys like looking at my pussy? I asked. Hell yes. They yelled. I pushed two fingers inside me, then raised my fingers to my mouth and sucked my juices from them. Do you really like looking at my wet cunt? Boys get those cocks out; I want to see some meat too. I told them. I started to crawl around the floor on all fours.

The dog was smelling my wet cunt. Shit, this bitch is really going to do it. One said. All the guys were naked now. God, they are beautiful. The sight of 8 hard cocks staring at me, wanting me. That's a sight I will never forget.

The hound was sideways in front of my face. I reached under his belly and found his wonderful sheath-covered cock. God Damn, she is going to suck him, one yelled. I smiled as I worked the dog's cock out, fully exposed from the sheath. I ran my tongue along the shaft of the hound's cock. My ass was in the air, and my legs were wide.

This cunt is hot, I heard one say. Look, the slut is sucking that dog. Another said. My mouth was covering every inch of the massive cock. I looked towards the boys as I licked the dog's cock. Every one of them was playing with their hard cocks. Shit, I thought to myself, the black kid is really hung. He must be 12 inches long. My ass ached for that one.

Flicking my tongue up and down the shaft of the dog's cock, excited me, the dog, and the boys. Suck him cunt, suck that nasty cock. One yelled. They all laughed. I loved what I was doing and that these boys were enjoying it, too. I started sucking the dog, feeling his massive hips fucking my face. Go bitch, go, eat that dog dick. Make him cum!!! Another shouted.

I was taking the dog's cock, knot and all, down my throat. I could taste his cum. I moaned. She is going to drink his cum. Shit, this whore is nasty. The black kid said. With every stroke of the dog's dick, I was cumming more and more. I pulled my mouth from the throbbing cock; I rolled the hound onto his back. My mouth found the dog's balls. I sucked them into my mouth.

Suck those balls, you dirty cunt. Fuck, this whore is wild. One guy laughed. I could tell from their yells that they loved my dog show. Hot little bitch, the boys laughed. God, I loved the cheering section. My cunt juices flowed as the boys kept chanting. Suck those nuts; no cunt eat his ass! One yelled. With that, I moved my face around so I could suck the animal's asshole. Slut eat his ass, God eat that dog's ass, they yelled.

Tom would just shit if he walked in right now, I thought to myself. As my tongue slid inside the dog's tight asshole. I moved my free hand to my wet cunt, and pushed four fingers inside me. Fuck, I want that nasty whore soon, they screamed. I licked around the animal's asshole as I four-fingered my hot, wanting cunt. I pulled my lips from the dog's ass and mounted his hard cock.

I slammed my cunt down hard on the red dick. My hot cunt swallowed the massive knot. Yes, I yelled as my swollen pussy ate the red-pointed dick. She took it all. Her cunt is full of dog cock. Shit, I love this sweet slut. Go bitch, ride that dog's cock. They yelled. The well-hung black kid was stroking his massive tool as I rode the hound's cock. Would you like to fuck my ass with that? I smiled at him.

Fuck yes, he jumped to his feet. I raised my ass some to meet the head of his black pole. He pressed the head of that black cock to my wanting asshole. Push It in me, I screamed. Shove that black dick into my ass. I added. Yes, Yes, God, Yes, I yelled as the boy shoved his rod into my asshole. Yes, more, give me all of that cock. Fuck me, I moaned as the boy pushed farther inside me. All of it, Fuck me with all of it. Shove it deeper. I yelled.

The black kid slammed his balls against me. Yes, I screamed. Fuck me hard. The kid hammered my stretched asshole harder. God, yes, fuck my ass. I moaned. My cunt was full of dog cock, my ass full

of black meat. My cunt exploded as the dog humped me. Yes, I am cumming. Fuck my ass, I screamed. She is full of cock, Fuck her whore ass, the boys yelled. Fuck her white slut ass, Jimmy, fuck her good, they screamed.

The dogs cum was running out of my pussy. Fuck me harder with that black cock, I moaned again. Im cumming, Jimmy shouted. Fill my asshole with your sweet young cum, I demanded. Fill my ass full. Yes, Yes, Yes, my body quaked as the black cock shot deep inside me. Yes, baby, Fuck your white whore, Fuck meeee. My cunt gushed over the dog's dick as I came hard.

Jimmy fell to the floor. Way to go, man, the other boys yelled. I got off the dog's cock. Cum poured onto the floor. I want to suck all your hard cocks, I begged. Please, I need to eat all your cum. I kept begging. The youngest-looking one stood with his 7-inch cock in front of my mouth. Me, please; I am about to cum, he said. As soon as my lips touched his cock, he exploded. Drink it cunt. He yelled as his sweet cum flowed into my mouth. I swallowed the thick juice. Eat me whore, the boy said. Go, Allen, fill the cunts mouth. They were all laughing.

I moaned; I love this, two cocks drained, and six more wonderful dicks to go. I thought as I swallowed Allen's cum to the last drop. His hot cum felt great, sliding down my throat. Who is next? I smiled at them. I need more cum. I am a skinny lad yelled. Im ready too, he added. Yes, baby, cum for me. I told the kid. Let me take care of that cock of yours.

The guy standing before me had a small 5-inch cock, and from the look in his eyes, he was ready to blow his wad too. I put my lips over the head of his cock, and he shoved it into my mouth and face fucked me. He pumped my mouth about 10 times, then, yelled I am cumming. Do it, eat my cum, you dog whore, he screamed as his thick juice filled my mouth. The boy grabbed the back of my head and force-fed me his cum. I swallowed for all I was worth. God, this is the greatest, I thought to myself.

One of you fuck me, I told them. Fill my cunt, please, I begged. Hurry, I need a cock in me now. I pleaded with them. One of them got behind me, and with one thrust, he drove his 8-inch cock deep into my wet cunt. Yes, I moaned, Fuck my cunt. Drill my nasty dog cum filled cunt. I rocked my ass, enjoying every inch of cock. I knew the boy wouldn't last long. Im cumming, and the guy screamed, God, this whore can fuck, he added as he filled me full of hot cum.

Fuck me, I yelled as my juices covered his stiff cock. Fill my cunt full; I shouted as my cunt milked every drop of cum from his dick. God, I need more cock; my god, please, double fuck me. I begged the guys. One of the guys played down on the floor; I quickly climbed on his dick. I slid my pussy down the shaft of his 9-inch cock. In my ass, I told them. Someone put a big cock in my ass, I pleaded. One of the guys began stuffing a large cock in my ass. Yes, DO IT, FUCK MEEEE, I yelled, as his cock stretched my hungry asshole.

The feeling of two cocks in me was heaven. Yes, Yes, boys, fuck meeeeeeee, I screamed as my cunt exploded. Now fill my mouth; I want to suck down some more cum. Two cocks were in front of my face as the words left my mouth. I sucked one, then the other. Both guys are building up to give me their sweet cum. I smiled to myself; I felt like a fat slut; at a can-eat dinner. With all the cocks to suck and fuck. Both guys I was sucking exploded at the same time. I swallowed as much cum as I could. Hot cum sprayed my face and hair.

The guy under me shot his load in my soaked cunt. Yes, I screamed, fuck me, FUCK MEEEE, harder God, Yes, give me your hot cum. I added. Im cumming too, the boy in my ass shouted. Give it to me, I told him. Pump my asshole full of cum. The guy filled my ass with his hot cum. My cunt was still on fire. God, I need more cum, I told them.

This whore can't get enough, someone shouted. I want two cocks in my cunt, I begged them. Another guy lay down; I went from a going soft cock, to another hard one. I slammed my open cunt down hard on the big dick; I want two; I need my cunt full of cock. Please, I begged them. Yes, I screamed as the second cock pushed into my already full cunt. YES, STREACH MY CUNT, I yelled as the guys drove their cocks into my cunt.

Shit, a fucking nympho, one yelled. GOD DAMN, RIP MY CUNT APART, I screamed as the two rocked in me. Yes, you little shits, FUCK MEEEE, I am cumming again. God, yes, my pussy is draining my cum on the two dicks. Both boys shot me full again. God, this is great, I told them. We all lay on the floor, my body weak; I trembled as the last waves of pleasure left me. One of the guys handed me a beer. I drank it down fast. My mouth was dry, and I needed that, I told them.

All the guys were drinking and laughing and still watching my tight, slim body. Jesus Dottie, that was the hottest thing I have ever seen, said my mailman. Well, Bobby, we aren't done just yet, I said to him and smiled. Does anyone have any cum left?? I asked. Five of the guys were stroking their half-hard cocks. Yes, they answered one after the other. Great, I said, I want a cum bath. I need you all to jack off on me; I smiled at them.

This cunt loves cum, one said. Yes baby, I do, I answered. I played on my back, then raised my spread legs. I started fingering my sloppy cunt. First, one finger, then two, until my fist was swallowed by my cunt. I worked my fist in and out of my pussy, as the guys stood around me. They watched my cunt being stretched and fist fucked. Throwing my head back, I moaned, cum all over me. Please shoot your loads all over me, I begged them.

JESUS, is there no end to this cunts madness, one yelled. I fist fucked myself harder as the boys jacked their cocks. Do it, boys; please cum on me. I told them. The boys were watching my fist going deeper inside me. I reached around with my free hand and pushed three fingers into my ass. I fucked myself as the guys started to cum. Im cumming, they yelled. Do it now, I moaned as the first load hit my face, Yes baby, cum for me, I told him.

I fucked myself harder as load after load of sweet cum covered my face, tits, and stomach. IM CUMMING, I screamed as I fucked myself wildly. YES, YES, the boys screamed as the last drops of cum left their cocks. I pulled my fist from my cunt, and fingers from my ass. I rubbed the sticky juice into my skin. God, I can't believe this night. I heard one say. I either said another.

Jimmy asked, where is the bathroom? I really need to piss, he said. Damn me too, added the other guys. Wait, I will show you all. I have something else I want you to do for me. Fuck, now what? One laughed. I smiled, you will see, I said. A couple of the guys helped me to my feet. My legs were weak; I could hardly stand. Follow me, I told them. I led the young men to the bathroom. I stepped into the tub and plugged the drain. I knelt in the tub. Now boys, wash this cum off me with your warm piss.

Fuck Dottie, you are a nasty slut. Never in my life have I ever seen a slut like you, another said. I am a slut, a dog cock, piss-drinking slut. And im proud of it. I smiled and answered. The boys stood around the garden tub. Their beautiful naked bodies were almost more than I could stand. Please, boys, please, I want to feel your hot piss over my body. I moved in front of James, the black kid. I am going to put your cock in my mouth; try and piss as slow as you can, I said to him. I want to drink as much of your hot piss as I can, I added.

Fuck yes, he said. I put the tip of his black cock in my mouth. Bitch, here it comes, he said. He started pissing slowly into my slut mouth. Yes, drink my nigger piss cunt, James said. The boys were laughing as he filled my belly with his golden juice. My mind was reeling as I was swallowing every drop of his piss. Two of the other guys couldn't wait; they pissed my hair and over my tits.

James was still pissing my mouth. God, I love this nasty shit, I thought to myself. Two more guys started pissing, covering every inch of my body. I reached down and cupped my cunt, and filled my hand with my warm piss as the tub was filling with the golden liquid. James said that's all I have. I had swallowed every bit of the black guy's piss. God, I am a complete slut, I said to myself.

I love feeling your hot piss on me, I told them. One of the boys cock was about half hard. Put that in my cunt and piss, Please. I told him. I want to drink more pee, I told them. I put my pee-soaked ass towards the young man. He put the head of his cock into my soaked cunt. Piss my cunt please, I begged him.

The last two guys were in front of me. I looked at them and said, slowly, piss slow. I want to drink it all. Here it comes bitch, one said as a stream of yellow nectar shot from the head of his cock. The guy in my cunt, blasted the walls of my cum filled cunt. I swallowed as piss ran down my legs, soaking my stockings. God, I thought, this is nasty and wonderful. Take this piss, you nasty bitch, the guy behind me yelled.

You dirty slut, take all this piss the last guy said as he washed my face and hair. I drained the juice from the cock in my mouth. God, yes, I moaned. I laid down in the tub and rolled over and over in the boy's piss. Rubbing my cunt and asshole with the golden liquid. Shit, I wish there were a hundred of you pissing on me right now, I smiled.

I felt dirty and nasty, and I still wanted more, I thought. The more, the better. I couldn't believe how nasty I had become in only a few days. I sat in the tub, splashing the piss over my body. The boys were thanking me for the night as they were dressing. I pulled the plug in the tub and turned on the shower. I stripped off my piss-soaked garments and left them in the tub.

I washed the smell of cum, sweat, sex, and piss from my body. I put my hair in a towel, then wrapped another around my used body. When I walked into the den, four of the guys were there. They all kissed me and said their goodbyes. I told my mailman I would tell him when we could do this again.

James, the black kid, was the last to go out the door. I grabbed his arm and pulled him to me. I kissed him long and deep. Honey, I asked him. Do you have a few black friends you want to bring to see my little show? Fuck yes, I know several, he said. Give me your phone number James; I will call you tomorrow and see what you can do for my slut cunt, I smiled and said.

You bet. He handed me his dad's business card. Call the home number, he said as he leaped from the porch. Thank you, Dottie, for a great night. No, honey. Thank you all for making my night, I told him.

The End
