BEASTIALITY STORIES

Part One

Laura nervously dialed the number in the magazine. It was an ad in the wanted section of a magazine she found in a street corner trash can. The ad read: Obedient live-in maid wanted to service the needs of upper class mistress. Laura really wanted and needed this job. She knew she could do this job, and to actually have a nice place to live while she worked was more than she dreamed. Laura thought this could be her ticket off these New York City streets. She had been living in a public shelter ever since she left home three months ago.

"Hello," a lady answered. "Yes, my name is Laura Thomson and I'm calling in reference to your job opening for a maid... Is it still available?" Laura said nervously. "Yes, it is. Do you understand the key to this job is obedience?" the lady asked. "Yes ma'am, I understand. I have always been a very obedient worker and would love to work as your maid."

"Briefly describe yourself to me," the lady asked. "You mean my employment history?" Laura questioned. "No my dear, what do you look like." "Oh, well, honestly, I'm only 18, but I really need this job and I'll work real hard and do exactly as you say..." Laura rambled nervously, fearing her age would bring the end of her interview. "Calm down my dear, 18 is nice. Yes, actually, 18 is very nice. Go on my dear, tell me more." Laura figured the lady wanted to know what she looked like since a maid has to have a pleasing appearance if she is to serve high society people. She was glad she asked since it gave her something positive to talk about. Her biggest fear was still her age. Even though she was eighteen and had a very well developed body, she had what many described as a 'cute baby face' which made her look much younger than she actually was. She figured she would gloss over that detail for now.

"Well, I have long blonde hair, I'm 5 foot 3 inches tall, and I weigh about 100 pounds. All my friends say I'm very pretty and..." "O.K. My dear, " the lady cut in. "I think I'd like to see you in person. When are you available?" "Right now!" Laura said eagerly. "Very well, be here within the hour," the lady instructed, giving Laura the directions to her home. Laura hung-up the phone and let out a hushed yelp of excitement. Laura soon arrived at the ladies luxurious apartment along Central Park and rang the door bell. After a brief time, the door opened. There in the doorway stood a tall, sexy, brunette lady in her mid to upper thirties wearing a short black silk robe. Her hair was cut in a short high fashion style that really accentuated her pretty face. She was a slender long-legged woman with a sleek hourglass figure. Her sheer robe draped gently from her large firm breast to the belt tied around her thin waist, then down over her round shapely buttocks.

"Come in my dear," the woman said smiling with approval. Stunned by the woman's beauty, Laura nervously stepped into the room. As she stood in the middle of the entry, the woman slowly walked around her visually inspecting every inch of her body.

"Yes, you are a pretty girl... and only 18... Yes, I think you'll work out just fine. Are these all of your belongings?" the woman asked pointing to Laura's shoulder pack. "Yes ma'am, this is all I have," she replied, feeling a little ashamed.

The woman walked back in front of Laura. Placing her finger under her chin, lifting her head slightly, she stared deep into her eyes. "Are you willing to obey my every command - no matter how unusual it may be?" Laura looked up into her beautiful dark and hungry eyes and found herself very aroused by the woman's gaze and her ultimate request. She paused briefly and wondered to herself what could this woman possibly request. What would a 'yes' answer really mean for her.

"Yes ma'am, I will obey your wishes and I will do anything you request of me," Laura responded in a very subservient voice.

"Very, very good, my dear. I think you will work out quite well. The job is yours. Let me show you to your room. Oh, my name is Katie, but you are to call me `Ms. Katie', `ma'am', or `mistress', unless I tell you otherwise. Do you understand?" the woman questioned. "Yes ma'am, I do," Laura replied.

"We can get more acquainted later, but let's first get you cleaned up and into your proper attire," the woman said as she took Laura's hand and led her to her room.

After her new boss had shown her where everything was and had left the room, Laura undressed and took a shower. The shower in her enormous bathroom was made of clear glass. As Laura showered and looked around in this large bathroom, she noticed she could see herself in a mirror. Laura soaped up and washes her petite body as she watched herself closely. Seeing her slender naked body all wet and slippery began to excite her. As she washed and rinsed, she slid her hand down between her legs and started to play with her pussy. Watching herself rubbing her dark blonde pussy in that glass shower made her feel as if she was performing in a cage in front of a room full of people. As this thought raced through her head, she closed her eyes and fantasized. As her excitement grew, her knees began to wobble and she started to cum. Her orgasm was very intense and prolonged as she vigorously rubbed her swollen clit.

As the rush of her incredible orgasm melted away, Laura slowly opened her eyes. As she looked up, much to her surprise, she saw Ms. Katie sitting in a chair against the wall across the bathroom watching her, nude and lewdly displayed. This startled Laura and she wondered how long she had been there.

"You are quite a performer, my dear. I can see sexual desire isn't lacking in your little body. I like that, it shows the signs of a true exhibitionist lurking deep inside," Katie said as she raised her hands up from between her legs and slowly closed her silk robe. She then stood and brought a towel over to Laura. "Here my dear, dry off and come with me." Laura was terribly embarrassed and timidly accepted the towel.

Once dry, Katie took Laura by the hand and led her into her new bedroom. "It's time for bed my dear", Katie said as she set Laura down on the side of the bed and pulled up a chair, facing the bed.

When Ms. Katie sat down in the chair and crossed her legs, her short silk robe rode up high, fully displaying her thigh and the lower portion of her buttocks. As she sat there, her eyes wondered up and down Laura's naked body. Laura could feel her piercing gaze. At first it made her uncomfortable, but quickly she began to become aroused by the stare.

Laura's eyes then began to wonder as well. Her eyes drifted down to her long shapely legs that were bare and exposed. As she stared, her mistress noticed her gaze and uncrossed her legs. She then leaned back in her chair and slightly parting her knees. This gave Laura a clear view of her thick dark haired pussy. Katie smiled at Laura's interest.

"Do you like what you see?" Katie asked as she gradually slid forward in her chair exposing more and more of her pussy.

Laura's breath quickened and her eyes could not stray. "I... , uhm... , well, yes ma'am. You look very nice tonight, ma'am," Laura said with a shy nervousness.

Staring across at Laura, Katie slid her fingers down into her pussy hair and began to manipulate her swelling pussy lips. "Did you not agree to obey my every command, my dear?" she questioned.

This whole situation was way beyond anything Laura had ever imagined would happen in this new job. Although, as bizarre as it was, she found herself highly aroused. Laura had never actually had a chance to fool around with another woman before, but she had fantasized about it numerous times. Actually, Laura was constantly fantasizing about wild sexual situations. Most of her ideas were just images she'd seen in various porno magazines that she had stolen from the adult book stores that she'd sneak into.

Frankly, the kinkier the magazine, the more Laura liked it. Sometimes after looking through a good kinky porno mag, Laura would get so horny she felt like she would be willing to have sex with anything that had a pussy or a cock. But she was just too shy to initiate any sexual contacts. She would just read her magazines in the nearest public restroom and finger fuck herself while fantasizing that she was getting treated like the hot slut in those pictures.

Now here she was, in a wild sexual situation where she didn't have to initiate the sex. All she had to do is do as she's told and enjoy. This, Laura liked.

"Yes ma'am, I will do as you ask of me," said Laura as she subconsciously raised her hands to her chest, brushed them across her hardening nipples. "Tell me what you want and I'll do it."

"Very good my dear...", Katie said as she began to open her legs.

"Now drop to your knees and crawl to my pussy."

A chill ran down Laura's back when she heard this command. She could feel her nipples tingle and her young pussy begin to dampen as she slid off the side of the bed and crawled toward her mistress' pussy. Laura didn't get her face more than a foot from Katie's pussy when she was grabbed by the hair and her face forced into this awaiting pussy.

Oh this is wild, Laura thought as she parted her lips and began to explore her mistress' warm moist pussy labia with her virgin tongue. Laura inhaled deeply through her nose to take in the thickly erotic scent of her mistress' passion.

"Ohh, Yess! Suck my pussy, you little servant slut! Lick up your mistress' juices and make her cum!" Katie said as she rapped her legs around Laura's head and began to slowly hump and moan. "I love having my young girls eat my pussy. They always bring such a refreshing innocence to such a nasty deed. Ohhh yeah, don't stop. Suck it, baby. That's right, my little pussy eater! Ohhh yes, I'm almost there. Keep licking it! Ohhh, don't stop! Don't you dare stop now or I'll fuck you up the ass with a baseball bat. Ohhh yeah. Fuck yeah. Oh, Oh, Ohhh!" Katie moaned as she guided Laura's face around her pussy.

Laura was going crazy. She was loving being this woman's submissive pussy eater and being talked to so nasty. At that moment, Laura was so horny she could not imagine a command that she would not gladly obey. Faster and faster she lapped at her mistress' pussy until she heard her groan in pleasure and felt her release a gush of pussy cum.

As she slowly licked the pussy juices off her pubic hair, Laura gradually raised her face from Katie's pussy.

"Ahh, yes! You do that quite well my dear. You must tell me where you learned to do that so well," Katie said as she lifted Laura's face, licked off a drop of her own pussy juice from her chin, and then passionately French kissed her.

"Yes, you have served me very well tonight. How well you'll be willing to serve me and how far you

will go is yet to be seen. Your obedience to my desires will soon become the key to your ecstasy. I can tell by the raw sexual passion you showed while eating me, that you enjoyed that as much as I did," Katie said with a knowing yet perverse smile. "Do you still want to continue as my servant?"

"Oh, yes ma'am. I definitely do," Laura said eagerly.

"Okay then, let me tell you the rules of this house. You will always wear your maid's apron, unless I tell you to remove it, and you will never wear panties or a bra. Your pussy, your asshole, and your tits all belong to me now. They are for my pleasure and I will do what I wish with them, and you will eagerly offer them to me on my command. And most importantly, no matter where we are or what I ask of you, you will do exactly as you are told. Do you understand!" Katie snapped.

"Yes ma'am. I will do anything you ask of me... Anything at all!" Laura eagerly replied. "Very good my dear, now get back on your bed," said Katie. When Laura sat down on the bed Katie stood up, leaned over, and kissed Laura good night. As she did, she slid her two fingers into Laura's wet pussy. Laura's eyes grew wide as Katie passionately kissed her lips and worked her fingers in and out of her hot steamy snatch. Laura tried to speak, but Katie's mouth and tongue only allowed a moan and a squirm.

Katie continued to finger fuck Laura but stopped her kiss. "Open your mouth Laura," she told her. As Laura did, Katie pulled her wet fingers out of Laura's pussy and stuck them into her open mouth. "Suck my fingers baby and taste your sweet pussy. Is it as sweet as mine?" Katie said teasingly as she pumped her fingers a few times in Laura's mouth. "Well, it's time to go to bed now. We've got a big day ahead of us tomorrow. I've got lots of people that I want to meet you. Now, lay back and get some sleep... and yes, you can play with your pussy tonight, but don't play too long," Katie said as she turned and left the room.

That was exactly what Laura did. She played with her pussy most of that evening - masturbating over and over again, thinking about the sight, taste, and smell of Katie's pussy. She could not remember ever being so sexually excited. It was not just the fact that she was eating another woman's pussy, but the fact that this older woman was totally dominating her, using her like a sex toy. Laura realized that being used like this was a turn on like she'd never experienced. She knew this was something she wanted to repeat. She was now discovering that this woman had a power over her that she could not resist. For her, she would probably do anything.

## **Part Two**

The next day Laura worked around her new home washing and cleaning. Katie had left early to go shopping. When she returned later that evening, she had an arm full of packages.

"I bought you something to wear tonight when we go visit my sister and her husband," Katie said pulling a white button down blouse out of a clothing box. Out of another box came a sexy short black skirt, and a black garter with matching stockings. "Here Laura, take this to your room and get ready. We have to be there by nine." Laura smiled with excitement over her new sexy clothes then headed to her room. As she scurried away, she wondered if these clothes would be appropriate to wear in front of Katie's sister. 'Oh well', she thought, 'I guess Ms. Katie knows best.'

Once dressed, Laura hurried out into the living room to wait for Katie. When Katie was ready, she walked into the room and inspected Laura's appearance. "Very nice my dear. Your little perky ass looks very nice in a tight skirt like that," Katie said as she walked around Laura, dragging a finger across her back, shoulders, and chest. "Okay, let's go. The car is waiting."

When they arrived at the house, Katie's sister answered the door. "Hi Katie, it's good to see ya! ...and who is this lovely little girl?" asked Katie's sister with a curious smile. "Suzie, I want you to meet my new girl, Laura. Laura, this is my sister Suzie." Suzie reached out, taking Laura's hand, and kissed her on the cheek.

"Katie, you've always had a knack for finding good looking young girls, and this one is no exception... Well, come on in you two, I know Ed will love to meet you Laura," Suzie said as she turned and strutted into the house.

Suzie was a spitting image of her sister, only a couple of inches shorter. With her long shapely legs and short black hair, many people thought they were twins, but actually Suzie was a few years younger than Katie. It just so happened that that evening, she and Katie were wearing almost identical tight fitting, short dresses, but of different colors.

As Laura followed Suzie into the house, her eyes were locked onto Suzie's shapely butt. Suzie knew she had a nice ass and she knew Laura would probably be staring at it, so she gave her sexiest strut as she walked up the short run of steps into the living room area. Suzie's dress was barely covering her ass cheeks and the lacy tops of her thigh high stockings were clearly visible.

"Ed, I want you to meet Laura, Katie's new companion." "A pleasure to meet you my dear," the handsome gray haired man replied as he kissed Laura's hand and smiled warmly.

Ed was a very tall and fit man with big broad shoulders and a deep voice. Although he was in his early fifties, he was an extremely youthful looking man.

"Well, come hear you hot stud," Katie said as she wrapped her arms around Ed's neck and planted a passionate French kiss on his mouth. Ed's hands grabbed Katie's tight ass, squeezed it, then slapped it a couple of times. "Come on you guys, let's settle in and get comfortable. What can I get you to drink?" Suzie asked around. "I'll have bourbon and water," Ed replied. "Same here ...but Suzie you come sit down and talk to me. Laura will fix our drinks, won't you Laura?" Katie said, instructing Laura. "Yes ma'am, I'd be glad to serve the drinks," Laura responded. "Okay then... everything is in the kitchen cabinet by the refrigerator," Suzie agreed, then sat down at the end of the short plush couch, pulling her knees up on the couch to get comfortable. "Come on, sit down you two," Suzie urged.

Katie sat at the other end of the couch and Ed settled into his large recliner diagonally across from the couch. Between the couch and Ed's recliner was a large Persian rug with several large pillows tossed all about. After a short while Laura returned with the drinks. "Here you go ma'am," Laura said as she handed Katie her drink from the tray. "I took the liberty to make myself a drink as well... I hope that was okay," Laura said shyly. "Oh, but of course," Suzie quickly responded, smiling up at her, while undressing her with her eyes. "We surely want you to feel relaxed and like one of the family. Don't we sis?" "Most definitely my dear. Put down that tray and come sit here beside me," Katie said as she lightly patted the couch next to where she sat.

As Laura sat down, Katie gently pulled her shoulders back against her breasts and began to stroke her long blonde hair.

As they drank and talked, Suzie gradually steered the conversation more and more to a sexual nature. Laura was beginning to relax and was actually getting a little aroused lessening to Suzie's stories.

Katie could tell Suzie's stories were beginning to excite Laura. "Suzie, did you know Laura is only eighteen? Isn't she a pretty girl?" Katie said, then ran her tongue up Laura's neck into her ear.

Laura closed her eyes and cooed with enjoyment as she quivered from the probing tongue. Suzie was watching her sister's actions intently, wondering what she was up to. That she soon realized as she watched Katie reach her arm around Laura and slowly unbutton her blouse.

"Yes, she's quite a pretty girl... and a very sexy little girl too," Suzie answered. She paused wondering if she should ask her question just yet. 'Why not' she thought. Then with a devilish little smile Suzie asked, "Is she submissive?"

"Oh, she's very submissive. I think she'll do just about anything I tell her to. Won't you, Laura?" Katie asked as she continued to lick and kiss along her neck, while unbuttoning the rest of her blouse.

"Yes ma'am... anything," Laura responded in a low incoherent moan as she rolled up her eyes, briefly closing them, and melted into Katie's chest. "Open your blouse up dear and show my little sister your pretty little tits," Katie whispered quietly into Laura's ear. Laura paused, then opened her eyes slowly and gazed over at Suzie. As she did, she reached up and pulled open her blouse proudly, exposing her young perky tits. With a glaring seductive gaze, Laura cupped her hands around her tits and lightly pinched at her nipples.

As Laura boldly pulled at her nipples, she could tell Suzie was really heating up and she knew that was the intent of her mistress' request. Keeping her feet together, Suzie slowly opened her knees apart, exposing herself to Laura. Laura's eyes instantly dropped down between Suzie's long legs. Suzie hadn't parted her knees far before Laura could see she wasn't wearing any panties.

Watching Laura's eyes drop down to her crotch brought on a rush of excitement in Suzie. This wild rush suddenly began to draw out more of Suzie's slutty side. Then, without the slightest hesitation, Suzie leaned back on the arm of the couch, spread her legs open wide, and slid her fingers into her pussy.

Katie smiled in enjoyment as she watched her little sitter's lewd display.

"Go on Laura, show my little slut sister your pussy too," Katie said grabbing Laura's tits.

Without breaking her gaze between Suzie's legs, Laura reached down, grabbed her skirt, and pulled it up just above her pussy. She then spread her legs wide, placing one leg on the back of the couch and the other on the floor, and began rubbing her clit.

Grabbing Laura by the hair, Katie pulled her head back and drove her tongue deep into the young girl's awaiting mouth. As she did, Katie reached down across Laura's smooth flat stomach and joined her at stroking her wet blonde pussy.

After stroking her pussy several times, Katie licked her way up Laura's neck to her ear as they both watched her sister. "As you can see Laura, my little slut sister loves to see a young girl's pussy as much as I do. I might have to let her borrow you to play with some night," Katie teased as she continued to kiss and lick Laura's neck.

"How would you like that, sis? All night long with my little eighteen year old slut," Katie continued. "Doesn't she look good sis, leaning against me, fingering her pussy?"

"She reminds me of you when we were kids. Don't you remember when I made you lay on your bed naked, facing our open bedroom door, while I rubbed with your pussy. You got so fuckin wet just knowing that at any minute mother might walk down that hall and see you getting finger fucked by your big sister. We both were wondered what she would do if she caught us, especially since she had

gotten so drunk that night at the Jones' party. And, it was you that was determined to find out. Every time you heard her foot steps getting closer, you'd start to moan and hump your pussy harder on my fingers.

I thought that if she saw us, knowing mother, she would probably act as if she didn't see us, but stand behind the doorway and watch. I don't think either one of us thought when she saw us that she was going to just walk in and sit on the bed to watch. Remember that? I almost came myself when she opened up her robe and began to play with her own pussy. The way she just stared at your sopping wet pussy as I rubbed your clit, I thought for a moment she was going to lean over and eat you out right there. You must have cum a hundred times as you laid there watching her stare at your pussy like that."

'What a bizarrely erotic situation that must have been,' Laura thought to herself as she fingered herself harder realizing that everybody in the room was old enough to be her parents. She was getting hotter and hotter as she listened to this story and the desire to get nastier began to over take her.

As Laura gradually slid down Katie's chest into her lap, she realized Katie also had her dress up and her legs spread, giving Ed a show of her own. Ed, of course had taken his enormous cock out of his pants and was slowly stroking it as he listened and watched this bevy of hot slutty women on his couch.

As Katie stared at Ed's thick cock she said to Suzie, "Hey little sis, how about you letting me borrow your husband's hard cock for a while? I've been dying for a good ass fucking... and I still have some obedience training to do with my little slut here."

"Sure you can borrow his cock, sis. You know how much I love watching you take Ed's big cock up your ass," Suzie replied as she continued to stare at Laura working in her wet fingers in and out of her snatch. With her permission granted, Katie hopped up and ran and got a jar of Vaseline. "Strip and get on the floor, slut!" Katie snapped at Laura when she returned. Laura jumped with surprise. Breaking out of her lustful trance and instantly setting up, she began to pull off her blouse and skirt. Once totally nude, Katie instructed Laura to lay on the floor, on her back.

Katie knelt down, straddling Laura's face. As Katie bent over, lowering her tits onto Laura's belly, she arched her back, sticking her beautiful ass in the air. Directing Laura she said, "Take the Vaseline and prepare your mistress' asshole for a good buttfucking."

Laura scooped out a glob of Vaseline and smeared it on Katie's asshole. With two fingers, Laura pressed against Katie's puckered asshole until it slowly opened and accepted her offering. Katie moaned with delight as Laura slowly slid her fingers deeper and deeper into her ass. As she began to lightly pump her fingers in and out of her mistress' asshole, Laura pulled down on Katie's ass, drawing her pussy to her mouth. Once Katie's pussy lips touched Laura's tongue, Laura began to lick and suck on her clit. "Yeahhh..., now that's the way to please your mistress. Eat my pussy while you finger fuck my asshole, you little slut! Yeah, that's it. Ohhh yeah, go on, that feels good..."

Now my little slut, pull your fingers out and lick my asshole." Katie directed. Laura drew her fingers out of Katie's ass and raised her face to her asshole. With her arms wrapped around Katie's ass, Laura eagerly began to lick her mistress' asshole.

"Ohhh yeah, lick my asshole you slut!" Katie growled as she lightly pumped her ass into Laura's face. "Ohhh yesss... look at my little slut now, sis. She loves to lick my asshole - just like you."

Laura's mind was wild with lust. Hearing her mistress talk about what her younger sister likes to do

to her, drove her mad with excitement. She wanted to know more. She wanted to do more. She wanted to be the nastiest slut her mistress ever had.

With this endeavor in mind, Laura straightened her tongue and rammed it as far as she could up her mistress' ass.

"Ohhhh yesss, you nasty slut, tongue fuck my asshole," Katie growled in her heat. "Oh god, yeah!, that feels so good. Come on baby, pump it in and out. That's it, ohhh yeah! Come on, bitch, tongue fuck my ass!"

Suddenly, Laura heard a loud slap on Katie's ass. It was Ed, squatting over them with his enormous hard cock in his hand. "Here you go little slut, suck on this a while," he said as he pulled Laura's head back and drove his cock into her mouth. Katie tilted her beautiful round hips sideways slightly and reached back to finger fuck her asshole in the absence of Laura's hot wet tongue. As she did, she watched her beautiful young slut's cock sucking abilities with admiration.

Laura took as much of Ed's big cock into his mouth as she could. Desperately she licked and suck on his big tool. As she leaned her head back farther, Ed was able to drive his cock deep into her throat. She was loving having her mouth fucked and used by this older man's cock. As he continued to pumped his large cock deeper and deeper down her throat, his balls began slap her face.

"Your a pretty damn good cock sucker too," Katie said in amazement as she watch Laura devour Ed's cock.

Laura thought to herself how she had never actually deep throated a cock before, but always wanted the chance to try it. She never expected her first would be so big.

She remembered trying to imitate the nasty girls in porno mags by sticking her fingers or other long items down her throat while looking at the pictures and striving not to gag. She felt proud her practice had paid off.

After a few more deep thrusts, Ed pulled his cock from Laura's hungry mouth began to guide it toward Katie's glistening finger-filled asshole. Katie quickly removed her fingers and pulled her asscheeks open to give Ed easier access. "Don't worry my dear, if you're a good little slut, you' ll have that big cock back just as soon as he's through with me. Now get under there and show us how nasty a real submissive slut can be when she's out to please her mistress," Katie said as she wiggled her ass back against Ed's cock.

"Come on baby, ram that big cock of yours up my ass. Give it to me the way I like it - hard and nasty," Katie snarled back at Ed. With that request, Ed shoved his weight forward and drove his long hard rod straight up Katie 's ass.

Judging from Katie's long moan of ecstasy, she obviously really enjoyed getting buttfucked and was also very good at taking every inch of a very large cock all at once.

Ed slowly drew his cock out of Katie's butt only to ram it all the way back in again. Each time he did, Katie's body shuttered with enjoyment. Biting her lip, she'd gleam back evilly at Ed.

"Yeah, that's it, fuck my ass good and hard you son of a bitch! Fuck it! Fuck it! Fuck it!" Katie growled as she pounded her ass back against her shaft of pleasure.

As Laura watch Ed's huge cock pounding hard up Katie's ass, she feel something wet and warm between her own legs.

It was Suzie. She had crawled down between Laura's legs and was eating her wet pussy. The feeling of Suzie's hot and talented tongue, along with the sight of Ed's big cock sliding in and out of Katie's ass was making Laura crazy with lust.

Laura raised her head once again and began to lick and suck on Katie's clit. As Laura continued to lap, she felt Katie's hot pussy juices begin to flow. They were soon dripping down the sides of her face.

The more Suzie suck Laura's pussy the hotter she got and the nastier she felt. As she continued to suck Katie's pussy, the sight of that huge cock sliding in and out of Katie's tight asshole began to drive her mad with perverse feelings.

Almost uncontrollably, Laura raised her head a little higher and began licking and sucking on Ed balls as they swung back and forth. She could hear Ed moan with delight at her probing tongue. Gradually Laura licked her way up the front of his balls to the top of shaft.

Knowing where Laura's tongue was probably heading, Ed raised his body higher, making his strokes more in a downward direction. This gave Laura much better access to this wet sex scene happening up Katie's ass. As Ed cleared her way, Laura began to lick the bottom of Ed's cock as it slid in and out of Katie's ass. Instead of being repulsive, her nasty act was actually turning her on more.

As she licked on his cock, Laura looked up and noticed Ed was looking down enjoying the sight of his cock in Katie's ass and of her young face so eagerly performing this torrid deed. Seeing the excitement on Ed's face as he watched her performance, only made her want to go further.

As Laura watched Ed expressions she smiled a lustful little smile as if to say, 'watch this'. Closing her eyes, she slowly slid her tongue down his cock to the rim of Katie's asshole. As Ed stroked down into Katie's ass, Laura rapped her lips around the rim of Katie's asshole and the bottom of Ed's cock. With a flickering tongue, Laura teased Katie's asshole and Ed's cock.

When Laura did this, Ed and Katie became even wilder. Ed's stroke increased and he began to pound harder. "Oh yeah, I think I going to cum at any second!" Ed moaned. "Yeah! tickle my asshole, you little slut! Make me cum hard, my little bitch! Ohhh yesss Ed, I'm cumming too! Give it to her in the mouth, Ed! I think she's earned your cum!" Katie yelled out, then buckled into her orgasm.

Almost reaching the peak of his orgasm, Ed pulled his cock out of Katie's ass, turned around, squatted down over Laura. Grabbing her long blonde hair, he pulled her face up and pushed his hard cock down against her lips. Laura eagerly opened her hungry mouth and Ed drove his big slimy cock straight in. With Laura's hair clenched in his fist, Ed began to fuck Laura's face hard. Her head was bobbing back and forth and her.

~~~~~

Part Three

All that next week, Laura didn't see much of Katie. Katie's real estate business kept her very busy. Katie would get dressed early in the morning and leave before Laura awoke and would not return until late in the evening. Laura made sure she had dinner prepared and the house spotless each evening when she came home.

One night, in the middle of the week, Katie came home in a strange mood. She muttered something with irritation in her voice about a female client of hers and how the woman reminded her of her mother.

Katie went straight to the liquor cabinet and filled a glass with brandy. As Laura prepared the table for dinner, Katie began to get drunk.

Once the dinner was ready, Katie sat down and watched Laura as she set the food on the table. She admired her young perky white ass as she leaned over the table to set things down.

Laura noticed the lust building in her mistress' eyes as she prepared the table. She liked her attention.

Suddenly, with a forceful voice, Katie commanded her to climb up on the table. Laura thought it strange, but she did as she was told.

"Sit right here in front of me, with your legs spread, and masturbate while I eat my dinner. I want to see your pussy get wet. I want to see you cum... and don't stop until I tell you to," Katie said in a rather irritated, yet lustful voice.

As commanded, Laura spread her legs open wide, scooted up close to her mistress' plate, and began to play with her cunt. Slowly her pussy began to get wet and she began to get more excited as she performed on the table in front of her mistress. Rubbing turned to fingering - one finger turned to two.

As Laura's excitement built, Katie stopped eating to watch and leaned back in her chair with her hands under the table.

About that time the doorbell rang and Laura jumped. "Sit still and don't you dare stop fucking yourself. You here me?" Katie said in a stern and threatening voice as she got up from the table to answer the door. Grasping the doorknob, Katie looked back into the dining room to be sure Laura hadn't stopped her play. Laura hadn't, but she was nervously looking over at Katie, knowing she was about to be exposed to whomever walk in that door. Katie grinned at Laura's apprehension, then opened the door.

"Hi, Mrs. Branston, come in, I think she's just about ready," Katie said as she nodded her head toward Laura. In walked a elegant, well dressed, older lady who looked to be in her early 50's. Katie led the woman into the dining room where Laura had frozen in embarrassment.

As Katie led the woman up to the table, wide eyed Laura didn't move. She was so embarrassed setting in the middle of that table with her legs spread and her fingers dangling over her wet snatch, that she could not move. "Here, Mrs. Branston, let me move all this," Katie said as she began to move the table settings from in front of Laura.

"Laura, I thought I told you not to stop masturbating? Didn't I!" Katie scolded. "Rub your pussy like I told you to. I want you to show our guess just how nasty a young girl can be if given half a chance."

Laura did as she was told and resumed her stroke around her clit, soon to be followed by the insertion of fingers. She watched the woman as she stood in front of her staring at the motion of her fingers and her wet snatch. Laura's fingers and this strange situation was building her excitement once again.

"She's just as young as you said she was," the lady commented. "Yes ma' am she is, and she loves sex of all types. Don't you Laura?" Katie asked her.

Curious of what was taking place, Laura answered back while still stroking at her cunt, "Yes ma'am, I do. I love anything that has to do with sex". The older lady began to smile with excitement at

Laura's answer as she continued to stare those dancing wet fingers moving in and out of her pussy.

"Do you like sucking dicks, Laura?" Katie knowingly asked. "Yes ma'am, I do," Laura replied.

"Do you like eating pussy?"

"Yes ma'am, I do."

"Do you like having your pussy eaten?"

"Yes ma'am, I do."

"Tell Mrs. Branston what kind of little girl you are."

Laura paused to think of what she meant, then just started telling her the way she felt right then and there. "I'm a little slut, Mrs. Branston. I'll fuck anything. I love spreading my legs for you or for anybody else. Are you here for my pussy? My ass? My tits? Would you like me to service you in any way?"

Mrs. Branston turned to Katie, smiled, and nodded her head 'yes'.

"Laura, take your fingers out of your pussy and scoot up to the edge of the table," Katie directed. Laura moved her ass to the edge of the table and Katie said, "Mrs. Branston, she's all yours, do with her as you please." Katie reached up, grabbed Laura by the chin, and deeply kissed her. She then smiled and said, "Enjoy yourself my dear," then turned and walked out of the room.

At this point, Laura wasn't sure what the lady was going to do. The lady then knelt down between her legs and began to fondle the lips of Laura's pussy. She began to tug and pinch her already hot pussy lips, making Laura moan with the enjoyment at the light pain.

Laura had never had anyone get rough with her pussy before, but she soon began to realize that she was going to enjoy this new twist to her sexual education.

The lady stopped her play with Laura's pussy lips just long enough to take a thin leather strap out of her purse. She then instructed Laura to lay back and keep her legs spread wide.

Laura laid back on the table with her legs opened, and waited.

Suddenly, Laura jumped to the stinging slap of the light leather strap across her pussy. She looked up between her legs in fright. The older lady was coming down with another pop on her pussy once again. It was all she could do to keep from clamping her knee together to prevent another strike. The slaps scared Laura, but the fear itself excited her. She could feel the juices in her pussy begin to flow.

"So, you're a nasty little slut girl, are you?" Mrs. Branston asked. "Yes ma'am, I am a slut. Slap my nasty pussy and teach me a lesson," Laura moaned out, shocked at her own words and amazed by her new found excitement.

The older lady slapped Laura's pussy four or five more times, driving Laura higher and wilder with excitement.

"Slap my nasty pussy, Teacher! Treat me like the filthy little slut I am. I've been a nasty girl in class Teacher, so spank my pussy! Do me good!" Laura encouraged as she squirmed her ass around on the table waiting for the next slap.

POP! POP! POP! The lady swung the strap down on her pussy lips.

This `Teacher' reference had apparently really excited the lady. Laura's eyes rolled back in her head and she began breathing heavily. At that moment, the lady suddenly stopped and leaned forward, burying her face in to Laura hot swollen snatch. Laura's pussy was on fire at this point. The lady's warm mouth was cool and soothing on the heat of her steaming cunt.

Licking and sucking, the lady began to pushed Laura closer and closer to a intense climax. Laura didn't require much before she could exploded into wet climax. She moaned and squealed as the lady's talented tongue danced about her clit and pouting pussy lips. Laura reached forward and gripped the lady hair as she felt herself reaching the top. Her legs came together and wrapped around her head. Pumping her pussy into the lady's face again and again, Laura suddenly exploded into climax. She could felt her pussy cum gush into the lady's mouth.

Drained of energy, Laura went limp on the table. The older woman rose up wiping her face and licking her lips. Once standing, she ran her fingers down Laura's belly and through her pussy hair saying, "I just love the taste of a little girl's pussy when she's hot and excited. Especially a young, slutty girl like you."

The lady straightened her clothes and hair, then walked to the door. "Oh yes, my dear. Tell Katie she just made her sale. Maybe I'll see you again sometime. Bye now," she said as she opened the door and walked out.

## **Part Four**

All week Katie had talked vaguely about the wild weekend she had planned for them. It was finally Saturday night and time to get ready to go out. Laura had been getting excited about the evening, even though she didn't actually know what was in store.

She sat patiently in her room waiting for her mistress to bring her the close she was to wear for the evening. Katie soon stepped through the door, closing it behind her. At first sight, Laura's was a little shocked, but as she thought about it, why would she expect anything less from her mistress on a Saturday night.

Katie was wearing black spiked heel thigh-high boots, lacy black T-back panties, a low cut black leather bra, and leather biker's hat. As Katie leaned against the door, Laura looked her mistress up and down several times and found herself quite aroused at how hot and sexy she looked standing in front of her.

In what almost seemed to be carelessness, Katie let Laura's outfit fall out of her hand onto the floor. She paused as she watched Laura's expressions, then stepped away from the door and turned around to pick them up. With a deliberately wide stance, she bent slowly at the waist and reach down for the closes.

Laura's eyes moved up her long legs, up to her perfect round ass and to the thin piece of black panty that covered her sweet pussy lips and asshole. "Do you like what you see, my child?" Katie asked, raising back up while watching Laura's eyes over her shoulder. "Yes ma'am, you look incredibly sexy tonight," Laura honestly responded, hypnotized by the sight of Katie's beautiful ass.

"Here, this is what you will wear tonight," Katie said, as she held out a short plaid school girl's skirt and white blouse, complete with bobbie socks and tennis shoes.

Laura took the outfit and began to put it on. As usual Laura wasn't allowed to wear a bra or panties, so after she stripped naked, she stepped into her little skirt, put on her blouse, and began to button up the front. The blouse was very sheer and her nipples could easily be seen through the thin material. The skirt was very short and pleated, and it barely covered Laura's tiny ass.

"Yes, you look just right in that. Now come over here and let me braid you a couple of pigtails," Katie said. Laura slid on her bobbie socks and shoes and walked over in front of the mirror to watch as her mistress braided her hair. As Katie braided her pigtails, Laura could see pleasure coming to her face.

"There now my dear, take a good look at yourself now," Katie said standing behind Laura as she watched her in the mirror. Laura liked her new little girl appearance and actually thought, if it wasn't for her C-cup breasts, she could easily pass for a junior high girl.

Katie's hands came around her and rested on her stomach. She began to gently lick Laura's neck and ear, teasing her young passions once again. As she did, she slowly lifted her skirt, exposing her dark pussy hair. With one hand holding up her skirt, Katie ran her finger's down through Laura's pussy hair and said, "As much as I love your furry little pussy, I don't think all that hair would be quite proper tonight if your going to be my thirteen year old daughter. Do you?"

Laura's eyes grew wide when she heard this. As she was beginning to realize, Katie had a quite an incest fetish. Much of it revolved around young girls having sex with their parents, especially with their mothers. And, wherever they were going tonight, Laura was apparently going to play her daughter. The more Laura thought about it, the more it excited her.

"Do you mean you want me to play like I'm your daughter when we go out tonight?" Laura said with an eager curiosity. "That's exactly right, my dear. From now until the end of the night, you will only refer to me as `mommie'. Do you understand?," Katie said in an instructing voice. "Yes mommie," Laura replied with a deviant little smile. "Very good... Now let's get in the bathroom and trim down that sweet little pussy of yours."

Katie knew just how she wanted it to look, trimming and thinning until it looked like the new fuzz of a budding thirteen year old girl. After they finished, Katie put on a trench coat and out the door they went. The two of them walked down to the corner and Katie flagged a cab. "9th & 13th street" , Katie directed. "Yes ma'am," the driver replied.

As the cab driver drove along, Katie noticed he was watching Laura a lot through his rear view mirror. As short as her dress was, Laura had to hold her knees tightly together to keep from exposing her almost hairless pussy.

While watching the cab driver's expressions, Katie placed her hand on Laura 's knee and casually began to slide it up and down her bare leg. Gradually Katie's hand began to slide up and down on the inside of Laura's leg, slowly urging them apart. Laura was beginning to become aroused by Katie's touch. Her eyes darted over to Katie's with curious interest of her intent.

She could tell by her mistress' face, she was not to question this request. Understanding that, Laura allowed her legs to fall open and leaned the side of her head against the back of the seat, looking over at her mistress. Now open and exposed, Katie ran her fingernails up and down the inside of Laura's legs, with taunting glances across her pussy. These light touches quickly turned to strokes and fondling. As she rubbed her pussy, Laura began to quietly whimper and moan. The cab driver was silent but intently focused on this young girl in the back of his cab. "Does that feel good, baby? Does momma's fingers feel good on your wet clit?" Katie said in a voice loud enough for the cab

driver to hear.

Closing her eyes in enjoyment and becoming consumed by the situation, Laura replied in a whispered moan, "Oh yes mommie, that feels so good! I love it when you do my pussy like that... Can I suck on one of your titties while you do my pussy?"

"Sure sweetheart, suck on this one," Katie said as she opened the top of her coat and pulled one of her titties out of her bra. Laura opened her eyes and leaned over to suck on one of Katie's tits.

Soon Katie had slid a couple of fingers into Laura's hot cunt and had begun pumping them in and out. Laura put her outside leg up on the back of the front seat and began to hump her hips up against Katie's probing fingers.

In a whimpering moan Laura cried out, "Oh fuck me mommie! Do my pussy hard!"

The cab driver's eyes were about to pop out of his head. He couldn't believe what he was seeing and hearing in the back of his cab. Katie was smiling in enjoyment at this erotic situation she had created, when she looked out the window. "Stop! Right hear!" Katie shouted. "You almost missed the address!" "I'm sorry ma'am," the cabby said as he quickly stopped. "If you were watching where you were going instead of leering back here at my daughter you wouldn't have missed it," Katie scolded, handing the man a twenty and scooting Laura out of the car. "Keep the change, you pervert!" Katie snickered as she slammed the door.

As the cab drove away, Katie took Laura's hand and they began to walk back up the street. "I hope you enjoyed that. I though you needed to try a little spontaneous submission. You did very well," Katie complimented. Laura was still trying to slow her pounding heart and catch her breath, when she realized how excited she had become.

Walking down the street, Laura could feel the wetness of her slick pussy. She was very horny now and this slippery wetness really felt good. As she held her "mommie's" hand, she began to strut like a hot slut on the prowl.

As they walked along, the light night breeze flipped at her dress exposing her ass and young pussy to the stares of the men and women they passed. On the way to their destination, they came upon an adult video store. Before they had passed the entrance, Katie grabbed Laura's arm quickly pulling her inside before the owner had noticed the young girls presence. Once inside, Katie and Laura strolled up and down the isles viewing one cover after another of the hardcore erotic videos. Katie led Laura to the darker back isles of the store where the dirtiest and most perverse videos were kept. As Laura stared in excitement at each video cover, Katie slowly moved closer and began to rub and squeeze Laura's ass.

Katie could see several of the men and a couple in the store paying very close attention to her affectionate strokes. Without Laura hardly noticing, and surely not caring, Katie raised the back of Laura's skirt and slid her hand down between her ass cheeks.

Katie's fingers began to explore Laura's ass and slippery pussy. As Laura became engrossed in looking at the nasty and perverse European porno video covers in front of her, she subconsciously slid her feet apart, giving Katie better access to her pussy and thus giving her audience a better view. Katie looked around the store at the people watching them and smiled at them as she ran her fingers up and down the crack of Laura's ass. "Bend forward and grab the rack my dear. I think there's some videos of young sluts fucking dogs down there that you might like to see," Katie suggested.

Just as she was told, Laura bent over and grabbed a shelf in the middle of the rack for support. Laura's eyes wandered along the lower racks, looking at the many pictures of young slutty girls, that looked to be around her age, fucking and sucking off various breeds of dogs.

Once bent over, Katie flipped the hem of Laura's skirt up onto her back, baring her entire ass. With Laura in this provocative position, Katie looked around and stuck a finger in her mouth to wet it. She noticed all their voyeurs had now inched closer around them. As she watched their expressions, she gave the small crowd a devilish grin, then slid her wet finger into Laura's exposed rectum.

This penetration woke Laura up to her exhibitionist situation. She knew not to raise up without permission. Now, more aware of her surroundings, she arched her back and raised her head so she too could look around at the people watching.

Katie slowly began to pump her finger in and out of Laura's ass, making her grasp harder at the shelf and rhythmically whimper. Katie then looked around the room and picked out a young man; a collage age guy with a huge bulge in his pants. "Come over hear big guy and take out that big cock of yours - I want to see it."

The young man stepped up beside Katie and instantly reached in his pants to pull out his growing cock. With her free hand, Katie reached down and wrapped her fingers around it, pulling and stroking it to a fully hard state.

With his cock as her handle, Katie pulled the surprised young man face to face with her and looked deep into his eyes. "How would you like to fuck my little girl up the ass with this fine hard cock of yours?" she questioned, then before he could get his answer out, she squeezed his cock and pushed her tongue into his mouth giving him a deep French kiss.

When she broke the kiss, he turn directly to Laura's bare ass and began to position himself for the task. "Here, let me supply the lubricant," Katie said as she bent over stuck the boys big cock in her mouth. She then bobbed her head up and down on it a few times until it was nice and shinny with spit. Katie then just turned her head toward Laura's ass, pulled her finger out, and began licking her little ass bud.

Once she had the outside all wet, Katie plunged her pointed tongue into Laura's ass, bobbing her head in and out a few times.

At this, Laura's knees slightly buckled and she sighed in enjoyment. But that sensation wasn't to last.

Katie suddenly raised her head, slapped Laura firmly on the ass, and said to the boy, "Now she's ready. Ram that big cock up her ass!" Pushing down slightly on his cock to aim it, he pressed the head against her wet puckered asshole. With a little extra push, the head of his cock disappeared into her ass. "Ohhhhh!" Laura moaned as he slowly slid it in nearly the entire length on the first stoke. The boy then drew it almost completely out and then drove it back in a little harder. His strokes continually got harder and quicker.

It wasn't long before everyone around their small group could hear his groin slapping up against her ass cheeks. The young man reached forward and grabbed Laura by her pigtails, pulling her head back, pumping his cock into her tiny little butthole like he was riding a wild animal.

In Laura's dizzying ecstasy, she rolled her eyes left then right to see her audience. Standing directly beside her, staring at the action sliding in and out of her ass, was Katie. Katie had opened up her trench coat and was having her nipples pinched from behind by a strange man, while another had

slid his hand into her black lacy panties and was fingering her pussy. The other men all had their cocks out and were stroking them while they watched.

The couple that was there was also enjoying the show. The woman was squatting down in front of her husband, bobbing her head back and forth with his dick in her mouth. Her tight mini-skirt had slid up around her waste, baring her round white ass. She had her knees parted and her fingers were fidgeting away at her dark hairy pussy.

Soon the boy began to growl. It was clear he was about to cum. Laura could feel his cock beginning to swell. She knew he was about to release his load up her ass. Laura was also close to having her own anal orgasm. She reached down between her legs and began to rub her wet clit hard, while pumping her ass back against his driving tool.

Steadily his vicious strokes pounded away at her now spasming little asshole. The boy grunted and growled as he reached his peak. Suddenly it happened, the boy discharged his wad into her bowels while she exploded into her first anal orgasm.

As he slowed his jerky strokes, emptying the last few squirts of his load into her butt, Laura's dizziness began to clear. She could hear other moans and then the sound of semen splatting on the linoleum floor around her. Looking around, she could see some of the men still slowly stoking their cummie, half limp cocks. She could see the woman had taken her husband's load across her face and was now still squatting, fingering her pussy to her own orgasm.

Laura then felt the young man's big half limp cock sliding slowly out of her ass.

"You can stand up straight now, my little slut," Katie said as she readjusted her panties and closed up the front of her coat. "Well, it looked to me like you really enjoyed your first ass fuckin'," Katie said as Laura looked up at her in a wild eyed daze. "...or were you just looking at those videos down there and fantasizing about being one of those slutty little girls that get fucked by the big doggies? ...I think it was a little of both," Katie teased as she took her hand and led her out of the store.

Part Five

They soon arrived at their destination. 'Club 69' was its name. "I think you're really going to like this club, Laura. Don't be shocked at anything you see in here. Just obey my wishes, and indulge in submitting yourself to the quenching of everyone's lust," Katie said as she rang the buzzer in the unmarked doorway. The pounding sound of wild erotic music poured out into the street as the door lock buzzed and Katie opened the door. They walked into the small entry area with another locked door in front of them and a glass window to their side.

Once in, Katie pulled out a hundred dollar bill and slid it under the glass to a fat man smoking a cigar. The fat man looked up and over at Laura and grunted, "Hey Lady, no minors in the club!" Katie glared at the man, then pulled out another hundred, slapped it down on the counter, and slid it under the glass. "There asshole, go get yourself a blowjob. Now, open the fuckin door," Katie snapped. The fat man sneered back at Katie for a moment, then buzzed them in through the next door.

Waiting just inside the second door was a beautiful young girl standing totally naked collecting overcoats. Katie proudly removed her overcoat revealing her beautiful half naked body and handed it to the girl. As the girl smiled at the sight of Katie's semi-nudity, Katie lustfully ran her eyes up and down the young girl's perfect body.

"Right this way ladies," the young girl said as she pulled back the long black curtains covering the main entrance into the club. "You ladies enjoy yourselves... and, if I can do anything else for you ma'am, you'll be sure to let me know, won't you?" the young girl asked eagerly looking up at Katie. As she walked past the girl, Katie reached out and slid her fingers down through the young girl's pubic hair, and gently pinched the her labia. " You better believe I'll let you know, my dear," Katie said with a seductive grin, then walked into the club.

Laura then stepped through the curtains and looked around the large dimly lit room. She saw men and women everywhere in various stages of undress. Some in erotic and revealing clothing like Katie's, and some in nothing at all.

On the large dance floor in the center of the club, under dim multicolored flashing lights, she could see many naked bodies grinding and stroking one another.

As they made their way through the crowd to the bar, Laura got many a lustful gaze from the men and woman they passed. Several wondering hands felt their way under her tiny skirt as they passed.

Once at the bar, they found two empty barstools, sat down, and Katie ordered their drinks.

Laura looked over at the couch next to the bar. On the couch was a woman in a short skirt, sitting alone, watching the action on the dance floor. The woman was watching her male friend on the dance floor grinding to the music with his hand down the front of some strange woman's panties. Watching her friend had apparently got the woman on the couch pretty hot. She had one arm lying along the arm of the couch casually holding her glass of wine, and the other down between her loosely parted legs, fondling her pussy. She was quite an erotic sight to see, Laura thought; with her short skirt slid up high exposing the top hair of her well trimmed pussy and so casually masturbating herself in this room filled with people.

As young Laura sat staring, the woman's attention soon turned up to her. Noticing her interest in watching the woman, Katie instructed Laura, "Turn around on your bar stool and face her." Doing as she was told, Laura turned around and leaned back against the bar. As they gazed across at the woman, Katie reached over started unbuttoning Laura's blouse. Once she had unbuttoned it down to her waist, she tossed it open exposing Laura's firm perky tits. Katie then leaned over, grasping Laura's tits, and began sucking one of her nipples. The woman obviously enjoyed seeing this since she parted her legs further and began rubbing her clit faster and faster.

"Doesn't she look nasty sitting there playing with her pussy in front of everyone? ...Well baby, I think it's time you slid down there and helped this poor lady out. Go on, do it for mommie," Katie said, nodding her head toward the woman.

Laura was already hot and horny when they walked in, and this request was exactly what she was ready for.

With her big baby eyes, Laura looked up at Katie and said, "Mommie, would it be okay if I helped her out by sucking on her pretty pussy in front of all these people?" "Yes baby, crawl up to that hot pussy and show mommie what a nasty little slut her daughter is."

Laura looked back over at the woman, then slid down off her stool and onto the floor.

Once down on her hands and knees, several people in the area stopped what they were doing and looked over to see what this young girl was up to. Laura raised her head and arched her back and began to crawl like a prowling cat across the floor towards the woman's open legs. As Laura approached, the woman slowly slid her ass out to the edge of the couch as if to meet Laura's mouth

half way.

Laura crawled right up between the woman's open legs and stopped when her lips were almost touching the woman's pussy. Laura paused only briefly to look into the woman's eyes before she opened her mouth and rested her tongue between her hot wet pussy lips.

Katie watched as sweet little Laura lapped away at this strange woman's pussy. Laura was poised so cutely in her little bobbie socks and tennies, as she ate the woman. Her knees were spread wide and her back was arched which thrust her tiny round ass up into the air. The shortness of her dress caused the hem to lay just across the top of her ass, leaving her fuzzy wet pussy in plain sight for all around to see. Katie thought to herself how fine Laura's young little ass and pouty pussy lips looked sticking out from under that school girl's dress as it slowly wiggled around with the rhythm of her lapping tongue.

A few couples gathered around to watch the young girl eat this woman's pussy. As the woman got more excited, she grabbed a hand full of Laura's hair and began to grind her face into her pussy. Laura kept up her licking and sucking as she drove the woman closer and closer to a climax. Suddenly, the woman exploded into an orgasm, cussing and groaning as she came.

Katie was now becoming very aroused herself and couldn't resist getting in on the action. Getting up from her stool, Katie walked over beside Laura and slapped her on the ass. After the slap, Katie slid her fingers down the crack of her ass and into her pussy. With the other hand, Katie reached over and took her by the hair, as the other woman released her grip in exhaustion, and taunted, "Was that a good tasting pussy, baby? Did you get off on making her come? ...Well, momma's proud of her little girl's pussy eating abilities. Now kiss that sweet pussy one last time and get up off your knees."

Laura leaned forward, looking up again at the woman, and kissed in the middle of her wet pussy as if to say goodbye. She then stood up, straightened her skirt and buttoned a few buttons on her blouse, then took Katie's hand.

As Katie led, they worked their way through the crowd to the other side of the club. There on the other side of the club was another black curtain covering the entrance to another part of the club. Through the curtain they went and down a dark hall lined with many doorways. The music was much quieter and Laura could hear voices and moaning coming from inside the little rooms along the hall. None of the rooms had doors on them and Laura looked in each one as they passed.

Each room had a one dim light shining down on a large mattress in the middle. As they passed down the hall, Laura saw women eating women, women sucking off multiple men, and women getting fuck up the ass by one man after another. She couldn't believe all the small orgies and gang-bangs she was seeing as they passed each room.

Katie finally stopped at one room that had six women and a four men entangled in various sexual positions. Each of the four men were fucking one of the women doggy style, while the other two girls were kissing and feeling each other up.

When Katie stepped into the room, most everyone in the room paused to checkout their new guest.

"Hello, my name is Katie. Excuse me for interrupting your fun, but I'd like to introduce to all of you my little slutty daughter, Laura," Katie said, attracting everyone's undivided attention, then motioning Laura into the room.

Laura timidly stepped into the room and walked over in front of Katie, facing the people on the floor. The sight of this obviously young girl stepping into the room made everyone sit up to see what this

was all about. Katie slowly started opening the front of Laura's blouse. Once opened, Katie began to squeeze and fondle her tits. She then began to give an explanation for their presence, "You see, when I came home early the other day, I walked in on my daughter, stark naked on my bed, positioned on her hands and knees, eating her aunt's pussy while her uncle sat beside them stroking his cock, watching. And, as you can imagine, well, I was quite shocked.

Just the sight of her tiny little ass propped up in the air with her sweet innocent face buried in my sister's dripping wet pussy made me feel things I've never felt before. I think I was actually feeling jealousy. She's only thirteen years old and apparently, already our family slut. My sister told me I was over reacting to the whole situation and that I needed to loosen up about these type of sexual things. She says, I should explore my darkest fantasies, not suppress them. I've since begun to realize that maybe she was right.

So, I've decided to follow her advice. You see, ever since that day, my mind has been filled image of her young naked body involved in all kinds of perverted sexual acts - and they're all with me.

If my nasty little daughter really enjoys being the family slut and doing nasty thing while she's being watched, then tonight she'll be my slut, and perform for my pleasure. And, what would really turn me on is to have her eat my pussy in front of all of you."

After Katie finished her bazaar explanation, she slowly began to lick up and down Laura's neck while pinching and twisting her nipples. "Show the strangers your pussy, baby," Katie instructed.

While melting into Katie's kisses, Laura raised up the front of her short skirt, bearing her almost hairless pussy.

"Now, show them how Aunt Suzie taught you to play with your pussy," Katie again instructed.

Laura dropped one hand down over her pussy and began to masturbate. She watched the stunned, yet excited, expressions on her audience's faces as she bent her knees and lewdly began to pump her pussy back and forth against her active fingers. Spreading her knees farther apart and almost squatting, Laura began to groan with excitement as she pumped her fingers in and out of her sopping pussy for her audience.

After a short while of this display, Katie began to take off all of Laura's clothes, tossing them to the floor. As Laura stood there with nothing on but her bobbie socks and tennis shoes, Katie asked her, "Are you ready to eat mommie's pussy in front of these strangers?" "Yes mommie, I'll do it just like Aunt Suzie taught me. I really want to try eating your pussy, mommie. I think I can make you feel real good. They can all watch me too. ...and I'll acted real slutty, like Uncle Ed likes. You can cuss real nasty at me and call me your 'pussy eating slut girl', like Aunt Suzie does. I like that a lot. Please mommie, I'm getting real horny thinking about doing that to you. Please let me do it now!" Laura said as she turned around facing Katie.

"Well, that's a good girl. Now, get on your knees and pull down mommie's panties," Katie directed, leaning her shoulders against the back wall while pushing her hips forward for Laura's ease of access.

Without hesitation, Laura slid her fingers under Katie's waistband and pulled her panties down to her knees. She then leaned forward into Katie's pussy with her mouth open. Laura began rubbing her mouth and nose around in Katie's dark furry pussy mound, slowly sniffing the smell of her hot steamy pussy.

Katie took off her own bra and began to pull and pinch at her hard nipples. "You like the smell of

mommie's pussy, baby? Well, mommie's pussy is hot and ready for you... Go on baby, stick your tongue in momma's hot wet snatch. Taste what momma's got waiting for you," Katie said gazing down at Laura.

Laura slowly began to lick Katie's pussy. Each stroke of her tongue got faster and more rhythmic. Katie grabbed the back of Laura's head and began to ride her face. Her ecstasy began to grow and overwhelm her. "Ahhh, eat me! Come on, eat me baby! That's right my little slut, eat mommie's pussy!" Katie groaned as she slowly gazed through the room at the people watching. Everyone in the room was watching intently while masturbating, fingering, or sucking someone else.

Katie was getting off so much watching little Laura being such a nasty slut that she decide to go a little farther. Katie motioned to one of the women on the mattress to come over to her. Eagerly the young woman crawled over beside Laura. With a simple movement of her hips to the side, Katie had her and Laura both lapping on her pussy. Their tongues intertwined as the other woman kissed Laura's mouth while licking the juices flowing in Katie's excited cunt.

After enjoying these two tongues briefly, Katie pulled Laura's face from her pussy and looked down into her eyes and asked, "Does my little girl feel like a real nasty slut now?" "Yes mommie! I'm a fuckin slut and I want more! Please mommie, just fuck me, use me, and treat me like trash. That's what I want right now... I'm your little whore!" Laura hissed, as she looked up at Katie and vigorously rubbed her own clit.

"All right then, my little slut. Crawl out to the middle of the room and spread your knees apart. Then stick your ass in the air, raise your head up, and open your mouth," Katie commanded. Straight out to the middle Laura crawled and assumed her position.

"Are you ready to be my whore, baby? Are you ready to really turn momma on? Are you ready to let her watch her little daughter get fucked by all these men?" Katie questioned with an excited voice.

"Oh yes mommie! I really want to be your whore. I'll do anything! Have them all come fuck me, mommie. Tell them to come stick their dicks in my ass and my mouth. Tell them to fuck me in the ass first and I'll suck them off afterwards - that would be really slutty wouldn't it mommie? ...Yeah mommie, let me do that while you watch... I'll do it really nasty for you," Laura said as she wiggled her little ass around in a fit of horny waves rushing through her body.

Watching Laura squirm around and beg to be so nasty started Katie on fire.

"All right gentlemen, line up. You heard what she wants. You can all fuck my daughter's ass and fuck her face, but nobody fucks her pussy... that's mine," Katie told the men in the room. Instantly, Laura was encircled by hard cocks and instantly she grabbed the first one she could reach and stuffed it in her mouth.

Laura felt a firm slap on her ass, then a wet tongue slide into her asshole. A chill ran down her back, then an older man said, "I hope you don't mind if my wife wets up your little asshole for me, slut... Ohhh yeah darling, suck the little bitches ass!" Then she felt another slap on her ass and it almost made her cum. The man's spankings were really turning her on. After four or five more of these slaps on her ass, Laura was beginning to boil with lustful desires.

Laura pulled the cock out of her mouth, turned her head to the man behind her, and in a fiery sassy tone said, "Hey pops, are you going to stick that big hard cock up my ass and buttfuck me or do you want me to just shit in your old lady's mouth while I cum?"

"All right you little bitch, fuck this!" the man growled as he pulled his wife's face back and rammed

his cock deep up Laura's ass. Laura moaned and her eyes rolled back in her head as she began to get buttfucked. "Ohhh yeahhh, daddy! Fuck your little girl in the butt," Laura whimpered. " Yeah Bitch, you're one nasty little slut!" the old man said as he delivered another firm slap on her ass, making her lust boil even more.

Laura stuffed the other cock back in her mouth and began to hump and suck like a depraved animal on her two hard poles. Hands, lips, and tongues began to cover every inch of her body. The sting of the slaps on her ass and the pinching on her nipples by strange hands was bringing out a passion in Laura's body that she had never felt. She was loving every second of her first gang-bang.

Katie had moved to the floor, closer to Laura, so she could watch her do her nasty deeds. It wasn't long before Katie could tell the older man was about to cum. "Pull your cock out of her ass and cum in her mouth!" Katie demanded of the man with anticipation.

As soon as she heard Katie, Laura dropped the cock she was sucking out of her mouth and looked back over her shoulder at the old man. She smiled a devilish smile looking up at him, then open her mouth up wide as if to say, 'stick it in here'. His stroke increasing, pounding her ass harder and harder.

"Well, you nasty little bitch, I've got something for that pretty little mouth," he said as he stopped his stoke and slid his cock out of her ass. He then stood up and walked around in front of Laura. He stood there stroking his cock, looking down at her pretty face and eager opened mouth. Laura look up at him with big baby eyes and said in a little girl voice, "Can I suck you off now daddy? ...now that you've fuck my little asshole real good. Come on daddy, sick that big hard, slimy cock of yours right in your little girl's mouth and let me suck you 'til you cum." Laura giggled and with a nasty smile on her face opened up her mouth back up and stuck out her tongue.

The old man grabbed her by the hair and pulled her head back, dangling his hard cock in front of her face. He bent his knees slightly, laid his cock on her out stretched tongue, then slowly began to slide it deep into her eagerly awaiting mouth. Once he did, Laura wrapped her lips around it and began to suck.

Now with both hands grasping her hair, he began to fuck her pretty face. " Yeah, suck my nasty cock, bitch! Clean your nasty juices off it! That's it, swallow that dick you little bitch! Make me cum!" the old man said as he began to reach his climax.

Releasing Laura's hair with one hand, he pulled his cock out of her mouth, pumped it a couple of times, then shot load after load of his thick cum across her face. After he squeezed out the last couple drops of cum onto her lips, he stumbled back and sat down on the floor.

With the old man's cum dripping down her face, she turned to the next man behind her and said, "Well big daddy, have you ever buttfucked a thirteen year old? ...well, slide that hot cock up my ass and let's get to fuckin!" This nasty performance Laura was giving was apparently driving Katie wild with lust too. Katie was now on her hands and knees between two women. They were also on their hands and knees. The woman in front of her had her ass backed up to Katie's face. Katie was watching Laura in the corner of her eyes while spreading the woman's ass cheeks and spearing her tongue in and out of her asshole. The woman behind Katie was fingering her pussy while also tongue fucking her asshole.

Gradually the men began to rotate around Laura. One cock after another would slide out of her ass and into her hungry mouth. Load after load of hot cum was squirted across her face and in her mouth. Over and over Laura came on the big hard cocks pounding up her butt. She was in a wild

crazed heat and she wanted more and more. Laura was fucking the men like she was on an assembly line. The women on the floor would guide each new cock into her ass, then rub and finger her pussy while they watched each slimy cock slide in and out of her asshole.

Finally, the anal gang-bang was over. Laura had sucked down the last load of cum from the last man, then sat up. She reached over and grabbed her skirt and used it to wipe the cum off her face. She smiled over at Katie who was still enjoying her decadent ass licking. Laura sat and watched until Katie collapsed in a frenzy of orgasmic quivers.

After resting a few seconds Katie got up, grabbed her panties, and said, "Come here my little slut girl." When Laura proudly strutted over beside her, Katie grabbed her tightly by the chin and told her to open her mouth. As soon as she did, Katie stuff her panties in, crotch first. "There you go baby, you can carry mommie's wet panties for her... Thank you all for fucking my little daughter. Now maybe when she needs some nasty sex, she'll know to come to momma first," Katie said as she led Laura out the door.

## **Part Six**

They both left the back area and returned to the main part of the club. Leading Laura along by her wrist, Katie slowly strolled through the club. Laura was quite enjoying the looks she was getting from the people in the club as she was led around totally nude, dragging her skirt and blouse, carrying the black pair of laced panties in her mouth. And, with Katie wearing nothing but her thigh high black boot's, exposing her dark haired pussy between those long shapely legs, it was obvious where they had come from. As they walked around, Katie ran into other women she knew. Each time she did, they'd passionately kiss and fondle one another, then laughed and whispered back and forth. Laura could tell she was the focus of the conversation. Several of the women reached over and felt up her hot damp pussy as they walked off saying things like, "We'll see you later, hot box." or "It's initiation time, baby. I'll love watching your tight ass."

Katie finally ended up at another bar in the club and ordered beer and a couple shots of tequila. She handed one to Laura and they both downed them. Katie noticed a shy looking couple sitting huddled at one end of a short couch nearby. They were a very attractive couple in their early twenties.

They both were slender and well built. The woman had long red hair and very large breasts. She was sitting topless in the middle of the couch with her hands resting in her lap, curiously watching the happenings in the room. Her husband, sitting next to her, was slowly running his fingers across her stiffening nipples. Katie's curiosity overtook her and she began to wonder what their story was and decided to find out.

Katie got up from the bar, walked over, and nonchalantly sat down beside the woman. Without looking over at them, she spread her legs and placed one of them over the couch arm on her side. She then took a swig of her beer, motioned to Laura with her finger, then patted her crotch. "Come tend to momma," she said, pulling on her long dark pussy.

As instructed, Laura walked over, dropped to her knees and began playing with Katie's pussy. Katie could see in the corner of her eye that she had the couple's undivided attention.

Katie casually took another swig of her beer and then looked over at the redhead next to her. Katie's eye roamed up and down her body. "You sure have beautiful breasts," Katie said with a smile and lust in her eyes. With a surprised look the lady responded, "Oh, well thank you." After a brief pause and with her eyes locked onto Laura's explorations between Katie's legs, she said, "...and you have

beautiful... uhh, legs.”

Just at that time, Laura leaned forward and buried her face in Katie’s pussy. Katie’s eye rolled up as she slumped slightly on the couch and leaned close to the woman. Katie knew the woman was enjoying what she was seeing by the way she began to slowly squirm in her seat. The woman began to slump slightly on the couch as well. As she did, her hands subconsciously tugged at the hem of her skirt, allowing it to ride up her thighs. “Have you ever had another woman lick your pussy like this?” Katie whispered into her ear with a hot breath.

“No, I’ve never had that,” she said with desire in her voice, slipping lower in her seat.

Katie could now see the woman’s red pussy hair showing from under the hem of her skirt, as her knees slowly parted. “Have you ever had your pussy touched by another woman?” Katie continued. “No, never,” the woman softly replied. “Have you ever fantasized about being with another woman?” Katie asked. “Yes, oh yes, quite often,” the woman said then looked up into Katie’s eyes. When she did, Katie kissed her lips, then placed her hand over her exposed pussy.

As soon as Katie’s hand touched the woman’s pussy, it was like Katie had release a wild animal. The woman began to deeply tongue kiss Katie while reaching over and grabbing her tits. Katie slid her fingers between the wet lips of the woman’s soaking pussy and began stoke her clit. The woman squirmed under her touch as Katie’s clit stokes turned to finger fucking. Without pulling her tongue out of Katie’s mouth, the woman crawl on top of Katie, pulling her skirt up around her waist, and grabbing the back of the couch. The woman squatted in her high heels on the couch over Katie’s torso, bouncing up and down on her finger’s like she was fucking a man’s cock. Her huge breast were bouncing with her motion. Katie, now released from the kiss, positioned herself under them and grabbed one of her nipples with her teeth.

“Yes, bite my big tits. I love them treated ruff,” the woman groaned. Her husband couldn’t believe what he was seeing. His timid little wife had become a wild animal. His cock got hard instantly. He had taken it out of his pants and was sitting back against the other arm of the couch, stroking it as he watched.

Laura looked up and saw the redhead’s beautiful round ass sticking out right in front of her face. She had the best seat in the house she thought, watching Katie’s three fingers pumping her hot pussy and it dripping with juices.

Laura reached up and steadied the woman’s ass and slowly began to run her tongue up her ass crack from Katie’s wet fingers to the redhead’s tight puckered asshole. The woman began to shutter and moan at this sensation. Laura moved slightly to the side, allowing Katie to slide down directly under the woman’s pussy. Once under her, Katie began to suck and lick on her clit while she continued to finger fuck her.

About that time her husband got up, walked around to the back of the couch, grabbed his wife by the hair, and rammed his cock into her mouth. Her moans of pleasure were muffled by the large cock that was now pumping in and out of her mouth.

As the woman’s husband deeply thrust his cock into her throat, her pussy juices began to pour out all over Katie’s face. Both Katie and Laura lapped at her crotch juices.

Laura looked up watching the woman’s husband’s face as he drove each stroke into his wife’s hungry mouth. She could tell he was about to explode. When he finally groaned and pulled his cock out of her mouth to cum in her face, Laura slapped the woman’s ass hard and rammed a finger up her ass. As the man began spurting his generous load of hot cum into his wife’s face, Laura

vigorously finger fucked the woman's asshole while continuously slapping her asscheeks. The woman whimpered and moaned with pleasure as she pinched and tugged on her own ripe hard nipples.

When the man had finally drain his last drop of cum out on his wife's pretty face, Laura pulled her finger out of the woman's puckered ass, raised up, and laid herself along the top of the woman's back. As the man stood there stroking his half limp cock, holding up his wife's face by her hair, Laura began licking his cum off her panting face. "Your a submissive slut too, aren't you?" Laura taunted, as she washed the woman's face with her tongue. The woman nodded her head, yes.

Laura placed her finger against the woman's lips and whispered in her ear, "This is the finger that gave your asshole such intense pleasure. Show me how much of a slut you are. Open your mouth and except it with gratitude." The woman submissively parted her lips to except the finger. Laura bit her ear as she slid her finger into the woman's willing mouth. "That's right, now suck it," Laura coached as she fed her finger in and out of the woman's puckering lips.

Laura pulled her wet finger from the woman's mouth, kissed her lips, then stood up with Katie. Katie gave a surprised smile at Laura and said, "Humm, I liked that, ...watching you play with your own sex toy. You're learning fast, my little one. But don't start getting too cocky. You're my little submissive slut tonight." Katie bent down spreading the woman's asscheeks and kissed her asshole. She then patted her asscheek, looked up at the husband and said, "This little asshole has a lot to experience and its ready to get started. Don't keep it waiting."

Katie stood back up, took Laura by the hand, and walked off into the club. She led her onto the dance floor where they began to dance. Laura watched Katie as she erotically moved her body in front of her to the pounding music. As Katie danced, she pinched at her own nipples while her eyes hungrily moved up and down Laura's young naked body dancing before her. Katie was hot and horny once again.

Katie gradually danced closer and closer to Laura. Her hands drifted off her own body onto Laura's. Katie's fingers danced down to Laura's wet pussy and began to play. As Katie pulled Laura closer, their parted lips met. As her tongue began to danced in Laura's mouth, she vigorously fingered her pussy.

Laura once again began to melt into a puddle of lustful desire. Her knees wobbled as Katie continued to drive her long fingers deep in and out of her pussy. Laura knew she must have been a sight on that dance floor, French kissing this beautiful older woman while humping her hips up and down on her probing fingers.

"It's almost midnight my little slut. Do you think you're ready to be initiated into my private little club?" Katie muttered into Laura's breath, while continuing to pump her fingers into her crotch.

"What club?", Laura said before thinking.

"I mean...yes ma'am! What do you want me to do?" Laura corrected herself then questioned, trying to hide the excitement in her voice. "Well, to answer your first question, my private club is a sisterhood of a select group of women with whom I've shared special perverse pleasures...and tonight, at midnight, is our initiation night. That is when we bring in special, well deserving, candidates for testing.

Now, in reference to your second question... how sexually perverted are you willing to be?" Katie asked curiously. "That will determine if you're really ready to join us."

“Haven’t you been able to tell, mommie? I’m your slut, and I’ll do anything if it makes your pussy wet,” Laura answered with a cute and devious smile, as she pulled Katie’s fingers out of her pussy and began to suck on them.

“Very good my little slut... Let’s go see if your ready. I think it’s time for you to get my pussy wet,” Katie said as she took Laura’s hand and led her off the dance floor.

Part Seven

When they reached the back of the club they stopped at what seemed to be a basement door. When she knocked on the locked door, a beautiful large breasted woman opened it and looked out, then welcomed them in. The woman was completely naked excepted for her long black gloves, spiked heel boots, and a gold chain that encircled her waist. She smiled with pleasure at the sight of this very young subject with Katie.

Motioning to follow, she turn and walked down the short, dimly lit hallway toward the basement stairs. When she reached the stairs, she stopped, looked back over her shoulder at Katie as if to ask permission, lustfully smiled, then nodded in the direction of Laura. Katie smiled back with permission. Looking back over at Laura with a lustful gaze, the woman widely opened her stance, bent over forward, and grabbed her ankles.

Laura’s eye instantly locked on to the woman’s glistening crotch. Releasing Laura’s hand, Katie nodded toward the woman and said, “She is our gate keeper. I think you can tell what your first deed is within these doors. Go satisfy her.”

Laura when straight over to her, dropped to her knees, and ran her hands up and around the woman’s ass cheeks, staring into her asscrack in admiration. Spreading the woman’s asscheeks, Laura leaned her face forward and began to smell her juices. Slowly she began to rub her nose and lips up and down her crotch. As her own excitement grew, her tongue began its journey up the woman’s crotch to her tightly puckered asshole. Once there, Laura began a slow erotic rim job on her asshole, while massaging her clit with her thumb.

The woman moaned and squirmed as Laura’s now talented tongue straightened and worked its way in and out of the woman’s asshole. It didn’t take long before the woman’s knees began to wobble and she melted into an orgasm. Once completed, the woman raised up with a dizzied look on her face, then gladly moved aside.

Laura stood up proudly, wiping the juices from her mouth, and smiled at Katie. Katie again took her hand and escorted her on down the stairs. When they reached the bottom and enter the basement, Laura glanced around the room. The room was filled with many beautiful naked women and very few men. Some of the women were drinking and talking. Some were entangled in sexual passion. The women’s ages seemed to range from much older than Katie to a few that actually looked as if they were younger than Laura, herself. Laura’s mind began to wonder what perverted act each of these women had done in order to be in Katie’s exclusive little club. And, what she would be asked to do to join them.

Katie led Laura by the hand through the crowd. As she walked through the people, they all turned and stared at her. Most just whispered to one another and smiled with satisfaction as they looked her over. Some reached their hands out, touching her naked body as she passed.

Katie led her to the woman standing at the center of a small crowd’s attention. When they walked

up, the woman stopped her conversation and looked over at Laura.

She was a very exotic looking older woman in her fifties. Surrounding her were several very young naked girls. All being very submissive, offering up their bodies to her probing hands. The nipples of her large breasts were pierced with small gold loops. Her hair was black and she wore it pulled up on top. Below her relatively flat stomach, and just above her thick growth of pussy hair, was a small tattoo of Pegasus, the winged horse. Only this Pegasus was rearing up with a hard-on as big as a baseball bat.

"Well my dear Katie, I must compliment you once again. She is as young and pretty as you told me she was," the woman said. "Yes she is, isn't she?" Katie responded, running her fingers through Laura's hair. "Laura, you are standing in front of Mother Dominion, the queen mother of our little sisterhood. You will address her as Mother. She will be your judge in determining whether you're worthy of becoming one of us. If you wish to become one of us, her every word is to be obeyed no matter what the request. Do you understand?"

"Yes mam," Laura said, as she submissively bowed her head to the woman. "Laura darling, come closer to me and let me fill of you," the older woman said.

Laura stepped forward and the woman reached out and took her wrist, pulling her body against her own. Laura's small breast pressed firmly against the older woman's large breasts. The woman's hands began to explore her body. They ran down her back and over her firm round ass cheeks. One hand slid into the crack of her ass. Her fingers scampered over asshole, and down to the wetness of her pussy.

As the woman groped Laura's body, Katie and another woman unbraided her hair, letting it flow free.

"Mmmm, that's nice, she's already wet for me," the woman said, as she nuzzled her nose to the back of Laura's neck and drew in a breath of her hair.

Laura wasn't actually sure if she was getting wet again from the excitement of being fondled by this motherly woman or by all the people gathered around to watch her molestation. Either way, Laura began to really get turned on by the situation.

The woman held Laura's head in her hands as she guided her lips to her nipples. When the warmth of Laura's wet lips touched her nipples, the woman's eyes closed in enjoyment. She then reached out and took Laura's hand, pulling it to her pussy. As soon as Laura's hand landed on the woman's thick hairy pussy, her fingers instinctively began to wander. The woman was pleased at the instant activity of Laura's eager fingers. She too was wet with excitement as Laura's small fingers began to spread her damp labia and probe their way into her cunt.

At that moment a clock chimed midnight and the woman stopped Laura's advancements and pulled her finger's from her wet pussy. "Enough! You are not yet one of us. You have not yet proven your worth." The woman then clapped her hands and said, "It is time. Let the initiation begin." The people in the room began to sit down and cuddle up at the tables, on the couches, and on the floor around the edges of the room, leaving Laura, Mother Dominion, and Katie standing at the center. The light along the edges dimmed even more, while the light in the middle brightened.

A young woman rolled out a large chair and placed it behind Mother Dominion. Mother Dominion sat down in the chair and spread her legs, placing her hand on her crotch. "On your hands and knees, slut! ..and bow your head," the woman commanded. Katie, standing behind Laura, put her hand on Laura's shoulder and pressed her firmly to her knees.

Laura dropped to all fours with her head down, directly in front of Mother Dominion. She waited there still and quiet.

Suddenly she heard a loud pop and felt a sharp sting on her ass. It was Katie. Katie now had a riding crop and had just given Laura's tiny little ass a good smack. Laura squealed at the surprise sensation. SMACK!, a second pop on her other asscheek.

The sting of the crop burned her ass and ran a chill up her body. SMACK!, another pop to her butt. Laura felt the pain of the crop once again, but with the pain was rushing chill of excitement. SMACK! Again, the pain. Again, a rush of excitement.

"Ms. Katie tells me you're a slut. Is that true?", Mother Dominion taunted.

"Yes," Laura weakly answered.

POP! - Katie, administered another blow of the riding crop. "Yes, who?", Katie questioned.

"Yes, Mother," Laura said much louder.

"She tells me you like to fuck and suck, and that you'd probably fuck or suck anyone. As a matter of fact, she tells me you've already had your little asshole fucked several times tonight by strange men. And, that you sucked off every one of them afterwards. Is that true my little slut?" Mother Dominion eagerly questioned as her hand began to play between her own legs.

"Yes," Laura again weakly answered.

SMACK!, Katie popped her again, but this time right across her pussy lips.

Laura drew a quick breath and raised her head looking up at Mother Dominion with her eyes wide with fiery lust.

"Yes, who?", Katie sharply questioned.

"Yes Mother, I gladly sucked them all off after I let them fuck me up the ass nice and hard," Laura replied with a great deal of enthusiasm and excitement.

As she lustfully gazed into Mother Dominion's eyes she asked, "And now my body is yours, Mother. In what perverse way would you like to use it?" Mother Dominion gave an evil smile at her eagerness and motioned to her to crawl forward. "Well, let's start by seeing how good of a little pussy eater you are," she said as she guided Laura's eager mouth into her already wet pussy.

Mother Dominion moaned with pleasure as Laura's outstretched tongue slid across her clit. She then weakly shouted, "Let's get this initiation rolling."

Just as she spoke, Katie's little sister Suzie came strutting out from a side room wearing nothing but thigh high spiked leather boots and long black leather gloves. In her left hand was a chain leash with which she led a large Irish Wolfhound.

As Laura licked and sucked on Mother's hairy pussy, she heard the voices in the room rumble and she cut her eyes far to the side to see what was happening. When Suzie led the dog along beside her, Laura was shocked to see the large beast. She could see Suzie's eyes were wild with lustful desires, as they danced up and down her subservient naked body, watching her sucking on Mother Dominion's cunt..

Suzie gave the leash to Mother and knelt down on the other side of the large dog. With her chin resting on the dog's back and her knees spread wide apart, Suzie began rubbing her clit as she intently watched Laura eat out Mother's pussy. Suzie's glassy eyes never left Laura's cute mouth as her little tongue stroked and pushed around Mother's rather large pussy lips. As Laura looked over at Suzie, she thought she had not seen Suzie so excited before. She could see her other hand began to run up and down the dog's body and through its fur.

Suzie hand slowly drifted under the dog's belly to his large red cock. Grasping the tool, she began to stoke it back and forth.

Mother Dominion slid her fingers through Laura's hair and said, "Suzie really enjoys preparing our animal for our sisterhood candidates... and she does such a great job of it too... just watch."

Suzie's stroke on the dog's cock lengthened as it grew. As she felt the size of the dog's cock grow in her hand, Suzie's stroke on her own pussy quickened, and her eyes grew wilder.

Laura could hear some of the people around them whispering a chant, "Do it! Do it! Do it!" At first she was unsure of what they were talking about.

With her eyes locked on Laura's cunt sucking performance, Suzie slowly lowered her head under the dog and slid the dog's big, red, wet cock into her mouth. Looking up at Laura from beneath the dogs belly, she gave a devilish grin as she bobbed her head back and forth on the dog's big slimy rod. She moaned in excitement as she slurped the dog's big long cock into the back of her throat.

Laura heard other moans of enjoyment at the sight of Suzie's sucking of the dog. Laura recognized one of the moans as being that of Suzie's husband, Ed. Laura looked over on the other side of her and saw Ed with one hand grasping a hand full of hair, pumping his massive cock in and out of the face of a cute young girl that was kneeling in front of him. Ed was really getting off on watching his wife suck off this dog, especially while he was feeding his mature erection into the mouth of such a young nymphet. Laura could see Ed's eyes roll back into his head as he pulled his cock out of the pretty girl's mouth and began to shoot his load into the wide eyed, eager face of this innocent looking thing.

After a few minutes of everyone watching Suzie sucked on the dogs dick, Mother Dominion said, while grasping Laura's hair tightly and guiding her skillful tongue to just the right spot, "It's time for you to show us what you can do my dear. .. Suzie, save some for Laura. Get up from there and have him mount our little slut... and remember, she likes it up the ass." Suzie let the dog's cock flop out of her mouth and proudly raised up smiling, licking her fingers, and wiping the dog's juices from her chin. Suzie then raised to her feet and led the dog behind Laura's perky, awaiting ass.

At that point, Laura knew what her ultimate act for the night was going to be - she was going to have to fuck a dog. Not just any dog, but a very large dog at that. Never in her wildest dreams had she ever imagined doing such a perverted thing - especially not in front of a room full of people. But at this point, Laura was ready for anything. She could not remember the last time she had been so turned on. It seemed as if the perversion of the act was the driving force of her lust.

Without as much as a single request, Laura eagerly spread her knee wide apart and arched her back - offering up her hot bare ass to her soon to be intimate four legged friend.

With a quick sniff, the dog began to lick at Laura's sopping cunt, making her squirm and push her ass back into his snout.

It didn't take long until the dog stopped his lapping, raised up, and jumped on her back.

Feeling this powerful furry animal rapping his paws around her torso, Laura reached under her and grabbed the dog's cock to insure its path directly into her hot puckered asshole. That's what she knew Mother wanted, and frankly so did she.

With his sudden thrust, the big slimy dog dick slid right up Laura's awaiting asshole. With her face buried in Mother Dominion's dripping pussy, Laura gave out a long guttural moaned of pleasure.

Again, moans and sighs filled the room. Everyone gathered closer around to watch Laura get fucked up the ass by this huge dog.

A daze of lust overcame her firm young body as the humping, slobbering beast violated her young tight butthole. Laura was loving it. She couldn't believe how wild it felt to be fucked up the ass by this huge dog in front of this room full of naked people.

As the animal pounded harder and harder in her ass, she could feel his knot grow larger.

She knew she wasn't far from exploding into one of the biggest orgasms she'd ever had. And judging by the size of his knot, she knew her hot hairy buttfucker was about to fill her quivering asshole with his cream too. Laura sucked and licked harder and faster on Mother's big wet pussy, as she felt her too begin to cum.

"That's right baby, make Mother cum. Suck Mother's clit good and hard while your little doggy friend fucks your ass. Ohhh Yeah! You are a little slut aren't you...," Mother Dominion moaned as she began to cum. "Ohhh yeah, suck my clit you little slut," she said as she came over and over again in Laura's face.

After licking Mother pussy clean, Laura began to hump back against the animal's driving shaft, forcing in every inch of her pleasure she could. In Laura's state of driving lust and perversion, Laura began to really get into giving this show for her audience. Rocking her hips back against each thrust, with strands of hair matted across her sweaty face, she began to look around the room and make eye contact with each of her naked voyeurs.

"Oh yeah, fuck my ass you filthy beast. You know, I love it up my ass," she spewed out as she watched her gawking audience. "I'll take anybody or anything up my ass... as long as I get it good and hard," Laura growled in her rage of lust. "Yeah, FUCK my ass!" Looking over at the innocent looking young girl on the floor in front of Ed, Laura smiled and said, "Do ya like what ya see, little girl? Is it making your little pussy wet? You gotta try this sometime, sweetheart. There's nothing like getting fucked in the ass by a wild beast."

Whipping her head around in the direction of Katie, her long sweaty hair slapping across her face, Laura pumped her ass back against the dog's drive cock a couple more times and grunted out to Katie, "Do I look nasty enough for you Mistress? Do you like seeing me with that big dog cock pounding in my ass? It fills so good being this nasty in front of you and all these people. I think I need a big hard cock in my mouth now... don't I Mistress?"

Katie stepped in closer beside Laura and knelt down with her knees spread apart. She took two of her fingers and stuck them up her own wet cunt, pulled them out, and pressed them against Laura's lips. Laura instantly opened up her mouth and excepted Katie's offering. While finger fucking Laura's mouth, Katie began rubbing her own clit with her other hand and said, "Yes my little slut, I do think you need a big hard cock pumping in and out of that sweet little mouth of yours. ...and I think you know where the hardest pumping cock in this room is right now... don't you, my little dog fucker?"

Letting Katie's fingers slip from her mouth, she answered, "You mean the one in my ass right now, ...don't you Mistress?"

"Yes, that's the one. And it's starting to look like your buttfucking lover is ready to blow his load. You don't want to loose a good load of cum, do you?"

"No Mistress, a good slut definitely doesn't want to waste a good load of cum in her asshole when she can take it in her mouth," Laura responded. She then began to struggle out from under her intensely humping lover. Crawling to his side, she dropped her head under his belly. Without hesitation, Laura flopped her lover's wet cock into her mouth and began to suck. A groan of perverted lust echoed in the room as everyone realized they were getting a wilder show than they had ever expected.

"Ummm, Ummm, Ummm," Laura moaned as the humping dog violently pumped his cock into her throat.

As the stirring crowd became even more excited at Laura's performance, they slowly began to chant, "Suck-it slut! Suck-it slut! Suck that cock that fucked your butt!" As her audience cheered her on, Laura thought to herself that she wasn't just going to let this hound fuck her face, she was going to give this dog the hottest damn blow job this crowd had ever seen. Laura reached up between the dogs legs and grabbed his balls. With a firm grip on his balls Laura force every inch of his cock into her mouth. Twisting and turning her head on his cock, she drove it in and out of her hot little mouth. Even over their chants, the crowd could hear her slurping sounds. "Suck-it slut! Suck-it slut! Suck that cock that fucked your butt!" the crowd continued louder.

Soon Laura knew the dog was about to blow his wad. She could feel his knot getting as hard as a rock and his pumping pace increase. She continued to aggressively suck the dog's cock and she began hear him whimper. Suddenly, it happened. She felt him explode his load into her mouth. The warm bitter dog cum gushed into her mouth and she tried desperately to swallow all she could. Load after load flooded her throat. Too much for her small mouth to contain, it began to run down her cheek and onto the floor.

She continued to gulp down the dog's cum as its pumping pace began to slow. As she swallowed down his last squirt, she allowed the softening red cock to slide out of her mouth. Ducking out from under the dog's belly, Laura raised to her feet. The crowd began to clap and cheer. Laura smile and looked around the room, licking her slimy lips with her tongue. Then she strutted over in front of Mother Dominion.

"Now, how was that for a good slut show. It will be a long time before that dog forgets my blow job," Laura said, as she opened up her stance and began stroking her pussy. "Have I proven myself worthy, are is there more fun in store for me?"

Mother Dominion smiled and said, "Yes my dear, I think you have proven yourself quite worthy. And, now that you have made your way into our little sisterhood, you are now the Queen Mistress for the rest of the evening. You can have any man or women in this room to with as you please. Just speak your request and they must obey any command you give them."

Laura smiled an evil smile and began to look around the room as she thought. Her gaze suddenly stopped and she knew exactly what she wanted. "Katie! " she said pointing at her and addressing her by her first name. "I want you on the floor. I want to watch you eat your little sister's pussy while Ed fucks you up the ass. And, I want that little girl at Ed's feet to eat my pussy while I watch. Mother Dominion smiled at Laura with approval and raised up to offer her chair to her. Laura walked over

and settled into the chair, sliding her hand between her legs. Suzie quickly moved into the area in front of Laura and laid down on her back, opening wide her shapely legs. "Come on sis, get down here and eat my pussy, you know you like it. Just like old times, huh?"

Katie stepped up through the crowd leading Ed by the hand. She stepped between Suzie's open legs and looked down at her for a second smiling. "Yes you're right little sis, I do love to eat your cunt," she said, then dropped to her knees and leaned over Suzie's eager snatch. "Come on Ed, stick that big cock of yours up my ass and let's get to some serious buttfuckin!" Katie said, looking back up at Ed while wiggling her beautiful round ass in the air.

Ed just stood behind Katie, looking down at her tight little ass pucker, stroking his hardening cock.

Katie spit onto her fingers and began to rub the spit onto her asshole. As she rubbed, she pressed in with one finger until it slipped deep inside. Pulling it almost out, she plunged it back in and began to stroke it in and out. Katie looked back at Ed as she fingered her asshole saying, "Slide that big cock up my ass Daddy while you watch me suck sissy's cunt." At that incestual suggestion, Ed instantly pointed his hard cock down at Katie's ass and lowered it into position. As Katie drew her finger out, Ed's cock pushed its way in.

Katie's pretty eyes rolled back in her head as Ed's cock slowly slid in its full length to the hilt. Katie softly moaned with delight at his intrusion. Ed then drew his cock almost completely out before he drove it back in a little harder. Ed didn't give Katie much time to adjust to his huge tool in her butt, but Katie actually seemed to enjoy his hard quickening pace.

"Ohhh, fuck it Ed," she moaned as she turned her head back to her sister's wet pussy. She leaned down, taking her sister's clit into her mouth, and began to suck.

As the three of them began to whined up, Laura looked around and said, "Where is my little cunt sucker." The young girl stepped out from behind the crowd and walked up in front of Laura. Laura opened her legs and drew her hand across her open crotch. While looking the naked young girl up and down, it dawned on Laura that this sweet young thing must have been through this same initiation, just like her. This thought really excited Laura as she wondered what type of pervert acts she may have performed.

Without Laura having to say another word, the young girl knelt down in front of her and pulled her long blonde hair to one side. "Have you ever eaten another girl's pussy before?" Laura question with curiosity. "Oh, hell yeah. I've eaten most of the women in this room, at one time or another. I just love the taste of sex and body juices."

"Body juices? You mean cum, don't you?"

"I mean cum or anything else someone may spray in my mouth as I suck on their pussy or cock."

It only took Laura a second to realize what the young girl was talking about. "You mean piss?"

"Of course piss. The taste of warm piss while I'm eating pussy really turns me on," the young girl look at Laura's surprised expression. "Come on, I bet you'll get into pissing in my mouth. Most women here do. That's how Mother likes to use me the most. Sometime I even go over her house in the middle of the day and let her tie me up and, well, needless to say, we have some really wild wet times. So come on, piss in my mouth when you start to cum. I really get off on it." Laura couldn't believe what this sweet, innocent looking, young girl was telling her. Laura thought to herself that this pretty little thing couldn't be more than 13 or 14 years old and she's already into sucking cocks, eating pussy, and being pissed on. She knew all this kinky piss talk was new to her, but she sure

liked how eager this young girl was to have her piss in her mouth. It was starting to turn Laura on. She felt her pussy getting excited once more, and she knew she was ready for her time with this girl.

Reaching out, Laura grabbed the little girl's head and pulled her face into her pussy. The young girl went right to lapping Laura's cunt. Laura could quickly tell this girl had done this before. She was very good. "Ohhh, yeah. Ohhh, eat it baby! Oooh, that feels good. Suck on my cunt you little bitch! Suck me good!" Laura growled as the young girl's tongue danced around her clit and pussy lips. There was no need to guide this skillful thing's head; she knew exactly what she was doing. But, Laura couldn't help grabbing the girl's head and forcing her face into her cunt. "Ohhh, yeah! Eat it, you little cunt sucker! Ohhh yeah, lick my pussy!" Laura said as she continued to grind her pussy up to the young girl's mouth. Laura was in ecstasy. She could feel her pussy dripping with excitement. She could see her juices beginning to glisten across the little girl's mouth and cheeks as she ground her cunt into her face.

As the young girl lapped at Laura's cunt, she continually glanced up into her eyes. She was obviously skilled in her art and watched Laura's expression to gauge her affect.

Laura found herself consumed by the little girl's eager gaze. Her big blue eyes peered up at her as she sucked on her pussy. Laura thought how she looked so young and innocent, but she knew this little girl was far from innocent.

>From just watching the little girl, Laura was boiling with excitement. She could feel her climax coming. She knew she would not be able to hold back much longer. Her pussy was getting hotter and hotter. Sensing Laura's excitement, the young girl began to lick and suck faster. Laura knew she was about to cum and she knew she was going to piss.

As the lustful waves began to overcome her body, Laura grabbed the little girl's hair firmly and continued to watch her pretty face. Then suddenly her orgasm began to sweep over her. She began to shake and jerk, and then she allowed herself to release her bladder. As she shuddered in orgasm, her golden piss gushed out of her cunt into the young girl's awaiting mouth. A smile of accomplishment grew across the girl's face as Laura's warm piss overflowed her lips. The young girl tried to swallow it all, but there was too much for her to take. It spilled out of her mouth, down her neck, and off her small hardened nipples.

Laura's whole body shook with the combination of that orgasm and the release of her piss. The sight of this eager young girl catching her stream of piss with her mouth heightened her excitement and enjoyment. Slowly Laura's pissing stopped and the young girl swallowed her last gulp. Once she did, she gently began to lick and kiss the last few drops of piss off Laura's cunt hair. After only a few moments of this she then looked up at Laura and smiled saying, "Thank you. I enjoyed that very much. It's been almost two weeks since I've had anyone do me like that. I was hoping all week I'd get the chance tonight, and I did. So, anytime you get into a kinky mood like this again, please give me a call. Ask anyone for my number, they've all got it. Oh, and don't worry if my mom answers the phone, she's cool.

Actually, she was the my first experience with pissing and eating pussy. You see, my mom and dad are big into sex and watersports and I'm their lucky little toy."

The young girl raised up and gave Laura a deep passionate kiss saying, "Not bad, huh?" Laura could taste a mixture of pussy juices and piss on the girl's mouth. She smiled approvingly at the girl and watched her as she walked back into the crowd.

Laura looked back in front of her at Katie getting viscosly buttfucked and thought to herself, "Now

that was a good start to my evening.'

The End
