## BEASTIALITY STORIES

The goddess of agriculture Demeter was in deep thought. She had to escape Poseidon's wrath, but how? She was never any good at these things. She was a goddess, not a warrior. But she knew she had to be smart. She looked around and saw a herd of horses. She smiled. She could hide there, disguise herself as one of them. It was a perfect plan.

Demeter transformed herself into a mare. She was magnificent. Her coat shone in the sun, and her muscles rippled as she moved. She joined the herd and started grazing. No one suspected a thing.

Days passed, and Demeter started to enjoy her time as a mare. She loved the freedom, the fresh air, and the endless grasslands. But most of all, she loved the company of the other horses. They were so kind and gentle.

One day, while grazing, Demeter noticed a black horse. He was different from the others. He was bigger, stronger, and more majestic. She felt drawn to him, and she couldn't explain why. She tried to ignore him, but she couldn't. She found herself staring at him, watching his every move.

The black horse noticed Demeter's gaze and approached her. He sniffed her, and she sniffed him back. They stood there for a moment, looking into each other's eyes. Demeter felt a connection, a spark. She didn't know what it was, but she knew she wanted more.

The black horse nudged Demeter's neck, and she followed him. They walked together, side by side, until they reached a secluded spot. The black horse stopped and turned to Demeter. She knew what he wanted, and she wanted it too.

Demeter transformed back into her human-goddess form. She was naked with her bright white skin, her golden long hair, she didn't care. She wanted the black horse to see her naked, her pussy, her ass, her breasts, all. She approached the horse, feeling her pussy get wetter by the second and your pink nipples get hard.

"I bet you're stronger than Poseidon." She said, smiling. The horse turned his head and looked at her with his soft eyes. Demeter ran her hand down his neck, feeling his soft fur. The horse closed his eyes, enjoying the touch. She continued to stroke his neck, moving her hands down his chest, feeling his powerful muscles. The horse's cock twitched, and she noticed that it was getting hard. She bit her lips.

"Looks like someone's excited in seeing a goddess." She said, smirking. She bent down and wrapped her hand around the horse's cock. She started to stroke him gently, feeling his cock getting harder in her hand. The horse let out a soft whinny, and she knew he was enjoying it. She started to stroke him faster, feeling his balls tighten in her hand. The horse's breathing got heavier, and she could tell he was close. She moved her other hand to his balls and started to massage them gently. The horse's cock twitched in her hand, and she knew he was about to cum.

"Cum for me, beast, I want to taste your seed." She said with an excited voice. The horse let out a loud whinny and cummed in her hand. She felt his warm cum on her hand and she swallowed all the cum from her hands. The horse's breathing started to slow down, and he looked at her with a satisfied look.

"That was amazing, your hot cum is delicious." She said, licking her lips. She stood up and started to walk away. The horse followed her, and she knew he wanted more. She stopped and turned around, looking at the horse.

"Want more?." She asked, smirking. The goddess of agriculture felt her pussy drip. She was standing there, naked in front of the horse and the horse looked at her with desire, and she knew he wanted her. She bent down and started to stroke his cock again, feeling it get hard in her hand. She started to stroke him faster, feeling his balls tighten in her hand again.

"This time I'll give you more." Said the goddess. The horse whinnied and Demeter took it as a sign. She leaned forward, her lips parted. She took the tip of his cock into her mouth, feeling it twitch against her tongue. She closed her eyes, savoring the taste of traces of cum.

On all fours the goddess of agriculture sucked him gently, feeling his cock grow harder in her mouth. She took him deeper, feeling him hit the back of her throat. She moaned, feeling a warmth spread between her legs, the liquid leaking from her pussy was dripping down her thighs. She had never felt this way before, so alive and excited.

The horse whinnied again, and Demeter took it as a sign. She sucked him harder, feeling him twitch against her tongue. She felt him tense up, and she knew he was close. She sucked him harder, feeling him pulse in her mouth.

Demeter could feel the horse's body quivering with pleasure. She redoubled her efforts, sucking and stroking him faster and harder. Suddenly, the horse let out a loud whinny, and she felt him cum, filling her mouth with his hot, salty seed. She swallowed greedily, savoring the taste of him.

As the horse's body relaxed, Demeter slowly pulled back, wiping her mouth with the back of her hand. She felt a strange sense of satisfaction and fulfillment. She knew that she would never forget this moment, and she felt a deep connection to the horse.

The next day Demeter returned to visit the horse, she was obsessed with the horse, she dropped her white chiton and approached the horse.

"I want you again, I want to feel your strength, said the horny goddess." The Goddess knelt in front of the black stallion, her full lips wrapped around the horse's cock. She was completely naked, and the sun's rays illuminated her perfect body. Her beautiful breasts with nipples as hard as diamonds dangled while she bobbed her head up and down the horse's shaft. Her long, golden hair was splayed out behind her, and her large blue eyes stared up at the giant cock as she sucked him. She could feel the horse's cock throbbing in her mouth, and she could taste the precum that was slowly oozing out of the tip.

Demeter had always had a fascination with horses, before his first sexual experience with the black horse. Their strong bodies, their raw power, and their ability to please a woman or a goddess had always intrigued her. She had seen many a woman mount a horse and ride it until she came. She wanted to feel a horse's cock inside her. She wanted to feel the power and strength of a horse as it fucked her, She wanted to feel his cock stretch her pussy and feel his hot cum inside her divine uterus.

Demeter felt the horse's cock twitch in her mouth, and she knew he was close. She quickened her pace, her head bobbing up and down faster and faster. She could feel her pussy getting wetter and wetter, and she knew she wanted the horse inside her. She wanted to feel him fill her up and make her scream with pleasure.

Demeter felt the horse's cock swell in her mouth, and she knew he was about to cum. She pulled her mouth off his cock and looked up at him, her blue eyes wide with anticipation. She opened her mouth wide, sticking out her tongue, and waited for the horse to cum inside her mouth.

"Now my love, cum for me again, fill my mouth again with your delicious hot cum, begged the goddess with her mouth open." The horse let out a loud neigh, and Demeter could feel his cock twitching in her hand. She felt the first spurt of cum hit her mouth and tongue, and she closed her eyes, savoring the taste. She felt the next spurt hit her cheek, and she opened her eyes, watching as the horse continued to cum. She felt the cum hit her breasts, her stomach, and her pussy. She felt the warm liquid cover her body.

But Demeter still wasn't satisfied. She wanted more. She wanted to feel the horse's cock inside her pussy. She wanted to feel the power and strength of the horse as it fucked her. She stood up, her body covered in cum, and walked over to the horse.

"Now my love, fuck me hard, stick your glorious cock in my pussy, please, begged the goddess." She turned around, bending over and spreading her legs wide. She looked over her shoulder and saw the horse's eyes fixed on her wet pussy. She could feel his hot breath on her skin as he approached her. It mounted her and she reached back and guided his hard cock into her wet pussy, letting out a loud moan as he entered her.

"Harder my love, fuck me, your cock is wonderful, fuck my pussy, fill my pussy with your delicious hot cum, begged the goddess." The horse's cock was huge, filling her up in a way that no man or god ever could. She could feel every inch of him as he pounded into her, his balls slapping against her ass as he drove deeper and deeper inside her, exploring her uterus.

Demeter's orgasm was building, her pussy clenching around the horse's cock as she felt herself getting closer and closer to the edge. She reached down and started rubbing her clitoris, moaning louder and louder as she felt herself on the brink of ecstasy.

Suddenly, she was there. Her orgasm washed over her like a wave, her whole body trembling with pleasure as the horse continued to fuck her hard and fast. She could feel herself creaming all over his cock, her juices flowing freely as she came harder than she ever had before.

"Thank you my love, said the goddess with a soft and delicate voice." Demeter looked up at the

horse, her blue eyes filled with gratitude. She had never felt so close to an animal before. She had never felt so connected. She had never felt so in love.
