BEASTIALITY STORIES

It was a beautiful summer day, and 18-year-old Kristy, a local senior at Atherton State High School, was out on her normal after-school dog-walking job. She was jogging, holding her dog leash as the Rhodesian Ridgeback ran along next to her. Kristy knew of an old bush track that led to a private swimming hole in the bush. Only she and her friends knew about it, so they decided to go and check it out and maybe go for a dip.

As she got there, she put her foot in to feel the temperature and then stood back and started to strip. Kristy was very used to skinny dipping as she never bothered to take any togs with her and only thought of going for a swim on the spur of the moment. When she has stripped, she dove in. Ted, her dog, was barking and wanted to go in, too.

"Come on, boy, come on," Kristy said to egg her dog on, then with a massive splash as he jumped in.

They swam around a lot together, then she had had enough and went to sunbathe on a rock. Ted got out, too, and laid down next to Kristy. While Ted was licking himself dry, she noticed that he lifted his rear leg and was licking his cock, as it got harder and harder. Kristy started to get horny and couldn't help herself. She reached over and grabbed it and started to massage it, rubbing it up and down, up and down. Ted just looked up at her in a weird dopy face, then stood up and shook all the water off of him.

"Oh Ted, come on. You know I'm just having a bit of fun here," she said sadly before going back to sunbaking.

The juices that were coming from her freshly shaven pussy must have attracted Ted as he started to sniff the air and went straight onto her and started licking her pussy.

"OHHHHH, TED!" Kristy moaned

She spread her legs apart as wide as they could go and let her dog lick her pussy. She so wanted to get fucked by her dog that she pushed the dog away and got up on all fours. It took a bit to get Ted to get onto her, but he finally jumped up onto her and let his hard cock dangle down and touch her wet pussy. Kristy grabbed the hard cock with her left arm and guided it into her pussy. Although she was a virgin, she did regularly finger herself and knew what to do.

"ohhh!!" she moaned as she felt the head of his cock enter her pussy.

He moved closer to Kristy and got the idea, then started to push it in deeper and deeper and DEEPER! Until his cock was fully inserted into Kristy's now very wet pussy. Ted pulled it out halfway, then slammed it into her while tightening his grip around her belly.

"Ohhh... OHHHHHHH... OHHHHHHH... TED... Ohhh yeah... Oh, harder... HARDER! Oh, oh... OHHHHHH..." she moaned and moaned with every movement that Ted made.

She could feel Ted's breath on her back get heavier as he started to speed up his movement, going in and out—in and out—in and out—IN and OUT—IN and OUT—IN AND OUT—IN AND OUT! She moved her ass against his beating cock to get the force of it. Then, with a massive climax, she came.

"OHHHHHHHHH! YEAH!"

But Ted kept on fucking her, harder and harder. And within seconds, she climaxed and came again. This went on three more times before she could feel his semen start to reach the end and then squirt

his first load right into her pussy. But Ted being horny, wouldn't stop and just kept on pumping.

"Owwwwwww, YEAH!" Kristy said as she came again, "Oh yeah, again, Ted, do me again!"

She was fucked three more times and eventually had enough and pushed Ted away, he was eager to do it again and tried to jump back onto her, but she refused. She let him lick her wet pussy, though, and then she rubbed his hard cock again, letting him come right over her leg.

"Oh Ted, your one horny dog" And with that, he tried to jump on her again, but this time she was too horny to stop him. He fucked her again and again till she was red and sore.

"Oh yeah, Ted, that's it fuck me again... AHHHHHHH, YEAHHHHHH! harder, Ted harder, oh yeah, that's good, keep it up, oh yeah, oh yeah... Ted, you're good at this."

Ted was getting faster and faster and eventually came inside of her wet pussy

After that, she had enough. She dived into the water hole and cleaned herself off, Ted jumping in after her and also cleaning up. She got out and got dressed.

"OK, boy, let's get outta here. It's starting to get dark now," and with that, they were soon walking the dark street to her home.

"Hi, Mom, we're home," she said as she opened the front door and let Ted's leash go.

"Oh, hi, sweetie. Dinner will be ready soon. Have you been for a swim?"

"Yeah, me and Ted went down to the swimming hole for a dip."

"OK, well, go have a shower before dinner."

Kristy went and had a shower and went to her room. As she entered, she saw Ted there lying on her bed,

"Hi, Ted. Go on, outta here, and if you're good tonight, I'll let you do me again." But just looking at him, she was already feeling a bit horny, so she shut the door and said, "Oh, alright, come here."

He opened his hind legs a bit, so she had a clear view of his cock, it was hardening, and now he had a full erection. She sat down next to him and dropped her towel. She grabbed Ted's cock and lowered her face to it.

"Mmmm, yeah," she said as she opened her mouth and placed it over his erect cock.

Kristy held on to it with one hand and slowly massaged it with her mouth. She could tell that the dog was enjoying it because he rolled over onto his back so she could do it better.

"Mmmm... Oh fuck. Yeah!" she said as she moved it in and out of her mouth. "Mmmmm... Mmmm, yeah, oh Ted, this is a nice-tasting cock."

Then, with that, she could feel him starting to cum. Not wanting her sheets to get too dirty, she cautiously climbed onto his body and placed her pussy down on top of his cock. She moved it up and down, up and down, until he cum.

"OH, TED! YEAH, THAT'S GOOD!" She was about to climax also

"Oh yeah, here I come. Oh, Ted, yeah, I'm gonna cum... AHHHHHH!" and with that, she laid down on top of him, his cock still in her but now slowly softening.

She must have fallen asleep like that because when she opened her eyes, it was morning. Ted had gotten up and was at the door, scratching and whining to get out.

"Oh no, I fell asleep. Oh, Ted, I'm so sorry here."

She opened the door and realized that she was still naked. Her 19-year-old brother Phillip was there staring open-mouthed at her.

"Kristy, what were you doing to Ted?" he asked.

"Nothing, I was getting changed and let him out," she lied.

"I'll tell Mom."

"Oh no, Phillip, no way. Come in here a minute."

Phillip may be a year older than her but has the maturity level of a 10-year-old. He still went crying to Mommy every time something went wrong. But there was one thing that he couldn't deny, ever since he hit puberty and started to get interested in girls, he had always wanted to get with Kristy. She knew this and always turned him down, mainly because she didn't want to break her virginity with her brother. Still, now that she was a virgin no more, thanks to Ted, she kindly considered it. She dragged Phillip inside her room,

"Please don't tell Mom."

"Give me one good reason why I shouldn't go tell Mom that you have been screwing the dog?" Phillip said with a smirk.

"I'll do anything. ANYTHING!" I said.

"Anything, huh?"

He inched closer to her and lowered his right hand to her pussy. Kristy took a deep breath, squeezed it tightly, and inserted his middle finger up her vagina.

"Ahhhhhh," Kristy sighed with pleasure. Shut the door, or Mom will see us."

He turned around and shut the door, and when he turned back, Kristy seductively was on the bed.

"So, come on, I'm all yours. This is what you have always wanted, isn't it, Phillip? Well, here I am. Come and get me."

Phillip's cock was getting hard now and swelling in his pants, his bulge now really noticeable. He undid his jeans pants and pulled his cock out, and slowly went over to his sister, who was waiting for him on her bed.

"Oh, Kristy, I've wanted you for so long."

"Well, come and get me then."

First, he kissed her hard on the mouth, putting his tongue into her mouth and massaging it on the

inside of her mouth. He moved his hands onto her boobs and was groping her. He stopped kissing her and moved down to her boobs, now sucking on them.

"Mmmm, yeah, finger my pussy Phillip... Mmmm, yeah, that's it. Oh, this feels so good..." I moaned.

He lowered his hand onto her pussy and slowly inserted his middle finger into her pussy, moving it slowly in and out in and out in and out. His cock was now standing on end. He grabbed it with his spare hand and started to massage it. Kristy saw this and grabbed it, and started to massage it for him so he could concentrate on her pussy.

"Oh, Krisy!"

"Oh yeah, that's good, Phillip. Oh, I'm going to cum. Oh yeah, lick my juices up. God, yes..."

She came just as Phillip touched her pussy with his lips and started to kiss her, but he continued to suck and lick her pussy until she came again shortly afterward.

"OH, PHILLIP... YEAH... AHhhh... THAT'S GOOD..."

"Oh, Krisy, you taste so good."

"Stop... I wanna suck your cock now."

They stopped and swapped positions. Kristy took her brother's cock in her hand and placed the head into her mouth. It was so hard and stiff and standing on end. She kissed it and placed it fully into her mouth, deep-throating it. She had never done this before, but it felt good, really good. With her spare hand, she was squeezing and playing with Phillip's chest. Phillip wasn't the most muscular guy ever, but he did have a few on his chest, but no six-pack.

"Oh, yeah, Kristy, that's good... Oh, yeah... Ooh... Ahhhhh!"

"Mmmm, yeah, this tastes good, Phillip."

"Oh, Kristy... Kristy, I'm gonna cum... Oh yeah... Oh yeah... I'm gonna cum... AHhhhhhhhhhhhhhhhh! I'M CUMMING...."

He came into her mouth, shooting warm, white cum right into the back of her throat. She took it all and swallowed every last bit of it. She wanted to get fucked by him and didn't want to waste it just on her face, so...

"Phillip, fuck me... fuck my pussy real hard."

"Oh, Kristy."

They got up and moved to a better position to fuck each other. Kristy laid there open-legged and ready for her brother to fuck her, so he went onto her and placed his cock at the opening of her pussy, and slowly inserted it.

"Oh, Phillip fuck me hard, harder..."

She was so horny he slammed it into her ignoring her scream of pain, and fucked her hard.

"OHhhhhhhh, yeah, that's it, Phillip. Hard... HARDER... I wanna feel it in me hit me deep inside."

“Oh, yeah, Kristy, oh yeah...”

His cock wasn't thick, but what it lacked in girth, it gained in length. It was 9 inches erect and slammed into Kristy, hitting her cervix with ease.

“Oh, yeah, that's good. OH YEAH...” Kristy moaned,

He fucked hard and harder and got even harder. The sound of squelching came as the juices leaked out of Kristy's pussy, making it even easier to fuck her hard.

“Oh, yeah, I'm gonna cum,” she squealed. “Oh yeah, that's it, Phillip. Oh, I'm gonna cum... Oh... Ahhhhh... AHHHHHHH... Yeah, oh yeah, that's good... AHHHHHHH!”

She came with a massive climax and shuddered all over. Phillip also came.

“Ooohhhhhh, Kristy, yeah, that was good,” Phillip moaned.

Catching their breath, they both fell asleep, with Phillip's cock still in her and her legs still wide apart.

She never thought that her relationship would come to this. Still, it was better to get fucked by her brother than to let him tell the world that she fucked their dog Ted. so she kept it up, fucked him regularly just to keep him quiet. However, she still did fuck her dog, but only when she was out walking him. She would never do it in the house anymore cause she got caught last time.
