CHAPTER ONE

The beautiful young 18yo sprawled wantonly on her bed, her entire body completely naked. She ran two fingers in and out of her dripping pussy, moaning with pleasure. Her lust-glazed eyes were fixed on the handsome German Shepherd who was sitting at the foot of his mistress' bed, his own eyes riveted on her wet cunt.

"Oooh, you're really turning on now, aren't you, boy?" Babs Nichols groaned, laughing with delight at the sight of the huge hard-on visibly throbbing beneath the dog's furry belly.

Babs ran her stiffened fingers in and out of her aching cunt-hole. She felt hornier than ever before, and the sight of her dog's throbbing cock only served to inflame her bestial desires.

"Mmmm," Babs moaned as she ran her free hand up over her trim tummy. She fondled her budding tits, pinching her hard nips.

Her other hand vibrated against her naked cunt as she continued to plunge her wet fingers in and out of her fuck-hole all the way up to her cherry. At the same time, she used her thumb to rub her clit.

"Ohhh, Jake," Babs groaned. The dog still sat there watching her with his tongue lolling out of one side of his saliva-drooling mouth. "I'm tired of being a virgin! And I love you so much that I want you to be the one to pop my cherry for me!"

Jake barked excitedly. His prick began to slide out of its furry sheath, and the aroused animal humped it against the bed.

The young girl had several boyfriends, and any one of them would have more than welcomed the chance to give Babs her very first fuck. But her big German Shepherd had been licking the teenager's little pussy for months now, and he always managed to make her come much harder than any of her boyfriends could with their own tongues. Babs figured that if her pet could eat her pussy out much better than any of the boys she knew, he would also be able to give her a much more exciting fuck than her boyfriends could.

"Ohhh, this feels so good," Babs moaned. She felt her virginal pussy sucking and tugging at her fingers. She arched her back as she began to come.

"Ohhh, Jake, I'm commmiiiiinnnggg!" she shrieked, more turned on than ever at the realization that her pet was just as aroused as she was.

As her orgasm swept through her, Babs' pussy released cunt-juice. The hot girl-cum rained down her quivering thighs.

Jake was whining with excitement as he watched his mistress coming. The sounds he was making thrilled the young virgin, and her cunt-muscles clenched hard about her still-fucking fingers.

As her orgasm subsided, Babs stared down between her tits and saw that her pet's eyes were glazed.

"Ohhhh, Jake, you look so sexy!" Babs gasped as the animal quickly moved between her splayed thighs. Babs felt the dog's warm breath on her cunt-mound. Her body trembled with excitement and she tensed.

Sure enough, Jake lowered his head and swirled his long tongue over his mistress' juicy pussy-lips.

"Yes!" Babs gasped.

The big German Shepherd squatted between the teenager's widely spread legs. His own strong legs pressed against the insides of her naked thighs, forcing them even farther apart as he licked her cunt again.

"Ohhh, Jake, you're really turning me on! God, that feels good!"

Jake ran his tongue up and down his mistress swollen pussy-lips, lapping up the girl-cum that oozed out from between them. The dog whined with pleasure, and Babs chuckled, knowing from experience how much her pet loved the taste of her cunt-juice.

Each pussy-lick of her dog's tongue aroused the teenager more, and she writhed with excitement beneath his drooling mouth. As always, Babs adored the feel of his rough tongue scraping against her sensitive pussy-lips.

Jake whimpered with doggy lust as he began to lick her pussy harder and faster. Babs' cunt ached with pleasure and desire as the animal's tongue swiped up and down the length of her wet cunt-slit.

"Keep licking meeeeeee, Jake!" she wailed wantonly. "It feels sooooo good! You're making me come again! I can feel it!"

The young virgin began to hump her wet crotch up against the animal's licking tongue. Jake whined

with excitement and shoved his muzzle up inside his mistress' pussy.

"Wow! That feels great! Good doggy!" Babs cried, her voice slurred with bestial lust.

The sudden penetration of her pussy by her pet's muzzle made her quiver. She felt as if her dog were fucking her with his face, and she groaned excitedly at the obscene idea.

Jake's cock grew harder and thicker as he continued to lick the girl's cunt. He made little growling sounds as he thirstily licked all her pussy-juice.

"Ungh, God, yessss, Jake, yessss!" Babs shouted, sensing that a mighty orgasm was only seconds away.

Jake continued to eat his mistress' horny cunt, just as he had done so many times before during the last few months. His nose bumped lewdly against her clit as he shoved his muzzle between her cunt-lips, licking the raw cunt-meat there.

"Oooh!" Babs cried, little tremors of animalistic pleasure washing through her loins.

The aroused teenager reached down with both hands and gripped the sides of the dog's head, pushing him deeper inside her cunt. At the same time, she thrust her steaming crotch up against him. Each stroke of his nose over her clit and each lick of his long, rough tongue brought Babs that much closer to orgasm.

"Ahhh, it feels soooo good, soooo fucking good, Jake!" Babs groaned.

She thought again about how much she loved her pet and how much sexual pleasure he always managed to give her with his hungry mouth, more sexual pleasure than any of her boyfriends was able to make her experience. Babs would let Jake pop her cherry with his fat dog-cock. She had a strong hunch that she would never regret that decision, and that the big dog would be able to make her first fuck a memorable one.

Jake whined and wiggled his wet nose deeper into his mistress' pussy.

"Oh, Jake!" Babs groaned, feeling him touching her cherry, nudging it gently with his nose.

Then she felt his rough tongue playing over the surface of her tightly stretched hymen.

"Yesss!" she gasped. Her head fell back, her long, golden hair sweeping over her shoulders and back.

Jake lapped his tongue over the girl's clit. She released her hold on his head, since the animal was pushing his face as deeply into her cunt as possible. Babs stretched her arms out to her sides while she eagerly submitted to her pussy-eating pet.

"You're the best, Jake, the very best!" Babs cried. She raised her knees and spread her thighs wider, opening up her pussy even more to the growling dog.

It was clear that the dog was growing wilder and more aroused with each lick of his mistress' quivering pussy.

Babs moved her hips up and down, humping her crotch up eagerly as she offered her pussy to her pet's hungry mouth. She felt the bedspread against her naked ass-cheeks and groaned with excitement.

"Hurry, Jake! Lick me faster! Make me come!" she cried sluttishly, thrusting her cunt up against his face harder with each upward lunge.

The dog whined. His nose and tongue and mouth were stroking every single inch of his mistress' aroused cunt.

"Make me come, Jake! I have to come now or I'll go mad!" Babs screamed hysterically, her face flushing.

Suddenly, Jake's sharp fangs scraped against the girl's clit.

"Yessss! That did it! Commiiiiinnnggg!" Babs screeched at the top of her lungs.

Her ass bounced frantically against the mattress as she came. Her eyes rolled back in her head and her fingers clutched the bedspread so tightly that her knuckles turned absolutely white.

"Ohhhh, you're making me come really haaaaard, Jake!" she cried deliriously.

Her pussy spasmed in orgasm, her virgin fuck-hole convulsing about the animal's tongue. She continued to hump her crotch up against the dog's juice-filled mouth as he kept licking her pussy.

"Coming! Coming! Coming!" she shrieked, moving her hands away from the bedclothes and digging her fingers into her dog's thick coat of fur. "Ohhh, keep licking me while I come, Jake!"

Intense orgasmic spasms continued to convulse Babs' cunt as her dog's tongue licked her clit feverishly. She bucked upward, screaming with joy.

"Awwww, Jake," she wailed in disappointment as the dog suddenly took his tongue away from her pussy.

But then the animal began to rub the fuzzy sheath of his lust-hardened cock against her naked thigh.

"Oh, yes!" Babs cried excitedly, staring down at the big throbbing dog-cock.

The young virgin licked her lips with anticipation as she stared at the German Shepherd's prick. She felt her pussy quivering with renewed lust, and she realized that the time had come — the time for her to let Jake pop her cherry.

"I want you to fuck me now, Jake! You get to pop my tight little cherry! Isn't that great?" Babs squealed.

She scrambled into the classic dog-fucking position, crouching on the bed on all fours. She wriggled her ass teasingly before her dog's face, knowing that she was inflaming his bestial lust.

"Come on, Jake, be a good boy and gimme what I need! Fuck me hard, Jake! Break my cherry for me with your hard fat cock!" Jake whimpered, his prick throbbing demandingly. His eyes were lewdly fixed on his mistress' cunt, which was juicily exposed beneath her upturned ass. He moved forward eagerly now and sniffed at the girl's wet pussy.

"Oooh, Jake, you naughty doggy!" Babs gasped with a little laugh. "I can feel your breath on my cunt-meat! You're really making me feel horny! Hurry, Jake! Shove your fat dog-cock into my pussy and fuck the shit out of me!"

Her pet sprang up and planted his paws over her shoulders. He drove the full length of his red cock

up into her virginal cunt.

“Yeeooooowwww! Yesssss! You’re popping my cherrrrrryyyy!” she screamed, feeling the dog’s prick bursting right through her hymen. “Ohhh, it hurts like hell! And I love it!”

Jake barked and pulled his prick out of her only to shove it back in, even deeper this time.

“Yeah! I don’t care if it hurts! Fuck meeeee!” Babs shrilled, trembling all over.

Again, Jake hauled his juice-coated prick out of his mistress’ tight cunt and plunged it back into her. This time, he thrust it so deeply within her that the bloated tip of his cock struck the back wall of her cock-starved pussy.

“Ohhhhh God, that’s it! That’s fantastic! Keep fucking me just like that, Jake! Haaard!” Babs screeched, feeling more and more pussy-juice pouring out of her pussy, drenching the dog-cock that was fucking her so deeply now.

Jake whimpered as he began to fuck the girl in earnest. He fucked her hard and deep with each plunge while Babs’ cunt-muscles squeezed at his meaty dog-cock, as if reluctant to let it slide out of her juice-soaked pussy.

Jake’s prick rushed in and out of Babs’ cunt, filling her with more thrilling pleasure than she had ever experienced before. A deep, animalistic ecstasy filled her loins and she groaned with the sheer thrill of it as the dog-prick continued to fuck her.

“Ohhh, you’re fucking me really good, Jake! I just knew that you were the man, uh, I mean, the dog for the job! Keep it up, boy! Keep fucking me until I come!” Babs cried, loving the feel of the animal’s hard, slick cock-shaft spearing in and out of her virgin fuck-hole.

She instinctively began to thrust her ass back to impale her cunt on the full length of the dog’s cock.

“God, this is good! Much better than I’d even dreamed!” Babs gasped, lifting her little ass up higher to give the horny German Shepherd even more access to her tight, wet cunt.

Jake panted harshly and whimpered loudly as he fucked his mistress. Wild bestial sounds filled the girl’s bedroom, arousing the teenager still more. She felt her cunt pouring out more and more cunt-juice, lubricating her pussy for the lust-bloated prick the animal was ramming in and out of her.

Her pet’s hard, thick cock picked up speed, rapidly fucking in and out of her. With each inward thrust his dog-cock scraped deliciously against Babs’ bursting clit.

“Yesss!” she cried, shuddering with delight. “Ohhh, God, it feels great! Keep fucking me like that, Jake! Make me come! Gimme your cum!”

Jake barked and began to fuck his mistress still faster and deeper. Each time, his cock-head struck the back wall of her pussy. Intense sensations were building up in Babs’ loins, and she knew that she would come soon. And she also knew that her first cock-caused orgasm would probably be the biggest and best one of her young life.

“Fuck me! Fuck me! Fuck me!” she chanted.

Her eyes were unfocused, unseeing. Her mouth gaped open, her tongue hanging out. There was a red flush covering her body from head to toe.

"Ahhhhh, soooo good!" she sighed, thrusting her ass back toward the rutting animal as he continued to fuck her hard and fast.

The teenager's nipples ached with lust, and she found herself dragging them along the rough fabric of the bedspread as she skewered herself on Jake's dog-cock.

Jake began to pound his prick faster and faster inside Babs' clenching pussy. The top of his stiff prick smashed down against the girl's clit. The hard little nub was now twitching violently, about to explode in orgasm.

"Oh!" Babs suddenly gasped, as if taken by surprise. "I'm coming! Yessss, I'm commmmmmiinnggg!"

Girl-cum rushed out of the teenager's cunt as the most thrilling orgasm of her life coursed through her. Even though Babs had had many, many orgasms before, this was the very first climax a cock had given her. And the fact that it was her dog's prick which had made her come just added a special thrill to the deep pleasure she felt.

Suddenly, she felt Jake's hot cum shooting into her orgasming cunt.

"Yesss! Gimme all your cum, Jake! Fill my little pussy with your hot jizz!" Babs yelled hysterically, writhing beneath the dog's pounding prick.

The exciting feel of her pet's cum filling her pussy intensified Babs' climax.

"Oh, God, Jake, I'm coming harder now! Keep shooting your spunk into me, Jake! Shoot it all into my pussy until there isn't one drop left!"

The thick dog-cum completely saturated the girl's orgasming cunt. And then the hot cum gushed back out of her, spilling lewdly down her thighs.

Waves of animalistic ecstasy washed over the young girl as her pet continued to fuck her deeply with his spurting cock. She felt happier and more sexually fulfilled than she ever had before in her life. Not only had she finally had her tight cherry popped, but it was her dog who had given her her very first fuck.

"Ohhh, yesss, Jake, I was right! I was right to let you be the one to break my cherry for me!" she wailed.

~~~~~

## **CHAPTER TWO**

Madge stood in the doorway of Babs' bedroom, her jaw dropping in shock as she stared at the obscene sight of her little sister crouched there with the German Shepherd's prick rushing in and out of her cum-dripping pussy.

"My God, Babs!" the older girl cried, moving closer to the bed.

"Madge!" Babs cried in horror as she saw her sister standing there by the side of the bed.

"Jake! You get out of here right now!" Madge ordered in a no-nonsense tone of voice.

Jake quickly slid his drained cock out of his mistress' cunt and jumped down from the bed. His ears were low as he slunk out of the door, as if afraid of being punished.

Babs turned around and sat down on the bed, facing her sister. She took a deep breath, deciding that she would just have to face the music.

"Okay, Sis," she said, spreading her legs wide and letting Jake's dog-cum run out from her fucked-out cunt. "You've caught me in the act. I was fucking Jake. He popped my cherry for me. He was my first lover!"

But Madge just stood there, continuing to stare at her sister's cum-filled cunt.

"Okay, look," Babs said, sighing again. "You just chased Jake outta here 'cause you got all pissed off when you saw him fucking me. So now you obviously want to let me have it. Go ahead, have your say and then you can leave. 'Cause frankly, Madge, I don't feel that I've done anything wrong!"

"You're wrong, Sis," Madge said as, to her little sister's shock and delight, she began to strip. "I'm not pissed. I chased Jake out of here because I want to eat his cum out of your sweet little pussy. Seeing you two going at it that way made me hornier than hell. I've gotta taste your pussy now!"

"Oh, God, I never expected this of you, Sis!" Babs cried, her eyes gleaming with renewed desire as she eyed the older girl's naked body.

"Maybe you're not interested," Madge said teasingly, putting one knee on her sister's bed and leering down at her. "Maybe you just don't want me to lick your pussy all clean!"

"Are you kidding?" Babs asked in a groan. "I can't wait! Go for it! Lick my little pussy until all of Jake's cum is gone and make me come!"

"That's more like it," Madge laughed as she reached out and spread her sister's legs farther apart.

Then, as Babs moaned with happy anticipation of what was about to happen between her sister and herself, Madge knelt between the younger girl's legs and eagerly lowered her head.

Babs had never had a girl's tongue in her pussy before, and she longed to find out what it would feel like.

"Hurry, Madge! Fuck my pussy with your tongue!" she squealed impatiently.

Madge licked her lips as she stared right into her little sister's gaping pussy. She could see the German Shepherd's thick cum still flowing out of Babs' pussy-slit down into the crack of her ass and onto the bedspread, forming a lewd wet spot. She could also see Babs' juices mingled with the dog-cum and she licked her lips again.

"Hurry! Hurry! Hurry!" Babs cried, squirming about restlessly on the bed.

Her cunt was on fire, and she felt a mounting pressure in her lower belly. Her clit was throbbing painfully. And she clutched her tits to try to ease the ache she felt in her stiffening nipples.

Madge began to run the tip of her tongue up and down the insides of her sister's thighs, all the way from Babs' knees to her blood-engorged pussy-lips.

"Mmmmm, yeah," Babs moaned.

Madge placed the tip of her tongue at the base of her sister's cunt-slit. She pushed the pointy tip between the girl's swollen pussy-lips. Then she slowly began to push her tongue inside the girl.

Babs felt her sister's wet, stiffened tongue slowly sliding into her hot pussy.

Babs' muscles tensed as the tip of Madge's tongue moved past the mouth of her pussy, toward the very back wall of her cunt where only moments before, Jake's dog-cock had been banging away at her.

Madge moaned, continuing to push her tongue fully into her sister's cunt-hole. At the same time, she kept Babs' cunt-lips pried apart with both hands.

"Ohhh, yeah," Babs groaned, feeling the entire length of her sister's fat tongue probing against the walls of her dripping cunt. "That feels wonderful!"

Suddenly, Madge yanked her tongue out of the younger girl's tiny cunt-hole and lashed at Babs' stiff clit with her whipping tongue.

"Aieeeee!" Babs screamed as she came.

Madge continued to lick the orgasming girl's clit as she came, breathing hard with excitement. Her own pussy was drooling with cunt-juice now.

"Ohhh, I'm commmmiiiiinnngg! You made me come with your tongue, Madge!" Babs screeched, thrashing about on the bed.

Madge's own pussy twitched with sexual excitement as she felt her sister's pussy orgasming against her face. Then she fucked her tongue back into the youngster's tight cunt-hole. She slid her tongue in and out of Babs' pussy, tongue-fucking her faster and harder with each plunge of her tongue.

"Ohhhh! I'm commiiinnng again!" Babs shrilled, thrilling to the sensation of her cunt-hole being expertly fucked by her sister's wet tongue.

Madge was now fucking her tongue in and out of her sister's cunt as hard and fast as she possibly could, much to the younger girl's erotic delight.

"Yessss, Madge, yessss, I had no idea it could feel like this! So good! Keep doing it, Madge! Keep tongue-fucking my pussy! You're making me come hard!"

Long moments later, Babs stopped coming and, unable to take any more of the intense pleasure, she begged her sister to stop. But Madge was so turned on now that she just continued to fuck her harder and deeper with her horny tongue.

Babs reached down and pushed her sister's head away from her cunt. Madge stared up at her little sister, panting hard.

"God, Sis, your face looks so beautiful! It's all covered with my pussy-juice!" Babs cried excitedly.

Babs groaned when she saw her own juice making her sister's tongue wet and shiny.

Suddenly, Jake bounded into the bedroom and leaped up onto the bed between Madge's spread legs.

"Wow, look at Jake! I guess he smelled your pussy, Madge! He's sure turned on!" Babs laughed, sliding back from her sister.

She sat cross-legged on the bed, beginning to fondle her pussy while she watched Jake sniffing at Madge's cunt.

Madge squealed when the dog's wet nose nudged against her wet cunt. She spread her legs wider to make more room for Jake and give him more access to her horny cunt.

"I've... never... made it... with a dog!" Madge groaned, beginning to writhe with sexual excitement.

"Well, there's always a first time for everything," Babs said with a little giggle.

Jake ran his wet nose all the way from Madge's cunt to her asshole and back to her engorged clit. Madge helped by raising her ass up from the bed and kneeling, lowering her head to her crossed arms.

"God, this feels great!" Madge sighed happily.

"It looks great too! Really sexy!" Babs said thickly, running her stiffened middle finger in and out of her fuck-hole.

Babs clutched at her finger with her strong pussy-muscles and groaned with excitement, her eyes still fixed on her sister's cunt.

Jake whimpered and his long, red tongue shot out. He began to lick hungrily between Madge's curled-back pussy-lips.

"Yeah, Jake, that feels soooo good!" Madge squealed as she humped her ass back, grinding her crotch against the animal's tongue.

While the aroused dog continued to lick Madge's juicy cunt, she whined with pleasure, tossing her head in a frenzy of bestial lust.

"Poor Jake! He's trying to jerk his cock off against the bed!" Babs said excitedly.

Babs tore her hands away from her own pussy and scooted over to her pet. She lay on her back and reached beneath the dog's furry belly, searching for his fat cock.

"Yeah! You jerk him off while he licks my pussy! Great idea!" Madge cried approvingly.

Madge wished she could see her sister fondling the dog's prick. She could imagine how excited it must look. Jake's tongue in her pussy was giving her just about all the pleasure and excitement she could handle at the moment anyway.

Jake whimpered between Madge's cunt-lips as Babs' fingers closed around his stiff cockmeat. The younger girl fondled his loaded balls and his long, thick prick.

Madge whined as the animal began to lick her cunt harder and faster. Babs moaned with arousal as she watched her sister's cunt being licked by the dog while she squeezed his prick and balls.

"Mmm, your cock's so big and hard again, Jake!" Babs sighed as she continued to stroke the animal's prick.

"Way to go, Jake! Lick my pussy deep!" Madge cried, humping back frantically to capture more of Jake's tongue inside her horny cunt.

The big German Shepherd plunged his wet nose right into Madge's cunt and began to lick her even deeper with his long, lolling tongue.

Babs felt her pussy growing wet as she stared at her sister's tongue-stuffed cunt. The older girl's entire pink cunt-slit was gaping open for the dog. Jake hungrily licked Madge from asshole to clit and back.

Jolts of animalistic ecstasy shot through Madge's loins and a flood of hot girl-cum poured from her boiling cunt. Jake had licked her right into an orgasm, the first one a dog had ever given her. But it felt so good that Madge found herself hoping it wouldn't be the last.

Babs gripped Jake's dog-cock harder and squeezed. Jake whined with pleasure and continued to bump his nose against Madge's orgasming clit.

"Yeah, make her come hard, boy!" Babs cheered, urging the dog on.

The animal desperately licked Madge's orgasming cunt, digging his tongue into each and every crevice and fold. Her girl-cum poured out of her cunt and washed over Jake's tongue.

"Ohhhh, it feels soooo good!" Madge squealed.

"I know, I know," Babs agreed, nodding her head and grinning while she continued to squeeze the dog's jerking prick.

Jake plunged his wet, juice-smeared nose right into Madge's shuddering cunt and began to lick her even deeper with his rough tongue. Meanwhile, his cock was growing harder and fatter in Babs' grip.

"Mmmm, what a sight!" Babs sighed, feeling Jake's cock pulsing against the palm of her hand.

Madge cried out with pleasure again as the dog's tongue thrust in and out of her.

"Good boy, Jake! Keep it up! She's still coming!" Babs cried, still stroking the dog's throbbing cock.

Jake swished his tongue up through the folds of Madge's puffy cunt-lips.

"Aaaarghfff, yessss," Madge hissed between clenched teeth.

Madge gave herself up to the intense pleasure being given to her pussy by the dog's rapidly licking tongue. Jake fucked his tongue into her, licking her cunt-walls and lapping up the streaming cunt-juice.

"Wow!" Babs groaned as she felt Jake's cock lurching in her hand.

"Yessss, keep fucking me! Fuck me with your wonderful long tongue!" Madge cried, half out of her mind with bestial pleasure now.

"I love it!" Babs said with a husky laugh, her own pussy shooting out more and more juice.

Babs' eyes were riveted on her sister's pussy and to the fat dog-tongue snaking in and out of it.

"Don't you love the way Jake can make you come with his tongue, Sis?"

"Yesssss! I love it!"

Babs' face twisted with animalistic lust as she continued to stroke the dog's hard-on. She watched excitedly as the animal's tongue disappeared into her sister's wriggling cunt.

The younger girl groaned again and again. She frantically rubbed Jake's fat cock as she watched the lust-maddened dog fucking his tongue in and out of Madge's juicy cunt. Madge's eyes rolled back in her head as she continued to come. Her tongue continually darted in and out between her slack lips.

Jake withdrew his tongue from the depths of Madge's tasty cunt. He began to lick the quivering bud of her clit again.

"God! I can't stop coming!" Madge squealed.

"Some problem," Babs murmured, still fondling and squeezing her pet's prick.

Jake licked Madge's shuddering clit again and again, making the older girl shake with ecstasy.

"Can't... take... anymore... make him... stop," Madge moaned weakly a few minutes later.

Babs laughed as she pushed the dog's face away from Madge's sore pussy.

"He's got a hard-on fit to break a plate! What do you say you let him fuck you with it now?" Babs asked eagerly.

"Yesssss! I want Jake to fuck me now!"

~~~~~

CHAPTER THREE

Madge rose up onto her hands and knees, wriggling her ass in front of the German Shepherd's furry face.

"Fuck me, Jake! Fuck me now!" she panted.

"You heard her, boy!" Babs said with a little laugh as she reached out and slapped the big dog on his furry ass to urge him forward. "Fuck Madge! Fuck her good and hard just the way she needs it!"

"Yeah! That's how I need it all right... I need to feel that fat dog-cock fucking my horny little pussy hard and fast until I come!"

"Now, now, Sis, don't be selfish," Babs teased. "Jake needs to come too, you know!"

"Oh, I know!" Madge cried excitedly. "That'll be at least half the fun... feeling his thick cum gushing up into my pussy!"

Jake whined, as if he understood exactly what was being said. He whined again and the girls laughed, thinking that his whine sounded very much like a sound of agreement.

Jake barked and quickly mounted Madge, throwing his furry paws up over her quivering shoulders.

"Good boy!" Babs cried approvingly. "Fuck her! She's acting like a bitch in heat, so that's the way you gotta fuck her... hard and fast the same way you'd fuck a bitch dog!"

Babs groaned, aroused both by her sister's widely gaping cunt and the fact that she was about to experience the joy of watching her pet fuck the horny girl.

Babs fondled her pussy with one hand and her tits with her other hand, preparing to watch the

exciting fuck action between her sister and the randy German Shepherd.

"Hurry! Stick your fat cock deep inside me, Jake!" Madge screamed, wriggling her ass wantonly. Her big tits hung down lewdly, their stiffened nipples brushing deliciously against the bed.

Jake whined again as he wrapped his furry forelegs about Madge's quivering body.

"Hurry, Jake!" Madge screeched again. "Fuck me with your huge hard prick!"

Babs grinned, still stroking her pussy with one hand and her tits with the other. She felt her pussy-juice seeping out onto her hand and she moaned with excitement. Her eyes were still locked on her sister's streaming pussy and the hard dog-cock nudging against it obscenely.

"Ohhh, yesss, Jake!" Madge gasped as she felt the animal's hard cock-head probing against her horny pussy.

"Fuck her, Jake!" Babs suddenly cried, as impatient as Madge was to have the big dog's cock thrusting into the older girl's pussy...

Jake slammed the full length of his hard prick into Madge's gaping, tight cunt.

"At last!" Madge cried joyfully, feeling the dog's prick filling her pussy. "I've got your huge cock inside me at last, Jake!"

Jake whined as he felt his aching prick being tightly embraced by the teenager's hot, clasping cunt. He jerked his hips wildly, obviously trying to fuck her even deeper.

"Yes! Fuck me haaaaard!" Madge screeched.

"Wow! I love seeing this," Babs gurgled, rubbing her pussy and tits harder.

Jake clung to Madge with his forelegs as he began to fuck into her with hard, brutal thrusts. He panted and growled, his hips jerking back and forth with amazing speed. His large prick reamed out Madge's juicy little cunt.

"How does it feel, Sis?" Babs asked with a grin, her own pussy throbbing against her stroking hand.

"You know how it feels! It feels... it feels fantastic!"

"You heard her, Jake!" Babs cried excitedly. "Madge loves the way your prick feels deep inside her pussy. She loves the way you're fucking her, Jake! Keep it up! Fuck her good and hard!"

"Yes, yes, keep it up, Jake... good and hard!" Madge moaned weakly, overcome with intense sensations of lust.

While Babs continued to fondle her pussy with one hand, she slipped her other hand off of her tits. She used her free hand to stroke her sister's dangling tits. The older girl's big tits were swinging lewdly from the jarring impact of Jake's deep-fucking cock.

"Oooh!" Madge gasped. "That feels good, Sis! Do it! Touch my tits and squeeze them! You can even hurt me if you want!"

Babs grinned at her sister's wanton cry. She eagerly squeezed Madge's big tits. At the same time, she continued to play with her own dripping pussy.

"Pinch! Pinch my nips!" Madge demanded thickly.

Babs squeezed one of her sister's nipples as hard as she could — she felt the pinched nip pulsing violently against her thumb and finger.

"Owwwww!" Madge shouted, tears of pain filling her eyes.

"Oh, I'm sorry, Sis!" Babs cried, removing her pinching fingers at once. "I'll stop."

"Nooooo! Don't stop! Didn't you hear me? I said you could hurt me!"

"You don't care if I hurt your tits?" Babs asked.

"Yes, I care! I want you to hurt me! I love the way it feels! It feels good!"

"Yeah, I know," Babs said, thinking with delight how much alike she and her sister were. If there was one thing that Babs had discovered while fucking her German Shepherd, it was that sexual pain only enhanced the pleasure.

"Do it again!" Madge begged. "Pinch my nipples!"

"You got it, Sis," Babs murmured, eagerly reaching out and pinching her sister's aching nip again.

"Yeow! Yesss!"

Babs released Madge's aching nipple and went for the other one. She caught the little nip between her thumb and forefinger, and pinched it even harder than she had squeezed the first nipple.

"Aieeeee!" Madge cried, thrusting her ass back to meet Jake's cock-slams.

Babs continued to play with her sister's tits while she also played with her own pussy. She ran her free hand all over Madge's tits, stroking, fondling, squeezing, pinching. At the same time, she ran her fingers across her clit, feeling the stiff nub throbbing hard against her pleasure-filled touch.

"God! God! I love it!" Madge gasped, referring both to her sister's tit-fondling hand and Jake's fat prick.

Babs twisted her sister's nipples, one at a time, making her sister gasp with pain and pleasure.

"Yes!" Madge cried, her mouth gaping open.

Jake grunted and growled. His hips worked back and forth powerfully as he drilled his long, thick cock in and out of Madge's snug pussy.

Babs released her sister's tits a few minutes later. Still playing with her own pussy, the younger girl moved behind her pet, wanting to get a good look as he continued to fuck Madge.

Babs groaned as she saw Madge's bloated cunt-lips stretched out widely over the animal's huge prick.

The German Shepherd continued to deep-fuck the older teenager. He shoved the full length of his turgid prick in and out of her with fast, savage strokes.

"Fuck me harder, Jake! More! Deeper! God, you're making me feel soooo good! Make me come with

your big fat cock!"

Babs moaned with excitement still rubbing her clit as she watched her big sister being deep-fucked by Jake's fat dog-cock.

Madge slammed her ass back to meet each of the dog's savage cock-thrusts. Her thick cunt-juice flowed from her cock-stuffed cunt-hole, coating Jake's prick lewdly.

"Ohhh, your cunt-sauce looks so yummy!" Babs groaned, licking her lips excitedly. "Can I taste it, Sis?"

"Yes! For God's sake, yes! Touch my pussy! Taste my cunt-juice!" Madge cried.

Babs moaned as she touched her sister's pussy.

"Oh!" Madge cried when she felt her sister's hand on her well-fucked pussy.

Still playing with her own pussy with one hand, Babs stroked her sister's cunt with her other hand. She was careful to keep her fingers out of the way of Jake's thrusting cock. But she could still feel the jarring vibrations of Madge's pussy each time the beast slammed into her.

Babs now scooped up some of Madge's creamy cunt-sauce and brought her hand up to her open mouth. She darted her pink tongue out and hungrily licked the tangy cunt-juice into her mouth, cleaning her fingers thoroughly.

"Oh, it's so good!" she cried.

Madge groaned with excitement, hearing her sister's lust-thickened words. She tightened her cunt-muscles around the massive dog-prick that was so deliciously fucking her hungry cunt.

Jake whimpered excitedly as he continued to relentlessly shove his entire cock in and out of Madge's cunt. He felt her cunt-muscles clasp his cock. Madge shivered when she felt the dog's saliva drooling down onto her neck and shoulders.

"Ohhh, yeah, Jake, you're fucking me really hard now! Keep doing it just like that, boy! I love it!" Madge gasped, thrusting her crotch back to gobble up the animal's pistoning prick.

Babs moaned and moved around in front of her sister again. Unable to restrain herself any longer from being a part of the thrilling bestial fuck session, she threw herself down onto her back. Her pussy was directly below her sister's mouth now.

"Ohhh, Babs, your pussy is so wet! Does it feel all hot?" Madge asked thickly.

"Yes! It's burning up! It's on fire! Lick it, Sis! Lick my pussy and put the fire out with your tongue!" Babs begged, gripping her own tits.

"Yessss!" Madge hissed as she quickly lowered her head and ran her wet tongue all over Babs' cunt-mound.

Jake knifed his hard cock into Madge's pussy still harder, and the girl groaned when she felt the dog's cock-tip banging against the back wall of her cunt.

"Oh!" Babs gasped as she felt her sister's groan vibrating against her pussy-mound. "Inside, Madge! Stick your tongue inside me!" Madge slid her tongue between her little sister's puffy cunt-lips,

searching for the girl's clit.

"Yes!" Babs cried loudly when the tip of Madge's tongue lashed against her horny clit.

Madge thrilled to the dual excitement of licking her sister's clit while the German Shepherd's cock continued to fuck in and out of her deeply. She wrapped her lips around Babs' nub of clit-flesh and sucked it.

"Ohhh, yeah, that's it! That's great!" Babs cried, writhing about on the bed beneath her sister's sucking mouth. She could hear Jake's fat cock sloshing through Madge's hot cunt-juices.

Jake's dog-cock slammed into Madge's cunt, and Babs' clit pulsed obscenely between her lips. She had never experienced anything so exciting in all her life. She felt as if she were caught up in a three-way act which was totally wanton and depraved. And she loved every clit-licking and dog-fucking second of it.

She sucked and licked Babs' quivering clit while the German Shepherd continued to savagely fuck her aching cunt. She felt the fat dog-cock throbbing against her cunt-walls and she moaned with pleasure. She tightened her lips about Babs' long, thick clit, loving the feel of it inside her mouth.

"God, that feels good! You're making my clit get so hard and stiff, Sis!" Babs grunted.

As Jake's fat cock drove brutally into Madge's steaming pussy, the older girl sucked and licked Babs' clit harder. She delighted in the delicious, tangy flavor of Babs' cunt-juice, and she swallowed down as much of it as she could. She could hardly wait until Babs came, so she would be able to eat all her thick girl-cum.

Maybe we can all come together, Madge thought with a rising sense of excitement. She thought what a super turn-on that would be. She sensed that her own pussy was only moments away from a gigantic climax, and from the way that the German Shepherd was frenziedly ramming his thick cock into her, she was sure that he would be coming soon too.

Madge caught Babs' clit between her teeth, nibbling on the tender little bud gently. She felt as if she were totally lost in a private world of lust.

As Jake continued to pound his dog-prick in and out of the older girl's pussy, Babs humped her crotch up against Madge's face. The dog-fucking teenager moaned and mewled into her little sister's pussy as she felt her pussy growing wetter and hotter with each slamming thrust of Jake's cock.

"Ohhh, unnhhh, yeah, Sis, yeah!" Babs groaned, squeezing her own nipples between her thumbs and forefingers. "Suck and bite my clit while that big-cocked dog fucks your brains out!"

The bedroom was filled with the smells and sounds of hard, savage fucking. Jake's dog-cock made a wet, gurgling noise as it slid in and out of Madge's juice-filled cunt. Jake growled and whined. Dabs groaned and cried out with delight. The sounds each of the bestial lovers was making only served to turn the other on more.

The handsome German Shepherd began to speed up the tempo of his fuck-thrusts. He drove his prick deeper than ever into Madge's cunt-hole, whining as he felt her cunt-muscles squeezing it hard.

"Ohhhh, unnhhh!" Madge moaned, shaking her ass against the dog's plunging prick. Her wet cunt continually grabbed at his rigid cock, squeezing it, hugging it.

She gurgled around the blood-engorged clit between her teeth. Babs' clit was thrillingly stiff and she felt it swelling even more inside her mouth.

"Yessss!" Babs hissed with pleasure.

Madge's ass rhythmically thrust back and forth, eagerly impaling her cunt on Jake's cock. At the same time, her head bobbed up and down in a steady pace, keeping time with the animal's cock-thrusts.

"Ohhhh, you're licking my pussy sooo good! My clit has never felt so big or stiff before! I'm gonna come soon, Sis! Keep eating my pussy with your mouth! Make me come!" Babs begged.

Desperate for her sister's girl-cum, Madge began to suck Babs' clit again, clawing at her pussy-mound with one raised hand at the same time.

"Aaaarghhhhh! I'm gonna come!" Babs squealed, humping her crotch up harder against her sister's sucking mouth.

"Mmmfff," Madge gurgled as she suddenly felt a flood of hot girl-cum gushing into her mouth. She sucked the young girl's clit harder, sucking and swallowing, sucking and swallowing, eagerly drinking down every drop of her little sister's cum.

Babs groaned with pleasure. She reached up and forced Madge's mouth down harder against her orgasming cunt.

Madge moaned again as she felt her sister's wet cunt-meat filling up her nostrils and mouth. She struggled to breathe, but she wasn't complaining. She loved the lust-filled way Babs was responding to her cunt-licking.

As she continued to suck on Babs' clit, Madge could feel the girl's orgasming cunt vibrating powerfully against her mouth. Her own pussy quivered in response. Babs pumped her hips up and down, face-fucking her sister with her pussy.

Finally, Babs stopped coming and she pushed her sister's juice-smeared face gently away from her aching cunt. Then, she eagerly crawled around behind Madge so she could once more watch Jake fucking the older girl. She hoped she would be in time to see the dog shooting his load of cum into Madge's pussy.

"Make me come now, Jake!" Madge begged hornily. "God, how I need to come! And I need you to come too, Jake! I wanna feel your hot cum inside meeeee!"

She shoved her ass back harder, lifting it higher into the air with the same erotic move. She was offering even more of her gaping pussy to the animal's battering prick.

"Yeah! Make her come, Jake! She needs to come now! And you should come now too!" Babs cried, reaching out and fondling her pet's loaded balls.

Jake pounded his throbbing cock deeper into Madge's wide-open cunt-hole. With his forepaws still locked tightly about her, he drilled his bursting prick ever deeper into her boiling pussy.

"Oh God! I have to come! Or I'll go mad! I swear it! Do it now, Jake! Make me come! Shoot your spunk!" Madge screamed.

Babs groaned, thrilled by the lewd spectacle taking place before her eyes. She squeezed Jake's balls harder, hoping to make the animal come.

Jake barked and thrust his whole cock deeper than ever into Madge's seething pussy. The girl felt the flared cock-tip striking the back wall of her pussy and a mingled sensation of pain and pleasure cascaded through her, triggering her much-needed orgasm.

"Commmiiiiinnnggg! Finally! I'm coming sooooo good!" Madge yelped, her naked body jerking and twitching wildly beneath the rutting animal as she came.

Her thick pussy-juice spurted out of her cunt-hole, drenching the German Shepherd's prick even more.

Jake felt the girl's pussy orgasming against his cock and he barked and howled, finally beginning to come himself. He continued to pound his shuddering cock into Madge's convulsing cunt as he came.

"He's coming! He's coming!" Babs gasped excitedly, still squeezing the dog's furry balls. "Do you feel his cum, Sis?"

"Ohhhhhh, yessss, I feel it! God, there's so much of it! I can't believe how much there is and how good it feeeeeeels!" Madge wailed.

Jake howled again as he shot wads of thick, white dog-cum into the girl's fucked-out cunt. More and more spunk spewed from his puckering cum-slit and showered Madge's cunt-walls, completely filling up her tiny pussy to overflowing.

"Yes! Yes! Come! Come inside me! I want every drop of your dog-cum inside me!" Madge yelled at the top of her lungs, feeling the peak of her bestial orgasm strike her with full force.

"Oh, wow, I love this!" Babs squealed, watching her dog pouring his white-hot spunk into her sister's orgasming pussy. The lewd sight thrilled the younger girl to the core and she felt her own pussy exploding in another orgasm.

"Ahhh," she sighed, throwing herself onto her back and surrendering fully to the pleasure that shot through her loins as she came. Cunt-juice poured down her thighs from her climaxing cunt, and she continued to watch Jake's pistoning prick shooting off inside Madge's orgasming pussy as she came herself.

Jake whined, and his furry body shuddered violently on top of Madge's back as he shot every last drop of cum into her sucking pussy. Then, he whimpered and pulled his soft cock out of her, his eyes already fixed on Babs' orgasming pussy.

"That was great!" Madge cried, turning around and collapsing onto her back on the bed. She ran her fingers idly up and down her fucked-out cunt-slit.

"I know... watching you and Jake... getting it on... that was a real turn-on!" Babs panted weakly, still coming.

Suddenly, the younger girl felt the familiar touch of her dog's rough tongue licking over her cunt-mound and she groaned with renewed lust.

"God!" Madge laughed, watching Jake and Babs with wide eyes. "Doesn't that beast ever get enough?"

"No!" Babs gurgled as she felt Jake's tongue licking up and down her wet thighs and all over her pussy, lapping up her tasty cunt-sauce. "And neither do I!"

~~~~~

## CHAPTER FOUR

A few days later, Babs' parents left town for a few days to visit some relatives, leaving Babs and her sister, Madge, alone in the house with their German Shepherd.

That afternoon, while Madge was at the movies with a friend, Babs sat naked on the couch in the livingroom. She leaned back and spread her legs apart.

"Oh, I'm so horny!" she cried, her breaths growing steadily shorter and closer together.

Babs spread her legs wider, loving the way her pet was watching her. His gaze seemed to burn right into her pussy, making it feel hotter than ever. She felt her budding tits throbbing in synchrony with the pulsing sensation deep in her cunt.

"Mmmmmm," she moaned, running her fingertips over her nipples, which stiffened at once beneath her lewd touch.

The young teenager shivered and her lips parted, her lips moist and red. She closed them for a moment, feeling her nipples growing larger and harder against the soft tips of her fingers.

Still watching his mistress, Jake whined and humped his hardening prick against the carpeted floor.

Babs gripped her stiff nips and pinched them, lightly at first. She moaned with excitement and then pinched them harder.

"Yeah!" she cried, feeling ripples of obscene pleasure rolling up and down the length of her spine.

She felt her cunt-juice dribbling slowly from the base of her pussy, running into her ass-crack. The young girl spread her legs even wider now, loving the feeling of her cunt becoming wet with her pussy-sauce.

Babs saw that her dog had moved closer to her.

"Oh, Jake!" she groaned, lusting for the fat cock that was pulsing beneath his furry belly.

She knew that she could call out for him to fuck her right there and her pet would respond at once, sinking his cock into her horny pussy. But she knew from happy experience that it was that much more fun to delay things a bit and so she continued to stroke herself while the aroused German Shepherd eyed her hungrily.

The teenager pulled at her nipples, still gripping them between her thumbs and forefingers. She pulled them out as far as possible, making her nipples even pointier and longer than usual. She released her nipple-grip and placed her palms over her tit-mounds. She spread her fingers far apart so she could clutch her tits entirely.

Jake barked and wagged his tail excitedly.

"Just give me a little longer, Jake. I wanna be as hot as possible before you fuck me!" Babs said, seeing her pet's impatience.

Babs could smell the scent of her aroused pussy wafting up to her nostrils. She moaned softly, loving the aroma of her own pussy. She saw Jake raising his black nose up into the air, sniffing hard, and she knew that he loved the smell of her pussy too.

Jake's prick grew harder and he humped it against the floor again, as he breathed in the aroma of his mistress' naked, juicing pussy.

Babs grinned, knowing that the smell of her pussy was arousing her pet just as much as the sight of his throbbing hard-on was turning her on. She cupped her tits in both hands, gently squeezing the medium-sized tit-mounds. She moaned, feeling her long, pink nipples throbbing against the centers of her palms. She pressed her tits together, creating a deep valley between them. She moaned again, feeling her clit swelling more. She could feel more juice seeping into her pussy and she trembled, savoring the anticipation of the dog-fuck she knew was going to happen soon.

She released her tits and slid her hands eagerly down her tummy toward her crotch. She stroked her cunt-lips several times, feeling her fingertips growing wetter as cunt-juice flowed from between her puffy cunt-lips.

Jake moved a little closer, his prick throbbing painfully against the floor. Babs had her eyes closed, and was unaware that her dog was inching closer to her.

"Ahhhh, yesss!" Babs hissed between clenched teeth. She began to rock on the sofa as she stroked her pussy-lips, her eyes still closed.

Babs opened her eyes and saw that the dog had moved closer to her. She also saw that his cock, which she could see under his belly, had grown much larger and thicker in just the last few minutes.

"You're really turned on, aren't you, boy?"

Jake barked.

Babs closed her eyes again and continued to stroke her cunt. It felt so good.

Her tits bounced as she rocked back and forth, breathing harder and faster. She could feel her face growing red and hot as her passion spiraled upward. She knew she was twisting with lust now and she wondered briefly if she looked different to her dog.

Now, Babs began to stroke the sides of her clit. The little nub of clit-flesh felt as if it was going to pop right out of her pussy at any second. Her moans grew steadily louder and higher in pitch as her lust and pleasure grew.

She shuddered violently, feeling her entire body becoming covered with a thick layer of gooseflesh. At the same time, she could feel warm sexual sweat oozing out of her pores. In a matter of minutes, the rest of her body had become as slick and wet as her cunt-flesh.

She pushed her finger into her fuck-hole.

"Yes!" she cried and Jake barked.

She clenched her teeth together and felt the muscles of her jaw beginning to protrude. The veins in her temples dilated and began to throb. Babs pushed her finger deeper inside her cunt-hole, thinking how much better it would feel when Jake's cock was fucking into her.

"Ohhhh, good," she sighed, running her finger in and out of her pussy-hole for a few minutes.

Then, she withdrew her wet finger and held it up before her face, staring at it. She saw that her finger was now covered with juice.

"Ahhh," she cooed, sniffing at the wet finger. "Smells good. Want to smell it, Jake?"

The dog whined and moved forward as his mistress held her juice-soaked finger out for him to smell. The animal flared his nostrils and sniffed. Then he barked again and his entire body quivered. But when he stuck his tongue out, Babs laughed and pulled her finger away.

"You naughty doggy! You don't get to lick it! Not yet anyway!" Babs said as she stuck her own tongue out and licked a bit of her pussy-juice into her mouth. "Ohhhh, it tastes soooo good! But then you know all about how my juice tastes, don't you, boy?"

Jake barked again and leaned forward with his head, desperate to lick the girl's wet finger.

"Oh, okay, Jake, I guess it would be mean to not let you lick my finger. Here, boy, I left most of my juice on it just for you!"

Jake's tongue shot from his mouth and he whined continually as he lapped his mistress' juice-soaked finger.

"Oooh, your tongue really turns me on!" Babs cooed as her pet licked her finger clean.

Jake licked his chops. Babs put her fingertip back into her pussy and peeled her clit-sheath up and away from her bursting clit. Her aroused clit was entirely exposed and Babs groaned. She whimpered as she stroked her hard clit gently. Erotic pleasure consumed her body. Her crotch bucked convulsively.

Jake moved still closer to his mistress, his head almost between her legs now. The smell of musky, teenaged cunt was rich in the air around them, and the dog trembled all over.

Babs stroked her clit again and again, knowing that her cunt-juice was making a wet spot on the sofa. She felt every muscle in her body tensing up on her and she arched her back, lifting her tensed ass-cheeks up from the couch. She felt her glazed eyes filling with tears as she strained toward orgasm.

She thrashed her head from side to side, still pumping her loins upward. She pressed the tip of her finger directly down against the top of her fiery clit.

"Oh, God, that's good!" she cried.

She pressed still harder against her clit-head. Then she began to roll her clit in a little sensuous circle. She was glad that she was alone in the house, except for her dog, so that she would not have to worry about stifling her cries of erotic pleasure. She could scream just as loudly as she wanted to.

She steadily increased the pressure of her finger against her clit. And in a matter of seconds, she was making herself come.

"Commmiinnggg!" she shrieked loudly, her cry of orgasm blasting through the house.

Jake barked loudly, further aroused by his mistress' scream of orgasm. His cock grew larger and thicker. And he leaned forward more, his eyes fixed on Babs' finger, stroking her shuddering clit.

Her clit-sheath moved up and down as she came. Finally, her orgasm ended and she fell back against the sofa cushions. Her intense orgasmic ecstasy began to fade, and in its place the youngster felt a warm, contented afterglow flooding her body.

She took her wet finger out of her cunt and opened her eyes again, chuckling with delight when she saw her horny dog leaning toward her.

"Here, boy, you can clean my finger for me again," she purred, holding her finger out toward his mouth.

Jake whimpered and lashed out his long, pink tongue.

"Mmmm, nice," Babs murmured, feeling the animal's sloppy tongue washing her finger. She saw a gleam of pleasure in his big brown eyes as he swallowed her cunt-juice.

Then, the German Shepherd licked his chops again and sat back, panting hard. His hard-on throbbed against the floor. Babs gasped when she saw how red her pet's prick was now.

"Oh, wow, what a cock you've got, Jake!" she cried excitedly, feeling her pussy begin to throb with renewed lust as she eyed the huge hard-on.

Jake whimpered as if agreeing with his mistress.

"Okay, boy, I've kept you waiting long enough! Come on up here and lick me with that long, sexy tongue of yours!" the young teenager cried, lying back on the couch.

Jake leaped up onto the couch, standing between his mistress' legs. He growled as he licked her flat belly. He moved his tongue up to her tits, sucking his wet tongue over her reddish nipples.

"Ooooooh, good," Babs groaned, stroking the sides of the dog's furry face. "Unngghhh, that was good! But now I need you to lick my pussy!"

Jake had long ago learned the word, pussy, and he whined excitedly. He licked his way down the girl's body to her naked cunt, which was gaping openly before him. He licked all over her wet cunt-mound.

"Yeah!" Babs cried as she shoved her cunt up against her pet's mouth, hoping that he would make her come again.

The teenager could feel her cunt-juice mingling obscenely with the German Shepherd's saliva as he continued to lick her pussy. The sensation made her tremble with bestial lust.

The big dog licked eagerly all the way from the base of his mistress' pussy to the top of her pink cunt-slit with each tongue-stroke. Then, he worked his tongue in between her trembling cunt-lips.

Babs gasped as she felt his rough tongue scraping against the inner walls of her cunt. She tightened her pussy-muscles against his tongue and heard Jake whimper with pleasure.

The super-long tongue of the dog was able to reach deeper inside Babs' pussy than any tongue ever had before.

Sure, she thought now, humping her crotch up against his drooling mouth, he can't do some things that human lovers can do to my pussy and my tits. But then, there are things that he can do that they can't do... with his naturally long tongue, he just happens to be better equipped to pussy-lick me

than my boyfriends are!

Jake fucked his tongue in and out of the pussy while she writhed beneath him on the sofa. She felt lust-filled sensations of bestial pleasure filling every fiber of her body.

A few minutes later, the big German Shepherd pulled his tongue all the way out of Babs' cunt-hole. He licked her clit.

"Yes! My clit! Lick it hard, Jake!" Babs gasped, her eyes rolling back in her head.

She could already tell that her dog was going to give her a great big orgasm any minute now. She thrashed her head from side to side as she felt his incredibly long dog-tongue sliding across her quivering clit.

"Harder! Lick me harder now, Jake!" she demanded huskily.

Jake didn't need his mistress' commands to start licking her clit harder and faster. The animal had come to learn how to give the teenager sexual pleasure. And, if nothing else, all the many times he had licked her pussy before had taught him at just what point the girl needed a harder lick of his tongue.

"Commmiiinnnggg!" the girl shrieked only seconds later, and Jake whimpered with pleasure as he drank her girl-cum down.

~~~~~

CHAPTER FIVE

"Now, it's time for you to fuck me, Jake!" Babs sang out the instant her orgasm ended.

Jake took his juice-smeared snout away from the girl's crotch and stared up at her, panting hard.

"Come on, boy, fuck me!" Babs commanded, spreading her wet thighs still wider.

The handsome German Shepherd straddled his mistress' body. The broad head of his cock pried Babs' cunt-lips apart, and he inched his pulsing prick into her.

He growled and nudged his cock-head deeper into her. He wriggled his haunches and shoved his prick into her with a lewd screwing motion.

"Oh, it feels good, Jake! I love it!" the teenager whimpered, her long, golden hair flying about her young face.

The dog growled again. He leaned back and withdrew his cock, pulling it almost all the way out of her pussy. Then he savagely fucked forward, sending his entire long, thick cock into her.

"Yessss!" Babs hissed as she savored the delicious sensation of her pussy being filled with hot, hard cock-meat.

She shouted with happiness, hugging the beast's cock with her tight cunt-muscles.

"Oh God, Jake, I can feel your huge prick all the way up my pussy! Ooohhh, it feels sooo good!" Babs cried, feeling wanton as she began to fuck the dog's cock with her wet pussy.

Jake howled. He heard the lust in his mistress' voice, and it inflamed his desires. He loved the feel of the teenager's tight pussy squeezing his big hard prick. He shuddered all over with excitement.

Babs was flushed and sweating profusely now. Her eyes were totally glazed over with animalistic lust. Her tits were throbbing, their nips stiff and thrusting up.

The animal began to fuck the teenager slowly, moving his cock steadily in and out of her.

"Ahhh, yessss, just right!" Babs sighed, knowing that her dog was going to fuck her slowly at first and build up from there, and that he would be fucking her hard and fast toward the end.

The exquisite feel of his huge cock fucking in and out of her cunt filled the youngster with desire. She felt his loaded, furry balls slapping against her ass-crack and moaned... "Your dog-cock feels soooo fucking good inside my pussy, Jake! I'm so glad that we're lovers now!" Babs cried out loudly.

She felt not only lust for him and for his huge, satisfying cock, but also a warm rush of affection for him.

The German Shepherd whined as he continued to fuck his big hard cock in and out of his mistress' pussy. The girl's cunt was well lubricated, drooling out thick streams of hot cunt-juice.

As her pet fucked her, Babs raised her hands to her tits and fondled them. She stroked them over and over again, trying desperately to ease the aching desire that filled her entire body, making her nips stiffer.

"Keep fucking me just like that, Jake, it feels sooooo good! Soooo fuckin' good!"

She clenched her pussy-muscles hard around her pet's cock and he growled gratefully, shaking with pleasure. Then, Babs unclenched her cunt-muscles, releasing Jake's dog-cock so he could pull it almost all the way out before plunging it back into her.

"Ungh, yeah, fuck me harder now, Jake, yeah, hard!" Babs demanded, arching her back sharply.

She thrust her crotch up against the dog's cock, meeting it eagerly with her hungry pussy. She arched her back again and thrust upward violently. Her sexy movement completely opened up her little cunt-hole to the animal's rutting prick. She felt the full length of his fat cock thrusting all the way up her tight cunt-hole.

"Oh, yessss, this is what it's all about!" she chirped happily.

Babs continued to fuck back at her dog. She longed to come. She also longed to feel the dog's thick cum shooting into her little pussy. She stroked the animal's furry back and head, loving the feel of his muscles rippling beneath her touch.

Jake whined with pleasure as he continued to slide his cock in and out of his mistress' clenching pussy. He lowered his head and licked every part of her body which he could reach with his long, wet tongue.

Babs writhed hornily on the couch as her pet fed her pussy his prick-meat. His big cock raked deliciously over her twitching clit, making each of the burning nerves in her cunt come throbbing to life.

The teenager thrilled to the sensation of having her pussy filled with hot, hard prick-meat. The idea

that it was her own dog's cock filling her cunt just added to her bestial thrills.

She contracted and loosened her strong pussy-muscles, hugging Jake's cock tightly to her pussy-walls, then releasing him again so he could slide out of her and shove his fat cock back into her cunt, deeper with each thrust.

"You're fucking me better than ever, Jake! You great big beautiful, wonderful doggy, you!"

She could feel every hard inch of the dog's prick inside her.

Jake began to fuck his mistress harder and faster. He cork-screwed his fat cock in and out of her sucking pussy. The teenager's strong cunt-muscles grabbed his cock, holding it in place, squeezing down on it greedily. Then she loosened her lewd hold, and he pulled his prick free, only to thrust it back into her with a deeper, stronger lunge.

The teenager and the German Shepherd continued to fuck each other, each of the dog's downward fuck-strokes wantonly met by his mistress' upward swing of her hips and crotch.

Jake growled, fucking her harder now.

Suddenly, the youngster came hard. Her cunt spasmed violently and Jake barked excitedly as he felt her wet pussy convulsing about his hard prick.

"Oh, I'm commmiiinnnggg soooo goood!" the teen cried, crying out with deep, pounding, animalistic pleasure. Her pussy-muscles clamped around her dog's cock, and she bounced her ass off the sofa in a frenzied climax.

Jake whimpered, loving the feel of the girl's cunt orgasming so hard against his prick. The big dog was moving his prick in and out of his mistress' cunt as rapidly as possible, desperately needing to come himself.

"Aieeeeeee!" Babs screeched as the peak of her mighty orgasm raged through her trembling body.

She felt her pet's prick raking over her spasming clit and she cried out. Every inch of her twitching cunt throbbed, burning hotly. Her entire body glistened with a fine sheen of sexual sweat. The sound of her dog's prick sliding in and out of her wet, orgasming pussy filled her with even more excitement, and she humped her cunt up against him with frantic lunges of her hips.

Suddenly, Jake's furry body tensed and his cock lurched wildly against the walls of his mistress' cunt.

"Ohhh, yesss, that's what I neeed!" Babs wailed happily, coming again as she felt the exquisite rush of dog-cum flooding into her spasming pussy.

She arched her back to capture every drop of dog-cum up her horny pussy. Wad after wad of the thick cum shot from the dog's twitching prick and splashed lewdly inside the teenager's cunt. The thrill of her dog's cum filling her all up so excited the youngster that she came yet again.

"Commmiinngg!" she shrieked as heavy waves of bestial orgasm thundered through her.

Finally, the animal shot the last of his jizz into his mistress' sopping pussy and he moved back, slowly withdrawing his still-hard cock out of her.

"Ooooh!" Babs gasped as she glanced down. "Your cock is still hard! Goody! Now I can suck you

off!"

She quickly coaxed her pet into lying down on his back, his legs sticking up in the air. Then, the horny teenager squatted next to him there on the sofa. She lowered her head and began to kiss and lick the animal's furry belly.

Jake whimpered, delighted by his mistress' tongue-caresses.

As she continued to lick her dog's belly, Babs eyed his red cock out of the corner of one eye and she whimpered herself. The dog-cock was big, and looking at it made Babs feel like a bitch in heat all over again.

She could see his big cock bulging from its furry sheath, bouncing on his furry belly.

Babs moved the tip of her tongue to the dog's balls. She licked them all over.

Jake began to buck up and down on his haunches.

The teen licked and sucked her pet's balls for a long time. At the same time, she stroked the animal's furry crotch with her fingertips and fingernails. Then, she began to lick on the underside of his cock, feeling it becoming harder against her aroused tastebuds.

She fondled Jake's balls while she sucked them again. Then, she returned her attention to his throbbing cock. She lifted the tip of his hard prick from his belly, forming a gentle support under his cock with her fingers. The upward bucking of his furry haunches became more frenzied.

Babs ran the tip of her tongue up and down the entire length of the dog's prick. She was delighted to feel his dog-cock growing still fatter against her tongue. It grew thicker and longer until it was fully engorged.

While her pet whined and whimpered beneath her, Babs took the head of his cock in her mouth and began to suck. She moaned as she slid her wet lips up and down the shaft of his dog-cock, moving her mouth all the way from the base to the tip. As she continued to suck Jake's prick, she kept her tongue lashing out at his aroused cock-meat.

Jake rammed upward with his haunches. His entire body stiffened for a moment. Then Babs felt the squirting of his hot dog-cum as it flowed into her waiting mouth. But she did not swallow the dog-jism down right away. She waited, wanting the canine fuck-juice to linger on her tingling tastebuds. She loved its tangy flavor! Jake thrust his cock farther into his mistress' mouth as he continued to shoot his load.

"Ummmfff," Babs groaned, sucking on his dog-cock until all the cum was drained from his balls. As Jake relaxed, Babs began to swallow.

She sighed, releasing Jake's softening prick. She closed her eyes and gave herself up completely to the thrill of eating her pet's cum. All of the hot dog cum slid down her throat, coating its walls, before spilling into her belly.

When she had swallowed the last of her pet's cum, Babs glanced down at the dog's prick.

"Oh, wow!" she gasped, seeing that Jake's prick was half-hard again.

Babs lowered her head again and began to kiss the animal's balls. Then, she licked up and down his

trembling cock and made his cock completely hard again.

“Time to fuck me again, Jake! But this time I want it doggy-style!” Babs squealed as she sprang up onto her hands and knees, her ass waving in Jake’s face.

She arched her back and a curve formed at the small of her back, leading upward to the twin globes of her ass. She moved her knees far apart, feeling her pussy-lips and ass-cheeks parting.

The girl’s pussy was completely open and visible from the rear now, and Jake sprang up on all fours, eyeing his mistress’ cunt hungrily. His cock throbbed with renewed desire.

Babs shivered with anticipation as she felt her dog’s warm breath against her cunt. He was sniffing her pussy, and he whined when he smelled the musky aroma of her arousal. She felt his cold, wet nose against her exposed pussy-meat. Babs moaned, feeling her cunt-juices running down the insides of her naked thighs.

Her pet’s front paws were resting on Babs’ back. His claws felt rough between her shoulder-blades. And she could feel the tip of his wet cock against the back of her right thigh.

Jake was panting loudly now. Babs could feel his saliva dripping from his tongue onto the nape of her neck. Her cunt was on fire with bestial lust.

“Give me your big fat cock now, Jake!” she demanded huskily. “Stick your hard prick up inside my hungry cunt!”

The German Shepherd stood on his hind-legs, nudging his fat cock against his mistress’ cunt-lips, whining with doggy desire.

Babs reached back and placed the tips of her fingers along the sides of her bloated cunt-lips. She pulled her pussy-lips far apart. She could feel the tip of her pet’s cock pausing at the mouth of her fuck-hole. She writhed with lust, unable to wait any longer to be fucked by her dog.

“Do it! Do it now, Jake! Fuck meeeee!” she wailed.

Jake rammed forward and drove the length of his cock inside the girl’s pussy.

~~~~~

## **CHAPTER SIX**

“Yessss!” Babs hissed between clenched teeth as she felt the German Shepherd’s cock thrusting fully into her gaping pussy-hole. “Yessss, you sexy doggy! Fuck me hard, Jake! Make me come harder than I’ve ever come before!”

She trembled as she felt the rock-hard tip of Jake’s cock against the back wall of her pussy.

Jake barked and began to fuck his young mistress as hard and fast as he could.

“Ohhh, that’s good, just the way I need it, Jake! Fuck me! Fuck me hard!” Babs moaned happily, shaking her ass lewdly.

Babs trembled all over, feeling her pussy filling with the heat of Jake’s cock rushing in and out of her cunt. Juice seeped into the teenager’s pussy, lubricating the fat dog-cock plunging in and out of her.

She tried to move her ass in sync with the movement of the dog's haunches. The animal was fucking her so deliciously hard and fast that it was difficult to keep up with him. She thrilled to the hard-fucking cock sliding in and out of her.

Babs loved the fact that her pet was able to fuck her faster than any boy ever could. She clutched her cunt-muscles tightly against the sides of his reaming prick, moaning with pleasure.

Jake whimpered as he felt his thrusting cock being squeezed by his mistress' pussy-walls. The young girl felt her clit-sheath sliding across her blood-engorged clit as the dog continued to hump her from the rear.

"Ohhh, that feels sooo fuckin' good!"

As she heard Jake whining and whimpering with pleasure, she turned on even more. She knew that the joy-filled sounds she was making resembled those from Jake, and again she had that feeling that she was a bitch in heat.

"Aieeee!" Babs cried loudly, feeling his cock-head striking the back wall of her pussy.

She rested her face on the backs of her hands, tears of joy welling in her eyes. She could tell from the brutally hard way her pet was fucking her pussy that he was going to make her come before long.

The teenager felt herself getting a little closer to orgasm each time the dog rammed his prick inside her feverish fuck-hole. She felt Jake's cock growing larger and thicker inside her, stretching her walls painfully but pleurably. Her cunt was entirely filled with his hot, hard cockmeat, and she loved the feel of it.

Jake barked excitedly as he shoved his whole cock into his mistress' cunt with hard, savage strokes. His furry body shuddered against the girl, his paws digging into her back as he clung to her.

"Ohhhh, Jake, you're fucking me sooo good! Better than ever! And you were no slouch before!" Babs threw her ass back to capture the dog's prick inside her.

She could feel his panting doggy breath and dripping saliva between her shoulder-blades. She was moaning continuously now. Each sound the young girl made was echoed by a similar sound from the aroused German Shepherd.

Suddenly, the teenager felt her cunt exploding in orgasm. As she came, Jake continued to piston his prick in and out of her.

"I'm commiiiiinnngg!" Babs wailed loudly.

Her cunt-juice poured from her pussy, soaking the dog's rutting prick and running lewdly down her thighs. She lifted her face away from the backs of her hands. Her lips pulled back tightly over her even white teeth. She felt her nipples burning.

"Ohhh, aaaaarghhh, yesss, it feels sooooo good, this is the best cum ever!" Babs squealed.

Waves of bestial pleasure spread upward from her loins until every part of her body was consumed with the ecstasy. She felt Jake's dog-cock buried to the hilt deep inside her, and the feel of it made her orgasm more intense.

Jake licked out with his long, wet tongue and licked his mistress' naked back and shoulders, leaving a trail of wet saliva in his tongue's wake. He whined and drove forward with his cock as hard as possible, slamming his prick all the way inside her.

"Aieeeee!" Babs shrieked. "Ohhhh, God, you're making my pussy feel soooo good with your fat cock, Jake!"

Her orgasm had ended but, from the violent way her pet was still fucking her pussy, Babs had no doubt that he would soon succeed in giving her another climax. She wriggled her ass back at him and screamed out her pain and pleasure. She thrust her hips back toward her pet, helping him to impale her ravaged cunt on his long, thick cock.

"I love it, Jake! I love having my own dog fuck my pussy for me!" the girl screeched.

Shuddering hard, Babs shoved her ass back to meet the dog's thrusts as he continued to plug her pussy full of his thick prick-meat. Each thrust of the dog's cock seemed to send it that much harder and deeper into the teenager's quivering pussy. And each thrust made his dog-cock scrape against her clit.

"Ohhhhh!" Babs gasped, writhing with raw, hot bestial pleasure as she felt her clit throbbing against the dog's cock. Her cunt was pouring out fuck-juice fast and furiously now. The thick fluid lubricated the dog's reaming cock, making a wet, sloshing sound each time Jake shoved his prick through her cunt-sauce into the folds of her pussy.

Babs worked her strong, tight pussy-muscles hard around her pet's raping prick, thrilling to the obscene sensation of having every single inch of her cunt completely stuffed with hard dog-cock.

She eagerly thrust her ass backward to meet her pet's deep cock-thrusts. She felt her pussy completely filling with dog-cock and she ground her hips against the dog's prick.

"Oh, God, you sure know how to fuck, Jake!" she cried.

As the dog's cock penetrated her deeper with each inward plunge, Babs trembled. She felt the head of his cock pushing hard against the back wall of her cunt, and a shiver of bestial excitement shot up her spine.

"Ohhhh, Jake, your cock is soooo big! And so hard! It's filling me all up so deliciously! I love it!"

With the throbbing meat of her pet's prick deep inside her, Babs moved back even more, feeling his cock scraping harder against her trembling clit. The pressure of the dog's cock against her twitching clit sent a fresh wave of lust racing through the teenager.

She moaned, wiggling her hips from one side to the other. Lewd, cunt-wetting sensations ripped through her with greater intensity, and her breathing became harsher and more labored. Jake growled as he felt his mistress' strong cunt-muscles gripping the sides of his cock-meat and squeezing it hard. The German Shepherd basked in the warm wetness surrounding his pulsing prick.

The next time Jake shoved his cock into Babs' aching pussy, she thrust back to meet it. Then, while Jake remained still for a few seconds, the teenager pushed herself forward. Her movement made her pussy slide off of her dog's cock until only his cock-head was still inside her. And, while Jake whimpered lustfully, still holding still, Babs suddenly threw herself back as hard as she could.

"Yeeeeee!" she screamed as the force of her movement buried the dog's prick even deeper into her

than before. She rocked again on Jake's cock, letting his huge prick stretch her pussy-walls. Jake remained still, letting his mistress fuck herself on his meaty cock. Babs was obviously getting off on shoving her body to and fro, impaling herself on his thick dog-cock.

"Ohhh, yesss, it's soooo good!" she sighed.

She felt a few drops of pre-cum ooze from her pet's prick-head and mingle with her cunt-juice. She groaned excitedly, thinking how good it would feel when her dog came, releasing all of his hot dog-cum right into her horny cunt-hole.

More juice filled Babs' cunt, and her pussy-meat burned and pulsed around the German Shepherd's cock, igniting her entire body with a relentless fiery lust.

"Aaarrghhh, I love fucking you sooo much, Jake! Your cock is the best! And you know what to do with it, toooo!" the youngster cried, half out of her mind with bestial desire for her dog and his hard prick.

The dog barked in response. He continued to hold his body still for her so she could keep rocking her body back and forth on his hard prick.

Babs moved her body back and forth with a faster motion each time. She was deliciously fucking herself on her pet's rigid hunk of dog-cock. Again and again, his cock-shaft scraped over her throbbing clit, making her moan with pleasure.

As the teenager shoved back onto Jake's cock with more and more force, she felt overwhelmed with animalistic pleasure, and the lewd, thrilling sensations only increased as she continued to fuck herself on Jake's trembling prick.

The animal growled continuously, his body shuddering against hers as he fucked the full length of his cock into her.

"Yessss, yessss, it feels soooo good!" Babs gasped as her pleasure mounted still more.

She no longer had to even think about what she was doing. Her movements were frenzied and almost automatic now. A few minutes later, she stopped, exhausted and overcome with intense feelings of erotic pleasure.

Jake felt his mistress' body growing still and, with a loud whine, he took over. Again, the randy animal began to shove his cock in and out of Babs' drooling cunt as hard as he could.

Babs felt her pet deep-fucking her with his trembling prick and she moaned with pleasure. The exciting feel of his cock thrilled her and she could remain still no longer. And, again, she began to thrust her hips back and forth, keeping perfect pace with Jake's inward plunges. So, once more, the teenager and her dog were fucking each other in sync now, their bodies slapping against each other lewdly.

As the young girl and the German Shepherd fucked each other harder and faster, their bodies slammed together violently. The jarring impacts sent Babs' body scooting forward several inches with each brutal lunge of the animal's prick.

Babs stared down at the sofa cushions as her pet rammed his rock-hard prick into her cunt. There was a lust-contorted expression on her lovely face. Her face and tits were flushed a dark red. Roaring blood pounded in her ears so that she could hear little, although she had no problem

hearing the thrilling sound of her dog's cock sliding wetly in and out of her juice-drenched cunt.

The teenager felt consumed with bestial pleasure. She needed and wanted more. The powerful animalistic sensations were building up inside her loins, and the sexual pressure was becoming almost unbearable. She needed to come again, and she knew that Jake's expertly thrusting cock would give her the orgasm she craved so desperately.

Each time Jake's prick slid into Babs' cunt-hole, a fresh surge of erotic pleasure combined with the pent-up charges of ecstasy already consuming her.

"Ohhhh, I'm sooo turned on, I can hardly stand it!"

The German Shepherd barked excitedly, his prick shuddering uncontrollably against the tensed walls of his mistress' cunt. He barked again and withdrew his cock until only its flared tip was still buried inside the girl's pussy-hole.

"Keep fucking meeee!" Babs whimpered hornily, not wanting her dog's cock to be outside of her pussy for even one second.

Jake shoved the full length of his hard cock into his mistress again. He growled with pleasure when he felt her cunt-muscles squeezing him.

"Ohhhh, yesss!" Babs hissed, feeling as if her loins were on fire.

Her inflamed pussy was alive with flames of lust. Suddenly, Babs felt her muscles tensing, her entire body going absolutely rigid.

"Commmiinnggg!" she screamed as her orgasm struck her.

She felt pleasure throughout her body. Her cunt convulsed tightly around her pet's prick.

"Unnnhhh, yeah, Jake, yeah! I can feel myself coming! I'm coming around your hard cock, Jake! Ohhh, God, you're making me come sooo Goddamned hard!" the girl wailed as her pussy spasmed almost painfully around the German Shepherd's thick slab of cock-meat.

Jake barked as he felt his mistress' pussy orgasming against his jerking prick. He continued to fuck her hard and fast with his shuddering cock.

"Ohhh, I can't believe how good this is!" Babs groaned.

Her orgasm began to fade, but before she could even catch her breath, another climax struck her with full force. This cum was even more intense than the first, and the spasms deep inside her pussy were strong, too, gripping her pet's prick that much tighter.

"Aaaarrghh, unnggghh, God, this is unbelievably good! I love the way it feeeeeeels!" the teenager cried. "This is what I needed! Ohhh, you wonderful doggy, you! You're giving me the most thrilling orgasm of my life! Keep fucking meeee! I love you for the way you're making me come so goooood!"

She groaned with excitement and ecstasy as yet another climax hit her in the innermost depths of her pussy. She threw her head back, totally abandoning herself to the bestial pleasure sweeping through her body.

That orgasm had no sooner faded before another one overwhelmed her. Orgasm after orgasm struck her, each one more intense and fiery than the one just before it. Her cunt spasmed uncontrollably

and her other senses dimmed. Her entire world was centered on her cunt and on the thick dog-prick pistoning in and out of it.

Jake raised his head high and howled loudly as his own orgasm began with a vengeance. Babs felt his prick growing even harder inside her convulsing pussy.

"Yesss, come, boy, shoot all your fuck-juice inside me!" she cried lustfully.

She cried out with more pleasure as she felt a gush of hot dog-cum shooting into her pussy. Another blistering-hot orgasm struck her, her pet's thick spunk filled her cunt hotly.

~~~~~

CHAPTER SEVEN

Babs awoke in the middle of the night, feeling a raging horniness in her loins.

"Ooooooh, I need Jake! I need my doggy!" the young girl said with a grin as she slipped out of bed, completely naked.

She padded barefoot from her bedroom, in search of the big German Shepherd, the only one who could appease her sexual desires at that point.

"Jake! There you are!" the youngster sang out happily as she saw her pet curled up, asleep, next to the sofa.

The dog awoke at the sound of his mistress' lust-charged voice. He sprang up and bounded to her side, jumping up against her with his forepaws.

"Ohhhh, Jake, I'm so turned on!" Babs said as she lowered her head and kissed her dog on the mouth. Jake stood there on his hind-legs, his forepaws pressed against the front of the girl's body.

She shoved her tongue inside her dog's mouth. The animal whined excitedly and explored the inside of his mistress' mouth with his tongue.

The young blonde groaned, feeling her dog's saliva mingling with her own.

"God, Jake, I want to give you a blowjob!" she cried, finally pushing the German Shepherd away from her.

She settled on the livingroom floor and called her dog over to her side. When Jake reached her, Babs pushed him down toward the floor.

"Good boy. Now roll over so I can get at your cock!" Babs demanded.

With a few gentle shoves from the girl, Jake finally lay down on his back, his half-hard cock jutting upward.

"Oooooh! You've already got the beginnings of a hard-on, Jake. Good boy!" Babs said excitedly, her eyes wide with lust. The thought of sucking the hard dog-cock made her mouth fill with saliva, and she found that she had to keep swallowing to keep from drooling all over the floor.

She stared down at her pet's prick. Even though it was only half-hard, it was already long. And, best of all, it was thicker than her wrist. She saw that the little cum-slit at the tip of Jake's cock was

opening and closing from spasms of lust.

“Ooooh, Jake, you want this too, don’t you?” she said, huskily.

Babs’ eyes grew wider as her dog’s cock began to harden more and more. His rising dog-cock was pointing straight up toward the ceiling. Babs could see the blue veins which lined his cock-stalk and she swallowed hard again, her mouth filling with more saliva.

She gently stroked the big cock from its base to its purplish head. The German Shepherd whimpered with pleasure. His cock began to bob up and down, slapping against his furry belly.

“Ohhh, Jake, you’re making me even hotter than I already was!” the young teenager said thickly, noticing that the animal’s balls were big and swollen with a heavy load of cum. She licked her lips in anticipation, thinking how delicious that dog-cum was going to taste as it slid down her hungry throat.

Babs stroked one of Jake’s balls and he growled deeply. She caressed his other ball and he growled again. This time, she saw his entire body tremble.

Wow! she thought excitedly. This dog’s every bit as turned on as I am!

She fondled and squeezed his loaded balls for a few more minutes, delighting in the animal’s lust-filled reactions to her lewd caresses.

Finally, the horny teenager lowered her head between the German Shepherd’s hind-legs. She could not look at her pet’s prick without thinking that it had been made just for her. To fuck her. To fuck her cunt, her mouth, and her ass.

Babs parted her full lips and let the tip of her pink tongue dart out. She concentrated on making her tongue pointy at the tip. Then she drilled her pointed tongue-tip right into the cum-slit twitching at the top of the dog’s cock-head.

Jake barked and his entire body tensed and jerked.

“Mmmmmmm,” Babs moaned with pleasure, tasting the tangy flavor of his pre-cum. “Just got a couple of drops this time, but I know that there’s a lot more where that came from!” Babs lowered her head and licked Jake’s balls until they were completely coated with a fine sheen of her saliva. Jake whimpered and bucked his loins upward. Babs took the head of her dog’s prick between her lips with a tight grip.

She lowered her lips on the shaft of his thick prick and paused. She could feel the blood coursing through the animal’s cock, and the lewd sensation aroused her beyond belief.

She savored the tangy taste and musky aroma of the German Shepherd’s cock-meat, and her little pussy drooled with more and more cunt-juice. She tightened her lips around his hard prick-shaft. Then, she pulled her wet mouth up on his hard cock, licking out at the flared head at the same time.

Jake whined and rolled his body from side to side in a fit of passion. Babs had to grip his cock even tighter with her clasping lips so that the dog would not pull his cock from her mouth with his jerking movements.

She slipped her lips still farther down on the throbbing cock, taking as much of his cock as she could into her mouth. When she felt his pulsing cock-tip bump against the back of her throat, she moaned

and slid her mouth upward again. She groaned, feeling his broad cock-head pulsing obscenely between her lips. She closed her eyes with pleasure and slid her mouth downward, taking his cock into her mouth once more.

She moved her mouth up and down her dog's cock, feeling his meaty prick hardening and throbbing inside her mouth. Her cunt shot out more and more cunt-juice.

As Jake whined and whimpered louder, his mistress moved her mouth more rapidly along the length of his cock. Her lips slid smoothly over his prick and she sucked harder, hollowing her cheeks inward to increase the suction on Jake's pulsing prick.

As she continued to suck her dog off, the teenager moved one hand to his balls. She ran the tips of her fingers over the nuts, feeling them churning with cum. Babs pressed her hand into the dog's furry balls, so that they were flattened out against the base of his cock.

Jake howled with pleasure.

"Unh!" Babs groaned around the thickness of the fat dog-cock inside her mouth.

She moved up and down his prick faster, sucking for all she was worth. She wanted to make Jake come soon so she could swallow all of his delicious cum. Her saliva was gushing out now, completely filling her mouth.

The teenager's pussy-hole began to ache. And Babs knew what that ache meant. First, she would come soon. And second, it meant that she needed something deep inside her pussy. Something like her dog's cock.

Babs' clit stood up rigidly now, throbbing with lust. The harder she sucked on her dog's cock, the wetter her pussy became.

She felt Jake's fat cock jerking wildly inside her mouth and she moaned, knowing that he would come soon. Thick juices poured from her aching cunt-hole. She pressed her thighs together and rubbed them back and forth, making the silken outer folds of her cunt slide slickly together.

"Ungh!" she groaned, continuing to suck Jake's dog-cock. Her stiff clit scraped against the slippery folds of its protective sheath, sending jolts of obscene pleasure blasting through her loins.

Babs sucked the entire length of the animal's cock into her mouth, until her nose was buried in the fur around the root of his trembling prick. Her mouth vibrated lewdly as his huge cock throbbed relentlessly against her inner, hollowed cheeks.

Babs felt her pet's balls churning more. She pressed her palm into them more forcefully, making the German Shepherd writhe about even more wildly, his furry paws pawing at the air.

He growled so deeply that the young girl hardly recognized his voice. The dog arched his hips higher off the floor, and Babs felt the head of his cock force its way past her tonsils and down her throat. She gagged at first, but swiftly recovered, pulling her mouth upward on the hard cock.

A huge, wet orgasm shot through her loins, and her cunt-hole shot out even more juice. The dog's cock grew still fatter inside her mouth. Babs sucked his prick even harder, moving her mouth incredibly fast up and down his long, thick cock.

Babs continued to suck her dog's prick. The animal lifted his haunches up from the floor and thrust

his cock-meat in and out of his mistress' mouth at a rapid pace. He fucked the teenager's face with hard, even brutal strokes.

"Ummmmfff!" Babs groaned, sucking hard on his tasty prick as she felt a heavy blast of dog-cum jet out of the end of his cock and splash against the back of her throat. More and more spurts followed, and she swallowed the delicious, familiar-tasting cock-sauce as fast as it poured into her mouth.

Sucking her dog to orgasm thrilled the teenager so powerfully that she came again.

Obscene waves of bestial pleasure washed over her, and she shuddered with ecstasy as she continued to swallow her pet's heavy load of dog-cum.

Babs slid her mouth off Jake's still-hard cock. Both she and the German Shepherd were panting hard from her thrilling blowjob.

"You know what I want now, Jake?" Babs asked with a grin.

Jake looked at his mistress quizzically, his wet tongue lolling out of his drooling mouth.

"I've never had my little ass fucked before, and I've always been afraid to... the pain, you know..." Babs explained, as if talking to a person instead of a dog, "... but I'm so fucking turned on I know I'm ready for it now! And I can't think of anyone I'd rather do the honors than you! Fuck my asshole, Jake!"

The youngster turned and got up on all fours, keeping her ass lower than she usually did in this position. She wanted to be sure that her dog fucked her in the ass this time and not her pussy.

"Hurry, Jake! Fuck me! I know it's gonna hurt like hell... my asshole is so tiny and your cock is so huge and thick! But I don't care, I just don't care! I need it! I want it! I'm ready for my first ass-fuck now, Jake! Do it!"

It worked. Jake stared at his mistress' ass and he whined with excitement. His cock grew harder and thicker. He sprang up and mounted the teenager, digging into her shoulders with his forelegs. Babs felt the furry underside of her dog's body pressing against her naked back, and she shivered with anticipation.

She felt the dog's prick nudging against her cunt, trying to find entry. But he was having trouble this time because the girl was keeping her ass so low to the floor.

"No, Jake! Not my pussy this time! My ass! Here, I'll help you," Babs said thickly.

She reached behind herself with both hands, gripped her ass-cheeks tightly, and hauled them as far apart as she possibly could.

"See, Jake? See that sexy tiny hole? Doesn't that look tempting, Jake? Wouldn't you love to shove your big hard cock right up that little hole? Just think how good it will feel to you, doggy. Just think how tightly it will grip your prick. It'll probably be the tightest fuck you've ever had!"

Jake again tried to push his prick against his mistress' pussy-lips. He whined in frustration, obviously wondering why the young girl was suddenly not letting him fuck into her pussy.

"Oh, Jake, I can see that you need more help," Babs sighed.

She took one hand away from her ass-cheeks. With that hand, she gripped the base of Jake's

quivering cock and guided the throbbing cock-head toward her asshole.

The instant that Jake felt the tip of his cock pulsing against his mistress' asshole, he got the idea. With a loud bark, he thrust his hard cock into her.

"See, Jake? This is my little asshole and I want you to fuck it! It'll feel so good for both of us! All you have to do is — aieeeee! Oh fucking God! It hurts soooo much!" Babs cried, her words abruptly cut off by the painful entry of her dog's cock into her virgin asshole.

She screamed in pain and shock as Jake paused, letting his thick prick rest inside the girl's tiny asshole. Babs' virginal asshole was forced apart painfully around his invading cock.

"Ohhhhh, it hurts even more than I thought it would!" Babs whimpered, tears of agony filling her wide, unfocused eyes.

Jake growled excitedly as he pulled his prick almost all the way out of his mistress' asshole and then rammed it back into her.

"Yeeeeooowww! It hurts! But I love it! I know the pain'll fade and it'll feel really good! Keep it up, Jake! You're doing the right thing! Fuck meeee!"

Jake continued to fuck her ass, thrusting his cock hard and deep into her asshole with each inward lunge. Babs moaned and groaned with pain. Her little ass was on fire from her dog's savage fucking.

A few minutes later, the sharpest of the pains subsided and Babs began to turn on to her first ass-fuck. Jake's huge, hard prick was still ripping her ass apart with a brutal intensity, and it still hurt. The difference was that now Babs was enjoying it.

"Ohhhhh, yessss!" she moaned happily.

Her little pussy began to gush juice out between her swollen pussy-lips. Streams of her thick cunt-sauce dribbled into her ass-crack, nicely and wetly lubricating her cock-stuffed asshole.

"Fuck me!" she shrieked.

Her asshole grabbed hold of his reaming dog-cock as it fucked smoothly in and out of her shit-chute. The dog whimpered and whined with bestial pleasure as he felt her strong ass-muscles tugging at his prick, pulling it deep inside her tiny asshole.

"Yes! Yes! Yes!" Babs screamed.

She began to thrust her ass-cheeks up and back to meet the delicious fuck-thrusts of the Shepherd's thick, reaming cock. As the animal continued to fuck her, Babs felt the electrical jolts of animalistic pleasure shooting through her asshole. Her loins vibrated with excitement.

"I love it! It feels even better than I — more! More! Fuck my ass hard, boy! Fuck it good and haaard!" Babs yelled as she thrust her ass back toward the beast's pistoning prick.

She heard her pet's lust-filled whimpers and growls, and she could tell that he was more turned on than ever before. She knew it was because her ass was the tiniest hole he had ever fucked into. Her ass-walls were clutching his prick tightly, and he loved it.

She shook her ass in a frenzy of bestial lust as Jake growled and fed her asshole his long, thick prick. He shoved his cock into her shit-chute until it was buried balls-deep between her firm ass-cheeks.

The tender walls of the girl's virginal asshole were stretched to the limit around her pet's prick, and she loved the painful but pleasurable sensation.

"Ahhhhh, yesss, that's it, Jake! That's the way to fuck my ass for me! It feels great! Fuck me haaaard!" she yelled, more aroused now than she had ever thought possible.

Jake whimpered excitedly. He had never before fucked his prick into such a tiny, gripping hole, and his entire furry body throbbed with the sheer pleasure of it.

The German Shepherd slid his prick almost all the way out of his mistress' asshole. Then, he fucked it in again to the hilt, his large furry balls slapping lewdly against her ass-cheeks.

"Ungh, yessss, that's it, Jake! Ohhh, God, that feels soooo fuckin' good! It's just what I neeeded!" the young blonde teenager cried, frantically shoving her ass back and forth to keep pace with her pet's violent fucking motions. Each time the dog rammed his cock home, Babs' tiny asshole was right there to meet it, letting him fuck her shit-chute deeply. She writhed and moaned in pleasure, knowing that her orgasm was not far away.

"Yesssss, fuck my ass good and hard, Jake! Just like that! Yes! Just like that! Fuck my ass for me! Fill it with your cum! I want to feel your dog-cum shooting up inside my ass, lover!"

She groaned loudly, thrilling to the feel of her dog's huge, hard cock obscenely filling her little asshole. Her ass-walls were forced to expand with a mingled sensation of pain and pleasure.

"Yes!" she gasped with excitement as the lust-maddened dog continued to thrust his hard prick in and out of her. She could feel the raging heat from his cock.

The young girl clenched her strong, virginal ass-muscles around the beast's cock. Then she unclenched them, letting the big dog-cock pull out of her before plunging back inside her tiny asshole.

The teenager's cunt was pouring cunt-juice into her ass so fast that it completely soaked her dog's prick and trickled down her naked thighs. Jake's cock was swelling against the tensed walls of Babs' ass.

"Yesssss! Shove that big dog-cock of yours up my ass! Bury it to the hilt each time!" Babs shrieked at the top of her lungs. "It feels sooo sinfully good, Jake!"

She could feel her dog fucking powerfully all the way up into her guts, and she shuddered with ecstasy. She squeezed the animal's fat prick with the tight walls of her ass, expertly clenching and unclenching them.

Feeling his orgasm building, Jake began to ass-fuck his mistress even harder now. He increased the pace of his thrusts, plunging his prick hard and fast into Babs' quivering asshole.

"Ohhhhhh, pleeease shoot your juice now, Jake! Shoot! Shoot! I can't wait to feel you coming inside meeeee!"

Jake thrust his cock all the way up Babs' asshole, and ground it in a little circle inside her.

Babs moaned with excitement as she felt her dog fucking her ass. She moaned and groaned with pleasure, hardly able to bear the incredibly intense sensations sweeping over her body.

Suddenly, the dog's loaded balls tightened up painfully against the root of his cock, and she knew he was about to come.

"Ohhhhh, yesss, Jake!" the young girl cried, feeling his prick jerk wildly against the clenching walls of her ass.

She could tell that her dog was about to reward her stretched-out asshole with a delicious load of cum, and she could hardly wait to feel it gushing inside her.

She tightened her ass-muscles even harder about his prick. Her ass-walls crushed down hard on his dog-cock. Babs could feel her pet's prick-meat throbbing deep inside her.

Suddenly, a large, hot wad of dog-cum spurted from the tip of Jake's cock and shot up the teenager's trembling asshole. It was rapidly followed by another wad, until spurt after spurt of the thick dog-spunk was filling Babs' asshole.

"Ohhhhh, yesss! I feel it! All that cum! God, there's sooo much! I love it!"

The thrillingly lewd sensation of her dog shooting his creamy load of jism up her virgin asshole triggered the girl's own orgasm. She gasped as she felt a huge climax crash down on her. As she came, her pet continued to shoot his tremendous load of creamy cum into her.

"Aieeee! Yessss! Commiiinnngg! It feels sooo good, Jake! So does your cum! Ohhhh, God, it's filling me all up! Keep shooting your cum while I come!"

Her bestial orgasm rocketed through her body with incredible force, leaving the teenager breathless and panting hard. But still she wanted more. She thrust her ass back and forth wildly, savoring every erotic feeling as it ripped through her loins. She sobbed with joy as her orgasm continued to pound through her, filling her pussy and asshole with more and more girl-cum. Her cunt-sauce mingled obscenely with Jake's still-shooting dog-cum.

"Ohhhh, soooo good!" Babs moaned weakly, sinking forward onto the floor.

Just before she passed out, she was aware that her dog's cock was still shooting off inside her ass.

~~~~~

## CHAPTER EIGHT

The next day, Babs told her sister Madge all about her late-night sex session with their German Shepherd.

"Then what did you do after you sucked him off and swallowed his cum?" Madge asked thickly.

"I got him to fuck my ass for me!" Babs said with a gleam in her eye.

"I guess what you mean is that you got him to fuck your pussy from behind," Madge said, not sure that she had correctly understood her sister.

"No, Sis, I meant just what I said," Babs said with a grin, enjoying the idea of shocking her big sister. "I got Jake to fuck me right up my ass! It was my first time, too!"

"Good God!" Madge gasped, feeling her little pussy beginning to moisten with her cunt-juices. "Didn't it hurt?"

As she asked the question, she glanced across her bedroom toward the doorway. Jake sat there, looking eagerly from one girl to the other. Madge could see the dog's cock beneath his furry belly. It was hard. It was throbbing. The sight of it made Madge's mouth water and she trembled, wondering how in the world that fat cock could ever fit into her sister's tiny asshole.

"Oh, yes, it hurt like hell!" Babs giggled, following her sister's glance.

"Didn't you mind the pain?" Madge asked eagerly.

"Hell, no, Sis! You know how it is... the pain just makes it more fun when it has to do with sex," Babs explained patiently.

"Yeah, you're right," Madge said, smiling. "I know how it is."

"Talking about this has made me so horny!" Babs sighed, still eyeing Jake's cock.

"Me too. Why don't we do something about it?" Madge said, licking her lips.

"Good idea! Come here, boy! Let's all three of us get it on! Come here, Jake!" Babs cried.

"Yeah, come here, Jake!"

The teenagers quickly stripped as Jake bounced toward them. Babs saw the lust-filled expression in her dog's eyes. She and Madge were both naked now and their tits were firm, their nipples already swollen with desire.

Babs lay back on the bed and thrust her naked cunt upward, shoving her plump pussy-mound up and out in an obvious invitation.

"Mmmmmm, I need my pussy licked!" she groaned.

Madge ran her moist tongue over her lips again as she glanced at her sister's juicy pussy and then at Jake's jutting cock.

"Great idea! Lick her pussy for her, Jake!" the older girl cried.

Babs grinned and spread her legs. Her older sister dropped to her knees beside her and leaned forward, beginning to lick Babs' tits. Her wet tongue slid around the long, swollen nips with a deliberate, teasing slowness. Babs groaned, feeling the sharp ache of lust sweep through her. She lifted her crotch impatiently.

"Come on, Jake! My little pussy's so hot and wet! Lick it for me!"

As the German Shepherd moved between his mistress' legs, she drew her knees up, lifting her pussy still higher by digging her heels into the mattress. Jake lowered his hungry mouth.

"Yes, Jake," Babs hissed at the first touch of the dog's tongue.

She felt his tongue slide slowly up the parted lips of her cunt with a light, feathery touch. Her entire body shivered with bestial pleasure, and she spread her thighs even farther apart.

The animal's tongue moved downward, parting the girl's outer cunt-lips with his probing tongue until it found her pulsing inner cunt-lips. With a hard, relentless pressure, Jake's dog-tongue invaded his mistress' cunt, boring into it.

Jake slowly stroked his tongue in and out of the girl's pussy, making her ass jerk on the bed in ecstatic response. Then, he licked her clit, his tongue lashing all over the girl's exposed cunt-meat.

"God, that feels soooo good, Jake! Eat meeee!"

Her hips thrust up and back in time with her pet's tongue-flicks. Her lust-filled cries turned into moans and gurgles of pleasure as the feelings grew more intense.

She felt her dog's tongue in her cunt and on her clit. She felt her sister's tongue on her aching nipples. The combined sensation took the girl closer to orgasm.

Madge wrapped her lips around one of her little sister's nipples, sucking it hard. Then, she moved her wet mouth to the other pulsing tit and sucked her nipple.

"Ohhhh!" Babs groaned, feeling the pressure of an orgasm building inside her.

Her cunt-walls were throbbing and spilling out a steady flow of thick pussy-sauce which Jake eagerly lapped up with his long, pink dog-tongue.

"Let me lick your pussy while Jake licks mine, Sis!" Babs gurgled a few minutes later.

Madge quickly straddled her sister's head. She lowered her blonde cunt down onto Babs waiting tongue. She ground her twitching pussy around the teenager's stiffened tongue.

Babs felt powerful jolts of pleasure as her dog's tongue continued to lick and fuck her pussy. She hornily tongued out her sister's cunt.

While her little sister ate her pussy, Madge used both hands to squeeze and stroke Babs' tits. She groaned with the delightful sensation she felt from Babs' hot tongue, which was now buried deeply up her pussy.

Jake had his snout buried in his mistress' cunt, ramming his tongue in and out of it. He licked up all the juice which was steadily trickling from Babs' pussy-hole. He growled as he felt the quick shudders of the girl's pussy against his nose and mouth, sensing that she was about to come.

"Come, Sis! Hurry!" Madge panted, her head thrown back and her face flushed. "I'm gonna come! Let's come together!"

"Unhhhhh, yeah, yeah, I'm gonna come too!" Babs squealed, humping her crotch violently up against her dog's licking tongue.

The animal felt the furious churning of his mistress' hips, and the rhythmic clenching of her pussy-muscles about his tongue. He licked the teenager's clit as her pussy spasmed more.

"Ohhhhh, I'm coming!" Babs cried into her sister's gaping pussy, continuing to eat out Madge's shuddering cunt.

"Ah! I'm coming now tooooo!" Madge squealed. "See? We're coming together! That's great!"

Babs gurgled and moaned into her sister's orgasming pussy as the two sisters came together.

"Suck my coming cunt! Suck it hard, you sexy bitch!" Madge cried wantonly.

Babs sucked her sister's cunt for long orgasm-filled moments as the two females came hard.

"I'm taking my pussy away from your mouth now, Sis." Madge said as she slid off of her sister's face. "But now your mouth looks so sad and empty. You need something in it. Close your eyes and I'll bring you a treat."

Babs grinned and closed her eyes, wondering what her sister was up to. She heard Madge whispering to their dog. Then, she felt Jake's tongue withdrawing from her pussy. The next thing she knew, she felt the animal's hard cock pushing insistently against the closed lips of her mouth.

"Oh, Madge!" she cried, her eyes flying open. "This is a real treat! You brought Jake around to my face so I can suck his cock!" Babs eagerly opened her mouth to receive her dog's prick. She whimpered with fuck-lust as she felt the big dog-cock slipping between her teeth. She gently nibbled the fat prick as it slid into her mouth. Then the younger girl felt her sister's tongue thrusting hard into her pussy.

Madge had backed the German Shepherd up over her sister's face so that his lower body was directly above her mouth. Now the dog shoved his hips downward and growled as he felt the girl's palate slide deliciously over his prick.

Babs groaned with pleasure as she sucked her dog's cock farther into her mouth, tugging at it with her lips and cheeks.

Meanwhile, Madge stroked her sister's cunt with her long, thick tongue. Her face was twisted with incestuous passion as she swallowed Babs' delicious cunt-juice.

"Aaarghhh!" Babs groaned, thrilling to the dual pleasure of her dog's cock in her mouth and her sister's tongue in her pussy.

She moaned, giving herself over to the complete enjoyment of the perverse three-way act taking place. Her lips tightened around her dog's prick as it slid in and out of her mouth. Her tongue swirled around the retreating cock-head, sliding and licking as she sucked him with hollowed cheeks. Then, Jake whimpered and drove his hard-on back into her hungry mouth, full length, his heavy balls pressing against her flaring nostrils.

Babs urged the animal on, her fingers digging into his flanks. He steadily pumped his cock in and out of her mouth as she sucked him.

Babs moved one hand to the dog's balls. She cupped the twin globes and rolled them about with gentle, caressing fingers. She felt the heavy load of cum that she knew would soon be shooting into her mouth.

Jake increased the speed of his mouth-fucking, ramming his bloated cock into his mistress' mouth at a furious pace now.

Babs groaned around his pistoning prick. Her cunt was about to orgasm from Madge's steadily fucking tongue. Babs hoped they would all come together.

The young teenager worked her ass in quick, jerking motions, urging her sister to shove her tongue still deeper into her juicy cunt-hole. At the same time, she trapped Jake's dog-cock with just the head between her teeth. She sucked him with hard, fast tugs.

"Ungh!" Babs groaned, feeling his big prick swelling and throbbing in her mouth. She sucked still harder.

Just as Babs' own orgasm forced her ass into a writhing frenzy of fuck-lust, she caught the first thick blast of Jake's dog-cum shooting deep into her throat.

She moaned, swallowing it, savoring the delicious taste and texture of the hot dog-spunk.

While Madge fucked her tongue deeply into her sister's convulsing pussy, Babs milked Jake's prick with her greedy lips, letting him drive his cock all the way down her throat. Jake howled and one last spurt of the tasty jizz spilled into Babs' cum-coated mouth.

The thrill of being sucked off while she herself was sucking a big hard dog-cock overwhelmed the young girl. Her orgasm peaked and struck her with intensity.

"Ohhhhhh, ahhhhh, unngghhh, yehhhh!" she moaned, trembling all over with the savagely powerful feelings of pleasure sweeping over her.

Thick hot cunt-juice shot out of Babs' tongue-fucked cunt-hole, and Madge swallowed it eagerly. The older girl groaned happily as her own orgasm crashed through her. Madge thrilled to the lewd sensation of her little sister's cunt-meat spasming in orgasm around her tongue.

"Nooooo, Jake, noooo!" Babs groaned disappointedly as she felt the German Shepherd pulling his cock from her mouth.

There was no more dog-cum for the girl to swallow, and when she opened her eyes, she fully expected to see that her pet's prick had gone soft. She looked at it and gasped. Then, she grinned, delighted to discover that Jake's cock was still rock-hard and obviously more than ready for a fuck.

"Oh, look, Madge! Jake's got another hard-on! God, just looking at his fat cock turns me on all over again!"

~~~~~

CHAPTER NINE

Madge raised her juice-stained face from between Babs' splayed legs and grinned at her sister. She smacked her lips, relishing the last traces of the younger girl's cum.

"You're right. Jake's cock is still hard! Guess we'll have to do something about that, won't we?"

While Babs watched excitedly, Madge lay on her back, her legs drawn up and parted widely. Jake responded to Babs' push on his haunches, and he immediately trotted over to the older girl.

"Fuck her, Jake! She needs it bad! Fuck your cock into her pussy!" Babs squealed.

The big German Shepherd caught the arousing scent of Madge's musky pussy in his flaring nostrils and he whimpered wildly. Then he hovered over her and drilled his hard cock into her waiting pussy.

Babs shifted her position to watch her pet's prick fuck her sister's pussy. Her pussy was drooling with fresh cunt-juice as her dog's swollen cock parted her sister's slick cunt-lips and slid into her eager cunt.

"Whew!" Babs whistled, watching the folds of reddish cunt-flesh being pulled inward by the pleasure of the mighty dog-cock.

Jake eased his cock deeper into Madge's clasping pussy-hole.

"Ohhhh, yeah, yeah, Jake, you got it! That feels great!" the older girl squealed as she slowly rotated her juicing crotch. Her erotic movement urged the dog-cock to enter her cunt even deeper.

Her tight pussy gripped his gigantic prick with a convulsive shuddering of her cunt-muscles. It made Jake growl with excitement as he thrust his cock deeper into the older girl.

Babs watched it all, licking her lips excitedly.

She felt her own pussy responding to the lewd sight, almost as if it were the one being so deliciously fucked by Jake's cock. She moaned and stroked her own tits as she watched her dog hunching his hips and stroking his prick in and out of Madge's seething pussy.

The rutting animal withdrew his prick from the girl's wet pussy until only its tip remained in her cunt-lips. Then, with a loud bark, Jake plunged forward again, his furry loins slapping against Madge's crotch.

"God, I love watching this!" Babs gasped, lowering one hand to her own crotch and starting to finger-fuck her aching cunt with two fingers.

Madge clutched the German Shepherd's flanks, pulling him downward as her own ass wriggled upward. Her cunt eagerly embraced his hard cock with a thrilling wet suction.

Babs saw that her sister was panting harshly now, and she guessed that the older girl was going to come soon. Her own pussy was trembling violently about her reaming fingers, and she knew she would soon feel another powerful orgasm.

The younger girl thrust her fingers deeply into her cunt-hole, squeezing them hard with her cunt-muscles. She moaned with excitement, feeling cunt-juice seeping from her cunt. Watching her dog fuck her sister turned the youngster on incredibly.

"Fuck me haaard!" Madge screeched, writhing erotically on the bed.

Babs saw her dog's prick slam hard into her sister's cunt, burrowing deeper. And she saw it withdraw only an inch or so before ramming into Madge again, hard and fast. Madge's hips quivered and jerked.

"God, I'm gonna come now!" Madge screamed, her face twisted with lust. "Here it comes! Yeah! Commmmiinnggg! Aaaaaah, sooooo good!"

Jake barked and pumped into the orgasming girl hard and deep as he came with her.

"Wow! You're both coming now! I can see it!" Babs squealed, watching the foamy dog-cum backing up out of Madge's cunt and running down the girl's quaking thighs. Babs could also see her sister's pussy-juice pouring from her well-fucked pussy with the dog-spunk.

Jake finished shooting his load and he backed up, withdrawing his prick from Madge's cum-running cunt.

"Ohhhh, that felt good!" the older girl groaned, closing her eyes and struggling to catch her breath.

"Awww shit, I'm so frustrated! I didn't come!" Babs wailed. "I was going to, but then Jake came and stopped fucking you. And I didn't get that extra thrill I needed to push me over the edge!"

Madge propped herself up on both elbows and gazed down at the dog who had just fucked her. Then

she grinned.

"Looks like Jake's got just what you need to give you that extra thrill so you'll come."

"What? What do you mean?" Babs asked, looking at her sister with a puzzled expression.

"Look at his cock!"

"His cock is still hard! This dog is amazing!" Babs cried excitedly. "Now he can fuck my ass and make me come."

"You're gonna let Jake fuck your ass?" Madge asked dazedly, beginning to sit up now with renewed sexual interest.

"I'm not just gonna let him ass-fuck me, Sis," Babs said thickly. "I'd beg him to do it for me! You have no idea how good it feels to have that fat dog-cock up your ass! Now, you can help me get ready for that dog's cock."

Babs lay face down on the bed and spreading her legs wide. She felt her little asshole puckering between her trembling ass-cheeks as she thought about being fucked in the ass.

"What do you mean? How can I help?" Madge asked, eyeing her sister's asshole hungrily.

"I need you to get my little asshole all nice and wet for Jake's cock. That way, he'll be able to fuck into me faster and easier and it won't hurt so much either."

"But what should I use to get your ass wet? Should I get the jar of Vaseline from the bathroom?" Madge asked naively.

"Well, we could do it that way. Or you could use your tongue," Babs said, grinning.

"Oh wow! I hadn't thought of that! Yeah, let's do it that way!" Madge said, kneeling behind her sister's ass.

Her head lowered and her little sister whimpered with pleasure as she felt Madge's wet tongue beginning to bore into her tight asshole. It wriggled and twisted its way in.

Babs felt the wetness of her sister's saliva soaking her asshole. The tongue in her ass grew more demanding, moving deeper inside and wriggling and circling about lewdly, arousing Babs powerfully.

Instinctively, Babs' hips pushed back, lifting her ass to receive the girl's probing tongue. Every nerve of her sensitive ass-walls responded excitedly to her sister's deep tongue-thrusting.

"Okay, I guess that's enough. I've got your asshole soaking wet now," Madge groaned, lifting her face from between her sister's ass-cheeks.

"Thanks, Sis," Babs said, laughing softly at the note of disappointment in the older girl's voice.

Madge reluctantly moved away from her sister's ass and sprawled next to her on the bed, stroking her wet pussy while she prepared to watch the German Shepherd ass-fucking the younger girl.

"Okay, Jake!" Madge said thickly. "She's all yours now. Fuck her ass!"

Jake barked and moved rapidly between his mistress' widely spread legs. Babs reached behind her with a little moan and gripped her ass-cheeks in both hands, opening them up lewdly to the dog's cock.

Jake moved forward until the slitted tip of his prick was pressed against the little circle in the cleft of the girl's trembling ass. Then he pressed down, whining at the same time.

"Ohhhh, yessss, Jake, fuck my tight little asshole!" the young teenager cried.

Her body jerked and her legs stiffened as she felt the big, throbbing head of the animal's cock popping past her outer ass-muscles. The huge prick slipped easily on into her asshole.

"Lucky dog!" Madge said, flicking her lips excitedly as she watched the thrilling bestial action wide-eyed. "Your little ass is just made for fucking!"

Suddenly, unable to stay out of the wanton act taking place before her, Madge scrambled to her knees and crawled over behind the big German Shepherd. As Jake shoved his prick into Babs' trembling asshole, Madge shoved her tongue into the crack of his doggy ass, finding his asshole with one skillful lick. She bored the tip of her tongue into the animal's asshole, and Jake growled with pleasure as he finally shoved his cock full-length into Babs' horny asshole.

"Yesssss! Aieeeee!" Babs screamed.

She squeezed her strong ass-muscles around her pet's invading prick. The big dog-cock felt as large and thick as a battering ram inside her ass. It was hot and thick, and pulsing with animalistic desire.

Jake whimpered as he began to fuck the young girl. He withdrew his cock from her hot, lewd ass-grip, until only his bloated cock-head was trapped in Babs' spasming clutch. Then he eased his fat prick in again, creating friction against her tightening ass-walls and sending thrills through the teenager's body.

Babs moaned excitedly. Her ass responded to the steady pistoning of her dog's prick with increasing pleasure. She felt a hand moving beneath her belly.

"Yeah, go for it, Madge!" she cried, lifting her hips and allowing the older girl's fingers to find Babs' pussy-slit. Madge dipped her fingers into Babs' pussy, stroking it hard from the first moment.

"Ohhhh, yesss, it feels soooo good! Fuck my ass, Jake! Rub and squeeze my pussy, Madge!" Babs squealed.

Jake rammed his cock home and began to fuck his mistress with a steady pumping movement. His cock slid in and out of her asshole with increasing pressure, each pumping fuck-stroke harder and deeper than the one just before it.

Meanwhile, Madge was massaging her little sister's clit. She thrust two fingers into the wet fuck-hole of Babs' pussy. At the same time, Madge continued to lick and suck on Jake's exposed asshole. Hearing the lewd wet sounds, Babs turned on even more.

Jake barked excitedly as he continued to fuck his mistress' ass. He felt Madge's tongue shoving in and out of his ass, and his entire body quivered.

"Ohhhhhh, God, this feels sooo fuckin' good!" Babs cried.

The big dog-cock moving in and out of her ass seemed to blend with the caressing and thrusting fingers in her pussy. She moaned, her pussy spewing out a steady stream of cunt-juice. The thick cunt-sauce ran into the crack of her ass, too, where it soaked the animal's rutting prick.

Babs worked her ass up and back to meet her dog's steady cock-thrusts. She tightened her ass-muscles before letting him withdraw, only to drive inward again, hard and deep.

"Unngggghhh, yesss, fuck me haaard, Jake! You're fucking my little ass soooo Goddamned good!" she cried lustily.

Jake barked, as thrilled by the sound of lust and pleasure in his mistress' voice as by the obscene ecstasy of her tightly squeezing ass-muscles around his prick.

"Yeah, keep fucking me hard and fast until we both come, Jake!" Babs hissed between clenched teeth. "Ooooh! And your fingers are fucking my cunt so fantastically, Madge! Keep doing that! And rub my clit harder! Both of you — make me come!"

Jake bent the top part of his body over the girl's naked ass. His hips pounded his engorged cock into her clutching ass.

Madge continued to strum the younger girl's clit with one finger while thrusting two fingers in and out of Babs' clenching pussy-hole.

Jake's prick suddenly lurched wildly against the walls of his mistress' ass.

"He's gonna come!" Madge cried excitedly, her mouth still pressed against the dog's asshole.

"Yes! I know! I feel his cock jerking all over inside my ass! I can't wait! I want to feel his dog-cum shooting up my asshole!"

As the dog's thick cum exploded into his mistress' ass, Babs' own orgasm blended with his in a climax which left the girl gasping with pleasure. As waves of bestial orgasm crashed down on her, Babs felt her pet's jism continuing to spurt deeply into her convulsing ass.

Madge groaned against the dog's asshole. She stabbed the full length of her tongue deeply into his asshole, feeling it shudder uncontrollably against her mouth as the animal continued to come.

Suddenly, Madge felt her own pussy explode in orgasm. She wrenched her mouth away from Jake's quivering ass so she could scream loudly as she came, her fingers still fucking in and out of her sister's climaxing cunt.

A short while later, Jake was asleep, his cock finally having gone soft. He was curled up in a ball in the middle of the big bed, with the two teenagers on either side of him.

"Well, looks like he's out of commission for now," Madge said sadly.

"Yeah, guess so," Babs sighed. "But Jake's entitled to a rest after everything we put him through. Let's take a little nap ourselves. Then, by the time we wake up, maybe his cock will be hard again, and we can have some more fun!"

~~~~~

## CHAPTER TEN

Babs and Madge slept almost two hours. When they awoke, they saw that the big dog was awake, his tail slapping vigorously against the bed. Babs moaned softly when she recognized the sex-hungry look in her pet's eyes. She knew without a doubt that the handsome German Shepherd was ready for more action with the two girls.

"Hey, you were right, Sis!" the older girl squealed. "Jake's got another hard-on!"

"Yeah, so I see," Babs said softly, feeling her cunt growing moist with renewed bestial lust.

"I've got a great idea! Be right back!" Madge suddenly cried, springing up from the bed and dashing naked from the bedroom.

Babs fondled Jake's dog-cock while she waited for her sister to come back. She stroked the entire length of the animal's stiff prick, feeling it pulse beneath her touch.

"Oh, Jake, you're really horny now, aren't you?"

Jake whined in response. He had awakened a short time before the girls had. Now he was filled with fresh energy and a raging desire to fuck.

Babs spread her legs wide, feeling an erotic heat escaping from her cunt.

"You look so sexy like that, Sis!" Madge said with a grin, returning to the bedroom with a carton of milk in one hand and a container of whipped cream in the other.

"Thanks," Babs responded, her eyes on the objects in her sister's hands. "What are those things for?"

"You know Jake," Madge laughed. "He's always trying to get some of our dessert after dinner."

"Yeah, he's got a real sweet tooth, all right!"

"Right. And you know how much he loves milk," Madge said, still grinning.

"Oh, yeah, he loves milk, but we don't let him have it too often. Dad says it isn't good for him."

"Right. So if he could have some milk now, it would be a real treat for him," Madge said, putting the milk and whipped cream down on the table next to the bed.

Then, she sprawled naked on the bed next to the German Shepherd. Babs was still fondling his cock and balls.

"Yeah, it would be a treat all right," Babs said. "But why worry about food now? I mean, I thought we were gonna fuck with him!"

"Oh, Sis," Madge said with a little laugh, "sometimes you are so naive! Don't you get it? We're gonna use this milk and whipped cream to really turn this dog on! We're gonna fuck all right! And these things are just gonna make it more fun!"

"You mean..."

"Yes. After all, if Jake likes to suck pussy, and you know he does — and if he likes to eat milk and whipped cream — just think how much he'll get off on eating that milk and whipped cream off of our bodies!"

"Wow!" Babs said huskily as she took in the full meaning of her sister's words.

She felt her pussy quivering with excitement.

"Lay back on the bed now, Sis," Madge ordered, reaching for the whipped cream.

Babs obeyed at once, eager to find out all about this new way of making it with her dog. She spread her legs and arms wide in a gesture symbolizing her complete surrender to the lust that pounded through her loins.

Madge giggled as she sprayed a small glob of the thick cream on one of her sister's nipples.

"Ooooh! Cold!" Babs said with a little giggle of her own.

Jake watched the two girls with a great deal of interest.

Madge sprayed another dollop of whipped cream on her sister's other nipple. Then, while Babs moaned and whimpered softly, the older girl sprayed some of the whipped cream down from Babs' tits, over her flat tummy, and down to her crotch.

Babs gasped, feeling the sweet cream on her pussy-mound, coating her pussy-fur. She moved one hand down to her cunt, beginning to stroke her clit.

Her sister continued to spray the whipped cream over her body, now on her naked thighs. Babs moaned, thinking that those spurts were like the spurts of pussy-juice pouring out from her aroused cunt.

She continued to pull and stroke her clit, feeling her pussy grow wetter with her own cunt-juices. She spread her legs wider, lost in lust. She heard Jake's excited whimpers and her own moans, and she rubbed her clit harder.

Madge sprayed a glob of whipped cream directly onto her sister's pussy-slit. Then she put the container back on the stand and knelt beside Babs, panting hard with her own lust.

"Go on, boy!" she called to Jake, whose entire body was trembling with sexual anticipation. "Eat!"

Jake moved forward and Babs groaned as she felt the dog's mouth on her, beginning to eat the sweet, delicious cream. Jake started with his mistress' tits. He moved his lips and tongue over one of her nips and licked up the tasty cream, swallowing it eagerly.

Babs heard the dog slurping and licking and swallowing loudly, and the lewd sounds aroused her. Even after her nipple was clean, the horny German Shepherd continued to lick it, his rough tongue scraping it raw.

"Yeow!" Babs squealed but then she laughed, loving the mix of pain and pleasure.

Still kneeling next to her sister, Madge laughed too. She moved one hand down between her legs and began to fondle her own pussy while she watched the erotic action between her sister and the dog.

Now, Jake moved his mouth and tongue to the girl's other nip, starting to lick up the whipped cream there. Jake whined with excitement and pleasure as he lapped up the sweet cream. And, again, he continued to lick the sensitive nip even long after there was no more cream on it.

"Ohhhhh, yesss," Babs hissed between clenched teeth, again feeling the lewd sensation of her pet's dog-tongue scraping her nipple raw.

Jake moved his head down, working his tongue over the younger girl's tummy, lapping up every trace of the thick, sweet cream. As his mouth moved closer to Babs' cunt-mound, to the pussy hair that was thick with whipped cream, she sighed, trembling with anticipation.

"He's almost there, Sis! Just hang on! He'll be licking your pussy in a few seconds now!" Madge groaned, stroking her clit and knowing that she would be coming very soon.

Her body tensed as she tugged on her clit, feeling her own pussy-juices flooding into her pussy.

"Oh, Sis, this was a great ideal! It feels so good!" Babs moaned, writhing beneath her pet's licking tongue.

"Yeah, yeah, I'll just bet it does!" Madge responded eagerly.

The older girl decided that if not that day, then some time soon, she would be the one lying there naked, covered with whipped cream, while the big dog licked it off of her.

"Oh! He's touching my pussy with his tongue now!" Babs squealed as she felt her pet's tongue on her pussy-mound, eagerly scooping up all the whipped cream and swallowing it.

Babs heard her dog whimpering with lust. She knew that her pussy tasted even sweeter than usual, thanks to the thick cream, and she felt glad that she was able to give her loving pet such a special sweet treat.

Jake's tongue was running up and down the length of Babs' pussy-slit now. Babs gasped, feeling his rough tongue against her pussy-flesh. He licked up all the cream and then moved down her thighs. When every trace of whipped cream was gone, Jake sat back on his haunches, smacking his chops.

"You didn't get to come, did you?" Madge asked with concern.

"Nooooo, and Jake stopped licking meeee!" Babs whined woefully. "Do something! I've gotta come!"

"Don't worry, Sis. I'll take care of it!" Madge said with a sudden grin. "Hold your pussy-lips open as wide as you can!"

"What?" Babs asked dazedly, not understanding what her sister had in mind.

"Don't ask questions, not if you want to come! Just do what I say! Grab your pussy-lips with both hands and spread them wide!"

Madge reached for the container of whipped cream again.

"Okay, okay," Babs said, a little offended by her sister's impatient tone.

But she did what she was told, knowing that she could count on her sister to help her come. She gripped her pussy-lips, her fingers slipping on the slick pussy-juice that coated them. Then she spread them far apart.

"Good girl," Madge murmured, squirting a big glob of whipped cream directly on her sister's clit.

"Yeegawwwdd!" Babs squealed, feeling the cold cream coating her clit.

"Now we'll just see what happens when Jake gets a whiff of that whipped cream. Keep your pussy-lips open so he can smell it, Sis!" Madge said, returning the whipped cream container to the bedside stand.

Jake sniffed the air, trying to determine where the tempting aroma was coming from.

"Here, boy, right here!" Babs cried, hauling her pussy-lips even wider apart.

Jake lowered his head and his tongue shot out. He licked the whipped cream all up from Babs' clit and then, just as he had done with her nipples, he continued to lick her hard.

"Commmiiinnnggg!" Babs screeched, gasping with pleasure.

Her entire body tossed on the bed as she came, her pussy-juice flooding her pussy and running down her legs. Jake licked all of that up, too, his tongue moving from her clit down to her thighs, and then back up to her pussy again.

Madge started to play with her own pussy again until she came, too.

"I'm commmimnnnggg toooo, Sis!" she yelled, waves of orgasm sweeping through her body.

Jake whimpered lustily, continuing to lick his mistress' cunt. He felt her spasming in orgasm against his tongue and lips, and he whined hornily, his cock growing harder and thicker.

Babs squealed with excitement and humped her pussy up high, arching her back at the same time. He continued to lap at her pussy while the teenager thrust her crotch up against his, her pussy-juices coating his long, pink tongue. Babs wrapped her legs around the animal's furry haunches.

Jake made wet, lewd slurping sounds as he licked the youngster all through her orgasm. Babs squealed and trembled. Madge watched the whole thing, her own orgasm leaving her breathless.

The instant Jake pulled his mouth away from Babs' pussy, Babs sprang up. She pushed her sister down onto the bed, making her sprawl onto her back, as she reached for the carton of milk.

"Your turn, Sis!" Babs cried.

"What are you..."

"No questions! Just lie there and enjoy!" Babs said with a grin, knowing that Jake was sporting a delicious-looking hard-on beneath his furry belly.

Babs raised the opened carton of milk high above Madge's body. She tipped the carton and poured some of the milk onto her sister's tits, then her tummy, and finally her pussy. She poured an especially large amount of the creamy milk directly on Madge's pussy. At the same time, the older girl spread her pussy-lips wide with both hands so that the milk coated her inner cunt-meat and her clit.

"Ooooh! That feels so obscene! I love it!" Madge squealed, tossing and jerking on the bed.

"Do it, boy!" Babs cried, moving back from her sister. "Lick the milk all up, Jake!" Jake's nose quivered with excitement as the dog smelled the milk. He barked once and then moved in between the older girl's legs, swirling his tongue all over her milk-coated nipples.

"Yesssss!" Madge hissed. "That's sooo good!"

"It looks good," Babs murmured, thinking how sexy her sister looked with the rivulets of milk flowing down her naked body.

Babs sat back on her heels, stroking her pussy with both hands while she watched her dog licking the tasty milk off her sister's body.

Jake whimpered with pleasure as his tongue moved from the older girl's tits down to her tummy and finally to her cunt. He lapped up all of the milk covering her cunt-mound. Then, while Madge continued to keep her pussy-lips wide open for him, Jake swished his tongue all over her inner cunt-meat, focusing on her milky clit.

"Yeeeeeeowww! I'm coming!" Madge squealed, lifting her ass up from the bed and humping her orgasming crotch up against the German Shepherd's mouth and tongue.

Babs watched her sister orgasming beneath the animal's obscenely licking tongue. She fingered her clit and felt her entire pussy shudder uncontrollably as her own orgasm crashed through her.

"Commmiinnggg!" Babs cried loudly as she collapsed forward, across her sister's shaking body.

~~~~

CHAPTER ELEVEN

After the thrilling three-way fuck with their dog, Babs and Madge took another nap, a briefer one this time. A short time later, the ringing of the telephone awakened Madge. When she answered it, she was delighted to discover that the caller was a boy she had had a crush on for a long time. He asked Madge out and she eagerly accepted. She showered and dressed and left a note for her sister, seeing that Babs and Jake were still asleep, side by side.

When Babs and Jake awoke later, the young girl read her sister's note. Then she turned and grinned at her pet.

"Well, I guess it's just you and me now, Jake! Think we can handle it?" Babs said teasingly, eyeing the dog's hard-on.

Jake barked and thumped his hard-on against the bed.

"Not to worry, Jake. Babs will take good care of you," Babs said softly, scrambling up onto her knees.

The dog was on his side, and now Babs reached for his massive cock. It was long and thick and hard. The naked youngster grabbed it, curling her fingers around the fat, furry base.

Babs' hot little tongue flashed out, hungry and wet, lashing at the sensitive head of the dog-cock.

Jake panted. He stared up at his mistress with lust-glazed eyes as her pink tongue swirled around the swelling, purplish head of his prick.

Babs moaned happily. She used her tongue to coat every bit of his bulbous cock-head with her hot saliva. She licked him over and over, feeling his prick growing in her fist, pushing her fingers wider and wider apart. His dog-cock grew longer and more swollen, throbbing lustily in her hand.

Jake's entire body shuddered with bestial ecstasy.

The young girl saw thick globs of dog-cum oozing from his twitching piss-slit, and she went for them

hungrily. She lapped them up with her tongue, gobbling them down greedily. She drooled all over his taut prick-head as she swallowed his creamy spunk.

She glanced down at her pet and saw his nostrils flaring and his eyes hot and glassy with excitement. She opened her pink lips very wide now, and started moving them down around the gigantic purple knob of cock-meat. Her lips were stretched by the dog's huge cock. She inched more of his cock inside, and Jake gave a powerful shudder.

Babs stuffed about half of the dog's cock into her horny mouth. Then she drew her cheeks inward and started sucking. It made an obscene wet sound that echoed through the room.

Jake's eyes rolled back and then closed. He slumped back against the bed and panted hard. His cock throbbed wantonly on his mistress' tongue.

Babs could tell that she had her pet right where she wanted him, half out of his mind with horniness and ready to try anything she wanted. She sucked sensuously on his wildly pulsating prick, arousing the German Shepherd to a fever pitch. She sucked the delicious pre-cum out of his piss-hole and swallowed it with a greedy groan. She felt, as usual, as if she could go on sucking his dog-cock all day.

As Jake whimpered and writhed beneath her, Babs sucked his cock faster, more greedily, drawing the delicious pre-cum from his prick-head and gobbling it down.

Babs groaned, going into high gear now. She sucked his dog-cock fast and hard, pumping her little fist up and down his violently throbbing cock-shaft. She knew that her dog was close to coming, and she drooled over his cock-meat as she anticipated a whole steaming mouthful of his thick jism.

Her little pussy twitched and jerked wildly, spurring her on. She gave a long hard suck on Jake's cock.

The animal yelped and began to come.

Babs gurgled blissfully as the dog pumped her mouth full of his thick, tasty cum. She let his cum collect in her mouth, savoring it, until her cheeks threatened to burst. Then she gulped it down eagerly as the animal sank back against the bed.

"I made you come, boy. Now it's my turn to come."

She stretched out on her back, bent her knees, and opened her thighs wide, showing Jake the moist pinkness of her pussy. She shivered with erotic excitement.

Jake sprang to his feet at the sight of her naked, exposed cunt. He scooted between her spread thighs.

"Ahhh, yesss!" Babs sighed when she felt her dog's hot breath on her pulsing pussy-slit.

She dug her fingertips into the bed-clothes as she felt the dog's nose prodding the lips of her pussy open more, exposing the juicy red bud of her clit.

Jake's head dipped down.

"Ohhhhh, yessss!" Babs hissed as she felt the electric contact of her dog's tongue on her sensitive clit.

Jake flicked his tongue over the girl's clit, giving her little stabs of pleasure.

"Ohhh, that feels soooo good, boy!" she groaned. "Keep doing that to me, Jake, yes, just like that, don't stop, don't ever stop licking my clit like that!"

She kept her legs wide open, offering the dog her entire creamy slit. Jake swirled his tough tongue over every bit of her exposed cunt-meat. But he always returned to Babs' clit, more than any other part of her pussy. He lashed her stiff clit with his wet tongue, bringing the blonde teen closer to orgasm.

Babs moaned, her young face twisted into a grimace of lust. She clawed at the bed with her fingertips.

The German Shepherd was bringing her swiftly toward orgasm. Greedily, she tried to prolong the pleasure.

"Ohhhhh, that feels sooo fuckin' good, lover!" she howled hornily. "I just love it!"

She honestly didn't believe that the feelings her dog's tongue was giving her could possibly get any better, but they did. Jake tongue-lashed her super-sensitive clit until she was whimpering incessantly, on the very brink of orgasm.

Then, just as she was about to come, the dog took his tongue off her clit, trailing his wet tongue deeper between her legs, probing into the very depths of her pussy.

"Ohhhhh God, Jake, you're driving me crazy!" she moaned, her voice hoarse with sexual excitement.

The dog glided his tongue inside her cunt, stuffing the starved little cunt with his juicy hot meat.

"Aieeeee!" Babs screamed in ecstasy, her body almost flying off the bed. "Yessss, fuck me with your tongue, boy! Fuck me hard until come!"

The big dog hammered his tongue into his mistress' slick cunt, fucking her with it.

"Ohhhh, unnhhh!" Babs whimpered. "Aaarghh, that's it, boy, that's it, you're making me come now!"

Jake continued to tongue-fuck her through her wracking orgasm. She came powerfully, soaking her dog's furry face with cunt-juice. Long moments later, she flopped back, sighing.

Jake raised his juice-smeared snout from his mistress' pussy and licked all of the delicious cum from his mouth.

Babs scrambled up onto her hands and knees, wriggling her ass before the panting German Shepherd.

"Time to fuck me now, Jake! Fuck me haaaard!"

Jake moved up behind her. Then he leaped up, planting his furry forepaws on her shoulders. Babs grinned and rubbed her naked ass against the animal's stiff cock. She could feel his hot, sticky pre-cum smearing her ass.

With a horny cry, she reached back, grabbing his dog-cock, and stuck it between her legs. She glanced down and groaned when she saw the swollen purple head peeking out under her golden cunt-bush. Still groaning, she rubbed her creamy pussy back and forth over his prick-flesh.

Jake's eyes glazed over as he felt his mistress' cunt creaming heavily against his throbbing cock. He drew back a little, popping the engorged head of his cock into her cunt-hole.

"Yessss, Jake," Babs gurgled, "get into me, lover! Give me every single inch of your hard cock!"

The animal fucked his prick slowly into her from behind. Babs kept her thighs parted widely, glancing down to see his fat cock entering her.

The German Shepherd's fat cock spread the girl's golden-furred pussy-lips wide, then sank steadily into her steaming depths. His thick prick forced out her cunt-juice, and the wet liquid trickled down her thighs.

"Yeah! Gimme all of it!"

Her features were twisting into a lusty grimace. Her large nipples hardened into long, stiff nubs as her arousal grew. At last she felt the head of her pet's prick butting up against the back wall of her pussy, and more cunt-juice ran down her inner thighs.

"Ohhhhhh, yesss, Jake! You're all the way inside me now! I love it!"

Jake growled. He started pistoning his cock in her boiling pussy. Babs lowered her head as much as possible and looked beneath her body. It gave her a special lewd thrill to watch herself being fucked. Her eyes were focused eagerly on the animal's pistoning prick.

"Ahhhhhhh, yesss, yesss, for God's sake, keep fucking me, Jake! Hard! Deep!"

The German Shepherd was just as savagely aroused as his mistress. He plowed his rock-hard cock deep into her sizzling pussy. As his excitement mounted, Jake fucked into Babs' cunt faster and harder. Her body shook from the hard blows. And her big tits wobbled and bounced below her chest.

"Ohhhhhh, this is too much! I'm gonna come soon!"

She squeezed the dog's cock hard with her pussy-muscles. The animal fucked into her even deeper. The teenager's tits were shaking lewdly. Hot cunt-juice poured down her thighs.

"Ohhhhhh, fuck it to me, lover! Make me come! Your big dog-cock feels soooo fuckin' good in my pussy, Jake!"

Babs knew that she was about to come. She could feel Jake's cock jerking about wildly inside her pussy, and she knew he was going to come too. She wanted them to come together.

Sensing that Jake was just a little bit ahead of her, she lowered one hand between her legs. She found her clit at once, took it between her fingers, and squeezed it.

Babs moaned, feeling little sparks of pleasure from her clit. She moaned again, her eyes rolling as she hurtled toward orgasm along with her dog. But she kept her eyes open so she could look down between her legs and watch her dog and herself as they came together.

She didn't have long to wait. But to her surprise, she began to come before Jake. The double stimulation of her cunt and clit caused a gigantic orgasm to crash through her. Hard spasms of erotic pleasure shook her body violently. Thick cunt-juice spurted out around Jake's plowing prick.

"You're making me come! I'm coming hard, Jake!" she gasped. "Unngghhhh, it feels sooo damn good!"

The German Shepherd howled when he felt the girl's pussy shuddering in orgasm against his prick. He hammered his prick all the way into her and unloaded.

"Ohhhh, yesss!" Babs whimpered as she felt the dog's cum overflowing from her cunt, wetting her thighs.

She looked down between her quivering legs and saw his thick dog-cum raining down her thighs, wetting the sheets below.

"Ohhhh, it's sooo good, Jake!" she howled.

At about the same time that Babs finished coming, she felt his dog-cock stop spurting cum into her pussy. She sighed, thinking that this fuck session was over.

But, as she began to pull forward to slip her pussy off of her pet's prick, Jake growled savagely and dug his claws into her naked shoulders.

"Jake! What's gotten into you?" Babs asked in surprise.

But then she felt his cock stirring inside her and she realized that, even though he had just shot a huge creamy load into her, his dog-prick was still hard. "You're still hard! You're not finished fucking, are you?"

Jake barked excitedly.

"Okay, boy, if you wanna fuck me some more, I'm all for it! Do it, Jake! Fuck me again and shoot another load of dog-cum into my pussy! And you can make me come again too!"

Jake whimpered as his steel-hard prick hammered in and out of the girl's slippery pussy-flesh. His hugely swollen cock stretched her pussy-walls wide.

"Unnnhh, yeah, yeah, you're amazing, Jake, really amazing!" the teenager gurgled with delight. Her cunt-sauce soaked into his rutting dog-cock.

As the horny dog plowed his stiff cock into her, Babs writhed hornily beneath him, eagerly taking his cock as deeply into her pussy as she could get it. She was filled with admiration for the lusty animal who was already fucking her with a rock-hard cock again after shooting so much cum inside her.

Babs gasped hoarsely as she felt her entire pussy being completely stuffed with his hard cock-meat.

She tightened her pussy-muscles around his pistoning prick, moaning in ecstasy all the while. Her pussy was gaping open, fully accessible to his dog-cock.

"Yes, Jake! Fuck it to me, lover! Fuck me good and hard until we both come again!"

Jake continued to plow his prick in and out of his mistress' seething pussy, fucking her harder with each plunge of his cock.

Babs' slender hips jerked back to meet each fuck-stroke. The animal was fucking her so hard now that her entire body shuddered with the violent impact. She loved the way her dog was fucking her. She felt his prick-shaft rubbing against her clit as he fucked into her.

"Ohhh, shit, it feels sooo delicious!"

Jake panted as he continued to plunge the full length of his hard prick in and out of the girl's juice-filled cunt-hole.

Suddenly, Babs rose up, lifting the upper half of her body from the bed. She let her head loll back, but kept her body arched up against Jake's. She felt lewd blasts of erotic pleasure in her cunt, and her clit trembled violently.

She saw her pet's big head hovering over her shoulder. With a little moan, Babs turned her head and met the animal's lust-filled gaze.

"Kiss me, Jake!" she panted, sticking her tongue out. The dog whined and licked his mistress' tongue with his own.

Babs moaned with pleasure. She pulled her tongue back into her mouth when their bestial kiss ended. She felt Jake's doggy claws digging hornily into her shoulders and she quivered with excitement. She could feel the furry underside of the German Shepherd's body press harder against her back.

"Unghhh, you're making me feel so horny! So good! Keep it up, Jake! Keep fucking my little pussy for meeeee!"

Her cunt threw out more cunt-juice as the dog fucked her harder and deeper.

"Yeah, that's it, Jake! Fuck me harder! I'm almost there! Fuck me soooo haaard!" the teenager whimpered.

The German Shepherd fucked the girl faster and harder now. His prick slid in and out of Babs' pussy-hole with violence.

"I love it! I love it! More! More! Keep fucking me hard!"

As the randy animal continued to fuck her hard, just the way she loved it, Babs clasped his prick-meat with her strong pussy-muscles, holding it tightly against her tensed cunt-walls.

The dog was fucking his mistress with lightning speed. His cock blurred as it raced in and out of the depths of the teenager's squeezing pussy-hole. Each time his big cock slid into her, Babs felt it rubbing deliciously over her clit.

"Aieeee! That's great! I'm gonna come in a minute, Jake! I want you to come with meeee!" the youngster whimpered hornily, feeling the very beginnings of a powerful orgasm.

She closed her eyes and thrust her ass back hard to meet Jake's dog-cock.

"Yessss! This is it! I'm commmiiinnngg!"

The dog's cock continued to jackhammer into her as she came just seconds later, the animal exploded an enormous load of dog-cum into her spasming pussy.

"Unhhhhhh! You did it, Jake! Now we're coming together!"

This was the most and intense orgasm yet. Her entire body responded, shuddering uncontrollably as more and more dog-cum splashed into the depths of her quivering pussy.

"Ohhhh, Jake, I'm glad Madge left us alone! It's you and me from now on, Jake! You're all I need to

be happy! You and your big fat cock!" Babs shrilled as she came again.

THE END
