BEASTIALITY STORIES

Sierra Jennings got off the bus and walked towards her house. At 18 years old, she was in her final year at Roosevelt Franklin High School. She couldn't wait to get inside and take off her clothes. Her nipples were hard and her panties were wet from thinking about the men that she may be masturbating with while on video chat. As she opened the front door, she headed straight upstairs to her bedroom. She removed her uniform to reveal her beautiful teen body. At 5'5" and 34-24-34 figure, she was one of the most popular girls at school.

Sierra eagerly grabbed her laptop and logged to the video chat website. She started her stream and instantly 270 horny men were waiting for her to log in. She smiled and waved at the camera, knowing that they were watching her every move. Sierra then sat back and waited for a private message from one of her regulars.

It didn't take long before a message popped up. The message read "Hey Sierra, can you masturbate for us?" one of her audience members asked. Sierra loved pleasing the men on her chat. She slowly spread her legs and pulled her panties to the side, revealing her shaved pussy. Sierra ran her fingers over her clit, moaning as the sensation filled her body. She could see some of them masturbating with her, but there were not enough screens to see everyone. By this time, her audience was now up to 488 men watching the high school student masturbate.

"Are you getting turned on by seeing me like this? Am I a hot slut for you?" Sierra asked seductively. "Yes Sierra. You're so fucking hot! We all want to see finger your ass." A member messaged her. "Oh yes, I want you to finger my tight ass." Sierra said as she slid two fingers into her wet pussy and moaned. She then licked her middle finger and slowly rubbed it against her asshole.

Sierra was feeling very horny, so she decided that it was time to get her favorite toy. Sierra reached under her bed and pulled out her dildo. It was a black 10 inch dildo. She licked it all over, making it nice and wet for her asshole.

She then laid on her back and spread her legs wide. She could hear the men in her audience gasping as they watched her slide the dildo into her ass.

"Mmmm...I love the feeling of a big hard cock inside of my ass." Sierra moaned as she moved the dildo faster. She loved showing her ass to her audience. She could tell that they were getting close.

"I want you to cum in my mouth!" Sierra said, wanting the men in her audience to cum on her face and in her mouth.

Sierra then rolled over onto her hands and knees. She started fingering her pussy, tasting her sweet juices. Then she reached back and inserted the dildo into her asshole.

"Mmmmm...I want your cock in my mouth! Fuck my ass harder!" Sierra moaned as she fingered her pussy.

The men in the audience were stroking their cocks furiously as they watched Sierra finger and fuck her ass.

"I'm going to cum!" Sierra screamed.

As she reached her climax, she could hear the men in the audience yelling as well.

"Fuck, fuck, FUCK!!" The men all shouted as they came.

Sierra's body tensed up as she had an amazing orgasm. Her juices were dripping down her thighs as she squirted.

Sierra then lay back and watched as her audience left the chatroom.

"Thanks for the show, guys. I hope you had as much fun as I did."

Suddenly she received a private message.

"Sierra, do you have a dog?". The man asked.

"Yes, I do. Buddy is the best. Why?" Sierra replied.

"Stroke his cock" Said the man.

"What?"

"Stroke his cock". The man replied.

Sierra was a little confused, but she did as he said. She slowly started stroking the cock of her dog Buddy. Soon the pink tip of his cock was sticking out of his sheath. Sierra never saw Buddy's cock out of its sheath before. In fact, she never saw any dog's cock out of its sheath. "Keep stroking him" the man commanded. She then started stroking faster, enjoying the feeling of his cock in her hand. Then she felt his knot getting hard and growing under his sheath and thinking that she was hurting Buddy, she stopped. The man knew that she had felt Buddy's knot and assured Sierra that Buddy was not hurt, and that his not was growing because he was turned on. He explained that the knot grows while he is breeding his bitch and it locks them together while he's cumming in her to hold the sperm inside of her to help insure pregnancy.

"Keep stroking him Sierra" the man said.

Sierra kept stroking him until his cock very hard and his knot had become huge. "Pull his sheath back" the man told Sierra. She did as she was told and Buddy's dog cock was now fully out of its sheath. It was pink and covered with little veins and was squirting cum in spurts. Sierra was in awe as she could see her hand running up and down his shaft. "Get under him, hold it behind the knot and let him cum on your face" He commanded Sierra.

"But what about Buddy? Won't this hurt him?" Sierra asked.

"No, Buddy is turned on and wants to cum" The man told her.

Sierra crawled under her dog and held his cock behind the knot and started stroking it faster. His cock felt amazing as it grew in her hand. Sierra started stroking even faster, making him squirt even more. Then she felt his cock grow hard, then it shot cum in a stream onto her face and neck. She felt it cover her mouth and chin. The sensation was so erotic. It was like she had cum herself. She continued stroking him as his cock shot more cum onto her face. "Open your mouth Sierra" said the man.

"What?" she asked.

"Take his cum in your mouth" He said.

Sierra did as the man told her and opened her mouth and stuck out her tongue. His cock spurted cum onto her tongue and she closed her mouth around the tip of his cock. Sierra had never tasted

anything like his cock or his cum. She enjoyed the taste as it went down her throat.

She continued to stroke him until he stopped cumming. Then she moved back and stroked his cock and balls with one hand while she gently rubbed his belly with the other. "Good girl Sierra, you're doing a great job pleasing Buddy" said the man.

"Thank you" Sierra replied.

"Did you like what you did with Buddy today" The man asked.

"Yes, it was great. I'm hoping that he will let me do it again". Sierra answered.

"Good! We continue your education tomorrow" he told her. "goodbye"

Sierra logged off and closed her laptop. She had no idea that this would be the start of a very special relationship.

The following day Sierra got off the bus and headed home. She was thinking about Buddy's cock all day at school. She was anxious to get home and pleasure him again. As soon as she opened the front door she ran upstairs to her bedroom.

Sierra logged onto the video chat website and started her stream. Except this time, she skipped her public chat by telling her audience that she feeling ill and went straight to private to meet the man again. When she logged in to private video chat, the man was waiting for her with he cock in his hand. "Hello Sierra, it's good to see you again. Are you ready for today's lesson?"

"Yes! I'm ready" Sierra replied.

The man instructed her to log onto a new video chat that he had set up for her. Once on the new chatroom, he showed Sierra a webcam with a green light showing that it was recording.

"Just as yesterday, get under him and Stroke him like you were taught" the man said.

Sierra crawled under Buddy , laid on her back and started stroking his cock as he had instructed her. After a couple of minutes, Buddy's cock was now hard and Sierra pulled his sheath back exposing his huge dog cock. "Now take him into your mouth" the man told her.

Sierra held his cock as she slowly took him into her mouth and started sucking on the tip. She could hear the man moaning as he watched her suck on her dogs cock. "You're doing great Sierra" said the man.

As she sucked on him, he grew even harder and bigger. She could feel his cock getting so big and hard that it was difficult for her to fit it all in her mouth." Take him deeper into your throat" he commanded her. She did as she was told and soon Buddy was buried deep in Sierra's mouth squirting his cum down her throat. "Now masturbate as you swallow dog sperm my young dog whore" He instructed her. She then reached under her and started rubbing her clit. The feeling of his cock in her mouth and her pussy being rubbed by her fingers was too much for her to handle. She came all over her fingers as she swallowed Buddy's cum. "Good girl, now lick him clean" he told her.

Sierra cleaned his cock off with her tongue, enjoying the taste of his cum. She then licked her fingers that were covered with her juices.

"I hope you enjoyed today's lesson. We will continue tomorrow. Goodbye"

The man ended their chat and logged off. Sierra then logged off as well. As she laid in bed thinking about what had just happened.

The next day, Sierra got off the bus and headed home. As soon as she opened the front door she ran upstairs to her bedroom. She could

not wait to see Buddy again.

She logged onto the video chat website and started her private stream. Again, the man was waiting for her. "Hello Sierra, I see you are ready for another lesson" said the man.

"Yes, I can't wait" Sierra replied.

The man showed her a new video chatroom that he had set up for her. When she logged on to it, there was a green light showing that it was recording.

"Get behind him, kneel and stroke him like you were taught" he told her.

Sierra got on her knees behind Buddy, reached around and started stroking his cock as he had instructed her. Sierra was getting good at stroking Buddy because in no time, Buddy's huge cock was out of his sheath. "Pull his cock out from between his legs so that his cock is facing you" he said.

"But that will hurt him" Sierra said.

The man explained that when male dogs knots lock them with their bitches, the male will step over and turn around and that they will be butt to butt, and it won't hurt them to be in that position.

Sierra did as the man told her and pulled his cock out from between his legs and it was now pointing straight at her face. She then stroked him even faster as he grew even harder and bigger. "Now I want you to lick and suck Buddy's cock and balls. He will love it". The man told her.

Sierra ran her tongue along Buddy's huge cock until she reached his large balls. She then started licking and sucking Buddy's balls. She could tell that the man was right, Buddy loved having his cock and balls pleased because after a couple of minutes of having his balls licked and sucked, he started ejaculating. Without being told to do so, Sierra quickly shoved Buddy's 8 inch cock in her mouth and fingered her pussy as she swallowed wave after wave of dog sperm. "Good girl Sierra, you are doing such a good job pleasing your dog" the man said.

When his cock was soft, Sierra crawled out from under him and stroked his cock and balls as she kissed and licked his belly. "I hope you enjoyed today's lesson. We will continue tomorrow. Goodbye"

The man ended their chat and logged off. Sierra then logged off as well. But this time she went for another round of pleasing her dog without the man watching. She loved pleasing Buddy.

It was now Wednesday, Sierra got off the bus and headed home. As soon as she opened the front door she ran upstairs to her bedroom. She could not wait to see Buddy again.

She logged onto the video chat website and started her private stream. Again, the man was waiting for her. "Hello Sierra, I see you are ready for another lesson" said the man.

"Yes, I can't wait" Sierra replied.

The man showed her a new video chatroom that he had set up for her. When she logged on to it, there was a green light showing that it was recording.

"Sierra, today you will become Buddy's bitch" The man told her.

"What?" Sierra asked.

"Today, you will become Buddy's bitch. You will have sex with him until he cums in your pussy." He told her.

Sierra was nervous, but she wanted to please the man. She loved having sex with her dog and now she would be able to have sex with him whenever she wanted.

The man told Sierra that once Buddy cums in her that she will become his bitch and he will own her and breed her whenever he wants. He also said that if she doesn't like this, then she does not have to do it. Sierra did not want to disappoint the man so she agreed to be Buddy's bitch. "Now get on your hands and knees and offer him your pussy" he told her.

Sierra got on her hands and knees and offered her pussy to her dog. She could hear the man telling him to mount her. Then she felt Buddy's cock against her pussy. She was so excited that she started moaning as she felt him enter her. Soon his huge cock was buried deep in her pussy.

Buddy started thrusting harder and harder, fucking Sierra like she had never been fucked before. "Fuck me Buddy! Fuck me hard!" she moaned.

"Tell him how much you want to be his bitch Sierra" The man commanded.

"I want to be your bitch Buddy. I love being your bitch" She moaned.

"Tell him how much you want him to fuck you" He told her.

"Fuck me Buddy, please fuck me harder" Sierra begged.

Buddy continued to thrust into her harder and faster until she was screaming out in ecstasy. She felt a wave of pleasure wash over her body as she came all over her dogs cock.

"Tell him to breed you and make you his bitch" The man told her.

"Fuck me Buddy, please breed me and make me your bitch" Sierra begged.

Buddy then started thrusting even harder, causing Sierra to scream out in pleasure. "Please Buddy, cum inside me...knock me up" she begged.

As Sierra was about to orgasm again, she felt Buddy's cock start to grow hard and bigger. It was almost too much for her to handle. Suddenly she felt him slam his cock deep in her pussy, causing her to orgasm as he started squirting his cum into her womb. "Yes, yes, YES!!" Sierra screamed as she came on buddy's cock.

"Tell him that he owns you now" he commanded her.

"You own me now Buddy...you own my pussy" She moaned.

Sierra could feel his cock pulsating as he filled her with cum. And as the man said, Buddy turned as Sierra was tied with him. They were now ass to ass for the next 15 minutes, and Sierra felt like a real bitch and she was in heat.

After what seemed like an eternity, Buddy`s cock had become soft and they were no longer tied together. Buddy pulled out of her pussy and she licked his cock and balls clean. Sierra was exhausted but happy that she was now a dog`s bitch. She wanted nothing more than to please her dog and make him happy.

“Good job Sierra. I am very proud of you. You have made me very happy” the man said.

“Thank you sir. I want to please you” Sierra replied.

The man then ended their chat and logged off. Sierra closed her laptop and layed back on her bed and fell asleep with Buddy.

She woke up and realized that it was already 7:00 PM. She was starving so she went downstairs and fixed herself dinner. As soon as she was done eating, she grabbed her laptop and went upstairs to her bedroom. She opened her laptop and started her video chat. The man was waiting for her. “Hello Sierra, I see you are ready for another lesson” he said.

“Yes sir, I am ready” Sierra replied.

The man showed her a new video chatroom that he had set up for her. When she logged on to it, there was a green light showing that it was recording.

“We are going to teach you to have anal sex with Buddy.” The man told her.

Sierra was a little nervous because she had never had anal sex before. She didn’t know if she would like it. But she wanted to please the man so she agreed to do it. “Now get on your hands and knees and offer your ass to him” He told her.

Sierra did as she was told and got on her hands and knees offering her ass to her dog. She could hear the man telling him to mount her. Then she felt Buddy`s cock against her ass. She was excited and nervous at the same time. She felt Buddy`s cock push into her tight ass, causing her to scream out in pleasure. He then started thrusting hard and fast, fucking his bitch from behind.

“Fuck my ass Buddy...fuck me harder” Sierra moaned.

“Tell him how much you love being owned by him” The man commanded.

“I love being owned by you Buddy. I love being your bitch” She moaned.

Buddy continued thrusting harder and faster, making Sierra orgasm all over his cock. “Please Buddy...cum in my ass” She begged.

As she was about to orgasm again, Sierra felt Buddy start to grow hard and bigger. It was almost too much for her to handle. Suddenly she felt him slam his cock deep in her ass, causing her to orgasm as he started squirting his cum into her bowels. “Yes, yes, YES!!” Sierra screamed as she came on his cock .

“Tell him that he owns you now’ he commander her.

"You own me now Buddy...you own my ass" Sierra moaned with Buddy`s huge knot stuck in her ass.

Sierra could feel his cock pulsating as he flooded her bowels with warm cum.

Buddy`s cock had become soft and he pulled his cock out of her asshole. Straight out of her ass, Sierra then licked his cock and balls clean. She loved the thought of belonging to a dog.

The next day, Sierra got off the bus and headed home. She was feeling very horny because she knew that she would be having sex with Buddy today. As soon as she opened the front door she ran upstairs to her bedroom. She couldn't wait to see her dog.

When she logged onto the video chat website, the man was waiting for her. "Hello Sierra, I see you are ready for another lesson" he said.

"Yes sir, I am ready" Sierra replied.

The man showed her another new video chatroom that he had set up for her. When she logged on to it, there was a green light showing that it was recording.

"Today Sierra, we are going to livestream your breeding session. There are many horny men who would pay to watch a pretty young girl being bred by her dog. All of the money you make with your live show, you will keep." The man told her.

Sierra was a little nervous at first, but she agreed to do it. "Look at the camera and introduce yourself to your new audience" he told her.

Sierra looked into the camera and smiled. "Hello everyone! My name is Sierra and I am 18 years old and a senior in high school. Today I

will be mating with my dog Buddy!"

"Now get under him and stroke his cock until it is hard" he told her.

As soon as Sierra started stroking Buddy, the bells started ringing in the video chatroom indicating that someone had paid her money out of appreciation. Sierra looked at the audience counter and was shocked to see over 8,000 horny men we`re watching her.

Buddy started getting hard and Sierra stroked him faster. Soon his huge cock was out of its sheath and pointing towards Sierra. "Take him into your mouth" he told her.

Laying under her dog Sierra took his huge cock into her mouth. She loved the taste of his cock and balls. As she sucked on his cock, the bell started ringing even more. She ran her tongue over every inch of Buddy`s cock and balls.

Then Sierra felt his cock start to grow hard and bigger. It was almost too much for her to handle. Suddenly she felt him slam his cock deep into her throat, causing causing Buddy to cum in her mouth once again. For three minutes Sierra fingered her pussy while swallowing every drop of Buddy`s sperm. This caused the bells to go off for almost a minute straight as the men tipped Sierra.

"Now tell your audience what you want to have happen next" he told her.

"I want him to fuck me...please Buddy fuck me" Sierra begged.

Buddy mounted her and took a hold of her hips. Then he pushed his cock deep into her pussy. He started thrusting harder and faster until she was screaming out in pleasure.

"Fuck me Buddy...fuck me harder" She moaned.

"Show your audience what you tell Buddy as he`s breeding you" The man commanded.

Sierra looked into the camera and said "Please Buddy...cum in my pussy!"

"What else?" Asked the man.

"Cum inside me and knock me up" She moaned.

Now bells were ringing uncontrollably with tips for Sierra.

"Tell them who owns you" said the man.

"You own me now Buddy...you own my pussy" Sierra moaned as she felt his cock growing even bigger.

She could feel his cock pulsating as he flooded her womb with warm cum. Sierra orgasmed all over his cock. "Yes, yes, YES!!" Sierra screamed as she came on her dogs cock . They remained tied for a full 10 minutes as the sound of bells flooded the chatroom.

As Buddy`s cock had become soft, he pulled out of her pussy. Sierra licked him clean and kissed his balls. Then she crawled out from under him and stroked him until his cock was hard again.

"Do you guys want to watch my dog fuck my ass?" she asked her audience.

The bells rang so loud that it hurt Sierra`s ears.

Sierra then laid down on her back and spread her legs wide. She reached behind her and inserted two fingers into her asshole, making sure that it was ready to be fucked. then she turned onto her hands and knees.

Buddy mounted her and started thrusting his cock deep into her ass. "Fuck me Buddy...fuck my ass fuck my teen ass" Sierra moaned.

"Tell them how much you love being owned by him" The man told her.

"I love being owned by you Buddy...you own my ass" She moaned as he slammed his cock deep into her bowels.

Sierra looked into the camera and smiled, showing off her new dog bite mark on her neck. It was a reminder to all that she belonged to her dog.

Then Sierra felt Buddy start to grow hard and bigger. It was almost too much for her to handle as Buddy`s knot started expanding in her ass. Suddenly she felt him slam his cock deep into her ass causing her to orgasm as he started squirting his cum into her bowels. "Yes, yes, YES!!" Sierra screamed as she came with Buddy`s knot stuck deep in her ass. She remained anally tied with her dog as the bells went off. Buddy`s cock became soft and he slid his long cock out of Sierra`s cum filled ass.

"Now tell them what you are going to do next" He told her.

"I am going to lick his cock and balls clean straight out of my asshole" She moaned as she slowly crawled under him and licked her ass juice from his cock and balls.

The bells rang even louder than before as more tips were given to Sierra.

"Thank you guys" Sierra said as she signed off.

When Sierra checked her virtual wallet, she almost fainted when she saw that she had made over \$17,000.00 with her livestream.

Sierra closed her laptop and laid back on her bed thinking about how much money she had made and how happy she was. She was now a true dog bitch.

The following day, Sierra got off the bus and headed home. As soon as she opened the front door she ran upstairs to her bedroom. She couldn't wait to see Buddy.

She logged onto the video chat website and started her private stream. When she logged in to it, there was a green light showing that it was recording.

"Sierra, you have done well. You have leaned enough to entertain and captivate an audience without me giving you instruction. This will be your last chat with me." the man told her as he raised the camera revealing his face to her.

DAD! Sierra screamed in shock and horror.

The End
