BEASTIALITY STORIES

It all started my final year in high school. I would like to tell you about myself first; my name is Jake, I'm 18, and I am about six and one hundred seventy pounds. I had played football so I hit the weights a lot. I have dark hair, and everything else is brown.

This year, I was kicked off the football team for throwing someone's equipment out of the bus window and almost causing an accident on the way back from a game. Yeah, I know that sounds lame, but people could have gotten sued, so they forced me out. Without football, I had one less class, so I got to go home earlier.

So, usually, I would go to summer school and then walk home. I had expected to be greeted by my sister. Courtney was a freshman in college and was on break, so she stayed at my parent's house over the summer. I had noticed the year that Courtney and I were both in school that she always had a trail of boys drooling over her. Courtney is about five five, skinny with dark brown hair to her back. She is cute in the face, she has a nice plump ass, and her tits are between a D and a C. However, I didn't pay too much attention to her because I got some "attention" myself.

It was abnormally hot on my first day of summer school, so I hurried home to escape the heat. I didn't expect anyone to be home when I got home because my parents worked, and my sister would probably be out with her friends.

So I went up into my room to change out of my sweaty clothes. While changing I heard some noise from my 20yo sister's room. As soon as I changed, I went over to her door, opened a small crack, and took a peek. Then I saw Courtney thong-less getting fucked by the dog on the floor. (Our dog is an adult male chocolate lab.) When I saw this, I got an instant hard-on.

I quietly returned to my room, grabbed my camera, and returned to her door. I opened the door more, just enough for the camera, and snapped pictures. Then I opened the door and said, "What the fuck are you doing?"

She looked up and said, "Sorry, I just-"

But at that moment, I saw the dog's knot get shoved up her ass, and she let out a scream of pleasure and came all over the floor.

Then she signaled me to come over to her, so I went. Then she said, "I want your cock."

So I did the only logical thing and undid my pants, and then she saw my eighth incher, and a big grin went on her face. She then sucked me off. When I was about to cum I pulled out of her face. And then I let a load onto her face.

She said, "What the fuck. Jake."

That was when the dog had enough, so he turned over and tried to pull out. But he started to walk and dragged Courtney. She was so exhausted she could not even get up again. Right then, I took another picture while she was not looking in case I ever needed leverage over her.

Then the dog had finally pulled out with a plop and a downpour of cum both dog and girl poured out of her ass. I picked her up and took her to her bed. It took her a while to recover from the dog fucking, but by that time, I had her on her back. I took her shirt off and tossed it on the floor; then I pinched her titles to stimulate her, then I lifted her legs and inserted my member into her pussy hole. She then let out a giant whimper, and I went to work. I had been fucking her for a while when

Courtney started screaming in ecstasy,

"Fuck meeee!"

"Fuck it!"

"Harder!"

"Yes, Jake, fuck it, fuck it!"

"Make me your little slut!"

Then her breathing became more rapid, then she said, "Do it faster, faster now."

Then we both came together. Then I noticed that her bed was soaking wet with cum. Then she giggled at me and said, "Now it is my turn on top."

So we rolled over, and she was on top, and she took all my cock on her little couch. S

He said, "You like that, don't you?"

Then I said, "Damn, Courtney! Do you do this all the time in college?"

She replied, "Shut up and let me fuck you."

That was when we heard the front door close.

"Hello, I'm home."

It was our mother; as soon as Courtney heard, she jumped off my cock and shuffled me out. I ran into my room and threw some clothes on just as the door opened, and I turned to see my mom standing there.

She said, "When did you get home? Look at the time."

It was seven thirty-one. I thought, 'Damn, we must have been fucking for a long time.'

I said, "Yeah, I just took the dog out,"

She replied, "Oh, OK. So where is your sister?"

I said, "I think she is in her room."

When she closed the door, I breathed a sigh of relief and thought, "That was a close one.'

I overhear my mom talking to Courtney. "Hi, honey. What is that smell?"

Courtney replies, "I don't know. Let me open a window."

Then mom asked, "What's that?"

"What's what?"

Then Mom picked up the thong and said, "Why is your thong on the floor, and why are they wet?"

The End
