BEASTIALITY STORIES

Foreword: All persons in this story are 18 or older!

Jessica knew she was in trouble; she had already taken off her shoes and now she was slipping her key into the lock and creeping through the front door.

Closing it silently behind her she crept down the hall to see if her father had gone to bed. Her brown eyes scan the apartment, the living room light is off and his bedroom door is closed, good. Jess stealthily moves back to her own bedroom door and gets through it as quietly as she can before leaning against it in her own room and blowing her brown hair from her forehead.

And that's when her lamp was turned on to reveal her father, sitting in the chair in the corner, Ralph the dog at his feet, "Where have you been this late at night?" he snarled accusingly.

"I'm really sorry Daddy" the teen girl began, "The bus I was on broke down and I had to wait for the next one" she explained, this was not the truth of course, she had just been enjoying herself. "Then you should have caught the one before that, just in case that happened" he father said calmly, the dog had sat up now, curious to see what was happening, "You know you have to be punished" he father added.

"Yes Daddy, I'm sorry" Jessica was 18 now and while her Dad had given her more freedom to go out with friends he still had strict rules to follow, a transgression meant punishment and she knew what that meant.

"Take off your clothes Jess!" her Daddy said, she could see the bulge in his pants beginning to form. She slipped off her jacket and put it on her bed, Jess took care of her clothes, they didn't have a lot of money since Mom left so Daddy had taught her to take care of her things.

She pulled her T-shirt over her head and then unzipped her skirt before stepping out of it, these things joined her jacket. "Now face me" he said, "Yes Daddy" she replied and turned to look at him. He was still in the chair, stroking the dogs head with one hand and his growing cock with the other.

Jess unclipped her bra and took it off, revealing her 36D breasts, she was like her Mom that way, shirt and slim but with large tits. She pushed her panties down and threw both into her laundry basket before standing, fully naked, in front of him.

"You've been a bad girl Jess" her Daddy said thickly, she could see his growing arousal, "and what do bad girls need to do?" he raised an eyebrow, "They need to be good to make it better" she repeated his mantra, she had heard it so many times.

"That's right" her Daddy nodded, stroking evenly with both hands, "and how are you going to be good?" he asked, "By doing what my Daddy tells me" she answered automatically. "That's my good girl" he said, "Now come here and lie across my knees"

Jess did as she was told, Ralph moved out of the way and she lay across her Daddy's knees, her ass presented for a spanking. "This is for your own good you know" he said as he slapped her once on the ass, "OW! I know Daddy OW!" she replied as he slapped her again. Six times he spanked her ass, hard, so it was red, then he rubbed his hand over her cute butt.

"Daddy has to do this to teach you how to behave Jess" he said as his hand wandered over her ass, finally sliding between her legs to stroke her pussy lips, "Yes, I know" she agrees, "So I can be a good girl for Daddy"

"That's right" he slips first one and then two fingers inside her pussy, pushing them in all the way, "Oh, yes, Thank you Daddy" Jess sighs, "I want to be a good girl for you" he pushes his fingers in and out of her wetness, she can feel his hard cock throbbing against her side.

"That's it" he grunts as he finger fucks her, "Be Daddy's good girl" he pulls his fingers out, they are wet with her juices, "Here Ralph" he says to the dog, "your turn"

The dog stands and sniffs her Daddy's fingers before starting to lick her wetness dripping from them. The fingers entice him forwards and he pushes his nose between her legs to begin lapping at her wet pussy, "Oh yes Daddy, that feels good" she sighs, she isn't lying either, because although she doesn't like the spanking much, what happens from here is very enjoyable.

Of course, Jessica didn't come home late by accident, there was no problem with the bus. She was late deliberately because she likes it when Daddy "punishes" her, likes it and gets off on it.

The dog had got her really wet now; her Daddy has freed his cock more so he can jerk off again as he watches his daughter and the family pet.

"Ok Ralph, up here boy" he helps the dog mount Jess and reaches down to jerk the dog's cock while jerking his own, eventually the dog is as hard as his owner and her Daddy moves him into position, "Ready to be good for me?" he asks her, "Yes Daddy, please" she moans, "I want Ralph's big dog cock inside my tight pussy"

Her Daddy slips the dog dick into her and Ralph begins to pound her cunt, "Yes, fuck me!" she gasps, "I'm Daddy's good girl, fuck me hard!" the dog speeds up and Jess groans as the orgasm builds in her, "Yes Daddy, Oh! He's making me cum!" she cries as the dog pumps his cock and his spunk into her, "Oh fuck yes!" she cums hard as Ralph rams his knot into her, "Oh yes! I'm cumming Daddy" she can feel the dog filling her pussy.

"OK" her Daddy begins to maneuver her and the dog so she is on her hands and knees with the dog still stuck inside her, she can feel its hard cock throbbing as it continues to cum. "Now take Daddy's dick in your mouth, that's a good girl"

Jess opens her mouth and receives the hard member, swallowing slowly she lets it enter her throat until he is all the way in. Then he starts to fuck her throat while the dog continues to pump cum into her cunt.

"Oh yes Jess, Daddy loves his good girl" he moans as he thrusts into her mouth causing her to make "Guk, guk, guk" noises, "Daddy's gonna give you his cum because you have been so good" he grunts, "Fuck yes, take it, take my cum!" he shoots a big stream of spunk down Jessica's throat and she orgasms again, causing Ralph's knot to come out of her pussy with a plop, she can feel dog cum running down the inside of her legs as her Daddy spunks down her throat.

"Good girl" he says collapsing back into the chair, "you should go to the bathroom now to clean up" he adds, "Yes Daddy" she says.

Jess has a quick shower and then goes back to her room, it is empty now, her Dad and Ralph have gone to bed, she climbs into her own bed and gets comfortable. Jessica smiles in the darkness, she likes being Daddy's good girl.

The End
