## **BEASTIALITY STORIES**

Amy was only just nineteen. She pulled on her scarf over her long brown hair. It was cold outside but she still had to feed the horses she owned. Amy was small in height and was well proportioned, her 32D cup breasts hung tightly on her chest.

Amy was a college student studying veterinary technology. She loved animals, sometimes she thought she loved animals too much. Amy had ridden horses since she was four years old. She owned three horses now. Esme, Alice and Carlisle. Esme and Alice were both in season at the moment and that meant Amy had to take more care in handling her stallion Carlisle who was full of testosterone at the moment.

Amy jumped in to her range rover and drove the few miles to her private stables outside the cities suburbs where she lived. Amy was thinking dirty thoughts of Carlisle's big hard black cock as she drove to the stables. He was almost permanently hard at the moment because of the smell of the two mares in heat. That made Amy very excited. She would love to have that big cock inside her, to feel her stallion thrust it inside her tight pussy hard and fast.

Amy was very wet as she jumped out of the range rover to ran into the barn. She was welcomed by Carlisle, who nickered loudly to her. She noticed immediately his long hard cock hanging out of his big sheath. Amy bit her lips gently and walked over to her favourite mare, Esme. Esme was her favourite simply because she had grown up with her. She had even paid to have Esme transported from Ireland to America when she moved.

Amy let herself in to Esme's stall. She stroked her neck softly and ran her hand across Esme's back. She worked her way all the way to her tail where Esme lifted it high in hope of some attention. Amy knew what she wanted. Esme was in full heat and her pussy was so wet Amy noticed. Esme would always want attention even if she wasn't in heat but when she was in season Esme's needs were a lot greater.

Amy gently flicked her finger tips across Esme's wet pussy. Esme immediately started winking with her clit in obvious enjoyment. Amy then stuck one finger into Esme's juicy wet pussy. She pushed it in and out slowly. Amy felt her own juices run down her thighs. She was so turned-on. Amy bent over so her mouth was next to Esme's pussy. She started licking her damp pussy, All Esme's juices ran into her mouth and Amy loved the sweet taste. She had started doing this sort of thing with Esme when she had turned 16. Esme loved it and so did Amy who also loved dogs a great deal.

Esme was ready, Amy could tell. She clenched her fist together and placed it against her pussy. Esme widened her hips and pushed back against the fist, taking it all into her wet hole. Amy started moving her hand in and out of Esme's pussy. Clear sticky juices flowed out and Amy greatedened the speed. Esme started sighing in delight. Amy started pounding Esme's pussy with her arm and hand, with each stroke Esme pushed back against the hand. Esme started grunting, she put her weight on her hips and squeezed her pussy tight. She was coming hard now, her warm sticky cream squirted out on to Amy's hand. Amy kept thrusting until Esme reached her climax, Esme neighing loudly and relaxed her pussy.

Amy withdrew her hand. She licked all of Esme's hot cream off her arm that had squirted on her. She loved the taste. Amy was dripping wet now, she put her finger into her tight pussy in an effort to relax her pulsing cunt. It didn't help! Amy's phone rang, it was Rick. Rick was leaving work early to come to see his baby. Amy got even more excited. She only saw him a few times a week. They had been friends for a while now and just enjoyed having fun together.

Amy got Alice her second mare brushed down. Rick arrived soon after. He greeted Amy with a long hard kiss, grabbing at her clothes in an attempt to remove them all. It worked and Amy did the same to him. They wandered in to Alice's stall and Rick pushed Amy to her knees gently. Amy smiled at the hard cock he had for her. She took him in her mouth, all 8 inches and sucked gently, pushing him in and out of her mouth. Rick started humping her face hard. "Oh that's right baby, take daddy's cock" Rick moaned. Rick wasn't Amy's father, but he was old enough to be! Rick removed his hard cock from her mouth and pulled her up kissing her again.

Rick and Amy moved towards Alice and Rick started rubbing her hindquarters. Rick stood up on the bales that Amy had placed out earlier behind Alice. He began working his fingers into her tight pussy. She opened her legs wide for him. He thrust his hard cock into her pussy. Rick started fucking Alice hard, Alice rocked back towards him meeting each thrust. Soon she started grunting out her orgasm making Rick pound her harder. Amy got so horny watching her special friend fuck her horse.

Rick didn't come in Alice, he preferred to come in Amy. Rick took out his cock from Alice's dripping wet pussy. He grabbed Amy and turned her away from him. "Oh daddy fuck me hard" Amy shouted to Rick. Rick placed his raging hard cock against her tight pussy and with one hard thrust he entered her fully. Amy moaned and Rick thrust his cock slowly in to Amy's pussy. Rick quickened his pace. "Oh fuck daddy, harder daddy, harder" Amy begged. "Ok baby, Ok" Rick answered. They fucked hard and fast, Amy's pussy leaking juices down her leg. Rick came, he spurted his thick come deep into Amy's pussy. Amy moaned and shouted as she reached her orgasm.

Rick and Amy lay down in the straw for a few minutes kissing before they walked into Carlisle's stall. His huge hard dick made Amy so excited again. She knelt down beside him and started stroking his hard dick, Carlisle started oozing pre-come immediately. Amy pulled his dick towards her mouth. She opened her mouth wide for him. She rolled her tongue around the head of his cock. Amy could taste his pre-come.

Rick stood behind her, rubbing his fingers on her clit and in her two tight holes. Carlisle started humping his cock into Amy's mouth with his hips. Amy fucked him with her mouth and hands, he felt his balls swell and suddenly erupt with come jetting into her mouth. Amy also came as suddenly as Carlisle, her juices pouring out on Rick's hand.

Amy was tired as was all her horses and Rick. Amy was such a little slut for her daddy Rick. But she was his little baby, she would always be his for as long as he wanted her.
