BEASTIALITY STORIES

(c) 2007 by leglvr44 (husband of Joy)

My wife Joy is a very pretty 42 year old. She had shoulder length brown hair and a slender build. Her main enjoyment in life was riding horses. She loves to ride. She loves the way the horse feels between her legs as she grips him tightly with her knees. We live on a rural farm. She is home alone when I am at work and she spends her time swimming, when it was warm enough, or she played around some on the web:

She was surfing the web one day and she saw a link for a site about women and their horses. She had no idea what it was about so she clicked on the link. she was shocked when she saw the first picture of a woman stroking a horse's massive cock. As she looked at the pictures she could feel her pussy getting wet. She went from one picture to the next and she couldn't believe women could fit something that big in their pussies. She got up and removed her bikini bottom and ran her fingers through the hair on her pussy. She moaned as her fingers rubbed her clit then slid easily into her wet pussy. She rubbed herself as she clicked from one picture to the next. Then she stopped on a picture that made her mouth water; a woman was sucking a horse and he was cumming in her mouth. She felt her pussy grip her finger and she screamed as her whole body shook with a huge orgasm.

She spent the rest of the afternoon looking at the pictures and wondering how it would be to try it. She put her bikini bottom back on and went to the stable so she could feed and groom the horses. They had five horses, four mares and one stud named Maverick. She fed them and had brushed the mares. Now it was time to brush Maverick. She started brushing him and she noticed he was fidgeting a lot, he snorted and shook his head as the smell of her pussy filled his nose.

"What's the matter boy?" She asked as she brushed his side. She gasped when she looked down and saw his cock hanging from its sheath. Her mouth was dry as she watched it getting bigger. She wanted to touch it but she was so afraid. Finally her curiosity and her desire over powered her fear and she reached under him and took his huge cock in her hand. He snorted and pawed the ground as she slid her hand up and down his shaft. She was amazed how hot it felt. Her pussy was getting wetter as she jerked him off. She wondered if she could get it in her mouth and what it would taste like. She slowly got on her knees and pulled his cock to her mouth and licked it. His cock jerked hard, almost jerking out of her hand. She licked it again then opened her mouth as wide as she could and took a couple of inches in her mouth. She had never had anything this big in her mouth but instinct took over and she slid her mouth up and down his huge cock. She could feel it throbbing in her mouth and she put her hand in her bikini bottom and rubbed her clit. She was getting hotter and she was taking more of him in her mouth. He whinnied and snorted as his cock jerked hard and a huge load of cum filled her mouth. She tried to swallow but she choked and coughed and cum ran down her chin dripping onto her chest. She pulled her mouth off him and he shot more cum all over her. That triggered her own orgasm and she slid two fingers in her tight cunt and shook while they came together.

As her orgasm subsided she looked at herself and laughed. She was completely covered in horse cum. She pulled her hand from her pussy and licked her fingers clean then she scooped the cum off her body and licked that. She loved the taste and she wanted more. She knew I would be home soon, so she ran and jumped in the pool washing all the cum off her body. She could hardly wait till tomorrow.

The next day came and she was ready to try Maverick again. She started toward the stable then she noticed her niece Sonya pulling in the drive. "Damn this sucks. I'm so horny I don't want her here now." She said as she kicked a rock across the drive.

"Hey Joy, what are you doing?" Sonya asked as she got out of her car.

“Nothing, I was just going to check on the horses.”

“Oh, I thought maybe we could swim for a while.”

“Ok, that sounds cool.”

Joy looked at Sonya and thought ‘we’ve had some sexy times with some guys, maybe we could have some fun with Maverick.’ Sonya was a sexy 25 year old. She had skin tanned by the sun and beautiful long blondish hair. She had nice tits (36c’s), about the size of a grapefruit, and long legs and fine ass. Joy’s pussy was getting wetter as she thought about licking Sonya’s pussy. She watched her niece’s ass as she ran to the pool. They splashed and played in the pool for a couple of hours then went in to have some lunch. As they ate their sandwiches Joy couldn’t help noticing how Sonya’s nipples poked out through her hot pink bikini and how it was pulled up tight in her crotch showing off her puffy lips.

After lunch they walked out to the stable to see the horses, Sony like most animals and loved horses. They gave them fresh water and some hay then Joy started brushing one of the mares as Sonya brushed another. After an hour or so Sonya said she had to go home. Joy was ecstatic; even though she liked Sonya she really wanted to play with Maverick.

Joy walked with Sonya to her car and watched as she drove down the drive. When she was out of the drive she ran back to the stable and quickly shed her bikini. She started rubbing Mavericks side and his dick started growing, he was hoping for some more of what she had done yesterday. She got on her knees and ran her hand along his hard cock, she was still in awe of it, and it must be at least two feet long and thicker than her arm. She ran her hand over it as she said. “Easy boy, I know what you want. You want me to suck your cock, don’t you? I’ve been dreaming of this since yesterday.”

She put her mouth on his huge cock and moaned as it filled her mouth. She moved her head back and forth taking as much of his cock as she could in her mouth. As she sucked her hand went to her wet pussy and she rubbed her juice into her clit. She loved the feel and taste of his cock in her mouth and she could feel her first orgasm sweep over her. She pulled her mouth from his cock and screamed. “OH FUCK I’M CUMMING! OH MAVERICK I LOVE YOUR COCK!”

She didn’t know that Sonya had come back and decided to spend the afternoon with Joy. She stood at the stable door staring at her nude aunt sucking a horse’s cock. She could feel her pussy twitching as she watched her aunt Joy playing with herself as she sucked a horse. Sonya slipped off her bikini and ran her right hand over her pussy. She shuddered when she slipped a finger in her pussy. As she rubbed her pussy she watched Joy rubbing herself and she couldn’t believe how wet Joy was. Her fingers were covered with liquid and there was a big puddle under her.

Sonya lost her balance and fell against the door causing a loud bang and before she could run Joy jumped up knowing she was in deep shit because someone had caught her. She was relieved when she saw Sonya standing in the door trying to pull her swimsuit up.

“What the hell are you doing here? I thought you went home. And how long have you been standing there? Don’t you know you shouldn’t spy on people?”

Sonya was staring as Joy yelled at her. Joy felt bad that she had yelled and walked over to her niece and kissed her face and said. “I’m sorry Sonya I shouldn’t have yelled.” She lifted Sonya’s face and gently kissed her lips. Sonya looked into her eyes and said. “I’m sorry Joy; we were having so much fun I decided stay here this afternoon. And when I saw what you were doing with Maverick I couldn’t help watching. Then my pussy started twitching and I just had to rub it. Why were you sucking his dick?”

"It's fun and it makes my pussy twitch too. You don't think I'm awful for doing it do you?"

"Oh no, I could never think you're awful, you're my best aunt and we have shared a lot of guys together, but I've just never seen anything like that. Doesn't it taste good?"

"It tastes great." Joy looked at her young friend and said. "Would you like to try it?"

"I don't know if I" Joy cut her off in mid sentence by kissing her. Sonya's eyes were wide as Joy slid her tongue into her mouth. Sonya caught on quickly and their tongues wrestled back and forth. Sonya moaned as Joy cupped her breast. Her nipples were hard and poking into Joy's palm. They were both panting as Joy broke the kiss then leaned down and took Sonya's hard nipple in her mouth. "Oh wow, that feels awesome." Sonya said as she held Joy's face tight to her chest. As Joy licked Sonya's nipple she ran her hand through the patch of blond pubic hair and slid her finger along Sonya's juicy slit. Joy couldn't help thinking Sonya was seventeen years younger than her and she and her had fucked so many guys together, but this was going to be so different. She broke their embrace and led Sonya over to Maverick. She took Sonya's hand and placed it on Maverick's hard cock. Sonya moaned as she ran her hand up and down the biggest cock she had ever felt. She looked at Joy and said. "It sure is hot. Do you think he likes how I'm doing it?"

"Oh I'm sure he loves it, feel how it's jerking in your hand."

"Yea this is awesome. What do I do now?"

"Lean over and take it in your mouth. He'll really like that."

"I don't know if I can, it may not fit."

"Just open your mouth real wide like you taking a big bite of an apple just be careful not to bite him."

They both laughed then Sonya leaned in and took the end of his cock in her mouth. Her lips were stretched tight over his massive cock. She moved her head up and down a few times then pulled her mouth off with a pop and said. "MMMM that does taste good and it makes my pussy twitch too."

"Let me have a turn." Joy said taking his cock in her mouth. As she bobbed her head up and down Sonya slid her finger up Joy's wet pussy. Joy moaned as she sucked the big horse cock and Sonya fingered her. She pulled her mouth off breathing heavily and said. "Oh Sonya that feels so good, fuck my pussy with your finger. Put another finger in me make me cum I'm so close." She took the cock back in her mouth and sucked hard. She could feel it jerking and she wanted him to fill her mouth with his hot cum. But she also wanted Sonya to get a taste as well. As Joy was sucking the huge horse cock Sonya began sucking Joy's nipples as she slid two fingers in and out of her pussy. Joy was moaning loudly and her hips were rocking trying to get more of Sonya's fingers in her. Maverick whinnied and his cock jerked as he fired a huge load of cum into Joy's mouth. She swallowed the first shot then pulled her mouth away and aimed it at Sonya's face as she screamed and covered Sonya's fingers with her hot cum. "OH FUCK, I'M CUMMING!!! QUICK SONYA SUCK HIS COCK AND TASTE HIS CUM!" As her orgasm was coursing through her Joy fell on her back and rubbed her clit like she was possessed. Maverick's cock jerked and his second shot of cum landed on Sonya's tits. She gasped when she felt how hot it felt on her skin. She grabbed his cock and slid her mouth over it as he shot again filling her mouth. She tried to swallow but she choked and cum shot from her nose. She jerked her head back and sat there coughing as another string of cum hit her breasts. She let go of his cock and the rest of his cum landed on Joy and the ground.

As her orgasm subsided Joy saw Sonya lying on the ground with her hand on her pussy and covered

with cum. She crawled over to her and began licking it off. She licked both of her hard nipples then down her flat belly to the patch of blond hair just above her pussy. She moved Sonya's hand and slid her tongue along her wet slit. Sonya moaned as Joy licked her pussy. She loved for Joy to eat her pussy and she liked having sex with Joy. "Oh Joy, please don't stop it feels so good."

Joy used her fingers to open the lips of Sonya's pussy. She turned herself around so her pussy was over Sonya's mouth and said. "Do me too, let's make each other cum." Sonya raised her head and buried her tongue in Joy's wet pussy. She was mimicking what Joy was doing to her. If Joy licked her clit she licked Joy's and when Joy stuck her tongue deep inside she did the same. They licked for all they were worth trying to make the other one cum. Finally Sonya could take no more and her hips lifted off the ground pushing her pussy against Joy's mouth. Her screams were muffled by Joy's pussy as she had the biggest and best orgasm of her life. Joy licked and sucked trying to catch the sweet nectar that was flowing from Sonya's cunt. As Joy lapped at Sonya's pussy she felt her pussy spasm and she flooded Sonya's mouth with her sweet cum.

As they lay there holding each other and gently kissing. They both knew they would be experimenting more with Maverick, talking about how it would feel to have his huge dick in their pussy's. They also was thinking of the other animals on the farm and how they could use them together.
